Students Plan Parade-Rally Wednesday Noon for Roadrunner Revue

Basham, Student Prexy, Will Lead Parade; Revue Will Take Place at Lobero May 21 and 22

Leaving the campus at 12 o'clock noon tomorrow, State students will participate in a parade-rally to advertise the Roadrunner Revue which will take place this Thursday and Friday, May 21-22, at the Lobero theater.

Garlyn Basham, student president and general manager of the Revue, will lead the parade which will leave the college and progress down State street to Cabrillo boulevard and return up State street. A police escort will conduct the cars through the city.

Moore Is Director

Buppy Moore will act as production director for the performance, at the Lobero, with Jack Kitchen as assistant manager. Dave Pollock will be in charge of stage crews and sets, with Shirley Warner and Cecile Dillehunt handling properties and costumes.

Students Assist

Assisting Garlyn Basham, Mary Hughes will officiate as aid to the manager. Petie McKinney will be in charge of publicity, with Barry Simmons as head of advertising. The Lambournes, Bud and Fred, will direct the orchestral numbers for the Revue. Novelty acts include the Anacapa hula chorus, the Dionne quintuplets, and Allan Neil in artistic sketches. Other numbers on the program are the military chorus, the waltz ensemble, fashions of 1936. Overtures by the band and orchestra will open the performance and complete the grand finale.

THREE 'HE-MEN' TIE IN COLLEGE BEARD CONTEST

Climaxing the long struggle to grow a recognizable manly beard, three members of the student body tied for first place at the annual whiskerino contest given in conjunction with the Hobo Brawl on West beach, Friday afternoon, May 15.

The trio was composed of Ed Christiansen, "Spots" Ziegler and Bill Turner, who split the five dollar prize, each receiving \$1.66. The contest was judged on the longest and the best-colored beard.

The most artistic growth was won by Charles Luse, who received the prize of \$2. Tully Warren was presented with one dollar for making the best attempt to grow a beard.

Judges for the contest were Coach Theodore "Spud" Harder, Dave Pollock, Mert Miller and Denning McArthur.

City Council Votes Road Fund Approval

The city council of Santa Barbara, at its meeting May 14, approved the suggestion of Mayor E. O. Hanson that \$26,000 be placed in next year's fiscal budget of the city engineering department for work on the road to Leadbetter hill, site of the proposed State college.

The money will be spent by the city provided the State of California will agree to commence the building of the new State college in the near future. President Clarence L. Phelps states that he is working on that end of the project and feels confident the state's action will be favorable.

PHI DELTAS PRACTICE RITES

Meeting at the home of Miss Gladys Van Fossen, 1828 Loma street, 7:00 o'clock Monday evening, the Phi Delta Pi, women's physical education honorary fraternity, practiced the initiation ceremony which will be given next Sunday afternoon.

Garlyn Basham

Garlyn Basham, State college president and general manager of the Roadrunner Revue, who will lead the Gauchito parade-rally Wednesday noon.

Ericson Plans New I.E. Course

Will Cover Mechanical Construction of Airplanes and Autos

A new course called "Fundamentals of Transportation Equipment" will be offered by the industrial education department next September, according to E. E. Ericson, head of the department. The course, which will be open to all students of the college, will cover the fundamental mechanical construction of automobiles and airplanes and will also give consideration to the radio as an auxiliary to modern travel.

The growth of the various industries engaged in manufacture of transportation equipment and the opportunities offered for employment in these industries will receive consideration. A special feature of the new course will be scheduled trips to automobile plants and airplane factories of the Los Angeles region.

Among the new equipment to be obtained for the work are several airplane engines of different makes and a considerable selection of instruments for planes. A diesel engine plant is also included in the equipment requisitioned for this work.

The new course, to be given by William L. Rust, will replace the course called Fundamentals of Automobile Mechanics.

Engle, Hasse Write Prize Winning Poems

Participating in the contest of the California Intercollegiate Fellowship of Creative Art, Evelyn Engle and Carlotta Hasse have poems included in the "First the Blade," book of college verse, published annually at Santa Rosa junior college.

Evelyn Engle wrote a poem called "Lost in the Darkling Wood" and Carlotta Hasse composed a sonnet after seeing the picture "Love Time" based on the love of Franz Schubert.

Poems were sent from 34 California colleges. Judges for the contest were Professor Elias Olan James, Robin Lampson, Louis DeJean and Eugene T. Finn.

