Best of UCSB Lifestyle

Well, for the second year in a row, it's that time of year again.

It's the time of year when we step back a few paces and take a closer look at our lifestyle, a lifestyle that some have come to call ... "UCSB Lifestyle."

A couple weeks ago, we put some ballots out to see what our readers thought. The response was tremendous! Nearly 300 ballots came back in, full of some humorous and thought-provoking ideas. What we present now, then, is the results.

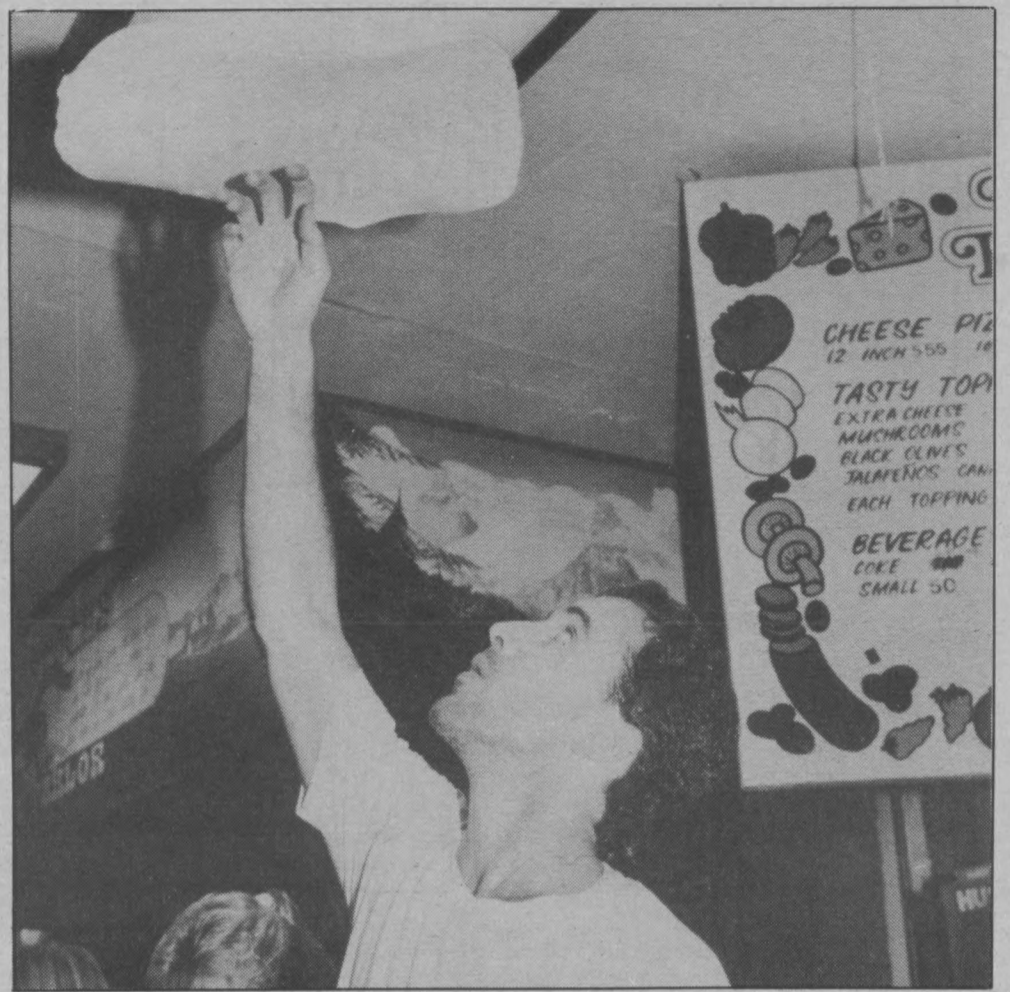

So, without further ado (or adon't!), we give you
THE BEST OF UCSB LIFESTYLE!!

MARK STUCKEY/Daily Nexus

In this town of popular pizza, you never know what to choose. Or maybe you do. All the same, you had a pretty good hunch that Woodstocks would take care of their business handily again this year, didn't you. Who cares? They won again. Look at that guy in the picture and you won't wonder why.

Best Chinese Food

DAVID ROSEN/Daily Nexus

The Moo Shi Factory (which kind of rhymes, doesn't it?) wins hands down. They have all kinds of chicken and noodles and strange spices and all that sort of thing. Potsticker Express came in second, and that ain't so shabby either. China Express hung in there for a rugged third.

