We’d like you to meet Dr. Mark L. Duell, Sr., Doctor of Chiropractic.

“Perhaps gentleness in chiropractic is a new concept to you. It was to me before I began the six years of college training necessary for my doctorate degree. During those years I learned the precise locations where light pressure can bring chiropractic relief to pain.”

**Your Free Chiropractic Examination Includes:**  
 An orthopedic test, a neurological test, a spinal alignment check, and a private consultation to discuss the results.

“He helped us. He’ll help you too.”
