VOLUME VI CARPINTERIA, CALIFORNIA, FRIDAY, OCTOBER 14, 1938

FORECAST REPORTS ON COUNTY BEACH PARK

The Annual Report of the County Forestry Department to the County Board of Supervisors for the fiscal year 1937-38 again indicates that the Carpinteria County beach park again drew the largest attendance of any of the parks. Although the attendance dropped almost 20,000 over the previous fiscal year the figure for 1937-38 is given at 90,441 with Washington Grove in second place with an attendance of 74,068.

The following report was made by the Forestry Department in reference to the Carpinteria Beach Park:

Carpinteria Beach

Due to the state beach park again being accessed, a large drop in attendance was experienced at Carpinteria beach. A Fleming guard was employed during the entire season and a smaller improvement in attendance was employed until school opened in the fall.

The life-guard tower erected last year was washed out during the winter rains on the north side and is to be replaced in May of this year. Following recommendations made last year, an entire new roof was constructed and floated on June 1. The project was a success as the roof was repaired and put in good condition at the beginning of the year and will probably last another season. Some difficulty has been experienced by sand drifting into the picnic area, and to overcome this a sand barrier board fence was erected at the south end of the picnic area which arrests the drifting sand. This project has been experienced with the sanitary department, and it is hoped that some arrangement can be made to have the barrier board fence erected to provide for sewer connections for this highly used area.

Further reference is made to the recommendations in last year's report regarding the acquisition of the property between the state and county parks. This recommendation is again made.

Local Committee To Fight Single Tax Amendment

A group of Carpinteria citizens met Monday afternoon in the offices of the Carpinteria Realty Company to discuss plans for a local campaign against the passage of the Single Tax which appears under the guise of a sales tax repeal measure to appear on the November Ballot, No. 38.

Donald Welch of Santa Barbara provided the meeting and discussed the ways in which the evils of this bill could be called to the attention of the voters.

Managers of local packing houses and ranchers employing a number of men will be asked to contact their employees and explain to them the evils of this measure.

Those present at the meeting were: Negro, C. B. Franklin, P. A. Hebel, W. H. James, Davy Eberly, Morgan Possum, J. R. and Mrs. W. R. Blumer, Frances Green and Charles Neuman.

The committee believes that if this proposition is passed, the farmers will lose a valuable tax to the county to be used for schools, roads and other public purposes.

Mr. and Mrs. Clark Catlin and Mr. and Mrs. Charlie Catlin have returned from a motor trip to their Wardholm property.

THE COUNTRY WOMAN'S CLUB TO SPONSOR TALK ON AMENDMENTS

The Carpinteria Woman's club will sponsor an open meeting for the explanation of the effects of the Single Tax Amendment to appear on the November Ballot on the evening of Nov. 1 at the clubhouse on Vallecillo road. Amendslyman A. W. Robertson has agreed to present both sides of the twenty measures which will appear. The public is urged to take advantage of the opportunity to hear them discussed.

MRS. J. B. RAILL AND MRS. PERRY HOUT DONATE FURNITURE WITH THEIR DAUGHTERS, JACQUE BAILLARD AND BARBARA HOUT WHO ARE ATTENDING PACOIMA COLLEGE

The Carpinteria Woman's club is again being accessible, a heavy Tuesdays during the present school year and a temporary staff will be issued at two week intervals at Friday the 6th of February fifth. The staff in charge of this issue is as follows: Editor-in-Chief, Mrs. Gary H. Teague; Assistant Editor, Helen Nally; Feature Editor, Francine Bishop; Business Manager, Ruby Stark; Secretary, Miss Helen Holten; Typist, Lenore Barber; Reporters, Elizabeth C. Baldwin, Alvin Anderson, Goldie Bridges, Evelyn Goodin, Betty Avant, Daphne Dewas, Evelyn Johnson, Mildred Bird, Annie Miller, Ethel Emerick and Nadine Cook.

A resolution sponsored by the Dairy Department of the Farm Bureau requested action of the State Farm Bureau to study the problems of education and the means of holding educational field tours. Tours of this kind can mean exceptional special races under the present law.

