State College Offers Degree for Teachers

President Phelps Attends
Meeting of College
Heads and Board

VALUABLE TO TEACHERS

Experience Plus Units Gives
Credit Toward Degree
of Education

Authorization to grant the degree of bachelor of education has been given the State colleges by the California State Board of Education.

This is the information brought back by President Clarence L. Phelps who attended a meeting of the college presidents and the board of education last week. This degree will be of great value to teachers in service who have not a bachelor of arts degree and who would like to meet the standard requirements of the school system.

Work Required

Following are the principal specifications for this degree:

1. Candidates for this degree must have had at least five years of successful teaching experience in the state.
2. Requirement of the standard 124 units may be met:
 - a. By previous normal school or college attendance with a minimum of 82 units.
 - b. By successful teaching experience—not more than 6 units.
 - c. By other evaluated experience in community service, professional services, travel, publications and experimental problem or project work—not more than 12 units.
 - d. By a carefully selected program of summer session and extension work of not less than 24 units to be completed in not less than three (six weeks) summer sessions in residence.
3. This degree is intended to meet standards of the profession at this time, but is not intended to qualify for graduate standing in other colleges and universities.
4. The courses offered in summer session and by extension are expected to be appropriate to the needs of teachers in their classrooms and their committees.
5. This degree program is expected to terminate on Feb. 1, 1937.

