-- formerly Roadrunner --

Vol. XVI

SANTA BARBARA, CALIFORNIA, TUESDAY, SEPTEMBER 29, 1936

No. 4

## Early Rally Planned for State's Trip

Student Body Will Attend  
Send-Off at Station  
Before Classes

WILL SERVE BREAKFAST

Tickets May Be Obtained  
in Co-op Store or From  
Rally Committee

To give the Gaucho eleven an enthusiastic send-off to Flagstaff, Arizona in their first out-of-town tilt, members of the associated student body of State will mass at the Southern Pacific depot for a breakfast rally Friday morning at seven o'clock.

Coffee and doughnuts will be served to all students, with the price of tickets set at ten cents per person. Tickets will go on sale today, and will be placed at student disposal in Fred Allred's office and in the cooperative store. Rally committee members will sell tickets under the supervision of Wilma Kiesner, committee head.

Speeches by Coach "Spud" Harder, Clair Busby, spectacular tackle, Doug Oldershaw, "stellar guard", Dave Pollock, heady quarterback, and Barney Swanson, star of the Cal Tech game, will feature the event.

Songs and yells will be led by the cheerleaders, Harry Sloan, Jack Kitchen, Barbara Sharp and Renata Maccianti.

All students are invited to attend, and are urged to be at the depot promptly at seven o'clock.

Rally committee members selling tickets are Danny D'Alfonso, Wilma Kiesner, Jack Kitchen, Barbara Sharp, Dorothy Darrow, Petie McKinney, Yale Lorden and Renata Maccianti.

## New Faculty Bring Teaching Records from Many States

Several new professors have been added to the faculty of Santa Barbara State College this year.

Dr. Elmer R. Noble, physiology and zoology instructor, comes to our campus from Berkeley, California. Dr. Noble took his undergraduate work at the University of California, and is a candidate for the Ph.D. degree in August. Dr. Noble comes of a family engaged in educational work in Korea. Three brothers are college instructors, with two in biological lines. For campus identification, he may usually be found in the zoology laboratory or somewhere in that vicinity. He is about five feet eight in height, medium build. Dr. Noble and his wife reside in Santa Barbara.

Dr. J. F. Halterman, new to the social science department, received his teaching instruction at the University of California and was secured for Santa Barbara State from Washington State college.

Dr. Walter Peirce, new French instructor, received his A.B. at Ohio Wesleyan college, his M.A. at University of Michigan, and his Ph.D. at Johns Hopkins. He has taught at the Case School of Applied Science in Cleveland, the University of Indiana, Yale University, Williams college. He acted as attache to General Pershing in the capacity of translation and printing advisor. He was also chief translator to the American Delegation to Peace Conference at Paris, with the League of Nations in London, and with the Reparation Commission in Paris from 1920-28.

## Frosh Steal Show at Cal Tech Game

The well known freshman banner bearing the numeral '40 occupied the center of the stage during the half at the Cal Tech football game Friday.

During the first half of the game, the flag waved aloft from an electric light pole near the bleachers; during the second half it had disappeared.

Don Roland, of the Sophomore Squires, had ascended the heights and brought it down.

Although the Sophomores were badly outnumbered, the Freshmen did not regain control of the banner, except a few tattered remains. However rumor says that the City Fire department was willing to put it on the highest wire, but Miss Helen Sweet intervened to the immense relief of the Sophs.

## Jacobs Speaks on Conference at Occidental

Freshman Participation in  
Athletics was Subject  
for Discussion

"Freshman participation in Athletics," was the chief topic of discussion at the Southern Conference of Faculty Representatives of Athletics last Saturday in the Men's lounge at Occidental college. Dr. Charles L. Jacobs, dean of upper division men, and Mr. Harrington Wells, professor of biological sciences, represented Santa Barbara State college.

The chief subject of discussion was the need of standards for determining who may represent the various schools on their various freshman teams. Each of the schools has been asked to set up such standards. State's faculty athletic committee composed of Dr. Jacobs, chairman, "Pop" Wells, secretary, and Mr. E. E. Ericson are planning to attack that problem at once and report their proposals.

"Representatives are requested to state at the next meeting what each school committee proposes to do in regards to figuring some way to determine standards of determining who may and may not be permitted to participate," states Dr. Jacobs.

## Relations Committee Organizes at State

"The Inter-Relations committee was formed last year to better relations between the local high school and the college after the burning of the Frosh bonfire. The same work is to be continued this year with a special plan of exchanging programs of entertainment," was the statement of President Denny McArthur after the preliminary meeting of the Inter-Relations committee held in Dean Jacobs' office Wednesday.