Longawa Is Hostess at Sorority Dinner

Entertaining the alumnae members of the Gamma Delta Chi sorority, Florence Longawa was hostess at a dinner party Saturday night, May 16, at her home on 520 East Arrellaga street, which preceded the sorority formal dance held at La Cumbre Country club.

The guests were Frances Baril, Wandalyn Linker, Stella Smead, Frances Whitmore, Agnes Pinkerton, Mr. and Mrs. Charles Hoffer, Mr. and Mrs. Ned Porter, Elwood Atchison, Clayton Pettit, Fred Sager, Arthur Pedick and Joe Sager.

Associated Student Body Passes \$15,000 Budget for Coming Year '36-'37

Goldsmith Explains Budget for Student Body; Amendments Concerning Rally Committee and La Cumbre Passed

Meeting in the college auditorium this morning, members of the Associated State college student body passed the \$15,000 budget for the year of 1936 and 1937. The meeting was held during the second period, and was presided over by Garlyn Basham, student body president, and explanations of the budget were given by Lyman Goldsmith, chairman of the finance committee.

In explaining the budget appropriations, Goldsmith pointed out the fact that the budget was based on an enrollment of 750 students and that as a larger enrollment was expected next year the Health office would receive a larger appropriation than in previous years.

Amendments Passed

Two amendments were also passed. Instead of the head yell leader acting as chairman of the Rally committee, the chairman of the committee will be appointed by the student body president with the approval of the legislative council. The appointed chairman will also be empowered to select three members for his committee. The other amendment passed provided that to obtain La Cumbre, State year book, a student must present both of his student body books and an extra amount which shall be determined by the legislative council.

Announcements were made concerning the kindergarden-primary play, Roadrunner Revue, Island trip, and a meeting of the State college lettermen.

College Head Attends Meet

Conference Held at College of the Pacific; Student Guidance Discussed

Attending a two day conference of deans and their advisors of men, Dean William Ashworth and Paul Jones representing the State college, returned home Sunday and reported a successful conference. The convention was held at the College of the Pacific, May 15 and 16.

"The convention was principally concerned with the guidance problems of college students and all types of student relationships were considered by the speakers," which made the gathering stimulating and educational," said Ashworth.

One of the interesting sidelights of the panel discussions was the student procedure followed at Yale university in acquainting the men with cultural activities. A fund of \$25 per man is set aside and is used by the dean and other faculty members in acquainting the men with local business merchants social service clubs, and other civic organizations.

Ideas for raising money for fraternities will be discussed with the State college inter-fraternity council. Dean Ashworth was also particularly gratified to find that some of the ideas he has been using in his freshman problems courses were also taken up at the convention.

Legislative Council Passes Final Budget

Passing the '36-'37 student body budget in its final form, the legislative council gathered last night in Pine hall.

Following extensive discussion a method of increasing the income of football was decided. In addition to the student book an admission fee of ten cents will be charged to all students during the next pigskin season.

A sum of \$115.00 was taken from the deficit fund and given to track in view of its inability to create any other type of income. Basketball and baseball budgets were left in an indefinite form to be considered by the council next year.

C. Jacobs Represents State at Gathering

Charles L. Jacobs, dean of the upper division of men, will attend a meeting in the State Building in San Francisco this Friday, May 22, when new teaching credential regulations will be given out and discussed.

The meeting is for representatives of all colleges which are training teachers for the State of California. Mrs. Evelyn Clement, chief of the division of teacher training and certification, has called the meeting and will preside.

Out on the Pampas

Signatures to Washington

A caravan of three trucks of Townsend plan supporters bringing signatures of 10,581,000 persons throughout the country who insist that the Townsend Pension plan be enacted into law, has just reached Washington, D. C. The caravan embarked from Los Angeles 13 days ago to present the three truckloads of petitions to the law makers in the capital city.

Bolivia Under New Rule

President Jose Sorzano of Bolivia has just been forced to resign from his office by a "junta" composed of army officers and a few civilians if the country. Colonel Rafael Franco was made provisional president. President Sorzano was informed that he was being relieved from his office because the people of the country are dissatisfied with economic conditions and because he had opposed the elections which were scheduled for May 31.

