## Gauchos Set for San Diego Battle Tomorrow

### State Coed Wins Place In Contest

Alice Benson Gains Final Round in WCTU Speech Tilt

Selected as one of five finalists to compete for a first prize of \$50 or a second prize of \$25, Alice Benson, winner of the Women's Christian Temperance union oratory contest on the local campus will enter the finals in the forensic tilt at Glendale Sunday. Miss Benson's subject will be the "Measured Mile," the same one used to win the \$25 first prize in the State college contest on November 2.

Miss Benson was notified this week by telephone that her manuscript was accepted by the general secretary of the Youth Temperance Council. State students who competed in the final round of the W.C.T.U. tournament were Vernon Duncan and Dorothy Daniel.

#### Ten Entries

Ten debate teams have already signed up for the intramural tournament, the first round of which will take place Tuesday evening, according to W. Charles Redding, speech instructor in charge of arrangements for the event. Entries will be received until Monday, with the competition open to any student with the exception of varsity debaters.

The teams registered include independents Belan Wagner and Eudice Harkreader, Lloyd Borstelmann and Pat Kelly, Gerald Page and Leo Snedaker, and from campus organizations Elbert Phelps and Bill Lambourne, Sigma Alpha Kappa fraternity; two teams, Bob Scalapino and Waldo Phelps and Marion Blake and Norman Becchio, representing the International Relations club; Marjorie Marshburn and Helen Ferguson, Areta Gamma sorority; and Bob Williams and Frank Douglas, representing Alpha Phi Gamma, honorary journalism fraternity. Entries from Alpha Phi Omega and the Gnome club have also been received, but the debaters have not as yet been decided upon.

The question, chosen by the forensic council is "Resolved: that all male citizens of the United States should refuse to take arms unless the nation or its possessions is actually invaded."

Debate teams will be given a choice of negative or affirmative sides, except in the case of late entrants who may be assigned sides if one or the other has been selected by too many teams.

### Relations Club Hears Talk

Emphasizing the fact that international peace will come only through action of the League of Nations to punish aggressor nations, Dr. Clark Eichelberger spoke before a large audience Tuesday evening at the Chamber of Commerce auditorium.

Approximately fifteen International Relations club members attended the lecture with Dr. Harry Girvetz, club adviser.

Prominent in the plea for world peace campaigns, Dr. Eichelberger is director of the League of Nations association in the United States. In his impressive speech, he condemned the Munich four-power peace pact and charged Premier Neville Chamberlain with making unnecessary concessions to Germany in the recent Czechoslovakian crisis.

### 68 Faculty Members Honor Miss Severy's Quarter Century Of Service at State College

Miss Hazel Severy now in her twenty-fifth year as an instructor at Santa Barbara State college was hon-

MISS HAZEL SEVERY

ored by the faculty last night at a dinner at La Cumbre Country club. Miss Winifred Frye, toastmistress

for the evening, presented her with a silver cross on behalf of the faculty. The office staffs presented her with a corsage of gardenias and lilies of the valley. William Peters and Harrington Wells, both of Miss Severy's department, offered tributes. A talk by President Phelps was read by Mrs. Phelps since the President is in Sacramento.

Miss Severy is one of the four members belonging to the "old guard." Mrs. Ebbets, Mrs. Abraham, and Miss Frye are the other three. Miss Severy came to Santa Barbara in the fall of 1914. She headed the science department which began to function then for the first time.

A Stanford graduate, Miss Severy received both her B.A. and M.A. degrees from there. Before coming to Santa Barbara she was head of the chemistry department at the Pacific College of Osteopathy, where she was awarded an honorary doctor's degree in that science.

Since coming to Santa Barbara Miss Severy has been in numerous activities. She is the President's official representative on student committees, she is head of the credentials committee, head of the Science department and adviser for many other activities.

