

# SF STATE RATED OVER GAUCHOS

## Permenter, Crawford Out; 10,000 To Jam La Playa

by Jerry Robbins, Sports Editor

Homecoming fans, Gaucho students and local spectators will fill La Playa Stadium to full 10,000 capacity tomorrow evening when UCSB hosts favored San Francisco State for its traditional celebrated Homecoming and non-conference tussel. Kickoff is at 8 p.m.

Gaucho followers will witness the spectacle with these questions upper-most in their minds: 1) Can Santa Barbara maintain its fine homecoming record which includes eight wins in its last nine games? 2) How much will the loss of fullback Ned Permenter and quarterback John Crawford affect the team? and 3) Will there be a fourth-quarter letdown on UCSB's part?

### Gators Seek Revenge

The San Francisco Gators bring an impressive four win, one loss record to Santa Barbara with hopes of reversing the 20-6 defeat the Gauchos handed them in UCSB's Homecoming of 1952. (For past Homecoming games see Page 7).

To date Coach Joe Verducci's Gators have humbled Cal Poly (Pomona) 20-18, squeezed by Occidental 25-16, whipped Nevada 18-6, and lost by a one-point margin to Humboldt State, 13-12.

In their opener San Francisco downed Long Beach State, 14-0, which in contrast to UCSB's 12-7 loss to the 49ers makes them a pre-game favorite for this tilt.

### Gauchos' Faults Might Hurt

Two factors are evident in the Gauchos playing that could have ruinous affects in this homecoming. Coach Ed Cody's gridiron crew has trouble jelling into a unit in the first quarter, and on two occasions have fallen apart in the last few minutes of the fourth quarter.

Both Gaucho losses have resulted from this lapse in the final minutes of play. Last weekend Long Beach scored their 12 points with three minutes left in the game, and Whittier likewise threw its TD winning pass in the final moments.

These factors coupled with the loss of Permenter, the team's leading rusher and Crawford, injured in the Long Beach game, further establishes the Gauchos as underdogs.

Versatile Jack Lyon and guard-fullback Walt Townshend are expected to see action in the full slot with Jim St. Clair receiving the nod to quarterback the team. Fred Standifer takes the starting role at the left halfback position while Dennis Vaughn should be called on for added support. The reliable Duke Ellington will start at his customary right half spot.

### Hilderbrandt to Start

In the line, left end Gary Hilderbrandt, a sophomore, has earned starting honors and will be balanced at the other end by Benny Dyas. At tackles will be Don Rodriguez and Ray Schaack. Bolstering the middle of the line will be center Leon Schumaker with Preston Burton and Bob Lopez at his sides.

In past games with the Gators, UCSB holds the edge with a 3-1 record. Competition between the two colleges began in 1935 when UCSB won 12-0, and again the following year by a 37-7 score. 1952 saw the 20-6 Gaucho win and in 1953 San Francisco stunned Santa Barbara for their only series victory, 26-13.

The contest should prove to be as hard-fought as the past homecoming games have been with the enthused support on hand and with UCSB seeking to regain lost prestige from the Long Beach game.

## HAL McINTYRE BAND FEATURED IN BIG HOMECOMING DANCE AT ARMORY

by Sarah Filer  
Gaucho Reporter

Topping off the Gauchos' Homecoming week will be the annual Homecoming dance at the National Guard Armory tomorrow night after the game. Free to all Associated Students card holders, the dance features the Hal McIntyre orchestra.

McIntyre, saxophonist and band leader, has played with such top name bands as the Benny Goodman and Glenn Miller orchestras. It was Goodman who first "discovered" McIntyre and asked him to sit in with the Benny Goodman orchestra. Later, McIntyre joined the new Glenn Miller orchestra and was in on that band's big successes. In August of 1941 Glenn Miller suggested that McIntyre form his own group, and the Hal McIntyre orchestra was born.

### Glen Island Casino

First date for the new band was the Glen Island Casino, known as "the cradle of name bands." From the Casino have come Glen Grey, the Dorsey brothers, Glenn Miller, Claude Thornhill, Charlie Spivak and many others. McIntyre then played many other big-name dates, such as the Commodore

Hotel in New York, the Palladium, the Sherman Hotel in Chicago, Frank Dailey's Meadowbrook and the Paramount Theater on Broadway.

### Played For F.D.R.

The Hal McIntyre orchestra was selected to play at the President's Birthday Ball, which the late Franklin D. Roosevelt and Mrs. Roosevelt attended. The band had also toured Europe twice, once for the USO to enter-

continued on page two

HAL McINTYRE

### ALUMNI SECTION

Seats on the 50-yard line (Section F, first 25 rows) normally used for Gaucho rooters will be given to the alumni rooting section for tomorrow night's game, according to Graduate Manager Bob Lorden. The alumni traditionally holds this area at the Homecoming game. The area will be policed by the Alumni Association.

## GGR Finale Tonight; 10 Skits Compete

by Phyllis Fisher  
Gaucho Reporter

Tonight Galloping Gaucho Revue pounds across the UCSB stage for the second time as the Gauchos' impressions of art, history and society complete their two-day run.

Under the direction of Bruce Langshaw, emcees Mike Abraham and Steve Roland present 10 top variety acts depicting college life, attitudes and impressions. Show time is at 8 p.m. in the campus auditorium.

### Four Feminine Phases

Participating in the show are the Alpha Phis acting out "UCSB Coeds" with their impressions of the four typical girls found on campus: intellectual, Bohemian, athletic and party-time types. The Lambda Chi Alphas get in the act with "Miss Santa Barbara" as they do a takeoff on the contest, complete with eight "love-lies." The effect of college education on the life of a cannibal is described as the Sigma Phi Epsilons sing "I'm No Longer a People-Eater" in their act entitled "Reluctant Cannibal."

Kappa Sigma comes on stage with "Snow White and the Seven Pledges" and the Blue Key organization presents "Are You Psycho?", an outcome of those psych exams taken at the first of the semester. Kappa Alpha Theta panics the audience with "USB Annex" as they picture the new-to-be Student Union under water, including frogmen-type coeds, and Laurel Hall does a takeoff on Julius Caesar in the death scene in "Big Julie and the Brute."

### The '690' Blues

Guilty of the sins of listening to Mighty 690 and "beach-time-all-the-time" as a substitute for studying, Chi Omega tells the story of this common occurrence in "College Days Blues," while Delta Gammas do a parody of four famous paintings in "Festival of Arts."

Other features of tonight's show will be the presentation of the Homecoming Queen and her attendants and vocal entertainment including Galen Denning and his guitar, Silvia House, the SAE Quartet, and the Carnes twins, Linda and Judy. Awards for the best acts will be presented at tonight's show as the final close of GGR.

### Limited Seating

Tickets for the gala show are now on sale at the Graduate Manager's office cashier window or can be bought at the auditorium before show time. "We suggest that all those interested in attending this terrific show buy their tickets as soon as possible, as there is a limited amount of seats," commented Kathy Grant, general chairman of Homecoming. Tickets to GGR for UCSB students are 75c and for non-students \$1.25.