Austrian Private Army Dissolved

Following the ousting of Prince von Starhemberg as vice-chancellor of Austria by Chancellor Kurt Schuschnigg, the Fascist Heimwehr, a private army has been ordered dissolved by the Chancellor and self appointed dictator. This last move on his part makes the situation more tense than ever. Von Starhemberg is now in Italy in conference with Mussolini. Because Austria has virtually been a vassal state under Italy, France Germany and France are much more interested in moves Mussolini makes here than they were in the Ethiopian crisis.

Japan Has China Worried

Because Japan has mobilized within the great wall the largest army yet gathered there by Japan, high Chinese officials fear that preparations are being made to annex to Manchukuo the five northern provinces of China. Estimates made in Tientsin by officials indicate that the normal Japanese garrison strength in North China has been increased about 300 percent.

Revue Cast Gives Program Tonight

The Girl's glee club, Louie Triguero, Jane Goslin and those two inimitable masters of ceremonies, "Buppy" Moore and Garlyn Basham will entertain the air audience for twenty minutes.

Tune the radio with care this evening at 10:10 p.m. and listen to the Roadrunner Revue radio program over station KDB.

W. MENKEN VIEWS LOST JAPANESE FISHING GLOBES

Visiting friends at Los Angeles over the week end, Wilhelmina Menken, secretary to the college registrar, had the novel experience of viewing some of the traveling Japanese fish globes which had washed up on the beach at Malibu.

These globes, which are colored, vary in size from three inches in diameter to over one foot or more and are used by the Japanese fishermen to weight down their fishing nets.

During one of the recent earthquakes in Japan, many of these large globes were shaken loose from their moorings and have floated all the way from Japan to the American coast.

In parts of California, these globes have been washed up on the beach in such large numbers that people have taken to collecting them and selling them to tourists.

Elementary Seniors Obtain Placements

Out of 60 seniors in the elementary department who are graduating this June, 23 have at present obtained positions for next year, according to Mrs. Laura S. Price, head of the department.

"Sixteen of the students who will teach are graduating by extension courses and the other seven are graduating with no official teaching experience behind them," said Mrs. Price.

Members of the elementary department are also making plans to entertain the graduating seniors of the department with a dinner to be held about June 4.

POEMS GIVEN UNIVERSITY

(By Associated Collegiate Press)

A collection of 380 items by and about T. S. Eliot, contemporary poet, has been willed to the University of Virginia.

Accepted '36-'37 Budget

Commendations to the Finance committee, headed by Lyman "Goldy" Goldsmith, in preparing the '36-'37 student body budget in the face of apparently insurmountable obstacles can not be loud or long enough.

The greatest advantage of the new budget is in it providing for the student body controller on a full time basis. Though the financial increase of the administration budget has been difficult to accomplish, it is believed that the returns per dollar, will be increasingly valuable. To make this step possible along with the creation of several new budgets, the awards and the welfare, it was necessary to cut the majority of the allotments in comparison to their respective requests

Two methods of increasing the income of the student body have been incorporated indirectly in the new budget. In the case of the annual, La Cumbre, the allotment has been reduced over \$600.00, and the additional required finances to publish the book will be met by a \$1.00 cost to the student per copy.

The second plan of increasing income has been in connection with the replacing of the budgetary cut received by football. So as to insure the proposed trips to Nevada and Arizona, all students will be charged ten cents in addition to their student books for the admission to games during the approaching fall.

A revolutionary step was taken by the council in endeavoring to reduce the ever-mounting deficit of the student body. Several budgets were wiped-out and others were drastically cut to make it possible to fight off the closing tentacles of bankruptcy. As we increased our deficit by \$951.91 this year, the usual \$600.00 sum towards its retirement was insignificant. The result was the council endeavored to allocate a maximum sum, \$1250.00, to make the initial step, over and above the interest due, in the paying of the debt.

ACCEPTED BUDGET

CAMPUS CALENDAR

Social Calendar for the week
Tuesday, May 19, 1936; to
Tuesday, May 26, 1936.