Best Dining Commons

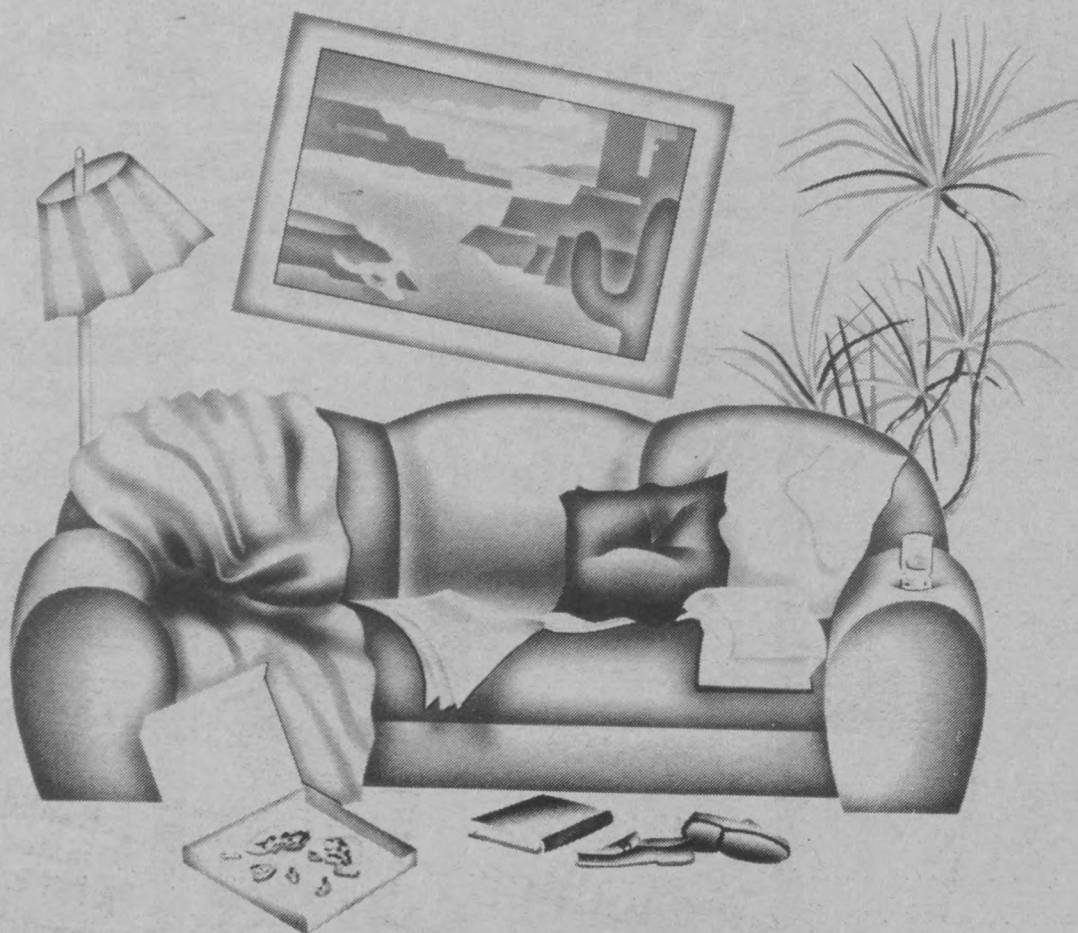

DAVID POTTER/Daily Nexus

1. Francisco Torres
2. Carrillo
3. De La Guerra

This was one of the tightest — and certainly one of the most bitter — races this year, with F.T. barely edging out last year's winner, Carrillo. This was no fun for anybody, and the question itself inspired many incredulous

responses along the lines that "Best Dining Commons" was a contradiction in terms. De la Guerra (meaning, "of the war") came in a thunderous and compelling third place.

Your Apartment's A Mess!

Just look around—dirty laundry on the floor, dishes stacked up in the sink and... when's the last time you vacuumed this carpet?

Come to the residence hall that features great social events, fitness center, weekly maid service, our "Dine Anytime"sm program, a computer center, a convenient location close to campus and much, much more.

Quit messing around! Now's the time to make the switch from an apartment to the best in college living.

Best Music Store

MARC SYVERTSEN/Daily Nexus

1. Rockhouse
2. Morninglory

Some people think that Isla Vista's music store scene is filled with *seedy* characters. Get it? Seedy? C.D.? Well, they had their differences aired out in our forum, with the Rockhouse fans boosting their store to a close yet decisive victory, unseating last year's winner, Morninglory. It's all I can do to say "C'mon, everybody, and sing with the Fifth Dimension!"

