Features Needed

Do you have a yen to write? The outlet for such aspirations is now in your hands!

El Gaucho will accept for publication creative and feature articles written by UCSBC students. Stories may be left in the *El Gaucho* office behind the Student Union.

CITY OF SANTA BARBARA, CALIFORNIA

PROCLAMATION

WHEREAS, The University of California, Santa Barbara College, is celebrating its 32nd annual Homecoming on the weekend of October 13 to 15, 1955; and

WHEREAS, The theme of the 1955 UCSBC Homecoming at the beautiful new campus at Goleta is "UC Fanta-C"; and

WHEREAS, The Galloping Gaucho Revue, a variety show of many acts, is being given on Thursday and Friday nights; and

WHEREAS, The annual Homecoming Parade is being held on Saturday, October 15, at 2:15 o'clock p.m.; and

WHEREAS, The Homecoming football game is being played on Saturday, October 15, at 8:15 o'clock p.m. between the Santa Barbara College Gauchos and the Los Angeles State College; and

WHEREAS, The City of Santa Barbara and its citizens wish to encourage the activities sponsored by the University of California, Santa Barbara College;

NOW, THEREFORE, I, JOHN T. RICKARD, Mayor of the City of Santa Barbara, do hereby proclaim Saturday, October 15, 1955, as SANTA BARBARA COLLEGE DAY, confident that the citizens of this community will render their usual interest and support of Santa Barbara College Day, thereby enjoying themselves and assuring the College another successful Annual Homecoming.

JOHN T. RICKARD
Mayor of the City of Santa Barbara, California

Election Results

Results from Thursday's and Friday's election have been announced by Margaret Murdock, chairman of the election committee.

President of the Freshman Class is Joe Rank. Ted Zundel was chosen vice president of the Freshman Class. The remaining freshman officers are: Dulce Wilmott, secretary-treasurer, and Neila Weirsema, AWS representative.

Non-freshman officeholders are Dick Goode, men's rep., and Rolland Jacks, AMS vice president. Voters also passed the amendment giving RHA, Pan-Hellenic and IFC seats on Council.

Vacancies Filled

Legislative Council filled three vacancies last week by approving the appointment of three women students to unfilled committee chairmanships.

Nikki Liatas, temporary chairman of Press Control Board, was approved as permanent chairman. Jean Estabrook stepped into the Publicity Committee chairmanship left vacant by the resignation of Colombe Leinau. Marilyn Nollac was chosen to fill the Library Committee position. The Library Committee is a special body, thus appointment was made by AS President Jack Christofferson.

Council also approved Connie Buttitta's appointment as AS office manager.

ISH!

Arnold's back, and *El Gaucho's* got him! Associated Collegiate Press's favorite Clutchmoor student will return to the pages of *El Gaucho* soon. Be sure to watch for him.

WOFSY TO SPEAK ON 'SPAIN TODAY'

Dr. Samuel A. Wofsy, associate professor of Spanish at UCSBC, will speak this afternoon on "Spain Today: Some Facts and Impressions."

The lecture, second of this semester's All-College series, will be presented at 4 p.m. in Bldg. 431, Rm. 102. It is free and open to students and the public.

The speaker, a Spanish scholar and the author of many articles and textbooks in his field, has just returned from the Iberian peninsula, where he spent the spring and summer. Through his contact with the people he has gained many impressions of the country under the Franco regime. He will present these views in his lecture, accompanied by several personal incidents from the journey.

Last week Dr. Norman E. Gabel, associate professor of anthropology at UCSBC, discussed the way of life of the Fiji Islanders, a people inhabiting hundreds of islands in the Pacific. His lecture was accompanied by color slides taken while he was in the area last year on his sabbatical leave.

LOBERO PROGRAM FEATURES HUXLEY

Aldous Huxley, renowned English literary figure, philosopher, and author of *Point Counterpoint* and *Brave New World*, will speak at Santa Barbara's Lobero Theater on Sunday, Oct. 16, at 8:30 p.m.

Although his fame stems from accomplishments as a novelist and essayist, Huxley's subject for the lecture will be the music and art of the Court of Ferrara, center of the arts in Italy during the late Renaissance period.

Huxley's talk will be accompanied by the Gesualdo Madrigal Singers, who will sing music of the Italian Renaissance period. The group will be under the direction of Robert Craft.

