PRESIDENT ROBERT SPROUL FINALLY HERE

Goleta Opener Plans Ready, 'Stupendous' Day Promised

"Next Saturday, October 15, the Associated Students will throw a stupendous picnic and dance at the site of our new Goleta campus," stated Bill Hardison, assembly committee chairman.

A variety of activities including "the world's best fifty-cent supper" will round out a well scheduled program culminating with the "Harvest Dance."

"No smoking in any of the buildings, and all cars must be parked on paved roads because of surveying measurements," emphasized Hardison.

The whole show begins at 3:30 when a car and bus caravan will head down A.P.S. to Laguna, following the golden arrow over to Valerio, then to De la Vina and straight out to Goleta.

The afternoon and evening program will proceed as follows:

4:00—Fresh vs. Soph mud brawl opposite gym. Participants will be happy to know showers will be available.

4:00—Sophomore Spurs will conduct freshmen women's initiation.

4:30—Delta Tau Delta and Sigma Phi Epsilon clash in mapor intramural football game.

4:30—Sophomore vs. freshmen women for volleyball championship of lower class.

5:00—Student vs. faculty softball game.

5:30—AMS and AWS begin serving supper. Fifty-cent charge.

6:00—Freshmen-built bonfire will touch off band and glee club concert.

7:00—College tribunal in gym. Bob Christofferson and Dick Bowdey, sophomore and junior class presidents, will officiate as judges. Ed "Mr. D.A." Morris is to be the prosecutor, and Alton Lewis, Ken Trevey, and Frank Goodall will act as executioners. The entire student body will hold the balance of power as the jury.

8:00-11:00—The Harvest Dance with the music of Jean Carroll and his orchestra. Twenty-five cents charge.

Picnickers are advised to dress warmly because heating facilities in the temporary buildings will not be operating.

"The coordinating committee has spent many hours formulating this program, and I believe every student and faculty member should take advantage of it," stated Bob Hartzell, student body president.

Captain Floyd Bernard of the police department reminds students that they must have UCSBC packing stickers on their cars to gain admittance to the Goleta campus. Cars which do not have this identification can be admitted by stopping and showing a student body card.

P.L. 16 VETERANS
Mr. William Fowler, Training Officer, will be on the Riviera Campus Wednesday, October 19 from 1:00 until 12:00, instead of October 26 as previously announced. He will not be on the Mesa Campus in the afternoon.
All veterans are reminded that Saturday, October 15, is the deadline for purchase of books and supplies at the Bookstore.

Full Day of Classes Set on All Cal Friday

In accordance with a University-wide decision, Acting Provost J. Harold Williams has announced that students will not be excused from classes on Friday for the All-University Weekend, Oct. 28-29, except those who are officially participating in the activities and whose presence is need in Los Angeles.

This group will include officers of the Associated Students, head yell leader, band and glee club, and members of the California Club.

"Since we have no regularly scheduled Saturday classes and because of our nearness to Los Angeles," Dr. Williams said, "this question does not affect Santa Barbara College as much as it does the northern campuses. I wish to encourage wholehearted support of the All-University Weekend and hope to see a good representation from Santa Barbara."

Sutton Publishes New Magazine

George Sutton, a transfer student from Berkeley, is editing a new magazine called the Rogue. This magazine, which is primarily devoted to coverage of Santa Barbara College, will go on sale at Santa Barbara newsstands tomorrow.

The magazine will include pictures of many campus activities as well as fashions, humor, etc. The magazine will be published the 12th of each month.

Aiding George in putting out the magazine are other UCSBC students including Stan Becker, Ken Ainge, Bud Gmur and Gerry Larson.

GAUCHO BATHING BEAUTIES competing for the chorus line in the forthcoming production of "Of Thee I Sing" line up for the judges in the Riviera Auditorium. Bathing Beauties in Musical

Presidential campaigns, bathing beauties, and current muffins will cause excitement in the coming student presentation of the Broadway musical, "Of Thee I Sing," to be presented December 9th to 12th in the Riviera Auditorium.

