SANTA BARBARA, CALIFORNIA, TUESDAY, OCTOBER 18, 1949

No. 10

GAUCHOS TRIUMPH IN SEASON OPENER

Story on page 5

Surging Gaucho Sets Deadline; Queens to Meet

Santa Barbara again presents the greatest event of the year: Homecoming Weekend, which will take place on November 4-6. Two of the main events of the weekend will be the "Galloping Gaucho Review" and the presentation of the Homecoming Queen.

The Galloping Gaucho Revue, previews almost all of the activities that take place during the week-end; therefore, the Rally Committee, under the direction of Peter Grant, has opened the Galloping Gaucho Revue to all organizations.

On Tuesday, Oct. 18 the applications for tryouts are due, Wednesday, Oct. 19, there will be auditions of these skits for the revue in the Riviera Auditorium at 8:00 p. m. Peter Grant and Mr. Theodore Hatlen will choose the best five skits which will be presented in the revue. On the night of the review, the audience will select the three best skits. There will be a cup for first prize and ribbons for the second and third prizes.

For any additional information about the Galloping Gaucho Revue, please contact Peter Grant, Rally Committee chairman.

Homecoming Queen applications will be accepted with an entry fee of \$1.00 on Tuesday Oct. 18. On Wednesday Oct. 19, there will be a meeting of the candidates and campus managers outside of the Student Body Office at 4:00 p.m. Publicity pictures will be taken, and the candidates will choose their photographers. The campaign for queen will be from October 26-November 2. The elections will be on Nov. 2.

There is a revised list of campaign regulations which can be obtained in the Student Body Office.

Caldwell, Ex-Prexy, To Autograph Book

John Caldwell, last year's Student Body President, will make a triumphal return to the campus to autograph copies of his now famous book, "Desperate Voyage", which will be on sale in the College Bookstore, it was announced by Harold Cole, bookstore manager.

Caldwell will be available in the Bookstore from 10 a.m. to 2 p.m. Friday, Oct. 21, for autographs and conversation.

The Gaucho author and his family sailed into Santa Barbara harbor aboard his new 36-foot ketch where they are busy rigging their boat for a South Sea cruise—per-book.

His story relates an amazing true story of his trip aboard a 29-foot cutter from Panama to Australia, fighting storms and sharks single handed.

He will also appear in a downtown bookstore for an autograph session.

SAN JOSE GAME

Student body cards will be honored for admission to the San Jose State football game to be played at Spartan stadium this Friday night at 8:00 p.m., it was announced by the Graduate Manager's office today.

UNIDENTIFIABLE BUT VICTORIOUS were the above Sophomores receiving a frigid shower after the Mud Brawl last Saturday at the Goleta Opener. Photo—Paul Kluth.

QUITE ENTHUSIASTIC over the "CAL-ossal Goleta Campus" were (left to right) Lucy Doty, Greta Gates, Shirley Duvall, and Shirley Harris, shown after following the golden arrows to the Goleta festivities last Saturday afternoon. Photo—Paul Kluth.

Architecture Is Topic of Lecture

"Spanish Mission Architecture in California" will be the subject of this week's lecture in the All-College Lecture Series at Santa Barbara College of the University of California.

The illustrated talk will be given by Dr. Elliott A. P. Evans, Chairman of the Art Department, in Pine Hall 100 on the Riviera Campus at 4 p.m. Wednesday. The public is invited to attend these lectures, as well as students and faculty. The series is sponsored by the Committee on Drama, Lectures and Music.

On the following Wednesday Theodore Hatlen will speak on "Modern Drama in the Theater."

WHERE ART THOU?

The Occidental banner which was taken at the time of the "Tiger Snatch" belongs to the Occidental Administration and not to the student body. It has been in use at the school for many years and the administration at Occidental College are greatly disturbed over its disappearance. It would therefore be for the best of all parties concerned if this banner were returned at once to the Oxy administration.

Friday Deadline for Grid Tickets at All-Cal Weekend

Tickets to the All-California Weekend classic featuring games between California and UCLA, and Cal Aggies vs. the Gauchos in the Los Angeles Coliseum Saturday October 29 will be on sale in the Graduate Manager's office through this week only.

All seats are reserved for this football doubleheader. Admission to the general public is \$3.00. Reduced rates for UCSBC students and faculty have been secured at \$1.00.

The UCLA ticket office is in charge of all arrangements, and announces that all tickets not sold by this Friday must be returned to Los Angeles where they will be offered for public sale. UCSBC rooters are urged not to lose their opportunity of sitting in the Gaucho rooting section by failing to purchase tickets this week.

UCSBC students who fail to purchase tickets now will be charged the regular \$3.00 fee if they buy tickets at the game.

LOST AND FOUND

A red accordion type folder has been lost by Dr. Henry Adams, assistant professor of history. The folder contains lecture notes, grade books and reading notes which cannot be replaced. The folder should be turned into the Lost and Found Office in the Administration Building or to the Social Science Office in West Hall 109.

