SUMMER ACTIVITIES: BADMINTON THRU BOAT TRIPS

Approximately 300 feet (2 ft.= 1 person) raced to and fro over the floors of Robertson Gym last Friday night from 7-10 during Recreation Nite. They (the feet) hopped, skipped and jumped their way through volleyball, badminton, ping pong, folk dancing and the trampoline. According to director Kathy Barthels, all sports were popular. There was an advanced group of folk dancers who "danced up a storm" under the eyes of envious novices who were in the beginning folk dance class from 7:30-8:30 p.m. The pros will be on hand again tomorrow night at the same time to help introduce the neophytes to the dance world.

On Saturday, a real, live picnic took place at Tucker's Grove for 60 'summer sessionites'. Volleyball and baseball flourished and all had an active Saturday afternoon.

For the coming week, the activities will again be led off with Recreation Nite tomorrow at Robertson Gym from 7-10.

On Saturday night, an All-U Student-Faculty Dance will take place at Santa Cruz Rec Room from 8-12. The dress will be casual and refreshments will be served for a small fee, so "bring your pennies," warns R.A. Jan Condit.

For those who would like a one-day escape from a hectic summer session, your wish can come true for only \$5.50. On Saturday, July 7, an all-day boat excursion to Anacapa Island will depart from Dock 1, Port Hueneme, at 8:00 a.m.

Staying at Anacapa until about 3:30, the trip will return to Port Hueneme about 5:30 p.m. Bring old clothes, a jacket, a bathing suit, hiking shoes, fishing tackle and a fishing license for related activities.

If you need transportation, call Kathy Barthels at ext. 2252. Reservations must be made by noon this Tuesday, July 3, in the Graduate Manager's Office. Children under 12 may go for half fare. Hurry, the places are filling up fast.

"FIFTY BOOKS OF THE YEAR" TO BE ON DISPLAY IN LIBRARY JULY 1-15

"Fifty Books of the Year", ranging from textbooks to cookbooks and including volumes on history, poetry, fiction, and art, will be on display in the library on campus from July 1-15.

The 40th annual exhibition is sponsored by the American Institute of Graphic Arts. The books were selected by a jury of national experts in printing and typographic design from over 800 titles. The "50" were chosen for "consistent and/or inventive topography, and appropriateness of the overall treatment and subject."

Mrs. Edwin Corle of Santa Barbara, who is a member of the library affiliates of the university, is responsible for the two-week exhibition.

In the exhibition there are 15 books from university presses; 16 by museum and private presses; and 19 by trade book publishers. A wide range of Americana, including President Kennedy's Inaugural Address, the Diary and Autobiography of John Adams, and the Life of Abraham Lincoln make up a large segment of the collection.

Of particular local interest is a book of Rico Lebrun drawings designed by Ward Ritchie for the University of California Press. Lebrun, noted California artist, served earlier this year as a Regents Lecturer at UCSB.

A picnic in honor of the UCSB Drama Troupe that will tour overseas this summer will take place at the home of Mr. and Mrs. G. William Gahagan at 680 Olive Road in Montecito July 5.

July 4 will see another festive beach barbeque on University Beach at 4:30 p.m. Since there will be no meals served by the dining commons (who will be on a Sunday schedule), everyone who wishes to go must purchase a ticket from their R.A. or the Graduate Manager's Office by noon Monday, July 2. Price: \$1.15.

Performances for all three nights will begin at 8:30. The cost to campus residents is \$1. The first performance of "Where's Charley?" will be a special center-staged show in the Little Theater. On Wednesday, July 4, it will be staged in Campbell Hall. The "Roadrunner Revue" will be on Monday only. The reason for the change of place for "Where's Charley?" is to acclimate the players to a frequent change of physical layout.

The players are jointly sponsored by the USO and the American Educational Theater Association. The group will also represent the U. S. State Department in all foreign countries they visit.

Dr. Theodore Hatlen is directing and managing the tour; Hal Brendle is the musical director. Hatlen is a founding member of the AETA and a professor of speech and drama at UCSB; Brendle is UCSB's director of bands and a former MGM record song writer. He also wrote for Allied Artists.

Both shows played to packed houses this spring ... "Where's Charley?" opened at Vandenberg AFB and continued a successful run for two weeks on campus.

CONCERT SCHEDULE CHANGES

There has been a change in the music schedule for the '62 summer session.

The "Schubertiad" concert, originally scheduled for July 11 at 8:30 p.m. in Campbell Hall, has been changed to July 23 at 8:30 p.m. in the Music Bowl in the Music Building. Admission will be announced later.

The Paganini concert has been set for noon, July 16, in Campbell Hall. Admission is \$1.25 for campus faculty and students.

"The Scandals of Clochemerle" will be at Campbell Hall this Sunday at 7:30 p.m. The film is a sophisticated satire of manners and morals of a little French town known as Clochemerle. The film is taken from Gabriel Chevalier's novel. A second film, "Quetico", will also be shown.