Tuesday, May 19.—Student Body meeting; Art department meeting; P. E. Women's Beach supper.
Wednesday, May 20.—College Y meeting; Roadrunner Revue Parade, 5th hour and noon; Band Practice, Music Hall; Pi Sigma Chi meeting; Bible Club; Riding Class. Bible club; Roadrunner Revue Dress Rehearsal.
Thursday, May 21.—W.A.A. meeting; Roadrunner Revue, Lobero theater.
Friday, May 22.—Roadrunner Revue, Lobero Theater; Jr. High Department Beach Supper, 3 to 7 p.m.
Saturday, May 23.—Archery Tournament, Women's Athletic Field; Kindergarten-Primary Dept. play; Sigma Alpha Kappa Formal; Party for P. E. Seniors and Graduates, Mrs. Hodgins-Miss Van Fossen; Pi Sigma Chi Convocation, dinner and dance.
Sunday, May 24.—Tau Gamma Sigma breakfast; Art Department Tea.
Monday, May 25.—Sorority meetings, Fraternity meetings.
Tuesday, May 26.—General Assembly; A.W.S. Board meeting; Welfare Committee meeting; Alpha Phi Gamma meeting.

Bolero

By BULL and ARROW

Passing in Review! Passing out will be more like it after this week of rehearsals, gags, political pushes, pictures, parading . . . don't forget it, kids, on Thursday and Friday of this week, the curtain will go up on the 1936 annual Roadrunner Revue . . . drink to success! (No not rite hyar on the campus . . . wait till later).

Get your tickets immediately, or so says SIMMONS in his signs-on-every-blackboard . . . CARL SUNDQUIST looking worried as best seats in Lobero "going fast" . . . me 'n' YEAGER yellin' "Wanta buy a ducket?" . . . Blonde DOT DARROW heckling all the "go-for-blondes" around school with Revue tickets . . . SEYMOUR in the Dean's office . . . ticking off Revue stock . . . etc, and etcetera . . .

CECILE DILLEHUNT fixin' hats, spats for rate . . . property men bronzing Egyptians and padding muscle . . . SID GARDNER rushing around to keep practice schedules with all his ensembles . . . DONK HART looking swell in EGYPT and also as Mrs. Dionne's little quint . . . the waltzers "leading" . . . MARY AGNES PHILLIPS threatens to be the black sheep in a bunch of pastels . . . AILEEN ELDER trying to pattern off TWO GUN SMITH in the military chorus . . .

TRIGUEIRO vocalizing . . . The house lights will darken, The curtain goes up, The Revue is progressing With good gags by Bup. Number on number, Each follows fast, Roadrunner Revue, Will soon live in the past. Just one more week, 'Til the curtain will fall On a darn good performance—Success to you all!

Anti-VFW Demands Contract for Bonus

An organization to oppose the Veterans of Future Wars has been organized on the University of Minnesota campus here.

Contracts pledging each future veteran to fight in all future wars should be signed on receipt of the \$1000 future bonus, says William Robertson, student leader of the new movement.

"If these vets knew that they really had to fight for their money they wouldn't be so anxious to collect it," Robertson said. "Besides, the government should have some guaranty that the vets will fight when a war comes along."

"The government, assured by the contracts, would save money by pre-payment of the bonuses," Robertson declared. "Military appropriations could be cut after the bonus had been paid, for the government would have assurance of a million fighting men in reserve."

The "anti-vets" would provide for the home fire division of the VFW as well. "If the future mothers of future veterans failed to bear fighting men, they would have to refund their money to the government," said Robertson.

Practicing Surgeon

Surgeon: For Gawd's sake, say something—I'm nervous as a cat. This is my first operation!

Air Waves

By BOB KRAUSE

TWO OUTSTAND ORCHESTRAS ON THE COAST

Ran Wilde and his orchestra featuring a harp is the new dance music setup at the Deauville club in San Francisco. He's packing 'em in in that night spot with his unique style and very unusual arrangements. This dance music lends a different touch to the ordinary run of popular tunes and is broadcast every night over NBC through KFI.

The other outstanding organization is Hal Grayson, playing at the present time at Jansen's beach in Portland and soon to replace Everett Hoagland at the Casino in Ocean Park. Hal and the boys have been the outstanding hit of the dance season in the northern vicinity.

CATALINA ISLAND SUMMER SEASON

May 22 sees the opening of the summer season at the Casino, Catalina Island, with the appearance of Little Jack Little and his orchestra. This is Little's first time with an orchestra on the west coast. He will be followed by the consistently popular Jan Garber. This will be Garber's third consecutive summer at the popular island spot and his stay will be considerably longer than in past years.

