## WPA Project To Cover Cost Of Old Town Sewer Extension

The problem of raising funds to complete the sewer system in the Old Town section of Carpinteria to which the Sanitary Board has been seeking the answer for several years was solved yesterday by the announcement that the Carpinteria Sewer Project has been accepted unconditionally, by the Los Angeles office of the WPA. The WPA project will involve a total expenditure of approximately \$70,000 and will include the cost of all labor and all materials, with the minor exception of the cost of superintendance which it is estimated will be but \$1,050.00 and which the Sanitary Board will be able to provide from current funds.

The Sanitary Board will meet in the immediate future to study the WPA proposal which it is believed that they will promptly accept. In this event the plans, which have already been approved in Los Angeles, will be forwarded to Washington where they will undoubtedly receive immediate approval.

Stanley Banks, Area Director for WPA in Santa Barbara, stated that he believes that it will be possible to start work on the project within 6 to 8 weeks and that he will place a crew of 50 men on the job as soon as official approval is received and necessary materials supplied. He is of the opinion that the entire project can be completed in about six months.

The project involves the laying of sewer lines in the Old Town area to be connected with the Sewerage disposal station which was built near the Aliso school at the same time the sewer project for the main part of Carpinteria was installed and which has been serving only the Aliso school in that area. Upon completion of the system it will be possible for property

## BASSETT CAPTURES BOTH EVENTS IN GUN CLUB SHOOT

R. G. Bassett was the victor in two closely contested matches held at the State park range by the Carpinteria Gun Club last Sunday. In the first event, shooting with iron sights at 50 meters, Bassett captured the Hyvis Oil Co. Trophy No. 2, with a score of 523. Others shooting in this event and scores were:

E. F. Knowles	523
H. W. T. Ross	522
L. I. Plank	510
A. Morganfield	501
G. Worden	495
W. Wood	488

The second event, won by Bassett with a score of 530, was for the Smith Trophy over a 100 yard course with telescope sights. Others shooting and scores were: H. W. T. Ross, 530; R. Gradle, 523; E. F. Knowles, 518; H. Griffiths, 518; L. I. Plank, 518; W. Wood, 515; G. Worden, 510.

owners to connect up with the sewer at no other expense than installation of sanitary plumbing and the laying of sewer mains from houses to the street.

### Solves Serious Problem

The WPA grant will eliminate a serious menace to the health of the community which has existed for a number of years and which the Sanitary Board has been unable to cope with because the majority of property owners and the nature of the property could not stand the burden of a bond issue to cover the cost of installing a sewer line to serve that portion of the town.

## THREE CANDIDATES ON SANITARY DISTRICT BALLOT

William H. James, R. W. Morris, and J. E. Jones, newly-nominated candidates for the two open positions of sanitary district director, face local voters September 19, it was announced Thursday.

F. A. Hebel is unopposed for the position of assessor of the district.

Holdover directors are Dr. T. M. Shorkley, E. V. Stubbs, and Chas. J. Batsch.

## TALMAGE AND TOBEY TO BE ON NOV. BALLOT

As the result of the three-cornered primary race for Constable in this district, two of the candidates must enter the November election. Warren Tobey will oppose C. A. Talmage, incumbent, for this office as a result of the vote cast Tuesday. Talmage received a total of 756; Tobey, 562; and Henry Turner, 219.

Tobey polled a heavier vote in the Carpinteria precincts than did Talmage but the vote in Montecito brought the total cast for Talmage to several hundred more than was received by Tobey.

The coming race will probably attract considerable interest as the result of the narrow margin by which Talmage missed being returned to office. Had he polled 13 more votes he would have retained his office in the primary election.

## HAIGHT LEADING ON PROGRESSIVE TICKET IN SOUTH

The race for governor may be a three cornered affair in the November election according to latest tabulation of election returns which indicate that Raymond Haight has captured the Progressive nomination instead of Olson as was at first indicated.

Should final figures give Haight the Progressive nomination both the Republican and Democratic parties will be placed in a different position since Haight polled a good vote on both the Republican and Democratic tickets.

## FRANKLIN CARRIES BOTH TICKETS IN HOME COUNTY

Dr. Walter Scott Franklin, candidate for Lieutenant Governor on both the Republican and Democratic, who stated just a few days before election that would rather carry his home county than the rest of the state, realized his ambition by receiving an overwhelming majority in this county on both tickets. Franklin polled 3,924 votes on the Democratic ticket as against his nearest opponent's vote of 1133. On the Republican ticket he received 5,989 votes against 614 for Rolph and 334 for Seawell.

## Merriam, Olson Head Tickets McAdoo Defeated By Downey

Although election returns for the state are not yet complete, returns on several of the most important offices indicate that Governor Frank Merriam polled an overwhelming vote throughout the state with Hatfield running second and Haight, third, on the Republican ticket. Culbert Olson, running in a large field of candidates for the Democratic nomination received a heavy vote and is assured of his place on the ballot in the November election. Dockweiler was Olson's nearest competitor, with a heavy Democratic vote being divided among the other candidates on the ticket.

Latest reports indicate that Dr. Walter Scott Franklin may be the Republican candidate in the November election, although first returns favored James Rolph III, further tabulation of votes show that Franklin is out in front by some 20,000 votes. Ellis Patterson will apparently be Olson's running mate on the Democratic ticket.

Sheridan Downey, supporter of the \$30.00 a week pension plan, decisively defeated Senator William Gibbs McAdoo for the Democratic nomination. The question of who will be the Republican banner carrier is still in doubt with Bancroft and Riley running neck and neck at last reports. First returns indicated that Bancroft had received the nomination but returns from outlying districts have placed Riley in the lead by several hundred votes.

