Executive Letters

Enrolling in a university as prestigious as the University of California implies that you intend to do more with your life than flip burgers or manage a liquor store. Students of the University of California comprise the top 10 percent of graduating seniors from the award winning high schools of this state. You are competing with the best talent and aptitude that this country has to offer. By the time you leave this great institution, you will be "cast to the wolves" where a mere two percent of the associates of the independent and corporate work force feel successful and content with their lives. How do you get an edge on the competition? You get involved... NOW! You need fire on your resume. Flamboyant achievements that make you stand out from the crowd. Achievements such as: managing a multi-million dollar budget for a senatorial campaign, hosting a concert and raising over \$30,000 for charity, internships with one of the big five accounting firms in the country, or working for the Dodgers, 49ers, Lakers or Kings. How do you get involved in all of these things? Become a member of the Greek system. All of these achievements were accomplished by Greek men who applied leadership skills and used their hundreds of thousands of networking resources to achieve great things *before* they ever left college. Opportunities await you if you know where to look. The Greek system offers more opportunities than any other college organization worldwide. Get involved. Greeks don't sit idly by and watch as the world moves ahead of them. The Greek system exacerbates and excites the power of the human being.

— Austin Johns
IFC President

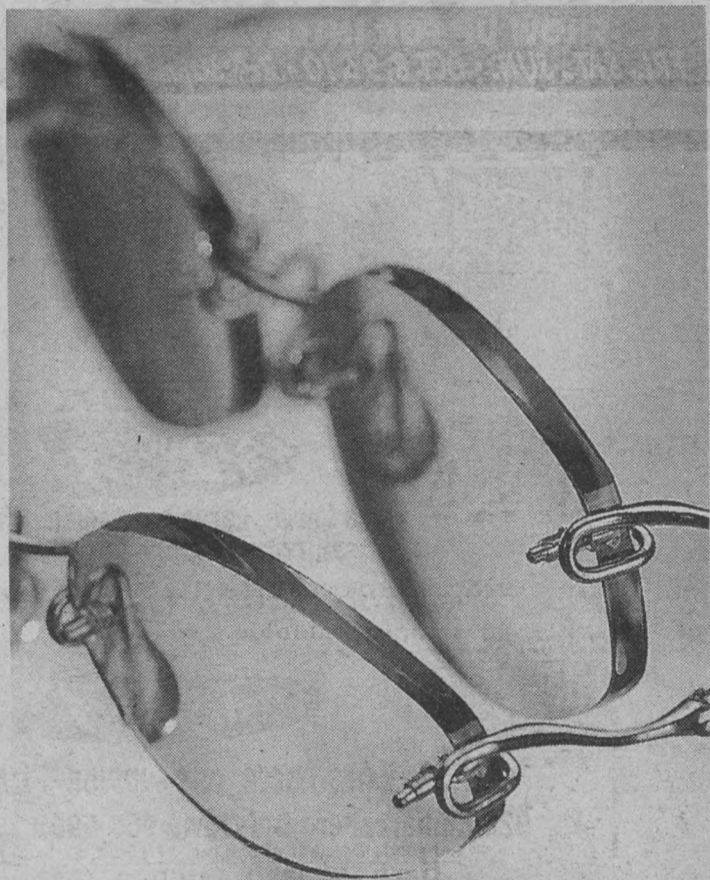

Panhellenic Executive Board

Coming to a university as a freshman can be frightening to say the least. A young woman today may feel lost and unsure of herself on a new campus. The sorority system, represented by Panhellenic, can often be a welcome friend in a strange place. Sorority women stand for outstanding scholarship, maintenance of fine standards, service to the community, and FUN! Panhellenic women are provided with a plethora of opportunities. Among them are leadership skills and the development of character, inspired by close friendships that are an inevitable part of the Greek system at UC Santa Barbara. As a whole, joining a fraternity or sorority is more than just a resume builder; it is an experience that can change your life.

— Angelle Morvant
Panhellenic President

GRE

Will your GRE score
be high enough?

"...programs across the country...have abandoned the idea of bigger is better and have settled on a different model of graduate education: Enroll fewer students, but give all of them full financial support."

—Chronicle of Higher Education, 2/22/99

As many graduate schools accept fewer students in order to offer more financial support, competition for spaces in the best programs is getting tougher. Enroll with Kaplan and ensure your spot with a higher GRE score. Call today to reserve your seat.

Class starts
October 13!