"THE BOY EDISON," NEW DRAMATIC SERIAL

"The Boy Edison," a new serial dramatization of the youthful years of Thomas Alva Edison, opened on the Columbia network Friday, May 15. Presented under auspices of the Thomas Alva Edison Foundation as a memorial to the inventor, the program will be heard weekly through May, June, July, and August. Jeffrey Bryant, recent star of "She Loves Me Not" and "Ceiling Zero," has been chosen to play the role of Edison. He will be supported by a group of stage and radio players. The Edison Foundation arranged the broadcasts in cooperation with CBS as a part of a campaign to perpetuate the memory of Edison through gifts of scholarships to deserving boys throughout the country. One hundred outstanding American youths will be chosen from industries and schools each year for higher technical and scientific training.

Book Chatter

By ARTHUR BATCHELDER

Here is a book written by a Chinese gentleman who writes English better than most Englishmen—something most rare. May Lambertson Becker considers it not only the best book about China, but a guide book to contentment. It is especially fine for college students on life in China. The name—"My Country and My People." The author—Lin Yutang.

And here is a rollicking book about Boston's greatest Surgeon in the World War. It is of interest not only because it is the diary of the great Cushing, but its appeal includes humor, pathos, extraordinary versatility of interest in botany, architecture, ballistics, making it all in all a rich and most unusual human document. The name: "From a Surgeon's Journal, 1915-1918" by Harvey Cushing, M.D.—with maps and illustrations.

Mystery

Your big day will come when you discover Miss Sayers' detective stories. They began to appear in 1923 with "Whose Body?", followed by "Clubs of Witnesses," "The Dawson Pedigree," a collection of short stories called "Lord Peter Views the Body;" then in 1930 she gave us "Strong Poison." In short, she is a wonder. If you wish to know why it was that Bunter watched his master's nerves so carefully, and many other queer things, you just read her latest book and you'll know, and how you'll know!

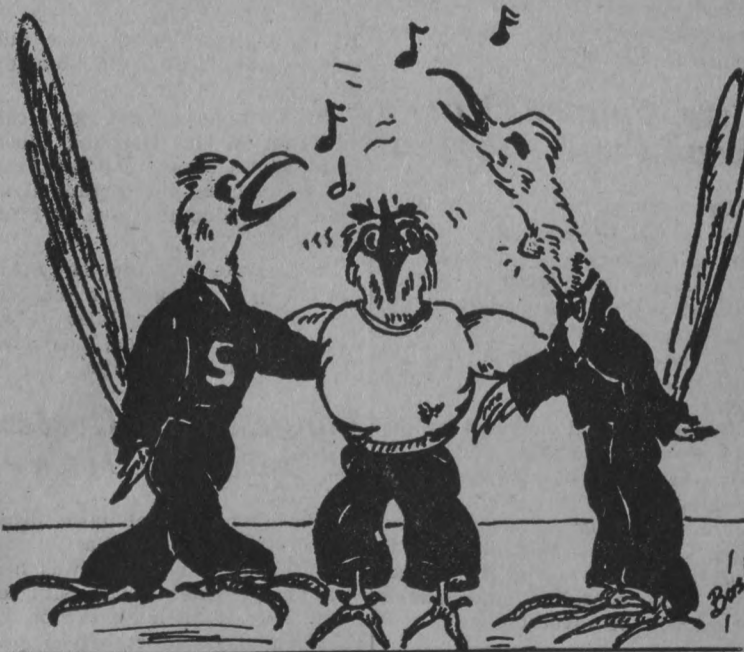

Politics Again

"Why," asks a truly amiable correspondent, who evidently can take it, "do you not write on politics?" My what a refreshing novelty; so many others have asked me why don't I shut up about politics . . . But my little India spirit guide leaves me little or no choice of subject matter, for here I was going to keep exclusively to books and just see what happened . . . in came this little spirit guide and told me about Max Miller's "Fog and Men on Bering Sea." From it I gleaned some curious information about the paternalistic benevolence of the New Deal toward the Eskimos . . . evidently one copy of it penetrated the jungles of red tape in Washington, for a New Deal official made a special trip, paid by you, dear, gentle reader, to interview Max and ask for advice. But poor Miller got not a word in edgewise, from soup to coffee for this New Dealer brought his "Max Miller adoring" wife along—Max might as well have been an Eskimo.