Earl Warren has captured the nomination for Attorney General on both the Republican and Democratic tickets. Secretary of State Jordan was returned to office by a huge majority on both tickets. State Treasurer Charles G. John-

son also retained his office, receiving a good majority on both tickets. State Controller Harry B. Riley received a majority on both tickets, his closest opponents being William McLaughlin on the Republican ticket and Maurice Norcop on the Democratic ticket.

Alfred J. Elliott received a two to one vote over his three opponents for the Democratic nomination for congress from this district. He will be opposed in the November election by F. Fred Hoelscher of Santa Barbara who was the only candidate for congress appearing on the Republican ballot.

Assemblyman Alfred W. Robertson received an overwhelming majority on both tickets which virtually assures his election in November.

## SEVERAL FAMILIES CHANGE PLACES OF RESIDENCE

Late August real estate activity took a decidedly peculiar twist; looks, in fact, like a game of follow-the-leader.

Boss Wiser started it. When he moved into his new home on Holly Avenue, Mrs. L. McCann leased his old residence. And not to be left behind, Harry Bright will move into the former McCann menage.

Other movements along the real estate front were the foundation-laying of W. W. Humphries' new home in Valecito Oaks and construction of Mrs. B. B. White's house on Third street.

Miss Verita Salughter is visiting her sister in Montclair, New Jersey.

## All Incumbent County Officers Returned By Heavy Vote

Election returns for Santa Barbara County which are practically complete show that all County officers were returned to office in the primary although several officials faced opposition in Tuesday's balloting.

Judge A. B. Bigler who was opposed by Leland Crawford, Santa Barbara attorney, was returned to office by a vote of 10,440 as against Crawford's vote of 7,805.

Sheriff Ross was retained by a vote of 11,944. His three opponents polled votes as follows: Fryer 3,593; Carillo, 2,214 and Anderson, 443.

County Assessor Charles S. Tomlinson defeated Wallace Blair by a vote of 11,355 against 5,554.

In the race for county recorder, Yris Covarubias was returned to office by a vote of 9,506 as against her opponent's, Charles Knott, 4,372.

A number of County officials who were unopposed received a heavy vote of confidence from the electors of the county. They in-

cluded Albert T. Eaves, County Auditor; Jack Lewis, County Clerk; L. A. Gammill, County Treasurer; C. Sweetser, Tax Collector; Percy Heckendorf, District Attorney; E. G. Dodge, County Coroner, Owen H. Neil, County surveyor and Muriel Edwards, County Superintendent of Schools.

Returns From First Township  
Total returns from the first township show that about 60% of the voters turned out for the primary election which is unusually high percentage since the primaries in the past have brought out only about 35% of the registered voters.

Returns from the first township for Governor on the Republican ticket are as follows: Merriam, 526; Hatfield, 122; Haight, 193; on the Democratic ticket: Olson, 265; Dockweiler, 120; Haight, 172; O'Conner, 60; Murphy, 37. For Lieutenant Governor on Republican ticket: Franklin, 715; Rolph, 48; Seawell, 23; on the Democratic

(Continued on page 8)

## Court Grants Pension Plan, Single Tax, Place on Ballot

The Supreme Court of the State of California on Wednesday of this week ruled against attempts of interested parties to keep three highly debated measures off the November ballot.

Without question the \$30.00-a-week pension plan will attract more attention than any other question on which the voters will be called upon to settle in the November election and proponents and opponents of the measure are already engaged in the preliminary stages of the battle.

In handing down the decision the Court did not attempt to rule upon the constitutionality of various sections of the proposed act but merely upheld the technical sufficiency of the bill to appear upon the ballot. The court further stated that "We are convinced under all the circumstances here presented, this is not a case for the exercise of any judicial power to interfere with an initiative that might be unconstitutional if adopted."

The "Single Tax" measure

which will appear as a sales tax repeal measure was also given a place on the ballot by the court and is expected to bring forth bitter opposition from many organizations who were prepared to attempt to defeat the measure two years ago when it was ruled off the ballot.

The third measure ruled on by the court was "Peace in Industrial" relations bill which labor interest sought to have removed from the ballot and on which they will wage a state-wide campaign for its defeat. The proposed initiative measure, if adopted, would define lawful and unlawful picketing, boycotting and display of banners; prohibit "sitdowns," coercion, intimidation and certain other acts by employees and labor organizations in connection with labor controversies; prohibit interference with freedom of highways, wharves and other public places in connection with labor controversies and recognize the right of workers to strike and bargain collectively.

## FOOD FOR THOUGHT

The smoke of battle is lifting and the victors in the primary election are definitely known with but several exceptions and an analysis of the results provides food for thought and proof of the old adage "United we stand, divided we fall." The Republican party should do the thinking and the Democratic party should remember the adage, for the deciding factor in the November race may be the fact that latest reports indicate that Raymond Haight has captured the Progressive nomination for Governor.

The Republican party should stand a good chance to elect a Republican administration if it devotes some time to a little serious study and works out a platform that will be more acceptable to liberals and near liberals and can devise some way to overcome the most serious obstacle in its path, the \$30.00 a week pension plan.

The Democratic party faces a serious rift in its ranks as a result of the plethora of candidates in both the senate and governorship race in the primary, which permitted Downey to receive the nomination for Senator and Olson the nomination for governor. Although both these candidates received a heavy majority over their closest opponents in the race, it will probably be found when all the votes are counted that the total number of votes cast for all their opponents exceeds the number received by the nominees. This being the case the question arises as to which candidate these votes will be given to in the November election. Unquestionably a large percentage will go to Merriam and to Haight with the bulk of the votes of those favoring the pension plan going to Olson, but whether there are a sufficient number of these to put Olson in the Governor's chair will remain unknown until the votes are counted on November 8th.

