No. 46

Out on the Pampas

Eastern Rivers on Rampage

On its 600 mile journey from the junction of the Monongahela and Allegheny rivers in Pennsylvania to the Mississippi the Ohio river is threatening many cities and endangering thousands of inhabitants of the low lands. Cincinnati in the path of the crest of the flood is making all possible preparations to keep damage at a minimum. In many of the isolated districts, the homeless are suffering from exposure, lack of food and are in danger of epidemics from disease. The total property damage has been estimated to be about five hundred million dollars. Altogether more than 425,000 persons are homeless.

Naval Pact Ready

After months of sessions the London Naval Limitations and Disarmament Conference is drawing to a close. The treaty will be signed on Wednesday at St. James palace. Among the 20 or more changes which have been made, no new ratio was set for the five powers nor was a limitation placed on the building of ships.

New Move by Mussolini

On the 17 anniversary of the founding of the Fascist state in Italy, Mussolini startled the world in a speech in which he declared that it was necessary to abolish all big private industries. Making the prediction that war was near, he declared that by abolishing the chamber of deputies as well as the large industries the running of the country would be made more efficient.

Two Million for Pension

From Washington comes the report that almost a quarter of a million people in twenty-one states are receiving aid in time of old age amounting to two million dollars a month, the government will be appropriating more than one hundred million dollars per year to this cause.

Berlin Will Negotiate

It has been announced that Germany will accept the invitations of Great Britain, France, Belgium and Italy to open negotiations for a program of peaceful settlement in the Rhine region. A representative of Fuehrer Adolf Hitler indicated that he would advance new proposals to attain a basis of real negotiation.

Local Haios Group Publish Circular on State Activity

Contrary to the usual custom, Haios, a society composed of all students who have received either student awards or honorable mention, has more members on the campus this year and has for that reason been able to be more active locally, according to Dr. Charles Jacobs, sponsor.

This semester has seen the first edition of the planned semi-annual publication, "Haios Prizes," which is written in a very light vein. The purpose of this project is to acquaint off-campus members with activities on the campus. Rea McPeak and Ralph Porter are editors of the publication.

Other members on the campus are Bud Lambourne and Ida Pagliotti.

Robert Way Teaches in Emergency School

Bob Way, who has been cadet teaching in Santa Maria, is at present teaching in an emergency school which has been set up for the children of the Mexican pea pickers in the Santa Maria district.

Eleven of these children are beginners in reading and another, who is 13 years old, has not been in school more than four months during his life. Way is from the elementary department and has been teaching at Santa Maria.

College Women Hold Election Wednesday, 25

Elections for W. A. A. and A. W. S. Officers Held in Administration Hall

Both the Associated Women Students and the Women's Athletics association will hold election of officers tomorrow, Wednesday, March 25, in the hall of the administration building.

"We want every woman in the entire school to participate in these elections," say both Lois Jo McPheeters, A.W.S. president, and Shirley Warner, W.A.A. president. "Your officers will be of primary importance in the success of your activities programs for the year 1936-37."

A.W.S. nominees are president, Wilma Kiesner, Ann Seymour; first vice-president, Ellen Ireland, Margaret Eastwood; second vice-president, Ann Covelle, Dorothy Riche; secretary, Marguerite Kohler, Mary Frances McKinney, Miriam Turton; treasurer, Frances Hoelscher, Rena Sacconaghi; counselor, Mary Margaret Winter, Gretalie Fitzgerald.

These women are up for election in the W.A.A.: president, Dorothy Taylor, Nancye Clapp; athletic manager, Olive DeMotte, Rena Sacconaghi; vice-president, Marguerite Kohler, Gretalie Fitzgerald; secretary, Elizabeth Ramsay, Harriet Cooper.

Both newly elected presidents are to have the good fortune of attending important conventions before taking over their gavel. April 15-18 the A.W.S. president-elect will attend, with Lois Jo McPheeters, the Western division A. W. S. convention in Boulder, Colo. W.A.A.'s presidential choice will travel all the way to Minnesota in April to attend the national convention of the Athletic Federation of College Women.