Hilltoppers Drop Season Finale 6-3

SPORTS

Golfers Take in Two Meets in Southland

Hathaway Shoots Two 79's but Is Beaten by Two 76's

Playing two matches over the week end the Gaucho golf team split the pair, winning from Occidental on Friday and dropping one to the San Diego Aztec at the Border City on Saturday.

At Occidental the Gauchos total stroke score was just one stroke better than the Tigers. The point score was 7 to 5 and the stroke score was 338 to 339.

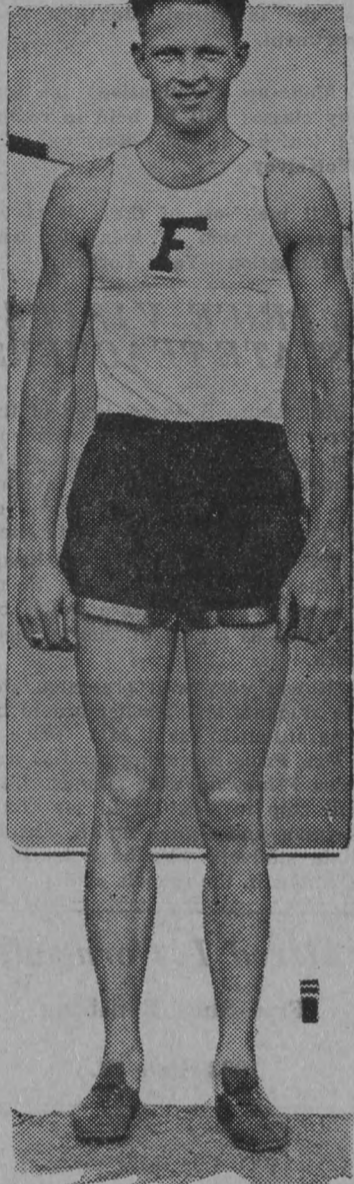

Pete Hathaway shot a 79 in the first match, but he was overcome by Bob Fellingham who shot a 76. Al Anderson came through with an 83 to beat out Bob Lindsey's 94. An 86 by Yale Lorden was good enough to win over Hammons of the Tigers who shot an 88. In the fourth match Allen Niel shot an even 90 to underscore Stephens of the southerners with a 92.

At San Diego on Saturday the Aztecs again took the measure of the Gauchos by winning every point. The point score in this meet was 12 to 0, and the stroke score was 342 to 325.

Pete Hathaway again shot a 79 and again he was beaten by a 76, this one by Charles Lee. Al Anderson shot an 86 but his opponent Fitzgerald came through with an 80. Yale Lorden's 85 was bested by Luscomb's 80. In the fourth match Allen Niel shot a 92 to the 89 rang up by McLean.

The Aztecs had an 80.1 average, this was about the same average that they had a week ago when they played here.

Walter Marty

PATRONIZE EL GAUCHO ADVERTISERS

Marks Fall at Fresno Relays

'Corny' Johnson Keeps Jinx Over Walter Marty in High Jump

Keeping the jinx that he has held over Walter Marty since the final Olympic try-outs in 1932, "Corny" Johnson took the measure of his rival in the Fresno relay carnival last Saturday night by leaping 6 feet 7 1/2 inches. Marty, who holds the official world's record at 6 feet 9 1/8 inches, went out an inch under Johnson. The dusky jumper took three trials at 6 feet 9 7/8 inches, but each time he brushed the bar off and failed to set a new record.

The four man relay team of U.S.C. in the 440 yard event set a new world mark of 40.7 seconds to win that event. In the four man mile relay, the Trojans again came up with another world record by touring the four laps in 3:11.6 to beat out the California team that followed them the entire route. In the 880 yard relay the Trojans set another record but were disqualified for passing the baton in the wrong lane, Stanford won in 1:27.1.

The Olympic club of San Francisco sent another record into oblivion by running the two and one half mile relay in 10:10 to beat the old mark of 10:14 set by Manhattan college in 1933.

Cope and Staly tied for first in the high sticks in 144 seconds.

Kenny Carpenter of the Trojans won the discus throw with a heave of 164 feet 5 inches. Levy of Stanford was second ahead of "Slinger" Dunn of the Olympic club. Reynolds of Stanford won the shot put at 51 feet 11 3/4 inches, and Mottram of the Olympic club captured the javalin throw with a toss of 216 feet 3 1/4 inches.

