

# THE EAGLE

VOL. 4

SANTA BARBARA, CALIFORNIA, FRIDAY, DECEMBER 5, 1924

No. 12

## NOTED EDUCATIONAL AUTHORITY WILL SPEAK HERE

Mrs. Marietta Johnson, head of the School of Organic Education, will give a lecture at the College on Thursday, December 18th, at 9 o'clock. Mrs. Johnson is internationally known because of her work done in child education.

Mrs. Johnson was brought to California by the La Vero Foundation, a San Francisco Educational Center. Mrs. Johnson first began her study of child education when she established a small school in her home in Fairhope, Alabama. Her theory is that the ordinary public school did not meet with the needs of the child and that instead the child may make progress without the employment of pressure or rewards, or grades.

In commenting of Mrs. Johnson's work, John Dewey of Columbia University says: "It has been demonstrated that it is possible for children to lead the same natural lives in school that they lead in good homes outside of school hours; to progress bodily mentally and morally, in school without factitious pressure, rewards, examinations, grades, promotions, while they acquire sufficient control of the conventional tools of learning and study of books—reading, writing figuring—to be able to use them in dependently."

A number of articles on Mrs. Johnson's work have appeared in the Literary Digest, Scientific American, Ladies Home Journal, and the American Magazine.

## WOMEN'S TENNIS TOUR- NAMENT ANNOUNCED

The girls' tennis tournament will come off after Christmas vacation. The schedule will be printed in next week's issue of The Eagle. The captain, Irma Steward, wishes all the girls to turn out. Competition between contestants is running high and a season of hotly contested matches is anticipated.

## WOMEN'S BASKETBALL VARSITY ANNOUNCED

Although the positions on the women's basketball varsity team were hotly contested, the team was eventually chosen by Miss Weage, athletic coach; Eleanor Warren, basketball manager, and Marjorie Granger, women's athletic manager. The women who made the varsity team will be awarded 100 points for their letters which are awarded for 150 points. Eleanor Warren, Gladys O'Shea and Barbara Dewlaney are in line for the first letters ever awarded women for athletic participation in the Santa Barbara College.

The varsity announced for this year is as follows:

Jumping center, Gladys O'Shea; running center, Edith Anderson; forwards, Marvele Miller, Eleanor Warren; guards, Alice King, Catherine Berrey.

Plans are being made for a Student Body Christmas party to be given some time next week. Although definite and final arrangements have not been completed, the social committee promises to do its best.

## HIGH SCHOOL GLEE CLUBS PRESENT CONCERT

The High School Glee Club is giving a concert tonight at 8:15 in the High School auditorium. As this is the High School Glee Club's first appearance this year, a large crowd is anticipated. The clubs of previous years under the direction of Mrs. Barnett have established a reputation of excellent repute among the townspeople.

The first part of this evening's program will consist of songs and glee club stunts by both the Boys' and Girls' Glee Clubs. Following these, a cantata will be presented.

## STUDENTS' INKWELL TO BE INSTALLED

An inkwell for the use of students will be placed in the corridor near the bulletin board opposite the office entrance, sometime next week. Students who have been inconvenienced by the lack of such an inkwell will no longer be unable to fill their pens.

As the demand for such an inkwell has been prevalent for some time, the council has been considering ways and means of securing such a facility for several weeks. Carlisle Gorman has arranged for the installation of a glass container in a wooden box. Clarence Amin is the constructor of the box.

## PRACTICAL SCIENCE SCHEDULE MADE

Mr. Gilliland has announced the schedule for the Practical Science course for the rest of the semester.

Geology will be studied from 8:15 to 4:00 on Saturday, December 13th, in the laboratory. The lecture on New Zealand, given Monday evening, was considered as one of the lectures of the course. Thirty-six laboratory hours are required for the ½ unit. The grade for the work will be based on written reports on each lecture attended.

## GLEE CLUB WOMEN TO CHOOSE COSTUME

It was decided at the meeting of the Women's Glee Club on Thursday that a trial costume for the club be designed by Eleanor Hicks. Later, the women will decide on the costume by voting. The blouses will probably be made of green flannel.