Student tickets for the presentation are on sale at the Lobero box office, for only 55 cents. There are also a few complimentary tickets available for students specializing in the subject of the lecture. Students wishing further information on the free tickets may contact Dr. J. Chesley Matthews of the English department, Dr. Theodore Hatlen of the speech department or Miss Shirley Munger of the music department.

WEEK'S EVENTS OUTLINED; GGR DEBUTS THURSDAY

Homecoming 1955 will begin with the Stan Kenton Jazz Concert, to be held tonight in the campus auditorium, and will conclude Sunday morning, Oct. 16, with the organizational breakfasts planned in honor of returning alumni.

Kenton's 'Showcase' Performs Tonight

Stan Kenton's "Jazz Showcase '55" will be presented tonight at 8 in the campus auditorium. The price of tickets is \$1.25, and they may be bought at the Graduate Manager's Office now or at the boxoffice tonight.

"If there is a good showing tonight, there is a possibility of more great performers, such as Harry James and The Lighthouse All-Stars with June Christy, coming to Santa Barbara to entertain the Gauchos," declared Bob Lorden, graduate manager.

Top stars appearing are Conte Condoli, Milt Bernhardt, Sonny Criss, Bud Shank, Russ Freeman, Hampton Hawes, Red Mitchell and Chuck Thompson. All of these musicians are outstanding and have, on numerous occasions, been singled out for awards by such magazines as "Downbeat" and "Musical Merchandise."

Second in the series of events which traditionally compose Homecoming, Galloping Gaucho Review will open its two-night run Thursday evening, beginning at 8 p.m., in the Santa Barbara Junior High School Auditorium. The Special Events Committee has designated Thursday night as student night. For students living on campus, buses will provide transportation going and coming for 50 cents. Tickets for the review go on sale today in the Graduate Manager's Office at the rate of 50 cents for students and \$1 for the general public.

Homecoming Queen
Crowning of the Homecoming Queen of 1955 is slated for Thursday night at GGR, with presentation of trophies for winning skits planned for the climax of Friday's show.

The area in front of the Li-

TICKETS AND HOTEL RESERVATIONS AVAILABLE FOR ALL-CAL WEEKEND

Tickets for the All-Cal games are now on sale at the Graduate Manager's Office. The price is \$1.75 with AS card. Reserved

seats in the students' section may be purchased for \$3.50 by non-students and their families.

Homecoming

Continued from page one

Library will be the scene for the judging of Homecoming Queen candidates to take place Thursday at noon, and contest judges will be Santa Barbara businessmen.

Tickets are good for both the UCSBC-Cal Aggie game in the morning and the Cal-UCLA game in the afternoon, on Saturday, Oct. 29. Unsold tickets must be returned to UCLA one week prior to the game, so Oct. 22 will be the last day of the sale.

Those nominated to wear the queen's crown are: Terry Tisdale, sponsored by Kappa Sigma; Donna Pat Wolf, Chi Omega; Joan Sinclair, Delta Gamma; Carol Lillard, Laurel Hall; Beverly Annis, Alpha Phi; Donna Yount, Alpha Delta Pi; Marcia Tyler, Sigma Kappa; Anna Lee Mitchell, Delta Sigma Epsilon; June Smith, Kappa Alpha Theta; Gretchen Fate, Sigma Alpha Epsilon; and Kathy Riordan, Pi Phi.

For students who do not live in the Los Angeles area and who are unable to stay with friends, reservations are available at the Commodore Hotel in downtown Los Angeles. The entire hotel has been turned over to the University of California for All-Cal weekend, and special rates have been granted.

Parade

Next in the schedule of festivities is the annual Homecoming parade, due to start from the corner of Micheltorena and State Streets at 2 p.m. Saturday. It will move down State Street to Cota Street. Following the parade a rally has been scheduled at the Sunken Garden of the Courthouse to build spirit for the Homecoming game Saturday night against Los Angeles State.

Accommodations will be \$2.50 per night per person. In order to be assured of space, students should get their reservations in early. Send your requests to:

Mr. Millet
 Commodore Hotel
 1203 W. 7th St.
 Los Angeles, Calif.