Cal-Tech Engineers Win in Return Game

Cal-Tech Men Get Three Runs to Open Game, Homer in Second Puts Tilt on Ice

The Gauchos continued their slump by dropping the season final to Cal Tech 6-3 in a tilt played at Pershing park. The locals showed lack of practice which was probably due to Coach Harder issuing a call for spring football practice last week and making a hardship on the nine. Practically all of the Gauchos participate in Sunday baseball with fast local nines and always seem to exhibit a fast brand of baseball and it is hard to see what holds them back in a college game.

The Engineers scored in their first trip to the plate by punching over three runs on "bleeders." The hilltoppers came back in their canto and scored two on hits by Evans, Rezzonico and Luse.

Bobby Murray was injured when he collided with the Tech first sacker in the fourth inning and received a dislocated knee. He continued playing but didn't help the Gaucho cause any by committing two errors from the shortstop post that cost two runs.

Elmo Evans, scrappy third sacker led the hitting by getting 3 for 5 and Murray came next by getting a single and a double that hit the left field wall from the right side of the plate which is the first time he batted right handed this year.

Bortolozzo was on the mound for the hilltoppers with Rezzonico behind the plate. Dorwatt and Noland comprised the Tech battery.

The horsehidiers showed plenty of class through the first part of the season and should be given credit for bringing the locals their first championship by tying San Diego State. The Hardermen won 16 and lost 6 which is a good average in any league.

Miller and Rezzonico closed their college careers and the all-conference combination will be missed plenty next year. Lebeck, Fisher, Voorhies, and Bortolozzo also sang their swan songs.

The entire first string infield returns intact next year with Evans, Murray and Erhard sophomores, and Van Meter, junior. With Luse in the outfield back. Up from the freshmen ranks will be Busby, Mickey and Gardenhire.

The locals outhit the Engineers 11 to 9.

Women Students Give Annual Spring Tea to Honor Mothers

Dean Lois Bennink and A.W.S. Executive Board Serve on Receiving Line

With Miss Lois M. Bennink, dean of women, and the A.W.S. executive board in the receiving line, the Associated Women Students honored their mothers and house-mothers at the annual Spring Tea held Saturday, May 9, from 4 to 6 p.m. in Ebbets hall.

The receiving line was assisted by senior hostesses under the direction of Louise Holden. The hostesses were Ruth Hilty, Ann Seymour, Lillian Talbot, Frances Saylor, Lita Boeseke, Marjorie Williams, Isabel Ferguson, Marion Call and Mary Milona. Faculty hostesses were Dr. Elizabeth Bishop and Mrs. Jane Miller Abraham.

Presiding over the tea tables were Mrs. Clarence L. Phelps, Price, Mrs. Mary E. Crowell, Mrs. Helen M. Barnett, Miss Elsie Pond and Miss Edith Leonard.

Ellen Roe, first vice-president of the A.W.S., was general chairman for the tea. Her assistants were Evelyn Braman, food; Dorothy Clark, serving; Betty Roulston, flowers; Wilma Kiesner, invitation; Ellen Ireland, table service; Alice Hoelscher, properties; Virginia Moon, corsages; Louise Jackson, program; Eva Metzger, clean-up; and Dorothy Hornor, publicity.

Acting under Evelyn Braman were Josephine Mewstetter, Jean Henderson, Margaret Cole, Dorothy Powell, Louise Hunt and Mildred Rohrs.

NEWMAN CLUB SOCIAL

Holding one of two social events planned by the Newman club Thursday evening, May 14, the Catholic members of State college gave a social at the Junipero Serra hall.

The affair was attended by 70 members. Dancing was followed by refreshments served later in the evening. The dance music was fur-

Delta Zeta Deltas Are Hostesses at Mothers' Luncheon

Meeting in the garden of Mrs. Byron Abraham, at 1721 Santa Barbara street, Sunday afternoon at one o'clock, the alumnae members of the Delta Zeta Delta sorority acted as hostesses for the mother's day luncheon.

The luncheon was in honor of the mothers and housemothers of the members. The refreshments were served by the alumnae under the direction of Janet Birnie, chairman and assisted by Mrs. John T. Porter and Louise Holden, president of the actives.

Corsages were presented to the guests as they entered the garden before the luncheon. One of the main features of the afternoon was the presentation of a birthday gift to Mrs. Abraham by the alumnae which was an attractively lighted portrait of Mr. Byron Abraham.