## VOLLEYBALL SEASON PLANNED FOR WOMEN

The next sport to be taken up by the girls is volleyball. According to Miss Weage, the practice will start right after Christmas, and she hopes that there will be enough girls out to have a team from each class. All girls are urged to try out, as this will offer another chance to get points for the letter. Also, it takes a larger number of girls for a volleyball team than a basketball team, so more girls are needed.

## COLLEGE SCIENCE CLASSES VISITED BY DR. LONG

Dr. Long, head of the Zoology Department of the University of California and chairman of the Junior Colleges of the State, is visiting the College today. Dr. Long is inspecting the classes in Physiology, Botany and Zoology, which are under the instruction of Mr. Gilliland.

# STANDARDS FOR GRADUATION ARE MORE STRINGENT

## New Order Becomes Effective In February, 1925

Several new regulations pertaining to standards for graduation, transcripts of records, practice teaching and method of procedure for dropping work and withdrawal from College were passed by the faculty Tuesday night at the recommendation of the Standards Committee. The new regulations, it is pointed out by the committee, are passed as a matter of safe-guarding the students. Other colleges are passing similar regulations and they are essential in keeping up the local College to the standards of other institutions.

## UNSATISFACTORY NOTICES ISSUED TO MORE THAN ONE HUNDRED FIFTY

The report of the mid-semester warnings shows that 36 per cent of the students of the College are doing unsatisfactory work in one or more subjects. One hundred fifty-five students received unsatisfactory notices at the end of nine weeks of college, according to the data which has been placed in the hands of President Phelps.

The basis of the report is the judgment of faculty members that the present rating of the individual is either "4" or "5". Although "4" is not a failure, if a student receives too many such grades at the end of the semester his withdrawal is required. A student who at the end of any semester has unsatisfactory grades, 4's or 5's, in more than 50 per cent of the units originally scheduled on his semester program card when filed shall be required to withdraw, provided that warning has been given at least four weeks before the close of the semester.

Eleven students received notification of unsatisfactory work in four subjects. These students are expected to have a conference with the president of the institution. President Phelps is advising students of their standing that their scholarship is such to make withdrawal advisable. Although students may act as they wish upon this advice, a program of improvement or a course of withdrawal is inevitable.

During the conference, it is pointed out that it is necessary for such a student who remains to continue his work, to so schedule his time as to improve his work.

An average grade of "3" is required for graduation under the new plan, which will go into effect next February, and will pertain only to such work as is taken after that date. No student will be admitted to work in supervised teaching whose average in the institution is below the standard for graduation. Any student already admitted to supervised teaching whose average shall fall below "3" will be barred from teaching until a "3" average is re-established.

All transcripts of records issued to students who have not attained a "3" average and those issued to students who were unrecommended from High school and who have not removed this limitation will bear the following stamp: "On account of low grades, not recommended for transfer."

The existing regulation about the dropping of subjects will be superseded by the following regulation: "Except in case of illness any subject dropped after the first month will count as a failure. In short courses the preliminary time shall be one-fifth of the whole course."

The procedure for withdrawal from College hereafter will be by petition for the dropping of all subjects with the same routine as in the dropping of a single subject; the approval of this petition by the proper committee shall constitute honorable dismissal.

The Credentials Committee calls attention to the fact that students who enter College as unrecommended must request the committee to check up on their record if they think at the end of any semester that they have raised their average in the institution. Such a check must be made before a non-recommended student may change to to any other department or before a student receives regular standing, but the committee will not take the initiative in making such a check.

Miss Winifred M. Frye

### EXCHANGES

The San Pedro High School is planning a sweet pea exhibit. Last year a successful Rose Show was held by the students.

The Thespian Literary-Dramatic Society of the Pacific Lutheran College of Parkland, Washington, gave a "Book Program." The members of the society dramatized scenes from several well known books.

The Santa Barbara High School has installed a visitors' register. So far, according to the register, there have been visitors from San Francisco, Pasadena, Imperial, Hollywood, New York and New Jersey.

The students of the Fresno State College held a "Dress-Up" Day the day before Thanksgiving. Many costumes made their appearance.

### LECTURE ON NEW ZEALAND GIVEN BY MISS FAIRLY

Elizabeth Hamilton Fairly, student and traveler, gave an interesting lecture on New Zealand in the cafeteria Monday evening before about two hundred people. The lecture was illustrated with pictures which were taken by Miss Fairly on her travels in New Zealand.