Alpha Gamma Omega

The guys of Alpha Gamma Omega are real with each other since they talk about the deep issues of life. Alpha Gamma Omega, a Christ-centered fraternity, organizes and participates in non-alcoholic parties and philanthropies. This fraternity has the most fun. We usually throw our biggest parties before Fall and Spring Rush, so people can come

and check us out. Last fall, perplexed geologists everywhere pondered the twenty-five foot high smoldering volcano that grew in front of the Alpha Gamma Omega house at our Kauaiian party. Come by and visit us, or call the Alpha Gamma Omega phone at 968-3001 if you are interested in hearing about what we are going to do next.

Alpha Delta Pi

The women of Alpha Delta Pi are enjoying another great year here at UCSB while making excellent contributions to the community and building strong, lasting friendships. Spring Rush yielded an amazing pledge class full of bright and energetic girls who have a lot to offer not

only in our chapter but to Alpha Delta Pi nationally as well. Our executive members attended an annual district workshop in which our chapter, Gamma Xi, was presented with many awards including making rush quota, the panhellenic award for

being at or above the all-greek women's GPA for this campus, and also for having a combined house GPA of 3.0 or higher. The end of Winter quarter also found the women collecting paper towels and making cards for St. Patrick's Day for the children of their philanthropy, the Ronald McDonald House. The women practiced diligently for ISVT, held in April, and although Alpha Delta Pi did not prevail, a good time was had by all. A "Mom's Weekend" event had been planned for the third week of May which was great. Also, Mystery Date, Alpha Delta Pi's annual date party traditionally prepared by the seniors, was held in spring. Not only have the women of ADPi enjoyed Spring quarter's socials and date parties but also the addition of more sisterhood events including Wednesday night TV, a Bid Day retreat, and the participation in intramural sports. Alpha Delta Pi has had an extraordinary '98-'99 year full of good times and good friends. Alpha Delta Pi's look forward to this school year and all it has to offer.

located @890 Camino Pescadero (our
parking lot is across from Giovanni's).

Alpha Epsilon Pi

Alpha Epsilon Pi reflects back on the tremendous '98-'99 school year at UCSB. We began the year with our fall block-buster party "Space Odyssey." We also held our second annual Taste of Isla Vista. This event not only benefited our community but also better familiarized stu-

dents with the local cuisine. The brotherhood also kept busy with a few TGs, happy hours and a grab a date. Fall quarter closed with an amazing semi-formal at the Big Yellow House. Winter quarter kicked off with another successful mid-night madness party, attended by AEPi's from all over the West Coast. In turn, the Winter quarter social calendar was packed as well. With two "Around the World" TGs and a few happy hours, the

brotherhood definitely remained busy. We also participated in the All Greek football and softball tournaments. As busy as we had been, nothing could prepare us for our most successful Spring quarter ever.

With two entrants in Poseidon man, and a Karaoke TG Spring quarter was off to a fast start. We also had an amazing "Murder Mystery" TG, with teams of guys and girls trying to figure out "Who done it?" Our Swing Party TG was also incredible. Not to mention our annual Formal, a spectacular two-night event held in Palm Springs. Perhaps our crown jewel of the year was our tenth annual "MayDay." Brothers spent weeks constructing facades to transform our house into a famous spot on the globe. This year the theme for May Day was Mardi Gras. Balconies, cage dancers, TONS of beads and a 40-foot high jester head included some of the highlights. This was easily one of the largest parties in Isla Vista this past year. With an estimated attendance of over 2,500 people, our attempt to recreate the magic of Bourbon Street became a reality. In turn, the success experienced by the brothers of Alpha Epsilon Pi last year was truly the most magical experience of all.

Alpha Epsilon Phi

Alpha Epsilon Phi is a sorority active in forming bonds, not only with the sisters, but also within the community. In the fall, the sisters of AEPi are looking forward to producing the second annual "Men of Santa Barbara" Calendar, which benefits Pediatric Aids, their local philanthropy. In addition, the girls donate funds raised during the Santa Barbara Jewish festival to Chaim-Sheba Medical Center in Tel-Hashomer, Israel. When they are not working towards their own philanthropies, the sisters of AEPi are participating in sporting events put on by other houses to benefit their philanthropies. Last year the girls participated in Sig Ep football, Beta softball, Fiji soccer and ISVT, hosted by Lambda Chi Omega. For their efforts and growing involvement, the house was given the titles of most improved sorority and the most campus involvement (for the third year in a row) at the Greek Awards Ceremony last spring.