Over the Fence

By JACK SALTER

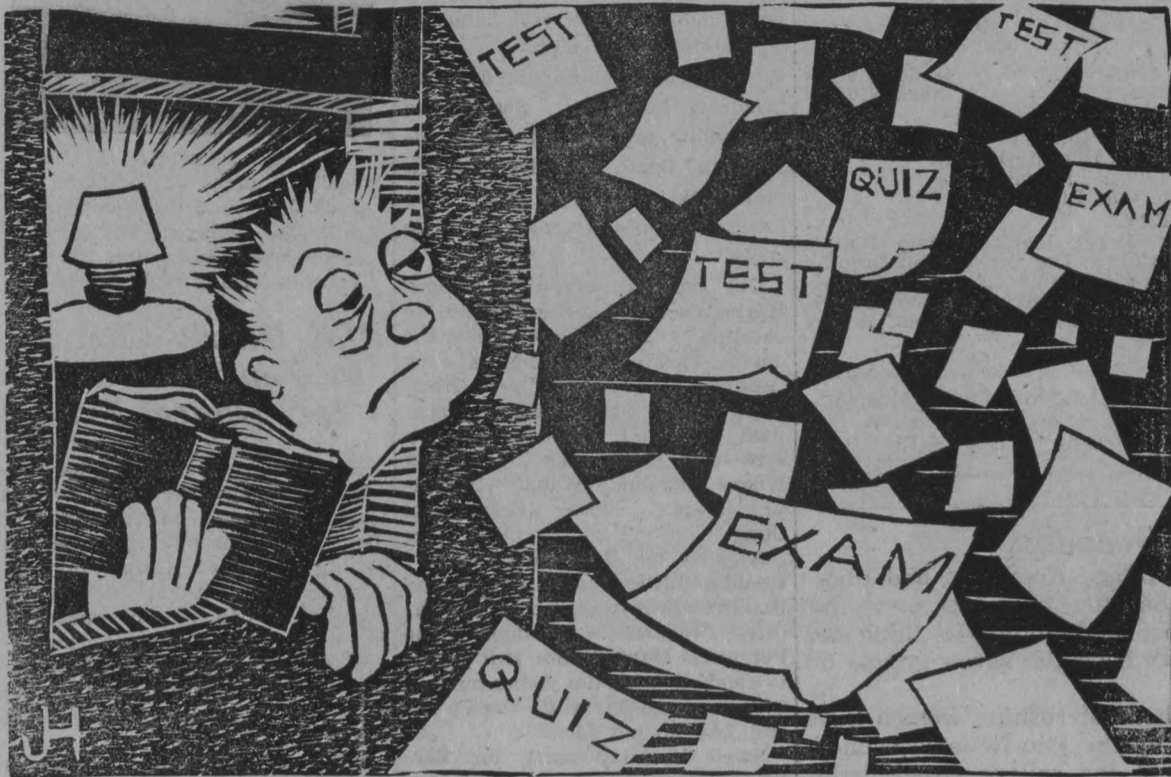

MATTSON BOY FOUND

The particularly brutal murder of Charles Mattson fills the nation with horror. His nude body was discovered six miles from Everett by a hunter who was pursuing a rabbit. His teeth were knocked out and his skull was crushed. The kidnaper made no effort to collect the ransom money. Apparently, he decided that the boy was a nuisance and bludgeoned him to death, stripping the body, and tossing it into the snow. We don't know what clues the police and G-men have, but however meager they will eventually capture the creature who murdered the little boy.

CZECHOSLOVAKIA ON SPOT

Hitler, desperately eager to break French alliances, has put all the pressure at his command to force the Czechs to abrogate their treaty with France and Russia. This puts the Czechs in the same precarious position occupied by Belgium in 1914. Head man Benes has steadfastly refused to throw his lot in with Hitler. In case of war, Czechoslovakia would be swarmed over by the Nazi monster war machine, would take a horrible beating, but if its allies, France and Russia, succeeded in crushing Germany, the Czechs would be handsomely rewarded.

Midnight Oil Burns Brightly As Judgment Day Nears

And it's no more vacationing for the students of State. The final schedule has been posted for mid-year examinations, and all erstwhile scholars are cramming and brain-cudgeling before the fatal hour draws near.

College Cabin Has Electricity

Several Improvements Are
Made by Outing
Committee

Complete electrification of the college cabin has been announced by the Outing committee as its chief improvement of the past year. Among other improvements a barbecue pit, a mattress box and a colonial fireplace crane have been added.

Electrical work consists of lighting and electric plates for cooking. The pit is built with a cobblestone top and chimney to match the cabin exterior. Work on these projects was done by Mr. S. O. Werner and two students.

Looking forward into the future the committee cited plans to install a water system this year. A well will be placed by the river with a pump to bring water to the house by electricity. In addition a solar hot water system is to be installed to use in a bathroom. All equipment except the pump is now owned by the college.

During the past year a guest-book was kept at the cabin to tabulate the extent of the visits. A record of over 250 students, instructors and groups are listed.

HERRON VISITS

George Herron, cadet teacher of the junior high department who is doing his practice work in Lompoc, was a visitor on the campus last week. Mr. Herron was recovering from a tonsil operation.

'Dig Deep' Is Again Cry for Worn Coin

Once again the scholars of State will have to dig deep into the well-known pocket books. But for a worthy assessment. The La Cumbre tax of one dollar per student will be asked for and taken up along with regular registration fees for the Spring semester.

If the guys and gals fork over the estimated amount, all will be well. For both the staff of the annual, and the students. But if the dough is not forthcoming, you'll have no La Cumbre to remember us by.

SENIORS GATHER FOR LAST FALL MORNING MEET

The last senior breakfast meeting of the fall semester will be held tomorrow, January 13, at seven o'clock in La Arcadia restaurant.

A discussion of health certificates, diplomas and placements will feature the meeting. Jane Miller Abraham and Harrington "Pop" Wells will speak to the group.

Tickets may be obtained from Olive De Motte, breakfast committee chairman, and from Johnny Ingram, Jean Goss, Nancye Clapp, Bob Moore, Bill Hoyt and Denning McArthur. The price has been set at 35 cents.

"All seniors are urged to be present as the matters under discussion are of vital importance to them," stated Hoyt, senior president.

Students Meet in Assemblies

Mens Club Discusses 1937
Convention; Bennett
Talks to Women

The Mens club and the A.W.S. held separate meetings this morning second hour in Ebbets hall and the auditorium, respectively, with Dave Pollock and Ann Seymour presiding.

Ross Lamoreaux gave a fencing exhibition before assembled campus males, and Norman Thompson and Dr. Elmer R. Noble presented a tumbling stunt. The group discussed the care of the Men's club-room, and the possibility of delegates attending a convention to be held next semester at San Diego State college for the purpose of promoting better feeling between the two schools.