Dances

Following the game, dances will be held for both students and alumni. The Student Homecoming Dance will take place from 11 p.m. to 1:30 a.m. at the Carrillo Auditorium, with an admission charge of \$1.50 per couple, and dressy sport as the dress for the occasion. Hal Brendle's six-piece band will supply the music.

Alumni Homecoming Reunions Anticipated

Over 1500 grads are expected to gather here for Santa Barbara College's annual Homecoming festivities.

Reunions

The reunions start tonight with the Stan Kenton jazz concert in the campus auditorium, but the real Homecoming for out-of-town grads begins Friday afternoon with alumni registration in the Barbara Hotel.

At 8 p.m. the last showing of the Galloping Gaucho Review will be held at the Santa Barbara Junior High School auditorium. Following GGR there will be the "Night Before" party in the Del Norte Room of the Barbara Hotel.

Alum Breakfast

The second annual Alumni Breakfast is scheduled for Saturday morning from 9 till 12 in the Student Union Patio on the Goleta campus.

The Homecoming parade begins at 2:15 p.m. at the corner of State and Micheltorena Streets and will move down to Cota Street. Immediately following the parade the highlight of the alums' weekend, the alumni cocktail party, will be held in the Carrillo Hotel in the Garden Room. Provost Clark Kuebler has been invited to attend.

Official alumni activities will wind up Saturday night with the Homecoming game at La Playa Stadium against L.A. State and the dance at the Samarkand Hotel following the game.

Parking Problems? From The President's Desk . . .

The fitful wails of students who have to park a block away from their classes and walk have been heard coming up from UCSBC students in great numbers, especially since the landscaping plans have closed many parking areas. Students who feel that they have a hard time of it should consider the problem at UCLA.

Last week the problem there got a great deal of attention. Royce Hall was the scene of a meeting of students and interested faculty to discuss just what is to be done. Suggestions included a plan for all students to pay a fee of \$8.25 per semester for the privilege of parking on campus, the revenue from this operation to be used to build several multi-level garages on campus. Another suggestion was that all future construction on the UCLA campus include a rooftop garage on every building.

So you think we've got problems? You should go to UCLA!

A week ago Monday a special parking committee was assembled by Provost Kuebler to meet with the architects for the purpose of ascertaining and presenting to the Regents the desires of the faculty, administration and students regarding permanent parking on our campus. Donna Pat Wolf and I attended to present the students' view, along with representatives from the administration and faculty.

To recap the background of the why of the meeting, the architects presented a feasible parking plan to the Regents which would allow maximum parking near the new and proposed residence areas, while still retaining the natural beauty of the landscape. This latter to be accomplished by depressing the south parking areas,

creating an artificial lower level, between the women's residences and the cliff line. In a desire to keep the aesthetic qualities of our campus, the Regents rejected the proposal. They would prefer to limit parking to the upper half of the campus. This would undeniably add to the attractiveness of the campus, but would add considerable unnecessary inconvenience to students living in the new halls.

The committee, I am happy to say, was unanimously behind the more reasonable plan of the architects. Provost Kuebler will report these findings to the Regents when they meet next week. I hope that the desires of those who must live with the campus will carry some weight at this meeting.

Jack Christofferson
 ASUCSBC President

LETTERS WANTED

El Gaucho is not only a news sheet, it is also a forum of student opinion. For this reason, students are invited to voice their views, in the form of a letter to the editor, on any subject of interest to students. Drop your letters off at the El Gaucho office behind the Student Union.

CHECK LICENSES

Have your driver's license with you?

Take it out right now and look at its expiration date—it may surprise you.

Capt. Floyd Bernard of the University Police reports that many students have expired operators' licenses and don't know it.

It might save trouble to look at the date on your license and, if it is expired or nearly expired, go down and have it renewed at the Division of Motor Vehicles office on 101 Highway between Canon Perdido and Carrillo Streets.

C'MON POODLE, LET'S DROODLE!

WHAT'S THIS? For solution, see paragraph below.

"IT'S TOASTED" to taste better!

CONFUSION REIGNS in the Doodle above, titled: Switchboard operated by absent-minded Lucky smoker. Poor girl's been swamped by too many phone calls. But she isn't confused about better taste—she smokes Luckies. Luckies taste better, first of all, because Lucky Strike means fine tobacco. Then "It's Toasted" to taste even better . . . cleaner, fresher, smoother. Switch to Lucky Strike yourself. You'll say it's the best-tasting cigarette you ever smoked—and you won't have your wires crossed, either.