Aside from getting to know the campus and the community, the girls also take pride in the connections they have made with each other. Events where the sisters have a blast in the connections they have made with each other. Events where the sisters have a blast Halloween. During Winter quarter, the girls and their dates venture off into unknown territories as a bus shuttles them to the "Destination Unknown" event. Last year the girls were surprised to arrive at Comedy Sportz. In the spring, the sisters of AEPi look forward to their formal, which last year took place in Montecito. We also dedicate a week in the spring to the seniors, by having activities such as beach BBQs and delivering goodies to their doors.

Since AEPi was able to get its house back, the girls will be able to form tighter bonds, becoming closer sisters than they already are. The girls of Alpha Epsilon Phi are members of a family, and are dedicated to themselves, their sisters and their community.

Alpha Phi

Alpha Phi has an amazing social life filled with memories and sisterhood experiences. From happy hours to formal date parties, the sisters of Alpha Phi maintain a busy social life as well as high GPAs.

Awesome theme parties, happy hours and date parties outline each quarter. The Alpha Phi's have celebrated past quarters with a Toga party, a Homecoming party, a Grab-a-date, and Superhero bowling. Other exciting social events include Pajama Parties, a Cinco-de-Mayo Crush Party, and many other fun events that helped build strong Greek relations.

Alpha Phi date parties also provide evenings of entertainment as the Phi's and their guests dress in festive clothing, while dancing the night away. The date party, "Phantasy Phi's," held at Zelo's on State Street during Spring Quarter 1999 was surely enjoyed by all the sisters and their dates. This past spring the sisters of Alpha Phi looked forward to their spring formal, "Silver and Bordeaux Ball." The Phi's and their dates head-

ed to Bistro Med Restaurant decked out in their formal attire to enjoy a wonderful and romantic evening.

In addition to the numerous social events, the Phi's also found time to study together. Currently, Alpha Phi holds the top grade point average out of all the houses on campus. The Phi's continue to strive for scholastic achievement by holding library nights several times a quarter and scholarship banquets three times per year.

The sisters of Alpha Phi are extremely excited for fall social events that will surely prove to be a blast for everyone. Alpha Phi invites everyone to check out the new website at www.geocities.com/collegepark/dorm/5788.

Alpha Chi Omega

Alpha Chi Omega is a sorority that offers its members experience in self-government, motivation in seeking a fulfilling education, an avenue to provide service to others and an opportunity to experience the true spirit of sisterhood. All of these goals are achieved through social occasions, sisterhood activities, sporting events and philanthropy projects.

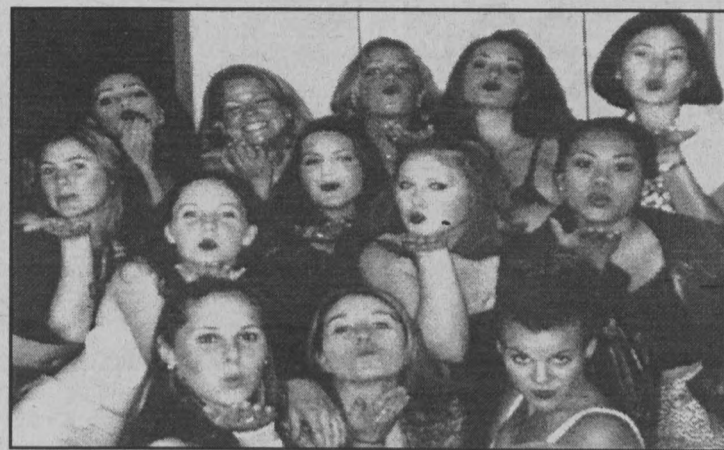

Our events include many TG's and happy hours with numerous fraternities and sororities. Some of our themes are Greek Olympics with Sigma Chi, Mash with FIJI and Disco Fever with Sigma Nu. We also enjoy our date parties and formals to the fullest.

When Alpha Chi's aren't at their formals, they can often be found on the field playing sports. Many sororities and fraternities put on tournaments that we play in. They are not only fun, but also a great way to support the rest of the Greek system. We participate in Phi Gamma Delta's soccer, Sig Ep's football, Beta's softball tournaments and the Inter Sorority Volleyball Tournament held in Santa Monica.

Alpha Chi is very committed to serving the community. We put together a clothing drive for the Battered Women's Shelter and made Easter baskets for their families. We have our annual haunted house with Alpha Tau Omega and we participate in an AIDS walk-a-thon.

One of the most important aspects of Alpha Chi Omega is sisterhood. There is time set aside throughout the year for the sisters to come together, talk and enjoy one another's company. This time is spent at the beach, by the fireplace or camping.

