## UCSB Recruits One, Returns One

The UCSB men's volleyball team has signed a local star to come play for it starting next year.

Jeff Mine, a product of Santa Barbara High School, signed a National Letter of Intent to play for the Gauchos, coming off a 9-15 season (5-14 in the Mountain Pacific Sports Federation).

Mine, a 6'3" setter, earned All-CIF and All-Channel League honors as a junior, and this past year he led the Dons to a #8 ranking in CIF

Division I. Mine also plays outside hitter and blocker.

"Jeff is an extremely hard worker with very good, quick hands," UCSB Head Coach Ken Preston said. "His placement is excellent and he 'delivers the mail,' so to speak. I'm very excited that he chose UCSB to continue his career. It is so nice to see great local talent want to stay in Santa Barbara and compete for their hometown university."

The Gauchos also will be joined by former All-American Todd Rogers for

next season. Rogers, who was a two-time All-American at UCSB, will be an assistant coach, replacing current Assistant Coach Lee Nelson. Nelson has accepted an assistant coaching position with the women's volleyball program at the University of Nevada.

"We are excited to have Todd Rogers back in the Gaucho program," Preston said. "He was an outstanding player for us, and I expect he will experience the same success as a coach."

— Matt Hurst