A. W. S. MEMBERS ATTEND WOMEN'S PROBLEM MEET

Three members of the A.W.S. board, Lois Jo McPheeters, Betty Roulston and Eva Metzger, went south to Occidental college on Saturday, March 21, to attend a mutual problems conference held especially for board members.

The conclave began with registration at nine a.m. and a welcoming assembly at 9:30. Group meetings were held between 10 and 12 a.m. and between two and three p.m. with a luncheon intervening at 12:15.

Group one discussed "A.W.S. and Freshman Week" and "The Big Sister Plan." Group two took up the question "What does A.W.S. do about unaffiliated women? How can they be made to take part in school activities?" Group three considered four topics: (a) "Does A.W.S. have a prominent place on the campus? Why?" (b) "How may A.W.S. create public opinion and determine campus customs and standard for women?" (c) "Responsibility of A.W.S. in upholding standards." (d) "The part of A.W.S. in campus social life."

Ida Pagliotti

Ida Pagliotti, who with Bob Kindred, is acting as co-chairman for the State college Estudiantina will have charge of beach activities and entertainment for Los Gauchos.

Teachers Form Central Coast Alumni Chapter

Electing Paul Hylton president, alumni members of the Santa Barbara State college completed organization plans for the newly formed Central Coast Chapter of Santa Barbara alumni. Their chapter was formed last Friday at a meeting held in Santa Maria.

Hickory Stonewall Jackson, of Los Alamos, was elected secretary-treasurer of the group, which is required to meet at least once a year or as often during the year as possible.

In commenting on the activity of the organization of the chapter, Mrs. Jane Abraham, college alumni secretary, said, "One of the first things they did was to volunteer to help finance the publication of Hoy Dia, alumni publication, for its next issue. This is quite remarkable because as it was the first time they had ever met together and to produce the necessary funds right in the meeting shows that they have a great deal of spirit behind their organization."

Approximately forty-eight graduates attended the gathering. Others attending were Charles E. Teach, superintendent of San Luis Obispo schools, Robert Bruce, district superintendent of Santa Maria, Mrs. Edna Lockwood, elementary supervisor at Santa Maria, Clarence L. Phelps, president of Santa Barbara State college, and Mrs. Jane Abraham, college alumni secretary.

STUDENT BODY DANCE

Planning a student body dance for next Saturday night, March 28, the social committee decided to make the affair very informal and guests are asked to come to the Rockwood clubhouse in cords and gingham.

Dancing will be held from nine to twelve in the evening with music by Phyllis English's orchestra.

State Artists Stage Student 'Amateur Hour'

Winners of Contest Will Be Given Parts in Annual College Production

With Alfredo Chavez acting as Major Blowes, State college amateurs exhibited their talents as singers, dancers, musicians and imitators over station S.B.S.C. in the auditorium this morning during second hour.

The winners of the contest will be presented in the annual Roadrunner Revue to be held in the future.

Stage settings were arranged to portray a broadcasting studio and a gong added the "Amateur" touch. An amplifying system was also furnished by the Lamb Electric company.

Garlyn Basham, student prexy, performed the role of Graham McNamee and Fred Lambourne's orchestra accompanied the amateurs. Instrumentalists who performed were Miriam Turton, marimba player, accompanied by Jane Goslin; Bradford Tozier, violinist; Jane Golin and Stanle Cox, pianists; and John Rygh, mandolin and harmonica artist.

Singers were Marjorie Davis, Florence Ahlman, Al Bine, Norman Thompson, Elbert "Fuzzy" Phelps, Robert Leslie and Spike McNeil.

Proceeds from the program, which was a 10 cent pay assembly, will go to the decoration fund for the improvement of the Gaucho club. Plans for decoration include repainting and the hanging of pictures and collegiate pennants.

FORMER STUDENT TELLS HAWAIIAN OPPORTUNITIES

A letter from Carroll D. Corbaley, a State college graduate now teaching in the Leilehua school in Hawaii, was received by E. E. Ericson, director of the industrial education department.

Corbaley has been teaching in Hawaii for two years and is the only teacher there who has graduated from the Santa Barbara State college. He states, however, that seven new shop teachers have arrived, and that he sees no reason why students do not apply.

