Special Train Trip Definitely Set for Nevada

State Receives Special Rates in Diner; Car Fixed for Dancing

TRAIN SERVES AS HOTEL

Few Tickets Remain as Faculty and Townspeople Sign for Journey

Students are now assured of the trip to Reno scheduled to start October 30 and to return Monday, November 2, stated Fred Allred, controller of student affairs, today. With a group of 35 students and 25 townspeople signed for the trip as well as the grid squad and the entire band all details are completed.

In addition to allotments of equipment already made by the railroads, a baggage car has been striped for dancing. Also a club-car and an observation car have been provided. All travelers will be allowed the use of these special facilities.

As the train was arranged for by October 21, the cars will be converted into a hotel for Saturday evening. Fares for the trip list a lower berth sleeping privilege at \$5.00 and upper at \$4.00.

It is still possible to obtain tickets on the trip and all students, townspeople, and faculty members are eligible to take the trip. As there are only a few tickets left, the persons paying their deposits first will be sold the tickets regardless of classification.

Fares on the trip can be paid either in Fred Allred's office or at Southern Pacific ticket office. If the travelers prefer they may spend the night in the chair cars so saving the Pullman fares. Complete payment must be made before the train leaves Santa Barbara.

English, Spanish Group Organizes New Campus Club

Organized for the purpose of promoting and enlivening customs and traditions of the Latin countries, and fostering a closer relationship between Spanish and English speaking students on the campus, the new Spanish club met last night in the A.W.S. room.

Officers elected were Alfredo Chavez, president; Robert Leslie, vice president; Sally Chavez, secretary; Katharine Ruiz social chairman; and Danny D'Alphonso, publicity manager. Miss Eda Ramelli, head of the language department, sponsors the club.

Meetings will be held the third Wednesday of each month purely for social activity and entertainment. Dues are 25 cents a month.

Other members of the club are Carlos Logano, Bob Kindred, Cameron Wells, Lucio Ramos, Griselda Young, Eunice Lynn, Laura Murdock, Lucille Ormonde, Donald Hatzell and Viola Meroney.

Gauchos Fete Poets with Football Dance

Acting as hosts to the Whittier Poets, the Gauchos will fete the visitors at the Rockwood country club, Friday night, October 23, from 10:30 to one o'clock, after the football game.

James Campiglia and his orchestra, who have been entertaining the Biltmore during the dinner hour, will furnish the swing music. Intermission contributions will be given by several members of the student body.

Sponsoring the affair for the evening will be Mr. and Mrs. John Porter, Mr. and Mrs. Harrington Wells, and Dr. and Mrs. Elmer Noble.

Roosevelt Wins in First 'Straw Vote'

With 314 students voting in a general assembly, a "straw ballot" taken by El Gaucho shows 187 votes for Franklin Delano Roosevelt, 117 for Alfred Landon, seven for Norman Thomas, and one for Browder.

This vote does not represent the entire student body preference, but is indicative of an average vote. Humor crept silently into the check-up, when one enterprising Gaucho cast his vote for "The Bentons, either one;" another named Vernon P. Guess; and still another voted, "Roosevelt, if it has to be anyone."

So, with votes of "Landon, Hooray!" and "Roosevelt, Whoopee!", State's assembly majority went Democratic.

Librarian Gets Braille Degree

Miss Katharine Ball Completes Course in Braille; Receives Certificate

Miss Katharine F. Ball, State college librarian, received a long desired certificate this summer. Through the local chapter of the American Red Cross, she took a course and received a certificate to write Braille.

At present, Miss Ball and six other people in Santa Barbara are cooperating in transcribing into Braille writing the novel "Marietta" by F. Marion Crawford. Miss Ball is transcribing by herself a book on poems, "Calico, Rags and Bits of Silk," by Dorothy Brown, a blind poetess with whom she corresponds in Braille.

When asked if she would advise other people to take the Red Cross course in Braille, Miss Ball said, "Braille writing gives the most pleasure for the time spent of anything I have ever done."

The course in Braille writing is given free to anyone who desires to take it. A tutor is furnished, and paper and a Braille writing instrument are also free. After taking the first 10 lessons, a test lesson is sent to the Braille division of the Library of Commerce at Washington. Before one is granted a certificate as a Braille writer, he must send to the Library of Commerce a satisfactorily written 40 page manuscript.