A resolution was unanimously adopted in the interest of the executive committees of the agricultural departments of the State Farm Bureau. This would provide for a cooperative arrangement between the County of Santa Barbara and the State Department of the California division of Soil Technology. The purpose of the cooperation would be the completion of the soil survey maps for Santa Barbara County. Due to the success of the public works program in various parts of California, the work being done by the United (Continued on page 8)
POOR MAN'S CASTLE

The cornerstone upon which Democracy is built is the integrity of the home. It was fundamental in British law many centuries before it was incorporated in the Constitution of the United States: "The right of the people to be secure in their persons, houses, papers and effects. . . shall not be violated . . . nor shall private property be taken for public use without just compensation." The people have learned how to be saved by the year's end. Here again is proof that the "Single Tax"—and the "Single Tax"—which would load the integrity of the home. It was fundamental in British law many centuries before it was incorporated in the Constitution of the United States: "The right of the people to be secure in their persons, houses, papers and effects. . . shall not be violated . . . nor shall private property be taken for public use without just compensation." The people have learned how to be saved by the year's end. Here again is proof that the "Single Tax"—and the "Single Tax"—which would load the poverty of the people to be secure in their persons, houses, papers and effects. . . shall not be violated . . . nor shall private property be taken for public use without just compensation.

The cornerstones which support the following words: "Beloved, think it not strange concerning the fiery trial which is to come upon you; as though some strange thing happened unto you: but rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy."" (1 Peter 4:12-13)

PERSONALS

A. E. Southworth attended a conference of high school principals in Pasadena Saturday.

Mrs. Enid V. Sutton of Los Angeles was a guest of Dr. and Mrs. T. Henry Shepard during the past week-end; Mrs. Sutton formally tried in the valley and is a past-president of the Woman’s Club.

Mr. and Mrs. Clifford Wykoff of Carpinteria spent the week-end with their son, Frank Wykoff and family. They were accompanied home by their grandchildren, Marjorie Louise and Frank David Wykoff, who also made them a visit of several weeks.

Mrs. Eva Cunningham has returned to her home in Elvina after a visit at the home of Mr. and Mrs. B. E. Clark.

Dr. Fred Anial of the Stanford group will be at the high school Monday for a conference with the faculty.

Mrs. J. R. Lay and Mrs. W. A. Johnson drove to Los Angeles Wednesday morning. They will return Friday evening and will be accompanied home by Mrs. Johnson’s son, Wayne, who is a student at Occidental.

OLYMPIC HELPS REFUGEES

By guaranteeing they will never become a public charge, Olympe Badeau, now appearing with Bay Wilson in Paramount’s “Say It in French,” is helping four family friends in war-threatened European areas to migrate to the United States.

USE STRONGER PLANES

Bigger, more powerful airplanes were used in Paramount’s Technicolor-captured air of the men “With Wings,” than were used by William Wellman in “Wings” 11 years ago, because more power was needed to carry the heavy non-automated color cameras.

Gail Patrick is sandwiching in a trip to Little Rock, Ark., before taking that long-promised New York trip after completion of “Dixie.” In Little Rock she will be guest of honor at the opening of “The Arkansas Traveler,” Bob Burns’ latest starring picture. Bob couldn’t make the trip, because of his radio program. Shirley Ross and her new husband, Ken Dalas, plan to spend the Christmas holiday in Bermuda, if Shirley completes her next assignment, “Cafe Society,” in time. Fred MacMurray, who is in a picture with Madeleine Carroll, is also looking over the Bermuda travel literature. Raymond Massey is off for an English trip, following completion of his role in “Sue in Frenz.” He will stay until December – to tie up his wife’s scheduled start in “The Light That Failed.” Producer-Director Wesley Ruggles is going to Hollywood with his production aide, Anthony (“Skeets”) Gallagher, to start directing Irene Dunne in “Invitation to Happiness.” Ruggles and Gallagher have been on a combination business and pleasure trip in Europe.

Claudette Colbert did such a turn about the performance Gertude Lawrence did in “Susan and God” that every one in the “Zaza” set attended. There will be no singing from “Susan and God.” In “Pajama Bush,” her current picture, she gets a chance to do some real dramatic acting with Lloyd Nolan. Directly Lamour is off for a few days in Hong Kong, the last troupe in Hollywood while scenes for “St. Louis Blues” are being shot around her, Edward Everett Horton is back in Hollywood for the preview of “Puppets for Honeymoon,” following the European trip, and brought a Yorkshire terrier with him. The pup’s name is Padding.

