## Dexter Addresses Assembly on Friday

### Many Receive Honor Awards

#### Gold Watches, Football Given

Recipients Include Frosh,  
Varsity Gridders, W.A.A.  
Women, Musicians

• A rousing awards assembly was held yesterday morning in the auditorium and was attended by the majority of the student body who gave enthusiastic applause to our valiant athletic teams.

Under the direction of Danny D'Alfonso, Student Body President, the awards were made by the respective heads of the various teams.

Miss Gladys Van Fossen explained that the Women's Athletic Association presented their awards to the girls on achievement of a variety of skills rather than on a record attained in a single activity. The class numerals were then presented to Bobbie Ellis, Mary I. Gibson, Rosemary Kauffman, Jessie Lady, Lucille Ormonde, and Iva Walsh. Two of the girls received white sweater coats in recognition of three years outstanding activity; these were to Rosie Pagliotti and Rena Sacconaghi.

#### Cross Country Awards

Next the cross-country runners received their awards from their leader, Dr. Mather. The men honored were: Wells Gibson, Paul Davis, a newcomer to our cross-country team; Ed Loudenclos, Ronald Viets, Fred Beckman who set a new freshman record for the college and Wally Holden.

The freshman football team was introduced and presented their awards by "Coach" Freidburg. Each man received a green sweater. The awards went to Dick Watson, Don Brown, Art Swenson, Bill Duncan, Ted Todd, Art Artuso, Ben Pitcher, Benny Wallace, Fred Baer, Bill Sears, Francis Schwab, Ed Larsen, Ray Mathews, Rex Walker, Howard Joham, Jack Richards, Alf Pierce, Bruce Davis, Roy Bell, Ed Dzielski and Bill Stauss.

#### Pig Skinners Recognized

Coach "Spud" Harder presented his varsity football team which did so splendidly last fall. The awards were given, explained the coach, for

#### Former Stater Dies in Plane Crash in South

• Virgil G. Wilkinson, 44, a former student of Santa Barbara State, was killed Saturday when the plane that he was piloting crashed. Witnesses of the crash stated that he was stunting when the plane went into a tail-spin killing Wilkinson and a companion that was riding with him. Both occupants of the plane jumped and their bodies were found some distance from the wrecked plane. The rip-cord of the parachutes had not been pulled.

Wilkinson was the president of the Aviation club here last year and had acted as aviator instructor at the local high school and at Goleta. He served in the World War as a pilot.

#### Women Travel on Hike Saturday

• Members of the W. A. A. will sponsor a city hike Saturday, February 12, starting from the gym and taking in the museum and court house on the charted trek for the afternoon. The group will leave the college at 1:00 p.m. under the direction of Jane Ronner.

The trip will last until 7:30 p.m. and nosebag suppers will be carried. Supper will be in Oak Park in the evening. Hikers have been asked to bring a dime for cocoa.

#### Housing Chairmen Request Aid

• Ninety musicians wandering the streets of Santa Barbara in the cold!

Although this is an exaggeration of the actual conditions, members of the housing committee, Charlotte Naess and Ronald Crary, for the All-College Symphony concert next Tuesday, are clamoring for more accommodations for both men and women.

Rooms for the Associated Students' guests will be required for three nights beginning Sunday. An optional obligation is the serving of breakfast to the guest.

#### Staters Play in Concert

Four Seniors Prepare for  
All-College Symphony  
Here, February 15

• Eleven local students will carry the banner for the Santa Barbara State college during the performance of the Eighth Annual All-College Symphony orchestra, under the direction of Henry Eichheim, world-famed conductor and composer, at the Lobero theater on Tuesday evening, February 15.

Four seniors graduating in the June, 1938 class will conclude college symphony activities on next Tuesday. They are: Ed Cole, who is acting as business manager for this year's concert and has held a chair at the annual performance for five consecutive years; Fred Lambourne, symphony librarian, who has played for six years; Elmer Neibuhr, who will perform for his fourth year; and Ronald Crary, housing committee member, who will complete his second year as a musician in the group.

