New Resolution Set By Academic Senate

"In order to avoid confusion and facilitate responsible cooperation between State officials, members of the State Legislature, and the administrative officers of the University in the formulation of all University policies in which State authorities are involved, the Committee on Privilege and Tenure of both sections of the Academic Senate adopted resolutions which were subsequently incorporated into University Regulation Number six," stated Dr. Elmer R. Noble.

"The most pertinent paragraph of this Regulation applies not only to the budget, but to all the areas of official relationship between the Regents of the University and the community including highway access to the campus, zoning, matters under study by the State Department of Finance and Education or Committees of the Legislature, as follows:

"Individual members or groups of members of the academic or non-academic staffs, or of the student body of the University, should not initiate or seek to promote, through members of the Legislature or Congress, or other State or Federal officers, any policies or legislation relating to the University, or to give the appearance of acting in the name of the University or any policies or legislation, without specific authorization."

RESERVES SAVE GAME; STRATEGY PAYS OFF

Rushing Procedure Revamped by IFC

by Chuck McFadden

With a revised set of procedures, Inter-Fraternity Council rushing begins Monday, Feb. 3, with a breakfast in Las Casitas Dining Hall.

There will be sign-ups in the Gaucho Annex following breakfast. Registration will remain open until 3 p.m.

Attendance Required

Men who wish to rush and who presently live on campus are required to attend the breakfast, according to IFC President Bo Williams.

Monday evening, open house will be held by the four fraternities located in Santa Barbara—Delta Tau Delta, Lambda Chi Alpha, Sigma Alpha Epsilon and Sigma Pi. Transportation will be provided by the remaining four fraternities.

Open house for the four houses in Goleta—Delta Sigma Phi, Kappa Sigma, Sigma Phi Epsilon and Sigma Tau Gamma—will be held the following evening.

Parties Planned

Rush parties will begin on Wednesday evening and rushees must attend all six functions that night and four on Thursday.

Times of the rush events will be arranged so that rushees can attend all required events. Rush party invitations may be picked up between 12 and 2 p.m. in the Gaucho Annex.

Friday, Preference Night, a rushee may attend all houses which have extended him an invitation. Bid lists will be submitted at the Gaucho Annex Saturday, and rushees may secure bids between 9 a.m. and noon.

Alcohol Banned

Williams stated that approximately 80 men are expected to rush. Another new rule in the revised IFC policy, Williams revealed, is the clause which bans serving alcoholic beverage at any rush event.

Gauchos Lose Friday Tilt In Last Minute To L. A. State

by Mike Kahn

Before a capacity crowd coach Art Gallon's colorful quintet seized victory from the grasping clutches of the Westmont Warriors 57-51 Saturday night at the National Guard Armory. It was the second straight night that the Gauchos engaged in a see-saw battle as they succumbed to L.A. State Friday in the final minute of play 89-84 after the lead had changed hands over a dozen times.

Strategy Pays Off

Credit must be given for Saturday night's win to an inspired group of reserves. With about five minutes to go in the half and Westmont holding a six point lead Gallon inserted Gordon Nash, Dennis Nielsen, Frank Bennett, Gene Hughes, and Tim Johnson, with instructions to, "get that ball by outrunning Westmont." Led by the outstanding play of Nielsen they followed instructions to the letter as the Gauchos overtook the Warriors for the first time in the game only to have a Westmont tip tie it 28-28 as the half time buzzer sounded.

In the second half the Gauchos took command of the situation; they led through most of the period with Westmont tying the score twice. Ralph Barkey put the damper on Westmont's final bid as he

scored five straight points in the final minute and a half.

Hargrove Draws Praise

Gallon commended the play of Nielsen and the other reserves; he added, "Jim Hargrove played an excellent defensive game for us."

Jumping George Terzian of the Warriors led all scorers with 21 points while Barkey was high for the Blue and Gold with 13 followed by Dennis Nielsen with 10.

The Santa Barbara players and coaches were unanimous in voicing their approval of the fine support from the Gaucho rooters. "After playing away for so many games it's a blessing to return home amidst the cheers of a friendly crowd," remarked Gallon.

Best Game of the Season

Friday night Santa Barbara, playing their outstanding game of the year, led L.A. State with two minutes to play, but the Diablos took advantage of the loss of four first string Gauchos via the foul rout to overtake them 89-84.

It was a fine sample of outstanding basketball as the teams traded points throughout the first half with the Gauchos, paced by their three big men Robitaille, Rice, and Whalen, taking their turn with a 46-45 lead at the half.

The second half was the same story. It was nip-and-tuck all the way as Rice and Whalen, pacing the Gauchos, were matched by the sensational shooting of L.A.'s Ron Bazadier. With six minutes to play Santa Barbara took the lead and held it until the final two minutes when L.A. put away seven free throws to squeeze out the victory. The Diablos hit 52 percent of their shots compared to 37 percent for the Gauchos but it the free throw line that made the difference as the visitors outscored Santa Barbara by nine from the charity line. The "whistle happy" refs called a total of 57 fouls which resulted in the ejection of Gauchos Barkey, Whalen, Rice, Robitaille, and Shair of L.A. State.

The Gauchos take to the road for their next four contests and return home on Feb. 11 when they encounter the Pepperdine Waves at the Armory.

SAEs Lead Fraternity Teams; Hustlers, Cypress Tied for First Among Independents

by Jerry Rocco

As the intramural basketball league enters into its last week of competition, the SAEs are on top of the heap. In a tightly fought game with plenty of thrills, the SAEs edged the Kappa Sigs to take over the hoop leadership. Leading the winners were Don Evans, who garnered 12 points, and Don Leavey, who played a splendid floor game. Don Stuart looked exceptionally well for the losers. Final score was 25-21.

In another contest during the past week the Sig Eps handed the Deltas a 51-39 lacing with Jerry Quintana leading the way with 12 points. Jim Hezlep was high man of the game with 18.

Hustlers, Cypress Lead

In the Independent League the Hustlers and Cypress Hall are tied for the lead with similar 6-0-0 slates.

The past week was a breather for Cypress as it was handed a

1-0 win, the Faculty forfeiting. Sycamore edged the Californian Hotel, 49-45, but Robert Ross of the Cal Hotel led the point makers with 23 markers.

The league leaders are Dick Means of the Faculty with 71, Don Leavey and Don Evans of the SAEs with 45 and 38, respectively, and Henry Hunger of Cypress with 32.

Sticklers!

GOING WEST? There's one thing you can't go without. Wash-and-wear chaps? Shock-resistant Stetson? Foam-rubber saddle? Nope, nope and nope. What you need is plenty of Luckies! (Figured we'd say that, didn't you?) Luckies, you see, mark you as a man who really knows his brands. Have 'em handy, and you'll be considered a *Shrewd Dude*! Dubious distinction, maybe—but you've still got the cigarette that's light as they come! Luckies are made of naturally light, wonderfully good-tasting tobacco, toasted to taste even better. Try 'em right now!

STUDENTS! MAKE \$25

Do you like to shirk work? Here's some easy money—start Stickling! We'll pay \$25 for every Stickler we print—and for hundreds more that never get used. Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send your Sticklers with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mt. Vernon, N.Y.

Absent-minded Professor

Not so absent-minded when you get right down to it. He remembered the most important item—the Coke! Yes, people will forgive you almost anything if you just remember to bring along their favorite sparkling drink—ice-cold Coca-Cola. Do have another, professor!