We are constantly building our relationships. Our house serves us with immense pride. College is a time for discovery and new experiences. Alpha Chi Omega provides a support group, a family and a home for its members. The sisters benefit during their undergraduate time as well as when they leave UCSB. We look forward to the upcoming year and to all the new memories

Beta Theta Pi

The Epsilon Pi chapter of Beta Theta Pi participates in a wide variety of social events throughout the year. Ranging from small happy hours designed to improve relations with local sororities, to our increasingly popular Las Vegas date party in which both actives and alumni take part. The men of Beta Theta Pi also are involved in a variety of other social functions with local sororities. Another social function that is very popular, are theme gatherings in which we get together with a sorority and dress according to the theme that was chosen. Spring Quarter 1999 had been an especially exciting quarter for Beta. In the first week of the quarter we held our third annual softball tournament in which 22 teams participated. The culmination of this weekend was our open party on a Saturday night, when we invited everyone to come out and join us in a big bash. Beta will also be celebrating its tenth year at UCSB this spring. On Saturday, May 15, 1999, we had a formal at the Radisson. This function brought together the active chapter with our alumni and we realized all that has been accomplished in our 10 years together. Beta Theta Pi has a very full social schedule through which we meet many new people and get to know local sororities much better.

Gamma Phi Beta

Gamma Phi Beta had an extraordinary Spring Quarter 1999 filled with a major fundraiser, many philanthropic activities, social events and sisterhood. Last May 6 the women of Gamma Phi Beta threw one of their annual fundraising events, Vegas Vacation Suitcase Party. Held at IVBC, this fundraiser was tons of fun, with dancing, a DJ, happy hour priced drinks and a raffle with a grand prize being a weekend trip to Vegas. Other cool prizes included Magic Mountain tickets, Disneyland tickets, and Sea World tickets. Proceeds from this successful fundraiser went to Isla Vista Youth Projects and MADD (Mothers Against Drunk Driving).

For Gamma Phi Beta, giving back to the community is one of our main goals. Last Spring Quarter we started out with an Easter egg hunt for underprivileged children at IVYP. Later on in the quarter we volunteered for the MS walk by helping out at the refreshment stands, volunteered for the Children's Festival at Alameda Park to benefit the Family service Agency Child Guidance Programs, helped create toiletry kits for underprivileged campers, and we also adopted a girls softball team.

We were also busy with all our socials! Some of our TGs included a School girls and Daddies, Singled Out, Cinco de Mayo and BBQs. We also enjoyed going to our happy hours at Giovanni's, and at various fraternity houses. We had our formal, Crescent Ball, and had a great time at our Senior Set Up, a date party put on by the seniors in the house.

Gamma Phi Beta women always look forward to having sisterhood events. It's a time where we can hang out and have fun and especially get to know our new members! Last quarter some exciting sisterhood events included roller-skating in Oxnard, grab a date at Déjà Vu, and having a BBQ/swim party at the house! We also participated in the annual ISVT down in Santa Monica, while later going out as a house to the UCLA fraternity parties. The quarter ended successfully and all of Gamma Phi Beta had a blast.

Sigma Phi Epsilon

For as much as we pride ourselves in everything that makes us balanced, the men of Sigma Phi Epsilon can't fight their social urges. It's tempting and sometimes over indulging aphorism to live by, but you only work as hard as you play. So play we do. When it comes to categorizing our social events, we pretty much have three general distinctions: parties, brotherhood events, and exchanges.

First we've got our parties, those all night rages which are the epitome of this Animal House stereotype in which we belong. Ask any Sig Ep what comes to mind when they hear the word "party." Invariably they will answer "Rocktoberfest" and "Ice Cap," two of the biggest annual parties on campus. Dancing shoulder to shoulder all night long in an orgy that would make Dionysus jealous, it seems sometimes as though we take more pride in our parties than anything else.

Brotherhood is what every fraternity is about, but we know that it doesn't always have to be blood, sweat, and tears. From bonfires to road trips anywhere from Vegas to Rosarito, to camping trips up to the mountains, we know that sometimes the best memories come from those boys' nights out. Sometimes it's cool just to chill with the guys you'd die for.

Finally of course we can't forget all of our sister sororities. Fun events include our wine and cheeses, nights such as Heaven and Hell and Around the World, and even our low-key blood drives. Keeping our ties strong with the best ladies on campus is definitely a priority. So what's left to say? Once the books are closed and the papers are in, we spend time making these the best years of our lives.

Delta Gamma

For the women who anchor their heart into Delta Gamma, friendships that last a lifetime can be found. It is the diversity, warmth and sincerity, which makes Delta Gamma such a special place.

