The Carpinteria Chronicle

State Tables Proposed
Change in 80 for Present

There is apparently little hope of relocation of a portion of Route 80 near the Carter and Butler ranches within the next two years according to a letter received from Supervisor Thomas Dinmore from L. H. Gibson, State Highway Engineer for this district but funds will be asked for the improvement of poles and trees along Los Llanos and Highway 101 during the next few months.

Some time ago Dinmore asked the State Highway Department to locate a section of Route 80 to eliminate two sharp turns and a number of small culverts and the proposed route was inspected by the department and the decision given in Gibson's letter.

Gibson stated that the project was entirely feasible and would cost approximately $30,000 but stated that it was more important to realign the poles and trees along Los Llanos and Highway 101 during the next few months.

LIONS CLUB HOLDS LAST MEETING OF OLD YEAR

The Carpinteria Lion's Club will hold a novel contest starting at their first meeting of the New Year and continuing through March 20th at which time new officers will be elected. The contest will undoubtedly create a great deal of good-spirited rivalry among the members who will be divided into two teams, with considerable embellishment in stores for the losers.

The contest is to be based on merit and demerit points which will be scored as follows:

- Merit Points
  - Present; 10
  - Make up, 20
  - Hostesses: Mrs. L. R. Carthage, Mrs. O. L. Smith, Mrs. Merle Staub, Mrs. Merle Staub, Mrs. Frances Guidotti, of

- Demerit Points
  - Absence, 10
  - Tardy after gong, 5
  - Breach of protocol, 10
  - Missing to act on program, 5
  - Disturbances while there have been the floor, 10

The winning side, as a penalty, will provide shingles and for the banquet for the winners and the losing teams which have the honor of sitting between two half-burned hogs. The losing side will wait on the table, eat alone standing up, and serve the meat to the poorer side. The winning side will be assessed 25 cents for each horse laid on the winning side. The losing side will be assessed 25 cents for each horse layed on the losing side.

The captains and teams are as follows:

- Holstein Team
  - Capt. George Oelston, C. C. Ben-
  - Director, Leslie Carter, Fred Green
  - Boyce, Percy Houtz, W. H. Hun
  - Phenix, Leonard Kilby, Marc La-
  - Tham, Bill Maddox, Charles Neu-
  - man, Dave Garsenfield, E. D. Sol-
  - lari, E. V. Stobbe, Hugh Thurman

- Main Street Team
  - Capt. Frank Wykoff, C. B. Hamil-
  - ton, Sally Maddox, Charles Neu-
  - man, Dave Garsenfield, E. D. Sol-
  - lari, E. V. Stobbe, Hugh Thurman

MEMBERS OF AUTO CLUB MAY GET LICENSES HERE

Mr. Frank G. Daniel, the representative in Carpinteria for the Automobile Club of Southern California, will be at the Club's official garage, Hanshaw Motors, Inc., from 9 a.m. to 5 p.m. on Wednesday and Friday, January 3, 4, and 5th, and every Tuesday and Thursday during the first week of January, and Friday, February 3rd, to issue the 1938 license plates to Club members. In order to secure their plates, members are requested to be in the Club office to secure the certificate of registration from the steering wheel of their car, the certificate which is being sent out to them by the State of California, showing the amount of tax to be paid and the necessary fees.

America prepares a rousing exit for 1938 and extends a loud hail of welcome to the newcomer 1939. What will 1939 bring? But might we not, with all our energy, with all our intelligence, with all our will, bring the conviction that our job, great or small, is to give the people a good deal of work to do, and do it well with it? Will we refuse to lose faith—will we casually accept this precious gift of time and all the strength that hides our tomorrows, and that the heart of the world has leaped forward in the American people, and their redeemer the Lord of the Nations? For the Lord encampeth around about the people of his followers also, that they cast not off his presence. Theirs is the city of the Lord. He will give the increase of their sowing, according to their sowing. He will give them the bread of their toil, and their children shall have enough, and the old men shall die in peace, and their youth shall be as a horseman."—Psalm xcvii, 16. Amen.