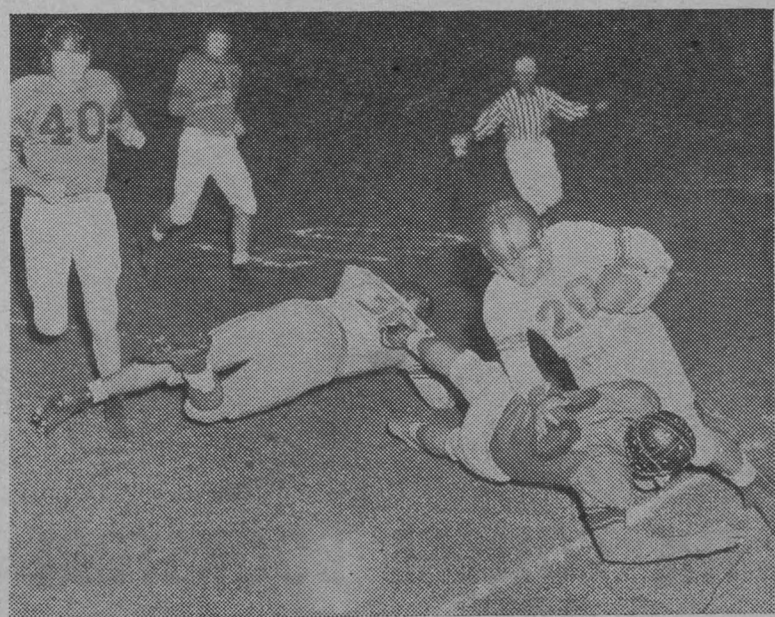

First performed in 1931, the play was a smash hit in New York City and won the Pulitzer Prize. The music was written by George and Ira Gershwin, while the book is by George S. Kaufman and Morrie Ryskind.

The play is about American political life, and is built on the story of John P. Wintergreen's Presidential campaign, using the slogan, "Put love in the White House." It is decided as part of the campaign that Wintergreen should marry the winner of a bathing beauty contest, but he falls in love with another woman because she can make such good currant muffins. The bathing beauty winner, Diana Devereaux, whom he rejects, turns out to be French, so international complications enter in. The campaign includes scenes in the White House, the Senate, Madison Square Garden, and Atlantic City.

Probably the funniest part of the play is a sub-plot revolving around Alexander Throttlebottom, who is the vice president of the United States, yet nobody knows him.

The original leads were played by William Gaxton as Wintergreen, Lois Moran as Mary Turner, and Victor Moore as Throttlebottom.

The project will probably involve from 100 to 150 people and will require all the talent that can be found in the entire college, according to Mr. Theodore Hatlen, Chairman of the Speech Department.

President Greet Students At Eleven O'clock Meeting

President Robert G. Sproul will welcome new students at the traditional First University Meeting to day at 11 o'clock in the Quadrangle.

Frank Warren New Senior President

Frank Warren was elected president of the Santa Barbara College Senior Class and Don Groth was elected Mesa Campus representative in the tally of votes yesterday in an Associated Students election.

Run-offs were necessary in five other offices in order to fulfill the requirement that elective offices shall have a majority of those voting. The run-offs took place yesterday.

Those on the ballot were: Senior class secretary; Jody Dryden and Bobbie Misson.

Freshman class president; Jerry Mydland and Vince de Fiore.

Freshman class vice president; Jere Barlow and Jack Carroll.

Freshman class secretary, Sue Mergener and Sue Langhorne.

Freshman class treasurer; Bill Drake and Joe Soldevilla.

Classes will be excused and administrative offices closed at that time to permit students, faculty and non-academic employes to attend the meeting.

Acting Provost J. Harold Williams and Student President Bob Hartzell will give brief talks. The College Band, under the direction of Clayton Wilson, will play University and College songs.

All Block C men will wear their sweaters for the occasion.

The welcoming program started last night on a more personal basis when President and Mrs. Sproul were hosts at a reception for all freshmen and other new undergraduate students in the Quad and Ebbets Hall. They were assisted by Provost and Mrs. Williams, administrative heads, department chairmen, members of the Cal Club and 20 selected students.

There was music for dancing in the Cafeteria and musical entertainment in the Quad by strolling troubadours.

Prof. Harington Wells, chairman of the Committee on Public Ceremonies, has been in charge of arrangements for both events.

