Contact Lens
Consultation

"I wish I had gotten Contact Lenses sooner."

This is the regret I hear most often from my new contact lens wearers. They seemed to put off getting contact lenses for one reason or another. For most, it was fear of the unknown. They just didn't know if they could wear contact lenses.

That is why I offer Free contact lens consultations. Have you wondered if you could wear contact lenses? Is your prescription well-suited to contact lenses? What would contact lenses feel like on your eye? Can you even get a contact lens in your eye? What would colored lenses look like in your eyes? Or maybe you have tried contact lenses in the past and want to know if there is a newer and better lens for you. I can answer all of these questions for you at your Free consultation. I can also try contact lenses on your eyes. There is no charge or obligation. So don't wonder if you can wear contact lenses. Find out. Life is too short for regrets.

Phone today for an appointment.

Don't Delay. Get the contact lenses that will make you look and feel great. Call now.