The entire list of members includes the following: from the college, Denny McArthur, student body president; Petie McKinney, editor of El Gaucho; Harry Sloan, yell leader; David Jones, Frosh president; and John Twaddell, Block "S" president; and from the high school, John Armitage, student body president; Tom Warton, editor of the Forge; Jim O'Brien, yell leader; Frank Linane, welfare chairman; and Dorothy Ann Myers, vice president. Dean Charles L. Jacobs and Vice Principal L. L. Bowman will serve as advisors.

## Pat Ireland

Ellen "Pat" Ireland, social chairman for the A.W.S., who will supervise all arrangements for the treasure hunt and dinner to be held Friday on the campus.

## A.W.S. Honors 'Frosh' Women

Pat Ireland Supervises All  
Arrangements; Service  
Group Initiates

Honoring and initiating new Freshmen women at State college, the A.W.S. will stage a treasure hunt and dinner on the campus Friday, October 2. Those attending the event will meet in the gymnasium at 4:30 p.m. for the treasure hunt.

Arrangements for the affair will be under the direction of Pat Ireland, social chairman of the A.W.S. Las Espuelas, sophomore service organization, has charge of initiation plans. Jo Denman president of the group asks all Frosh women to bring their safety pins.

Tickets for the affair may be purchased in the main office or from any member of the A.W.S. board for 25 cents. Board members are Ann Seymour, Pat Ireland, Frances Hoelscher, Gretalie Fitzgerald, Jo Denman, Nancy Clapp, Miriam Turton, and Norman Bassi.

This party replaces the Backward party held for the past few years on the campus, and will end at eight o'clock.

## The Bystander Observes

By KENTON CAMP

"GREED AND ENVY ARE  
MODERN MAN'S BASIC FAULTS"  
COUGHLIN RAVES

Father Coughlin claims that the U. S. will have to face two roads in 1940: one Fascism, the other Communism. He favors the Fascist form over the Communist and will ask the people to lay aside ballots for bullets if a Communist form is elected. President Roosevelt was denounced an anti-God, and accused of not knowing or understanding Communism but of being a willing follower.

### WORLD FINANCE

France in harmony with its monetary agreement with Great Britain and the U. S. will devalue the Franc. The aim of the agreement is to achieve stability of international economic relations. Premier Blum is prepared to demand the passage of a sixteen-point program calling for: devaluation of the Franc by a third, virtual nationalization of gold, stiff regulation of foreign exchange operations, compensation for investors in government bonds, and measures to hold down the cost of living. The Communist wing of the Chamber of Deputies has lined itself up behind Premier Blum; the chief op-

## Rat Fish Comes to Grace Lab Exhibit

"Pop" Wells is proud of the fact that a very rare specimen has found its way into the laboratory. This is the "Rat Fish" or Chimaera as known to the scientifically minded.

This specimen, found rarely from Alaska to Santa Barbara, was caught in deep water off the Channel Islands and was brought to Mr. Rust of the I. E. department who notified the biology department.

The "Rat Fish" is an evolutionary link between the shark and the fishes, having but one gill on each side just in front of the pectoral fins. The teeth are united into a bony plate much like false teeth. We neglected to ask if they are removed at night.

## I.E. Graduates Succeed After Leaving State

Twenty-Eight out of Thirty  
Graduates Have Found  
New Positions

"While reports of placements of last year's graduates are in vogue," says Mr. E. E. Ericson, head of the Industrial Education department, "the record of this department should deserve attention."

With 30 degree graduates in industrial education in June and August, of this year, 28 are now in teaching positions and one has gone to the National School in Los Angeles to study engineering.

"This record reminds us of the golden days previous to 1929 when our boys often carried two or more contracts ready to be signed," says Mr. Ericson, "and from present indications it seems certain that we shall fall short of filling the vacancies which will come our way within the next few years."

The Hawaiian Islands accepted two of these graduates, Wilbur Gilliland and Robert Main. Lyman Goldsmith, Douglas Tolin, and Allan Crews went to Los Angeles schools after competing with nearly 75 industrial arts teachers who took an examination. Clyde Campbell is teaching in Ventura high school, Richard David in Burbank, Durant Moseley in Daly City high school, Leo Pauly in Compton junior high school and Zerrel Pilgreen has recently been employed in the Santa Barbara junior high school.

## Program Changes Due October 3rd

Jane Miller Abraham, college registrar, announced today that all changes of programs by petition must be in her office by October 3.