A receipt book belonging to the Home Ec Club has been lost on campus. It should be returned to the Home Economics Department or put in student mail box "H".

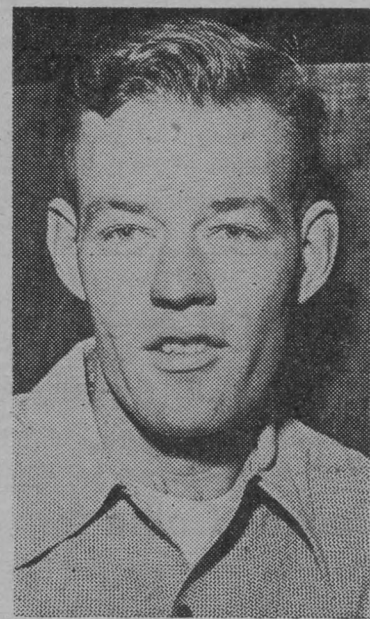

Home Ec. Dept. Hosts Six Colleges

Six colleges will meet at Santa Barbara in a convention of Home Economics Clubs on Saturday, Oct. 22. Promotion of home economics subjects will be featured at sectional meetings and in general assemblies.

Plans for the conference, a semi-annual affair, are being made by

Tomorrow, First Student Concert

The music department is presenting its first informal student concert Wednesday afternoon, October 19, at 4 p.m. in Music Hall 100. These informal concerts are open to all students and faculty who wish to come.

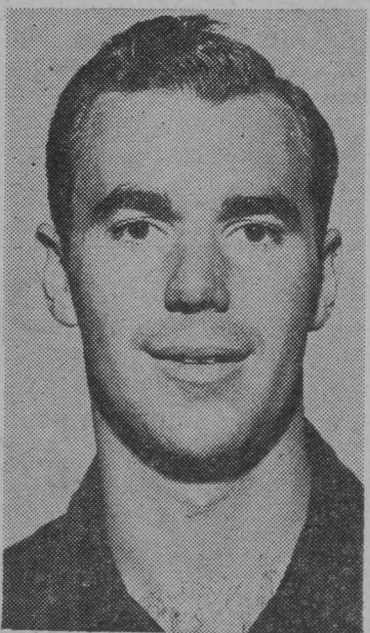

FRANK WARREN

Warren and Mydland New Class Presidents; Fill Council Posts

Two seats on the Student Council have recently been filled. They are Frank Warren, Senior Class President, and Jerry Mydland, Freshman Class President.

Frank Warren, originally from San Luis Obispo, transferred here from Compton Junior College in his junior year. Since then he has been active in Delta Phi Delta, honorary art organization, and Vice President of Delta Sigma Phi. Last semester he was a write-in candidate for Student Body President. Upon graduating he plans to teach art, having done cartooning and having had paintings exhibited in several museums.

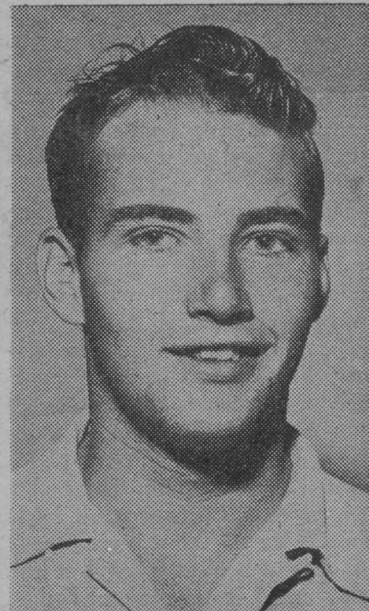

Jerry Mydland attended Inglewood High School and was the president of his class. He was active in football and baseball, as well as participating in various youth organizations.

PETER REID

Joyce Anderson, president, and members of the Santa Barbara Home Economics Club and their faculty advisers, Mrs. Marie Wilson and Miss Helen Boetcher.

Participating colleges are Pepperdine, Glendale City College, LaVerne, Los Angeles City College, UCLA and Santa Barbara. The group is organized as the Southern Section of College Home Economics Clubs.

JERRY MYDLAND

Peter Reid Appointed New AMS President

Peter Reid is the newly-appointed AMS President as announced by the executive committee of that organization.

Pete has been active in AMS affairs for two years, working on the social committee and as sergeant-at-arms on the Board last year. As AMS president he will be in charge of various activities during the year including dances, the annual steak fry and other extra plans, including a possible "whiskerino" contest in the spring, sponsored by AMS. Another important post held by the AMS prexy is that of student council member.

A senior, Pete transferred to Santa Barbara from Pasadena City College in the fall, 1947. He is majoring in economics, planning an advertising career. His interests include the golf team, of which he was a member, and swimming.

He fills the position left vacant by the ineligibility of Walt Stone.