## CAUSE FOR REJOICING

The Carpinteria Sanitary Board, property owners in the Old Town Area, the County Health Board and Carpinteria citizens in general are rejoicing over word received from Los Angeles WPA headquarters announcing that a \$70,000 Sewer project had been approved for the Old Town section of Carpinteria which will cover the cost of all labor and material with the exception of the cost of supervision which is a mere trifle compared to the amount allotted by the government for this work.

Sanitary conditions in the old town area have long been a menace to the welfare of the entire community and have constituted a problem to both the Health Department and the Sanitary board which appeared to be insurmountable because the property in that area could not stand the burden of a bond issue, and the government grant comes as a happy solution to the whole situation. In fact, had more of PWA and WPA funds been devoted to such worthwhile projects in the past instead of to swimming pools and unnecessary public buildings it is probable that govern-

## The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

### THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.

Mankind has forever been building the house of civilization. One structure is placed upon the other until the whole mounts to dizzy heights. But unless the plans of the Great Architect are followed, the house crumbles and falls.

"Let the beauty of the Lord our God be upon us; and establish thou the work of our hands upon us; yea, the work of our hands, establish thou it."—Psalm 90.17.

Using the above listed text as the theme of his sermon, the Pastor will preach upon "Advancement of the Will of God." Music by the combined Tuxis and Men's choirs will open the heart and mind to worship. The worship service provides an opportunity to keep in tune with God.

At 6:30 p. m. at the home of Madelon Southworth on Vallecito and Ogan Road the Youth Fellowship will meet to consider "The Fate of a Reformer," directed by Miss Helen Nalty. Youth of the Valley—Welcome!

### METHODIST CHURCH

Melvin J. Addington, Pastor

Morning worship, "The Christian Superstructure."

Epworth League: "The Journey's End."

Evening worship: "A Fire Brand."

Wednesday, Sept. 7, 1938. Prayer and Bible hour: "Which church?" Woman's Missionary Society.

Daily we are putting material in the character we are building. There is no time that we are able to say that this time doesn't count. It does count, and sometimes painfully so. What material are you building into your character? On which foundation are you building? These are important questions though we may try to avoid them. In our quiet hours they are bound to look at us face to face. We can't escape them. How shall we face them?

Salvation is God's plan. He has no better plan to offer, nor would we desire a better or a greater plan. Salvation is not stagnation, but we are saved to serve.

Following the Woman's Missionary meeting Wednesday there will be a short prayer meeting continuing our study in Revelation. This meeting will start at 7:30 p. m. at the church.

ment spending would have met much less opposition from many quarters.

The Carpinteria Sanitary board deserves commendation for their efforts in securing this grant and the fact no time was lost in preparing an application to be submitted to WPA authorities when it was learned a short time ago that there was a possibility of receiving government assistance on this project.

## HEALTHY INDICATION

When all the votes cast at Tuesday's election have been counted it will probably be found that this year's primary election brought out one of the highest percentage of registered voters in the history of State primary elections. At least this is true of Santa Barbara county where it has been estimated over 60 per cent of the registered voters participated in this week's election.

Such a heavy vote is an indication of the political health of California and shows that the public is beginning to realize that we cannot have truly representative government unless we exercise the privilege of the ballot which is the only constructive way a citizen may express his or her desires as to who shall hold office and what statutes shall govern the people.

## POLITICS -- Day by Day

Along with candidates, successful and unsuccessful, we are enjoying a brief respite this week before the campaigns for the November election launches into full swing. In fact we have only had to empty the political waste basket once this week and that would not have been necessary but for the fact releases have already started arriving, pro and con, on several measures appearing on the November ballot.

Of course the issue receiving the most attention is the \$30-a-week pension plan. Proponents of the measure are busy predicting a rosy future if the bill carries whereas the State Chamber of Commerce is predicting dire disaster. At present we are merely sitting on the sidelines and will endeavor to present arguments on both sides. We have two copies of the proposed measure which we will be glad to lend to anyone who wishes to read the full text of the bill.

We also have on hand a copy of the proposed initiative measure on Industrial peace in labor relations and suggest that every voter study this bill as it vitally affects every citizen in the state.

It is hoped that the booklets giving the text of the many amendments appearing on the November ballot will reach the voters early since there is one bill alone that will take almost two hours to read and that is the Garrison revenue bond bill which would remove the restriction requiring a two-thirds vote to carry a bond issue and open the gates to uncontrolled spending on many useless public projects.

## TRAFFIC HALTED BY AGED BICYCLE PERFORMER

Carpinteria business and traffic came to standstill Saturday morning and again in the afternoon when Harry Cramer of Henderville, N. C., who with his long hair

## CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

and whiskers, might easily have stepped from one of the famous HillBilly cartoons in Esquire, started to perform a series of difficult tricks on a dilapidated bicycle at the corner of Linden Avenue and the state highway.

Cramer is sixty-five years old, but despite his years gave a performance that would do credit to a professional vaudeville performer many years younger. In fact, according to his son, in his younger days he did perform in New Orleans theatres, but until recently had operated a farm and a filling station in his native North Carolina when he decided to tour the United States.

He has been in every state in the west with the exception of Oregon, Washington and Montana and expects to cover that area before he returns to the south. Apparently his trick riding brings him in a much better income than his farming or filling station since he frequently averages as much as \$20.00 a day taken up by passing the hat at the conclusion of his performances.