For the women of Delta Gamma, giving back to the community is an important part of our rich tradition. During Spring Quarter 1999 our most exciting philanthropic event, Anchor Splash, brought the Greek community together. This is an event where fraternities and sororities participate in many silly races and water ballet or synchronized swimming skits, which are judged by the sorority housemothers. Along with Anchor Splash is our alumni weekend where all the girls who have graduated come back, stay in the house, and other members plan events all weekend for them. We also volunteer in a local Children's Festival where we help out with pony rides and face painting. Whether raising money for our philanthropy, Aid to the Blind, or providing volunteer work for local agencies, DG's strive to anchor themselves in the community.

Delta Gammas are always ready to have a wild and crazy time. Whether at BBQs, Happy Hours, Formals or TGs, you are bound to see the face of a DG. This year will be filled with many exciting events such as Italian Wedding, ISVT in Santa Monica and our spring date party, Shipwrecked. We have an annual Crush Party with Pi Beta Phi. For the sisters of Delta Gamma fun is always sought.

Scholastic achievement plays a prominent role in each of our lives. This academic success is kept up through various programs that are implemented such as weekly study hours, scholarship, and A-Box, which reward A papers and tests. These programs foster within each individual woman a sense of value and integrity that will be carried on throughout life. For the sisters of Delta Gamma, DG is not just a place or group to be a part of during college. It is the warmth, kindness and lifelong friendships formed at Delta Gamma that has kept our house strong for many years, and the memories made together will be anchored in our hearts forever.

Delta Delta Delta

Tri Delta's are an exciting group of women, who value friendship, fun, and happiness, as well as numerous social activities. The past few years have been very successful for our chapter. The women of Tri Delta enjoy everything it has to offer, as it allows each one of us to grow and share in the joy of friendship, while becoming better associated with campus, community and Greek life.

Along with sisterhood, Tri Delta excels in many athletic events and philanthropies. We have enjoyed playing Sigma Phi Epsilon football, Fiji soccer and Beta Theta Pi softball. Tri Delta has been very successful in the past with our Poseidon Man, the biggest sorority philanthropy, which selects the best all-around Greek male. Last year we raised over \$5,000 for children's cancer research, our national philanthropy.

Along with numerous happy hours and wine and cheeses, TGs are the most fun. The girls had a blast at the Disco Inferno TG, as well as School Girls and Principles. Other TGs included Cops & Robbers, Heaven & Hell, Murder Mystery, Purple Haze, and many more. Along with these events, the annual Star & Crescent Formal is held in the spring, as well as the Semi-Formal in the fall. The Annual Father Daughter Ball, held in winter, is unique to our chapter. Other highlights of the year include crush parties and date parties such as All Tied Up, Fright Night, and the Kamanawaleia Hawaiian date party. Often, Tri Delta likes to move the party to exotic locations during the summer, winter and spring breaks. Many girls go on the All-Greek Ski Trip to Reno Nevada, as

for spring and summer the girls go all over from Europe to Palm Springs, Cabo San Lucas, Mazatlan, and San Felipe.

Tri Delta is an amazing group of women, who love to have a good time as well as develop strong bonds of friendship. Our sisterhood is what makes our chapter special by allowing every event to be a memorable experience. We all agree that we are truly a family, and we wouldn't have it any other way.

Zeta Phi Rho

It is important to maintain a balance between academics and your social life during your college experience. The Brothers of Zeta Phi Rho realize that this social balance is essential for success at UCSB. We provide many different options to help those seeking a social outlet.

We hosted one of the largest parties Santa Barbara has ever experienced last year. Zeta's capacity crowd was enticed by the music provided by our own DJs LION, Yeroc, and ICY ICE. This provided a great opportunity for us to share, with parties, the many talents of some of our members.

Our participation in the Isla Vista community's "El Dia de los Niños" was a success as well. The dedication from the IVTC and our brother Romeo Garcia developed into a day which we could dedicate and give back to I.V. kids. The dunk tank and Jolly Jumpers proved to be among the many exciting activities for carnival goers.

The brothers of Zeta Phi Rho like to enjoy time with each other. During spring quarter brothers enjoyed evenings filled with the smell of BBQ's and taste of potato salad. The pier is a frequent visiting spot for Zetas with fishing poles as well as a great place to strengthen bonds. Zeta Phi Rho brothers have also been the chaperons for local high schoolers on a Magic Mountain trip.