REMINDER

Students are reminded that Friday, October 21, is the last day to file candidacy for teaching credential and/or B.A. degree for February, 1950.

EL GAUCHO

Published every Tuesday and Friday during the school year except during vacations and examination periods by the Associated Students of the University of California, Santa Barbara, California. Opinions expressed herein are those of the staff unless otherwise indicated.

Entered as second-class matter May 23, 1947, at the post office at Santa Barbara, California, under the Act of March 3, 1879. Mailing charge is \$2.00 per year, payable in advance.

EDITORIAL

The "Goleta Opener" proved several things about our student body. First, that students can gather together at an all-college event and have a whale of a good time; and second, that organizations and cliques can meet on a common ground and forget their affiliations.

Heretofore, college events have often conflicted with the events of social organizations and honoraries. Perhaps the "Goleta Opener" will establish a trend in uniting the interests of independent groups on a common ground of singleness of purpose for the betterment and satisfaction of the whole.

Note to future Mud Brawl referees: Plan on actively participating in the event and dress accordingly. —don mills.

Journalimania

The bosman bellowed, "Well don't just stand there. Go out and find one!"

"A typewriter, a typewriter, where can I find a typewriter?" jibbered the hysterical reporter as she fled the El Gaucha office. For some strange reason the El Gaucha typewriters were all in use and her story was due—typed—in a half an hour. She whizzed across the walk and tried the Student Body office and next the Publicity office but no luck. Everybody was typing today.

By the time she reached the Ad building her luck was beginning to change. In one of the offices they let her have her choice between an electric typewriter and an old dilapidated model. She seated herself before the electric and had half of her story typed neatly when it happened. She struck the comma key and ZOOM it wrote one comma and then continued gunning along pounding commas all the way to the end of the line. A long line of great big, fat, dark, inky commas that could never be erased.

The dilapidated model was backward but dependable. By backward it is meant that everytime a letter is typed the machine skips one space so you have to back space. The word "and" is typed a, backspace, n, backspace, d, backspace. It was slow but it was steady and she got her story typed at last.

Wreathed in triumphant smiles, she ran happily all the way back to the office. The editor took the proffered copy, "Your story? What sto—. Oh yes. Hmm. Well, thank you very much but we've decided not to run this, we have more than enough copy as it is. But come back in a few days for another assignment." As the editor spoke he was crumpling up her precious story. Now he was taking careful aim at the wastebasket. She walked swiftly from the office but not quite fast enough, for she heard the little thump her story made as it landed in the wastebasket.

Which reminds us of an innocent sentence we once read in a journalism manual, "For one reason or another there has gathered about the newspaperman's job an atmosphere of mystery and romance, a sort of glamour that has an unfailing appeal for youth on the quest for a vocation."

—M. S.

SPOTTS Before your Eyes

They tell me that by the time this column comes out I'll be out of the infirmary to defend it, so I think I'll spread a few orchids around to combat last week's dose of onions.

Thank you to my staff and especially to Don for doing my job in addition to their own on the past three editions. And to the people who sent cards and came to see me. And to my roommates who kept me supplied with news of what was going on and to my ward-mate Diane Fowler for her cheery company. If you have to be sick, I recommend the Student Health Center as the place for it. Nice doctors and nurses, good food, no classes, no deadlines. Come to think of it, maybe I'll stay on a while!

Our society editor, Jan Jones, has been working hard on jottings these past weeks and we think it's getting better every issue. A gossip columnist has a hard job keeping her column full of news of various groups and putting news of well-known people in an amount large enough to appeal to her readers and small enough to prevent them from monopolizing the column.

The important thing is that she know who was where with whom. And since she doesn't know all the "whos" you'll have to tell her. She can't print items which would hurt the reputations of the persons concerned, or those little amusing incidents which aren't of interest to the student body. But good, newsworthy material is more than welcome.

for volley ball, horseshoes, swimming, hiking, riding, fishing and indoor games.

The cabin is equipped with cooking and eating utensils. There is also a barbecue pit outside. Campers must bring their own soap and dish towels.

College Cabin for Organizational Use

The College Cabin located 25 miles from Santa Barbara in the Los Padres National Forest is for the use of any organized group on campus. Reservations for its use may be made by application in the office of the Dean of Women. Organizations using the cabin are responsible for protecting the property and leaving it in good condition.

A ranger station is a quarter of a mile away. Emergency telephone service, information concerning trails and riding, fire control and first aid are provided at the station.

There are recreational facilities

Squib Band Was Faking

After the first University Meeting Mr. Wilson, director of the Band, was going over the merits of its performance. "What happened to you people?" he asked. "When I ask for a chord, I don't want just any chord; I want a good tonic chord. 'And by the way, what happened to 'Hail to California?' That didn't sound good in spots. Let's get out the music and go over it."

"Music? What music? questioned the band members. "We didn't have any music—we just faked it."

"You mean you were just faking and it sounded that good?" asked Mr. Wilson incredulously. "Allah! Allah!"