## CAMERA STOLEN FROM EDITOR'S CAR IS RECOVERED

Harold Heltman, proprietor of the Shell Oil Station, was somewhat chagrined Monday morning when he learned that the Voigtlander Camera he had purchased at a bargain Saturday evening from one of the boys from a boys' school which has been spending several weeks at Cerca del Mar, had been stolen from the car of Mrs. Ann Waynflete while it was parked in front of her office late Saturday afternoon.

The discovery was made by L. R. Carter to whom the theft had been reported who learned that a young boy had attempted to sell a camera and found that it had been purchased by Heltman. Heltman stated that the boy told such a plausible story, stating that the camera was a birthday present which he wished to dispose of, that he did not suspect that the article might have been stolen.

The boy disappeared from the camp later that day returning to his home in Los Angeles. He was brought back to the camp early this week.

## SANITARY DISTRICT TAXES REDUCED

Property owners within the area now served by the Sanitary District will be pleased to learn that the Sanitary Board has found it possible to make a material reduction in the district taxes for this year due to the fact that several bonds of the district have been retired.

## LEMON ACREAGE INCREASES

Officials of both local packing houses this week announce storage facilities of the two plants had been extended to cope with a "considerable" increase of business during the year.

An increase of some 200 acres in the Carpinteria district was also reported.

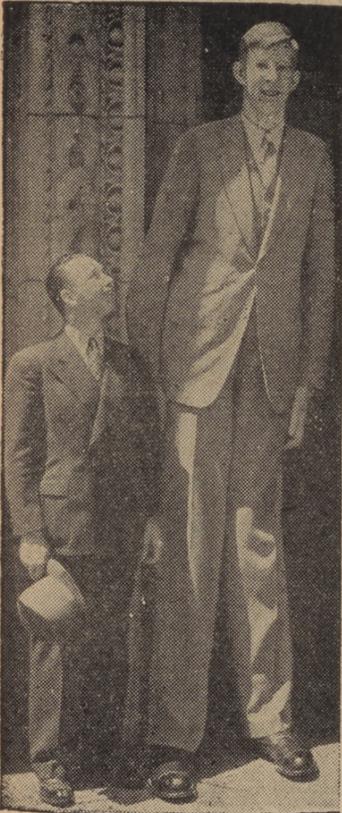

## APPRECIATION

I desire to express my appreciation to those voters in the first township who supported me at the Primary election and to those persons who assisted me in my campaign.

—Harry E. Fryer.

Want Ads in The Chronicle bring results.

STATE FAIR GIANT

Sacramento—The world's largest giant, 8 foot, 8½ inch Robert Wadlow of Alton, Ill., will appear at the California State Fair and Exposition at Sacramento on Friday and Saturday, September 2 and 3. The 20-year-old giant weighing 485 lbs. will take part in a Children's Parade and miniature circus. Both days are Children's Days when those under 16 are admitted to the Fair free.

WOMEN IN THE NEWS

By LEONE BAXTER

Do you think government should provide medical care for people with limited income? A cross-section of American labor, medicine, industry, and social service workers—gathered for a recent Washington conference—could not answer that question. Health, they discovered, was too mixed with past practice, personalities, and politics to make an answer possible.

But America's women are not so reticent in taking a stand, even on such a controversial subject. By a vote of two to one they have just given their approval, in the "What women think" survey of a national women's magazine, to federal subsidization of general medical aid. In the case of preventable disease—tuberculosis and syphilis—they went even farther, recording a nine to one vote for federal assistance. In the case of maternal care, they gave almost one hundred per cent approval to a plan for bringing proper treatment to every mother—at federal expense.

From debutante and student to matron and dowager, the women of America seem to share little of the fear of socialized medicine which blocked the Washington conference on health. Even the estimated bill—850 million dollars

But women have a further suggestion. By almost the same majority as they favored federal intervention in medicine, they voted for group medical insurance. The question was: Would you pay three dollars a month to a medical association which would provide all necessary doctor and hospital service? The answer was overwhelmingly "Yes!" even in the case of the lowest income groups.

Despite what the New York Times calls "the lamentable fail-

ure of the American Medical Association to show an interest," there appears to be a definite trend in America towards some form of cooperative medicine.

Thousands of capable young doctors have few patients. Millions of potential patients, even those with respectable incomes, are blocked

off from medical assistance by the high cost of attention. The balancing of those factors—doctors needing patients, and patients needing doctors—by any practical means, would be another important step out of medical insolvency, is apparently the opinion of most women.

Health, from children's colds to husband's headaches, is peculiarly women's problem. As nurse, unofficial doctor, wife, and mother, they know, first hand and perhaps better than any other group, the health needs of the nation.

Their determination that those needs shall be filled, whether by

federal aid or other means, is based on their determination that their children shall have sturdy health. Socialized medicine may or may not be the answer, but there can be no question about the feminine will to add the right to good health to the other traditional American rights.

# SOCIAL & PERSONAL

## BEACH LUNCHEON GIVEN FOR VISITORS

Tom Rafferty entertained a group of friends at a beach luncheon last Thursday in honor of the Misses Marilea and Alberta Hansen of El Centro, who have been visiting their aunt, Mrs. Frank Wykoff. Guests included Joan Rock, Jane Franklin, Bonnie Shepard, Michael McCormick, Clair and Carroll Cummins and Howard Mays, Jr.

Mr. and Mrs. George A. McCubrey have announced the engagement of their daughter, Virginia, to Dale Schuyler of Long Beach. The wedding date has been set for October 2.

Mrs. R. O. Hill and three sons who have been spending the summer in the valley have returned to their home in Casper, Wyoming.

Mr. and Mrs. Linford Lull and son, Walter, of Los Angeles were week-end guests of Mrs. Mona Catlin.