#### Need Housing

The main problem of the All-College symphony, this week turned from the aesthetic to the more practical side of the occasion when Charlotte Naess and Crary reported that housing accommodations for the visiting musicians was not being provided very rapidly by the students here at the college upon whom the responsibility for the success of the affair falls, as the musicians are the guests of the Associated Students.

Miss Naess is in charge of accommodations for the women and Crary is in charge of men's quarters. Both ask that if anyone has room for one or two guests over the four-day period, they contact one of the committee immediately.

#### Musicians Attend Tea

Monday, the attending musicians will be feted by the Associated Students with a tea, sponsored by the Associated Women students during the afternoon, and a dance from 8:30 to 11:30 in the evening, under the auspices of the Associated Students.

Bradford Tozier, now in attendance at the University of California at Los Angeles will be here to take part in the symphony. Tozier was a student here for several years and was concertmaster in 1936 for the Symphony.

#### Tickets on Sale

Exchange tickets have gone on sale by the sales committee, headed by Terry Boyer, and local social fraternities and sororities. Student admission price is 50 cents with the presentation of the Activities' book.

Other students taking part besides Cole, Lambourne, Crary and Neibuhr are: Ruth Bethune, Edward Craviotto, Beatrice James, Colleen Murphy, Marjorie Seaver, Helen Simons and Harry Stewart.

#### Dr. Walter Dexter

#### Delta Sigs Top Term Grades

Alpha Thetas Place Second  
in Scholastic Rating  
for Sororities

• Delta Sigma Epsilon led the sorority grade averages last semester with an average grade of B minus, 2.28 points, made by their 13 members, according to a report released from the administrative offices yesterday. Alpha Theta Chi was next in line with 18 members having an average of 2.23, a B minus. Following were: Phi Kappa Gamma with 18 women and an average of 2.45, a B minus; Gamma Delta Chi, 11 women, and an average of 2.49, a B minus; Tau Gamma Sigma 15 women, and an average of 2.55, a C plus; Areta Gamma, 8 women, and an average of 2.59, a C plus; and Delta Zeta Delta, 15 women, and an average grade of 2.67, a C plus.

For the last four years the Pan-Hellenic Association has presented a cup to the sorority making the highest grade average. Last year this cup went to Phi Kappa Gamma. The two preceding years Delta Sigma Epsilon won the cup.

Of the 88 members of sororities, 83 made a C average or better. Only five women failed to make this average. In four sororities every member made grades to average a C or better, according to Miss Lois Bennink, dean of women.

#### APPLICANTS FOR REVUE ASKED

• Tryouts for the annual Roadrunner Revue which were scheduled for this afternoon have been postponed until a later date, was the announcement made by Petie McKinney of the executive committee.

Staff positions for the annual event are now open to those who are interested. Those places open for which written applications are required by Thursday, February 10, include the revue director, a general manager, dance director, makeup chairman, ticket sales manager, publicity heads, and advertising manager.

A meeting of the executive committee for the revue has been scheduled for Thursday afternoon at four o'clock in room 52.

#### NEW SYSTEM INAUGURATED

• A new system is being inaugurated by Dale McNeice, president of the Industrial Education department, for the Tuesday meetings of the group. Under the plan the department will have breakfast meetings in the college cafeteria second hour allotted to departmental meetings.

In these breakfasts there will be special entertainment, speakers and other items of interest to the members of the club.

Full Attendance Urged at Lincoln Day  
Gathering for Walter Dexter Talk,  
Honoring of Library Donor

• Appearance of Dr. Walter F. Dexter and unveiling of a portrait of William Wyles, donor of the Lincoln library, will feature the Lincoln day program Friday, February 11 in the auditorium during third hour. #### William Wyles

Dr. Dexter, who is superintendent of public instruction and ex-officio director of education for the state of California, will address the student body in commemoration of Abraham Lincoln's birth which falls on February 12. As there is no school on Saturday Friday has been set as the day of celebration in the public schools of California.