Mrs. Abraham stated that an important regulation for all students to know is that any subject dropped irregularly automatically becomes a failure.

In order to clarify the rules concerning withdrawal from college and the dropping of classes, the following is summarized from the college circular on information and announcements. Students with drawing from a class or from college must notify the deans and follow this procedure.

A student may petition to change his program without penalty during the first three weeks. A withdrawal from class after the third week of the semester except for reasons beyond the student's control is interpreted as a failure in the course. However, should he be allowed to drop before the last three weeks of the semester, he will receive a W or F depending on whether or not he was doing passing work at the time of withdrawal.

## Rush Event Starts With Open House

Beta Sigma Chi Opens Season  
with Forty-Five Rushees  
in Attendance

OTHERS FOLLOW SUIT

Paul Jones Must Okeh Lists  
Before Choice of Frats  
Is Signified

Opening fraternity rushing season for the year, members of Beta Sigma Chi, social fraternity, were hosts to 45 rushees last night at the organization house on Cheltenham Road.

Thursday evening of this week, Sigma Alpha Kappa will honor rushees, with the Tau Omegas following suit on October 5. Rush dinners will be held on October 10 and formal pledging on October 12.

Under a new ruling of the Interfraternity council, approved pledge lists will be turned into Paul Jones, administrator of fraternities and assistant to Dean William Ashworth, at the beginning of each semester.

The administrator will incorporate pledge lists into one approved list and return a copy to each group which will issue invitations to rush events from the lists furnished. After the formal dinner, the list of prospective pledges will be turned into the Dean's office.

The prospective pledges will specify in writing his fraternity preferences, first, second and third choice. He will then be informed of offers of pledgeship only in his order of choice, no mention being made of any other bid he may have received. The pledge will then receive an acceptance slip which he will be asked to present to the fraternity at the next meeting.

Prospective pledges present were Dave Rumbaugh, Keaster Hale, Blanton Clark, Robert Bowen, Clair Busby, Marcellus Jones, Norman Phillips, James Talbot, Paul Shumway, Bob Wilms, John Twaddell, Edmond Weld, Malcom Woodhead, Allen Frick, Jim Benton, Francis Burke, Richard Chatten, Kenneth Bruce, Bill Cahill, Corley Clark, Ron Crery, Elden Crother, Elma Evans, Vernon Findwall, Eldon Gilkerson, Allen Gwinnett, Harry Kanode, Raymond Kisell, Fred

(Continued on Page 2, Column 4)

## Alpha Phi Gammas Hold First Campus Conclave of Year

Meeting for the first time this year, Alpha Phi Gamma, national honorary journalistic fraternity, will hold its first conclave at the home of Bill Hoyt, president of the organization tonight at 1111 Nopal street.

The purpose of the meeting is to elect a new bailiff to fill the vacancy left by Nat Hales, assistant editor of El Gaucho who has gone to Lafayette. The members will also discuss new pledges to the fraternity.

Bill Hoyt will head the group as prexy, with Petie McKinney as first vice president. Irene Minikin will act as second vice president, and Dorothy Hornor as secretary-treasurer.

## Welfare Head Again Cites Public Pests

Publication of local "public enemies" continues as welfare committee again cites traffic violators:

Standing Room Only

As the gates of Pershing Park were thrown open last Friday for the State-Cal Tech football game, students were privileged to witness one of the largest crowds ever to turn out for the first game of our college season.

Student ticket salesmen were forced to sell by flashlight power before the lights were turned on, to take care of those assembled at six-thirty, one hour and a half before the kick-off. As the first quarter started, rooting sections, reserved sections and general divisions were filled to capacity. Unbelievably soon, persons were demanding entrance though faced with "standing room only" for the remainder of the game.

As conference teams have consented to compete in the Park in spite of the lack of the customary turf field, should State not attempt to establish seating arrangements which could comfortably accommodate townspeople and students from whom State expects moral and financial support?

With the addition of 500 new bleachers, to express a plea for more seems futile and unnecessary. However, it seems advisable to look into the near future which brings closer the first conference game with Redlands. As the season progresses and the Gauchos continue in their highly predicted and expected path of victory, it would be profitable to investigate and remedy the inadequate seating situation which now exists.

Carelessness or Cleanliness

In the earliest stages of student education, an idea of cleanliness of environment has been emphasized time and again.

From the appearance of our campus, it seems necessary to remind those attending the institution that upon entrance to the college they were faced with neatness and cleanliness at every turn. Now in spite of occasional remonstrances, not to mention a belief in a small degree of common sense, the campus is littered with papers and trash of every sort. Candy bar wrappers are the most common offenders. Near the Co-op store each day accumulates a large degree of cellophane, tin-foil and other rubbish.