Health Service Tells Of Diabetes Symptoms

On this campus there are probably 15 students who do not know that they now have diabetes, or who will someday develop "full blown" diabetes.

From October 10 to 16 the American Diabetic Society is making a special effort to locate an estimated 1,000,000 "potential" diabetic citizens.

Your Student Health Service wishes to cooperate in this search, in that it hopes to find 15 such students on this campus.

The following student should report to the Student Health Center for laboratory tests:

1. Those with a family history of diabetes.
2. Those in whom sugar has been found on urinalysis, even if the positive sugar test was only temporary.
3. Those who are considerably overweight.
4. Those having unexplainable fatigue, loss of weight, excessive thirst, craving for sweets, or frequency of urination.

The diagnosis of diabetes made early, followed by early treatment, will forestall regret at a later date when diabetes is fully developed

'Age of Goethe' Lectures Begin With Philosophy

A series of six lectures on "The Ideas of the Age of Goethe" will be presented in Santa Barbara by the Department of Institutes of the University of California Extension, it was announced yesterday by Upton Palmer, acting head of University Extension in the Central Coastal Area.

Designed for the general public, the lectures will deal with the significant ideas, works, and men of Goethe's times, our debt to them, and the challenge they present to the modern world. Palmer explained.

The 200th birthday of the great poet-philosopher Johann Wolfgang von Goethe has been celebrated internationally throughout the year 1949.

Dr. Paul D. Wienpahl, assistant professor of philosophy at Santa Barbara College of the University of California, will give the first lecture in the series on Thursday (Oct. 13) at 8 p.m. in the Alhambra Theatre. His subject will be "Philosophic Ideas in the Age of Goethe." In his analysis, Dr. Wienpahl will consider the historical development of these ideas and their influence on subsequent philosophic thinking.

Sands Gives Third College Lecture

Dr. Lester B. Sands, associate professor of education at Santa Barbara College of the University of California, will be the speaker for the third lecture in the All-College Lecture Series to be given at 4 p. m. Wednesday in Pine Hall 100, on the Riviera Campus of Santa Barbara College.

His subject will be "The University Curriculum—Past and Present."

The lectures are free and open to the public as well as to faculty and students, according to Upton Palmer, chairman of the Committee on Drama, Lectures, and Music which is sponsoring the series.

ALL-CAL TRAIN
Tickets for the special Gauchito train to the All Cal Weekend went on sales yesterday. The tickets are sold for \$5.46 round trip. There will be no refunds unless, due to an insufficient number of tickets sold, the train is cancelled. Tickets will be sold only on campus and must be purchased by Friday.

On this page are several articles concerning themselves with that intangible quality of the college student, **School Spirit**. El Gaucho has, in the past, printed other articles and editorials on the subject. We would like to echo President Robert Hartzell's words about the matter: "Please, let's stop this constant harangue about spirit."

There is something to be said for both sides. School Spirit is necessary on any campus, but that campus must also have a few study-bugs around to keep up its scholastic rating. For example, Santa Barbara College is still noted for the fine calibre of teachers it turns out every year. We are sure that some of them put studying before waving a pompon at a football game. And that is the way we want it to be, so that those teachers will some day capably instruct our children.

School spirit is truly inspiring to listen to, watch, and participate in. Let's work together, accepting constructive criticism and suggestions on the machinery of that spirit, and maintain an objective attitude and toleration for each other's opinions.

And let's be realistic by not carrying our school spirit too far. We wonder whether the tiger-stealing stunt Saturday night would be considered school spirit. If it is, we are not as mature and intelligent as we believe ourselves to be. Childish pranks do not belong in college.

SCHOOL SPIRIT, YES—but let's act our age.
—don mills.

Joe Gaucho Speaks!

Dear Editors, Please!
Let's stop this constant harangue about spirit. You writers for El Gaucho are driving the thing into the ground. Nothing can grow in a negativistic atmosphere. Personally, I think there is quite a lot of college spirit on our campuses. El Gaucho should come along with me sometime when we hold Freshman Assemblies, or during our Song Before Class in the larger classrooms. Did El Gaucho get up early enough to see the R.O.T.C. companies march across the campus singing Our Golden Bear? Where was El Gaucho when a quarter of our student body followed the Golden Arrows to Pomona?