#### Review Former Talk

In a previous appearance here last year Dr. Dexter spoke upon the question "By What Standards Shall We Meet Our Problems" in which he dealt with the coordination of the individual and society. Discussion at that time touched upon intrinsic values in a physical standard, ordered freedom and absolute liberty. In finishing his speech Dexter listed the essentials of coordination of society and the individual as self-restraint, self-reliance, and responsibility.

Dr. Dexter has long been in educational positions and previous to his present position was president of Whittier college for ten years. Educated at Penn college, Iowa, Columbia and Harvard he early held the position of head of the department of education at Earlham college in Indiana. From there he went to Whittier and later to Sacramento.

#### Portrait in Library

The portrait of William Wyles will be hung in the Lincoln library immediately following the assembly period with Dr. Dexter and other guests present at the unveiling of the portrait. The painting is by Clarence

● In all fairness to those who study conscientiously throughout a semester, and pass their courses in an approved style, the re-admission of some two dozen students who flunked is not highly conducive to further scholastic enterprise. The basis for this editorial is the attitude of a large part of those readmitted persons who brag, boast and banter about their acceptance back into an institution of learning, due to causes which do not have any connection with sound reasoning for such readmittance.

It is widely believed in many quarters that a relatively large percentage of young people in college do not belong there. It would be an excellent idea if followup studies were made of those readmitted to determine if these students earned that right in times to follow. Many of these are "chronics" who can always be counted on to fail to do class work, to attend classes, or to add anything of good to class discussions. They are usually the disturbing element of college, especially in the social life, persisting in anything but "intellectual carousing." Neither can these individuals be dealt with from a restrictive approach. A non-residence college has not the least possibility of governing the outside activities of individuals who do not value their education enough to take their work seriously. In this connection it will be found that the majority of those flunking out are not doing so because of over-work or financial reasons.

With a college which has far outstripped others of its type in California in enrollment, the healthiest situation, it seems, would be to enforce the ruling in cases such as these. We do not aim to criticize the board who allowed them to return, but we can see no reason why some professors change the grades of such students in order to make their return possible. All the personal influences and pressures that are brought to bear on these individuals who must, by their positions, consider these cases, is made doubly hard by the practice of readmitting some and not others. The whole procedure we think is unfair. As a general rule, the student is given the benefit of a doubt by teachers in the grading, is given as much leeway as possible in turning in papers and reports. That is fine, and enough. Why hamper those who are serious in their college careers by a very small minority, whose abilities and lack of purpose makes them undesirable.

We do not believe that harshness in cases such as these is unmerited or "mean" either. It should not be a personal issue between the readmission board as it is if personalities are to be dealt with as was true this semester. To those students who are returning under such conditions, the true importance of such leniency should be realized and bring them back to their senses, back to earth enough that they will cease wasting their time and that of others and get to work.

### Tracy's All-Stars Defeat Gaucho Baseballers

● Using sixteen men in an attempt to find out the prospects of 1938 baseball Jimmy Van Meter's All-Stars went down to defeat before Tracy's All-Stars Sunday afternoon on Cabrillo field by a score of 3-2. Playing before a crowd of 600 people the Gauchos gave the semi-pro stars a run for their money with Jimmy Fitzgerald holding the opponents to eight hits.

Tracy's men won the game in the seventh inning when Gene Lillard of the famous Lillard brother combination hit the ball in the outfield for a three-bagger and made home on a single by Bud Howerton, pitcher for Tracy's. Lillard was held from completing the circuit by a bit of snappy fielding by Clair Busby.

Runs chalked up for the Gauchos were both made in the third inning when Busby scored a double and brought in two men. The other run by Tracy's came when Sanchez tallied in the first inning on a Gaucho error.

Batteries for the two teams were Fitzgerald pitching to Wilson and Howerton to Alonso.

### Ellison, McPeak Attend Lincoln Meeting

● Dr. William H. Ellison and Miss Rea McPeak, director of the Lincoln Library of the State college and members of the Lincoln Fellowship of which Dr. Ellison is vice-president, attended the third annual meeting of the Lincoln Fellowship of Southern California which was held at the Rosslyn hotel in Los Angeles, Saturday, February 5.