Mary Carlisle is trying to decide whether she should keep a house or buy an apartment for the winter months. The lease is up on her current California, as well as directional strength. Her group works with her as a smooth unit and her choreography is distinguished. To many critics who saw the Hollywood opening last week the “Dance Satires” were the high lights on Miss Kinch’s program. The object was to make fun of the ballet of 1840, the Spanish dancing of 1890, the skirt dance of 1900, and others. In connection will be an extensive flower show of which Miss Kinch is very proud. The child will receive written permission from their home, which must be presented to their school. The child will then be permitted admission to a special performance if approved by the school, and if an instructor or representative from the Santa Barbara City Schools is present. The Management is thankful of the privilege of giving this exceptional fine film to Santa Barbara, and has already received letters of appreciation for its coming presentation.

The Management is thankful of the privilege of giving this exceptional fine film to Santa Barbara, and has already received letters of appreciation for its coming presentation.

“THE BIRTH OF A BABY” TO BE SHOWN AT LOBERO

Now, through the cooperation of Representative Groups of Santa Barbara, and the efforts of Arthur J. Beckhard, Lobero Theatre is to show the picture of the decade, the mighty production of the American Committee on Maternal Welfare “The Birth of a Baby,” for a limited engagement commencing Thursday, October 20.

Educators have endorsed it. Critics have applauded it. Such publications as “Life,” “Time,” “The New York Times,” “The New York Herald Tribune” have praised it. The New York Times said of it: “This remarkable little film, which you will do well to inspect and discuss with your family, is the most significant educational film to have appeared in years.” It is an exceptionally fine film to Santa Barbara, and has already received letters of appreciation for its coming presentation.

“AVOCADO SHOW TO BE HELD IN VISTA, OCT. 22-23

An unique display, the Vista Avocado and Produce Show, will be held in the northern San Diego town October 22 and 23, it is announced through the touring bureau of the Vista Chamber of Commerce through its council of twenty-four community organizations.

Your Hollywood Correspondent Reports.

MYRA KINCH DANCE GROUP COMING TO LOBERO THEATRE

Myra Kinch and her talented modern dance group will be seen in a dance concert at Lobero Thursday evening October 19th.

Miss Kinch is a dancer of strength and versatility. Her group works with her as a smooth unit and her choreography is distinguished. To many critics who saw the Hollywood opening last week the “Dance Satires” were the highlights on Miss Kinch’s program.

The object was to make fun of the ballet of 1840, the Spanish dancing of 1890, the skirt dance of 1900, and others. In connection will be an extensive flower show of which Miss Kinch is very proud.

“Tito Guizar, famous Spanish grand opera tenor, makes in a rough and tumble fight with Lloyd Nolan in one sequence in Paramount’s “St. Louis Blues.”

Your printing orders will be handled with the utmost care and discretion. Children, unless accompanied by a parent or guardian, in order to attend a performance, must receive written permission from their home, which must be presented to their school. The child will then be permitted admission to a special performance if approved by the school, and if an instructor or representative from the Santa Barbara City Schools is present. The Management is thankful of the privilege of giving this exceptional film to Santa Barbara, and has already received letters of appreciation for its coming presentation.

**THE WEEK'S SPORTS**

**WARRIORS DEFEAT SANTA PAULA; PLAY FILLMORE TODAY**

The Carpintería Warriors have spent a week of intensive training under the direction of Coach Merle Staub in anticipation of this afternoon's game with Fillmore which will be played in that town. The Fillmore eleven is expected to put up a tough opposition against the local lads who are by now up against so far this season and are reported to be in much better form than the Warrior eleven. However, it is believed that the local lads may be more than able to hold their own because of their speed and strong aerial offense.

The starting line-up for this afternoon's contest is as follows: L.E., Paul Jostke; L.T., D. Babcock; L.E., Carl McIntyre; L.G., George Miller; C., C. Smith; R.H., J. Hendrick; R.T., Webster Beckstead; R. E., J. Reid; F., D. Babcock.

Defeat Santa Paula 5-0

The Warriors defeated Santa Paula, 5-0, last Friday afternoon in a hard fought battle which threatened to end in a scoreless tie until late in the fourth quarter when the boys chucked up a touch down with the final gun sounding just as Santa Paula were threatening to tie up the ball game.

Carpintería won the toss and elected to receive the kickoff which was returned by Olds for ten yards to the Carpintería 35 yard line. Neither goal was seriously threatened during the first quarter which was largely devoted to exchanges of punts, neither side being able to gain the necessary yardage for a first down.

The quarter ended with the ball in possession of Santa Paula on the Carpintería 45 yard line. The quarter ended with the ball in possession of Santa Paula on the Carpintería 45 yard line.