## Gala Parade Tomorrow

by Linda Carver  
Gaucho Reporter

This year's Homecoming Parade will be the longest in Gaucho history. Beginning at 2:15 p.m. Saturday, 30 floats from fraternities, sororities, residence halls, Tongs, Phrateres and IA Club will start their trek down State Street from Micheltorena.

They will pause a few moments in front of the Santa Barbara Museum of Art where the judges in the reviewing stand will make their last observations before selecting the winning floats. The winners will be chosen on the basis of their general impression, effectiveness of portrayal of the theme (Gauchos Salute Santa Barbara), cleverness and originality, craftsmanship, beauty and artistic appeal.

### 'Best Parade Yet'

"With 100 per cent co-operation from all participating organizations in the 1958 Homecoming Parade, we hope to make this the most outstanding parade yet," states Parade Chairman Shelly Shapiro. "It will be a token of our appreciation for all of the support Santa Barbara has given us."

### Salute Santa Barbara

All floats will be in position by noon, and the judges will circulate in the formation area for pre-judging, which will begin at 1 p.m. The judges will discover at this time that the Gauchos are saluting the courthouse, the road races, the Fiesta, the sea, the cultural development of Santa Barbara, the mission, the "Santa Barbarans" and (of course) the Gauchos.

Drivers of floats will meet at 1:30 p.m. at Arrellaga Street, where there will be set up an information booth.

When the floats reach Haley Street they will be routed in groups by parade marshals and police officers to La Playa Stadium, where they will be put on display for the big game.

## Noble Welcomes Grads To Campus

Once again we welcome the "old" grads and their growing families. As chief campus officer, I am delighted to be in a position to extend the official hand of greeting and to invite all of you to make full use of our campus during your stay with us. We can promise a good game, good entertainment, and, above all, an opportunity to learn about our present academic offerings and our plans for future curricular growth in both undergraduate and graduate areas.

Our status as the third largest campus of the University, and our enlarged perspectives for graduate programs render the outlook for UCSB a far cry indeed from that enjoyed by those of you who were undergraduates a year or more ago.

So renew your acquaintances with old friends, but pause long enough to give a thought to the academic spirit of the campus.

Elmer R. Noble  
Vice Chancellor

HER MAJESTY ELAINE NOBLE was selected by popular vote of the male students Wednesday and crowned by AS President Stan McGinley at the GGR last night. Miss Noble will present the GGR awards tonight, ride in the special Queen's Float tomorrow and present the float prizes at halftime tomorrow night. She will be assisted throughout her reign by Princesses Sheila Higbee, Barbara Frailey and Dagmar Cleavinger.

—Photo by Gilberts

## Homecoming Slate TIMETABLE

### Friday:

8:00—Galloping Gaucho Revue, UCSB Auditorium

11:00—Float construction, Santa Barbara

### Saturday:

2:15—Parade, State St., Santa Barbara

4:00—Rally, Santa Barbara Courthouse Sunken Garden

8:00—UCSB - San Francisco State, La Playa Stadium

11:00—Dance, National Guard Armory, Santa Barbara

## PRE-GAME RALLY FESTIVITIES SET

A pre-game rally will be given in the Sunken Garden behind the Santa Barbara County Courthouse just after the Homecoming Parade, it has been announced by Committee Chairman Henry Duke. The affair has been in the planning stages for two weeks by the committee—Ruth Owen, Henry Duke and Judy Owen—and will begin directly after the parade, at approximately 3:30 or 4 p.m.

Emceed by Steve Roland, the program will present the 1958 Colonel's Coeds as its highlight. In addition, there will be the presentation of two satire skits on the San Francisco Alligators and the introduction of their cheerleaders. Pom-pom girls also will be on hand to represent UCSB during the rally.

## Alums Returning to UCSB for Party, Breakfast, Tour; Will See Gaucho Revue

by Barbara Dahl  
Gaucho Reporter

Alumni will be visiting the UCSB campus tonight when they attend the annual Galloping Gaucho Revue and again tomorrow in a continuation of the Homecoming events. Festivities will begin tonight after the Revue with a Night Before cocktail party at the Carrillo Hotel at approximately 10 o'clock.

A free breakfast at the Student Union at 10 a.m. will start a busy Saturday for the grads. After the breakfast, conducted tours of the campus will be taken by any of the alumni interested in the great advances and developments made on this campus. The tours will be climaxed by a general meeting at 12 noon in the Student Union. At this meeting changes in the Alumni Constitution will be discussed.

Barbara Rush, honored alumna, will be the Grand Marshal of the Homecoming Parade, which will begin at 2 p.m.

A post-parade Happy Hour cocktail party will be held for the alumni at the Carrillo Hotel. The party will be followed by a smorgasbord dinner, also at the Carrillo Hotel. It will begin at 6 p.m.

At 8:15 the Gauchos will meet the San Francisco State Alligators on La Playa Field. A special section is reserved for the grads and all are urged to attend.

The Miramar Convention Hall will be the center of alumni activities when the grads attend the post-football dance being held there.

Traditional breakfasts for returning members of fraternities and sororities will be held on Sunday morning. The breakfasts will be the final events planned for this year's Homecoming weekend.

"We expect between 1200 and 1500 grads this year," stated E. L. Chalberg, alumni co-ordinator on campus. "Everything is in readiness for the alumni and we hope it will be the best Homecoming we have ever had."

## SCHOLASTIC SQUARES

**ULTRA-INTELLECTUALS** — One of the 10 GCR skits to reach the finals was "UCSB Coeds" by the Alpha Phi. The skit presents impressions of four typical gals on the S.B. campus—the intellectual, Bohemian, athletic and party-time types. The winner of the GCR show will be announced at halftime tomorrow night. The GCR finale will be in the auditorium tonight. Tickets are on sale in the Graduate Manager's office.

### COFFEE, DONUTS FOR FLOATMAKERS

This is going to be a long night for floatmakers. Into this night will come a ray of light. The Spurs will be selling coffee and do-nuts around each working area all night long.

Mum corsages emblazoned with UCSB will be on sale for \$ Leach. Orders may be placed with living group presidents. They will also be on sale at tomorrow night's Homecoming game.

The Spurs, who work as ushers and salesgirls, can be contacted for assistance in any activities by contacting Roz Rubidoux in Santa Rosa Hall seven days before the event.

### Letter From Mayor Welcomes Alumni

The 35th annual Alumni Homecoming of UCSB, with its months of preparation plans in high anticipation, is practically here.

With four sons of my own, and 16 grandchildren, I have always been an intimate part of the enthusiasm and excitement and the adventure of youth and know personally the meaning of Homecoming. To the students and alumni, as Mayor of the City of Santa Barbara, I bid a most cordial "welcome home" to the visiting alumni. Those of you who have not been back here for a number of years will find that Santa Barbara has grown a little. I am sure you will agree that one of the finest results of that growth is the beautiful campus of your Alma Mater, now University of California at Santa Barbara.

To you returning alumni, and to the students and faculty of UCSB, I extend to you personally and in behalf of the City of Santa Barbara sincere good wishes for a wonderful Homecoming and success and happiness in your future endeavor.