Dr. Louis A. Warren who is director of the Lincoln National Life Foundation at Fort Wayne, Indiana, was the honored guest and the main speaker of the day. The Lincoln Foundation of which he is the head is said to be the largest collection of literature about one man ever to be assembled and the center of Lincoln information in America.

Dr. Ellison was reelected to the position of vice-president.

Dr. Warren addressed the group on the "Early Contributions to Lincoln's Statesmanship." There have been several schools of thought in the United States trying to account for Lincoln's greatness, and of these Dr. Warren gave a brief survey in which he included extensive proof to indicate that Lincoln came from the leading families of early New England.

# 1,000 Tobacco Farmers Bank on His Judgment

John L. Pinnix—Independent Warehouseman—is one of many tobacco experts who prefer Luckies...

IN THE warehouses Mr. Pinnix has managed in Georgia, North Carolina, and South Carolina, 46,000,000 pounds of tobacco have been sold. Farmers travel many miles to bring their crops to Mr. Pinnix's warehouse for sale. Reason is that they respect his tobacco experience and business integrity. So surely Mr. Pinnix's views are worth your respect, too.

"At every market I've ever attended," says Mr. Pinnix, "Lucky Strike has bought the ripest, mellowest tobacco offered. That's why I've smoked Luckies ever since I first became a warehouseman 20 years ago."

Mr. Pinnix's statement is borne out by sworn records which show that, among independent tobacco experts—auctioneers, buyers, and warehousemen—Luckies have over twice as many exclusive smokers as have all the other cigarettes combined.

RUSSELL BLANCHARD,

# Gauchos Ruggers Lose to Stanford, 9-6

## Staters Drop Close Game Monday

Local Team Gives Indians Tough Battle in First Rugby Encounter

• Stanford university rugby team won a narrow 9-6 decision from Coach John Pettus' fighting Gauchos of Santa Barbara State in a hard fought game witnessed by a large gathering of fans in Peabody stadium last Monday night. Starting slowly in the first half the Gauchos gained momentum to out-score the red-shirted Indians in the second stanza and come within one goal of tying the score.

Leaving the field at half time with a 5-0 lead, the Indians quickly added 4 more points as their kicking star, Richardson, drop-kicked a goal from the midst of a group of players to bring the score up to 9-0 in favor of Stanford. The Gaucho team then got underway and quickly worked the ball down toward the Stanford goal where they were awarded a free kick. From a difficult angle, Captain Doug Oldershaw hoisted the pigskin through the uprights for three points. A few minutes later the Gaucho forwards rushed the ball down field and again Captain Oldershaw took advantage of a Stanford penalty to add three more points and bring the score up to 9-6.

### Bid for Tie

The Gauchos made a serious bid to tie the score before the game ended as Howard Yeager took a Stanford kick and returned it far down the field before he was stopped. The ever-troublesome Indian backfield took charge at this point, however, and the ball was in Santa Barbara territory as the game ended.

Stanford had more success in getting the ball out of the scrum than did the Gauchos, and consequently their backfield was given more of a chance to break loose. The Santa Barbara offense was halted time after time by penalties just when it seemed that the backfield would get underway.

### Ruggers Praised

Coach John Pettus and the entire Gaucho team should be complimented for their game against the championship Stanford team, which only last Saturday thrashed U. C. L. A. 12-3. The Indians had their hands full, and one break could have very easily have given the game to Santa Barbara.

It is very difficult to pick out star players in rugby, as teamwork is so essential. Captain Doug Oldershaw was the outstanding player on the field, and his defensive work in addition to his kicking were exceptional.

## College Acrobats Form Gym Club

• Discussing plans for the next few months, the Gym club met Friday afternoon for their first meeting of the spring semester. Norman Thompson, president, spoke to the members reviewing what activities the club had put in progress in the previous year and expressing the hope that this year might be even more successful. Plans were made for future meetings and chances of gymnastic meets with outside schools were discussed.

Dr. Noble, sponsor, reminded members that there is a probability that a meet with the University of California at Berkeley frosh might be scheduled if members of the Santa Barbara Gym team could work into shape in time. The Santa Barbara Gym team made quite a success of the first annual "Gym-Jinx" which was held during the last school year and it is hoped by the members for even greater success.