State Grad Speaks to Atascadero Men

O. J. Traut, a former State student body president and graduate of the junior high and elementary departments who is now teaching in Atascadero, was featured in the headlines of that city's paper. Mr. Trautz spoke Tuesday noon before the Business Men's association, relating his experiences on a transcontinental trip last summer. He outlined his impressions of the travels over 8,000 miles, thru 28 states and the District of Columbia.

During the summer Mr. Trautz also attended the session at Harvard University, meanwhile enjoying New England. As this was the 300th Anniversary of Harvard, the oldest university in America, it provided a varied and extensive program for her summer students. Trautz took graduate work in the field of guidance and counseling under Dr. John Brewer, internationally known authority and author in this field.

PHELPS ATTENDS MEET

President Phelps will spend Monday and Tuesday of next week in Del Monte where he will attend a meeting of city, county and district superintendents of the state.

Seven Faculty Give Report on Southern Meet

Progressive Education Is Subject of Officials, Teachers Meet

Progressive education, the most modern educational movement, according to Dr. E. L. Bishop, held the limelight last week-end for State college officials and teachers who voluntarily attended the Annual Regional Conference of the Southern California Regional Branch of the Progressive Education association last Friday, Saturday and Sunday at the Biltmore Hotel in Los Angeles.

President C. L. Phelps, Dr. E. L. Bishop, Dr. C. L. Jacobs, E. E. Ericson, Mrs. Price, Mrs. Mary E. T. Crosswell and Mrs. J. M. Fish attended. Dr. Bishop and Dr. Jacobs gave as reasons for attending the conference the desire to discover trends in progressive education, compare educational concepts, study practical evaluations, learn more of this movement which attempts to apply scientific principles and research to education with more freedom and self-direction.

The conference was in the form of a series of discussions of interest to teachers in various fields. "Problems of family-school relationships and responsibilities" was the opening topic of the session, and other discussions followed. President Phelps, and Dr. Jacobs were especially interested in "Problems of Later Childhood and Adolescence" and "Reorganizing secondary School Curriculum." Dr. Bishop attended meetings concerning child psychology and growth and development of children which is held. Mrs. Crosswell and Mrs. Fish were interested in "The Fine Arts in Progressive Education" and others who attended found conferences bearing on their respective fields in education.

Doctor Addresses College on Effect of Alcohol in Body

Dr. Franklin R. Nuzum, chairman of the staff of the Cottage hospital, will address the associated students in an assembly second hour Tuesday, October 27.

With "The Effect of Alcohol on Human Organs" as his topic, Dr. Nuzum will illustrate the lecture with specimens which he has collected.

This presentation is Santa Barbara State's contribution to teaching the effects of narcotics as set forth under the California State law.

"We are extremely fortunate in securing this speaker, and are especially appreciative of his method of presentation. Dr. Nuzum speaks, but the specimens also speak for themselves," stated President Clarence L. Phelps.

State Obtains New Windshield Sticker

Symbolic of the action of the South American Gaucho while in the saddle, a new windshield sticker is now available to State college students at the General Petroleum Service station, State and Sol streets.

Designed by Dorothy Poole, major in the art department, the stickers picture, El Gaucho astride a high-spirited cow pony. Gauchos, in white letters on an olive green background top the triangular cut, Santa Barbara State college, in green letters, bank the sides.

The stickers may be had free of charge. Archy Way and Bill Pensinger, alumni of State and Howard Yeager and Bill Russell, both of whom are now enrolled here, are station workers.

Week Night Grid Dates Banned by Co-eds' Vote

Enthusiastic Rally Is Scene of Regulations Passed to Ban 'Dates' Between Gridsters and Co-eds

The ban went on "dates" with members of the football squad during week nights last night as a handful of co-eds adopted an anti-date resolution submitted by Head Coach "Spud" Harder.

Banned from the campus for the remainder of the football season, as a result of the vote, are:

- 1 Dates with football players except on Friday and Saturday nights.
- 2 Attending practice sessions of the team.

A third resolution which would, if passed, have prohibited lengthy conversations on the campus between co-eds and Gaucho gridmen prior to any practice session, was voted down.

The list of "bans" followed upon the heels of an article in the Thursday Morning Press, in which Coach Harder was quoted as saying that his football team was more interested in its girl friends than playing good football.