Mrs. H. C. Henderson has returned to Carpinteria after having spent the past several months at her former home in Illinois.

Mr. and Mrs. R. F. Carter, Fresno, spent a few days at the home of their son, L. R. Carter, local fire chief. Mr. Carter is Fresno's plumbing inspector and a former resident of Carpinteria.

Week-end visitors at the home of Mr. and Mrs. William H. James are Mr. and Mrs. Edward Henn, Corcoran.

Mr. and Mrs. J. B. Fisher and children arrived today from Los Angeles to spend a week at the home of Mrs. Fisher's father, J. E. Jones.

The Solari-Schweizer ranch was the scene Thursday night of the Lion's Club Ladies Night Barbecue.

Herb Gordon left Tuesday evening for Fresno to visit friends and relatives. He will be accompanied home today by his father, P. H. Gordon, who will spend the Labor Day holiday with his family.

Mrs. P. H. Gordon plans to move to the beach house near Rincon Del Mar that she has leased for the winter on September 7th. Mr. and Mrs. Merle Staub are expected to return to Carpinteria on the 8th and will occupy Mrs. Gordon's house on 8th street.

Mrs. Margaret Waterman returned to Carpinteria Sunday evening after having spent the past week visiting relatives in San Diego.

## CHARLES OGAN BUILDING HOME

A local boy has come home—and this time he intends to stay.

In fact Mr. Charlie Ogan is so sure he is going to remain here that he is building a home on the Ogan ranch, where he was born 59 years ago.

The house, under construction since June 15, is a five-room wood structure which Mr. Ogan "hopes" will be ready for occupancy in mid-September.

When he is not busy putting and painting around his new home, Mr. Ogan may be found in Los Angeles, where he sells insurance for the Mutual Life Insurance company of New York.

## COTTAGE BAKERY CLOSES

Mrs. P. H. Gordon, who has operated the Cottage Bakery on the coast highway for the past year and a half, closed her place of business and will devote her time to taking care of her Los Angeles Times newspaper route. She plans to dispose of the building and there has been some talk that the Chamber of Commerce might be interested in purchasing it for an office.

## FORMER RESIDENT CLAIMS BRIDE IN NORTH

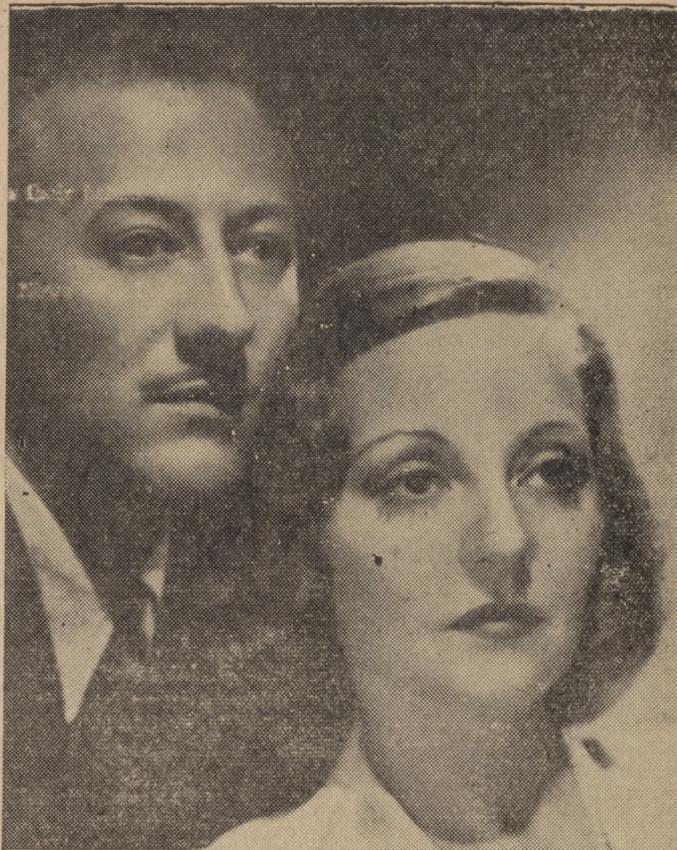

The wedding of Burford Sheen, former resident of Carpinteria, and Miss Vivienne Esther Slankard took place Saturday evening at a ceremony in the Trinity Episcopal church of Oakland. Officiating was the Rev. John P. Crane, until recently curate at Trinity church in Santa Barbara.

Mrs. Sheen is the daughter of Mr. and Mrs. Thomas B. Slankard of North San Juan and was formerly employed in the office of Edwards and Plunkett, architects in Santa Barbara. She was active in the Trinity Episcopal church and in the Santa Barbara Toastmistress club.

Mr. Sheen is the son of Mrs. Mary L. Sheen of Santa Maria and formerly resided in Carpinteria. He is now in charge of the Santa Maria office of the Western Oil Fields Supply company and following a honeymoon at Lake Tahoe the young couple will make their home in Santa Maria.

Miss Rona Jamerson has returned from a week's vacation at a girls' camp south of Los Angeles.