DROODLES, Copyright 1953 by Roger Price

Students!
EARN \$25.00!

Cut yourself in on the Lucky Doodle gold mine. We pay \$25 for all we use—and for a whole raft, we don't use! Send your Doodles with descriptive titles. Include your name, address, college and class and the name and address of the dealer in your college town from whom you buy cigarettes most often. Address: Lucky Doodle, Box 67A, Mount Vernon, N.Y.

Sports

SPORTS EDITOR GLENN DICKEY
 ASSISTANT SPORTS EDITOR JORDAN ROMEO
 SPORTS WRITERS Jack Gowan, Gil Romoff, Bill Anderman

SIDELINE CHATTER . . .

by Glenn Dickey

Quick now! What would you say is the most important part of the college athletic program?

If you answered varsity football, varsity basketball, etc., you flunk. The question may be silly but it's just my cute little way of emphasizing the importance of the intramural sports program.

Intramurals Important

The intramural sports program is taken for granted and given very little publicity, but if you think about it you'll see its importance.

We're fast becoming a nation of spectators. This is one of the few chances you get to actually play organized sports unless you are one of the select few good enough to play varsity sports.

Intramural sports can be a help to you socially, also. You meet a lot of kids playing these sports that you probably wouldn't meet otherwise.

We're lucky here at Santa Barbara College because the emphasis is on intramural sports, not on the varsity level. Many of the bigger colleges have it the other way around.

Wide Variety

The program has a wide variety of sports, everything from volley-

ball to touch football. The two sports running now are bowling and touch football.

So, if you haven't already signed up for one of these sports, do yourself a favor and get in the program. The people to see are Dr. Ernest Michael for the Men's Intramurals, and Elvira Skubic for Women's Intramurals.

Cross-Country

I made a very large mistake last week in saying that the Gaucho cross-country squad would be running at home last Saturday. My humblest apologies for those of you who came out to watch the meet. I was only one week off; the meet will absolutely be held Saturday.

Swimming Pool

One of the big advantages of our beautiful campus is the spacious swimming pool. If you can tear yourself away from your studies, try it. The recreational swimming hours are from noon to 1 and 4 to 5 on weekdays and 2 to 5 on Saturdays and Sundays.

Prediction Average

I've been asked by certain people what my prediction average is. Well, that isn't exactly true. What actually happens is that they sidle up to me and say sneeringly, "Boy, are you a lousy predictor!"

Well, it's pretty bad. Only six out of ten (not including last weekend) on football games. However, I did pick Maryland to beat UCLA and the Dodgers to win the Series in seven games—and don't think I'll let you forget it.

Mustangs Dump Gauchos, 19-6

by Gil Romoff

Playing their best game of the season, a spirited Santa Barbara Gaucho eleven held a strong Cal Poly team to a 19-to-6 victory Saturday night on the Mustangs' home field.

The Gauchos took advantage of a Poly fumble on the opening kickoff to score their touchdown. Gaucho Fullback Bob Jones recovered the loose ball on the Poly 38-yard line, and eight plays later Pete Walski passed to Sut Puailoa for the final five yards. The conversion attempt was no good, and at the end of the first quarter the Gauchos led by a score of 6 to 0.

Early in the second quarter the Mustangs marched 57 yards in six plays with Quarterback Vern Valdez tossing a 30-yard pass to End Bud Chadwick for the tying touchdown. The conversion attempt by Valdez was no good.

With five minutes to play in the second quarter, the Mustangs scored via the airplanes again when Jerry Duncan passed 29 yards to End Jim Cox for the go-ahead score. Poly had taken over on the Gaucho 31, following a Gaucho short punt. Jim Africa split the uprights for the extra point, to make the score 13 to 6.

The clock showed but 30 seconds to go in the half when Duke Amcich, Poly fullback, climaxed a 73-yard drive by plunging two yards for the final score of the game. The touchdown was set up by a 46-yard aerial from Duncan to Cox. The conversion attempt

was blocked, and at the end of the half the scoreboard read: Cal Poly 19, Santa Barbara 6.