News Notes

Oct. 8 (Mt. Wilson) A slight tremor was recorded late last night in the area of Pomona College. The cause is unknown. It is believed to have been caused by riotous celebrations of Pomona students when they heard of the kidnapping of the Axy tiger.

Oct. 10 (P. A.) Adelaide Bird-bath, president of Mu Mu Mu, honorary zoology fraternity of Accidental College, said recently "Santa Barbara students are standing in the path of progress. Our work on mutations in the tiger stripes will be held up until Oswald, our prize animal, is returned to us."

Oct. 11 (P. U.) A hearty hail and farewell was extended to Frank Schmuck of Accidental who is undertaking a dangerous safari into the barren wastes of outer Goleta in search of Oswald, our mascot. Schmuck will be accompanied by thirty freshmen carrying long-range, high powered water pistols.

PERSONAL . . . All is forgiven, Oswald. Come home!—(Compiled by Beret Armer)

First Lecture To Be Given

The first lecture in a series sponsored by the English Department will be given in PH 100 from 4:00 p.m. until 5:30 p.m. this afternoon.

Dr. Peter Topping will discuss the main developments of the Middle Ages in politics and institutions and movements such as the Church, Feudalism, the crusades, and the rise of modern nation states. This lecture will serve as a background for later lectures which will deal with specific cultural phases of the period.

Sight of the Week: Don Dickie ministering to Red, the Irish setter that roams the campus, sick by the Snack Shack. It looked for awhile as though as Red was going to be a problem for the campus police for the last time. But Don, with the aid of some smelling salts, brought the big animal around.

There are some who say the dog drank some of the Snack Shack's coffee.

CALENDAR

TUESDAY:

4:00-5:30 p.m.—English Dept. Lecture Series, PH 100.
7:30—Student Council meeting, RH 101.
7:30—Faculty Club square dance.
7:00-9:00 p.m.—Five Footers, AWS clubroom.
7:30-9:30 p.m.—Badminton Club meeting, NH 101.

WEDNESDAY:

4:00 p.m.—Lecture, Dr. Adams, PH 100.
7:30 p.m.—BBB meeting, AWS Room.
7:30-9:30 p.m.—Dance Club Demonstration, Aud.

THURSDAY:

4:00-5:00 p.m.—Key and Scroll meeting, AWS Room.
7:30 p.m.—Home Ec Club, Ebbetts Hall.
5:00 p.m.—Presidents of all organizations meeting, NH 101. Provost Williams expected to speak.
4:00—Meeting of all student committee and board members, NH 101.

FRIDAY:

San Jose football game, there.

SATURDAY:

10:00 a.m.-2:30 p.m.—Home Economics conference, AWS Room.
8:00—Faculty Club party for new members
Tous Les Temps—Informal initiation at College Cabin.
8:00—Faculty Club party for new members.

By Don Humphreys
Sports Editor

A tall, gangling, easy going fellow by the name of LeRoy Criss showed me just about all I'd ever want to see in the way of defensive football at La Playa the other night. When the bouquets are handed out, Dick Johnson will no doubt be the hero of the game for his magnificent 90 yard touchdown gallop, but I hope they don't overlook the quiet, unassuming Mr. Criss in the background who hounded the daylights out of Fresno passers and who had a hand in over 25 per cent of all the tackles that I was able to score accurately.

When Criss and Kelley shuffle their way about the Riviera campus, one can't help being reminded of Molasses and January, and Friday night Criss must have been representing the former. If you'll excuse the pun, he stuck to the Fresno quarterbacks so closely that they were unable to pass with any consistent accuracy, and several times he threw them for big losses before they could get the ball away.

The six foot, three inch left end stretched out his big glue-fingered paws twice in a row in the fourth quarter to bat down Fresno passes, and he ended up the ball game by wrapping them around Bill Montgomery and dropping him for a ten yard loss as he was attempting a last ditch aerial from midfield. Nice going, Criss, for playing "the" game of your college career.

Coach Roy Engle sat next to me in the press box for the first half and helped direct the team by telephone, but apparently his boys missed him, for they certainly played a better brand of ball when he stayed on the field during the second half. Cy Williams took over upstairs, and was much impressed by the marked improvement showed by right guard Ken Reynolds.

Glenn Mullaney threw eight passes and completed them all, an amazing accomplishment. Don Casida caught six of them.

Oddly enough, the statistics were all in favor of Fresno, 13 to 7 in first downs, and 190 net yards to 166.

GRIDMEN BREAK SLUMP, 14-7

Sig Eps Swim Victors; KS, DTD Meet on Grid

Swimming took over the intramural spotlight last week as Sigma Phi Epsilon fraternity, headed by Don Tooker and Bud Jones, swept to an impressive win over six other entrants in Dick Kaywood's annual college water carnival held at Los Banos Pool Thursday.