WASHINGTON — One of the liveliest issues the next session of Congress will have to deal with, in the opinion of observers here, is a matter which is going to hit the average man in the place that hurts most—his pocketbook. Recently, the Treasury Department drew up a schedule of income tax rates that would be necessary to increase government revenues \$2,000,000,000 annually, a figure which would still leave the government from \$1,500,000,000 to \$2,000,000,000 in the red this fiscal year and the two succeeding ones. According to Treasury estimates, the normal income tax rate for individuals, now four per cent, might have to jump to 10 per cent if Congress does vote to increase revenues by \$2,000,000,000. This would be politically unpopular, however, and it is therefore likely that any tax rate increases on in-

JOHN EMERY and TALLULAH BANKHEAD

Tallulah Bankhead and her husband John Emery in a scene from their new play, "I Am Different" by Zoe Akins which will be staged at the Fox Arlington Theater for two performances only, matinee and evening, Wednesday, September 7 by Lee Shubert and Jos. M. Gaites. The play is enroute to New York.

dividual incomes would be applied in easy stages rather than all at once. A ten per cent normal tax rate, if it ever became a law, would mean that a single man who earned \$30 a week last year

and paid a federal income tax of \$22.40, would be called upon to pay a tax of \$56 annually.

**NATION'S PRIZE PERCHERONS  
COMING FOR COUNTY FAIR**

For the first time in its history the annual show of the Percheron Horse Assn. of America will be brought to the west and will be held in conjunction with the Los Angeles County Fair at Pomona, Sept. 16 to Oct. 2. Between 250 and 300 of these magnificent huge draft animals from all parts of the nation will be on display. Incidentally, California will contribute some of the finest animals of all. Here is California Nina, prize Percheron owned by the University of California with Lucile Hutchinson, left, and Leora Sanstad, right, of the home economics department of the University.

**Behind The Scenes In  
American Business**

By John Craddock

**BUSINESS** — Industrial production went into a nosedive just about one year ago. Instead of having the customary seasonal spurt last fall, the country entered a new depression which lasted 10 months. Not until July, 1938, did the clouds begin to lift. Further clearing of skies occurred in August, and by now the frown has disappeared from the brow of most business forecasters. Their prediction for fall and winter business is "fair and warmer." The outlook is excellent, they say, the more so because there is much lost ground to be made up. Factory sales of automobiles, for example, amounted to only 1,345,311 the first seven months this year compared with 2,227,266 in the same period last year. This means that the average life of all automobiles on the road has been increasing during 1938, and a potential demand is being stored up which sooner or later must exert itself. Estimates of national income, represented by the flow of wages, salaries, dividends, interest and profits of individual owners of businesses, for 1938 have been revised upward a billion dollars by the Department of Commerce to \$61,000,000,000 as a result of trade improvement since June. This figure, however, falls almost 12 per cent below last year's \$69,000,000,000 national income.

A LADY TOURIST from Massachusetts claiming Carpinteria is the prettiest town on the Pacific Coast. (Dad burn, if I don't think she's right.)

MRS. JAMERSON washing a little boy's hands before giving him one of hubbie's doughnuts.

BIG GIB MARTIN, with a very dirty face carrying a rake and shovel. (Of all things.)

LOCAL CYCLIST receiving some lessons on how to ride a bicycle, tricycle, or a wagon wheel, by a very old timer.

FRANK WYKOFF AND SALLY MADDOCK in a conference, squatting in front of a meat counter. (A good thing no Nazis were present to see their hand movements.)

ART WEISHAAR doing the big apple on a banana in front of the Post Office.

BILL UDALL still very tired at fire drill.

GOOD TURNOUTS at the voting polls. (Keep it up citizens.)

BUTCH BEAVER still claiming that it is still the biggest gippo game that ever hit Carpinteria.

LITTLE GIBBY MARTIN heading back towards college.

BERNARD CHURCH getting a steady job so he can get married.

A RECENT GUEST of the County claiming that he lost five pounds during his five day 'visit'.

A NUMBER OF CARPINTERIANS planning on how they will spend their \$30.00 a week and several of the younger generation planning to retire as soon as their parents start collecting every Thursday.

Olivia de Havilland in "Four's A Crowd," starting Sunday at the Granada Theatre in conjunction with "Nurse From Brooklyn."

Sonja Henie and Richard Greene now playing at Fox 'My Lucky Star'

Charles Boyer and Hedy Lamarr will be seen on the screen at the California Theatre starting Saturday in "Algiers," which will be presented on the same program with "Fast Company" a fast moving comedy starring Melvyn Douglas and Florence Rice.

## Your Hollywood Correspondent Reports . . .

John and Elaine Barrymore are back from a trip to Seattle, where they attended the World Premiere of "Spawn of the North." If time permits, Ben Blue will stay in the East, where he making personal appearances, until the opening there of "Paris Honeymoon." George Burns and Gracie Allen cable from Honolulu that they're having the grandest vacation ever. They plan to make the trip annually. Charlie Butterworth, on the

day off from "Thanks for the Memory," motored to Palm Springs to see how his newly decorated house looked. It was so hot down there he turned right around and came back. Claudette Colbert is wearing her new "Zaza" hairdress for street wear.

Anna May Wong was at the opening of the new Tallulah Bankhead play attired in white crepe with a heavy brocaded Chinese evening wrap. Eleanore Whitney is sufficiently recovered from her recent tonsilectomy to release her recent nurse. When Akim Tamiroff and Lynne Overman introduce one another to their friends they say "meet my cellmate." They play a prison scene together in "Escape From Yesterday." Mary Carlisle is learning shorthand for her role of a private secretary to J. Carrol Naish in "Illegal Traffic." John Howard is using his newly-acquired English accent again for his role in "Bulldog Drummond vs Scotland Yard." Martha Raye will make personal appearances in San Francisco September 1st, before starting in her next Paramount assignment, "Never Say Die." Dorothy Lamour received a hearty welcome on the "St. Louis Blues" set from Director Raoul Walsh, Lloyd Nolan and other members of the cast when she visited the studio for the first time following her recent appendectomy. She is scheduled to report for work next week.