Co-eds Cooperate

A group of State co-eds, expressing a wish to cooperate with the coaching staff, met during the day at the suggestion of Wilma Kiesner and after consulting with Coach Harder, decided to put the resolution to a vote at last night's meeting. Approximately 50 women were present, including about 15, it is said, who have frequently "dated" with members of the football team.

Following the vote passing the resolutions, co-eds who have "dated" gridmen held an informal meeting and denounced the "bans" as "grossly unfair."

'Dates' Speak

A member of the "dates," speaking for the group, said, "It was very plain the vote was one of spite. It's not fair to the women, and certainly it is unfair to most men on the squad. Because of one or two offenders the entire squad apparently must suffer. And we co-eds along with them."

The "ban" meeting, a distinct surprise to most women attending, followed a highly successful and enthusiastic pre-game rally attended by approximately 300 students. The school band played a number of lively tunes, and school yells and songs, old and new, were rehearsed for tonight's football game at Pershing Park.

Tumbling Feature

A novel and well-done tumbling act featuring Dr. Elmer Noble of the faculty and Norman Thompson drew applause and admiration from the audience as the tumblers went through a difficult and intricate routine.

Coaches Spud Harder and Wilton Wilton spoke briefly concerning the important Whittier game this evening, and Louie Trigueiro, a member of the varsity team, sang

Elementarians Give 'Poor Taste' Party

The elementary education department will hold a "poor taste" party Saturday night at 8:30 p.m. in Ebbets hall.

All members of the elementary department are urged to attend and wear old clothes to fit the occasion. Prizes will be given for the poorest taste in dress.

There will be plenty of good entertainment and games will be played. An orchestra will furnish the music for dancing. A feature of the evening will be the performance of magic tricks by Maldo the Magician.

Arrangements are being made by Tommy Lindquist, social chairman, assisted by Renata Maccianti and Dot Riche. Leo Butts is the president of the department.

Early Birds Catch All Reserved Seats

"A dillar, a dollar, a ten o'clock scholar. What makes you come so late? You used to come at nine o'clock, but now you come at eight." 'S too bad, guys, but ya can't say we didn't warn ya. The reserved seats for the Whittier game tonight were laid on ice long ago—every single molecule of that ole highbrow section is under lock and key. Also, those new slabs recently endowed upon us by our fair city are sure to take a beating what with having to hold up a goodly portion of some 4,500 spectators. Will they be surprised. Advice fo' chillun an' football-minded towns-people: Bet-tah come early an' avoid that last minute push; invest one wee dime, a tenth of a dollar, in one of Sandy's Slurpy Snizz-hounds (hot dogs to you); and sit tight for the most exciting sixty minutes in State grid history!

Alphigams to Stage Party

Journalistic Fraternity Gives Hallowe'en Novelty Dance Saturday

Old clothes, apple ducking, and novelty dancing will feature the Alpha Phi Gamma, journalistic fraternity, Hallowe'en party, to be held tomorrow night in the music hall at 8:30.

The party is being given for the staff of El Gaucho, reporters, print shop workers and members and alumni of Alpha Phi Gamma. Committees for the evening include invitation, Dorothy Horner and Petie McKinney; decorations, Allan Neil, and Bob Moore; program, Lawrence Leslie; music, Yale Lorden; and refreshments, Irene Minikin.

"Alpha Phi Gamma fraternity is attempting to start a precedent for future years by sponsoring this party for those interested in journalistic activities" stated Bill Hoyt, president, and general chairman of the affair. "The spirit of the occasion will be distinctly Hallowe'en, and I urge all those who plan to attend to wear old clothes and be prepared for a good time."

Novelty dances under the direction of Yale Lorden, games and impromptu entertainment will feature the evening's activities.

Players Club Stages Tryouts for 'Circle'

First try-outs for "The Circle," by Somerset Maugham were held in the college auditorium, Tuesday night. Elbert "Fuzzy" Phelps reviewed the play, briefly sketching each major character.

Playbooks were distributed, and the rest of the evening was spent in reading selected passages from them. A second evening of try-outs will be held on Tuesday night of next week, announced Phelps, club president.

Mountains and Molehills

Voting last night to accept provisions recommended by Coach "Spud" Harder, State co-eds placed a ban upon serious "vine-clinging" of any sort connected with the Gaucho squad in the future.

According to these rules submitted before the group, girls are no longer to have week night dates with members of the football squads, or follow them down to the practice field.

There does not seem to be any way in which these measures can be enforced, and as capable men and women there seems to be no reason for such seemingly childish regulations.