In the auditorium, Mrs. Margaret Bennett, English instructor, spoke on "The Youth Movement in Germany," and her recent trip to that country.

Kappa Delts Stage Pledge Initiation

Eight pledges of Kappa Delta Pi, honorary educational fraternity, will receive their initiation Wednesday evening in the form of a debate.

Four topics have been given out, two pledges to each topic. Those to participate are Evelyn Braman, Gretalie Fitzgerald, Mildred Gardner, Paul Jones, Philip Jones, Ann Seymour, Margaret Wilson and Nina Wilson.

Council Names Seven Seniors for New Honor

Honorees to Be Guests of
Pan-Hellenic Board
at Fall Formal

NEW PRECEDENT IS SET

Kiesner, Riche, Fitzgerald,
Kohler, Taylor, Wells,
De Motte Chosen

For the first time in State college history, the Pan-Hellenic council has chosen seven outstanding senior women as guests of honor for the all-sorority formal dance to be given Saturday, January 23, at La Hacienda.

Chosen for service, citizenship, scholarship and achievement, Wilma Kiesner, Dorothy Riche, Gretalie Fitzgerald, Olive De Motte, Dorothy Taylor, Betty Wells and Marguerite Kohler will be signally honored at the coming Fall event.

All Sororities Attend

All sororities, active and alumnae members, together with students belonging to large national sororities, are invited to attend the annual dance. Bettie Walker, president of Alpha Theta Chi, will be in charge of all arrangements for the affair.

Mr. and Mrs. Hal Davis, Mr. and Mrs. Byron Abraham, Mr. and Mrs. Arthur Barnett and Mr. and Mrs. Earl Johnstone will act as patrons and patronesses, with Fred Lambourne and his orchestra responsible for the music of the evening.

Council Acts

The decision to honor the senior women was made at the regular meeting of the Pan-Hellenic council held last Wednesday evening at the home of Dean Lois Bennink. Council members include Ruth Hooker, Phi Kappa Gamma; Irene Baptiste, Delta Sigma Epsilon; Elisabeth Leonard, Delta Zeta Delta; Jean Goss, Gamma Delta Chi; Frances Hoelscher, Tau Gamma Sigma; Marjorie Marshburn, Areta Gamma; and Bettie Walker, Alpha Theta Chi.

L.A. ORCHESTRA PRESENTS FIRST LOCAL PROGRAM

Students of State will have an opportunity to hear the Los Angeles Philharmonic orchestra this evening at 8:30 o'clock when the first Santa Barbara concert will be presented in the Granada theatre. The orchestra will be led by Otto Klemperer.

For the first program a varied program of popular interest will be opened with the overture to the opera "Oberon," by Weber. Following this opening the Fourth Symphony of Sibelius will be played. This is to be the second performance of this symphony in America. Also "Nuages and Fetes" by Debussy, two nocturnes, and the Prelude of the "Meistersingers" by Wagner.

Special seats will be available to students for 50 cents. Reservations should be made with Mrs. Helen Barnett who will have the tickets Tuesday.

Gym Club Members Prepare for Meet

Members of the State college Gym club held their monthly meeting in the gymnasium last Thursday. Plans were considered for preparing for a meet with the Santa Barbara Y.M.C.A. and for a program to be put on for a CCC camp.

Discussion was held on the procuring of pins for the members of the club and a search was started for an insignia.

With the promise of new equipment in their minds, members of the club are more determined than ever to make this organization one of the leading smaller clubs of the school.

Library Buys Account of Lungren's Life

Work of Santa Barbaran Is Added to Collection of Library

By KATHERINE F. BALL

A book of particular interest to Santa Barbara and State college, just published and purchased by the College Library, is "Fernand Lungren, a Biography" by John A. Berger of Santa Barbara.

Mr. Berger has written a most sympathetic account of Mr. Lungren's life and his great artistic achievements. His early life, education, marriage, his travels and contacts with the worth-while notables in art and literature, as well as his years at home in Santa Barbara are told in easy style.