Tooker won the 50 meter backstroke and finished second in the diving events, aside from participating on the winning 150 meter medley and 200 meter relay teams for a total of 16 points. John Wingate of Delta Tau Delta was second in individual points with 14, and Jones garnered third place with 12 points, mainly on the strength of his winning the 50 meter free style. Wingate easily beat all rivals in the breaststroke.

Shirley Cutter of Delta Zeta Delta sorority topped the women entrants with 14½ points by winning the 50 meter free style, diving, and anchoring the winning 200 foot relay team. Alicia Castro, winner of the 100 foot free style, was second with 11½ points. Other individual winners were Ron Westerman, Sigma Tau Gamma, 100 meter free; Larry Jones, STG, diving; and Charlotte Finney, unattached, 100 foot backstroke.

Coach Terry Dearbons' Technique of Swimming class did a very efficient job of officiating at the meet. Kenny Kellogg and Fred Goerner contributed humor to the affair with an outstanding exhibition of comic diving.

Team scores as follows:
1. Sigma Phi Epsilon 44 points
2. Delta Tau Delta 34 "
3. Sigma Pi 20 "
4. Sigma Alpha Epsilon 20 "
5. Sigma Tau Gamma 19 "
6. Beta Sigma Tau 10 "
7. Lambda Chi Alpha 7 "

Delta Tau Delta kept its slate clean by edging Sigma Pi, 13-6, during last week's intramural football play. The Deltas are tide with the Kappa Sigs for first place in the fraternity with three wins and no losses. Kappa Sig rallied to squeeze by SAE, 7-2, in a hard-fought battle last Tuesday. The two grid giants square off against each other to decide who will lead the league this Thursday at 4 p.m.

Other scores of the week: Sig Tau beat SAE, 19-7; Sig Ep whipped Delta Sig, 12-2; and Sig Ep edged Sig Pi, 7-6.

NOT THIS TIME, RICHARD—First quarter photo shows Dick Johnson being tackled by one Fresno man and chased by three others as he goes for a long gain to Fresno 20. Clyde Francisco trails the play. —Kluth photo.

Keeping Tab on Our Opponents of the Future—Powerful San Jose Spartans Are Led by Menges

SAN JOSE, Oct. 13—A junior signal-caller by the name of Gene Menges is rapidly taking his place among the foremost quarterbacks on the Coast, according to word received this week from this Northern California city.

Menges has completed 36 passes in 56 attempts for 565 yards and eight touchdowns, and the clever ball-handling of the Anaheim, Cal, magician has been on the sensational side in the last three weeks. As the Spartan eleven steamrolled their way to a 49-12 victory over Pepperdine last week, Menges completed seven out of eight for 167 yards and four scores. His first three pitches of the game resulted in touchdowns.

Coach Bill Hubbard's improving Golden Raiders, conquerors of their last opponents, hook up the University of San Francisco Dons this weekend before tackling their first conference foe, Santa Barbara. Injuries to Hubbard's first four linebackers are expected to subtract a bit of power from the perennially loaded San Joseans. Out of the lineup at this writing are Dick Bondelie, Bob Cheim, Vico Bondietti, and Fred Silva, all great defensive men.

The Spartan ground attack has rolled for a 5.2 rushing average to date, not to be sneezed at in any league. Jack Donaldson, fullback, has accumulated the best percentage, netting 250 yards for an 8.9 average. He is closely followed by Marv Johnson and Harry Russell, halfbacks, who have averaged 6.9

and 6.1 yards per carry, respectively.

Menges or Harry Beck do most of the Spartan kicking, Menges averaging 34.4 yards and Beck 37.4 yards per try. Junior Morgan at end has caught four touchdown passes and two other aerials for a total of 182 yards and 24 points to lead all Spartans in that department.

Golf Prospects to Report to Irvine

Golf coach Gill Irvine made it known this week that he is beginning his search for men interested in participating with the Gaucha golf team when the links sport gets underway early in the Spring.

Hard-hit by ineligibilities and graduation, Irvine stated that his team must be built up from scratch, and only one man, Bill Kelso, is expected back from last year's squad which finished fourth in the 2C2A conference. Anyone interested in playing golf should contact Irvine either through the Men's Gym or at his downtown office at the Recreation Center, 100 E. Carrillo St. Arrangements might be made to enroll the men in his Monday and Friday golf classes this semester, Irvine concluded.

Weekend Results

All three of our SCIC opponents came through with victories over the weekend, while two of our future 2C2A foes were losing non-conference games. Whittier beat Arizona State, 20-13, Pomona outscored La Verne College, 40-33, and Occidental whipped Cal Poly, 20-7.

The San Jose Spartans, next on the Gaucha menu, dropped a thriller to a powerful University

Johnson Scampers 91 Yards as Victory - Hungry Gauchos Triumph

A thrilling 91 yard punt runback by left halfback Dick Johnson midway in the fourth period gave the Santa Barbara Gauchos a 14-7 victory over the Fresno Bulldogs before a small crowd of 2000 people at La Playa Stadium last Friday night.