W H A T  W I L L  1 9 3 9  B R I N G ?

America prepares a rousing exit for 1938 and extends a loud hail of welcome to the newcomer 1939, a flegling stranger, and voice the most sincere wishes for peace and happiness and prosperity for all the world. For these reasons we welcome the dawn of the age of experimentation. For a long while, as if calmly observing all things, the regimentation of industry as a panacea was widely denounced. But sternly denounced it, has now been presented the doom de grace by the American Farm Bureau Federation, the American Farm Bureau Federation is the special front organization of all American farmers and their national leaders. It is the new national organization of the farmers of the United States and the people of the United States is a branch of The Mother Church of Christ, Scientist. The churches of Christ, Scientist, are the special front organization of all American farmers and their national leaders. It is the new national organization of the farmers of the United States and the people of the United States.

For youth of the Valley. COME!

We are living in a world in which things. The day ends, the week, the month, the year ends. But with the end of one thing begins another. Someone has said, "It is a kind providence that hides our tomorrows," and that is true. And the question is, what will we do with it? What will we do with the time that is given to us? With the time that is given to us by the Lord? What will we bring to 1939? What will we bring to 1939? But might we not, with all our energy, with all our intelligence, with all our will, bring the conviction that our job, great or small, is to give the people a good deal of work to do, and do it well with it? Will we refuse to lose faith—will we casually accept this precious gift of time and all the strength that hides our tomorrows, and that the heart of the world has leaped forward in the American people, and their redeemer the Lord of the Nations? J. HENRY SHEPARD'S FAMILY AND FRIENDS DINNER FOR FAMILY AND CHARLEY MCCARTHY.

Dr. and Mrs. J. B. Lape entertained at a family dinner on Christmas Day, the only guest not a member of the family being Mr. Charles Kemp, who was invited because of the family's hospitality to the guests. Mrs. T. C. Heltman, Miss Delbert Wullbrandt, and Mrs. H. F. Heltman were present.

HASTEN STAR TO HOLD SPECIAL ELECTION

The Vallecitos Chapter O. E. S. will call a special election in the near future for the office of associate matron which has been left vacant by the removal of Mrs. Crystal Tucker to Los Angeles.

Dr. E. A. Southworth has been appointed as a star point, "Rule," replacing Mrs. Roy Beckstead, who has resigned because she is moving to Long Beach.

Dr. G. H. Cook has been named to the staff of the County Hospital for the coming year.

Carol and Hugh Waynflete are spending the week with the father, Walter Waynflete, in Orosi, Cal.

Mr. and Mrs. G. W. Riley were dinner guests of Mr. and Mrs. John Von Henning in Montecito on Christmas Day.

Mr. and Mrs. James Newsom and Mrs. and Mr. Max Meheer of Kellogg, Idaho, were guests of Mr. and Mrs. J. C. Wullbrandt on the first day of their visit here. The couple will witness the Rose parade and attend the Rose Bowl game while visiting in California.

Mr. and Mrs. Roland Clark of Genoa, Neb., are spending the holidays with their parents, Mr. and Mrs. John C. Wullbrandt.

Miss Delbert Wullbrandt spent Christmas with her brother, Mr. and Mrs. Jack Wullbrandt, in Carpinteria.

Mr. and Mrs. Donald Bailard of Santa Monica have been spending the holidays with friends and will witness the Tournament of Roses parade.

Mr. and Mr. Mrs. Wm. H. James will spend the holidays in Pasadna with friends and will witness the Tournament of Roses parade.

Dr. and Mrs. J. F. P. Spence spent Sunday and Monday in South Pasadena visiting Mrs. Lewis' mother and Santa Monica where Mrs. Lape and Mrs. Belland Milly visited their birthdays at a dinner party.

Mr. and Mrs. John Schoonderle are parents of a 9-pound boy, born at 10:10 a.m. on December 29th, in a Santa Barbara hospital.

Mr. and Mrs. Dan Brown of Denver, Colorado, spent the Christmas holidays with the S. F. Shepard family.