The procedure for making out an application for a teaching position on the Islands as stated by Miss Elsie M. Pond, head of the junior high department, is that the applicant live a year on the Island before making the application and then make application to the Department of Public Instruction. In the case the department has a local resident to fill the position, preference is given to him. If no one is available locally for a particular position, a person may be selected from the States regardless of whether or not he has been a year in residence.

DEPARTMENTS HAVE PARTY

Members of the elementary and industrial education departments held a joint party Friday evening, March 20 in the State college cafeteria.

Collegians' Formulate Play Plans

'Estudiantina' Is Chosen as Name for Students New Spring Activity

WILL BE HELD APRIL 17

Ida Pagliotti and Bob Kindred Act as Co-Chairman for Day's Program

Estudiantina has been selected as the name of the combination activity which will be held on the State college campus and the Santa Barbara beach Friday, April 17, at which time Los Gauchos will be hosts to the graduating seniors of the local and neighboring high schools and junior colleges.

The day's program is under the co-chairmanship of Ida Pagliotti and Bob Kindred. The former being in charge of the beach activity and dinner, while Kindred will care for the visitors on the campus during the afternoon.

Assisting in the planning of the welcoming of the visiting seniors will be Charles Leister, president of the junior class, who will act as campus hosts during the Friday afternoon activities.

Tentatively the plans for the beach activity consist of games, swimming and organization competition to be followed on the arrival of the college guests at the beach of a barbecue dinner around a bonfire.

Shortly after lunch it is planned, according to Bob Kindred, to gather the visiting seniors into the auditorium for a short program which will include words of welcome and musical entertainment. Following guided tours around the campus the guests will descend to the beach and participate in the general festivity before their dinner at 5:00 p.m.

In the general organization which is forwarding this student activity are President Clarence L. Phelps, Dean Lois Bennink, Miss Helen Sweet, Raymond McKelvey, Lois Jo McPheeters, Garlyn Basham, Charles Leister and Bill Hoyt.

WAA Members Stage Annual Play Party for Visiting Women

With the theme of Minnie and Mickey Mouse, the State college W.A.A. held its annual play day Saturday morning. Over 225 women athletes and 13 instructors from high schools and junior colleges participated in the events.

To furnish entertainment and aid in getting the participants acquainted, four athletic teams were organized under the captaincy of State college girls.

After signing up at 9:00 a.m. in the administration building, the visitors were welcomed by President Clarence Phelps, Garlyn Basham, and Shirley Warner at a session in the assembly at 9:45.

Entertainment was furnished by the different schools during the luncheon, which was held in the cafeteria at 12:30.

Jacobs Attends Meet at Ventura School

Meeting at the junior high school in Ventura, Dr. Charles Jacobs, dean of upper division, attended a gathering of the state district committee on reorganization of secondary education. The meeting was held last Saturday between four and six o'clock.

At the conclusion of this meeting, President Clarence L. Phelps, Dr. H. Edward Nettles and Dr. Jacobs attended a meeting of Kappa Delta Pi, national honorary education fraternity which was held at Pierpont Inn.

Estudiantina Signifies Spring Festival Is Combination of Annual Blow-Off and Senior Visiting Day

By BILL HOYT

In selecting the name of ESTUDIANTINA for the combination student spring blow-off and the visiting senior day, the organization committee has hit the nail on the head.

The name, which was suggested by Miss Eda Ramelli, Spanish instructor, implies all that the proposed day embodies, for it finds its origin in the annual Spring fiesta of the students of the Spanish speaking countries.

Yearly at the dawn of Spring, students of Spanish institutions and schools gather for a holiday. They tour los calles singing and playing their guitars, enjoying the light heartedness of Spring sunshine and flower scented beauty. They gather for picnics on the rolling green meadows and the sun-warmed sands close to the pounding surf.

All this we hope to typify in our approaching ESTUDIANTINA.

Many guests from other schools will come to assist and enjoy our day of festivities. Los Gauchos will serenade the visitors with musical entertainment, sing the praises of our institution and then we'll all gather on the sun-warmed sands (we hope) for a barbecue.