Cal Poly made the only serious threat in the third quarter when Jim Antoine took a Gaucho punt on the Santa Barbara 40-yard line and returned it 26 yards to the Gaucho 14. The hard-fighting Gauchos held and took over on the 28-yard line.

The Gauchos threatened seriously midway through the final period when they drove from the Mustang 41 to the 9. At the 41-yard line a 15-yard penalty against the Mustangs put the ball on the 26, from where Pat Mills passed to Bucky Baird down to the 15. Dick Juliano carried the ball to the 9, but the drive stalled and Poly took over. The Mustangs immediately retaliated by marching 70 yards to the Gaucho 21, but the stout-hearted Santa Barbarans were up to the task and took over on the 20-yard line.

Cal Poly easily led in the statistical department by compiling 259 yards rushing and passing to Santa Barbara's 124 yards. The Gaucho quarterbacks completed nine out of 20 passing attempts for 61 yards while Poly found the range on six out of 13 for 140 yards.

The score by quarters:
 Santa Barbara 6 0 0 0—6
 Cal Poly 0 19 0 0—19
 Touchdowns—Santa Barbara: Puailoa. Cal Poly: Chadwick, Cox., Amcich.
 Conversion—Cal Poly: Africa.

Cross-Country Team Defeats Westmont

Led by ace distance runner Gordon McClenathen, a strong Santa Barbara College cross-country team opened its 1955 home season with an impressive 24-32 victory over Westmont College last Wednesday.

The meet was held on the Gaucho course over a 3½-mile distance, the first time that this length has been run on the Gaucho campus.

In a cross-country meet, each man gets as many points as his place in the race, i.e., one point for first, two points for second, etc., so the team with the lowest score is the winner.

McClenathen romped to an easy win Wednesday, finishing nearly two minutes before the second-place finisher, Ken Paul of Westmont. Gordy's time was 18:43, Paul's was 20:38.

Other finishers and their times: Jerry Quintana, Santa Barbara, 21:52; Dick Richards, Santa Barbara, 22:00; Royce Cox, Westmont, 22:06; Jim Proctor, Westmont, 22:38; Al Scham, Santa Barbara, 22:40; John Obermeyer, Westmont, 24:43; Anthony Brambilla, Santa Barbara, 25:15; Eugene Hatfield, Santa Barbara, 25:16, and Gordon Johnson, Westmont, 26:25.

UCSBC's Women's Athletic Association will hold a playday with Westmont College on our campus Tuesday afternoon, Oct. 18.

Sports included in the playday will be volleyball and recreational swimming. Any women interested in trying out fro teams are invited to come out for practice today at 4 p.m. on the outdoor volleyball courts, according to Deanne Winchester, WAA publicity chairman.

GORDON McCLENATHEN, star Gaucho distance runner, again showed his heels to the opposition as he finished first in the cross-country meet with Westmont last Wednesday.

RCB In Third Year

Entering its third year of service to the UCSBC student body, the Recreational Control Board is headed this year by Miss Pat Bishop.

The RCB controls and co-ordinates all student sports activities with the exception of the varsity sports. Under its jurisdiction fall all intramural sports, individual tournaments, athletic exhibitions, and the like.

Three of the most popular annual events sponsored by the RCB are the swimming meet, held this year on Nov. 4 (chairmen: Wini Munson and Mark Oliney); the badminton tournaments, held Sunday afternoons on dates yet to be decided (chairmen: Martha Jewette and Van Chandler), and the tennis tournament (chairmen: Ken Bernard and Clara Brianés), which will be held later in the semester.

One of the most successful events sponsored by the RCB last year was the folk dance held in the X-Room of the Las Casitas dining hall.

The Panhellenic representative of the RCB is Miss Barbara Gay. The Inter-Fraternity Council representative, the Mesa campus representative and the publicity chairman for the RCB had not yet been selected when this issue went to press.

Such coed activities as beach parties, bowling, hiking, folk and square dancing, fencing clubs, archery clubs, riding clubs and golf have been or will be organized upon demand from the students. Any such requests should be submitted to Pat Bishop, AS office, or to the RCB, which meets at 12 o'clock every Thursday in the AS Conference Room.