Cliff Romer

Clyde Frisholtz

• For the most improved line play Cliff Romer received a gold watch yesterday morning in the assembly while Clyde Frisholtz received a like award for improved backfield. Romer was the most sensational development of the State line as he was not even mentioned at the beginning of the season but by sheer effort and sound training made himself one of the real powers. Frisholtz was the man who stepped into the shoes of Bobbie Morelli and kept the Gaucho backfield intact when Bobby was driven off the team by intercollegiate controversy.

## Coaches Give Out Honor Awards

(Continued from Page One)

100 minutes of actual playing in at least five games. There were three types of awards. For the first year there are light weight sweaters; for the second a choice of a heavy sweater or a blanket; and for the third year a gold football upon which the name of the player is engraved. Light weight sweaters went to James Witt Trehitt, Charles Bailey, Stan Wilson, Allan Sprague and Jack Erbes. Three managers also to receive the coveted sweaters were: Gordon Woosley, Walter Allman and Richard Chatten.

The following men were presented the heavy sweaters: Fred Monson, Clair Busby, Oliver Seeley, and Nate Johnson. Al Young and Joe Stockstill chose the blankets. Special awards were tendered to Bob Morelli, who received a gold football and to Peirino Merlo went a sweater.

The team voted Doug Oldershaw as honorary captain of the football team for the 1937 season. All during the season Oldershaw was merely acting captain in the position of appointed captain. The most outstanding man to the team for the season went to Howard Yeager. Two gold watches were donated by the local jewelers, Gensler-Lee for two men showing the most improvement throughout the season. From the

## Gauchos Lose Hoop Game to Oxy

Varsity Drops Two Games While Freshmen Lose to Tiger Frosh

• Unable to cope with the speed and consistent attack of Bill Anderson's Occidental five, Coach Willie Wilton's quintet dropped a pair of basketball games last Friday and Saturday. The contests were staged at the armory and were witnessed by a fairly large crowd.

The addition of Bill Russell, White, and Eastham, new members of the casaba squad, greatly improved the Gaucho attack. At times the Hill-toppers looked to be a much better team but defective guarding at crucial points in the contest gave the southern five the edge. Friday night the Tigers scored 12 points from free throws and Saturday they scored 9 points from "charity tosses."

In both games the Gauchos outplayed the visitors in the first half only to fall down in the second half. Friday the score at half-time was 17-16 in favor of Oxy and Saturday the Gauchos trailed 17-14 at half-time. Saturday the local five worked the score down to 32-28, but at this time Bob Carley, six foot three Oxy center, crashed through to score a pair of field goals and sew up the ball game.

Bill Russell was the high scorer in the series with 18 points. "Tooley" Palmer and Bill Howsman were next in line with eight and six digits respectively. Greenlee, Carley, and Caldwell were outstanding for Occidental.

In the preliminary game Saturday night the Gaucho frosh dropped a 38-34 decision to the Oxy yearlings. The Hill-toppers carried the battle most of the game but free throws proved to be the difference between defeat and victory.

The game was a thriller as the lead sea-sawed back and forth several times. The "Peagreeners" displayed a fighting spirit but the visitors had a smoother attack. Benny Wallack and Bill "feed me" Sears were high point men with ten points apiece. Lyman and Conrad also played a creditable floor game. Broughton paced the invaders with 11 points.

If available funds are found to pay expenses the Frosh will battle the strong Whittier frosh this coming weekend at Whittier.

### NOTED CHINESE ENROLLS

• A grandson of Sun Yat-Sen, "Father of the Chinese Republic," has enrolled at the University of California for the winter semester. He had been studying political science at Shanghai until Japanese bombs destroyed the institution.

backfield Clyde Frisholtz was selected and from the linemen, Cliff Romer.

Dr. Jacobs presented gold footballs to the seven men who have now completed three years of fighting football on the college gridiron. These men to achieve the honor and the awards were Frank Hayman, Don Hart, Danny Mulock, Dave Pollock, Howard Yeager, Doug Oldershaw, and Bob Morelli.