The last 25 years of his life Mr. Lungren made his home in Mission Canyon, and identified himself with the social and artistic life of Santa Barbara. He was one of the

leaders who worked with the Fiestas, and was also one of the founders of the Community Arts Association. His particular interests in the association were with the School of the Arts and the Lobero theatre.

The West, and the Indian life to be found there interested Mr. Lungren so thoroughly that he devoted his art to their portrayal during the latter part of his life.

In his last years, his dominating wish was to have his paintings kept together as a permanent collection. His will designated the State college as legatee of the paintings and Indian artifacts, the latter to be placed in possession of the Museum of Natural History. The paintings are to be kept in one

group and never to be removed from the city of Santa Barbara. The College hopes to give them suitable and permanent housing in the near future. One of these paintings now hangs over the door in the administration building. It depicts a Snake Dance in Arizona.

The book contains many black and white illustrations of Mr. Lungren's paintings—three are in color. An appendix lists a complete catalogue of his works, including magazine illustrations, privately owned paintings, and the permanent collection owned by the Santa Barbara State college. This includes one hundred and thirty complete and incomplete oil paintings, oil sketches, pastels, water colors and drawings.

A Weighty Decision

With sorority rushing in the offing, Freshman and unorganized women are reminded that the time has come for them to assert their independence and ability to think for themselves, as they consider offers from the seven groups on the campus.

Forcible or high-handed methods of rushing women have been ostracized and ruled illegal by the Pan-Hellenic council, a board composed of presidents of the college Greek letter social sororities for women. As the day approaches when a serious choice is presented to those women not affiliated with a special group, the sororities themselves assume responsibility of assuring these rushees free and unbiased choice, minus any quality of persuasion, compulsion or coercion.

The date of January 17 has been set as the day set aside for the first event of the rushing season. A new experiment, this day is planned to acquaint the new women with their prospective social groups before regular rushing begins. By attending one or all of the above-mentioned events, a woman does not signify her intentions of joining any society. She is merely given a chance to learn more about the activities of those women already in a sorority.

Students who do not maintain a "C" average throughout their stay at college are not eligible to join a sorority. In addition, those women in possession of an NYA position will not be permitted to take the oath of the various Alphas and Omegas.

In conclusion, let the sorority members themselves look to their laurels. The time has come for them to look over the prospects of the season, but the time has also come when the new women are given the privilege of looking over the sororities in turn. Sororities, you are called upon to set an example to be followed by those who follow your activities with interest. Unorganized women, you are called upon to weigh carefully each phase of the existing organizations before you reach a final decision.

Honest Cooperation

Examination time rolls around again and brings up a topic that has been generally accepted by local students. So much so that it has almost become an extra-curricula activity. We refer to the subject of "cooperation" more crudely referred to as cheating.

The situation as it now exists can not be eliminated without the consent of the students themselves. If a serious effort were released by some campus organization to lead an honesty crusade there would be a grateful falling in line by the studious students on the campus and finally even the elimination of the usual minority or "necessary few."

"Cheating is not tolerated by the students of the University of California," appears on the blue books of that institution serving as a gentle last minute reminder. A similar note might have its effect here. It would help.

Students take their turn at voicing their objections to cheating but when it comes right down to it they get "buck fever" and start playing the typically American game of "Passing the Buck." Of the two, it is the lesser evil but usually the same individuals are guilty of both. The nth degree of success for an honest crusade would be the setting of a certain day and hour when everyone would stop trying to convince themselves with, "Well everybody else does it, why shouldn't I?"—G.F.

CAMPUS CALENDAR

Tuesday, Jan. 12—A.W.S. and Mens club meetings, 2nd hour; A.W.S. Board meeting; Alpha Phi Gamma pledge party; Debate, 8th hour.

Wednesday, Jan. 13—College "Y"; Block "S"; Band; Riding Class; Senior breakfast, 7 a.m.

Thursday, Jan. 14—State Safety Program, special assembly, 3rd hour; W.A.A. Board meeting; Alpha Phi Omega; International Relations.

Friday, Jan. 15—Movie of Christmas Day football game; Pu Ko How, Music hall; Pi Sigma Chi initiation.