In keeping with the theme of our institution and of the City of Santa Barbara, our hill-top campus will have of Friday, April 17, a true ESTUDIANTINA.

A Failure? No!

Even though we may get certain personal satisfaction from presenting a defense of the recent deriding of the now year old Dia De Playa, we wish to point out very emphatically, in view of the proposed Estudiantina, that the experiment a year ago was not a failure. From several different sources during the last week have come statements to the effect that the day was a "flop."

Due to the last minute change of the week old Dia De Playa plans, the original object, publicity through the movie-tone newsreel, was withdrawn leaving no real purpose in the day's activities.

From a constructive point of view, with the main spring deducted, who will deny that extensive pictorial publicity was not obtained through the cooperation of the Santa Barbara Associates; or who is willing to say that the freshmen and the sophomores didn't have a great time throwing mud in their degenerated water tug-o-war?

This year our Estudiantina will, in all respects, eclipse its predecessor in more ways than one as it entertains the visitors from the various institutions and provides a real spring blow-off for Los Gauchos. Based on well-grounded plans following several weeks of organization of details and the advantage of having the function of a school day, our Estudiantina should traditionally establish itself on our campus.

A Successful Play Day

We wish to take this opportunity to commend the members of the Women's Athletic Association and their committees for the efficient and successful manner in which they conducted their annual play day held on the college campus last Saturday.

Coming from both high schools and junior colleges, these women, gathered here for the purpose of becoming acquainted with other students and also to take part in the different games provided for them and handled entirely by the W.A.A.

Much of the success of the undertaking was due to the efforts of Olive De Motte who served in the capacity of general chairman of the affair, and whose responsibility it was to keep between two-hundred-eighty and three-hundred women students occupied.

As these women return to their various institutions, they will carry away with them a spirit of good will and comradeship in remembering the Santa Barbara State college and the friends they have made here, and in so doing they will impress upon others that although we are interested primarily in education we also have time to devote to outside activities, and the W.A.A. has been one of the mainsprings in promoting that spirit.—R.G.M.

This Collegiate World

For Washington's birthday, the University of Wisconsin Historical museum displayed autographs, portraits and mementoes of the great General.

Of chief interest however, was a white shirt Washington used to wear. On it, written in indelible ink was this, "Geo. Washington No. 8."

Apparently laundries have not changed.

CAMPUS CALENDAR

Social Calendar for the week of Tuesday, March 24, 1936; to Tuesday, March 31, 1936.

- Tuesday, March 24.—General Assembly; A.W.S. Board meetings; Welfare Committee meeting; Alpha Phi Gamma meeting.
- Wednesday, March 25.—College "Y"; A.W.S. Election; Band; Riding class; Delta Sigma Epsilon pledge party.
- Thursday, March 26.—W.A.A. Board meeting; Alpha Phi Omega meeting; International Relations club meeting.
- Friday, March 27.—Journalism day; Delta Sigma Epsilon, College cabin.
- Saturday, March 28.—Delta Sigma Epsilon, College Cabin; Student Body Dance.
- Sunday, March 29.—Pi Sigma Chi, College Cabin.
- Monday, March 30.—Fraternity meetings; Kappa Omicron Phi; Pan-Hellenic meeting.
- Tuesday, March 31.—Class meetings; Art Department dinner.

Book Chatter

By ARTHUR BATCHELDER

This week's book is of intense interest to the history lovers and history haters. Come one, come all and read "Freedom, Farewell," by Phyllis Bentley. This is not the usual historical novel—not by a long shot!

Mommsen, himself, says "The history of past centuries ought to be the instructress of the present—because the observation of earlier forms of culture reveals the conditions of civilization generally." In reference to this we can see, besides the absorbing and realistic picture of Roman society of Caesar's time, conditions so much like those of today which we term, boldly—"modern."

Miss Bentley seems to feel, as will the reader, that freedom waved us farewell when Caesar took the reins of the Roman republic. The epilogue portrays a situation which we thought new when Huey Long pushed his measures through his bulldozed senate.

And now here comes a book which will shake the timbers of many a conservative college, and raise the blood pressure of staid old (or for that matter even new) professors.