These are only a fraction of the events we have engaged in during the 1999 school year. We are also actively involved in socials and exchanges with sororities, both locally and throughout the state. Road trips are common during the spring quarter. Zeta Phi Rho fraternity meets the need for an active social life and provides a variety of events and experiences that will make these years the best time of your life. Whether on the dance floor or in the community, Zetas guarantee a great time.

Theta Chi

One of the most prominent fraternal organizations in UCSB's Greek system, for the last five years, has been the Theta Sigma chapter of Theta Chi Fraternity. Increasing in size and strength with each passing term, Theta Chi prides itself on its members' achievements and chapter activities. Of utmost importance to the brothers of Theta Chi is scholasticism and the dedication to supporting the fight against Multiple Sclerosis. Together with the Nancy Davis "Center Without Walls," Theta Chi raised \$10,000 this year alone, from the annual Rock MS concert, to work towards a cure.

In addition to this philanthropic expedition, Theta Chi's brothers enjoy a full social schedule, which allows for increased relations with other Greek houses and the greater student body at UCSB. Our commitment to alma mater shows in our long-standing involvement with the Greek Conduct Board and Inter-Fraternal Council, the presidency of the latter which has been filled by our brothers for the last five years. Theta Chi has continually set the standard for academic, athletic, and Greek achievement at this University. We would like to extend an invitation for this fall's rush to all who wish to experience what has made Theta Chi the living definition of what it means to be Greek at UCSB.

Kappa Alpha Theta

After hitting the books and working hard for their philanthropy, the girls of Kappa Alpha Theta just want to have fun. Throughout the year the Theta's social calendar is booked to ensure great times for both their sisters and the rest of the Greek community. From date parties, BBQ's, camping trips, and crazy theme parties every Theta has something to smile about.

The annual "Studs" four-way with Lambda Chi Alpha, Pi Kappa Alpha, and Kappa Kappa Gamma is a game show style party to start off the Fall Quarter. Laughs are had by all as the "contestants" describe their wild dates. In October, pumpkin carving with FIJI puts everyone in the spooky spirit.

After digging through their closets and finding the puffy sequin dresses, the Thetas are ready for the Tacky Prom with Lambda Chi Alpha. But when they want to seriously put on the glam, the Krystal Kite Formal at the Mandalay Bay Beach Resort is the place to dance the night away. The annual "Queen of Hearts" crush party with Kappa Kappa Gamma is always a wild time. Sigma Chi and the Theta's play schoolhouse at the Principal and Schoolgirls TG. Beta shows the Thetas the way up to Red Rock for a beautiful day of hiking and relaxing in the spring.

Sisterhood events like pizza parties, bowling, the movies, the beach, and even Las Vegas keep the Theta's close. Parent's weekend is always fun as the parents get a taste of the special relationship all of the Theta's share and what fun they have.

Kappa Kappa Gamma

Spring quarter 1999 for Kappa Kappa Gamma at UCSB opened up a treasure chest of philanthropy, social and traditional events. Kappas participate in Santa Barbara's MS Walk to raise money for those suffering from Multiple Sclerosis, Daffodil Days for cancer patients and a fashion show benefiting breast cancer awareness.

Kappas celebrated their mothers and grandmothers in May at a sunny, umbrella topped tea in the backyard at the Kappa house. Moms and daughters celebrated their relationships together with other Kappas surrounded by flowers, fare and smiling faces.

Spring Rush landed Kappa seven new extraordinary members. Through ritual, tradition and the bonds of Kappa friendships, the addition of new Kappas builds for it its future at UCSB and the world. To help celebrate our new arrivals, Kappa won the Sigma Phi Epsilon football tournament and competed boldly at ISVT in Santa Monica this spring.

Kappas enjoyed their favorite event ever in May as well, when they donned 20s style outfits and picnicked on lawns at a majestic Montecito estate. The theme "Great Gatsby" inspired all to Charleston the night away in Kappa style.

Kappas are thrilled to have had an incredibly successful year academically, socially and traditionally. Kappa Kappa Gamma Sorority looks forward to the 1999-2000 school year with visions of friendship, success and mutual sisterhood all through the bonds of Kappa Kappa Gamma.

Lambda Sigma Gamma

The ladies of Lambda Sigma Gamma at Zeta Chapter are entering the ninth year here at UC Santa Barbara. The Founding Chapter is at Sacramento State, which was founded in 1986. As a multicultural sorority we emphasize diversity and acceptance of women from all walks of life. Our purposes are to instill the desire for self-improvement, scholastic excellence and the cultivation of civic responsibility.