DEPARTMENT HAS PARTY AT BEACH

The last social event of the year for the Kindergarten-Primary department was held in the form of a beach party Friday afternoon at West beach.

Following an afternoon of swimming and baseball, there was a barbecue at 5:30. Ruth Hilty, social chairman, had full charge of the affair, and those working with her were Betty Wells, newly elected social chairman for next year. Joan Thorson and Stella Mae Smith.

Sponsors for the affair were Miss Edith Leonard, head of the Kindergarten-Primary department, and her sister, Miss Margaret Leonard.

inished by James Campiglias orchestra under the WPA.

Members in charge of the affair were: Fran Boedecker, chairman; Theresa Nagelmann, Dale Williams, John Twadell and Francis Becchio.

STATE STUDENTS ENTERTAIN FOR ORGANIZATIONS

Junior high department members have been called upon recently to entertain at out-of-town organizations.

At a Lompoc Rotary club dinner Wednesday, May 13, at 6:30, Webster Harris sang several solos and Elizabeth Vincent did a Hawaiian dance. They were accompanied by Alice Nolton, who gave several solo selections on the piano.

Bill Ogle gave a reading of "Outward Bound" at a meeting of the Carpinteria Women's club last Tuesday afternoon. Both entertainments were well received and the department has been congratulated on its supply of talent, states Miss Elsie M. Pond, head of the junior high division.

Fifty students, including members and their guests, enjoyed a party Tuesday, May 12, from 4 to 9 p.m. at West beach. Dee Westmorland was in charge of the affair. Joan Drennen headed the refreshment committee. Through the generosity of Hal Polley a boat ride was enjoyed by all those present after the beach games were over.

T. O.'s Fraternity Holds Annual Formal

Gathering at the Samarkand hotel, members of Tau Omega fraternity held their annual formal on Saturday, May 16. The affair lasted from 9 o'clock until 1 o'clock.

Approximately 20 couples attended the dance. At the conclusion of the evening, the fraternity presented their guests with compacts on which were engraved their initials and the fraternity crest.

A Rice Institute student was expelled last week because he'd worn shorts to classes since March 1.

Fourteen University of Minnesota students have been assessed fifteen extra credits for graduation for participating in a "pajama parade."

STATEMENTS BY THE POWERS THAT BE

All industrial education students are asked to make out preliminary schedules this week of the programs that they expect to follow next September. This plan will help Miss Severy to eliminate conflicts in schedules as far as possible. Detailed information for the procedure is listed on the bulletin board outside the department office. It is important that the transactions be carried out this week.—E. E. Ericson, head of the industrial education department.

Make-up examinations for all my classes will be held in room 42 tonight at 7:30.—Raymond G. McKelvey.

All members of the golf class meet in room 42 today for an examination.—Yale Lorden.

L. PRICE VISITS STATE TEACHERS

Mrs. Laura S. Price, head of the elementary education department, last week visited the Montecito school and saw a one hour assembly program given by the class of Bertha Plummer, student teacher.

The play was original and based on the King Arthur stories. Scenery and costumes were made by the class as a part of their project work.

"It was very well presented and the students and teacher are to be congratulated," said Mrs. Price.

Mrs. Price is leaving for Los Angeles Friday to visit friends. She will stop in Ventura to see Dixie Garman and Agnes Smith, former State students who have teaching positions in the schools of that city.

Phi Kaps Fete Parents at Tea

Sorority Entertains Forty Guests at Spring Tea Sunday, May 17

In honor of parents, sponsors, faculty members and representatives of other campus sororities, Phi Kappa Gamma sorority held its third annual spring tea Sunday afternoon, May 17. About 40 guests attended the affair, which was held at the home of Carolyn Hoefler on Hollister avenue.

Floral decorations and refreshments carried out the sorority colors, coral and green. Boutonnieres were presented to each guest. Incidental music for the tea was provided by Kay Gross at the piano.

Those in the receiving line were Marian Call, president, Carolyn Hoefler, Frances Ann Warnekros and Mildred Byers. Alumni and members presiding at the tea table were Mrs. Fred Allred, Mrs. Ray Gilbreth, Dorothy Hadley and Phyllis Badger.

Patrons and patronesses of Phi Kappa Gamma are Mr. and Mrs. Earl G. Johnstone and Mr. and Mrs. Charles Holland.

Lake Erie College was the first girl's school to adopt aviation as part of the regular physical education department program.
