TRAVEL IN BUS, CARS

English Majors See 'Learning
 for Ladies,' London and
 Tyndale Works

With 45 students, teachers, and townspeople packed in bus and private cars the annual pilgrimage of the English department left the State college campus at nine o'clock this morning with a destination of the Huntington Library and Art Gallery. Included in the group are delegations of printing and English students.

Printing students will cover a study of "Fine Books" and "Fine Bindings" placed on special exhibit at this time. The books contain examples of parchments, the Gutenberg Bible and modern work by John Henry Nash of San Francisco. The book bindings illustrate the supplementary exhibits on the steps in manufacture.

English students plan to study an exhibition "Learning for Ladies," a display of manuscripts of Jack London, and the commemoration of the death of William Tyndale. The first exhibit is a group of first editions illustrating ideas of women's education from 1508-1895.

Leaving Santa Barbara at nine the travelers will arrive in Pasadena for lunch and at 1:30 they will go to the library and art gal. (Continued on Page 2, Column 3)

ABDICATION

King Edward VIII gave his answer to Baldwin by signing his abdication papers, forever renouncing his right to the throne of England. This places the prestige of the empire in the most precarious position since the world war. Opinion is sharply divided as to what may develop. Ireland, one of the six dominions who must ratify the King's successor, has flatly declared it will never do so. This would prevent the Duke of York from ascending the throne.

As long as Edward lives, the Duke of York won't be considered the real thing, and Baldwin may yet regret his forcing the most popular man in England into retirement. It is reported that Edward and Mrs. Simpson will live in South America where he is extremely popular. The estimated cost to merchants and manufacturing firms who prepared for his coronation has been placed at 250 million dollars.

Council Grants Grid Numerals

Forty-Seven Football Men Are Awarded with Sweaters

Twenty-two varsity football men and 25 freshmen making their numerals were awarded lightweight sweaters at the regular meeting of the student council last night in Pine Hall.

Varsity gridsters who will receive either a blanket or a sweater are Donald Hart, Frank Hayman, Sid Gardner, Douglas Oldershaw, Keaster Hale, Earl Fredburg, Johnny Twaddell, Clair Busby, Gene Cilkerson, Al Young, Dan Mulock, Louis Trigueiro, Oliver Seeley, Dave Pollock, Barney Swanson, Bob Morelli, Howard Yeager, Jack Smith, Nathan Johnson, Forrest Gardenhire and Freddie Monson.

Frosh football artists who will receive their sweaters are Robert Coffey, Larry Main, Warren Farrar, Wilson Pollard, Fred Valenzuela, Clifford Romer, George Gray, George Valos, John Echeni. (Continued on Page 2, Column 5)

Allred Urges Early Purchase of Ducats

There are only 400 tickets to the Gaucho-New Mexico Aggies Christmas football game available at student prices, according to Fred Allred, student comptroller.

Sales have been rapid to date so all students who are planning to attend the Christmas grid battle should buy their tickets prior to Christmas vacation. After that time everyone will be charged a regular admission price. Cost to students at present is 40 cents; to the general public, 85 cents; and \$1.10 for reserved seats.

Regular admissions are on sale as usual at the Ashley-Westlund Sporting Goods store, and at Ott's.

A. W. S., Men's Club Hold Joint Meeting; Glee Clubs Sing

"A Christmas Chime," by an unknown author will be presented by the Players club next Tuesday in a joint meeting of the A.W.S. and Men's club second hour, as a contribution to the Christmas season. Music by the orchestra and men's and women's glee clubs will precede and follow the play.

The play is a modern one. It concerns two lovers, who have broken their engagement because of a trifle. They are invited to the home of friends to spend the Christmas season, and as a result no little embarrassment and unhappiness is caused.

Students taking part in the play are Gladys Terrill, Carol Warren, Dolly Wakeley, Alice Freeman, Joseph Terrill, Harry Netherly, Ted Owen and Terry Hill.