Has El Gaucho ever heard the townspeople comment on our songs and cheers at the games? They think we are pretty terrific. Did El Gaucho get to the Rally that sent our team off to Pomona? Profs who have been on this campus say they can't remember any send-off quite like it.

Now let's have done with these gripes about lack of spirit. Our cheer leaders are all new to the job this year and our stadium won't get any bigger until we do some expanding. If you just step down to the field or go across to the other side. Those cheers just knock you down. And, for your information, El Gaucho . . . I shall never forget the thrill that swept into every bone of my body
(Continued on page 4)

El Gaucho Speaks!

Bob Hartzell has the Gaucho wrong (See Joe Gaucho Speaks). We are as sincerely interested in seeing increased school spirit as he is. We don't intend to gripe about it. We are sorry if we have seemed to. We are attempting to find the reason for our lack of rah-rah in hope that we might remedy it.

Questions that he has asked of us in his letter are just plain foolish. We attend the games, sing the songs and attend the assemblies. We were even among those R.O.T.C. companies when they marched "singing" to the armory. And afterward we heard those cadets, all lower classmen complain of being pushed into school spirit. We know that our rooting sec-

SPOTTS Before your Eyes

By Doris Spotts

The main issue of today's feature page seems to be school spirit. So I'm going along with the trend by tossing in an illustrative incident. The day that editorials suggesting improvements in the yell leaders and in the set-up of La Playa Field appeared in the paper, I was walking across the campus and was stopped by a young man. He proceeded to give me a short and nasty analysis of the faults of El Gaucho. This was followed by a statement that we should not find fault with his boys, the yell leaders, because at least they were trying hard to further school spirit.

Well, Vic McCarty and his two assistants seem able to profit by a little constructive criticism instead of being personally affronted, as this person would have me believe. The practice they were putting in Friday afternoon and the improvement they showed at the Oxy game are proof of this.

And I think the staff of El Gaucho can take and act on practical suggestions when they are offered. But I do not believe that we should have to take either veiled or direct insults upon our lack of school spirit. I do not believe that putting in from ten to

thirty hours a week, as the various members of our editorial staff do, show exactly a lack of school spirit. And the reason that the editors commit the major crime, according to our president, of not attending football games played away from Santa Barbara is not a lack of the desire to do so, but the restriction of our activities by printers' deadlines. These games are, however, covered completely by Gaucho sports writers and photographers.

But I'm running out of space, so I'll refer you to the article down the page written by our managing editor, Jerry Noble. It answers the accusations thrown at us much better than I could.

We want to thank Bob, though. And we would like any more of you who don't like the way we are handling things to let us know. We want to help.
—Jerry Noble.

Joe Gaucho Speaks

Dear editor:

A glance through the fall class schedule clearly indicates that there are more classes held on Wednesday at 4 o'clock than on Thursday at 4 o'clock. In lieu of this it certainly sounds justifiable to change the Fall Lecture Series now in progress to Thursday in order that a greater percentage of the student body may benefit by them. What do you think?

Ken Dowling

(Ed. Note: Sounds reasonable.)

THE CAMPUS CORNER

Claire Maher

Hi, Gals!

It looks as if these foggy days are here to stay, meaning cotton dresses are put in the rear of the closet while warm woolen things find their use.

Skirts and sweaters are the usual every-days for the college girl, so the saying goes anyway, and true it is. For those of you who find variety lacking among your sweater combinations, I'm sure you will be pleased to find such a big selection at the Campus Corner. Plain knits to hand-fashioned cashmeres may be found in light pastel shades and the newest fall colors.

An attraction these days is the detachable collar, that brings a touch of feminine frills. They come in dotted swiss and pique with Swiss embroidery to add the finishing touch.

They are certainly worth seeing and I hope that Saturday you will drop in and say hello.

'Bye now,
CLAIRE.

**KEEPING TAB ON OUR FUTURE OPPONENTS
—FRESNO NOT THE TEAM THEY USED TO BE**

The reincarnated Santa Barbara Gauchos, possibly looking ahead to their first conference battle this Friday against Fresno, can take note of the fact that the Bulldogs are not the team they used to be. Albeit that anything can happen in a football game, the Fresnoans would have to show a complete reversal of form and revert to their opening game, in which they upset favored Cal Poly, 20-6, to make the scribes sit up and take notice.