Floyd O. Bohnett  
Mayor of  
Santa Barbara

### NEW SEC-TREAS.

In the Oct. 22 runoff election Nancy Draper was voted into the office of Freshman Class secretary-treasurer with a majority of 62 votes out of the 105 ballots cast.

Miss Draper is a graduate of Hoover High School in Glendale, where she served as Girls' League treasurer and representative on class councils.

Here from Hollywood  
... Barbara Rush

### Movie Queen Alumna Is Grand Marshal

Riding at the head of tomorrow's Homecoming Parade will be Grand Marshal Barbara Rush.

Miss Rush is an alumna of UCSB and is currently under contract to Warner Brothers Studios in Burbank. While attending the University she was active in dramatics. Since leaving UCSB she has become a major actress.

Her most recent role in motion pictures was a co-starring role in "The Young Lions." Before that she had a role in "Magnificent Obsession." She is currently at work in a major role in "The Philadelphian."

### Spring Paper Gets 2nd Class Rating

The spring edition of the 1958 El Gaucho rated a second class award in the Associated Collegiate Press national ratings, it was announced by Ray Ward, last year's editor. The fall semester of 1957-58 the Gaucho was rated third class.

The Gaucho tallied 3,000 points, needing only 100 more to qualify for a first class rating. Gaucho editorials were rated perfect, as was the editorial page features and the front page makeup.

### HAL McINTYRE . . .

Continued from page one

tain GIs on the war front during World War II and again late in 1957 on a tour of Air Force bases.

RCA-Victor, Cosmo, M-G-M, RCA-Camden, Columbia and Decca are companies which have recorded the McIntyre sound.

UCSB students will be able to hear Hal McIntyre after the Homecoming game at approximately 10:30. The dance ends at 1:30 a.m. on an "extended hours" night, with the women's dorms open until 2:30 a.m.

Price for all non-AS card holders is 50 cents single or \$1 per couple. Dressy-sport is appropriate for this occasion.

"We hope to have a real good crowd," stated Janice Lord, AS social chairman, "as the dance is free this year to give students more for their AS cards."

## PAPER, PINS, PRAYER, PARADE, PRIZE — PHEW!

by Debby Freiden, Feature Reporter

"Hey, Jim! Shine that light over here. I can't tell if I'm working on a float or in a coal mine!"

"But Sally, we just can't be all out of blue crepe paper. Where will we get it at 2 in the morning?"

"Oh, NO! NOT again! Won't that globe ever stop caving in?"

"Hot coffee? Janet, you're a doll. I'm absolutely freezing to death!"

Homecoming . . . fast-moving, active . . . a time of excitement, spirit, enthusiasm, and organized confusion . . . that energetic feeling . . . the race against time to build a prize-winning float for the Homecoming parade.

Build a float? Sure, why not! Come on! Grab an old sweatshirt and a pair of jeans and let's go. It'll be a blast! It's quite a job to start from scratch with a diagram, a truck, some wood, crepe paper, and, with a bunch of eager kids, transform them by morning into a float following the theme "Salute to Santa Barbara."

Got plenty of co-operation and help! The fellas will build the wood construction if the gals help them with the crepe paper. But there's always a disagreement on methods of fastening the crepe paper onto the chicken wire . . . poke it in, tie it on, string it through (paste it?)

And those darned regulations! A limit of 60 feet? How can we build the California coast to scale in 60 feet? Problems. Problems.

Sleep? What's that? We've got a float to build! It's a long haul, and things look rather bleak around 4:30 a.m. when the dew begins to wilt the crepe paper, and the part on top of the cab has fallen off for the third time, and the kids almost fall asleep standing up. But everything looks brighter at sun-up after a quick break for breakfast.

Well, it's done, and it looks

great, and I'm pooped, and let's go get some sleep! Hey, look out! Don't touch it! It might look as strong as the Rock of Gibraltar, but it's held together with pins, thumbtacks and a prayer!

Parade time . . . and somehow all the trials and tribulations and building problems are forgotten as the floats pass in review. It's a hassle, camera in hand, trying to find a vantage spot near the curb in the shade among all the Santa Barbara residents who line State Street. An impressive sight . . . lots of surprises. Look! There's Kay on that float!

And the Big Game. Go Gauchos! Got your rooster cap and megaphone? Wouldn't miss being on the 50-yard line in the rooting section for anything! Terrific game and the half-time great, too. Listen to those squeals as the float winners are announced! Second half coming up. Let's go Big Team let's go!

Could've danced all night? Well, not with such a crowded dance floor! Can't remember having so much fun! Float building, the parade, the game, GGR . . . that's Homecoming . . . a highlight, a spirit . . . a memory.

### Women's Drill Team To March In Parade

The newly organized women's drill team for UCSB will make its first public appearance Saturday afternoon in the Homecoming parade. The precision marching group, which is composed to a great extent of freshmen, is led by Diane Doyle, also a freshman.

Uniforms bought by the group are bolero vest and skirts in blue felt with gold blouses, gloves and socks.

The team's program will include its appearance at the Cal Poly game at the end of the season and possibly at all UCSB games before that time.

## 'LOST WEEKEND' LOOMS...

Stack the books in a dark corner somewhere, UCSB students, and join the faculty, alumni and townspeople in the Homecoming festivities this weekend. The Queen ("Isn't she lovely.") and her three princesses ("Oh, how sweet.") appear tonight at GGR, which "pounds across the stage" for its last hilarious performance this year. Afterwards, lots of parties, no doubt, to help all get started on a high time. And for some the weekend will be more of a "lost weekend" and the real homecoming will be at those 8 o'clocks before the sun comes up Monday.

For those who have volunteered or been drafted into building floats Friday night and early Saturday morning, there will be a party of a different nature as they hurry to finish the garlanded vehicles. The Spurs ("Bless your hearts") will make the rounds of the building sites to serve coffee and doughnuts.

There's nothing else scheduled for the bleary-eyed Saturday morning, but that afternoon the longest parade in the history of UCSB Homecomings creeps its way up State beginning from 2:15 to about 2:45, depending on which end of the street you're standing.

Saturday evening at 8 there's a game. The Gauchos, "favored underdogs," according to Gaucho Sports Editor, meet the San Francisco State Gators. It should be a good skirmish since the Gauchos are still smarting from the good-night slaps they suffered at the hands of the Long Beach State squad in the closing minutes of last week's game.

After the game is over you can ogle the queen and her court and talk over the evening's play at the Homecoming Dance in the cozy Armory.

Optimistic members of the Junior class plan to escort the alumni around campus and feed them breakfast Saturday morning. Optimistic alumni also plan both celebration Friday night and breakfast Saturday morning. Pessimists suggest tomato juice. (In all seriousness, *El Gaucho* welcomes the grads back to the old treading grounds and hopes that the weekend will be as memorable as Homecomings of the past.)

A sincere word of appreciation and thanks is due to the Homecoming chairmen—Kathy Grant, Don McInnes, Dave Quisling, Janice Lord, Terry Trau, Henry Duke, Carol Crow, Sherry Rainville, Bruce Langshaw, Shelly Shapiro, Carol Park, Andy Meyer and all the many others who have helped prepare this year's Homecoming.