The assembly will open with the orchestra, under the direction of Mr. John W. McAllister, playing "Adeste Sideles," followed by the men's chorus and the orchestra in "Contique de Noel," by Aldan. After the presentation of the play the women's chorus will sing two Christmas carols, "Silent Night" and "Lo How a Rose E'er Blooming" by Praetorius.

Hanson Resignation Comes As Surprise

Coming as a complete surprise to the residents of Santa Barbara, Mayor E. O. Hanson, yesterday at 2:20 p.m. presented his resignation to the city council, which was accepted.

W. S. Crawford, a member of the council, was appointed acting mayor until the appointment of a new mayor to complete Hanson's unfinished term.

Mr. Hanson was mayor for 18 months. He gave as the reason for his resignation, the health and well-being of his family.

Campus Picnic Site Needs Trailers, Tents College Will Provide Stamping Ground for Idle Transient

Contrary to popular belief and opinion the campus of Santa Barbara State college is not a picnic ground even though visitors to our hilltop site might gain that impression at first glance. But all we need now are a couple of streamline trailers and a row of tents set up in front of the gym and all doubt and mistleif could be set aside. Overnight our illustrious setting of higher knowledge for the pursuance of the finer arts

would become a common way-side scene—the great American stamping ground of the transient camper.

Take a look around you. Note the cigarette stubs, candy papers, gum wrappers, notebook paper, paper sacks, and other miscellaneous types of cluttering "junk" which lines our driveways, is under the trees and bushes and in the quad. If the Gaucho campus doesn't resemble most picnic and camping grounds you have visited then

Annual Football Dinner Honors State Gridmen

C. S. Davy, J. E. Myers, President Clarence L. Phelps and Coaches Speak; Prexy Hoyt Acts As Toastmaster

With negotiations under way for securing one of the members of the coaching staff of the University of California at Los Angeles as main speaker of the evening, the associated students of Santa Barbara State will sponsor the annual football banquet, Monday, December 14, aided by the Women's Athletic association.

The event will take place at 7:00 in El Paseo, with members of the 1936 grid squad as guests of honor.

Enrollment Status Shows Noted Rise

Believe it or not, the growth of the college is practically remarkable. Year before last, State recorded a 16 percent increase in population. Last year, showed a five percent lift; in this year, 16.6 percent.

"We anticipate that this growth will continue next year. There is nothing phenomenal about this, but it is a favorable steady increase," commented Clarence L. Phelps.

Rockwood Scene of State Ball; 'Grand March' Will Open Evening's Program

Students of State will don their "Sunday best" tomorrow night at Rockwood for the annual Christmas formal, one of the main events of the college social calendar, which will last from 9:30 until 12:30.

Guests will dance to the collegiate music of Fred Lambourne and his orchestra. The evening will begin with a "Grand March."

Faculty Invited

President and Mrs. Clarence L. Phelps, Dean and Mrs. William Ashworth, Dr. and Mrs. Charles Jacobs and Dean Lois Bennink have been invited as patrons and patronesses for the affair. Honor guests of the associated students will be Mr. and Mrs. Sam Stanwood, Mr. and Mrs. Harrison Ryon and Mr. and Mrs. Curtis Warren. The dance is officially a "date"

Alphigam Discusses Joint Press Confab

Plans to hold the annual journalism day for high school students and the next meeting of the southern California Collegiate Press convention in a joint meeting were discussed last Tuesday evening at the bi-monthly meeting of Alpha Phi Gamma, honorary journalistic fraternity, at the home of Leona Rasmussen, 221 Encinal avenue.

Pledge papers were read and the initiation party to be given by the pledges for the active members was announced. President Bill Hoyt was in charge of the the meeting. Other active members present were Dorothy Horner, Lawrence Leslie and Irene Minikin. Pledges who attended the meeting were Caroline Hoefler and the hostess.

Speeches will be given by Charles Gordon Davy, president of the Chamber of Commerce; Joe E. Myers, president of the Junior Chamber of Commerce; President Harder; and Coach Wilton Wilton.