Since the first 2C2A game, the Bulldogs have been walloped on successive weekends by Santa Clara, 53-0, and Loyola, 52-13. Both of these teams, however, are rated as among the best in small colleges on the coast.

Head Coach Al "Pix" Pierson, commenting on the recent play of his men, said that on defense, Chuck Toy at end, Chuck Moran at guard, and Herman Ziegler at tackle have been outstanding. Norm Myers, Ken Wagner, and Johnny Morse have been good on pass defense. Morse apparently is the outstanding back on the field with a 6.8 yard average for the first game, in which he scored twice.

Bulldog passing is not expected to be too potent as they threw only three times against the Mus-

tangs. After the last two crushing defeats, however, the Bulldogs may take to the air against Santa Barbara. Pierson lamented that his boys were helpless in all departments while receiving for two of the worst lickings ever received by a Fresno eleven.

Left half Vince Palmo played brilliantly against Loyola, and quarterback Tom Aney throw to Toy for the first Bulldog touchdown.

**Tennis Tourney Put
Off Until November**

The Montecito Invitational Tennis Tournament to be held on the Montecito Club Courts has been postponed until the first part of November, according to Coach Lyle Reynolds.

Gauche players will get special invitations and have use of all facilities at the Montecito. Any Gaucho interested should see Mr. Reynolds in his office, West Hall 110.

A second fall tournament will be held the latter part of November. An intramural affair, college students from all over the Southern California will be invited.

Meanwhile, Reynolds made it known that the return of only one letterman leaves varsity tennis wide open for aspiring tennis players. The first day of the spring semester starts practice for coming tournaments with UCLA, Los Angeles City College, San Jose, Pepperdine, and California Poly.

**Oxy Still Unbeaten, Win 31-12
But Locals Swipe Tiger in Coup**

By OWEN WAYMAN

In the roughest and toughest ball game seen here in a long time, the Occidental College Tigers proved too much for the Santa Barbara College Gauchos as the Tigers rolled for a convincing 31 to 21 win. The game was played in La Playa Stadium before a small Saturday night crowd.

Coach Roy Engle's Gauchos were outplayed but not outfought in the very rough game which saw Occidental penalized a total of 70 yards, mostly for unsportsmanlike conduct. However, even with many penalties the Tigers couldn't be stopped as the long passes of Quarterback Joe Johnson clicked to perfection when the chips were down. These passes coupled with fine play and some tremendous catches by Left End Bob Levin

spelled the Gauchos doom.

Vinton Shines

The Gauchos showed plenty of spirit and some fine line play but were severely hampered by costly fumbles. Gaucho center Warren Vinton and right tackle Wayne Templeton played very alert ball and were the stumbling block of many a Tiger play.

After a slow start by both teams the Tigers got rolling toward the end of the first period on a short pass from Joe Johnson to Dick Levin who pulled it down on his own 39 and got to the Gaucho 45 where he lateralled to halfback Jack Bobinette who broke loose for the TD.

Early in the second period the Tigers got rolling again after blocking a Gaucho punt and recovering on the Gaucho 45. Two long passes to End Bob Levin put the ball on the Gaucho 5 from where Ted Calderone went over on a line plunge for the second score.

At the half the score was 12-0 and early in the third quarter the Tigers made it 18-0 after the Occidental guard Jim Andrews blocked a Gaucho punt and Tackle Joe Rubio recovered in the end zone for another 6 points.

Gorrie for Six

The Gauchos finally got into the scoring column when, after an exchange of punts, the Gauchos got the ball on the Tiger 47 as Dick Gorrie ran the Tiger punt back for 38 yards. A long pass from Dick Gorrie to End Clyde Francisco placed the Gauchos on the Occidental 10. Russ Bertell made two yards and Gorrie passed to End Fred Lloyd to the 2. Dick Gorrie then hit the center of the line for the score to make it 18-6.

Occidental made it 25-6 on a 37 yard pass from Johnson to Levin.