The Name—"Alma Mater"
The Author—Henry Seidel Canby
The Topic—The Sterility of the American college

Follow a few excerpts which best describe the potency of his theme and characterization: the American college "was not a collegium of letters but rather a society for competitive education," not "an association of scholars but rather a coming together of youths preparing to be capitalists." The alleged "academic freedom" of the faculty was still another fake.

"The faculty members had their wives, but they were usually withered flowers. The mixed air of intellectualism and social caution which their husbands breathed was not good for them or any female."

Read it and be Shocked—but READ IT!!!

Air Waves

By BOB KRAUSE

ZIEGFELD FOLLIES OF THE AIR

A musical revue of excellent merit is the "Ziegfeld Follies of the Air" featuring the original "Follies" cast—Fannie Brice, James Melton, Benny Fields, Al Goodman and his orchestra and many other stars. It may be heard each Saturday from 9 to 10 p.m. over CBS.

BENNY GOODMAN AGAIN
"The most sensational band of 1935" is now appearing in a new revue featuring Eddie Dowling over CBS each Tuesday at 7 p. m. In spite of all the popularity Benny Goodman has attained, he organized his band only eighteen months ago—sort of going places in a hurry, I call it!

Dogmatic

By UNCLE HENRY

Chuck Luse wins the hand knitted phylactery award this week for his ability to make noises which mean and say nothing, but sound highly important. Mr. Luse is also capable of making anonymous speeches with his mouth closed. Both effects are very puzzling to uninitiated students and the faculty.

The spectacular jump of "Goody Goody" and "Let Yourself Go" to second and fifth places respectively after our prediction, leads us to prognosticate the rise of "The Day I Let You Get Away" and "Everything's in Rhythm With My Heart."

This Hal Davis has to be watched. Among "play exercises" he was describing, he demonstrated one in which you hold your toes and jump forward about twelve inches. But he showed us by jumping backwards. Try it and see the difference.

SQUIPS

By "GOLDY" GOLDSMITH

If you want more sunshine in your life, you should get up at sunrise.

No wonder they are called "lucky-birds"—they have only one bill to take care of.

Our office girl says she threw over sweetie, but then you know how a girl throws.

The only friend worth having that you can buy with money is a dog.

The fly on my desk always wonders why people should try and chase him away from their eats, when they throw so much of it away.

It may be true that there is a sucker born every minute, but it seems that the birth rate is much less.

The mind is like an umbrella, it functions only when it is open.

Then there is the story of the girl who thought a pessimist was a fellow that ran a cynic railroad.

National Tunes Open World Radio Series

By BOB KRAUSE

A man will step to a conductor's podium in New York next fall and, with the flip of a baton, open simultaneous entertainment for countless millions of the greatest audience the world has ever known. His stage will play to the peoples of forty nations. At a signal, all the earth will literally be suffused with his music.

The event will open the first of a series of the most far-flung radio concerts ever arranged by world broadcasters. Semi-annually thereafter the family of nations will exchange in rotation their concert artistry under the auspices of the International Broadcasting Union. The plan has been drawn and approved by world delegates to the International Radio Conference in Paris, and the American broadcasting systems have been invited to inaugurate the series on Sunday, September 20, of this year.

The first program will be presented jointly by the Columbia Broadcasting System and the National Broadcasting Company. It will be thirty minutes in length and will consist of characteristically American music. Due to the interest of foreign delegates, a part of the show is to be devoted to American Negro folk songs and spirituals.

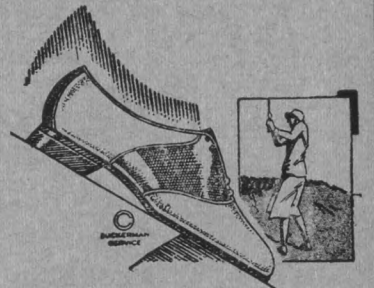

Each program of this elaborate series will originate from a different country and each will be relayed to all nations belonging to the International Broadcasting Union. In this way, during the course of the years, the music and culture of every section of the world will be presented. It is felt that in this manner international good will and understanding can be furthered and the cause of world amity strengthened.

(Material for this subject furnished through courtesy of Columbia Broadcasting System headquarters, New York.)