Bill Hoyt, president of the senior class, will act as toastmaster for the evening. Nancye Clapp, W.A.A. head, is in charge of arrangements for the dinner.

A telegram was received yesterday from Charles W. Paddock, former sprinter and at present, a Long Beach sports writer, who was invited to speak, stating, "Sorry indeed that a previous engagement prevents me from being present at your annual football banquet December 14. May I extend my congratulations to the football team on its splendid season. Many thanks for the invitation."

Ticket Deadline 4 P. M.
 Tickets must be obtained by 4:00 this afternoon. Tickets for off-campus guests may be obtained from Dean Lois Bennink's office.

Following the dinner, guests will dance until 11:00 in the main room of El Paseo. A program of all-school talent, including the voice of Louis Trigueiro, will be given during the dinner. A floor show will also be presented during the evening.

Graduating Class Elects Harrington Wells '37 Sponsor

At the recent election of the Senior class, Harrington "Pop" Wells, popular science professor, was selected to act in the honorary capacity of the senior class sponsor for the coming year.

The statement was announced last evening by Bill Hoyt, the senior class president, after the election results had been kept a secret for two days. The election was held in the main office on Monday and Tuesday of this week, and was under the supervision of Mamie Miller.

Wells was selected by the class from a list of five faculty members, who had been nominated by the seniors at their breakfast meeting in Ebbets hall a week ago.

The next breakfast will be during the week of January 11 to 15, according to Olive De Motte, breakfast committee chairman, and should be kept open on the senior's calendar.

TEAM GOES TO HAWAII

Well, the San Jose football team has finally gotten off for Hawaii despite the strike situation. From San Jose they went to Seattle, sailed to British Columbia and boarded the "Niagra" of the Canadian-Australian Line. They will have a few days free in which to get rid of their sea-legs before meeting the University of Hawaii team on December 12.

STRIKE FOR HIGHER PAY

The Susquehanna university football team went on strike because their employers had cut their wages. Time taken for practice cut in upon their working hours. Nothing has been done because conference ruling prohibits the paying of athletes.

The Fraternal Fourth

That august body, the Inter-fraternity Council, at a recent meeting decisively approved and welcomed the suggestion that a fourth fraternity be organized on the college campus.

With the sanction of this body, which represents the three existing Greek letter societies, the organization of the fourth group rests upon the initiative and enthusiasm of one student, or a group of students on the campus.

The procedure to be followed in organizing such a group, in brief, would constitute drawing members from State's "unorganized" to form sufficient membership, electing a leader or speaker, and presenting a charter to the Inter-fraternity council and the office of the Dean of Men for approval.

A majority of students will look to the Anacapa club, whose membership numbers over 40, for a possible move of this sort. Already powerful and influential, the club perhaps would not wish to become a fraternity, or organize such a group for its members, but a possibility exists, and will be contemplated by many, that the Anacapa House might well submit its charter for official recognition as a group definitely incorporated with the social order of the college.

The field has been opened for the inauguration of a Fourth in the fraternity "hand of bridge," and with the invitation and favorable comment of the Council, the opportunity has come. All thought of restriction has been laid aside and the way paved for an entirely new group to make its way into the inner circle of fraternal politics, problems and participations.

These Men We Honor

With but one football game remaining before the Big Green of 1936 becomes a memory of the past the students of Santa Barbara State will have a final opportunity to honor the grid stars at the annual football banquet Monday night at El Paseo.

This year the affair will be entirely sponsored by the Associated Student Body with the active aid of the Women's Athletic Association instead of being arranged by a downtown organization. This will afford every Stater the opportunity of doing his share to show the varsity and Coach "Spud" Harder his appreciation for the efforts they have made in the past football season.

Local service clubs and other organizations as well as individual townsmen have more than done their part in feting and showing the Gauchos they deserve the signal honors bestowed upon them, and now it is our turn. This year has seen Santa Barbara State reach new heights, both in conference standings and in the opinion of the nation in general. This unprecedented success on the gridiron is of inestimable publicity value to the school and its reverberations will be felt in mounting registration next year.