The Gauchos made their final score on a long drive to the Tiger 15 where they lost the ball on downs but Dick Gorrie recovered a fumbled and an unnecessary roughness penalty against the Tigers moved them to the one where Doug Gorrie hit center for the score.

Occidental scored again in the last few seconds of play on a long pass from Quarterback Neil Bradley to End John Campbell good for 62 yards and made the final score read 31-12.

LeRoy Criss, starting his first game of the year, was a defensive star as was big Bill Starkey at left tackle. Dick Gorrie played almost the entire game as quarterback, and while his passing wasn't as sharp as usual, much blame for this can be placed on the fact that he was rushed unmercifully.

Frosh Drop Opener

The potent Santa Maria J. C. gridmen dumped the invading Gaucho freshmen Friday night to the tune of 39-0 in a game played in the northern city.

Tau Gamma Sigma

Tau Gamma Sigma sorority is having an All-Sorority Dessert-Bridge and Fashion Show Sunday, October 9, 1949, from 2 until 5, at their house on 1532 State Street.

Fashions by Miss Barbara Shop will be modeled by members of each sorority, according to Pat Bowdey, Tau Gamma Sigma president.

Peggy Crooks, Tau Gamma Sigma Social Chairman, is in charge of the affair, and will be the emcee at the fashion show.

Phi Kappa Gamma

On Monday, October 3rd, Phi Kappa Gamma had an exchange with the Beta Sigma Tau Fraternity. The exchange was the first of the season and was held in the new sorority house. Singing, dancing and games, as well as refreshments were enjoyed by all.

Sunday October 9th, marked the 25th anniversary of Phi Kappa Gamma. The event was celebrated by a tea given in honor of the Phi Kappa Gamma and Chi Omega Alumni. The tea marked the first meeting between Alumni of both groups. Actives and Pledges were also present.

Chi Alpha Delta

The informal pledging of sixteen pledges will take place Wednesday, October 12 at 7:30 p.m. at the Gamma Delta Chi House, 1814 Prospect Avenue. The program will be a panel discussion by former members who are now teaching in Santa Barbara.

Phrateres

On Wednesday October 12 from 7:30 to 9:30 Phrateres will give a Wild-West Party for the prospective members. Western or school clothes are in order. The committees for the party are these: decoration, S.F.S.; name tags, Nani Leilani; refreshments, Tous Les Temps; and invitations, Gnomes.

Delta Tau Delta

Last night the men of Delta Tau Delta serenaded campus sororities with Delt songs. Pledges and rushees were included in the group.

Sunday, Delts initiated 10 new men into the active organization. A dinner followed the impressive ceremony.

Alpha Theta Chi

The Alpha Thetas, UCLA Thetas, and the USC Thetas were recently entertained by the Santa Barbara Kappa Alpha Theta Alumni at the Hidden Valley Ranch of Mrs. G. W. McMahan. Swimming, Air-

plane rides, and a barbecue were enjoyed by all the girls.

Knights

The Knights, men's service organization are going to assist in the presentation of students to the Goleta Campus at The Goleta Opener. The group is led by Ray Andrews, with Bill Hardison acting as his vice president. Craig Swenson is treasurer and Bill Norton is secretary of the service group.

Lambda Chi Alpha

Recent ceremonies at the Lambda Chi house resulted in the formal initiation of fifteen Spring semester pledges. Joining the brotherhood were:

William Anderson, Deane Arnold, Ronald Brown, John Carter, Ted Clark, Dean Eslinger, Irvin Glushenko, Donald Hopkins, Jack Huntsinger, Viggo Jensen, Boyd Kearney, Jack McFee, Donald Parrish, Joseph String, and Robert Talley.

The new members were treated to a steak dinner at Arnold's Restaurant as a finale to the weekend rites.

Every college has its dullards and study bugs who either can't or won't get enthusiastic about anything. It just happens that we have quite a few of these at Santa Barbara and for the past few years they have seemed important. Their day is over now even though they still hang on. with its complications and more difficult treatment.

Most individuals recognize the wisdom of periodic chest x-rays for the early detection of tuberculosis. The same line of reasoning applies for the early detection of diabetes.

It is important that those report for tests at the Health Center should report from 30 to 45 minutes after mealtime, for it is then that the tests are most significant.
