By Dr. Ellison

"The Rejection of California Indian Treaties: A Study in Local Influence on National Policy," an article written by Dr. Ellison, is being published in The Grizzly Bear, a publication of the Native Sons and Daughters. The first installment of the article appears in the May issue of the magazine and will be followed by the second installment in the June number.

The story, which is part of an extensive research study on the Federal Indian policy in California, is only one of a number of articles which Dr. Ellison has written for publication. An amplified version of the article now running in the Grizzly Bear has been accepted for publication by the Historical Outlook and will be published in the fall.

Work On College Night Progresses Rapidly

Rehearsals for "The Masque of Pandora," which is to feature College Night and Homecoming Day on May 16th, are being held regularly and all indications are that this year's entertainment will surpass all others in interest and attendance.

Sororities and fraternities have been put in charge of committee work. Phi Kappa Gamma is managing the costumeing; Delta Zeta Delta has taken over the decorating of the court; Tau Gamma Sigma and Beta Sigma Chi are to handle the stage properties; Alpha Theta Chi is taking care of incidental properties; Delta Sigma will usher in Greek costume; and Sigma Alpha Kappa is in charge of seating arrangements. Phi Chi Alpha will manage the clean-up work. A number of non-sorority and fraternity people are also assisting in the various details of the entertainment.

Roadrunners Will Meet Loyola Tomorrow at Pershing Park

Local Nine In Excellent Trim For Clash With Lions

The Roadrunners will meet Loyola, their ancient rivals, tomorrow afternoon at Pershing Park in the stiffest game of the season. The Lion nine has shown a world of improvement since it took an 11-9 decision from Caltech in the early part of the season, for it swamped the U. S. C. Frosh nine 9-2 in a recent encounter and the Trojan varsity nine is also numbered as a victim. As is well known the Roadrunner put to the Caltech Beavers 7-5 and the Trojan Babes spent twelve innings for a 3-2 win over the locals two weeks ago.

Prizes Awarded For Winning Songs

Prizes for the best songs entered in the song contest, sponsored by the Literary Forum, were awarded to the winners at the assembly held yesterday. Margaret Cronise won first prize and Mary Virginia Platt was awarded second prize.

Nearly a dozen contestants entered songs which were judged by the following committee: Mrs. Barnett, Dean Ashworth and Madeline Connell.

Following are the words of the song written by Margaret Cronise. The song winning second prize will be printed next week.

Santa Barbara College

(Suggested Tune—In the Silent Midnight)

By Alonzo R. Howard

From the yellow hill-top,
Above Pacific's spray,
Where the hazy Islands
Are anchored in the Bay;
With lofty mountains guarding
Above the quiet town,
Santa Barbara College
Looks serenely down.

Here we students gather
To learn to serve and live;
Here in shaded archways,
We come to get and give;
Here meadow larks are trilling,
In Eucalyptus trees,
And students' merry laughter
Is caught up on the breeze.

With our view inspiring
May we then grow to be
Strong as rugged mountains,
Broad as the rolling sea,
Then cheer for Santa Barbara,
College on the hill!
To our dear Alma Mater
Let the echoes thrill!

President Phelps Will Address Masonic Order

President Phelps will speak at an open meeting of the Masons Wednesday evening in connection with Public Schools Week May 11-15. Next week marks the sixth annual Public Schools Week sponsored by the Masons.

The Roadrunners, however, are anything else but downhearted. They have conquered the ways of the horsehide by dint of rigid practice this last week for tomorrow's game. Furthermore, with Anderson's captivating north paw in excellent condition, the Lions will find a little opposition on the mound.

Andy's support will not be sound asleep neither. It only made five errors in each of the last two games, which is not a bad average for a team with as little practice as the Roadrunners had. The infield has become tighter than ever in the last week.

The Lions have a reputation for mean lumber toting. Their batting average is exceptionally high for a team from an institution of the size of Loyola. It proved the nemesis of the Trojan babes. But what have we to fear when Anderson retired seventeen men at Cal Christian last Saturday, sixteen fans and one assist? The game will not necessarily hinge on Andy's arm, for Spud Sawyers has acquired no little reputation as an emergency twirler.

Several of the Roadrunners are as familiar with the stick as any of the Lion sluggers. Art Cherrie, for instance, attributes his inability to get more than four hits out of five trips in the Frosh game and more than three bases in a right field drive in the Cal Chris game to a lame back. Edmund O'Reilly, Jimmy Anderson, and "Bane" Keim are no scarecrows with the stick either.

Coach Gilliland will probably run the usual lineup in tomorrow's game: Peel, catcher; Anderson, pitcher; Williams, first base; Keim, second base; Asakura, third base; Breslin, short stop; Cherrie, left field; O'Reilly, centerfield; and Sawyers or perhaps Hollingsworth, right field.

