WOODROW WILSON SCHOLARS . . .

WINNERS OF WILSON FELLOWSHIPS are Donald Lent (left) and Phillip Gallo, both seniors. Lent plans to study at Yale University while Gallo will continue in psychology at UCSB. Both men have maintained almost a straight "A" average. This is the first time two Wilson Fellows have been selected from UCSB. —Photo by Dave Slotnick

Seniors Don Lent, Phil Gallo Awarded Wilson Fellowships

by Neila Loebs

Donald Lent and Phillip Gallo, UCSB seniors, have been named as the 1959 recipients of the Woodrow Wilson Fellowship. The final selection was announced by Dr. Robert Kelley. The fellowship is designed to support students of high promise who plan to enter college teaching.

One thousand scholarships were awarded this year by the Wilson Foundation to outstanding students over the nation. Lent and Gallo won two of the 80 awards given in California. There were 13 applicants from UCSB.

Intellectual Disciplines

The scholarship is given to seniors or to graduates not yet enrolled in a graduate program. It is primarily concerned with "what has been called the intellectual disciplines, such as the humanities, literature or science," according to Dr. Kelley.

The recipients are given \$1,500 for the first year of study, plus extra allowance for wife and children and full tuition and book expenses.

Study at Yale

Lent plans to do graduate work at Yale University in the field of fine arts. He is married and is currently a tutorial major with emphasis in art. One of the new murals in the Student Union was done by Lent.

Gallo, a psychology major, also is married. He plans to continue his education at UCSB. The Wilson scholarship is not usually granted to students who intend to continue working at the same school where they did their undergraduate work.

Exception Made

In Gallo's case the general rule was passed over because the Foundation felt the Psychology Department here was worthy of the exception, according to Dr. Kelley.

Students receiving the Fellowship may reapply for it a second time if their achievement warrants the award. Nominations are made by faculty members in October of the year prior to the granting of the scholarships.

Assembly Job Open; Signups Close Today

The position of chairman of the Assembly Committee is open to any member of the Associated Students who wish to apply. "It is a good opportunity for someone to get into student government. It is an important job and will be good experience for anyone who wishes to take an active part in AS in the coming years," announced AS President Stan McGinley.

Any student wishing to apply for the position must fill out the standard application blank in the AS office before tonight's Council meeting.

Nazi, Allied WW2 Propaganda Movies Presented Thursday

UCSB Art of the Film class shows a series of four short movies this Thursday at 7:30 p.m. in the classroom building auditorium.

The movies are a propaganda film series composed of American, English and German films made during World War II.

"Invasion, Nazi Version," presents the German version of the war. That version was that invasion of Germany was impossible and this is the point the movie intended to drive across to its audience. This particular movie was confiscated after the war.

The two English films in the series are "Yellow Caesar" and "Churchill's Island." "War for Men's Minds" is the title of the American-made movie.

The three Allied movies attempted to instill the necessity of fighting the war through to a satisfactory conclusion.

The series of films exemplify the manner in which direct propaganda is used in wartime to effect the way people think. The films are open to the public free of charge.

Chamber Trio Wins Sr. Coleman Award

A student trio from UCSB has won the Annual Coleman Chamber Music Audition in the senior age group, announced Stefan Krayk, associate professor of music.

The instrumental trio, made up of Don McInnes, violin; Marilyn Mack, piano, and Sue Swift, cello, competed in the Coleman audition on March 14 in Pasadena. They will now be presented, together with the other winning groups in different age categories, in a public concert on April 5 at the Pasadena Playhouse.

RUBIDOUX VOTED AWS PRESIDENT

Roz Rubidoux was elected AWS president over Wendy Ross by a margin of 240 to 125 in last week's elections.

Vicki Post won the first vice-president's office in a close race over Karen Snow, 170-128. Sharon Cody polled 56 votes.

Jill Moore, with 196 votes, defeated Erlene Elkin, 155, and Donna Giansiracusa, 58, for second vice-president.

There will be a runoff for AWS secretary and treasurer. For secretary, Barbara Knoff, 103, and Wendy Lee, 104, will compete again. Jethelyn Clary had 98 votes and Lee Ann Potier 50.

Janet Purvis, 94 votes, and Marian Romoff, 117 votes, will run again for treasurer. Pam Van Wie had 73 votes and Lyn Whitnell 62 for treasurer.

Harriet Salado was elected WRS president.

'Midnight Capers' Is Aquacade Theme

"Midnight Capers" is the theme for this year's Gaucho aquacade, to be held at 8:30 p.m. on April 30, May 1 and 2 at the campus pool. This event is co-sponsored by the Associated Students and the Department of Physical Education for Women.