The question was presented to girls who have never been out with football heroes, and probably never will, therefore when they voted in the affirmative on the measure, it ceased to be one of democratic leanings.

To have the affair entirely just, only girls who date with grid stars should have voted in the first place, and as long as the men do not seem to have anything to do with the whole thing, it is a matter of conjecture why it has ever been brought up.—I.M.

Book Chatter

By Arthur H. Batchelder

BANK NITE! FLASH! Here they are: those rules about the long awaited contest. There's a certain something about contests . . . is it because there's a chance to get something for nothing?

Rule 1—Write a book report on YOUR favorite book. Said report NOT to be more than 75 words in length.

Rule 2—It must be in box "B" addressed to Book Chatter by NOT later than NOVEMBER 6, 1936.

Rule 3—Only members of the associated student body will be awarded prizes.

Rule 4—This report cannot have appeared in classes, or in print before.

Rule 5—Originality and personality must be the motif in writing the report.

Rule 6—Any type of book may be reported upon.

The judge will be none other than our friend, Dr. William Maxwell.

The rule of the judge will be final. No name will appear upon the report when presented to him.

PRIZE: The winner may have his choice of any of 1,800 books upon an approved list submitted by the Tecolote library through this column. The reports chosen as second and third best will be printed with due recognition in this column.

"Mr. and Mrs. North" are a perfectly screaming example of the average American couple. Mr. Richard Lockridge has done an admirable job in the composition of this novel. It is well written in a fast and furious pace.

Gauchos Clash with Whittier

State Prepares for Champions of 1935 in Toughest Home Game

For the first time in the history Friday night, October 23, on their of the college, Santa Barbara State's football eleven goes into battle on own gridiron with a legitimate eye on the Southern California Conference championship. The fact that these ambitions Gauchos are meeting the 1935 defending champions from Whittier college does not in any way dampen their ardor. The State college team has "arrived" and fully anticipate throwing a lariat around the husky legs of the Poets for a victory that will make the Montecito millionaires doubt their real estate agent's statement that Santa Barbara is a nice quiet place for them to settle down and hear only the rustle of the gentle breezes and the murmur of an occasional ocean wave.

Coach Newman's line up for tonight's game will probably be Harold Stevens, former all-conference player for Santa Monica J.C. at right end, which was left open when Bill Stevenson graduated last June; Captain Dahlitz, 220 pound all-conference tackle for the last two seasons, at right tackle; Prince Rush, captain of last year's championship team and all-conference guard in 1934, at right guard; Tom Hunt, who received all-coast mention last year at center; Ar North, another Santa Monica J.C. boy at left guard; Lyman Dietrick, two year letterman at left tackle; Dan Tebbs who received all-conference rating for the last two years, the left wing. In the backfield, the "Four Sons" will be seen with Elvin Hutchinson at the key position of left halfback; Ed Patterson taking care of the other halfback spot; Howard Nelson, all-conference player for two years, at the full-back position.

SPORTS

CITIZEN PRAISES STATE GRIDDEERS

Come ride 'em El Gaucho, but ride 'em fair,
Ride 'em and rope 'em and make 'em despair
Of sporting a record that can compare.
With the record made by our local team.

Come ride 'em El Gaucho—throw out your rope,
And hog-tie the Poets and ruin their hope.
So brand the maverick's and upset the dope
By winning the game for our local team.

Come ride 'em El Gaucho—dig deep your spur,
Don't get entangled in "poetical" fur,
But rowell and ride and stick like a burr,
To keep them from beating our local team.

Come ride 'em El Gaucho—throw 'em once more,
Watch all their players and don't let 'em score,
Pile up your yardage and hear the crowd roar
"The Poets have lost to our local team."

National Ratings

Santa Barbara State, rating as a tie with U.S.F. for fourteenth place on the Pacific Coast, has a lead of 48 national places on its nearest conference opponent, Whittier, according to the Williamson National Rating System. Meanwhile San Diego, generally conceived to be the toughest opponent on the State schedule, is following Whittier by three places.

In national lights it is indicated that Purdue-Minnesota game is to be the stiffest battle of the week-end with Minnesota riding on its record of former years, while Purdue depends on its present power. Also the St. Mary's-Fordham is rated for a close game with a probable tie.