The first slides showed the formation and scenic views of the islands. Some remarkable pictures of the birds and flowers of New Zealand were also shown.

### ELEMENTARY SCHOOL PUPILS IN THANKSGIVING PROGRAM

The children of the College Elementary School presented a Thanksgiving program in Miss Pond's room Tuesday, November 25. Various members of the school provided the entertainment, Warren Fenzi acting as chairman.

The program follows:  
"America"—By the School.  
"Thanksgiving Harvest Song"—Upper grade double quartette.  
Folk Dance—5th and 6th grade girls.  
"Thanksgiving Turkey Gobbler Song"—Primary Department.  
A Verse—Katherine Schott.  
Piano Solo—Elizabeth Gregory.  
Old Fashioned Dance in Costume—June Vance.  
Piano Solo—Mildred Felton.  
Discussion of athletics for boys and girls—Robert Wormser.

Harriet MacKay reports a very thrilling time during the Thanksgiving holidays.

### ALUMNI

H. P. Fitzpatrick, '15, of the Industrial Arts Department, is teaching in Glendale.

John Bangarter, '13, of the Manual and Fine Arts Departments, has recently been made chairman of the employment bureau in the John C. Fremont Junior High School. Mr. Bangarter is secretary of the Southern Section of the Alumni Association.

Doris Gilbert, '22, of the General Professional Department, is teaching in Bakersfield.

The Santa Barbara State Teachers College Alumni Association will hold a reunion at breakfast at the Alexandria Hotel in Los Angeles on December 19. Dr. Cubberly will be the guest of honor and speaker. President Phelps and Mrs. Miller will present some interesting plans, and elections of officers will take place. This meeting will count as a session of institute.

Among those who have put in applications for administration and supervision credentials are Miss Fannie Tylene Lewis, '11, of the Home Economics Department; H. P. Brown, '22, of the Community Mechanics Department, and Guy Livingston, '17, of the Community Mechanic Department.

### CAST CHOSEN FOR CHRISTMAS PLAY

The characters for "A Christmas Chime" were chosen last Monday evening at the meeting of the Forum. Mary Virginia Platt was given the part of Dolly Wakely, and Madeline Klinke was given that of Gladys Terrill.

Arthur Hill will play Ted Owen, and Eston Laughlin has the part of Joe Terrill.

The play will be given before the Student Body on December 16th.

The Literary Forum is sponsoring the production.

### PUBLIC SPEAKING SOCIETY ELECTS NEW OFFICERS

The following officers were elected at the meeting of the Public Speaking Society last Wednesday:

President—Madeline Klinke.  
Vice-President—Dorothea Loken.  
Secretary—Roscoe Macguire.

The society is working on the scene of "Pyramus and Thisbe" from "A Mid-Summer Night's Dream," and plans to present it before the Student Body within the near future.

### ALUMNI REUNION VOTED SUCCESS

The Santa Barbara Alumni Association held a most successful meeting November 24th at Fillmore. Out of the seventeen members of the Association who are teaching in Ventura County schools, sixteen attended the reunion.

An attractive lunch was served at the Orange Leaf Restaurant. The speakers were Dr. Stockton, Mrs. Miller and Mrs. Blanche Reynolds, County Superintendent of Schools of Ventura.

Those present at the reunion were Robin Rapp, Ventura; Mildred Macy, Piru; Margaret Wege, Camarillo; Dorothy Hitchcock, Fillmore; J. Leroy Stockton, Santa Barbara; Blanche T. Reynolds, Ventura; Kenneth Belford, Oxnard; Lillias Buck, Fillmore; Reita I. Martin, Santa Paula; Gertrude Ramsey, Santa Paula; Florence M. Gemmill, Santa Paula; Marjorie Gates, Ventura; Bertha Abraham, Ventura; Alice E. Pendery, Ventura; George F. Parker, Fillmore; Elizabeth L. Weinland, Ventura; Mrs. Lona G. Wilkinson, Oxnard; Elsie S. Miller, Santa Paula; Josephine Knick, Santa Paula, and Mrs. Miller, Santa Barbara.