When it's all over *El Gaucho* advises that "the one for the road" be coffee if you drive and drink.

The Editorial Director

## YES ON PROPOSITION 3

On the state-wide election ballot Nov. 4 there is one proposition of vital importance to UCSB and every other school and college in the state now and in the future. This is Proposition No. 3, which *El Gaucho* fully endorses. Prop. 3 has also been endorsed by the Associated Students, Legislative Council, the Board of Regents and University President Clark Kerr. Both political parties have given this proposal their approval as have more than one hundred other state-wide organizations.

Prop. 3 is a bond issue asking for \$200,000,000. This is part of a \$500,000,000 program of extensive school building for the five-year period 1959-1964. Seventy-five per cent of the \$200,000,000 will go to the University and state colleges. These funds are vitally needed. By 1970 the expected enrollment of the University will exceed 100,000.

For the Santa Barbara campus \$30,000,000 will be allocated for the erection of fifteen buildings and site development. This will include library expansion, new classroom buildings, new residence halls and science laboratories. These funds are needed at UCSB because enrollment is increasing 10-15 percent annually. With an expected enrollment of over 10,000 in the very near future tremendous increases of facilities are needed.

If Prop. 3 is passed the rate of interest on necessary funds will be very low and the cost will be spread out over a long period of time. This means the students will be paying for the actual buildings they use instead of the voters now having to pay enormously increased taxes.

The remaining \$300,000,000 in this \$500,000,000 expansion project will come from current revenue.

Students on the UCSB campus who are of voting age are urged to consider carefully and vote in favor of this proposal. Those students who cannot vote are urged by *El Gaucho* and the Legislative Council to write their parents explaining this proposition and the vital necessity of its passage.

Additional information pertaining to Prop. 3 may be obtained in the Graduate Manager's office.

Since this issue is of direct importance to everyone on campus, all are urged to take action immediately.

### Drop Deadline

Paul Wright, Registrar, announced that next Friday, Oct. 31 is the last day to withdraw from courses without grade penalty. Wright also stated that Oct. 31 is the last day to remove grade E (incompletes).

## SOVIET AUTHORITY SPEAKS MONDAY

Scheduled Monday, Oct. 27th, at 7:30 p.m. in the Quiet Room of the Stu-Union, the UCSB International Students Club will present, George Belliotis, a top authority on the U.S.S.R. His topic—"The Structure of Soviet Picture Propaganda." Belliotis did research at Stanford and Harvard Universities in this field. The Club welcomes all interested.

This week saw the Club proclaiming United Nations Week with posters and a pamphlet table

in front of the campus library. The Club also served as ushers with the Foreign Students Club at the Song festival "Around the World In 80 Minutes" held in Santa Barbara on Oct. 22nd.

## NO CHINA TALK—MAO DIDN'T FILE

A speech on "The New China" featuring Red Chinese boss Mao Tse-tung has been canceled.

The talk, scheduled for 7:30

p.m. Oct. 21 in Santa Rosa Hall, was ordered dropped because Mao failed to file for use of the hall with ACB. The *El Gaucho* board reminds all Communist leaders planning to speak on campus that they must first file the proper forms. Otherwise, two or more Party secretaries may find themselves scheduled to speak at the same time.

## Prop. 18 Debated On KEYT Sunday

Proposition 18, the controversial proposed Right to Work law, will be discussed on KEYT (Channel 3) Sunday at 4 p.m. by Bruce Loebis, UCSB senior debator, and Paul Sonnenberg of the University of Southern California.

Loebis will support the Right to Work Law and Sonnenberg will argue in opposition. Both men debated the issue in last year's college competition. Proposition 18 would outlaw the union shop which compels union membership as a condition of employment. It is one of the hottest issues to be placed before California voters in recent years.

Dr. Upton S. Palmer, director of forensics at UCSB, will act as moderator of the debate-discussion program. The program is a KEYT public-service feature and is an effort to present an analysis of of Proposition 18 apart from partisan and labor-management views.

## New Student Union Fund Drive Begins; 'Building Could Be Completed by 1962'

Unless adequate funds are raised by 1961 UCSB students may be without a Student Union for a period of time, according to Niela Loeb, co-chairman of the Student Union Committee.

The present temporary Student Union building will be demolished in 1963 in order to make room for the new auditorium. If funds are available by 1961 construction on the first unit of the new union will start. According to the Building Committee, the new building could be completed by 1962 if funds are raised.

The Student Union Committee, aware of the need for money for the \$3,500,000 project, has taken as its current project a fund-raising campaign. Dennis Naiman and Mrs. Loeb, co-chairmen of the committee, ask that all students interested in working on the fund-raising drive meet at 12:15 Tuesday, Oct. 28, in the AS conference room.

During the next three weeks forms will be distributed to all UCSB organizations giving information on the fund-raising drive and asking for pledges. So far the Residence Hall Association, Junior Class and Activities Control Board have pledged money toward the proposed student union. RHA has pledged to donate half of all money taken in from vending machines and half of the money raised during its proposed Work Week.

The Junior Class has pledged some of the money taken in from the Ugly Man Contest and the ACB will donate all personal fines collected throughout the year.

Other possible sources of funds discussed during the SU Committee meeting Tuesday were student assessments, support from philanthropic foundations, and bonds, both private and state.

Other projects of the Student Union Committee include adding two murals as decoration in the SU and displaying art works done by the advanced students of the Gauchos Art Department.

## Soc Club to Hear GI POW Interviews

Tape recordings of first-hand interviews with just-released GI's who were prisoners of the Reds during the Korean war will be heard at the Sociology Club meeting at 4 p.m. Wednesday, Oct. 29, in the Classroom auditorium.

The tapes are expected to aid in gaining insight to why the prisoners were relatively ineffective in sabotage and escape with valuable information, according to a member of the club.

Dr. Clovis R. Shepherd, instructor of sociology, will lead a discussion after the recording.

Officers elected at the first meeting of the semester were Bob Quttner, president, Pat Mackinga, vice-president, and Betty Gahring, secretary. Co-sponsors of the club are Dr. Shepherd and Dr. Norman Gabel, associate professor of anthropology.

A short business meeting will follow the discussion. All interested in sociology, anthropology, and related fields are invited to attend.

## Marine Capt. Here To Explain MOTC

Students with questions pertaining to military service can have them answered Nov. 4 and 5 when Capt. Starr, U.S. Marine selection officer for the Southwestern United States, visits UCSB.

Capt. Starr will be available in the Student Union for interviews and answering questions between 9 a.m. and 2 p.m.

Candidates for Marine Officer Training are draft deferred throughout college and are not required to attend reserve meetings or take special academic subjects. Two six weeks' camps are required.

Further information can be obtained by contacting James High at the Social Science Department, Bldg. 428, Room 201.

## CLINIC OFFERS LIMITED PARKING

Temporary parking for student patients is now available in front of the main entrance of the Student Health Center.

Parking in this area is restricted to patients for whom, by reason of illness or other disability, walking to the Health Center from other established parking areas would create undue inconvenience or discomfort.