To prove our loyalty to the college by honoring the 1936 Gauchos and the men who made their success possible, Coaches "Spud" Harder and Wilton Wilton, it has practically become an obligation for every student to attend the annual football banquet next Monday.—L.M.

Book Chatter

By Arthur H. Batchelder

When you were small do you remember how your grandmother chastized you if an object were placed upon the family Bible? Remember the awe which enveloped you as you approached it?

I have much the same sensation as I consider reviewing "The War Goes On."

Still, the Bible is printed by the million copies yearly. In reality it is just printed paper bound together with glue and cord, between a cardboard or leather binding. And so is Sholem Asch's new novel in the same category with the Bible—just a mass of fish-glue, string, ink and paper when in the publishing house.

If a book consists of material things only, then what constitutes a book? Can it be the author, philosophy, love, or history. Put all together a book is life seen through another's eyes. Life, Yes, truly this is what formulates "The War Goes On." Fear not, public-satiated-with-the-usual—"war-books," for this novel is not concerned with the usual war trash. It is more, it is LIFE. Life in the raw of post-war Germany. A rawness bound together by liquid English.

It treats of post-war Germany, the Jews, the inflated Mark, the people, and the raw sex-freedom arising among a people weary of synthetic food and bloodshed.

Ah, but who am I to try to review the masterpiece of our literary age? With a terrible crash the realization overcomes me that experience is not mine—that I am unworthy, so much as to even try to give an account of my emotions when confronted by this work of true art.

Time is nothing for the world stands still while "The War Goes On" is in your hand.

Scoop. The engagement of Pat Ireland to Vincent Banks was announced last night at a party given at the home of Mr. and Mrs. Chuck Leister (Mrs. Leister is the former Jeanette Banks) . . . they seem to be keeping it right in the family . . . the couple will be married in August.

No doubt 'tis again time to do a trifle more predicting.

For the football banquet: Fredburg will be seen with Marion Shammo . . . Wannie Wood will escort either Pat Collinge or Leontine Phelan, both are off-campus . . . Al Young will invite Velma Wood from Ventura so that she may be honored with him . . . Louise Riche, off campus, will be seen in the company of Bill Jessup . . . Due to the fact that Helen Holt will be in town Harry Sloan will ask her . . . Ross (Every Night a Different Girl) Lamoreaux will take his choice.

This might be old but it's still good—hear that Larry Main and Dede Biller were merely sitting on the davenport at Dede's when it crashed . . . Why was it that Willie Blume had to make apologies for Fredburg and Busby at the Elk's dinner Tuesday nite?

Jack Joseph seems to be having a lot of fun making Mary Doll scream—maybe there's something there . . . Millicent Lincoln can't quite make up her mind between Ted Rohlfen, who had a car but doesn't play football, John Echenique, who has a car and plays football, but is merely a freshman, John Twaddell, who has no car, but plays varsity football, and Willie Wilton, who has a car but is only a coach.

Radio Ranglings

One of the amusing slips that quite frequently take place on radio happened the other day on the Jimmy Fidler program. He works for a cough drop manufacturer and in the middle of his announcement the announcer coughed. My, what that manufacturer must have felt like saying.

Gertrude Niessen has one for the books. She was tired of the smoke and stuffiness of night clubs, so she came to Hollywood to get away from it all. Practically as soon as she arrived she was cast in a night club picture. Now, she is planning to go to Honolulu to get away from it all again.

Personally, we like the shorter Hit Parade programs. In case you didn't know it, they are now only a half-hour long and have only seven hits. They also seem to be giving the orchestras a little more leeway in their arrangements.

The second of the Stokowski programs will be heard from the Curtis Institute of Music in Philadelphia. The broadcast will open with "Danse Macabre," by Saint-Saens. It will be followed by the vivacious March and Trepak from the "Nutteracker Suite," and the program will close with the Second Hungarian Rhapsody by Liszt.

