SUMMER SESSION

July 7, 1960

GOLETA, CALIFORNIA

## VISITING SCULPTOR TO GIVE UNIVERSITY TALK

Dr. George Rickey, nationally known sculptor and visiting professor of art at UCSB this summer, will give the third talk in the Summer Session University Lecture Series on Tuesday at 3 p.m. in the Classroom Building Lecture Hall. Dr. Rickey's subject will be "Head and Heart in Modern Art - The First Generation." Admission is free.

The university lecturer has recently been awarded the coveted Guggenheim Fellowship for the coming year enabling him to conduct studies of the physics of motion in relation to creative sculpture. During this Summer Session, Dr. Rickey is participating in the interdepartmental program, "The Practice of Criticism in the Arts." During regular session, he holds the position of Professor of Art at Newcomb College at Tulane University.

## IMPORTANT

All persons attending summer session may obtain their grades by leaving a stamped self-addressed envelope in the box provided for that purpose in the Registrar's Office, Building 403, side entrance. There will also be a box for this purpose placed outside the Graduate Manager's Office, Building 477, Room 102.

PAUL W. WRIGHT  
Registrar

## STUDENT-FACULTY DANCE COMING UP

Be sure and put the date July 15, Friday, on your calendar for the student-faculty dance from 8:30 - 11 p.m. The "Summer Whirl" will be held in the Santa Cruz Recreation Room. Everyone is welcome, by yourself or with a date.

## BARBEQUE TODAY !

The long-awaited summer school beach party and barbeque is set for tonight on the University beach at 4:30 p.m. Joining in the food 'n fun will be a host of summer session students, faculty, family and friends. Admission tickets are mandatory, and we're sorry to report the noon, July 5 deadline for procuring same is past.

## TWO LECTURES SCHEDULED

This afternoon at 3 p.m. in the Classroom Building Lecture Hall, Professor P. T. Raju, well known Indian philosopher, will give a special summer session lecture on "The General Characteristics of Indian Philosophy." Admission is free.

"Sonar in Mammals" will be the title of tonight's NSF Institute lecture to be given by Dr. Kenneth Norris, guest speaker. Scheduled for the Classroom Building Lecture Hall at 8 p.m. the public is invited to attend. Dr. Norris who has been serving as curator for the Marineland of the Pacific for several years has recently joined the faculty of the zoology department at UCLA.

## SPECIAL NSF LECTURE

A special NSF lecture will be given on Tuesday, July 12 at 8 p.m. in the Classroom Building Lecture Hall. For further information contact Dr. Edward Triplett in the Biological Science Department. The public is invited.

## LECTURES ON FM RADIO

Those who are unable to attend university lectures this summer may hear a taped FM broadcast of these talks which will be carried on Saturdays at 8:05 p.m. over station KRCW. The audio-visual department of the campus library also holds tapes of these lectures which may be used in the library.