Santa Paula started the second quarter by advancing the ball to the Carpintería 15 yard line on a short pass from Olds. Falling to make the necessary yardage for a second down was attempted a forward which was knocked down by field giving the ball to Carpintería on their own 30 yard line. Despite an end run good for 8 yards by Clyde Smith the Warriors did not reach the yards needed and Olds got off a 25 yard kick to Horton of the Santa Paula squad. The Santa Paulans started a determined march down the field, making three first downs, and advancing to the Warriors' 30 yard line. A fumble which cost the Santa Paulans several yards and an unsuccesful forward pass stopped the drive and gave Carpintería the ball with just time for two plays before the half ended.

The Santa Paulans got a break which they failed to capitalize on when play resumed after half time when Millot, who received the kick-off fumbled after a 10 yard return, giving the ball to Santa Paula. Failing to make yardage Victoria kicked the ball out on the Carpintería 9 yard line. The Warriors then staged a march down the field, Smith going around end for 10 yards and first down. Blocking another first down, Smith, following excellent interference, went around end for a gain of twenty yards. Another fine down placed the ball on the Santa Paula 55 yard line and another end run placed the ball on their own 15 yard line. The Warriors' third quarter ended with the ball in Santa Paula's possession after an exchange of punts.

SANTA BARBARA

Two real pieces of news! You have the opportunity to obtain the most marvelous barbecuing appliance ever placed in a kitchen. You will enjoy better food—cooked in less time—at lower cost.

These Certified Performance Gas Ranges are the result of combined research by mem­bers of the gas industry and building management that.

And here's the second item! Your gas company has ar­ranged with dealers to offer the biggest trade-in allowance ever made generally in this territory. In many instances, as much as 85% will be given.

See the CP ranges at a dealer's or the gas company right away. Ask about the trade-in allowance and easy terms.

SOUCHER COUNTRY GAS CO.
PROPOSITIONS 3 AND 4 BY CARL T. ROSS

"Traffic regulations are the blood-stream of business, can be restored from its present congestion only through long-range planning as well as will be made possible by the new \( \frac{3}{7} \) and \( \frac{4}{7} \) and next November 8." This was the recent declaration of Harry W. T. Ross of Santa Barbara.

"Statistics show a two per cent decrease in the number of individuals involved in automobiles in 1937," said Ross.

This decrease is ominous, because the automobile traffic is being gradually parodied by danger and vandalism. California apparently needs the system of traffic coordination and simplification that would be brought under the terms of Propositions 3 and 4.

"Such a system would require an assurance of financing over a long period of years. This assurance is provided by Proposition 2, which will permanently preclude the gasoline tax moneys in their present purpose of street and highway construction, maintenance, and administration. The assurance of highway safety will never again be transgressed by unduly exorbitant political interference."

The California State Federation of Labor is the largest of the groups which have endorsed a "Yes" vote on Propositions 3 and 4, according to an announcement by the Automobile Club of Southern California.

LISTED TO RIDE

Six weeks of intensive riding for America's Nine Tameados, featured with Left Erikson and the "popp backfield" against Santa Barbara's light and fast teams, with both outfits steering the passing attack, will provide the kind of game view of the Washington game. The Tameados are expected to hold off the Dons on four goal lines last stand.

Hasty Long was entered by Winfield, La., in the "coast to coast" tour of America, along with Others who have won national fame.

A section of our California constitution, which functions as a stabilizer against fluctuations of public debt—a promotional plan whose backers were foolishly enough to be caught in their pet scheme, was specifically under the caption of "Number 13."

If that sparkling humorist were among us, the voters would still be chuckling at the poles a few weeks hence. And whichever side has the keenest sense of humor, on the other hand, could make the point that we have some of the most ridiculous nonsense on our ballot this year that even an Attorney General's aide would strive to title:

WAR WARRORS DEFEAT S. P.

(Continued from page 6)

With a rush, 9 yards to go, Victoria kicked 43 yards to the Santa Barbara half where he was received by A.K. McKee. With four down and 7 to go, Olde broke out from at least 50 yards and kicked into Santa Paula's 32 yard line. Lack- ing three more yards, Olde recovered of Santa Paula's kick to the Carpentaria 30 where the ball was returned to the Carpentaria 13. From there, he was immediately intercepted by Babcock. Short five yards for a first down, Milne kicked out of bounds on the Villa 30 yard line. Unable to make a first down, Repean of Santa Barbara, who returned the ball to the Carpentaria 12. Following an in- complete pass from B. P. D. to D. I. M. McElroy, Keathard kicked a pass to Milne which was good for forty yards and paved the way for the Warrior's line score. Following a couple of inches to the gain right end for 5 yards and Smith then took the ball around and then for a first down the place on the Santa Paula one yard line. From there, the Warriors failed to score the extra point on an attempted pass cutting the scoreboard 3-0 and ended. Kold kicked to Horton who took the ball on his own 30 yard line. From there he advanced the ball to the Carpentaria 45 yard line. The game ended just as Victoria threw a pass on his own 15 yard line which was good for 25 yards.