Papers of every size are left with careless abandon on the gymnasium lawn, around the steps of the administration building and along the parking rows. Perhaps the welfare committee should take the situation in hand and superimpose a police force upon the students, one similar to the "Guard" system practiced in the elementary school system.

Surely such policing is not necessary. While you are in college, the campus is your home. Students, use your own initiative. Do not rely upon reminders of the professors. This is your campus. Keep it clean.

Hands-Off Policy

Student cooperation and consideration is asked with regard to the equipment on the stage and in the auditorium.

Care in the operation of desk arms and in the drawing of window curtains is essential. The room is usually set for the use of a specified group. Do not interfere with plans of the faculty. It is a privilege to use the large assembly hall, a fact to be realized by the students.—A.R.

CAMPUS CALENDAR

Tuesday, September 29—Class meetings, 2nd hour; Home Ec. dinner, Ebbets Hall; Pi Sigma Chi; Orchestra, 7-9.  
Wednesday, September 30—A.W.S. Board meeting 6; Band.  
Thursday, October 1—Student council.  
Friday, October 2—A.W.S. Frosh initiation; Frosh vs. Bakersfield, there.  
Saturday, October 3—Gauchos vs. Arizona State, there.  
Sunday, October 4—Nothing scheduled.  
Monday, October 5—Pu Ko How; Gnome Club; Frat meetings.  
Tuesday, October 6—Delta Phi Epsilon; K. P. department, 7:30; Orchestra, 7-9.

Radio Ranglings

Harry Richman is scheduled to appear on Ken Murray's program tonight. He was on last week telling of his flight over the Atlantic. The program, by the way, will come on at 8:30 p.m. instead of 7:30 as daylight saving is out again.

Your younger brothers and sisters, or, maybe some of the pupils of the practice teachers, might be interested in a program called the "Treasure Adventures of Jack Masters," a new boyhood adventures series. It is heard from 2:30 to 2:45 on Mondays, Wednesdays, and Fridays over Columbia.

Andre Kostelanetz has been awarded Radio Stars Magazine medal for distinguished service to radio for the second time. The presentation of the medal was made by George T. Delacorte, publisher of the magazine. This popular leader certainly deserves a lot for the pleasure he gives his listeners.

Here's a keyhole peek at Antonio Modarelli, conductor of the Pittsburgh Symphony which is heard on "The Music You Love" program on Sundays over Columbia. Born in Braddock, Pennsylvania . . . father wanted him to be a doctor . . . locked himself in room to practice . . . parents were convinced of his talent by traveling salesman . . . then sent to Dana Musical Institute in Ohio . . . then studied in New York with Ernest Hutcheson . . . wrote first important compositions in Germany . . . studied for five years with Hugo Kaun in Berlin . . . world premiere of his Suite for Orchestra in F Major at Rostock in 1923 . . . does not speak Italian in spite of parentage, but talks German like a German . . . returned to America in 1930 for a musical career in Hollywood . . . is 5 feet, 10 inches tall . . . has dark brown hair and eyes.

Nutty Notes

By BOB GAMAGE

In spite of threats of mayhem, decapitation and rearrangement of the upper maxillary, the vole of the Music department babbles on. Congratulations to the Band! With only two rehearsals under their belts the fellows have hit their midseason form. Their work at the rally and the game was swell. Eddie Cole deserves a great deal of credit for his suggestion of rehearsals twice a week, and the pep that he is putting into his work.

An now, my fine feathered friends, for the scoop of the year. The Women's Glee club is furnishing the music for the Passion Play that is to be given in Will Rogers Bowl. The music includes Bach

Long Shots

By LONGIE

Some people did have nerve enough to "commit crimes" over the week end, and now I know so I'll pass it on to you.

Received a note last Friday morning from the Freshman girls from the local "Hi," and here 'tis:

Longie: Nothing is the matter with you but your ugly pan. You call yourself on upper-classman. What's the matter, can't you get around any more in you "Anacapa Bus?"

The Freshman Girls from the Local "Hi."

To the Freshman girls from the local "Hi":

I have always been under the impression that only worms and things that crawl write anonymous notes.

Longie.

Now to continue.

Noticed that Barney Swanson was mighty "choosy" after the game Friday nite . . . Sherm Logan sorta took Ann away from our friend Ian, who was up from U.C.L.A. for the week end. Maybe he's trying to repeat "Sherman's March to the Sea-mour" . . . I'm wondering why Bobby Dorn is eyeing the Co-eds so lately. Could it be that artists aren't his meat.