### John Austin Assumes Welfare Job

Associated Students Council Appoints Band Director

Final confirmation on Student Body President Doug Duckham's appointment of John Austin to the position of chairman of the Welfare committee was given by the Associated Students council Wednesday afternoon at a special meeting. The meeting was called to replace the regular gathering of the group that had been set for last night.

The appointment of Austin was made to fill the vacancy that had been left by the resignation of Bill Russell from the office. Russell had given up the job in order to apply for the post of chairman of the Finance committee several weeks ago.

#### Is Band Director

Austin's application was the only one submitted to Duckham. His chief bid for student recognition this semester has been through his handling of the State college band. Serving as student director, he is responsible for the introduction of swing music played at the football games and has worked out the numerous band stunts that have entertained the rosters between halves.

Recently an NYA worker and an assistant director were added to the business staff of the musical organization, thus relieving the director of much of his former work. For this reason Austin applied for the welfare position.

#### Russell Announces Plan

The only other item of business taken up at the council meeting concerned a plan to be introduced by the Finance committee to educate College students in the workings of the financial end of the student body organization. A brain child of Bill Russell, the committee will begin the plan at the next student council meeting in order to indicate the details of the accounting system. According to Russell, any student may accompany the council on the tour.

At the beginning of next semester, El Gaucho will print a series of articles designated to carry complete information of the finance system to the students. If this plan is successful, a pamphlet may later be printed for distribution among downtown merchants.

### 'Book Sales Show Jump

Over 770 handbooks have been sold, according to Margaret MacKellar, editor. This shows an increase of 120 sales over last year's 650. The books have been on sale for ten cents for the last three weeks and for the next few weeks they will be sold in the graduate manager's office. The publication contains the constitution, the faculty and student directory, general information and traditions of the school.

Instead of the customary two editions, this year's handbook combined the freshman traditions and general information with the constitution and directory. It is thirty-two pages larger than any former edition and is bound in leatherette instead of the paper covers used for the past few years.

The staff consisted of Margaret MacKellar, editor; Peggy Glassford, assistant editor; Walt Bradbury, advertising manager.

### K.-P. Frat Holds Pot-luck Dinner

The Eta chapter of Delta Phi Upsilon, national kindergarten and primary educational fraternity, held a pot-luck dinner, followed by a business meeting at the Phi Kappa Gamma sorority clubroom, Wednesday night, November 16.

Plans for a trip to the college cabin at Paradise camp were discussed, but remain tentative. Dorothy Roberts, Gwelda Loyd and Catherine VanDer Kar received a special welcome, as this is the first meeting since their initiation of November 5.

The meeting closed with Miss Edith Leonard, head of the K. P. department, expressing a desire to see the organization live up to the ideal of leadership in practice as well as name.

### Locals Seek to Avenge Past Defeats; Huge Frosh Bonfire Highlights Pre-Game Activities

Elliott Directs Kindling of Annual Blaze

Rally in New Stadium Follows Lighting of Fire; Dance Later at Armory

Setting ablaze traditional rivalry, Santa Barbara State college prepares for San Diego tonight at 8 with a bonfire and rally on the beach near new La Playa field. Construction of the huge fire was under the direction of the freshman class with frosh president Bill Elliott supervising. Neophytes have guarded the piles of rubbish and wood all week from an expected Aztec foray.

In full sight of the blaze, Gauchos will gather in the concrete stands lining La Playa field for a rally. Featuring the affair, the Gaucho band, under the direction of Robert Louis Barron, faculty conductor and John Austin, student director, will present a program of varied songs.

#### Jones Speaks

To further arouse Gaucho spirit, inspirational talks will be given by Captain Paul Avery Jones, dean of men, Harrington "Pop" Wells, science instructor, Don Follett, graduate manager and members of Coach Spud Harder's varsity.

During the program by the local band, a community sing will be conducted, with a group of old fashioned and modern songs as well as songs of the college billed. Leading the vocal selections will be song leaders Harriet Ridenour Richards, Gracie Williams and Beryl Davidson. Yell leaders Bud Burdick, Jack Richards and Redman Beatley will handle Gaucho cheering.