The theme is a fantasy, presented in the form of dreams. In addition to water ballet and synchronized swimming numbers by both men and women, there will be a display of standard and comedy diving.

KENNER DELIVERS RESEARCH TALK

Dr. Hugh Kenner, professor of English and chairman of the department, will deliver the fifth annual Faculty Research Lecture at UCSB tomorrow at 8 p.m. in the lecture hall of the new classroom building. Dr. Kenner will lecture on "Letters in the Space Age."

Each year the UCSB faculty selects a colleague to be honored as the Faculty Research Lecturer in recognition of scholarly work. Dr. Kenner, author of five books of literary criticism and nearly 90 articles and reviews, was a 1956 recipient of a Guggenheim Fellowship award.

This lecture is one of the traditional annual events of the Charter Anniversary observance of the University of California, this year celebrating its 91st year.

SB Frosh Competes For Cal Scholarship

Margaret "Eve" Trook, a UCSB freshman from Chula Vista, California has been declared a semifinalist in the competition for a 1959-60 State of California Scholarship award, it was announced today by James W. Moore, executive secretary for the State Scholarship Commission.

Miss Trook who holds a UCSB scholarship this year is a music major. She plays the saxophone and piano and has performed with the University orchestra.

An outstanding student in high school, Miss Trook has received a number of awards in music. She was admitted to the University of California at Santa Barbara last fall with Honors-at-Entrance.

Huxley Gets First Honorary; Officials Kerr, Gould Speak

by Carol Kinser

Hundreds of students, faculty and visitors are expected to witness the commemoration of the 91st year of the founding of the nation's largest university at today's Charter Anniversary Ceremony at 11 a.m. at the Campus Mall.

CLARK KERR . . . His first — UC's 91st . . .

The first honorary degree ever to be conferred by UCSB will be received by Aldous Huxley, famous novelist and essayist. This will also be Mr. Huxley's first honorary degree.

As principle speaker for the charter observance, Huxley's topic is "Who Are We and What Can We Do About It?"

President and Chancellor

University President Clark Kerr and Chancellor-elect Samuel B. Gould also will speak at today's ceremonies. Dr. Elmer R. Noble, vice-chancellor, will preside.

A traditional cap-and-gown procession by the faculty to the music of the Brass Choir, directed by Dr. Maurice Faulkner, with Shirley Munger at the organ, opens the ceremony.

Invocation and benediction will be given by Rev. Matthews of the First Methodist Church. Dr. Roger Chapman will lead the University Chorus during the program.

Classes Dismissed

Chairs for a seating capacity of 1,400 are available at the Mall in front of the Music Building. The public is welcome and classes are dismissed for the observance.

In connection with the charter anniversary, the annual Faculty Research Lecture will be presented March 25 at 8 p.m. in the classroom building auditorium. Dr. Hugh Kenner, professor of English and chairman of the department at UCSB, will speak on "Letters in the Space Age." The lecture is open to the public and admission will be charged.

PROFESSOR THOMAS WINS ART HONORS

Robert Thomas, assistant professor of art at UCSB, who has won numerous awards around the United States for his sculpture, earned an honorable mention at the 5th Annual Drawing and Small Sculpture Show in Muncie, Ind. Sponsored by Ball State Teachers College, this exhibition is currently in progress. Thomas's award-winning effort is a piece of bronze sculpture, 24 inches high, named "Girl." The honorable mention was given by Dr. Louise Svendsen of the Guggenheim Museum in New York.

Gaucho Campus Topic Of Magazine Article

The building program at UCSB is the subject of one of three feature articles in the Feb. 27 issue of the magazine, Southwest Building and Contractor.

This is the third magazine treatment of the campus in the past month. It was featured in the February issue of Ford Times and illustrated in the March 2 issue of Newsweek Magazine.

Durflinger President Of Research Group

Dr. Glenn W. Durflinger, professor of education and chairman of the department at UCSB, was elected president of the California Educational Research Assn. at the organization's 37th annual meeting in Sacramento on Saturday.

RELAY QUEEN RUNNERS . . .

EASTER FINALISTS — Competing for the Easter Relays Queen crown are (left to right) Wendy Ross, Perry Humphreys and Sherry Howard. UCSB males will vote for their choice today at the Dining Commons, the Student Union and the Library. The winner will be announced late this afternoon. The Queen will reign over the 21st annual Easter Relays track and field meet Saturday at La Playa Stadium. —Photo by Bob Quitner.

Masters Programs in PE and Mathematics Start Next Fall

Two new master-of-arts programs, in mathematics and in physical education, will begin next fall at UCSB, announces the Chancellor's office.