### STUDENTS ADDRESSED BY MR. RUST

Mr. William L. Rust talked to the Student Body Tuesday morning on the subject of the metric system, telling of its history and its present development. Mr. Rust gave many interesting sidelights on the use of both systems of measurement. The cost which would be involved in adopting the metric system universally as has been advocated was well illustrated by Mr. Rust.

### OUTING CLUB TAKES FIRST LONG TRIP

The Outing Club made its first long trip of the year last Saturday night when it journeyed to the cabin on the Santa Ynez River. A group of fourteen people made the trip to the river property at different times during the day, and all returned Sunday afternoon. Since the San Marcos Pass was closed for repairs it was necessary to travel over the Gaviota Pass route. The roads were in miserable condition and made even a good time impossible.

Those who made the trip were: Mrs. Mabel Dewlaney, Anna Lincoln, Ester Janssens, Philip Brotherton, Eston Laughlin, Spud Sawyers, Al Keim, Max Conklin, Clifford Leedy, Harold Clodfelter, Harold Furman, Ire A. Clodfelter and Ted Ellsworth.

Diversions for the trip were hunting quail, rolling stones off the cliff, cliff-jumping, and eating.

Another trip to the cabin will be held at some later date in the spring and is being looked forward to by a large number of students.

### FROSH WILL ENTERTAIN AFTER THE HOLIDAYS

The Freshman program which was to be given next week has been postponed. However the Freshmen will probably entertain the Student Body at its meeting after Christmas vacation. Students anticipate an original peppy program from the Frosh, who have made themselves prominent upon the campus.

### STUDENTS OVERTHROW OLD EDUCATIONAL SYSTEM IN LATIN AMERICA

Students in Latin America have probably done more in over-throwing the old system of education than almost any country in the world. The South American students were more or less actively rebellious before the war, frequently displaying their displeasure by "manifestos." These displays of displeasure were for the most part directed against some action of the church or of foreigners.

The war marked a new epoch in the history of Latin-American education. Cordoba, the University town of Argentina, became the center of a new reform movement. Protesting against dogmas and ancient methods of instruction, the youth demanded more efficient teaching. Professors and teachers who were detrimental to the more liberal move were driven out of the universities. The student strike became general and all the universities of Argentina participated. Many of the younger professors and instructors assisted in the movement.

At first the government of Argentina was actively antagonistic to the movement, even resorting to armed force in an attempt to quell it. Eventually it was forced to yield, however, for public sentiment sided with the students.

Meeting in a student congress, the young people formulated their demands. They wanted academic freedom, representation on all directive councils of the university, recognition of their right to strike, the right to censure or expel a bad professor, the suspension of roll call, the creation of a technical university at Tucuman and the abolition of all dogma in teaching.

The demands were granted and new laws for the universities were passed. The movement was not confined to Argentina but spread rapidly to the other countries, Uruguay, Peru, Chile, Cuba, etc., had their similar struggles. In some cases the reform is not yet complete, but Latin-America youth seems to be in the lead in a more or less universal desire among thinking students to make the educational systems of the various countries more liberal and effective.

### JOKES

Dr. Evans: "Mr. Hawley, can you tell me about the Mongolian Race?"  
Mr. Hawley: "I wasn't there. I went to the ball game."

Dean Ashworth: "Construct a sentence using the word triangle."  
Bright Student: "When you are going fishing, try angle worms."

Alta F.: "Why do they call you Bill?"

Bill H.: "Because I came on the first of the month."

Visitor: "What does the chaplain do here?"

Frosh: "Oh, he gets up and looks over the student body and then prays for the college."  
—Ex.

Mrs. Carpenter: "Florence, I cannot have you reading novels on Sunday."

Florence: "But, mother, this one is all right. It is about a girl who was engaged to three clergymen at once."

**TEA GIVEN IN HONOR OF DEAN PYLE**

Miss Clark, Miss Frye and Miss Ebbets are going to give a tea for Dean Pyle on Saturday at the home of Miss Ebbets. The tea is given for the faculty and those connected with the College so that these people may become better acquainted with Dean Pyle.

**A LATIN TEACHERS' LULLABY**

Hush thee, babe! Let nought alarm thee;  
Participles shall not harm thee;  
Dreams of person, gender, number,  
Trouble not thy peaceful slumber,  
Hush thee, baby mine!