Two hundred dollars was appropriated by the group for La Cumbre, and five dollars is to be given to the City Park Commission to help in the building of the annual Pasadena float.

Colliers Lists Yeager Among All-Americans

National Weekly Puts Gaucho
Pride on Honorable
Mention List

GAINS SECOND CREDIT

Magazine Names One Team
and Awards Others
with Recording

Howard Yeager, the swivel-hipped halfback of the Gauchos and considered one of the greatest running backs in the nation, was given justification of his numerous "first-handle" names describing his abilities as a football player by being given honorable mention on the Collier's All-American team for the second consecutive year and being the only player of a minor college eleven in the Far West to be honored.

Board Prominent

The Collier's board of selectors is considered to be the foremost authority in the nation on the picking of the honored team due to the fact that it was founded by Walter Camp, the originator of the All-American squad. They select only one team, the other players named received honorable mention for their outstanding work.

Yeager's Record Best

Yeager's record to date is one of the best in the country. He has played in nine games, carried the ball 92 times, gained 987 yards, lost 21 yards, has an average of 10.7 and has scored 78 points. If he makes enough yardage in the New Mexico game to go over the 1,000 mark he will have attained a total which few backfield men have reached.

All in all, "Howie" certainly deserves his recognition.

AGGIE LINEMEN DWARFS BESIDE GAUCHO GIANTS

With the toughest game of the year coming up in the form of a post season combat with the New Mexico Aggies, the Gauchos again present a weight average that dwarfs the opposing line and makes the enemy backs look like giants. The local line will start at 205 in comparison with the New Mexicans' 184 average. In the backfield the Staters' average of 174 will contrast with the 178 of the visitors.

With this 21 pound advantage the Gauchos, although one of the heaviest combinations on the West coast, will still have to be the first line to crush the New Mexico men before they can gain anything from figures. On the other hand the efficiency of a State line has proved that nobody could reach paydirt by a ground route.

Student tickets will cost 40 cents for this game as it is a charity affair. Because of the increasing demand by townspeople for tickets only 400 have been held for student demand.

HOOP PROSPECTS HAVE TALL TEAM

Although few lettermen are returning this year from last year's basketball team, the prospects for the varsity squad looks better than that of 1935-36.

The lettermen returning are headed by Bob Johnston, Tommy Lindquist, and Dave Rumbaugh. Coach Jones boasts of six men all of which are over six feet, and with transfers and the material up from last year's frosh things look bright for the underclads.

"This year we will schedule no games with "on the road" teams, such as the House of David and the Colored Ghosts," stated Captain Jones.

The first cut will be held sometime next week. A squad of 30 men are reporting every night. Jones intends to cut this group to about 15 or 16 men.

First string on the little college All-American! For the first time in Santa Barbara State college's history a member of the Gaucho football squad has received the signal honor of placing on Collyer's Little All-American, as Captain Doug Oldershaw, rated the finest linesman ever to perform on a Southern California Conference team, made the Collyer first team at guard. Second to the distinct accomplishment of Oldershaw's come the achievement of Howard Yeager, sensational right halfback, who was placed on the honorable list.

California Representative

Oldershaw was the only Californian to make the first string, and along with Karamatic of Gonzaga were the only two Pacific coast players on the first team Walter Dahlitz of Whittier was honored by being placed on the honorable mention roster.

The release of the small college All-American team was made by the Collyer's Eye and Baseball World sports mid-weekly publication, with the following story:

"As the open season is upon us, the million and one self appointed 'Walter Camps' have completed research work and are burning the midnight oil in an endeavor to segregate the \$175 backfield stars from the \$110 per month linemen for the mythical 1936 All-American.

"The age old custom of using the newspapers as a yardstick still prevails among the selectors and only the boys who cut into the headlines and performed on winning elevens come in for any consideration whatsoever.

"This honor team is composed of the eleven best college players in the United States—and is restricted to only small schools."