Best Word for Vomiting

People really liked "yak." They just loved it. They loved to write it down over and over and over. "Yak," they would write. Or, maybe, "yaking." Sometimes, "yack" or the weirder "yaak," but generally, "yak."

Oh, sure, there was some "hooching" and a fair amount of "booting" going on, but by sheer numbers, "yak" was the clear winner. The following is a list of some of the more descriptive terms.

- | | |
|--------------------------|------------------|
| 10. McGruffing. | 5. Puik. |
| 9. Reaping the wet wind. | 4. Baphomet. |
| 8. Washing your cat. | 3. Calling Earl. |
| 7. Feeding the dog. | 2. Hair. |
| 6. Blow meat. | 1. Uehling. |

Best Kept Secret on Campus

Obviously, there were many. For some reason the most common response we got had something to do with Barbara Uehling's hair and/or sexual habits. But, needless to say, we will not print those. What we have done is picked our favorite ten and here they are for you to read now. Enjoy them.

10. Fred's of San Raf.
9. World Class Bass Fishing in the lagoon.
8. Joel Brand.
7. Lacrosse women are "better lovers."
6. I slept with my sociology professor.
5. Jeremy and Amber got funky.
4. Jacuzzi on fifth floor of Cheadle.
3. I put out.
2. Storke Tower is a phallic symbol.
1. Where they're hiding the library.

Best Reason To Miss Class

Just about everybody put down "sleep," "hangover," or "sex." All good reasons to miss class, to be sure, but not nearly as interesting as some of the other ones we got. Like most of the other categories, we were unable to print the real winner in fear of violating some kind of anti-obscenity law somewhere. Enjoy the one we were able to print.

10. I had to wash my cat.
9. No place to park.
8. Avoiding the draft.
7. Getting drafted.
6. I called in well.
5. Morning cartoons
4. Afternoon cartoons
3. I can teach you the lambada.
2. I've fallen and I can't get up.
1. The sun came up.

Best Line to Get That Man/Women Into Your Bedroom

Ahhhh, the best line to get a man or woman into your bedroom. By far the most popular was the aged, "Do you want to see my fishtank." That one is so old, the last time I heard it, I laughed so hard I fell off my dinosaur!

But seriously, can you believe some of the answers we got! Many of them are just plain outrageous! Read on! Oh, do read on!

- 10. Follow me to an ordered lifestyle.
- 9. I've fallen and I can't get up.
- 8. I've seen your grandfather, I know your grandfather.
- 7. I'm in a frat.
- 6. I'm not in a frat.

- 5. Don't go in that room!
- 4. ... as in "bombshell."
- 3. I know Mike Boyd.
- 2. I just want to be held
- 1. Really strong fishing line.

Best Excuse for not Graduating In 4 Years

I think that if we look deep within ourselves, we will find that there is no excuse for not graduating in four years.....*Not!* To be quite honest here, if I may, there are many good reasons that keep us from graduating in our ex-

pected time. The most prominent one in this humble poll was the classic "I'm to stupid," or something to that effect. Here are some others.

- 10. I can't read.
- 9. I lost my bottle of lithium tablets.
- 8. Thirsty Thursday.
- 7. I thought I was attending UCLA.
- 6. Sucking.

- 5. Keggers!!
- 4. Hey, how about those Clippers!
- 3. It was Cheadle Hall's fault.
- 2. I want to see UCen/REcen built.
- 1. Isla Sausage!