When Louise Campbell leaves for Chicago, following completion of her role in "Men With Wings," she will make the trip via Lake Louise and Banff. Don Ameche and Jack Benny are on a fishing trip at June Lake. They plan to be gone another week, but Jack writes very discouraging reports

Tallulah Bankhead in person in a New Stage Comedy — 2 Performances Only

## ANN HARDING TO APPEAR IN LOBERO SHOW, "CANDIDA"

George Bernard Shaw is again about to be served in a magnificent manner when his famed "Candida" is brought to the Lobero footlights for a limited engagement of two performances, September 23rd and 24th.

Since the tentative days of 1900 when the Stage Society of London put on "Candida" at the Strand Theater, Mr. Shaw has become Britain's most representative dramatist, while the theater has been blessed with a younger sister, the screen.

London critics have written that Ann Harding's "Candida" is definitely Mr. Shaw's Candida—the

to Mary Livingstone about the fish he hasn't caught. Elizabeth Patterson, in the Hollywood hospital recuperating from a knee injury, says she's thoroughly enjoying herself because "everyone's so thoughtful and considerate."

## Theatres Announce Opening Of \$250,000 Prize Contest

Going to the movies the next several months may also prove profitable as well as pleasurable to fans, according to announcement made this week of the \$1,000,000 motion picture publicity campaign which includes \$250,000 in prizes for the public. Details of the plan which involves a large appropriation for newspaper advertising, were completed at a meeting of producers, distributors and exhibitors held at the Hotel Astor this week.

The \$250,000 contest will make 5000 prizes available. The first prize will be \$50,000. The campaign is being set up through the cooperation of producers, distributors and exhibitors. Individual companies and individual pictures will not be advertised. Instead, emphasis will be placed on the essential place movies have come to occupy in the life of the nation.

The campaign will aim to demonstrate to the public the words of its slogan, "Movies Are Your Best Entertainment." While the campaign did not start until September 1, yet pictures released by all the companies in August will be included in the campaign.

Among these pictures in the contest are "Mother Carey's Chickens," "The Chaser," "The Amazing Dr. Clitterhouse," "Professor Beware," "Little Miss Broadway," "Barefoot Boy," "Algiers," "The Crowd Roars," "Gateway," "Bull-dog Drummond in Africa," "Letter of Introduction," "I'm From the City," "Mr. Chump," "Rich Man, Poor Girl," "Keep Smiling," "The Texans," "The Missing Guest," "Painted Desert," "Racket Busters," "The Gladiators," "Block Heads," "Alexander's Ragtime Band," "Give Me a Sailor," "Marie Antoinette," "Smashing the Rackets," "Dark Rapture," "Speed To Burn," and "Spawn of the North."

Full details of the "Movie Quiz" contest are now being announced in all theatres through the screen and in the booklet which gives a complete list of the questions to be answered and the pictures included in this contest.

### FINE PROGRAM TO CLOSE SUMMER FESTIVAL SERIES

The Summer Festival Series which have given pleasure to thousands of Southlanders this season will be brought to a close at the Santa Barbara County Bowl next Saturday evening, September 3, with another brilliant program featuring artists of world renown. The vocalist of the evening will be the distinguished American baritone, Richard Bonelli, of the Metropolitan Opera Company.

Antonio and Renee DeMarco, known from Coast to Coast for their artistry as dancers, and Fray and Bragiotti, celebrated duo pianists, and the Symphony Orchestra from Los Angeles with Isaac Van Grove conducting will provide a rare evening of music and dance.

Richard Bonelli will sing Wolf-ram's "Song to the Evening Star" from "Tannhauser" by Wagner, and the Prologue to "I Pagliacci."

Except for the overture, the one orchestra number of the evening

### "I AM DIFFERENT" STAGE PRODUCTION COMING TO FOX

Seats for both the matinee and evening performance of Tallulah Bankhead in the new Zoe Akins comedy, "I Am Different" to be presented at the Fox Arlington in Santa Barbara on Wed., September 7, are now on sale at the box office, it is announced today.

As the management of the theatre anticipate a heavy demand for seats, due to the great popularity of the celebrated New York and London actress, it is advised that local playgoers reserve their tickets now to avoid a last minute disappointment.

The appearance of Miss Bankhead in Santa Barbara, is her first in many years and the forthcoming engagement is looked forward to with great anticipation by local audiences who appreciate the very finest in stage entertainment.

Topping the distinguished supporting cast is Fritzi Scheff, for many years the most versatile actress on the American stage, who is equally at home in grand opera, light opera, musical comedy, drama, vaudeville, motion pictures or radio. Miss Scheff was brought from New York to play an important part in the play at the special request of Tallulah Bankhead. Completing the cast is John Emery, Glenn Anders, Ara Gerald and Hala Linda.

### RESEARCH COMPLETE

Considered the most complete and authentic coverage of its kind in the history of the studio, the research material on the Frank Lloyd production, "If I Were King," starring Ronald Colman as Francois Villon, has been bound in a single volume as a permanent reference work in the Paramount studio library.

will be a folk dance from "Dance Suite" composed by Donald Pond of Santa Barbara. The number has been given as Ballet, but this will be the first hearing in concert. This adheres to Director Van Grove's policy of having one American composer's work presented at each concert.

Reservations may be made for this last County Bowl concert at the Summer Festival Headquarters, No. 12 La Arcada.

### RESTORATION OF MISSION AT LOMPOC TO BE CELEBRATED

LOMPOC—Celebration of the re-establishment of Mission La Purisima Concepcion as a vital landmark on California's El Camino Real will mark the picnic to be held at the mission, near Lompoc, next Monday, Sept. 5.

The picnic is to be sponsored by La Purisima Association of Lompoc and is the second annual Mission Day. Activities will center in La Purisima State Park, in which the mission has been rebuilt.