Saturday, Jan. 16—Archery meet, 9:00 a.m.—1:30 p.m.; Student body "Hard-Times" dance, Rockwood.

Sunday, Jan. 17—"Open House," all sororities, 3:00 p.m.—6:00 p.m.

Monday, Jan. 18—Fraternity meetings; Gnome club; Pu Ko How; Phi Delta Pi; Kappa Omicron Pi.

Tuesday, Jan. 19—Student body meeting, 2nd hour; Debate, 8th hour; Art department; Delta Phi Upsilon; Alpha Phi Gamma.

Long Shots

By LONGIE

Once again I may say that I am not responsible for the following "good earth."

"LONGIE"

Any smart woman can make a fool out of a man any time she wants. If she is real smart she won't do it often . . . Rena we think you are real smart . . . Sandy and Hale are still going up on the hill every night . . . what are you boys learning to do—play bridge—I hope . . . Seeley and Gardenhire are going to show the Mexican Death Squadron a few motorcycle tricks . . . they were practicing the other night on State street.

Our old pal Frank "Grandpa" Hayman seen in Bakersfield during vacation . . . by the by—how is the house cleaning coming along Gramps? . . . Jack "Love Bird" Joseph seen parked many places with his light of love, Dorothy Joos—nice going Jack . . . Buzzy Wuzzy and Junie Woonie still hitting it off . . . looks like the real thing.

Seen at the Rose Bowl game:—Freddie "Little Abner" Monson and Blanche Hillman . . . how was the game Freddie? . . . Buppy "The Forgotten Man" Moore still trying to compete with the young men on the campus—Oh well, there's no fool like an old fool.

Swell birthday party for Barbara Sharp. A lot of new combinations, some of which were predicted last week:—Clarence Lair and Dede Biller, Tooley Palmer and Myrna Jullien, Larry Main and Madge Bunch, the Gaucho Flash and the Ed . . . Best looking couple—Alice Lamb and Yale Lorden . . . Looks like Jack Kitchen is taking over Hi Stanley's position with the Alpha Thetes.

Dave Rumbaugh and Bob Murray going to Ventura every Saturday night . . . What's the attraction boys? Don't you like our co-eds? . . . The last influx of Bakersfield boys seem to have taken over the K.P. including Bill Foley, "Greek" Valos, John Echenique and Ralph Spaw, not quite the place to go according to some of the "higher-ups" on the campus.

BEST BETS ON COMING ATTRACTIONS

The Frosh-Varsity basketball game Wednesday afternoon . . . Phil Harris, Friday night, and the school dance Saturday night . . . What a week-end.

We thought we were finished for this week but find we're not so here goes again. Scoop of the week: Helene Hughes is wearing Doug Oldershaw's very precious Indian ring . . . Spud Harder's new boy, Theo, Jr., looks like he has the makings of a good manager. That's "30" for today—but don't forget the big week-end. 'Bye.

RAMELLI SPEAKS

Miss Eda Ramelli, who has lived and taught for some time in Spain, will speak next week before the combined junior high and physical education departments on her many experiences in that country. All students of the two departments are urged to attend this meeting in room 81, as it will be of interest to everyone.

A Bit of Heaven

"Ninety pounds of Heaven" is the title applied to Judy Janis, the little lady who will be featured with Phil Harris and his orchestra in Ventura Friday night.

Phil Harris Comes to Ventura Casino for Dance Friday

Phil Harris, who brings his nationally famous orchestra to the Casino Ballroom on the night of January 15, through arrangements with the Music Corporation of America, has tasted success in more than one line of endeavor, but he is still the same retiring individual he was when he first began to achieve recognition on the shores of the Pacific just a few years ago.

Not that Phil refuses to partake of the joys of living, but he modestly disclaims any credit for the achievements which have merited him acclaim as a motion picture celebrity as well as an orchestra leader.

Phil's first love, however, was music, and although there was considerable dismay on the part of the theatre-goers when the announcement emanated from Hollywood that he had definitely given up his screen career, he was firm in his stand to continue with his music which had first brought him to the attention of the nation.