With the addition of physical education and mathematics, 12 fields of study offer a graduate program at UCSB. MA programs already exist in the following fields: biology, botany, chemistry, economics, English, history, physics, political science, psychology and geology.

The master's degree in mathematics is intended to strengthen the existing master's programs in physics and chemistry. The graduate work in mathematics is planned to follow a standard pattern of courses in analysis, topology, differential geometry and modern algebra, together with seminars in special topics given according to the research interests and background of the departmental staff.

Individual Interests

The departments of men's and women's physical education at UCSB will grant a master's degree in the field of physical education. This program will be flexible enough to permit students to pursue individual interests in other disciplines.

The new physical education building, which will be completed this spring, contains facilities for

advanced study and research for both staff and students.

Small Classes

Admission to the graduate program at UCSB is restricted to students selected on the basis of high scholastic attainments and promise. These academic qualifications are designed to ensure small classes, close student-faculty relations and optimum use of facilities for advanced study and research.

Official transcripts and applications for admission to the graduate program should be filed with the Registrar not later than July 15 for the fall semester and not later than Dec. 15 for the spring semester. Earlier filing is desirable.

El Gaucho
University of California,
Santa Barbara

Published every Tuesday and Friday during the school year except during vacation and exam periods by the Associated Students, University of California, Santa Barbara. Opinions expressed herein are those of the Editorial Board unless otherwise indicated. Entered as second-class matter Nov. 10, 1954, at the Post Office at Goleta, California, under the Act of March 3, 1879. Mailing charge is \$2 per year, payable in advance.

Spectrum Copy Due

Copy deadline for the spring-summer issue of *Spectrum* is Friday, March 27, stated new *Spectrum* editor Kerry Gough.

Student writers interested in writing for the *Spectrum* should submit fiction, verse or essays as soon as possible to *Spectrum*, P.O. Box 535, Goleta.

The letter should include a self addressed stamped envelope.

GaUCHO Notes

Clerk Jobs

Stenographers or clerk-typists, graduates or undergraduates, are needed in Washington, D.C., and for overseas work, according to Betty Koral of the Placement office. Shorthand requirements are 80 words per minute and typing at least 40. For further information contact Miss Koral.

History Exam

The non-credit American History and Institutions Exams will be given Wednesday, April 8, from 2 to 5 p.m. Passing the exams will meet the History and Institutions requirement. Those interested in taking the tests must sign up in the History or Social Science office.

Home Econ Talk

Dr. John Jenkins, professor of interior decoration at Cal Poly, will trace "The History and the Economic Conditions of the World and Their Influences on Furniture Design and Interior Decoration" at the Beta Zeta Zau (Home Economics Club) meeting. The session is scheduled for tomorrow at 7:30 in the home economics dining room.

Intelligence Jobs

Fred Winter, representative for the Central Intelligence Agency, will be at UCSB to interview candidates interested in the program. Appointments are being made by Betty Koral in the Placement office, Building 431, Room 129. Undergraduates must have at least a B average to apply.

Letters to The Editor . . .

STUDENT RIGHTS . . .

Dear Editor:

When I came to this school I was happy to see that student opinion was respected a great deal more than it had been in high school. I felt that for the first time I was a member of some big group that discussed all aspects of any problem before coming to some decision.

I suppose the thing which impressed me most was the fact that the faculty and the administration treated me as an equal and came to me, or rather I should say to my duly elected representatives, for advice and aid.

Baby in Corner

But I can see that I am still in high school and that I am still being treated like some baby who must go and talk to himself in some corner.

The recent Delt problem with the completely arbitrary decision imposed by the administration without the consultation of the students seems to push us back to the position of the inferior member in this college society.

Naiman Bold, Sensible

When I read that Legislative Council under the bold and sensible leadership of Dennis Naiman had taken a stand and called for a reopening of the case with an opportunity for student involvement, I was heartened.

But Dean Reynolds did much to squash any dreams I had of justice. It seems that the administration is trying to say that we can be deprived of our inalienable rights of participation in our own affairs.

Case of Injustice

Undoubtedly the whole case of injustice to the student arises out of a mistake on the part of the administration; I know they did not want to make it seem that student government is a meaningless game which has been created to humor us.

I hope that such actions at Legislative Council will demonstrate to the administration that this student body is not one which is playing games. We are SERIOUS and I think that our Legislative Council proves this.

Name on File

Thanks for Dimes . . .

Fellow Gauchos:

On Wednesday, March 18, a heart-warming sight was witnessed on our campus. Students took time out from hustling to their classes, hustling to the library, and just plain "hustling" to make the first annual March of Dimes campaign at Gauchoville a huge success.