Best Hair Salon

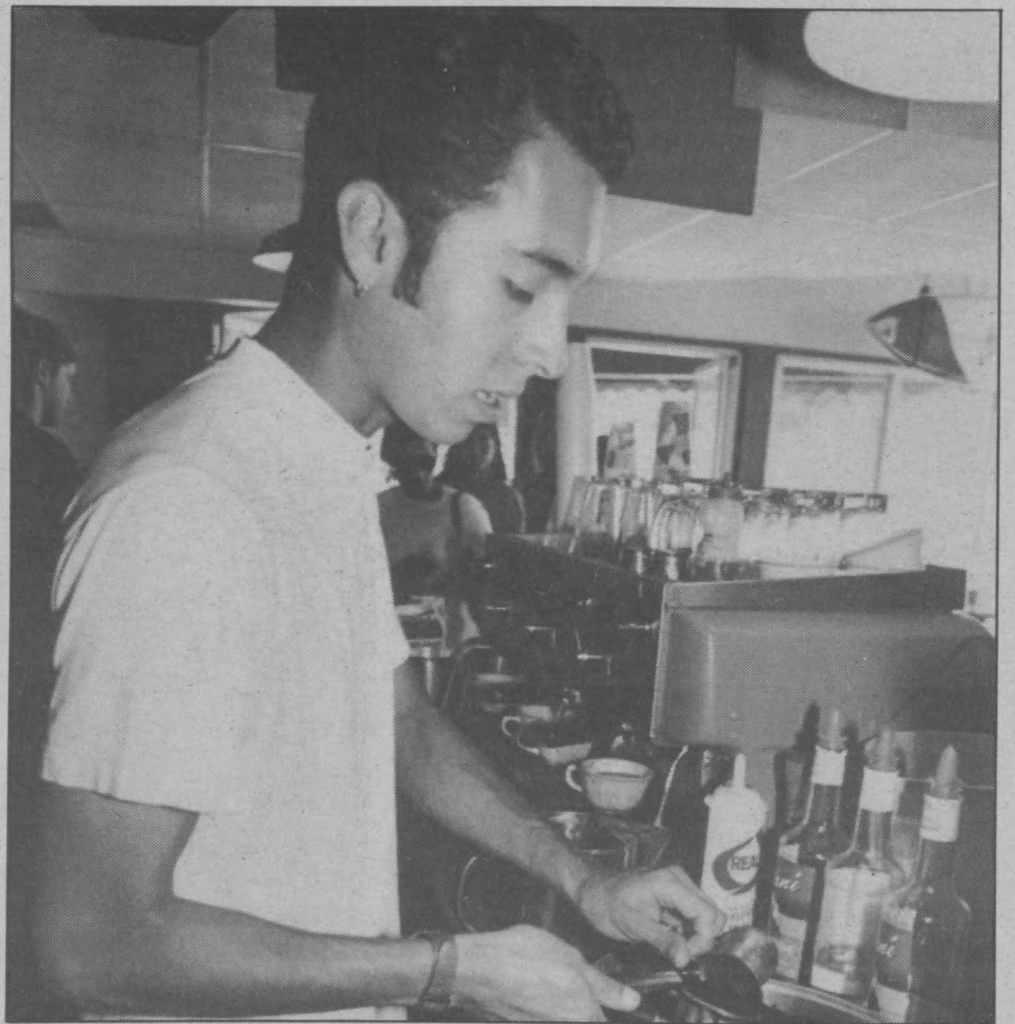

DAVID ROSEN/Daily Nexu

The elite of the hair-chic at UCSB apparently entrust their collagen-enriched pelage to the skilled hands and nimble shears at Isla Vista Hairstylists, which had twice as many votes as the second-best, Ms. Brenner. Ringing in a tight, tight third was the Slade-ish monikered Cutz.

Best Burgers & Pitchers

DAVID POTTER/Daily Nexus

In the closest race of the competition — and surely the most anticipated — McBurley's (who could not be open to accept this award due to remodeling a la white with lots of windows) edged out Javan's by only one vote

to take the first place honors. And in possibly the most distant third of the whole darn thing, the Graduate took third with (count 'em) four votes.

The indomitable (but, alas, closed) McBurley's put

its rivals to shame in this category of categories, while foam-lipped voters put those zany pizza-makin' guys from Woodstock's and Giovanni's in second and third place, respectively. Bottoms up.

DAVID ROSEN/Daily Nexus

The culinary craftsmen and women at Sam's To Go proved themselves to be the best thing to hit lunch meat since the Earl of Sandwich, taking first place by a huge margin. The remaining con-

ing out Subway for the coveted distinction of second-best sandwich.

Lucky does it up right once again with their superior Key Buy philosophy and Three's a Crowd technology. For the second year in a row, it seems that UCSB students have been Lady

This one was not much of a battle, with Alex's Cantina just up-and-awaying the esteemed prize once again. The Graduate and Woodstocks also did some brisk business here, but it wasn't enough to unseat the former and still champion.

Best Place to Buy Condoms

1. Student Health Center
2. Rexall
3. Thrifty

We have to start asking why we keep asking this question. Since the Student Health Center gives condoms away, they seem to be everybody's favorite, and once again, this is the most lopsided category of them all. Nonetheless, Rexall makes their first appearance in a Best Of issue in second place and Thrifty secures it's second third place prize of this year. It's good to be a store that shows in Best Condoms and Best Ice Cream.