Hush thee, babe! Though Dad's a teacher,  
Gerundives shall never reach yer;  
Foul subjunctives, ut, ut non,  
Shall not waken thee, my own!  
Hush thee, baby mine!

Hush thee, babe! No casual clause  
To thy sleep caesura cause;  
Ille, ipse—no, not hoc  
To thy napping bring a shock!  
Hush thee, baby mine!

—Harold Willard Gleason.  
Hartford, Ct.

**FOOTBALL MEN HONORED WITH DANCE TONIGHT**

The dance in honor of the football men will begin at 8:30 tonight in the gymnasium. The social committee promises good fun for everyone who attends—dancing for those who dance and amusing features for those not interested in dancing.

The feature of the evening will be a football game between the feminine football teams, the Jaywalkers and the Two-Timers. An intense rivalry exists between the teams, and the fight will be a bitter one. Everyone is urged to come and root for his favorite team. The dance will be informal.

The following men will be awarded letters this evening:

Player	Position
1. Jack Vince (Capt.)	F. B.
2. Jimmy Anderson	L. H.
3. Reid Hollingsworth	R. H.
4. 'Pop' Fritz	F. B.
5. Al Baranov (Mgr.)	R. H.
6. Harold Morehead	R. H.
7. Edmund O'Reilly	Q. B.
8. Jacob Garber	Q. B.
9. Allen Keim	R. E.
10. Perry Linder	L. E.
11. Clarence Annin	R. G.
12. Gates Foss	R. T.
13. C. H. Brownsberger	L. T.
14. Lysle Hawkins	L. G.
15. William Brooks	L. G.
16. H. Frank Gillett	R. G.
17. Francis O'Reilly	C.

**PERSONALS**

If you want to know how it feels to fall off a high cliff, ask Ted Ellsworth.

Merle Weidman couldn't tell the difference between leaves on the river and land and, consequently, dampened his feet while he vacationed at the Outing Club cabin last week-end.

Dorothy Pratt and her sister Hollis went to Clairmont for Thanksgiving to visit friends.

The forest fires over near the Outing Club cabin scared most of the girls away. The result was only three of them braved the trip.

Everyone who could possibly go home for the holidays rejoiced at the chance and went.

Allen Keim thinks "get out and get under" would be a good name for his car after his last trip.

Helen Mansfield gave a dancing party last Saturday night.

During the holidays, Paul Fritz went to Los Angeles to see the Poly-Los Angeles High School football game.

Else Le Blanc plans to attend U. S. C.-Syracuse game in Los Angeles this week-end.

Ester Janssens entertained a number of friends last Wednesday night with a dancing party.

Bob Wormser is acting as baseball instructor for the Elementary School pupils. The pupils find Bob an efficient coach, and Bob reports that he enjoys the work.

Ruth Garner, Etta Burnett and Eleanor Warren are giving a dinner in honor of Dean Pyle on Sunday.

Bob Wormser sprained his ankle during a tennis game Tuesday.

Dr. Evans was absent from school the first of the week because of illness.

At a small country school the pupils were having a lesson on the animals. The teacher had asked a number of questions which were easily answered. At length she said:

"Why does a dog hang out his tongue when running?"  
A lad who had not answered before held up his hand.  
"Yes, Tommy, what is it?" she inquired.  
"To balance its tail," was the reply.  
—Ex.

**WOMEN'S GLEE CLUB WILL MAKE FIRST APPEARANCE**

The first public appearance of the Women's Glee Club will be made when the women sing before the Santa Barbara County Teachers' Institute which meets the third week in December. Meetings are scheduled to be held in the Junior High School auditorium.

The Men's Glee Club, which made its initial appearance before the Student Body some weeks ago, will also sing before the Santa Barbara County Teachers' Institute.