WILLIAMETTE MEETS S. R.

(Continued from page 6)

So as to avoid the offense to add even more yardage to the score which happens the fourth down and 7 yards to go, Keathard kicked the ball to Victoria giving the Assai a yard for a first down. Victo- ria kicked 20 yards to Keathard for a first down, Milne kicked out of bounds on the Villa 30 yard line. From there, Milne failed to gain the extra point for a touchdown against Santa Barbara's 16. Keathard kicked to Horton who took the ball on his own 30 yard line. From there he advanced the ball to the Villa 40 yard line. The game ended just as Victoria threw a pass into a pass reception which was good for 25 yards.

LEGAL ADVERTISING

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULA- TION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912.

Of Carpinteria Chronicle published semimonthly at Carpinteria, California, for October 1, 1938.

State of California, County of Santa Barbara, ss.

Before me, a Notary Public in and for the State and County aforesaid, personally appeared Anna Waynflete Riley, who, having been duly sworn according to law, deposes and says that she is the own- er and publisher of the Carpenter Chronicle and that the following is, to the best of her knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation for the date shown in the above caption, required by the act of August 24, 1912, embodied in Section 411, Postal Laws and Regulations, printed below this line in this form."

1. The names and addresses of the publisher, editor, managing editor, and business manager are: Publisher, Anna Waynflete Riley, Carpinteria, California. Editor, Anna Waynflete Riley, Carpinteria, California. Managing Editor, Anna Waynflete Riley, Carpinteria, California. Business Manager: Anna Waynflete Riley, Carpinteria, California.

2. That the owner is Anna Waynflete Riley.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of the bonds, mortgages or other securi- ties are: None.

ANNA WAYNFLET E RILEY, Editor. Sworn and subscribed by me this 5th day of October, 1938. (SEAL) George G. McLane, My commission expires July 6, 1941.

REMEMBER THE "FROLICS"

Dor Lan, who plays Charlotte Colburn’s daughter inParamount’s “Zazu,” was in vandue- ment at Alexander Walker, 16. He orga- nized a group of neighborhood kids to form the act and they called themselves the “Seven Frolics.”

NEW GAS RANGES TO BE INTRODUCED

Celebrating the perfomance of the most recent contribution to American home cooking—the new "Certified Performance"—gas range manufacturers, dealers, and gasoline companies today launched a seven-week's campaign in which this amazing new appliance, which will be extensively advertised in its use, is to be introduced.

The "Certified Performance" campaign, according to G. W. Smith of the Southern California Gas Company, will be of the highest order. This campaign, which is being conducted by the manufacturers, will be of the highest order, and will be a true reflection of the high quality of the American gas range manufacturers. The campaign will be conducted in six regions of the Southland.

"Certified Performance" is a term that distinguishes the "Certified Performance" gas range from other gas ranges. It is a term that is used to describe the high performance and efficiency of the gas range. According to Mr. Smith, "Certified Performance" gas ranges will be more efficient and more reliable than other gas ranges.

The campaign will be conducted in six regions of the Southland. The regions are: Los Angeles, Orange County, San Bernardino County, Riverside County, and the Inland Empire.

Characteristics of "Certified Performance" gas ranges include:

- Superior efficiency: Gas ranges with "Certified Performance" are designed to be more efficient than other gas ranges. This means that they will use less gas to cook the same amount of food, resulting in lower energy costs for the consumer.
- Superior safety: "Certified Performance" gas ranges are designed to be safer than other gas ranges. They are equipped with various safety features, such as automatic shut-off valves, that will help prevent accidents in the kitchen.
- Superior performance: "Certified Performance" gas ranges are designed to perform better than other gas ranges. They have more power and can cook food faster, resulting in better-tasting food.

The campaign will be conducted by the manufacturers, who will be working closely with the dealers and gasoline companies to ensure that the campaign is successful.