Answering the call of New York admirers who had heard his music on the air, Phil migrated to the eastern metropolis and was featured at the St. Regis and Pennsylvania hotels for over two years while also bringing his music to the nation on the Cutex program over NBC.

A new year and new programs seem to go together. First is the new Al Jolson program with Martha Raye and Sid Silvers. It comes on in place of the Ken Murray program at 8:30 Tuesdays over Columbia—by the way, Columbia's new outlet for the west coast is KNX, KHJ and associated stations are now part of the Mutual system. Then Fred Waring has gone off the air and is replaced on Tuesday by Al Pearce and his Gang which comes over Columbia at 9 p. m. with Larry Marsh's orchestra. One Friday he is replaced by Rex Chandler's orchestra. Next in line is the replacement of Andre Kostelanetz by Hal Kemp and his orchestra on Fridays. Kay Thompson and the Rhythm Singers now come on with Kemp's group. Although Kemp is good he can't quite touch Kostelanetz. In turn Oscar Bradley replaces Kemp on the Phil Baker broadcasts. Jack Okie's College replaces the Camel Caravan. About the only change there, though, is the name and master of ceremonies. The Goose Creek Parsonage is being replaced by Myrt and Marge which comes on over Columbia at 11:45 a.m. That just about covers the program changes for the year.

Another good feature about the network changes is the fact that now there is good dance music all evening over KHJ. It has Phil Harris, Cab Caloway, and Sterling Young all of whom are tops now and many others besides.

HAVE TO KNOW FOOTBALL

A salesman who wanted to sell automobiles to the Indians found out that he must know all the facts about football, especially the Minnesota team. On a recent trip to the finger Indians of northern Minnesota the first question that was asked him was, "How did the Minnesota football team come out last Saturday?"

Passing in Review

By TED JOHAM

Prediction number one. The State basketball squad of 1937 will prove to be the best one in the history of the school. The hoopsters have gotten off to a slow start, but as soon as the boys round into shape El Gaucho is going to go places on the hardwood floors. The guard positions and the candidates for them will probably be about the best in the Southern California conference. Last Friday night against the Poinsettia Cleaners of Ventura Al Young and Jim Benton as the first string guards were outstanding in their recovery off the backboard, and their offensive play was of a high caliber.

Prediction number two. The Frosh basketballers will also have an outstanding team and will win a lot more games than they lose. With Fortress, Bassett, Foley, Main and Bailey the peagreeners present a team that has had plenty of high school experience and one that is working very smoothly for a first year outfit.

When New Mexico scored their second touchdown in the third quarter of the Christmas Day game they broke somewhat of a record that the Gaucho team had had for the past two years. Not since the Leopards of La Verne scored a 20 to 0 triumph over the Gauchos in 1934 has any team crossed the goal line more than once in one game, which is a record of 19 games in length.

The time is approaching when the track fans will be able to see their favorite sport and athletes parading around in short pants. The team this year will also be stronger than last, with plenty of good runners and hurdlers it seems only right that a trip to the Drake Relays would be a good thing for the cinder men.

PASSING BY:

Tommy Hart was held to a draw last Friday night in the Hollywood Legion Stadium, the first time he has not won his fight since turning pro a year ago. . . . Hart went in as a substitute but gave his opponent all he could handle in one of the fastest fights ever seen there. . . . Pop Wells and Willie Wilton are forming a Gaucho rugby team, all those men of muscle who are interested go and see them. . . . Also all of those men interested in playing basketball for the Junior Varsity see Vince Severtson. . . . All men who wish to compete in spring sports better crack a few books, finals start a week from Thursday. . . . That Frosh vs. Varsity game ought to be a humdinger, the Frosh are good, but I think that the upperclassmen will come out on top.

Block 'S' Convenes to Plan Bean Feed, Schedule Initiation

The Block "S" society will meet tonight at 7 p.m. at the Anacapa club. This meeting is very important and all prospective members are urged to attend.

Plans for the initiation of the new members and for the bean feed following it will be made. The election of officers for the spring semester will also be discussed.

Bob Dunham is general chairman for the initiation, aided by Doug Oldershaw and Dave Rumbaugh. A "hell-week," similar to that of the fraternities, will be held in the near future, at which time the neophytes will be at the beck and call of the members.