**PERPETUAL TENNIS TOURNAMENT ANNOUNCED**

Drawings for the perpetual tennis tournament were made last Wednesday. By the plan submitted by the manager of tennis, the tournament will continue until the end of the year. Each man in the list may challenge the man above him for position, and the match must be played within the school week, or forfeit made. The first drawings were made without any reference to the abilities of the various players, in order to give all men a chance to work up in the list, which is as follows:

1. Clifford Leedy.
2. Edmund O'Reilly.
3. Frederick Diehl.
4. Maxwell Conklin.
5. Ansgar Larsen.
6. Takazumi Asakura.
7. Sheldon Hoessel.
8. Paul Means.
9. Ted Ellsworth.
10. Francis David.
11. Michael Abbott.
12. Lewis Peters.

Reports of all challenges received and matches played must be turned in each week on Friday afternoon, the results of which will be posted the following Monday. Later in the season, possibly in the spring, there will be an elimination tournament held to determine the membership of the varsity squad that will represent the school in the intercollegiate matches.

**JOKES**

Young Wife: "If this is an all-wool rug, why is it labelled cotton?"  
Clerk (confidently): "That, madam, is to deceive the moths."  
—Ex.

He—"Only fools are positive."  
She—"Are you sure?"  
He—"I'm positive."  
—Ex.

Rub—"Where have you been?"  
Dub—"To the cemetery."  
Rub—"Anybody dead?"  
Dub—"All of them."  
—Ex.

"Thank you for the presents, auntie."  
"Oh, they are nothing to thank me for."

"That's what I thought, but mother told me to thank you all the same."  
—Ex.

"I hate women, and I'm glad I hate 'em, cause, if I didn't hate 'em, I'd like 'em, and I hate 'em."  
—Ex.

The Tinker—"I've come to fix that old tub in the kitchen."  
Little Girl—"Oh, mammie, here's the doctor to see the cook."

Mistress (to cook from the country): "Well, what do you think of our gas fires?"

Cook: "I think them wonderful, ma'am. Why, those in the kitchen haven't gone out since I came here over a week ago."

The absent-minded professor jokes are with us again. We are thinking of the "prof" who kissed his shoes good-night and put his two daughters under the bed.—Ex.

**ELEMENTARY STUDENTS PRESENT PROGRAM TUESDAY**

The children of the College Elementary School presented the following program Tuesday morning, under the direction of Teddy Hanley, chairman:

Piano solo—Helen Shott.  
Chorus—Alice Schott, Helen Schott, Patricia McDavid, Ellen Mae George.  
Story and poem—Virginia Lee Sawyer.

Oriental dance—June Vance.  
Story—Elaine Lindberg.  
Piano solo—Helen Schott.

Faculty and students of the College and friends of the school are cordially invited to attend these Tuesday morning programs, from 9 to 9:30 o'clock.

Maggie: "The garbage man is here, sir."  
Professor (from deep thought): "Tell him we don't want any today."

Tourist (in village notion store): "What have you in the shape of automobile tires?"

Saleslady: "Funeral wreaths, life preservers and doughnuts."  
—Ex.

**BASKETBALL SCHEDULE  
NEARS COMPLETION**

With the return of Henry Minetti to the ranks of the local casaba quintet, prospects for a world-beater team look more promising than ever. Last year's team was considered the best the College could put out when it beat every one of its opponents by an average of a six to one margin; and Minetti makes the third letterman that has come back for this year's team. Harold Sanford, guard, and Allen Keim, forward, were the only members of last year's team that the school lost. The lettermen remaining are Linder, guard; Anderson, center; and Minetti, forward. Minetti was last year's high point man. The interclass combats, however, have demonstrated that the lettermen will have to work hard to retain their positions. A guard position is open on the varsity squad, and to all appearances, Foss will fill it.

The long delayed schedule, after awaiting action from the council regarding the proposed amendment to the constitution to change the letters, has at last been made out and sent to the various colleges for definite approval. It will be published when it is declared authentic. The first game will probably be played in the local gym against the Southern Branch 145-pounders in January.

**FRESHMEN ARE  
BASKETBALL CHAMPS**

**Sophomores Defeated in  
Final Game**

**How They Stand:**

	W	L	Pct.
Freshmen .....	3	0	1.000
Sophomores .....	2	1	.667
Juniors .....	0	2	.000
Seniors .....	0	2	.000

The Freshman basketball team won the interclass championship in the gym on November 25th by defeating the Sophomores 12 to 2 in a fast game. The excellent guarding of the Freshman team won the game for it by not giving the Sophomores a chance to toss a basket. The latter's two points were made by a field goal from the enter of the court shot by Perry Linder in the last quarter.