Best Local Band

1. No One You Know
2. Caution
3. Mons Pubis

Amidst a good, healthy amount of ballot-stuffing by the various bands, it's safe to say that the distinction of best local band was hard fought. Unfortunately, not all of the bands could win. Unfortunately, not many of the bands did win. Unfortunately, not all of the bands got any votes. But some did. Coming fresh out of I.V. party obscurity and into the Best Of UCSB's number one slot was the elusive and mysterious, No One You Know. Caution also got a fair amount of votes — fair

amount indeed — enough to catapult them into second. And bringing up third were so-called "Isla Vista Rock Gods," Mons Pubis. Other local bands that got a lot of votes were:

- The Itch
- Baby Dangerously
- Rogue Cheddar
- Socket
- Common Sense
- Lava Children
- The Brothers Steve and Ugly Kid Joe

1. Tacos Acalpulco
2. Cantina
3. Freebird's

Newcomer Tacos Acalpulco thoroughly spanked the competition and came away the winner only a few short months after first opening their doors to our cozy little burg by the sea. Last year's winner, the Cantina came in second, leaving the spunky Pardall favorite, El Freebird's, in third. The Mexican food business in Isla Vista has gotten pretty rough over the last couple of years, but a little healthy competition never hurt anybody, did it? I can't wait until they start seriously insulting each other's guacamole.

2. KCSB
3. KCQR

The groovier-than-most disc-spinners down at KTYD wrapped up this award like so much fish in a classified section. The reason, undoubtedly, is the "40 minute free rides" that KTYD likes to have. KCSB might want to start with some free rides, too, or start playing some Bob Seeger or something.

Best Breakfast Place

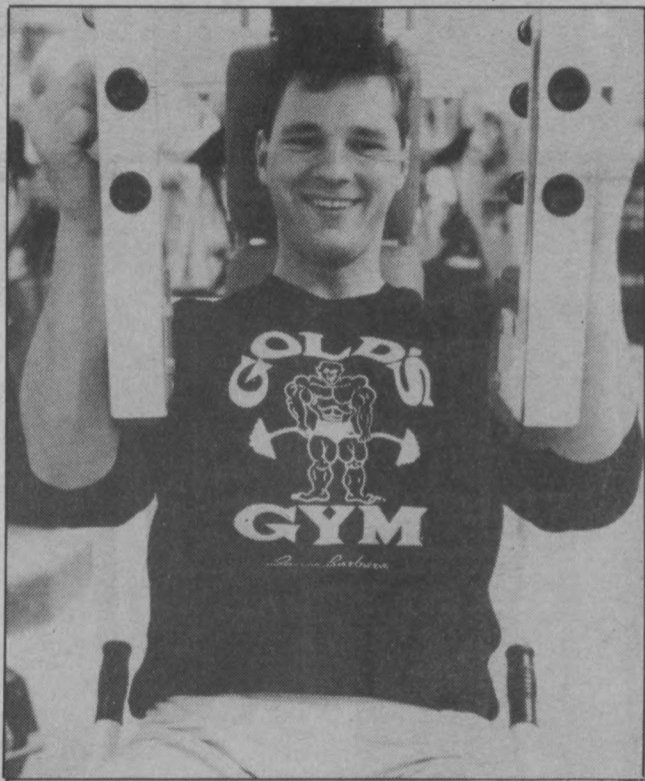

MARC SYVERTSEN/Daily Nexus

Nobody ever said that breakfast wasn't the most important meal of the day. To the contrary, many people have noted breakfast for its importance on the "meals of the day" meter. The Egghead, then, with the most votes, would be the winner in our breakfast place category. Sorry, chaps at the Blue Dolpin!

something they do agree on is Gold's Gym, the winner of this much-sought-after prize.

Woodstock's would also like you to know that our prices are usually lower, yes, lower than other pizza places in town. I bet you didn't know that!

How can a better pizza cost less, you ask? How does that work, you ask? Well, we're not a big money grubbing corporation with a wide profit-margin.

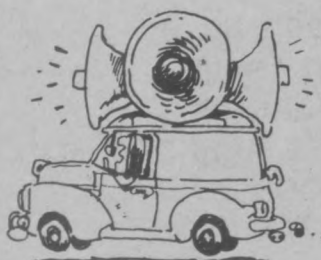

We're simply out to produce **The Best Pizza at The Best Price** in town. We believe that we are doing this.

Ask around and you'll be surprised to find out that others charge more for a lesser quality pizza. Don't get gouged.