Just a few adobe remains of the original La Purisima Mission were standing before the Civilian Conservation Corps began reconstruction two years ago. Today most of the mission buildings have been rebuilt. They were constructed from adobe, the bricks being manufactured by hand exactly as the Indians did under the direction of the Franciscan friars. Beams and rafters were hewn by hand from California timber and all the furniture made by the CCC was copied from pieces in missions which were not destroyed.

### DANES CELEBRATE THIS WEEK-END IN SOLVANG

SOLVANG—Danish hospitality will be offered to delegates to the annual state convention of Danish Brotherhood and Sisterhood of California to be held in Solvang starting today and continuing through Saturday.

The unique Danish colony of Santa Barbara County will entertain delegates and visitors with its second annual "Danish Days" celebration, opening with a torch-light procession on Saturday evening at 7:30. Plays and dances, performed in picturesque costumes of Denmark, will be offered by Solvang residents.

The town will present an immaculate appearance and has been gaily decorated with banners and flags for the celebration.

The convention will culminate with an elaborate program Sunday evening, when a cast of 50 will present a pageant under the direction of Einar Askier of Modesto.

In the above picture are shown three of Santa Barbara State's stellar 1938 linemen, posing between workouts on the Gauch's new \$80,000 football stadium, under construction on West Beach. At the left is Mel Dennis of Los Angeles, center DeWitt Trewhitt of Bakersfield, and right Art Swenson of Southgate. All are tackles. In the background workmen are pouring concrete for some of the projected 12,000 bleachers, to be ready for official opening ceremonies on October 14. (Nalley Photo)

**EXAMINATIONS ANNOUNCED**

The United States Civil Service Commission has announced open competitive examinations for the positions named below.

Mineral Economist (Nonferrous Secondary Metals), \$3,800 a year, Bureau of Mines. College training, with major study in metallurgical engineering, mining engineering, or metallurgy, and professional experience in the recovery of metals from nonferrous scrap, are required. Applicants must not have passed their fifty-third birthday.

Associate Warehouse Examiner, \$3,200 a year, Assistant Warehouse Examiner, \$2,600 a year, Bureau of Agricultural Economics. Optional subjects are: Bulk grain warehouses; canned fruits and vegetables warehouses; cotton warehouses; sack grain warehouses. For the associate grade, applicants must not have passed their forty-fifth birthday, and for the assistant grade, they must not have passed their fortieth birthday.

Junior Scientist (Nautical), \$2,000 a year, Navy Department. A 4-year course at the United States Naval or Coast Guard Academy; or a scientific course at a recognized college or university or graduation from a recognized State school ship, plus certain experience at sea, is required. Applicants must not have passed their thirty-fifth birthday.

Associate Investigator (Law), \$2,900 a year, Assistant Investigator (Law), \$2,600 a year, Associate Investigator (Accounting), \$2,900 a year, Assistant Investigator (Accounting), \$2,600 a year, Assistant Investigator (Pharmacy), \$2,600 a year, Assistant Investigator (General), \$2,600 a year, Junior Investigator (Customs Patrol Inspector), \$2,100 a year, Junior Investigator (Immigration Patrol Inspector), \$2,000 a year, Inspector of Customs, \$2,100 a year, Treasury Department and Department of Labor. For the associate investigator positions, applicants must have reached their twenty-first but must not have passed their fifty-third birthday; for assistant investigator and inspector of customs positions, they must have reached their twenty-first but must not have passed their forty-fifth birthday; and for the junior investigator positions, they must have reached their twenty-first but must not have passed their thirty-sixth birthday.

Closing dates for receipt of applications for these examinations are: September 19 for the first three examinations if applications are received from States east of Colorado, and September 22 if received from Colorado and States westward; and September 12 for the investigator examinations if applications are received from States east of Colorado, and September 15 if received from Colorado and States westward.

Full information may be obtained from Secretary of the U. S. Civil Service Board of Examiners, at the post office in this city.

Rev. and Mrs. Deane F. Babbitt and two sons have returned to their home in Carpinteria after spending the past month in Eagle Rock. Reverend Babbitt spent much of his time viewing new churches in the Southland in order to gain ideas which may be passed on to the building committee of the local church.

**PARENTS MAY NOT SUPPLY LIQUOR**

Right of parents to buy or furnish alcoholic beverages for their children of near-adult age is a question frequently put to liquor control officers, according to the State Board of Equalization.

Several instances where parents, serving liquor in the home, wished to include their children who are close to 21 years of age, have been cited to the officers.

The only answer which can be given, Wm. G. Bonelli, board member from this district, states, is to quote Section 61 of the Alcoholic Beverage Control Act which reads: "Every person who sells, furnishes, gives or causes to be sold, furnished or given away any alcoholic beverage to any person under the age of 21 years shall be guilty of a misdemeanor."

Formerly the law excepted parents or guardians. The 1937 legislature amended the law so that no exceptions now exist.

**RECORD KID CAST**

One of the largest cast of youngsters ever assembled by Hollywood performs in Paramount's "Sons of the Legion," which has more than 50 boys. Featured are three of the screen's most talented juveniles—Donald O'Connor, Billy Lee and Billy Cook.

**CHURCH SCHOOL HAS ENROLLMENT OF SIXTY-FIVE CHILDREN**

Vacation Church school, under the direction of Rev. Deane F. Babbitt, Pastor of the Community Church opened Monday with 65 enrolled. High School and College Youth are Junior Workers. Bicycle races feature recreation program for Wednesday. Junior boys are busy painting primary department chairs. Miss Edith Van Metre is secretary of the school.