Prognosticators Predict Piling Points for Gauchos

Frosh Cagers Defeat Moose in 39-30 Game

Bassett, Bailey, Rego, Main Flash Over City Champs of '36 Season

Displaying a fine brand of basketball, the Frosh hoopsters dumped the highly touted Moose team 39-30, Saturday night, January 9. In adding this new feather to their cap, it also must be remembered that the Moose team won the City championship last year, and have a stronger club this season, which goes to show that the Frosh have a good chance to end the season undefeated.

Johnny Bassett, the Pittsburgh flash, showed his worth by ringing up 14 points, and playing a floor game that was par excellent. "Crazy Legs" Rego played his usual "follow the bouncing ball" game in great style. Bailey and Main, guards, turned in an excellent aggressive game, as did many others.

Grudge Game Nears
The grudge battle to be played Wednesday afternoon, between the Frosh and Varsity, will be preceded by the Oxnard High-Frosh game Tuesday night. The game between the Peagreeners and the Varsity should prove to be a corker, with the odds in favor of the Varsity due to their experience. The Fighting '40 have proved themselves to be a much smoother looking outfit, and boast of speed and a host of dead-eye sharpshooters, while the Varsity have yet to play a smooth, consistent floor game.

Frosh manager, Irving Wallace, Coach Willie Wilton's perfect shadow, states that the Frosh can and will dump the much catered to Varsity, and that his boys Bassett and Ulrich will show the Varsity how the game is played.

'37 Grid Schedule

September 25—Open.
October 2—Open.
October 8—Occidental.
October 16—Redlands (there).
October 22—Texas Mines.
October 30—Whittier (there).
November 5—La Verne.
November 13—Nevada.
November 19—San Diego.
November 25—New Mexico A and M. (El Paso).

PATRONIZE EL GAUCHO ADVERTISERS

Varsity Basketball Team Wins Over Poinsettia Cleaners 27-20

Junior Varsity Changes Name

P. E. Majors to Sponsor '37 Team, Shortage of Equipment

Beginning the hoop season for the underprivileged cage men the junior varsity has started their season under the new name of The Santa Barbara State College Physical Education Majors.

Annually this team appears on the State campus and turns out to be one of the best teams in the town. Last year they started slowly, but when the end of the season rolled around they were dropping all of the best city team. Many of the performers of the team of 1936 are now playing varsity basketball.

Ineligibility Rules

There are only three rules that make any registered student ineligible for the Majors' team, these are as follows: any man who made a varsity letter during the 1935-36 season; all freshmen; any man on the varsity list after the first cut.

The team will be managed by Vince Severtson and will play in the city league. Practices will be held in the school gym. All men reporting must furnish their own equipment, as this team is not being sponsored by the school, but instead of the P.E. department. "All men who still have equipment from last year's team are

Al Young and Jim Benton Star for Gaucho Squad at Guard Spots

The Gaucho basketball team triumphed over the strong Poinsettia Cleaners' quintet, last Friday night, to the score of 27-20. The game was played in the gymnasium of the Methodist church, before a small crowd of enthusiastic students and townspeople.

The Staters seemed to have trouble getting accustomed to the small court, at first—not being able to work the ball very close to their opponents' basket. The Venturans were fairly good shots from the center of the court, and were able to sink many long shots from that point. The Gauchos, however, soon detected this weakness in their defense, and checked the Cleaners more closely, preventing them from getting set to shoot.

The Varsity still looked more or less unbalanced from their long vacation's lay-off; but they were a greatly improved outfit from the one which lost a recent game to Ventura J.C.

These games that the Varsity are playing now are only practice games—having nothing to do with the Gaucho's conference standing. By the time the first conference game arrives, the team should be in excellent shape and ready to take on the best of them.

urged to return it, because of the lack of funds sponsoring this team we will not be able to get new suits this year," stated Severtson.

Gauchos Meet Texas Miners in '37 Season

Texans Accept Offer, As Fray with Brigham Young Falls Through

The year 1937 will see the Gaucho grid team branch out into parts of the nation as yet untouched by the Big Green horde, with a trip to El Paso to play the New Mexico A and M and bringing the Texas Miners here for a home and home agreement.