Women's Physical Education Program

by Jack Gowan

This year's Women's Physical Education program, directed by Dr. Jean Hodgkins, offers a wide variety of activities. Among others, such coed courses as social dance (from the waltz to the mambo), synchronized swimming, fencing and modern dance are included in the curriculum.

Modern Dance seems to be one of the most interesting courses offered. It is not a dance one would perform on the dance floor; you might compare it to ballet, but there is a very real difference between the two. Miss Margaret Diets, instructor of the course, explains it this way: In ballet, an external force (predetermined steps and movements) act upon the individual as he

strives for expression; in modern dance, there is no external force to govern the movements of the dancer. The determining factor of the individual's movements comes from within himself. His gestures, movements and steps are an expression of his inner feelings.

In the last year there has been a 30 per cent increase in the number of Women PE majors, who now number 83. After a thorough background in physical and biological sciences, psychology, psychology of exercise and kinesiology (which muscles do what in a certain action), the graduates go on to teach, instruct in the YWCA, give physical therapy, or do Girl Scout work. The pay is good. Starting salaries average about \$4,000.

HOMECOMING IS APPROACHING . . . !

So don't get caught with your wardrobe in need of cleaning and pressing. We will gladly take care of your last minute needs.

CAHPER HAS FIRST MEETING OF YEAR; GROUP COMMENDED

The first meeting of the California Association for Health, Physical Education and Recreation was held last Tuesday night in the Education Building. Dr. Art

Hawks, Physical Education Coordinator for the Los Angeles County Schools District, spoke on "The Professional Obligations and Competences Expected of a New Teacher."

Besides his main topic, Hawks also discussed some of the major organizations a new teacher could belong to in the fields of physical

education, health, recreation and teaching.
 Dr. Hawks congratulated the Santa Barbara College unit for having the highest membership of any student unit in the state. Los Angeles State is the nearest rival with 24 members. Up to date there are 64 registered members in the Santa Barbara unit.

The new faculty members of both the Men's and Women's Physical Education departments and the post-graduate students working on degrees were introduced by the department chairmen. Edly Day, the president of the student unit, introduced the new officers for the coming year.

After the meeting refreshments were served during the social hour.

Notices will be posted announcing the next CAHPER meeting. For information, contact the following people: Edly Day, Edress Gilbert, Clare Pope and Ruth Billups, in the women's PE department, and Jim Schaffer, Lee Powers, Norm Stelle and Jack O'Cain in the men's PE department.

GRADUATES MEET FOR JOB CRITIQUE

Two meetings designed to acquaint seniors graduating in February, June or August, 1956, with the facilities of the Placement Bureau have been arranged, according to E. L. Chalberg, placement executive.

The first meeting, tomorrow, has been planned for graduates who will receive teaching credentials during the year 1956, and the second meeting, on Oct. 26, is for non-teaching majors, Chalberg explained. Each of the meetings will be in Bldg. 431, Rm. 102, from 4 to 6 p.m.

The placement executive explained that representatives of schools, industry and business are constantly communicating with the UCSBC Placement Bureau, in their search for employes, and a goodly number of them visit the campus each year to interview graduating seniors.

Chalberg added that a number of 1955 graduates secured positions through interviews arranged by the Placement Bureau, and that registration with the Bureau "puts another iron in the fire in the graduate's quest for a job after graduation."

OXFORD OFFERS SCHOLARSHIPS

Applications are now being received for Rhodes Scholarships, providing two years of study at Oxford University.

Students must be male American citizens between the ages of 19 and 24, unmarried, and must have at least junior standing in order to be eligible. Recipients of the scholarships will receive 600 pounds for each of the two years.

Candidates are selected primarily on the basis of scholarship and character, with leadership and physical vigor also being taken into account. Interested students should make immediate arrangements for an interview with the institutional representative for the scholarships, Douwe Stuurman, Assistant Professor of English. Appointments should be made in advance with the English department secretary, and all applications must be presented by Friday, Oct. 21.

RHA Election Results

Dave Slagle was elected president of the Residence Halls Association at a meeting held Wednesday evening, Oct. 5.

Others elected include Jim Cameron, vice president; Nancy Powel, secretary, and Jack Taylor, treasurer.

Included on the agenda were setting of definite meeting time, deciding upon a date for the residence halls open house, and appropriating of money for Homecoming float entries.