"Tip" Willis certainly looked pale on meeting "Spud" in a downtown nite spot way after football men's hours . . . Bobby Sharp should take it easy on the fights. Jack Kitchen is much too good looking to run loose even one nite . . . Our Boy "Howie" Yeager is once again wearing Shirley's bracelet. Don't worry "freshies," she's down south . . . How come Doris DeAy drives Francis Burke's car all the time? Thot he was married.

Nice looking "two-somes."

Tiny Garman and Jack Smith . . . Shires Erhardt and Helen Rod-dick (she comes up from L.A. just to see him) . . . Buppy Moore and Irene Minikin . . . Denny McArthur and Ruth Hooker . . . Jean McArthur and Gikerson . . . Perfie Riparetti and Pauline Prevedello.

Sandy's going around with another Blonde, Lois Shepley. Didn't he get enough of "Blonde Dizzies" last year.

That's all for now . . . see you Friday.

## Peagreeners Drop Game to Mira Monte JC

Frosh Outplayed for Three Periods, Northerners Have Stars

### FROSH CLICK IN FOURTH

Warm Up Team Proves to Be too Good for Local Freshmen

Playing before a crowd of about 45 people the frosh team of '40 went down to an unexpected defeat at the hands of Mira-Monte J.C. Saturday at the short end of a 23 to 0 score.

Supposedly a warm up game for the frosh the Atascaderans proved themselves too hot for the Gauchos to handle. Preseting a line up that included many ineligible players from U.C.L.A. and eight all-city players from Los Angeles high schools the northerners had the game well in hand in all but the last quarter of the game.

The Peagreeners got off to a slow start and fumbled, not being able to make their plays work. Fumbling was frequent and blocking and tackling was poor.

The freshmen improved greatly in the last quarter putting the ball in scoring position twice, but they couldn't get up enough steam to push it across the final white line.

The entire squad saw action with the exception of Johnny Echinique who had an injured back. Stan Rossi acted as captain for the day.

Next week in what will probably be their toughest game of the season the peagreeners journey to play Bakersfield J.C.

Saturday's starting line up for the Frosh was:

Right-end	Coffey
Right-tackle	Grey
Right-guard	Duncan
Center	S. Rossi
Left-guard	Velos
Left-tackle	Valenzuela
Left-end	Nicolletti
Quarterback	Hoffman
Right-halfback	Jessup
Left-halfback	McArthur
Forward	Bailey

## Con Las Amazonas

By BETTY CLARK

### CON LAS AMAZONAS

For the first time in the history of the Women's Athletic Association, a handbook will be distributed in two weeks to all women of the State college. Miss Rena Sacconaghi is the chairman of the committee to put out this book. The handbook will give information regarding the requirement for becoming a member of the W.A.A., number of points required for the rewards in athletic achievements and other points of interest.

The regular meeting of the W.A.A. board was held last Thursday evening, at the home of Miss Nancy Clapp, president. After a pot-luck supper, a discussion on the handbook to be put out soon, and plans for a Recreation Night to be held in the near future took place. Further details on the Recreation Night will be found in the Friday's edition of "El Gaucho."

**GAMMA DELT ABROAD**  
Helen Andrews, Gamma Delta Chi, will leave soon for a trip abroad with her parents.

## Divot Diggers Prepare Class

Alistair Anderson Will Be Instructor for Golfers

Questions have been asked about the proposed golf class, which will be given this semester. The class will consist of the general history of golf and a careful study of the tactics of the game.

There will be a lecture section probably given in the morning hours and afternoon class either on the golf course, or the practice field for individual instruction.

The class is open to new and experienced players alike including women. Equipment is not required but if possible it would be better. In regards to the number of units given, if the student so desires a Saturday class will be arranged for those who wish to to secure a full unit in the work, otherwise a half unit will be given.

The instructor will be Alistair Anderson, who has played the game for many years and has given instructions in the game before. It will be under the supervision of Mr. Hal Davis, director of athletics of the college.

## SWANSON MAKES DEBUT AS BALL CARRYING ACE

By ESTELLE STRAY

After witnessing Bernard Swanson make two spectacular touchdowns in the Cal Tech game Friday night, only to have them nullified because of fouls committed by the Gaucho team, a great many people would probably like to know more about this modest star. He is comparatively new to the Gaucho varsity although he was a member of the Freshman team in 1934. Last year Barney was prohibited from donating his services to Coach "Spud" Harder's grid team because of a job during practice hours. Near the end of the season, however, Swanson did report and played in the last few games. In the last game he received a knee injury which threatened to lay him up for quite a while, but it isn't bothering him anymore, and will probably hold out through the season.