A couple of key blocks by Bernie Paulson and Warren Vinton plus some agile sideline tightrope by the shifty Johnson set up the winning touchdown after the Bulldogs had tied it up at 7-all a few minutes before.

Harriers Lose Out in AAU Meet Saturday

San Diego State College won the AAU four mile cross country run that was held Saturday at La Playa Field. In winning the meet San Diego defeated Cal Poly and Santa Barbara 24-36-69 respectively.

The determining factor in San Diego's victory was that most of her runners finished in the first ten places. Walt Boehm of Cal Poly won the tough four mile grind in 21m 3s only after catching up with Tom Sturak of San Diego in the last half mile of the run. Ed Morefield, Pepperdine's only entry, came in third, Mustang John Lesley took four and Walt Dieke, unattached, was fifth.

The Gaucha squad was led by Don Crie, a new comer from San Diego, who took 12th place with a time of 23m .07s. Returning letterman Walt Houtz took 14th place and was the second Gaucha to cross the finish line, Galen Pearce was third, Lewis Lively was fourth, and Bob Lahey fifth.

All in all the meet was very successful and some very fine times were turned in. However, the failure of UCLA and SC to enter teams undoubtedly took some of the excitement out of the meet.

Complete results:
1. Walt Boehm (CP), 2. Sturak (SD), 3. Morefield (Pepperdine), 4. Lesley (CP), 5. Dieke (unatt.), 6. Holly (SD), 7. Console (SD), 8. Beason (SD), 9. Stowers (SD), 10. Jones (CP), 11. Kinsella (SD), 12. Crie (SB), 13. Barkley (CP), 14. Houtz (SB), 15. Walker (CP), 16. Pearce (SB), 17. Stenck (CP), 18. Lively (SB), 19. Lahey (SB), 20. Anderson (SB), 21. Gates (SB).

of San Francisco eleven, 27-20 after leading at half time. Just as a point of interest, the Santa Barbara High School grid machine dropped its first start since 1947 when Fresno's Roosevelt High eked out a 6-0 victory Saturday night at the valley city.

KNOW WHAT THEY DO WITH MISTAKES?

When a doctor makes a mistake he buries it.

When a garage man makes a mistake he adds it on the bill.

When a carpenter makes a mistake it is just what he expected.

When a lawyer makes a mistake it was just what he wanted because he has a chance to try the case all over again.

When a judge makes a mistake it becomes a law of the land.

When a preacher makes a mistake nobody knows about it.

When an editor makes a mistake . . . oh, the trouble starts! —Texaco Topics

The Gaucha triumph, their first of the year after three straight setbacks, was both bitter and sweet. It marked the first time in history that Santa Barbara has beaten Fresno, after losing nine in a row, but it cost them the services of ace back Doug Gorrie who had to be carried from the field on a stretcher in the third quarter. The peppery little defensive sparkplug dislocated his left knee while receipting for the key block that set up the lone Fresno score.

The first half was just about as dull as the second half was spectacular. The referees played "drop the hanky" and the players played "drop the ball" for a great part of the first two periods, but after the intermission, the spectators awoke to find themselves viewing a brand new ball game.

With engineer Glenn Mullaney at the helm, the Gauchos put on their best sustained drive of the evening when they traveled 48 yards in ten plays for a touchdown mainly on the strength of Mullaney's four straight pass completions.

The slippery Mr. Johnson again set up the drive when he ran back a punt 22 yards to the Fresno 48. Mullaney called the same play twice in a row, a pass to right end Don Casida, and both times it clicked for nine yards. Mullaney mixed up line smashes by Ron Brice, Russ Bertell, and Tom Kelley with ten-yard pass plays to Casida and Kelley before culminating the drive himself by scoring from the one-foot line on a quarterback sneak. Thus, after Francisco's conversion split the uprights, the Gauchos found themselves sporting a 7-0 lead and ahead of the opponents for the first time this year.

Not to be outdone, the Bulldogs took the kickoff and eight plays later had 7 points for themselves, with Tom Aney going the final 18 yards around the left side with the aid of the bruising block that put Gorrie out of the game. All told, it was a 75-yard march which was helped chiefly by two long runs by scabback Fibber Hirayama, and two beautiful pass plays, Bill Montgomery to end Chuck Toy.

Apparently just warming up for his big chore of the evening, Johnson started off the fourth quarter by romping 42 yards with another Fresno punt to give the Blue and Gold a first down on the enemy 18. Line plunges plus another Mullaney-to-Casida aerial got the Gauchos close as the six yard line but a pass interception in the end zone by Bulldog Skippy White put an end to the threat. The tenacious Bulldogs got as far as midfield before they were forced to make the fateful punt to Johnson that meant the ball game.

The Gauchos now hold a 1-0 conference record and Fresno is all even with one loss and one win. The Gauchos travel north this weekend for their next 2C2A game against the powerful San Jose Spartans Saturday night.