Cool Calculations

By JACK DAVID

After looking over the results of the Oxy-Whittier-Redlands trackfest last Saturday and after contemplating and weighing said results, the following "brainstorm" was evolved in the form of a dope sheet for this week-end's triangular meet between Santa Barbara, Occidental and Whittier:

- 100—Isett (O) Kilday (O) Yeager (SB) Whittier (W)
- 220—Kilday (O) Isett (O) Whittier (W)
- 440—Hayes (W) Bowlus (SB) Tebbs (W) Shean (SB)
- 880—MacDonald (SB) Crow (SB) Rogers (O) Schmidt (W)
- Mile—Hooper (SB) Baker (W) Hall (O) Rygh (SB)
- 2 Mile—Baker (W) Hooper or MacDonald (SB) Hall (O) Rygh (SB)
- H. H.—Richardson (W) Gray (SB) Rumbaugh (SB) Hubbard or Kilday (O)
- L. H.—Richardson (W) Yeager (SB) Rumbaugh or Gray (SB) Johnson (O)
- Shot—Kilday (O) Campbell (SB) Hutchinson (W) Andrews (O)
- Discus—Campbell (SB) Lindenfelter (O) Wheatley (O) Kilday
- B. J.—Crow (SB) Johnson (O) Smith (O) Rejebian (O)
- Javelin—Wheatley (O) Lindley (SB) Kilday (O) Andrus (O)
- Relay—Santa Barbara

This would give the Gauchos victory in the triangle tabulations and as scores will be tabbed for dual meet figures, Carter's men would defeat Oxy 73 3-4 to 57 1-4 and Whittier 67-64. The results of the three-way meet would read Santa Barbara 61 3-4, Occidental 56 3-4, and Whittier 40 1-2.

Gauchos Down Redlands and Jaysee Teams

Bortolazzo, Hathaway and Miller Pitch Staters to Victory

El Gaucho was supreme this last week-end at Ventura and Redlands. Last Friday Los Gauchos downed the Ventura junior college nine to the tune of a 9-4 victory and took the measure of the Redlands University Bulldogs 5-2 in a thrilling eleven inning contest Saturday afternoon.

Opening their barnstorming tour at Eastside Park in Ventura behind the steady chucking of "Bort" Bortolazzo, the Pirate nine was rather helpless. Pete Hathaway relieved "Bort" in the fifth inning, but got into hot water in the eighth inning and Bortolazzo came back on the mound to shut them out the last two frames.

Conference Victory

Saturday afternoon at Redlands, the Gauchos opened their conference schedule by defeating the Bulldogs nine in an eleventh inning rally to win rather decisively by a three run margin. The game was even-steven up to the end of the regular ninth inning, the score being tied two all. The tenth inning was eventless not as much as a single man getting on base. Blaisdale was on the mound for the Bulldogs and pitched a beautiful game, but as the head of the Gaucho batting order faced him in the first half of 11 innings he tired to some extent. Elmo Evans, the lead-off man, started things going when he rapped out a scorching single. Murray and Rezzonico bunted safely, filling the bases.

Gauchos Score

Chuck Luse hit a long high fly which was dropped by the center fielder; Evans scored on the play. "Shires" Erhard hit a long single scoring both Rezzonico and Luse to put the game on ice for the Gauchos.

There was a very small crowd in attendance as the weather was threatening.

Gauchos Win Ball Game While 'Dynamite' Dunham Fixes Bus for Trip Home

By "AL" BINE

Traveling southward, your scribe accompanied the varsity baseballers in their tours of Ventura and Redlands. These are just a few shots, taken at random!

Arden "Pete" Hathaway, the Pocker impressario was present and a little game was in effect. Upon returning to the city, "Spud" Harder was questioned as to the whereabouts of his shirt.

"Dynamite" Dunham was at the wheel of the Gaucho monster and he made things go, so much in fact that he saw the Redlands game from underneath the bus, working on the brakes.

The present array of popular singers better start looking for their laurels, as "State's" contribution to the musical world "Mugsy" Miller and Bobbie Rezzonico sing a "mean tune" and when we say "mean" that is just what we mean.