"Galloping Ghost" Swanson is a veteran at the game of football. When only a little kid he used to fill in his Saturday afternoons by playing on a makeshift gridiron on the corner lot. Later, at Muir Tech high school in Pasadena he went out for football and played there four years. At that time the backfield took possession of him, and although he usually stuck to the position of halfback, he had a try at all the backfield spots.

Freshman Coach "Bud" Cummings took charge of Barney in 1934 and molded him into a full fledged fullback. He started during his freshman year at State along with Morelli, Yeager, and others.

This year Harder has tried Swanson out as quarterback, and by his performance in Friday night's game he has proved that he can handle it. As a result of his outstanding playing he looks like a serious threat to all opposing teams this year.

## Spikesters Prep for Big Time on Cinders During '37 Season

Outstanding Track Stars of Southern California Enrolled at State

With a wealth of varsity and frosh material greeting Coach Nick Carter, the track team of 1937 seems assured to be a strong one. Nick however was forced to admit that there was a scarcity of distance men.

Cross country has been started and the glaring weakness in the distance events has been brought out in the first week of practice. All men interested in running the three mile for the frosh or the four mile race for the varsity during the fall season should report out to Carter at four o'clock at Phelps Field. There are five places open on both the Varsity and Frosh team.

Despite the lack of first class distance runners, there are plenty of stars returning from last year's team, a couple of good freshmen coming up and a wealth of junior college transfers to bolster the Gaucho squad. The brightest object out there in short pants is the indication of a strong freshman team, with several C.I.F. champions in various events.

Leading the contenders for a place on the green and white varsity will be Ray Stalmack captain of last year's Compton J.C. team. Ray has run the high hurdles in 15.2s and the lows in 24s. has toured the distance in 50.8s Al Young, a weight man, and the Benton brothers in the high jump and hurdles will also add strength to the Gaucho cause.

The freshmen will probably present one of the strongest first year teams in this section of the country. At the head of them is George Grey from Woodrow Wilson high school, the state champion in the 440 with a mark of 49.9s. Harold Fortress from Santa Paula high school, Southern California champion in the high hurdles, second in the low hurdles and a place winner in the broad jump. Harold's times are 15.4 in the highs, 24.4 in the lows and 23 ft. 6 in. in the broad jump. Bill McArthur another Woodrow Wilson boy is a 10 flat man in the 100. Elmo Callis from Nordhoff is a 23 ft. broad jumper. Joe Berrato from Pittsburg and Bill Jessup from Lindsay are two men who have run under two minutes in the 880. Dal Porto of Santa Maria high school and Southern California champion in the shot put, with a mark of 54 ft. 6 1/2 in. Dal Porto lost the state crown by one eighth of an inch. Ulrich, a 12 foot vaulter from Pittsburg, and Housman, a six foot high complete the list of stars to wear the green and white at State.

## ROSS LAMOREAUX TO BEGIN CLASS IN FENCING SOON

Initiating a new sport on the Gaucho campus Ross Lamoreux has obtained four foils and four masks in order to start a fencing course.

Lamoreux has had quite a lot of experience in fencing and is now teaching a course at the local Y.M.C.A. He has stated that women as well as men will be eligible to sign up. One credit will be offered.

No charge will be placed upon the first four to sign up, but if more than that number sign for the course the students will have to furnish their own equipment. Classes will be held at the college and at the Y.M.C.A. Two people have already expressed their intentions of taking the course.

## Forrest Gardenhire

Forrest Gardenhire, above reserve Gaucho fullback playing in his first varsity game made one run of 52 yards for a touchdown. The youngster was outstanding in his line plunging and in passing. With a little more experience he should make up for the aerial weakness of the Gauchos.

## Passing in Review

By TED JOHAM

Well after that season opener there should be plenty to talk about, but before I begin I want to call attention to the fact that we beat Cal Tech by two touchdowns more than Loyola did. Loyola beat Redlands by three touchdowns, which should make us five touchdowns better than Redlands. However before you believe everything I tell you, remember Loyola had an old score to settle with the Bulldogs. Which reminds us of the last few minutes of play in last year's game with Redlands, I hope that a few of the veterans from that game haven't forgotten.

Barney Swanson almost covered himself with glory Friday night with two of the most spectacular runs of the evening. It was of course no discredit to Barney that they were called back.