In order to avoid police citations, students parking in the above area should procure temporary permits at the reception desk in the Health Center immediately after parking their cars. The permit, bearing the current date and hour, is placed on the automobile windshield during the time the student is consulting a nurse or physician in the Health Center.

## URC NOTES

Baptist, Roger Williams Fellowship, Breakfast at 9 a.m. Sunday, Church School at 9:45 a.m., Fellowship hour at 5:45 p.m. All at the First Baptist Church in Santa Barbara.

Episcopal, Canterbury, Sunday Morning Prayer and Communion at 9 a.m. followed by breakfast, at St. Michael's and All Angels in Isla Vista.

Catholic, Newman Club meets Sunday at the U.R.C. building at 8 p.m. Father Lester Mitchell, acting Chaplain, will discuss "What Is Religion?"

Methodist, Wesley Fellowship, Sunday Supper at 6 p.m. followed by meeting at the First Methodist Church.

Presbyterian, Westminster Fellowship, Sunday Supper at 6:30 p.m. followed by Worship, Study and Fellowship at the First Presbyterian Church.

Jewish, Hillel, Rabbi Max H. Kert is at the URC building for counseling and questions from any and all interested students on Mondays from 3-5 p.m.

## FORENSICS SQUAD SCORES IN MEET

Two superior and 16 excellent certificates were awarded members of the UCSB forensics squad at the individual-events tournament held on this campus last Friday and Saturday. Chrystal Watson, in senior women's discussion, and Kay Armour, in junior women's interp, received top ratings of superior.

Forensics Director Upton S. Palmer had high praise for the showing of his 29 entrants. "They worked hard and turned in a fine performance," related Palmer. "This tournament indicates that we will have a successful year in forensics competition."

According to Palmer most of the experienced speakers on the S.B. squad did not participate in the tournament.

Recipients of excellent awards were: Junior women's interp, Ingrid Bergh, Brook Claridge, Faye Moss, May Hessing, Sally Sharer, Nancy Evans, Roxanne Freese and June Fedorchuk.

Senior women's interp, Mickey Wheeler and Beverly Hicks. Junior men's interp, Dick Knickerbocker, Robert Floahr and Charles Herral. Senior women's oratory, Leslie Higginbotham and Betty Lowry. Senior men's impromptu, Nick Scott.

### 'Wild One' Showing

The movie "The Wild One," starring Marlon Brando, will be presented by California Club on Oct. 30th in the Classroom Auditorium. Two showings will be held—one at 3:30 in the afternoon, the other at 7:30 in the evening. Admission will be 50c with student body card. Students and faculty are urged to attend.

### Senior Section

Seniors with class cards are reminded by class president George Hart to take advantage of the special senior section at tomorrow night's Homecoming game. The senior section includes the last five rows of the rooting section near the 50 yard line.

## Council Adopts Homecoming Cleanup Fine, Names Graduated Student Fee Committee

by Stan Aspittle, Council Reporter

In the Oct. 21 session of Legislative Council the UCSB solons ruled that a fine of \$25 will be placed on any groups failing to clean up float-building and formation areas.

The motion was made by the Special Events Committee to put a halt to the debris left after the floats are finished and started in tomorrow all areas are to be policed and cleaned up by 2:15 p.m. At this time the committee will send around an inspection team.

To enforce the fines, the Council ruled that a three-man special committee be designated by Kathy Grant, chairman of the Special Events Committee, to levy this cleanup fine against offenders.

Chairman Stan McGinley appointed a special committee to look into graduated student body fees. This action was taken in conjunction with a motion introduced at last week's meeting by outgoing Non-Affiliated Men's Rep. Neil Kleinman.

Leonard Smith was named to head this Special Committee on Graduated Fees, a sub-committee of the Finance Committee. Others named for the detail were Don McClain, Carolyn Jones, Don Cottle, Judy Dille and Frank Roth.

In other motions the legislators ruled for the charging of 50c per person and \$1 per couple for all people coming to tomorrow night's Homecoming Dance who do not have UCSB cards.

A motion was also passed for the appropriation of \$100 for the support of Proposition 3 on the Nov. 4 ballot. (See editorial page.)

### Credential Deadline

Friday, Oct. 31, is the last day for January graduates to file for applications for teaching credentials and Bachelor of Arts degrees, according to Paul W. Wright, Registrar.

### Cal Poly Lecture

The International Relations Club of Cal Poly at Pomona has invited UCSB students and faculty to hear an address by Paul G. Hoffman, former President of Studebaker Corporation and director of the Marshall Plan, Oct. 29 at 11 a.m. on the Pomona campus.

Hoffman will speak on "The United States, the United Nations, and Russia—The Quest for Peace."

# The Copy Cat . . .

by Pat Gower

Homecoming, you say? Not possibly that time of year, Homecoming comes in the fall, Isn't springtime the season here?

No, it isn't Marlowe speaking, it's Gower (Pat, not John) who's in a poetic fog to bring Cupid's doings right out of English 117J and into the college milieu via the feature page of *El Gaucho*.

(I wonder what fraternity on campus would claim Marlowe's *Leander* into their brotherhood, and which fair *Hero* would claim his pin. Wondering, wondering, always wondering!)

## Engagements

Meanwhile . . . At the Chi O house Monday night pinnings and engagements were having a field day. It was blow-out-the-candle time for Joan Strand and Kathy Nye who announced pinnings respectively to SAE's Bob Kieding and Ron Huesser. Chocolate-passing was twice performed—once by Carole Crow, now engaged to Lambda Chi Dick Owen, and once by Peggy Wood who announced her engagement to Stan McGinley. Congratulations—once, twice, thrice, eh . . . four times.

A huge white cake decked with blue and lavender for Patti and Jerry was refreshment fare for the SAE's who came serenading at the ADPI house Monday evening. Mr. Rocco and Miss Petrie, 'twas announced, will be married next February in Santa Barbara. Oh, we'll dance at your wedding, tra la.

Hope the Delts aren't too superstitious where mirrors are concerned (emmm!) What's seven years, more or less? Happy luau!

## Save Your Energy

This weekend, water fighters, would-be-poets, serious (ha!) students, and anyone else spiritually inclined towards UC Santa Barbara, had better reserve their energies, if it hasn't been expended already. Homecoming—just look at the front page—is here!

All hectic seventy-two hours of it. (If we could multiply past threesies we would have included all the hours put in prior to Homecoming on skit rehearsals and float building.) While we're on the subject does anyone know where we can buy a three gallon thermos jug . . . for the coffee break at three tomorrow morning. Also needed, one pair of blue jeans (not still soggy from water fights), an extra set of fingernails (hammer and staple proof variety), a Boy Scout Handbook on how to light bonfires, one big bottle of Benzedrine and/or No-Doze and a good sense of humor for when we enter our eight o'clock Monday morning.

# Wide Selection of Dramas Offered By Little Theatre

by Jerry Bradley

Following up its great success with the recent presentation of Arthur Miller's "View From the Bridge", the UCSB Little Theater group has scheduled three plays covering wide dramatic territory.