Observation: Silence supreme; Tommie Smith of the Smith clan was the proverbial clam. "Mighty" Mert Miller probably the noisiest individual I have ever seen. Also the organizer of the "You may be saved" club.

Passenger "Barrel" Twaddell had a short visit with his Hollywood queen. When questioned upon returning to this fair city of ours, "Barrel" stated, "Hollywood is O.K. as far as Okays go, but who ever saw an O.K.?"

Compton Whips Spikeesters in Season Prelim

Hooper and Bowlus Take 3 Firsts to Score State's Only First Spots

With the exception of the mile, two-mile and 440 yard dash, the Santa Barbara Gaucho track team was badly outclassed and dropped a lopsided dual meet to Compton junior college 87 1-4 to 43 3-4 at Phelps field Saturday in the final preliminary before conference meets.

Virgil Hooper, suffering from a cold, was still good enough to nab both distance races. Larry Bowlus who ran a 51.9 second quarter, was the only other first place winner.

Although the day was sunny and warm, a brisk wind hampered performances, and times and distances were poor.

As the southern jaysee spike artists are one of the most powerful teams in local regions; they are free lance competing all comers.

Yearlings Travel South for Battle with Ventura Nine

Following an enforced rest, due to the cancellation of their game with Santa Maria high school, last week end, the State peagreeners will travel to Ventura to take on the junior college nine in what promises to be a close contest. In as much as the Frosh barely beat the Venturans last week by a close 6-5 score, Coach "Bud" Cummings will start his strongest team with Gardenhire on the mound and Mickey as his battery mate.

The Ventura team is rounding into shape very well and as they have a group of new men on their team they are now at full strength. Macintyre, the mainstay of their pitching staff, will probably be on the mound for the Pirates and Lilly, who at present is their leading hitter, will be the catcher.

The Gauchos will take the field with Miles Heber on first base, Busby at second, Powell on third, and Fayne Young at short-stop. The locals' outfield gardens will be taken care of by Smith, Monson and Siegler.

SCIENTIFIC BLENDING

The blending of tobaccos to secure a given taste—uniformly, season after season and year after year—is both an art and a science.

Every fresh blending of Lucky Strike tobacco contains more than 100 different types produced on thousands of different farms—not only in Virginia, North and South Carolina, Georgia, Tennessee, Kentucky, Maryland and other States, but tobacco-lands in Macedonia and Xanthia in Greece, Smyrna and Samsoun in Turkey—where the finest Turkish tobacco is grown.

LUCKIES ARE LESS ACID!
Recent chemical tests show* that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.

*RESULTS VERIFIED BY INDEPENDENT CHEMICAL LABORATORIES AND RESEARCH GROUPS

Faith Hatch, State Student, Speaks on Teaching in Burma

Instructor Attends School While on Furlough From Indo-China School

Miss Faith Hatch, instructor for the last five years at Martin Lane normal school in Burma, Indo-China, spoke on "Education of Native Teachers" at a meeting of the Bible club last Thursday evening in the A.W.S. room.

On furlough from her teaching position, Miss Hatch enrolled at State college this semester in the home economics field.

Miss Hatch stated in her talk that the unusual politeness of the girls was hard to understand when she first started her teaching in the foreign school. Education of the Indo-Chinese girls is a new undertaking. The age of the girls in the secondary school is about the same as it is in this country, although the marrying age is between seventeen and nineteen years. Also the men usually marry more than one girl.

There are 126 different languages spoken by the Burmese people. In the elementary schools the students are taught the language spoken in the territory in which they live, but the secondary schools teach English and are conducted in that language. The curriculum of the mission school is directed by the British government and includes a period of Bible study every day.

Initiation Begins Pledges' Hell-Week

Holding informal initiation at the clubhouse on the corner of Sola and Chapala, last night at seven o'clock, Phi Kappa Gamma sorority started Hell Week by teaching their pledges a few lessons on conduct. Mildred Byers, acting as pledge captain, made plans for the remainder of the week during the business meeting.

Formal initiation will be held at Virginia Allred's home on 1711 Grand avenue next Sunday afternoon from two until four o'clock. A special meeting was called for next Wednesday night to complete the final plans for the close of Hell Week.