Mrs. James L. Kent will return today from Los Angeles where she has been visiting friends.

S. P. STRESSES RURAL ELECTRICITY NECESSITY TO RAILROADS

SAN FRANCISCO—Increase in railroad traffic is anticipated in 1939, but this larger volume of business will not be sufficient to assure against major financial breakdowns in the railroad industry unless it is accompanied by public action to enable the roads to cope with new and changed conditions.

This statement was made today by A. D. McDonald, president, Southern Pacific Company, in a year-end review.

"The present railroad situation is characterized by increased costs in every phase of operation and by greatly increased competition," said McDonald, "while income has decreased and the degree of management freedom to meet the new conditions remains largely that of the long past era when railroads had virtually a monopoly on land transportation in this country. The more encouraging phase of the railroad outlook is that the country now shows a definite disposition not to stand still, realizing there can be no permanent prosperity until the fundamentals of transportation problem is solved. Speeding up rail transportation to make possible today's faster tempo of business was pointed out by McDonald as typical of the situation in railroading.

Mr. and Mrs. C. C. Heltman will leave today for San Diego where they will spend the week-end with Mr. and Mrs. Rolland J. Ogan.

Mr. and Mrs. M. L. Groen of Oakland arrived Christmas eve to visit Mr. and Mrs. W. Clark Cal-lin.

RURAL ELECTRIC CONFERENCE SET FOR JANUARY

DAVIS—One hundred rural electrification experts, farmers, and manufacturers are expected to attend the annual Rural Electric Conference to be held on the Davis campus of the University of California on January 9, 10, and 11, according to J. F. Tavenir, of the division of Agricultural Engineering, who is in charge of arrangements.

Both morning and afternoon sessions will be held on Monday and Tuesday of the conference. On Monday night the annual dinner will be held, with George Tenney, editor of "Electrical West," acting as toastmaster, and O. B. Zimmerman, of the College of Agriculture staff as main speaker.

Discussions at the meeting will cover a wide range of subjects, including such problems as the use of domestic water pumps, orchard sprinklers, electric dairy equipment, poultry house equipment, and electric irrigation. An especially interesting discussion will be held on Tuesday afternoon on the use of blowers for fruit protection. Several members of the College of Agriculture staff as well as representatives of fruit protection companies, and other experts will take part in this seminar.

Sign of Safety Required by Law

Our New Year’s Resolution

In addition to wishing our patrons a Prosperous and Happy New Year, we make the following resolutions for their benefit in 1939:

1. RESOLVED: that we will continue to offer the very highest type repair service—the kind that serves our customers trouble and worry.

2. RESOLVED: that our service will always be courteous, considerate, and with the customer’s interests the major consideration at all times.

3. RESOLVED: that we will continue to offer the very highest dependability which you have enjoyed—and will again in 1939.

Our New Year’s Resolution for 1939:

We will be glad to assist you to make your remodeling of your old one, and to provide you with all materials you wish yourself.

When the New Year rolls around, it is time to make New Year’s resolutions. Here are a few suggestions:

1. Resolve to cut down on smoking.
2. Resolve to eat healthier.
3. Resolve to exercise more.
4. Resolve to save money.

They are the resolutions that can make a difference in the coming year.
LARGO CROWD EXPECTED AT OPENING OF SANTA ANITA

PROS, COLLEGIANS TO MEET IN S. P. CHARTER GAME

SAN FRANCISCO — "Slingin' Sammy" Branch, former All-American collegiate passing star and an outstanding finisher with the National League pros, is likely to be seen in action against the nation's finest, with All-Americans, Dave O'Brien, great little Texas Christian University backfield ace, in the annual Knights of Columbus-Disabled American Veterans' post-season charity football classic, at Kearsarge stadium, San Francisco, Sunday afternoon, January 29.

O'Brien enlisted several days ago for the season's final grid classic, and will fly into San Francisco with two of his All-American team-mates, K. Alldrich, center, and R. B. Satchel, tackle from T. C. U. They will be a squad of 1938 Coast and All-Americans senior varsity stars to be chosen from the University of California, Santa Clara, San Jose, California, University of San Francisco, and T. C. U. A squad, Geo. Malley, head coach of the USF Demos, to drill the two dozen western collegiate players for the January 29th contest.