The next show, scheduled for Nov. 13, 14, 15, 20, 21, is "Juno and the Paycock," by Ireland's socialistic "green crow" Sean O'Casey. The brogue-laden vehicle depicts the destruction of an Irish family by the vanity of the father.

## Saroyon Play

Pulitzer Prizewinner William Saroyan's "The Beautiful People" bows April 9, 10, 11, 16, 17, 18. Saroyan's light, near-fantasy touch was recently demonstrated to TV viewers when Jackie Gleason took the lead in "Time of Your Life." Saroyan is an example of that great rarity, a good playwright who is a good novelist. His hardbound best sellers include *The Human Comedy* and *My Name Is Aram*.

## Shakespeare

The group's big finish for the '58-'59 seasons is Shakespeare's "Romeo and Juliet." This Elizabethan lovehicle is probably the greatest stage favorite of all time. At least one viewing of it is prerequisite to becoming a Cultured Man.

This is because of the great frequency of reference to the play in our modern, boy-girl-oriented literature. Hemingway has called *A Farewell to Arms* "my 'Romeo and Juliet'." It is the basis for a current Broadway modern ballet hit, "West Side Story," as well as for many English exams on the Gaucho campus. UCSB's Dr. Stanley Glenn, who takes the lead in "Juno", will direct "Romeo."

## Directors

Directing "Juno and the Paycock" will be Dr. Theodore Hat-

len. Robert Crumb guides "The Beautiful People."

Any student presently enrolled at UCSB can try out for parts in for the coming Little Theater productions. Date and time of readings will be announced in *El Gaucho*.

Season tickets, offering a \$1 discount as well as advance notice of plays and admission to otherwise closed experimental productions, are still available from the Little Theater.

## Ed. Honorary Banquet

Chi Alpha Delta, education honorary fraternity, is having their initiation ceremonies for new members at the First Presbyterian Church Chapel at 6 p.m. Oct. 29. Following the initiation the new members will join the active members at Kerry's Restaurant for a banquet dinner. Dr. Lealand Stier is the faculty advisor for the group.

## GAUCHO SAILORS PREPARING FOR RIVIERA REGATTA

UCSB Sailors overwhelmed Cal Tech in the season's first team race at the Los Angeles Yacht Club last Saturday. Skippers Blair Francis, Lea Johnstone and Jean Hammond paced the Gauchos to a commanding lead, Cal Tech's lone victory coming in the last heat when the Santa Barbara reserves were sent in.

Dick Stockett, Jerry Harwood and Stevie Craviotto also participated in the win, with John Duffy, Janis Snyder and Marianne Shurtleff crewing.

Sunday's Cal Tech Invitational regatta was another story, as top sailors from seven southland colleges turned what promised to be a hard fought contest into a comedy of errors. The harassed race committee had to cope with several swappings, a boat on the rocks, course changes, and a rash of bizarre rule violations and protests.

The bemused Gauchos proved the biggest comedians of the lot, fumbling their way to a last place tie in the fiasco with equally inept Claremont.

UCSB Captain Dick Hendrickson scheduled practice sessions on rules and tactics this week in preparation for Regatta, set for Sunday, Nov. 2, in the harbor.

## UCSB Mermen Host SFV State Today

UCSB's mermen, sporting a one win and two loss record, go after their second win today when they host San Fernando Valley State at 4:15 p.m. After winning the opening game of the season against Cal Tech the team has dropped games to Occidental and to Cal Poly. The team is starting to show spark now and though inexperienced should come up with a few more wins.

The team received a shock when BAC declared only eight men eligible for varsity competition and the rest placed on the JV squad which does not have any games the rest of the season. These JV's, if on the varsity, would add more depth and allow for more substitution.

In practice Don Smith has

shown great improvement at forward while Eddie Nelson and Paul Hodger are playing 'heads-up' ball on defense. The rest of the squad is composed of Ron Wilmot and Jim Parks at forwards and Bill Bryson at guard. At the goalie spot and learn-

ing fast is John Anders. Dave Weaver, a new addition to the squad, will be adding needed strength.

With seven games remaining on the schedule, Gauchos water-enthusiasts will have many opportunities to see the Water-Polo team in action.

Now... all America sees the one that's truly new!

Like all '59 Chevies, the Impala Sport Sedan has Safety Plate Glass all around.

## '59 CHEVROLET

It's shaped to the new American taste. It brings you more spaciousness and comfort with a new Body by Fisher. It has a new kind of finish. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. It's new right down to the tires!

Chevy's all new for the second straight year! Here with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and roomier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead—windows are bigger, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier than ever. New suspension engineering gives you a smoother, more stable ride. There's a new Hi-Thrift 6 that goes and goes on a gallon of gas. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. Impressive new Impala models. Wonderful new wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

# GAUCHOS BOAST TOP SLATE

## Single Loss Mars Homecoming Record

by Tom Morgan, Sports Writer

A highly-touted band of San Francisco State Alligators will stop off at La Playa Stadium tomorrow evening to help the University of California at Santa Barbara celebrate its 1958 Homecoming activities.

Greeting the invaders upon their arrival from the Golden Gate City will be an equally impressive Gaucho gridiron crew, which hopes to bring home the CCAA crown Nov. 21 after steering past a four-week practice slate, including three non-conference tussles and a bye.

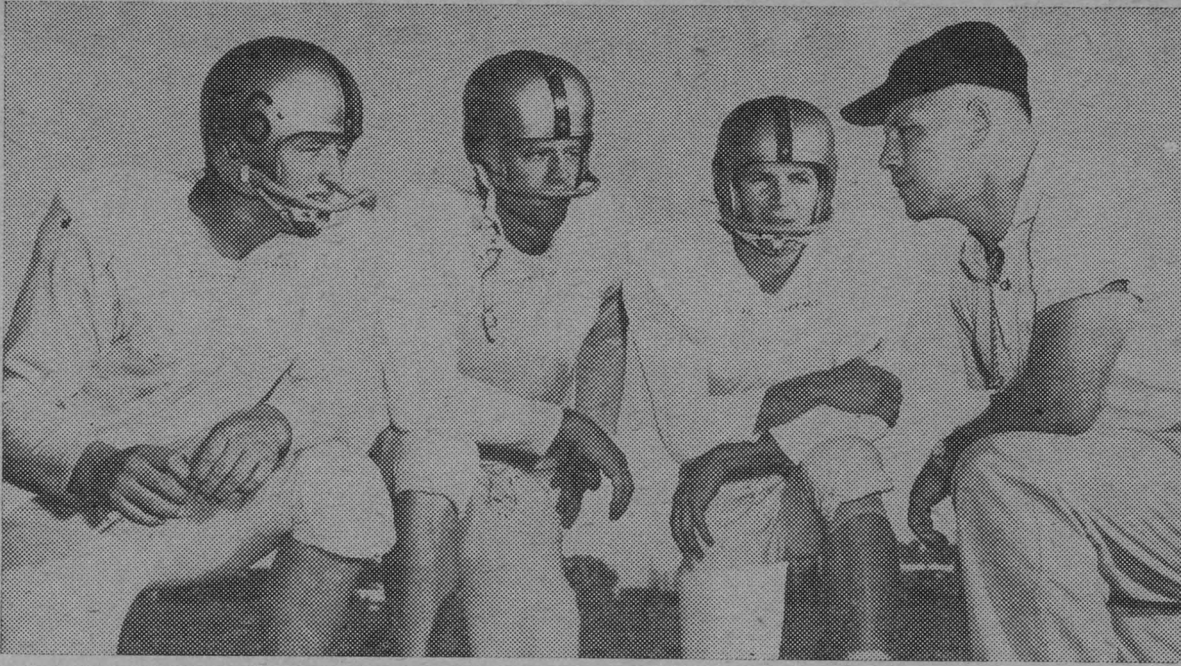

### Top Homecoming Record

But Coach Ed Cody's Santa Barbara pigskinners, who have come within six points of an undefeated season, will be putting more than their 3-2 record on the line in tomorrow's showdown. The Alligators will run head on into one of the finest Homecoming grid records in Southern California's famed football annals.