One of my pet theories was proven last Friday night. This belief is that people who claim that they like a game that is 0 to 0 or any other close score are generally buggy or (nuts to you), because with the score 25 to 0 in favor Harder put in what was his third string and Cal Tech managed to score. Right away the fans were yelling to "Spud" to put back his first stringers in order to save the game. "Spud" was right in keeping his reserves in the game and they were doing alright.

David Westaway

## Staters Score Tops in Season Opening Game

Engineers Unable to Cope with Superior Strength of Gaucho Team

### 3,500 WITNESS OPENER

Morelli Accounts for Three Scores, Yeager Gets Two, Gardenhire One

Opening their season by trampling Cal Tech under a 37 to 6 score, Los Gauchos of Santa Barbara State gave notice to the rest of the conference that they have definitely arrived as a contender for conference honors.

Taking the field determined to outshine the performance of Loyola a week ago the Hilltoppers pushed across two touchdowns in the first five minutes of play to lead 13 to 0. The Gauchos added another touchdown in the first quarter, one in the second period and two in the final frame. The first team scored almost at will, and the second stringers were about two touchdowns better but the game became quite even with the third string against the Engineers.

Cal Tech won the toss and elected to receive the kickoff. A fumble on the return was recovered by Oldershaw on the Tech 22 yard line. The boys in green fooled around taking two first downs to make 4 yards, when Sanderson blasted through for a nine yard gain to place the ball on about the six yard line, from here Yeager went over on the first play. Sanderson's attempt to convert was blocked. The second touchdown came as a result of a coffin corner quick kick of Sanderson, Tech was forced to punt on their first down and Morelli returned it to the Engineers 27 yard line. Sanderson made 19 yards to make it first and 10 on the eight yard line. Morelli took the ball on a reverse around end and scored standing up. "Sandy's" kick was good and the score was 13 to 0.

Again in the first stanza the Gauchos were down on their way to pay dirt when a quaint bit of officiating gave the Technicians the ball on their own 20 on a touch-back.

### Gauchos Score Again

Another intercepted pass put the ball in the Gauchos possession on the Tech 33 yard line. Several plays later Morelli carried it over from the 15 to score his second touchdown. A Southern drive was stopped when Barney Swanson intercepted a pass and ran 65 yards to score. The run was called back and the points not allowed because of a clipping penalty. However a few minutes later "Little Box" Morelli returned a punt 55 yards for six more points. The half ended with the score 25 to 0.

Cal Tech scored early in the third quarter as a result of an 83 yard drive down the field.

## Alpha Thetas to Hold Party

**Plans Made for Homecoming Dillehunt Named Head; Warner Initiated**

Evelyn Warner, pledge of Alpha Theta Chi, was formally initiated into the chapter at a meeting held at Barbara Sharp's residence 115 E. Mission street.

During the meeting, final plans for the first social function were made. Cecile Dillehunt, social chairman will be in charge. Committees were appointed to further preparations for the homecoming game.

Those present were Bettie Walker, president; Alice Lamb, Tiny Garman, Petie McKinney, Ann Seymour, Cecile Dillehunt, Dede Biller, Barbara Sharp, Madge Bunch, Phyllis La Source, Myrna Jullien, Catherine Westaway, Alice Halferty, Margaret Duncan and Stella Mae Smith.

### SORORITY ENTERTAINS

Members of Tau Gamma Sigma held a pot luck supper preceding the Cal Tech game Friday night at the home of Frances Hoelscher, president. Members attending were Charlotte Naess, Alice Hoelscher, Blanche Hillman, Jean McArthur, Jo Denman, Shirley Moore, Louise Jackson, Jeanette Banks, Betty Townsend and Jane Goslin.

## Beta Sigs Entertain Horde of Students After Friday Game

In honor of both State college and Cal Tech football teams, Beta Sigma Chi, social fraternity, held open house after the game last Friday night in the frat house on Cheltenham Road.

Approximately 250 students were welcomed by Roland Carter, president, and the open house committee headed by Bill Russell. Other members of the committee were Lansing Stewart, Jack Kitchen, Yale Lorden and Harvey Hoffman.

Guests danced on the balcony and were served doughnuts and punch.

## The BY-STANDER

(Continued from Page One)

position is expected from the right and center parties of the Chamber. The Communist vote may be enough to save the government and put across its policies.

Switzerland went off the gold standard and moved to devalue her currency in proportion to the new value of the French franc.

Holland imposed a gold embargo and will change its monetary policy.