Delta Phi Upsilon Honor New Members

Following a formal initiation of pledges held at the home of Miss Edith Leonard, Delta Phi Upsilon, national honorary fraternity of childhood education, welcomed new members at a formal dinner at the Vista Mar Monte hotel.

New members are Miriam Alexander, Jane Goslin, Ann Seymour, Margaret Smith and Miriam Turton.

In addition to the new members, Margaret Leonard, Mary Lee Townsend, Betty Roulston, Ruth Hilty, Lucille Ellis, Frances Merritt and Miss Edith Leonard, sponsor, attended.

Our strongest convictions are usually on those subjects about which we know least.

Delta Zeta Delta Sorority Presents Latest Fashions

Presenting their annual spring tea and fashion show, the Delta Zeta Delta social sorority displayed the latest fashions in the lounge room and sun porch of the Montecito Country club, Saturday afternoon, from three to five o'clock.

Frank Greenough orchestra furnished the music while sorority members modelled beach suits, active sport wear, riding togs, spectator sports wear, street clothes and afternoon, cocktail, dinner and formal gowns. The fashion display was climaxed with a bridal party composed of the bride and two bridesmaids. Local shops cooperating with the sorority in staging the show were Jack Rose Smart shop, furnishing all wearing apparel; Michel Levy, shoes; Marcel et Pierre, coiffures; Mayfair shop, riding togs and John Turnbull, who arranged the bouquets.

Those modelling beach and sport wear were Jean Townsend, Persis Freeman, Helen Holt, Darlene Hapenny and Marjorie Nielson. Riding togs were modelled by Betty Greenwell, Janet Birnie and Elinor Stewart, while wearing apparel was presented by Mrs. Byron Abraham, sponsor of the sorority, Florence Stuart, Margaret Beddome, Myrtle Holt, Connie Allen and Louise Holden.

Tea was served during the show by the sorority members, which included Mrs. Charles J. Anderson, Mrs. Sherman Derbyshire, Mrs. Francis Campbell, Mrs. Lester Girsh, Mrs. John T. Porter, Mrs. Bruce Heltman, Mrs. Paul Green, Nancy Davens, Helen Smith, Lorraine Gandolfo, Margaret Gandolfo, Carmelita Janssens, Francis Morris, Francis Merritt, Julia Lynch, Georgia Lyans, Irene Mayhew, Lillian Cooke, Lita Boeseke, Mary Lee Townsend, Lillian Talbot, Ann Covelle, Ellen Roe, Zelva Pierce, Arda Kemp and Madeline Straw.

Take advantage of the little opportunities and you won't need to wait for a big one.

TRIGUEIRO STARS FOR FROSH TEAM

With Louie Trigueiro in the starring role, the Gaucho Babes trimmed the highly-touted Bakersfield Junior College track team to the tune of a 70-61 victory, last Friday afternoon at Phelps field.

Trigueiro scored the major points for the Peagreeners by winning the pole vault, broad jump, shot put, discus, and javelin. He placed second in the high hurdles and third in the high jump for a total score of 29 points. Jerry Swatzberg turned in a twin win by taking first place in both the 100 and 220 yard dashes. Rutten in the 880 and mile, Reed in the 100 and 220. Hackleman in the 440, Fujii in the broad jump, Dorn in the shot put and Monson in the javelin won seconds for the locals. While Voorhees, Parks, Sloniker, Swatzberg and Weld placed third in their events.

Coach "Hank" Lloyd was rather well satisfied with the sterling performances of his athletes and states that they have shown improvement in every meet. By the time the Freshman All-Conference Meet the locals will be in condition to make a representation second to none.

aroma...it's as much a part of
Chesterfield as the taste

Did you ever notice the difference in the aroma of Chesterfield tobacco?

Every person who knows about tobacco will understand this... for to get a pleasing aroma is just like getting a pleasing taste from fruit.

Mild ripe tobaccos, home-grown, and welded with the right kind of tobacco from far-off Greece and Turkey (Samsoun, Smyrna, Xanthi and Cavalla)...

...that's why Chesterfield has a more pleasing aroma.

...with that pleasing aroma