## SPORT SHORTS

By WALDO PHELPS

• After looking over the lineup of rugby players who performed against Stanford the other night and seeing how many football players were included, it seemed like a good idea to find out how the players compare the English and American sports.

Jim Woody, first string tackle last year on the football team, prefers playing rugby to football. "The game may not be as interesting to watch, but it is more fun because everybody gets a chance to handle the ball and there are no set assignments." Jim also added that the game was more strenuous than American football, because play is more continuous and the ball shifts rapidly from team to team.

Dewitt Trehitt, a lineman on both the football and rugby teams, thinks that it is necessary to be in better condition for the English game. "I wouldn't say that I like rugby better than football, but you have to like rugby well to want to play it." Trehitt said, "It is more like basketball in respect to the condition you must be in to play it."

Other players voiced sentiments much in line with those of Woody and Trehitt. They like the fact that while rugby as a team game, it is also a game in which each individual player has an equal opportunity to run, kick, and score. The more continuous type of play, with rapid shifting of the ball from team to team came in for plenty of comment.

From the spectator's point of view it is hard to tell for the most part just how exciting the game is, for most of us are not too well acquainted with the rules and regulations of the game. However, a noticeable improvement in the knowledge of the audience was apparent Monday night by the time the second half rolled around. So don't stay away from these games just because you are afraid you won't understand what is going on.

## Phi Kappa Gamma Entertains Prospective Rushees

### Second Rush Event Features Nautical Theme, Members Plan Meeting

• Active and alumnae members of Phi Kappa Gamma social sorority were hostesses to prospective rushees at a nautical party held at Margaret Baylor inn, last evening. The affair began at 7:30 o'clock and lasted until 11:00 o'clock.

As the guests arrived they were brought aboard the S. S. Phi Kap, where fish nets, sail boats, lanterns and ship bells provided decorations in the nautical theme which was carried out throughout the entire evening.

Various deck sports and ship-board games were played throughout the evening with prizes being awarded to high, second and low scores. Guests progressed from table to table as the ringing of the ship's bell ended each playing period. Gwelda Loyd, rush captain, was general chairman of the entertainment committee.

After prizes were awarded, those attending took their places at long tables which were marked by nautical favors for the guests. After refreshments were served the sponsors, Miss Sehon and Mrs. Berger, Mildred Wright, alumnae representative and Theda Call, president of the organization spoke briefly.

A meeting of the sorority will be held Wednesday evening, February 16 at the sorority clubroom.

### State Holds Yearly 'Symphony Hop'

• Honoring visiting members of the Southern California All-College symphony, associated students of state will hold their annual "Symphony Hop", the only school-nite dance of the year, next Monday evening, at Rockwood.

Fred Lambourne and his Collegians will furnish music for the event, which will last from eight-thirty until twelve. As it is the first dance of the Spring semester, a large crowd is expected, according to Bill McKenzie, college social chairman.

For the benefit of new students, student body books are required for admission. Those not having books will be charged 50 cents each. This fee will be refunded at the office of the dean of women if called for before Wednesday noon.

Guest cards will be issued to all visiting musicians, who will arrive at the dance following the last rehearsal for the symphony which will be given Tuesday night.

• The Arkansas Traveler, student newspaper at the University of Arkansas, is doing its part to solve the unemployment problem. A free agency established on the campus by the paper offers to interested townspeople the services of students as tutors, typists, odd-job men, nurse maids, chauffeurs, store clerks, dish washers and waiters.

## Tau Gama's Plan for Rushing Event

The annual rush party will have a Swiss theme, to be carried out in decorations and wearing apparel of the sorority members. Lyndell Brundige is social chairman for the group.

## Pu Ko How Chooses New Officers

• Incoming officers of the Pu Ko How, social club, elected at a recent meeting, included Viola Meroney, president; Mary Tone, vice-president; Sally Chavez, secretary; Pauline Stoops, treasurer; and Ruth Weller, publicity manager.

Mrs. Marie June Davis and Miss Vera Wright will act as sponsors of the club for the next semester. Fifteen couples attended a progressive dinner held February 5 by the organization.