The Gauchos have compiled an enviable 8-1 mark for their past nine Homecoming encounters, and will bring a three Homecoming game win skein with them to La Playa Stadium tomorrow.

### Win Streak to Three

Santa Barbara, needing only to hurdle past league-favorite Cal Poly to stake claim to the CCAA title and cap one of the most successful Gaucho pigskin performances, has suffered only a single setback in its past nine Homecoming games, that coming in 1954 at the hands of

CONFERENCE TIME — Gaucho co-captains, (l.-r.) guard Bob Lopez, end-halfback Jack Lyon and halfback Duke Ellington, huddle with Head Coach Ed Cody to discuss strategy to use against the San Francisco State Gators in UCSB's Homecoming tomorrow night. Game will be played at La Playa Stadium and draws an 8 p.m. kickoff. Gauchos rate a slight underdog in this tussle because of common foes faced—Gators beat Long Beach, 14-0 . . . the team which upset UCSB, 12-7.

CCAA kingpin Fresno State, 26-20.

For three consecutive seasons since the Fresno tragedy, Santa Barbara has closed out its week-end of Homecoming activities with a victory cake, as was the case for five straight years prior to the 1954 defeat.

The Alligators will line up for the opening kickoff with a revengeful eye tomorrow, for they are still smarting from a 20-6 Homecoming game loss to the Gauchos in 1952.

### First Win

The Gauchos started on their long road to Homecoming fame in 1949 with a 14-7 victory over Fresno State, the first win for Santa Barbara in the history of their rivalry with the Bulldogs.

Cal Poly became the second

straight homecoming win the following year, 20-7, as the brother combination of Dick and Dave Gorrie teamed to show the way for a surprisingly easy victory.

Sandwiched around the San Francisco State conquest in 1952 were wins over both Whittier and Los Angeles State, vaulting Santa Barbara's streak to five straight.

### Come-From-Behind Win

With his mates down by one touchdown at intermission, Ron Ternquist returned the opening kickoff of the second half 80 yards for the go-ahead score and then added the game-winning margin in the final period with a 22-yard spurt as the Gauchos whipped Whittier, 19-12.

Santa Barbara rebounded after the '54 setback to Fresno with

a 14-7 conquest of L.A. State again in 1955.

Santa Barbara continued its impressive homecoming stand in 1956 when a smooth-operating Gaucho squad humbled Sacramento State, 33-0, to end a four-game victory famine.

### Pepperdine '57 Victim

And then last year, with quarterback Don Trauthen clicking on seven of 13 passes for 145 yards and two touchdowns and Jack Lyon and Bruce Varner each scoring twice, Santa Barbara reeled off a decisive 32-14 win over Pepperdine.

This added the third notch in a new homecoming victory streak, a streak which goes up for grabs tomorrow night when the Gauchos seek to cement their bid for homecoming gridiron supremacy.

## UCSB FOOTBALL STATISTICS

FOR FOUR GAMES

### Individual Rushing

	Carries	Gain	Loss	Net	Avg.	TD
Ned Permenter, fb	64	320	14	306	4.8	6

## WELCOME BACK TO SANTA BARBARA FOR HOMECOMING!

This week-end many will return to marvel at accomplishments on the great 408-acre seashore campus.

We of Jordanos' look to the future with anticipation — the best is yet to come for University of California, Santa Barbara. In this jet, electronic, color-TV, A-power, transistor, global age — it's something to keep pace.

You'll find your old friends at Jordanos' with new places to serve you — for we've been growing, too! Come and see us —

# GAUCHOS WHO WILL FACE GATORS

**Tackle Ray Schaack**

Called by Coach Ed Cody as the finest straight ahead blocker in college ball today, Schaack with his 221 pounds and 6'1" poses a big problem for opposing linemen. Picked in many circles to gain all-conference honors, Schaack is not disappointing any followers.

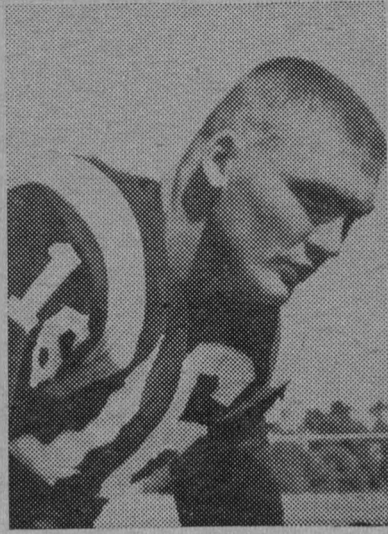

Only a sophomore with two more years of eligibility left, he came to UCSB to play under Cody who was his coach at St. Rita High School of Chicago. Selected All-Illinois while a prep, bigger things are expected of him at Santa Barbara. He majors in Industrial Management.

**Guard Walt Townshend**

Starting this year at the guard position, Townshend was picked as an outstanding prospect for Little All-Coast honors in this season, his first as a guard. Playing on the 1956 team as a starting tackle he did a stint in the service and returned stronger than ever.

A versatile player Townshend has seen action in several games at the fullback spot after Ken Steele was injured in the San Diego game. His ability was utilized by Coach Cody because of depth problems at the spot and against San Francisco he could be called upon once again as Ned Permenter might not play.

**QB's JOHN CRAWFORD—JIM ST. CLAIR**

Cody has two top-rate signal-callers to operate his Gaucho offense, although Crawford may not see action tomorrow due to a leg injury suffered at Long Beach.

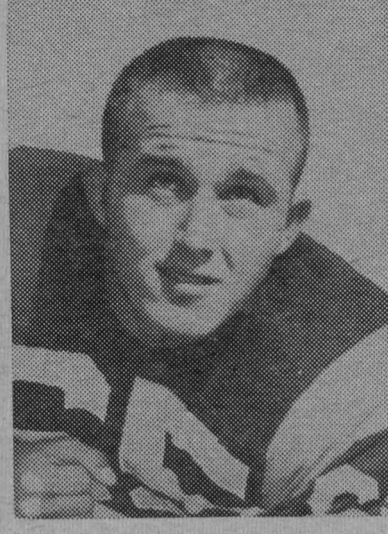

Both alternate as the team general, although St. Clair is usually the starter. Their running and passing is equally effective, while St. Clair is tied for the league leadership in TD aeriels. Both are juniors.