Here at Zeta Chapter we are always keeping busy with social activities such as hosting dances for fundraising purposes. Internal social activities are frequent bonding events such as sleepovers, barbecues, and just hanging out and bonding. Our annual activities are kicked off every year by Zeta Week, which is a celebration of our existence here at UCSB. Activities for Zeta Week are formal dinners and learning more about our history. A very important event is our Thanksgiving Food Drive. We finish off the Fall Quarter with our Holiday dinner and gift exchange.

We keep busy with our National Retreat, which is a time when all of our sisters from all of our chapters get together and meet the new members who have joined throughout the year. At a more local level we have our annual semi-formal which is a chance to welcome our newest members to our sisterhood. We finally end up the year with our Family Day picnic when our families come to Santa Barbara and get to know our family away from home. As a multicultural sorority, we welcome any women of any race, creed or sexual orientation. Any questions log on to: www.lambdasigmagamma.org.

Lambda Chi Alpha

In 1999, Lambda Chi Alpha began its fifty-second year at UCSB. As the oldest fraternity on campus we share a great deal of pride and tradition with our house and brotherhood. There are many aspects of Lambda that make us a desirable fraternity to join. We have the largest property of any fraternity on campus. In 1977, we started the Inter Sorority Volleyball Tournament as a fundraising event every spring. Participants attend ISVT for a day of charity, volleyball, and fun. Other charity events include our fall and spring kickoff parties. We take pride in our ability to work hard and play hard. We have a laid back atmosphere that welcomes individuals of all different backgrounds. If you are interested in Lambda Chi Alpha come and meet some of our brothers. There is always something going on.

Sigma Alpha Zeta

Sigma Alpha Zeta is a multicultural sorority who has no prejudice nor holds any type of discrimination against other cultures, traditions, race, religion or creed. The purpose of our sorority is to act as an elite multicultural group who promotes the upward mobility of women through sisterhood, academic achievement and community service. As sisters we support each other academically, socially and personally. We encourage the pursuit of higher education as a vehicle for self-improvement and empowerment. This past year Sigma Alpha Zeta was recognized at UCSB. We hope to continue to provide many more women with the opportunity to experience our unique and diverse sisterhood.

Pi Beta Phi

Pi Beta Phi has a fun-filled social calendar this upcoming year packed with TG's, date parties, 4-ways, and philanthropies. An event that we will be participating in is the Inner Sorority Volleyball Tournament hosted by Lambda Chi Alpha in Santa Monica. Here we will be able to show the house's spirit and close friendships by working together. Whoever is not playing participates by cheering on the sidelines. Firesides are another event that brings our house closer together. This is strictly a girl bonding experience where we express our thoughts about anything that we have on our minds. This allows each one of us to get to know each other even better than before. Assassins, a water war with Lambda Chi Alpha, enable us to have a one on one event with another fraternity. In this four-day event, everyone participates and learns how to work together as a team. There are a wide variety of events that words are unable to express the experience that each event shows about and brings to our house. Pi Phi is looking forward to a great year that will bring the house closer than ever before.

Sigma Kappa

Sigma Kappa prides itself on its sisterhood. During the last year many sisterhood events have brought the house closer together and upcoming events are sure to increase our already strong bond.

Spring quarter 1999 began with an All House Sleep over, nicknamed "Lock Down." The Sigma Kappa sisters stayed up late into the night talking and watching videos of our awesome sports teams playing in Greek Tournaments.

The weekend after Spring Rush ended, we had a pledge Retreat which took place at Red Rock. This was a chance for the house to welcome and get to know our new members early in their fun filled pledge quarter at Sigma Kappa.

Sports tournaments brought many of us together to cheer on the athletes of our house. The support has led to Second Place trophies in both football and soccer, and an undefeated record in softball. Our Cal Poly sisters ventured down to UCSB this spring to help support us during the Fiji Soccer Tournament. Many friendships were created, showing us that sisterhood can extend beyond our own chapter.

A Crush Party gave everyone a chance to dress up as famous or infamous couples. Couples such as Monica Lewinsky and Bill Clinton, as well as Fred and Wilma Flintstone could be seen dancing on the floor of IVBC.

Our Sixth Annual Burrito bash gave us a chance to work together to raise money for our main philanthropy, the Alzheimer's Association. Everyone contributed to the advertising, selling tickets and we even had an assembly to make unlimited burritos.

During spring quarter a Sisterhood Banquet gives the chapter a chance to acknowledge its accomplishments, the accomplishments of our members, and bid our seniors good-bye. Additionally, the seniors eagerly await their Senior Trip to Las Vegas during Memorial Day Weekend. Finally, Sigma Kappa ends the year with our annual Spring Formal, which promises to be a fun filled night at the Montecito Polo Club.

