At a meeting last week a small group of enterprising citizens cleared the way for the formation of a new and active Chamber of Commerce.

They are looking forward to the day when the Chamber of Commerce will be as active as the "Carpinterians" for the work they did and the spirit with which they did it. The organization should be able to accomplish great things for the town and the members of the Chamber of Commerce will work to achieve greater things.

A Chamber of Commerce is the accepted civic organization everywhere and such a body in Carpinteria is needed to help the town progress. The Chamber of Commerce will work to help the town grow and develop.

THE COLONEL'S LADY AND ROSIE OR'GRADY