Mothers To Be Honored By Tea Tomorrow

Arrangements for the Mother's Day tea which will be given in the court tomorrow afternoon by the local College women were completed early this week. Entertainment for the afternoon will consist of a violin solo by Margaret Ellison and a piano solo by Marjorie Lowe.

Students of Vanderbilt University, Nashville, Tennessee, are planning a little theatre for the University and the City people.

The Universities of Utah and Minnesota have made moves to bring the most important social functions within the means of the less wealthy students. Both have successfully carried through "no flower" restrictions at their Junior proms.

At Minnesota the plan has even been carried farther. The student sponsors of the coming senior prom have decreed that there shall be no flowers. Several weeks ago the inter-fraternity council, self-governing body of the Minnesota Greek-letter societies passed a motion abolishing flowers and favors at fraternity functions.

Ted Elsworth has finally replaced his fishing equipment which he lost in the eventful trip to El Capitan last year and he is planning to use some of his spare time employing it. Don't forget us Ted, as we like fresh fish too.

Elementary School Notes

The fund for the school victrola is growing. Mr. M. J. Deardorf donated five dollars. Over twenty-four dollars has been raised so far. All fines for various offences against certain rules drawn up by the council are also being added to the fund.

Clay work in Brazilian art is the present art work of the fifth grade. The work was given in correlation with the study of South America in their geography class. Many attractive titles have already been made and are on exhibit.

Friday afternoon, May 15, the school will give a gymnasium exhibition under the direction of Eleanor Ginno. Classes in physical education have been working hard to make this exhibition a success. It will begin at 2 o'clock in the College Gym. All parents and teachers are cordially invited to attend.

The second grade is planning a play for a Mother's Day program. Eleanor Lakin has charge of the play which is being worked out entirely by the pupils. This is a new type of work for the students and is expected to be very interesting.

A second cafeteria day was held Wednesday and all details were managed systematically. A vast improvement over the first cafeteria day was noted. The art students from the college presented a miniature cafeteria to the room. Following the pattern of this miniature, the grades are going to make another one for their own room.

Among the rooters at the Cal Christian game Saturday were Lois Pearson, Barbara Dewlaney, Irwin Vandam, Perry Linder, Sidney Doner, and Ben Fong.

Men's Club Planning Barbecue at El Capitan

Plans for a barbecue at El Capitan within a few weeks are being made by members of the Men's Club. May 17 has been selected as a tentative date for the barbecue. Swimming, bathing, fishing, and a tug-o-war between the J. C.'s and C. M.'s will constitute the day's fun.

Another plan for entertainment was suggested late this week. A fishing trip on the Norwalk may prove the most popular diversion when the men vote upon the two propositions.

The Men's Club will meet next Tuesday to determine the exact date and to make further plans for the affair. Nominations for next year's officers will also be made Tuesday.

DOINGS OF THE GREEK LETTER SOCIETIES

Delta Sigma held a sewing bee last Friday afternoon. The curtains for the A. W. S. Clubroom were begun. Another meeting this afternoon is expected to finish them.

Plans for the reception to the faculty, which will be given by the above group on June 6, are under way.

Beta Sigma Chi held its initiation Tuesday night.

Pledges of Phi Kappa Gamma will entertain the members of the sorority at a card party next Wednesday night.

Delta Zeta Delta women are making a plea for flowers for decorating purposes for College Night. Members of the sorority will appreciate greatly any flower donations next Saturday.

Sigma Alpha Kappa is planning a fishing trip on the "Good Ship, Norwalk" Monday evening. The party promises to be a good one since it includes the baptism of Harry Henderson's moustache.

Members of Tau Gamma Sigma are displaying pins which arrived this week.

Gretchen Ziegeler is entertaining members of Tau Gamma Sigma at a waffle breakfast Sunday morning.

Frat And Sorority Sponsors Hold Brief Meeting

A brief meeting of the faculty sponsors for fraternities and sororities was called by President Phelps Monday. Matters pertaining to time of meeting for societies were discussed. According to President Phelps all sponsors reported favorably regarding actions of individual groups.

A meeting of sorority and fraternity presidents together with their respective sponsors will be called next week to determine policies relative to rushing and initiation seasons. In order that all societies may conform to the same regulations next year it is necessary to determine a few policies now for the coming year.

Barton Hopkins, a former art student of the college was awarded first prize in the poster contest held by the Better Homes of America committee for the best poster advertising Better Homes week.

G. P.'s Entertain With Snappy Program Thurs.

School Marm Day was a great success. Again the G. P.'s lived up to their reputation for originality. Yesterday on the annual G. P. Day the majority of women in that department came to school be-decked as were the school teachers, country variety, of twenty years ago.

The children of the Elementary School first gave a number of original selections with Teddy Hanley as chairman. Billy Peters gave a string stunt and exhibited his own version of the Orang-a-tang Face. Beatrice Pyle and Ted Hanley recited original poems and June Vance gave an old fashioned dance. The sixth grade sang "The Minuet."