Meeting time was set at 4:45 every Wednesday afternoon. Tomorrow's meeting will be held in Sycamore Hall.

The residence halls will hold their open house on Sunday, Oct. 16.

Seventy dollars was appropriated from the RHA Council to be given to the three halls which are officially entering floats in the Homecoming parade.

Club Notes

RALLY COMMITTEE will have a meeting tomorrow at 4 in Bldg. 431, Rm. 101.

TRI-BETA, national honorary society in the biological sciences, filled the science auditorium last Thursday evening for its first meeting of the semester. Dr. Demorest Davenport showed brilliant color slides of a recent deep-sea diving cruise off the La Jolla coast. Marine life was found to be abundant. Bright colors and strange forms filled the dredging nets. New members were greeted by President Arnoldo Solis, and the group will continue to welcome all interested students and faculty members to its meetings.

LE CERCLE FRANCAIS will hold its regular business meeting at noon today in the X-Room opposite the Las Casitas dining hall. All members should be present to vote on important project plans. Campus residents may carry lunch trays to the X-Room, and anyone else who wishes to bring a lunch may do so.

AS PUBLICITY COMMITTEE will meet today at 12 o'clock in the AS conference room. All interested persons should be present.

AMS SEES PEAK SEMESTER AHEAD

Plans for this semester's Associated Men Students' activities have been outlined by Dick Love, president. "AMS has had a record sale of memberships," said Dick, "and we intend to make this a record semester all around."

A smoker has been scheduled for some time this month, in addition to the traditional AMS Steak Fry.

This year, for the first time in its history, AMS has received an appropriation from the Associated Students, which will enable it to have more and better events.

A new feature will begin this Friday. On that day and every Friday *El Gauchito* will publish an AMS card number. The holder of that number will receive a free gift from a local men's shop. "Any AMS card may be a winner," said Dick, "so be sure to watch *El Gauchito*—it might be your number!"

COFFEE SHOP HOURS

Ever wondered just how early or late you could get a cup of coffee or something to eat on campus?

Announcement of the regular schedule of hours for the coffee shop, located in the Student Union, has been made by Herb Harbeson, residence manager.

Monday through Thursday the coffee shop will open at 7:30 a.m. and close at 10:30 p.m. It will open at 7:30 on Friday mornings and close at 5 p.m. Sunday's hours are from 3 p.m. to 10 p.m.

Music Dept. On Air

On Thursday, October 13, the UCSBC Department of Music will present a half-hour program over radio station KDB, the first of a series of weekly programs scheduled for each Thursday night from 8:30 to 9 o'clock.

Present plans call for the series to be run in groups of four, three devoted to music and one devoted to a panel discussion by members of the faculty and students.

Thursday's program will be the first of four devoted to the serenade as a musical form. The music will be recorded.

BUS PROVIDES RIDES TO CHURCH

Free bus transportation, sponsored by the Ministerial Union of Santa Barbara will be provided on Sunday for those resident students wishing to attend church in Santa Barbara.

Beginning Sunday, Oct. 16, the bus service will be offered on a trial basis to determine the need and use. If sufficient use is made of it, the schedule will be continued.

Leaving the campus at 10:20 a.m., the bus will pick up students in front of the Science Building, to take care of the Las Casitas Halls, and in front of the New Residence Hall for Women. Provisions for returning to the campus will be made. The Ministerial Union will pay for the cost of this service.

Another free bus will leave the campus at 6:30 p.m. Sundays for evening services and meetings. This trip will return to the campus at 9 p.m.

YOUR BIG RED LETTER DAY

the day you change to

1. SUPERIOR FILTER Only L&M gives you the superior filtration of the Miracle Tip, the purest tip that ever touched your lips. It's white . . . all white . . . pure white!

2. SUPERIOR TASTE L&M's superior taste comes from superior tobaccos — especially selected for filter smoking. Tobaccos that are richer, tastier . . . and light and mild.

50 million times a day at home, at work or on the way

There's nothing like a

Coke

1. PURE AND WHOLESOME . . . Nature's own flavors.
2. BRIGHT, EVER-FRESH SPARKLE . . . distinctive taste.
3. REFRESHES SO QUICKLY . . . with as few calories as half an average, juicy grapefruit.