Clifford Leedy was high point man for the beginners. Leedy shot five of the six goals which comprised the Freshman score, while Vandam threw the other one. The excellent guarding on the part of Foss and Mobley was in a large part responsible for the Freshman margin. Foss's consistent playing points him out as a promising candidate for the first string team this year. The lettermen had better look to their laurels.

The line-ups follow:

Frosh—	fg	ft	pf	tf
Foss, rg .....	0	0	0	1
Mobley, lg .....	0	0	0	0
Vandam, c .....	1	0	0	0
Williams, lf .....	0	0	0	2
Leedy, rf .....	5	0	0	0
Greenough, rg .....	0	0	0	0
Langlow, lf .....	0	0	0	0
	6	0	0	3

Sophs—	fg	ft	pf	tf
F. O'Reilly, c-l.g.....	0	0	0	0
Linder, rg-rf .....	1	0	0	0
Petersen, c .....	0	0	0	0
Moorhead, lf .....	0	0	0	0
Brotherton, rf .....	0	0	0	0
Weidman, lg .....	0	0	0	0
Laughlin, c .....	0	0	0	0
	1	0	0	0

Score by periods:

Freshmen .....	2	4	2	4	— 12
Sophomores .....	0	0	0	2	— 2

**ELLSWORTH NARROWLY  
ESCAPES SERIOUS INJURY**

Ted Ellsworth narrowly escaped serious injury on the Outing Club trip last week when he fell from a bluff near the cabin on the other side of the San Marcos Pass. He was brought in to the Cottage Hospital late Saturday night by Clifford Leedy, where he remained until Sunday afternoon. A gash on the forehead, a twisted leg and numerous bruises proved to be the extent of his injuries.

The accident occurred when Ted ran to signal another car which got onto the wrong road. Misjudging the distance to the edge of the bluff in the dark, he slipped from the edge and fell to the rocky river bed below.

Although confined to the use of a cane for a few days, Ted has managed to keep up his work at school and seems to be recovering rapidly.

**TO PLAY IN CHICO FOR  
CHAMPIONSHIP OF STATE**

Chico, Dec. 5.—Fresno State Teachers College, champions of the south, and Chico State Teachers College, champions of the north, will battle for the state football championship in the California Coast Conference next Saturday, December 6, at Chico.

On paper the two teams are about evenly matched, with Fresno's Bulldogs having a slight edge on the dope. Both schools have recently played the Mare Island Sailors and the comparative scores give each an even break on the odds. The Bulldogs defeated the Sailors by a score of 10 to 0, while the Chico Wildcats came off the field with a 13 to 6 victory over the same sailor team on Thanksgiving Day.

In weight, Fresno is conceded a slight advantage. Her line tips the beam to an average of over 190 pounds to the man and her backfield is nearly as heavy. In spite of its bulk, the Bulldog team is fast and tricky. Many a team this season has been baffled and put to route by the Bulldogs' famous "hip-hip" play, a combination of line shifts and fake start signals. Fresno has won easily over her opponents in the southern part of the state and now comes the game to decide whether the state title will go to the north or stay in southern California, where it has been for several years.

Chico's fullback has been badly injured and will not be in the game but all the other Wildcats are in tip-top condition. Northern and central California fans will see the fighting, hissing Wildcats in a terrific battle on December 6th, giving their best in an effort to bring the state title to northern California. Chico has been winning in the northern division of the Conference and has battled her way

to the top of the conference schedule. Coach Arthur L. Acker, football mentor of northern California, has built up a fighting machine of young Wildcats that threatens to topple the laurels of many a larger college.

Both teams seem confident. Both will fight to the last man. Strength, speed and headwork will win the state title and in these qualities, no one can say which team is superior until the game is over. This is the first time in the history of football that a school as far north as Chico has loomed up as a contender for the state championship in the conference. If Fresno wins, the state title will stay where it has rested for the past three seasons. If Chico is victor, the title will go to the extreme northern end of the conference.

Steward: "I thought I'd just bring you a little something to eat up here on deck, sir, and save you the trouble."

Captain: "Thanks, steward: save me a little more trouble and throw it over the rail."—Ex.