Score by quarters:
S. B. 0 0 7 7 14
Fresno 0 0 7 0 7

Badminton Club
Tuesday, October 18, is the first meeting of the Badminton club this year. The purpose of the meeting is to organize the club for this year. Officers will be elected; anyone interested in heading the club should attend; if this is impossible, contact Marilyn Hunter, 4812 or Box "H". The meeting will be in North Hall 101 from 7:30 to 9:00; future nights for playing badminton will be decided upon.

Sigma Pi
This summer actives and pledges pitched in and redecorated the house. New furniture has also aided in improving the appearance of the house.

Cooking this semester has been in the hands of three veteran chefs, Dave Bentley, John Aston and Dave Ehrenfelt.

Sigma Delta Phi
Sigma Delta Phi president Pat McInerney turned the tables Monday night at a surprise birthday party given in her honor. After she blew the candles out she passed around a copy of *Rogue* wherein there was an article announcing her engagement to a Cal-Poly engineering student.

Everyone be sure to stop at the tables in the quad and pick up one of those big blue and gold chrysanthemums that the Sigma Deltas are selling. They really look goowine but are made out of crepe paper and designed to last through football and basketball season.

SFS
An election of officers for the Fall Semester was held by the SFS sub-chapter following the Phrateres Wild West Party, Wed., October 12, in the cafeteria. Elected were Mary Collins, President; Ruth Pitchford, Vice President, and Daniel Stevens as Secretary. Plans were discussed concerning the first meeting with the new members.

Phi Kappa Gamma
Monday evening October 10, Phi Kappa Gamma held pledging ceremonies for Royna Mae Coe, Margaret Mason, and Peggy Murphy. A business meeting followed at which the various aspects of Homecoming were discussed. Jo Glee Bradley was selected as the sororities' candidate for Homecoming Queen. The meeting ended by refreshments being served by the pledges.

SAE
Cal Eta was honored with the presence of Emmet Moore, national president of the fraternity, and coach Roy Engle at a dinner held at the fraternity house Tuesday night.

Spirits reached a new peak at a Monday night joint meeting with the Phi Kapp's and Delta Gammas. SAE wishes to thank the two organizations for the fine women and song.

Pledges have been busily collecting clothing for the forthcoming rummage sale, under the leadership of Pledge Master Ronny Day.

Another party was featured last week, celebrating Jerry Mydland's election to the post of Freshman Class President. A short speech was made by Spud Marrow, publicity chairman for the new frosh prexy.

Squires
The sophomore Squires held a meeting Thursday night at the Sigma Pi house on Chapala street with President Jim Mulick presiding. The program included the induction of four new sophomore men who were chosen because of outstanding work at UCSBC. The new members are Bill Anderson,

Bill Cunningham, Bob McAfee, and Frank Thornburgh.

Plans were formulated for the coming homecoming parade. It's still a secret, but it is rumored that the Squire entry is going to be Cal-ossal.

Beta Sigma Tau
The Beta Sigma Tau's had an exchange dinner last Thursday with the girls from Mr. and Mrs. Chauncey's house. Everyone had a very enjoyable evening.

Math Club
The Mathematics Department has announced plans for a Math Club which will meet on the third Wednesday of each month.

Faculty members, as well as students, are invited to attend the first meeting which will be held October 19 at 3:00 p.m. in Ridge Hall 103. At this meeting, Dr. Wall will speak on "The Fibonacci Series".

Faculty Club
The Faculty Club is sponsoring a series of eight weekly square dance sessions for interested faculty members at 7:45 on Tuesday evenings in the Women's Gym. Miss Bellinger is calling the dances, which are for both beginners and experienced dancers. The attendance averages from thirty-six to forty people.

Lambda Chi Alpha
To all those concerned with the organization and success of last week's informal party at the Lambda Chi house should be a heap of praise, according to the fourteen new pledges in whose honor it was given. The party was well-attended by both pledges and actives and was deemed a success. Those making up the new pledge class so far:

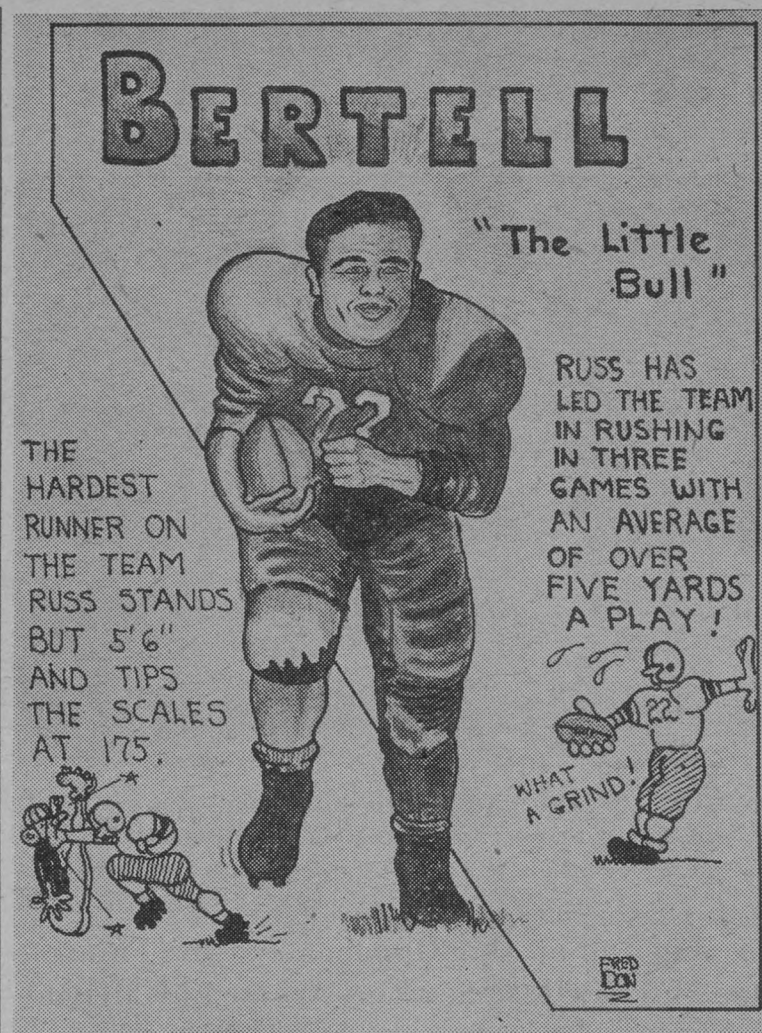

Norman Lund, Ralph Tayloe, Ronald Turnquist, Joe Lewis, Thomas Carey, Robert Hunt, Victor Lopez, Kenneth Barnes, Robert Alumbaugh, Gilbert Rayburn, Robert Van Morbid, Walter Strandburg, John Craven, and Robert Gunderson.

Plans are being formulated for a very active social semester, and it is expected that Lambda Chi will enjoy another successful year on the Santa Barbara campus.

Ski Club
The Ski Club announces that its next regular meeting will be on Thursday October 20 at 8:00 p.m. in Pine Hall 100. Dr. Nettler, the club patron, will be present to discuss equipment and other problems of interest to skiers.

The club is off to a fine start this year under the able leadership of president Ed Weber. Other officers elected at the last meeting include vice president, Dick Timme; secretary, Bee Brooks; treasurer, Jack Jardine; trip chairman, Cal Thacker; social chairman, Doris Humphries, and CRA representative, Tom Carter. Col. Richard W. Mabee is the club sponsor.

All skiers and those interested in learning are invited to join the club. Beginners are especially urged to join.

Frosh Coach Patents Movie Dance Gimmick

They say there is nothing new under the sun, but freshman football coach Edwin F. Grabast seems to have discovered something.

His invention, the movie-dance, has been patented and the final papers are forthcoming. In the words of the patent papers the movie-dance is "a new and novel arrangement for a dance hall in which a musical sound program is reproduced with pictorial representation of the musicians in action and projected to give the appearance of their actual presence in the hall where produced." There will be a screen at one end of the dance hall which pictures the dance band and patrons enjoy and dance to the music. This creates the illusion that there is actually a dance band in the hall and therefore the invention will "provide a means by which name band music may be rendered available to small communities and for small gatherings which could not otherwise afford the services of a band."

Mr. Grabast, who is now at Santa Barbara in the capacity of Freshman football coach while completing his studies for a degree, was a former student here and holds the school record for the shot put. It was while teaching at the Boulder Creek High School north of Santa Cruz that the idea for his invention first occurred to him. The idea grew out of simple observation that high school dances provided with "live" band music were much more successful and enjoyable than those provided with music from a juke box.

Riviera Stage to Be Scene of Ballet

The Coronet Ballet Company, directed by Lasar Galpern, will present several original ballets in the Riviera Auditorium Thursday, October 27, at 8:30 p.m. under the sponsorship of the Artists Series Board of the Associated Students.

Tickets are now on sale in the Graduates Manager's Office, according to George Obern, Publicity Director for the Associated Students. Students may obtain reserved seats in the balcony and the sides of the main floor at a special rate of \$.74. Better seats at the front or rear of the main floor are priced at \$1.00, while the choicest seats cost \$1.25 and \$1.75. This is a one-night performance, so first-comers will get the best seats.

Advance notices indicate that the ballets are exceptionally varied in character and artistically exciting in their theatrical appeal.

DEADLINE
Today, October 18, is the final deadline for all entries in the Homecoming Queen race, the Galloping Gaucho Revue, and the All-College sing. All organizations who plan to participate in any of these events must have their applications in or forfeit the right to be in the events. There will be absolutely no late entries accepted.