Belgium pledged to join the stabilization movement by regulating its currency in ratio to the French franc, the American dollar and the British pound.

What course Germany and Italy will take is uncertain. However, the Italian lire is already devalued

## Wedding Bells

Alice Hilgren, former home economics student, and Edgar "Tiger" Kerrigan, class of '33, will be married Thursday, October 1, in the Wee Church of the Heather in Hollywood. Arline Tweedy, also a former student at State, will be one of her bridesmaids.

Verna Wilber, junior, and Don Fisher, graduating senior, were married last Saturday, September 26, in the Methodist Episcopal church in Ventura. Maurine Fisher, '36, was maid of honor, and Forest Wagner served as best man. The bride wore her mother's wedding gown of white satin, and Miss Fisher was attired in turquoise blue.

A reception was given for 35 guests at the home of Mrs. O. E. Hall on Grand Avenue. Both the bride and groom will continue their education.

Ellis Ashurst and Marie Johnston, who attended State last year, were married in the south last week.

## Bakersfield Jaysee to Entertain Frosh

Members of the Santa Barbara State college freshman football squad will be honored guests at an informal dance given in the gymnasium of Bakersfield Junior college, immediately following their game with Bakersfield Junior college at Bakersfield. All student body members are cordially invited to attend.

A large number of students will be expected to turn out for the freshman game as the varsity game is out of state. This added feature and good will expression was extended by June Reynolds, president of the Associated Women students of Bakersfield Junior college.

### POND SPEAKS

Miss Elsie Pond, head of the junior high department, was the speaker at a Parent-Teachers association meeting in Lompoc Monday night. "Newer Trends in Appreciation" was the lecture topic.

## Alumnae President Entertains Delta Zetes At Bridge Supper

### Olympic Exhibition Receives Unusual Student Attention

Catching the eyes of passing students, the Olympic Games exhibit, loaned to the library by Mrs. Margaret Bennett, has aroused a great deal of interest. The excellent photographs and unusual snapshots are the main attractions in the showcase.

Jesse Owens is shown in action during a heat of the 200 meter dash in which he set a new world's record of 20.7 seconds. Glen Morris, decathlon winner, is standing with his fellow countrymen, Clark and Parker, who took second and third places.

Something new in Olympic activities was the glider contest held on the airfield near Berlin. A large picture shows the gliders on the field.

The stadium, reported to be the largest and finest in the world, is an extraordinary structure. There are three views of it in the exhibit. One picture shows the stadium during the games with a full crowd in the stands and a large group of athletes participating in a ceremony on the oval.

Of the snapshots the most interesting were those of the arrival of the sacred flame from Greece and of the awarding of the laurels to the winners.

A short history of the Olympic Games in modern times is given in a small book also in the exhibit. The revival of the ancient games brought about the First Olympiad held in Athens in 1896 to establish connection with the ancient games. These games, or festivals as they have sometimes been called, have not been restricted to athletic competition alone but have also included art competition. Honors have been given for achievement in aviation, mountain climbing and in hunting.

### Plan to Celebrate Founding by Dinner-Dance on Anniversary

Active and alumnae chapters of Delta Zeta Delta sorority were entertained with a bridge supper by Mrs. John T. Porter, alumnae president at her home on Alameda Padre Serra last evening. Joint meetings of both groups will be held monthly throughout the college year.

To celebrate the 12th anniversary of the founding of the group, a dinner-dance will be given on October 10 by the alumnae group. A tea will be held that afternoon honoring out-of-town alumnae.

Five Delta Zetes who were on the campus last spring are now attending college elsewhere. Marjorie Nielson is at U.C.L.A., where she has been pledged to Tri-delt; Margaret McKee is at University of Iowa where she is a member of Kappa Alpha Theta; Connie Allen is at U.C.L.A.; Jean Townsend is at Sawyer Business college; and Helen Holt is at Woodbury's.

Six members of Delta Zeta Delta sorority who graduated last Spring are now teaching in various parts of the state. Lita Boeseke is holding forth at San Julien Ranch while Ruth Hilty and Lillian Cook secured positions in the city schools of Santa Barbara. Mary Lee Townsend is in Fillmore and Miriam Alexander in Ontario. Ellen Roe is in Imperial county.

### 400 STUDENTS DANCE

Approximately 400 students attended the "Get-Acquainted" dance at Rockwood last Saturday evening. This far surpasses attendance at the first student body dance last year, it was reported. Guests danced to the music of James Campiglia and his orchestra. The dance was featured by the usual "stag line."