The proposed game with Brigham Young university has seemingly fallen through with the Utahans' failure to answer inquiries of the Santa Barbara athletic board. October ninth, the date for the proposed game, has been filled with Occidental. As yet the two possible opening dates have not been filled, but otherwise the schedule is complete.

Travel 4,000 Miles

Another record will be set up in that the girders will travel nearly 4,000 miles to meet their engagements. During the past year the Big Green rode the rails about 3,000 miles.

To take the place of the Mormons, Coach Harder has signed up the Texas Mines to play here on the 22 of October. The Miners will bring out a team that is in much the same class as T.C.U. and S.M.U. The Texans, like other border teams, tend to the wide open type of football, and once participated in a game in which 78 passes were thrown.

Finish Out-of-Town

For the second straight year the Gauchos will wind up their season away from home. This year the Hardermen journey to El Paso to meet New Mexico A and M a week after finishing the conference season with San Diego. As the schedule now stands but three games will be played away from home, Redlands and Whittier being the other two teams to be met on foreign soil.

Due to a conflict in dates Arizona State Teachers college at Flagstaff has not been listed, but further negotiations may settle the differences.

McCray Tells Troth at Tea

Mother of Bride-Elect and Mrs. Ralph Priest Receive Guests

The engagement of Alice McCray to Elbert Lee Cochran, Jr., was formally announced at a tea held last Saturday afternoon at the McCray home, 1241 Dover road, from three o'clock until five.

Miss McCray is a former State student and a member of Tau Gamma Sigma sorority.

Students Stage Novelty Dance in Answer to Varied Requests

Statements by the POWERS THAT BE

Examination schedules have been posted in the quad and on the bulletin board in the administration building. All students are requested to consult schedules at once and report any conflict to Miss Severy immediately.

No change in examination schedule may be made without authorization from Miss Severy.

Students who haven't paid Fall dues can not register for the next semester until they have settled with the controller's office. Also no awards will be given to those with fees outstanding.

CONTROLLER'S OFFICE.

All home ec students are requested to watch the bulletin board in the administration building for appointments with assigned advisors during the week of January 18th, concerning matters of registration for Spring semester classes.

JEAN KRUEGER

The seniors will hold a breakfast at La Arcada restaurant tomorrow morning, Wednesday, January 13, at 7 o'clock.

Prizes to Be Awarded to Tackiest Tramp at Hop, Saturday

In answer to "haranguing" and "heckling" by the associated students, the college social committee will stage a "Hard Times" dance this Saturday night, January 16, from nine o'clock until 12, at Rockwood.

Guests will dance to the music of Phyllis English and her orchestra. A prize will be awarded for the tackiest masculine or feminine tramp of the campus.

Hill-billy selections will feature the hop, and decorations will be carried out in keeping with the general theme.

"We can have a swell time if everyone will get in the spirit of the affair and wear old clothes," stated Dot Riche, social chairman.

The committee in charge is composed of Margaret Eastwood, publicity; Harry Sloan, orchestra; Jo Denman, refreshments; and Bill McKenzie, decorations.

AND NO ONE WAS THERE

The Saint Mary's debating team made a trip to San Francisco to hold a "battle of words". They got there about time for dinner but no one came to take them. Later they returned in time for the scheduled debate, and waited, but no one came. Later another date was set for the debate but the reason for the slip up hasn't been heard.

Just the good things...

and here they are..

Aromatic tobaccos from the districts of Xanthi, Cavalla, Smyrna and Samsoun in Turkey and Greece, the tobaccos of richest aroma

...blended with

Mild ripe home-grown tobaccos — Bright tobacco from the Carolinas, Georgia and Virginia; Burley tobacco from Kentucky and Tennessee; and tobacco from southern Maryland

...and rolled in

Champagne Cigarette paper of the finest quality. This paper, specially made for Chesterfield cigarettes, is pure and burns without taste or odor.

For the good things smoking can give you.. *Enjoy Chesterfields*