Sigma Kappa Chi

On October of 1993, the seven founders of Sigma Kappa Chi formally established an Asian American Interest Sorority at the University of California, Santa Barbara.

The seven discovered that the Asian American population of the UCSB campus was growing rapidly and that an organization to fulfill the needs of Asian American women was needed.

With much enthusiasm and dedication, the founding mothers of Sigma Kappa Chi learned the meaning of sisterhood, respect, academic excellence, everlasting friendship, and cultural awareness. Today Sigma Kappa Chi continues these traditions.

Sigma Kappa Chi engages in both sisterhood activities as well as social. Sisterhood activities include pledge/active retreats, monthly potlucks and fun trips throughout the year, for example, to Knottscary Farm around Halloween. Social events include interacting with fraternities, other sororities and other campus organizations. Sigma Kappa Chi offers the chance for others to get to know the girls through a program called the "Sun Buddy Program." Through this program those who join get paired up with one member of the sorority. This gives others a chance to build friendships with the sorority.

The sorority also plans at least two community service events a quarter. They have an ongoing relationship with Valle Verde Convalescent Home. The sorority visits with the residence once a year and also participates in their activities.

With cultural awareness as one of their traditions, Sigma Kappa Chi has activities throughout the year in which they learn about the Asian culture. Trips to a Japanese museum in Los Angeles, to attending Asian American films playing on campus, to participating in the Asian American culture week keeps members culturally aware of their heritage.

Sigma Kappa Chi welcomes all UCSB women to become a part of their sorority. They hold two rushes, one in the Fall and Winter quarter. Sigma Kappa Chi would like to invite you to their upcoming fall rush. Rush will be held Oct. 6-8. For more information please call their rush Chair, Michelle at 968-3493.

Sigma Chi Omega

Sigma Chi Omega was formed by a group of friends who shared common interests and goals. The 10 friends formed tight bonds during their academic careers at the University of California, Santa Barbara and decided to elevate their unity to an official level. Though met with some opposition, the Sigma Chi Omega fraternity was founded in fall of 1993.

Sigma Chi Os love to have a great time through such activities like camping trips, paintballing and just hanging out. We have a strong relationship with our sister sorority from USC, Zeta Sigma Phi, an academic, multicultural sorority. Both of our organizations are united in promoting the importance of multiculturalism. We participate in various social exchanges with sororities, meet with fraternity alumni, and go out on all sorts of road trips. In Sigma Chi Omega you do not only get together and have fun but also create great memories for a lifetime.

Over the past couple of months, Spring Quarter 1999 had proved to be one of the busiest yet for the Fraternity of Phi Gamma Delta. Starting with a successful rush at the beginning of the quarter, the brothers of Fiji had been going non-stop in our continued quest for excellence. Three weeks after Rush we were already gearing up for our fifteenth annual Soccer Tournament in which we played host to teams from UCLA, Cal Poly SLO, UC Irvine, USC and UC Riverside. A great time was had by all, and again we were successful enough to donate to some local charities.

Phi Gamma Delta

The biggest and best annual Fiji event was our eighth annual "Islander." Headlining bands as "No Use for a Name" as well as "Sick Shirt" and "The Rudies" performed. It's no wonder why the benefit concert was an enormous success. Again the Phi Gam's predict that we will be able to donate part of our proceeds to more of our local charities. Spring quarter 1999 was also packed with many fun social events including wine and cheese TGs, bondage and MASH parties, cruises, date parties and many other exciting exchanges with the many great sororities on campus. Overall Spring Quarter 1999 can be best described as both exciting and exhausting for FIJIs. As always we have emerged as champions and look forward to this new year!

Chi Delta Theta

Social functions are a big part of Chi Delta Theta's agenda. For the Spring Quarter 1999, Chi Delta Theta's have participated in various campus functions, including Unity Games, which was held in May. Unity Games are a time to gather all the local on-campus groups and partake in fun filled competitive games. We also had many social exchanges with the different sororities and fraternities from UCSB as well as from other campuses. In addition, we also actively participated in Asian Culture Week on campus. On May 22, 1999 we initiated our newest class and welcomed them into the sisterhood of Chi Delta Theta.

La Cumbre Yearbook Presents...

What your mom will say when she finds out:

Why you forgot to send her a birthday card.

We all
make
mistakes.

What you were doing at the clinic.

At least
you're being
safe.