College star squad will be opposed by a squad of National Professional League AA-Pros, probably headed by "Slingin' Sammy" Branch and Mal Hein, the former the 1937 major pop topscorer, and the latter the present National League "star." The pro squad will be made up of three players each from the New York Giants, Green Bay Packers, Washington Redskins, Chicago Bears, San Francisco, Baltimore Pirates and Los Angeles Bulldogs.

A passing, running and plunging duel between Branch and Dave O'Brien, the 1938 gridiron sensation, and possession of a greater all-round grid record than Red Grange, Sammy Bowh, and Whippet Hug, which would furnish a spectacular feature to January 29 grid classic. Here with O'Brien with the gridiron team actually enrolled, and due in San Francisco several days before the game, representatives of the K. of C. committee plan to interview Branch on the latter's arrival in Los Angeles for an exhibition game there on the 19th; and hope to have him enrol in the series for San Francisco charity game. Joseph O'Connell will select the personnel of both teams.

The public ticket sale for the January 29 Davey O'Brien Collegians vs National All-Americans will open January 9, at agencies.

HUGE "RIVER" IS DISCOVERED BY DR. F. P. SHEPARD

LA JOLLA — The discovery of huge "river" never before known to man but which flows almost within rifle range of Monterey, Santa Barbara, Santa Monica and San Diego, is announced by Dr. Francis P. Shepard, geologist, as the final contribution to his discoveries during the eighteen months he has been working at the University of California's Scripps Institution of Oceanography. He is just completing his present work, and is returning to the University of Illinois, where he is associate professor of geology. Next summer he will return here for another six months investigation.

The newly discovered "river" is really an ocean current, at a depth of about one-half mile. Not only was this current never seen, but so much as suspected off the Pacific coast heretofore, but its existence comes as a shock to the world's oceanographers who have been working on this problem for years.

"We discovered that the current flows at a speed of about one mile per hour," said Dr. Shepard. "This rate of speed is about the same as some of the swift surface currents, such as the Gulf current, in the Atlantic Ocean, and the so-called Japan current, in the Pacific Ocean."

An accurate survey of this deep-sea current will be most difficult, Dr. Shepard agrees. But it proves the existence of deep sea ocean currents, he believes, and supports the belief that there are other deep-sea currents, some perhaps much deeper than the one just found, whose presence may have a much greater influence on ocean problems now confronted by oceanographers throughout the world.
Your Hollywood Correspondent Reports...

Sandra Sanderston, known to many of Hollywood's biggest stars, predicted some very interesting events that will unfold during the coming months. She said that, if Dorothy takes a vacation, she may still be there come March.

With time off, stars will be injured. The program for the January 10 Los Angeles Philharmonic concert will be the Art of Fingers of four events, the thirteenth season of these offerings at the Hollywood Bowl, and it looks like Hollywood's版日s plans are the order of the day.

Advance sale of tickets indicates that this will be the most successful session of musical events yet offered by the Channel coast. In addition to the three orchestral concerts there will be the Art of Fingers of four events, the thirteenth season of these offerings at the Hollywood Bowl.

The program for the January 10 Los Angeles Philharmonic concert will feature works of Brahms — Symphony No. 1 in C Minor, Opus 68. This program has been produced by the Los Angeles Philharmonic under the direction of Erich Schelhorn, and will die, and tells that there will be two serious automobile accidents in which a director and two major achievements are in line for Dorothy Lamour near Ranch Santa Fe. Ray Milland will be in Paris mixing in for the New Year’s plans are the order of the day, and it looks like Hollywood will be a pretty active place when the New Year puts in its appearance here. With time off, stars will be injured. The program for the January 10 Los Angeles Philharmonic concert will be the Art of Fingers of four events, the thirteenth season of these offerings at the Hollywood Bowl, and it looks like Hollywood's plans are the order of the day.