### EQUALLY BALANCED

St. Clair hails from West Los Angeles, where he gained honorable mention honors while at Santa Monica CC. Crawford is from Pacific Grove and was understudy to Don Trauthen last season at UCSB.

St. Clair, a 25-year-old social science major, stands 6'1" and weighs in at 195. Crawford is an inch smaller than his quarterbacking partner, but weighs the same. He is a 22-year-old math major.

Cody labels St. Clair and Crawford as equally balanced, and both are good defensive men.

**Guard Preston Burton**

Another player moving into a starting role is Burton, one of the lightest members on the team that weighs in with the heaviest in small college ball. He stands 5'9" and weighs 170 pounds.

Last year was his first season at Santa Barbara and he adapted quickly to the Cody style of 'T' play. Burton is called by his coach as the most improved ball player on the team.

He is 21 years old and a P.E. major.

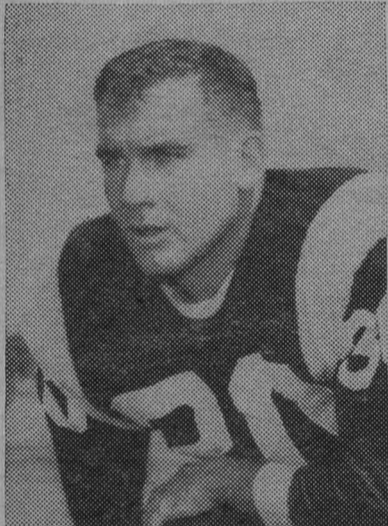

**Tackle Don Rodriguez**

Covertng at tackle along with Schaack, Rodriguez is making up for a slow beginning early in the season. He played for the 1956 squad and his mentor says of him—"real good blocker."

Drawing the starting nod in games now, Rodriguez likes to get in there and mix-it-up with the best. He was graduated from Nordoff High School and played a year at Pepperdine on the fresh team.

He is a Senior, weighs 210 pounds and is 6 feet tall.

**Fullback Ned Permenter**

Tabbed by Cody as "the real money ball player." Permenter came off the bench in the first game to lead the Gauchos to victory, and has been the workhorse in the backfield until an injury sidelined him last week at Long Beach. Permenter, a hard-charging 5'8", 185-pound fullback, is leading scorer for UCSB.

Ned also is top Gaucho baseball player, being selected as "most valuable" on last season's squad. He is in his final year at Santa Barbara, majoring in P.E. The 20-year-old Permenter graduated from Wasco High.

**End Benny Dyas**

A returnee and letterman, Dyas alternated starting assignments with Jack Lyon on last year's ballclub and is back in a starting role this year. In spring drills Dyas showed a marked improvement and is continuing the pace.

Strong on defense and blocking, Dyas hails from Los Angeles where he played end at Franklin High School. After graduation he played ball at Glendale City College. He is 25 years old, 6'1" tall and weighs 190 pounds.

With just a year of competition left, the Gauchos will have to look for an able replacement when Dyas graduates.

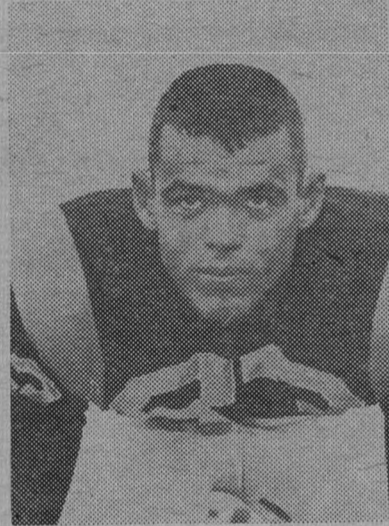

**Center Leon Schumaker**

Surprising Cody in '57 with his aggressive hard-hitting efforts, Schumaker is again a surprise this year, playing better ball than ever. In '57 he started at fullback but was switched to center part way into the season when UCSB lost their starting center.

He went on to make the All-CCAA second team at that spot. A graduate of Alhambra High School, he is 21 years old and a P.E. major.

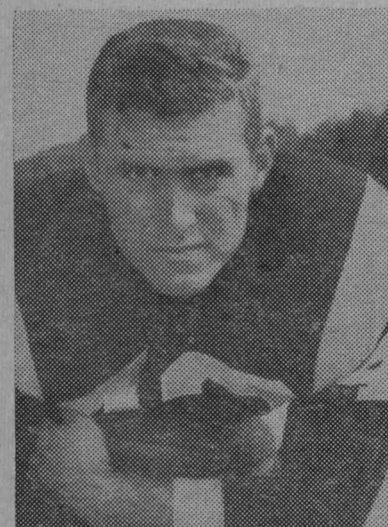

Last year he was also voted the "Most Valuable Linemen" trophy and with his 210 pounds, 5'10", hopes to do it again.

**End Kelly Hoover**

Has been Cody's regular left end for four years, and is probably the most experienced player on the squad. Hoover, a senior, anchors his end of line with sterling defensive play, and has earned as the nickname of the left end position, "Kelly's Corner."

Hoover also had a standout high school record before coming to Santa Barbara, graduating from San Luis Obispo High where he was all-league for two years. The 6'3", 215 pound pass-catcher is a 21-year-old P.E. major.

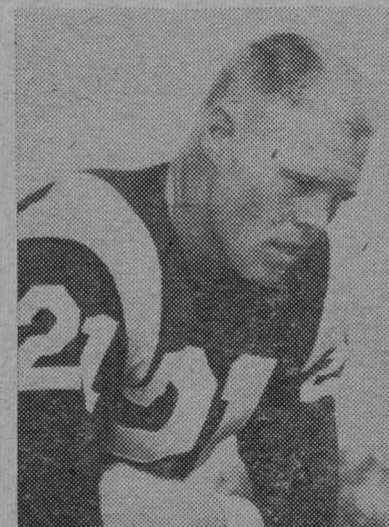

**HALF DENNIS VAUGHN—HALF FRED STANDIFER**

A pair of top sophomore ball carrying prospects. Vaughn is a first year man from Bakersfield Junior College. Cody has not seen too much of him to date, but hopes to get a view of Vaughn's pigskin-lugging abilities tomorrow night. He was the number-three back at Bakersfield last season, and packs 180 pounds on his 5'9" frame. Twenty-year-old Vaughn, a graduate of Bakersfield High, is an industrial management major.

### DEFENSIVE STALWART

Teaming up with Vaughn to fill the halfback slot is Fred Standifer, a 21-year-old physical education major from Ventura JC. Standifer broke into the starting lineup at the left half post, and has impressed Coach Cody with his brilliant defensive performances and good blocking ability. Standifer, 5'9", 175 pounds, was the top running threat at Ventura last season and has been a main cog in the Gaucho offensive machine this season.

**CORDUROY SPORT COAT**

A campus favorite, tailored to give you the fashionable Ivy Look. Here is a smart corduroy sport coat to wear with your favorite slacks. Popular colors: charcoal and antelope.