SIG ALPHS DUMP TAU OMEGA, 6-0

The Sig Alphas got off to a fast start in the touch football game, Tuesday afternoon, when they dumped the highly touted T.O.'s, to the tune of 6-0, in a hard fought battle, that brought the spectators to their feet many times.

The lone score of the game was made during the second quarter, as the result of a spectacular 55 yard run by the superb open-field runner, Jack Knight. "Buppy" Moore played brilliant ball for the losers. The blocking of Danny O'Alphonso and Harry Sloan was particularly noticeable on Knight's long gallop for the six point.

After Jack Knight's brilliant run he will probably be labled the most feared ball-toter in the inramural sport.

FENCERS IMPROVE

The fencing class is coming along nicely according to Ross Lamorceaux, instructor. The members are showing a lot of interest in it and some of them are becoming quite good. There are only six members in the class due to limited equipment and they meet Tuesdays and Thursdays sixth period.

It is a new sport and it is hoped that more interest will be shown in it as the students learn more about it.

Pollock Holds Quarter Spot

GaUCHO Brain Vested in Dave As Ability Shows in Signal-Calling

Dave Pollock, first string quarter, is one of the most important and valuable men on the GaUCHO team. He first attended Santa Barbara High school and played with the Don lightweights. Later he transferred to Bakersfield High school and played quarterback for the Drillers. While in Bakersfield, he met Coach "Spud" Harder, then head mentor at Bakersfield Junior college. The year Dave graduated from high school, Harder came to Santa Barbara, and so Pollock came here to continue his playing. In 1934, he played quarter with Coach "Bud" Cumming's freshman crew for a year. He was an outstanding player and starred many times for the Gauchitos.

Last year Dave surprised everyone with his ball carrying ability and often broke away for long gains. As a quarterack he was excellent for he used his "old bean" well in calling his plays and kept the team out of bad situations. He played consistent ball all season and steadily improved until he played the brand of ball he is now playing. At the close of the 1935 season, Pollock placed as all-conference backfield. Dave is also president of the Men's club and active in student body affairs.

Delta Zeta Delta Alumnae Sets Final Plans for Future Events

Sorority Schedules Winter Fashion Show and Breakfast

Delta Zeta Delta sorority completed plans for its annual winter fashion show on Monday evening when they were entertained by Mrs. Francis Campbell and Miss Elisabeth Leonard at a party at the home of the former. This was the regular monthly affair for active and alumnae members.

The show will be held on November 14 at El Paseo in the Gold room, with Jack Rose Smart Shop showing football togs, afternoon, cocktail and evening gowns. The special feature of the show this time will be lounging pajamas, hostess gowns and other apparel suitable for Christmas gifts.

The active chapter is giving a Homecoming breakfast on Sunday November 7, honoring out-of-town alumnae. The affair will be held at El Cortijo.

Election of officers for the coming year was held by the alumnae chapter. Ester Porter was named president; Louise Purvis, first vice president; Margaret Gandolfo, second vice president; Florence Stuart, secretary; Laura Campbell, corresponding secretary; Janet Birnie, social chairman; Myrtle Holt, finance chairman; Carmelita Janssens, welfare and Helen Smith, program.

Others who attended the party

Phi Kap Sorority Schedules Future Social Functions

A special meeting of Phi Kappa Gamma sorority was held Wednesday evening, October 21, in the sorority clubroom at Sola and Chappala streets, for the purpose of calendaring future events.

A theatre party following a dinner at the La Arcada tea room was arranged for Saturday evening, October 24.

An open-house to be held at the home of Frances Ann Warnekros was scheduled for Saturday from two to four-thirty. Plans were also made for the float for the Homecoming parade, and November 8 was set as the date for the Annual Alumnae breakfast, for which plans will be completed later.

Lucky for You

- It's a Light Smoke!

FOR BIG MOMENTS
— A Light Smoke!

Wedding bells — exciting times, with lots of smoking. Consider your throat and reach for a light smoke ... reach for a Lucky!

When Thrilling Events Lead To Constant Smoking!

When you're excited... nervous... happy and thrilled, you smoke many cigarettes without thinking about it. Make your choice a light smoke. Smoke Luckies — for Luckies are a light smoke of rich, ripe-bodied tobacco. They are made of the center leaves of the finest tobaccos that money can buy. And they are the only cigarette in which you'll find the all-important throat protection of the "Toasting" process. Yes, the only cigarette. Lucky Strike... the fine-tasting cigarette... the cigarette that "lives happily ever-after" with your throat.