Then came the school marms of Jayville Junction, gathering in a faculty meeting. Ed O'Reilly, the principal, presided over his teaching force of Ester Janssens, Helen Erichsen, Ruth Garner, Marget McTavish, Edwina Kenny, Christine Hamilton, Patrice Neely, Irma Learned, Madeline Connell, Edna Dowler, Frances Drew, Alma Larsen, Anna Lincoln, Harriet Coleman, Beth Teal.

Miss Simpson's Quartet sang, "I Dream't I Slept In a Fish Pond," with simple pathos. The children of the Jayville Junction School who furnished entertainment were extremely well trained pupils. "Ted" Ginno and Marjorie Granger gave a series of exercises intended to be of benefit to the "marms" forms. "To an Undisciplined Rose" was the title of Margaret Patrick's dance. Marjorie Brown recited a—by courtesy—poem. After this the faculty of the country school indulged in a good Old Virginia Reel and reeled out of the gym.

Russell Spicer, '24, visited the campus Monday. Russell is a student at U. C.

Roadrunners Outplay Cal Christian 8-3

To show the student body where the school stands in athletics, the Roadrunner baseball nine returned from California Christian College last Saturday with the heavier end of an 8-3 score.

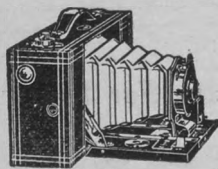

Anderson fanned 16 men; and after he was yanked in the ninth, Spud Sawyers fanned two. McGee of Cal Chris fanned but two men in the first seven innings, and Mitchell fanned three in the last two. The Roadrunners socked eight hits off McGee and three off Mitchell, while Anderson was touched for but one and Spud for one also.

The Cal Chris outfit started the excitement by scoring their first run in the first inning. Caldwell, Cal Chris guardian of the center sack, took advantage of Andy's cold arm and laid out a double and scored on an error.

Cherrie dropped a triple over the right fielder's head in his first trip and Breslin pulled a single from McGee in the second inning, but both failed to score. The Christians thought they had the game pickled until Keim walked in the fifth, Spud singled, and Peel scored them both with a double to short center.

Anderson slammed out a double in the sixth and another in the seventh, the last of which drove in Keim who got on the circuit by an error on the part of the Cal Chris third baseman. O'Reilly laid out a single in the seventh to advance Keim.

Breslin found the first bag in the eighth frame when Caldwell fumbled. Williams advanced him with a single and Asakura scored them both with a double to left. Taki stole third and pulled the crown-

Large Turnout For Women's Baseball

A large turnout for women's baseball indicates a good season for the women. There are enough women out for the sport to form three teams with the exception of the Juniors, who are in need of more players. Practices are held three times weekly under the direction of Miss Weage.

The first interclass contests will be scheduled the latter part of May with the final game in June. Under the enthusiastic managership of Ted Ginno, recently elected manager, the women are working up plenty of spirit and pep for the coming battles.

Athletic Field Nears Completion This Week

Cutting and filling is being completed on the athletic field below the gymnasium. Cutting on the northwest corner of the field was started this week. According to those working on the field it will be ready for use within two weeks so that spring football practice if held this year may be held on the College field.

ing freak play of the season by stealing home while Mitchell was cranking up for a mean delivery.

Kennedy and Lemelle of Cal Christian each scored in the ninth, the former after a walk and Lemelle after a double to left. Anderson and O'Reilly each scored in the ninth to retalliate. O'Reilly got on with a single and Anderson by a single.

Cal Poly Will Meet Roadrunners May 16

Cal Poly is slated as the Roadrunners' next adversary after the Loyola game tomorrow. Although little is known of the prowess of the Poly team, it is connected with the annals of the Roadrunners with memories of numerous defeats and victories in all the major sports. Next Saturday the Roadrunners will go north for their third out-of-town game of the season. May it be as successful as the first two.

Feminine Hits

Marjorie Granger is living up to her reputation of hard hitting and fast running.

In Ted Ginno the Juniors have a mighty fast player.

Dorothy Kimes plays a fast game for the Frosh.

Edith Anderson is reported to throw a mighty speedy ball.

Ester Janssens is showing pitching skill.

Men's Club Room Adds Bright New Curtains

Curtains put up in the Men's Club room this week complete nearly all the work to be done in the room. The curtains, which add to the attractiveness and cheeriness of the room, were made under the auspices of the A. W. S. The benches and chairs as well as the woodwork in the club room were painted by Mr. Hayward's class in painting during the first semester.

Summer Carpentry Class Will Construct House

Plans for the house to be constructed by the Carpentry Class this summer are now in the hands of President Phelps. The Carpentry Class will be under the direction of Mr. Alltucker who was the instructor of the same class last summer which constructed the Elementary School building.

The house containing five rooms is to be constructed this summer for Lee Verret, former student. Blue prints for the building were made by David Weir.

G. P.'s Abandon Plan For Dance This Spring