A large measure of credit for this success is due the *El Gaucho* for its fine publicity and also to Tim Naegle for his hard work as chairman of the drive; but in the final analysis the major vote of thanks belongs to the individual students. Their kind generosity enabled us to present a check for \$150.18 to the local chapter of the March of Dimes.

Sincerely,

Don Patrick Leavey
President, SAE

LINEUP SET FOR RELAYS SATURDAY

Santa Barbara Easter Relays officials today were busy mapping out final plans for their 21st annual track-and-field carnival Saturday.

Over 1200 of California's finest thinclads will crowd into La Playa Stadium for the famous meet, which is scheduled to begin at 9 a.m. and wind up with the final event at 5:25 p.m.

Gacho Track Coach Nick Carter and his Relays committee, in

conjunction with the Santa Barbara Junior Chamber of Commerce, has been busy accepting entries from high school, junior college, college and amateur teams.

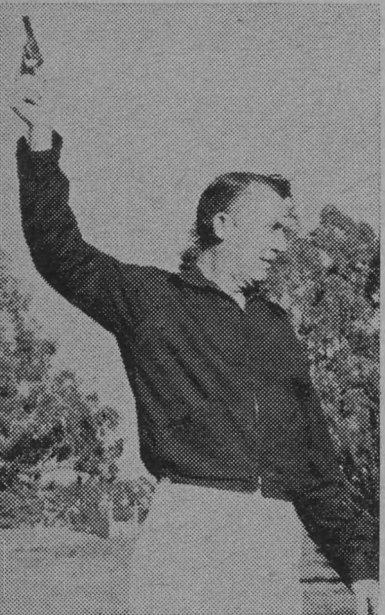

A star-studded lineup is promised for local cinder fans, including a 45-man entry from USC, the defending NCAA champion. Carter has placed eight of his own Gacho spikers on Saturday's card, which already in-

cludes such "name" stars as Parry O'Brien, Dallas Long, Ray Norton, Ron Morris, Lazlo Tabori, to mention only a few.

A pre-meet banquet has been scheduled Thursday night at the Carrillo Hotel, with sportscaster Tom Harmon as the guest speaker.

Tickets for both the banquet and Relays are now on sale in the lobby of the Carrillo Hotel.

WEARY GAUCHOS HOME

BANG! — Nick Carter, Gacho track and field coach, gets ready to kick off the 21st edition of the Santa Barbara Easter Relays, scheduled this Saturday at La Playa Stadium.

WOW! GAUCHOS TO FACE CHAMPS

Memo to the 1959 Gacho basketball team: You will open the season against the national champions. Good luck!

California's Golden Bears won the NCAA crown Saturday night when a late tip-in by junior center Darrall Imhoff sewed up a thrilling 71-70 victory over West Virginia.

The Gauchos will dedicate their new gymnasium against the Bears next season.

UCSB NETMEN HOST HORNETS

This afternoon the Sacramento State College tennis team comes to town to test the Gacho netters on the campus courts at 2:30.

Smarting from a crushing 9-0 defeat at the hands of invading Redlands University last week, Coach Ray Thornton's net squad will be out to look for the win column today. This will be the next-to-last home appearance for the Gauchos before CCAA play gets under way.

Top racketmen Chuck Neubaer, Phil McMullen, Jack Knudsen and John Zellhoefer will lead UCSB against the Hornets today.

MEET POSTPONED

The UCSB intramural track meet once again failed to get off the ground, as the Council postponed the event, scheduled for today, until a later date.

UCSB Tankers Lose Again; Hill Paddles to New Record

by Wils Winnek, Sports Writer

The University of California, Riverside's swim team proved too much for Coach Frank Rohter's Gauchos Saturday, as the invaders splashed to an easy 58-28 victory in the campus pool.

The Highlanders won every event with the exception of the 50-yard freestyle, which ended in a dead heat between the winners' Bob Wills and Gacho Henry Hill. Hill and Wills jointly set a new pool record of 25.3, breaking Hill's old mark of 25.5.

Santa Barbara freshman John Soth, swimming unattached in the 440-yard free, came in better than 12 seconds ahead of the field in the time of 5:38.2. Ned Preece of UCR won the event in 5:50.3.

The most exciting race of the afternoon was the four-man relay in which Frank Curl nosed out Hill of UCSB for top honors. Swimming the anchor lap, Curl had a 25-yard lead on Hill, which the big blond Gacho disregarded to come within a fingertip's distance of winning.

GALLON ATTENDS CAGE CONVENTION

Gacho Basketball Coach Art Gallon was in Louisville, Ky., over the weekend, attending the 33rd annual meeting of the National Association of Basketball Coaches and taking in the finals of the NCAA playoffs.