#### Dance Follows

Immediately following the bonfire-rally, a Gaucho community dance will be held at the National Guard armory. Admission for State collegians will be by student body book and the payment of 25 cents. Regular admission charge to the Armory is 40 cents.

As an escort for the 500 Aztecs arriving from San Diego, local followers will meet the special train carrying the southern rosters at 1:30 p.m. tomorrow at the Southern Pacific depot. From the station, the visitors will be escorted to the stadium for the Gaucho-Aztec gridiron classic.

In charge of arrangements for the entire program are the rally committee, headed by Harry Sloan and the freshman class, under Elliott and Ray Kent.

### Staters Hold Gym Meet

With over thirty-five State college students attending the Recreation night in the college gym, one of the most successful programs of the series sponsored by the W. A.A. was given Wednesday evening November 16 from 7 to 8:30. Jessie Lady acted as student director while Miss Elsie Pond and Mrs. L. J. Hodgins acted as faculty sponsors.

Plans were made for the next meeting to be held Wednesday, November 30, in the gym. It is possible that there will be outside lights for this gathering. Written record of all persons attending, was kept for the first time.

Games played were badminton, deck tennis, paddle tennis, ping-pong, table tennis and Chinese checkers.

### Mathias Presents Last Organ Recital

The last Mathias organ recital is to be presented Sunday afternoon, November 20, at 4:00 o'clock in the school auditorium. This is the first series of classical organ recitals ever to be presented on an electrical organ, according to William Mathias, organist.

Included in the program are the famous Wedge Prelude and Fugue by Bach, Choral Prelude by Pachelbel, the Choral Prelude by Brahms, Cantabile by Jongen, and the Choral in A minor by Franck.

Chief Fire Man . . .

Bill Elliott, with the aid of Ray Kent and numerous other freshmen, is responsible for construction of the bonfire to be set off tonight just previous to the rally at La Playa field.

### Staters Fete San Diegos At Rockwood

Following the boom lowering ceremonies at La Playa field tomorrow afternoon when the Aztecs invade Santa Barbara, Gaucho rosters will entertain the southern collegiate body at Rockwood from nine to twelve with a student body dance. Frank Greenough and his orchestra will furnish the music for the evening according to Bill Lambourne, social committeeman.

Reports of the crowd coming from the border city indicate that a large number of San Diego Staters will be on hand for the dance. Plans are being made for one of the largest receptions of the year at Rockwood. According to Betty Palmaymes, social chairman, it is not certain that the San Diego football squad will be allowed to attend as they are scheduled to depart right after the game. Coach Harder will allow his team to be present.

Alpha Theta Chi and their guests will act as hosts for the evening. Various organizations have rotated in the capacity of hosts for each student body dance. Ellen Seymour, sorority president will be in charge of this work. All members of the sorority will assist.

Sponsors for the evening are Mr. and Mrs. Harold Davis, Dr. and Mrs. Elmer R. Noble, Miss Della Haverland and Mr. and Mrs. H. N. Berger.

### Service Fraternity Hears Teacher Talk

Alpha Delta Chi, elementary education honorary service fraternity, went "In and Out of Fourteen Countries" with Miss Lorraine Cain in an informal talk heard at the organization's meeting Wednesday night, November 15, at the Beta Sigma Chi house on Cheltenham road.

Miss Cain, a teacher at the Jefferson elementary school, stressed particularly her impressions of the dictator countries as they were when she visited them last summer.

Formal initiation of pledges will be held at six o'clock at El Cortijo on Tuesday, November 22. The pledges are Rosalind Beebe, Margaret Mellinger, Mabel Forsyth, Norma Pratt, Rosie Pagliotti, Sheldon Beeson, Jessie Lady, Harriet Charnholm and Joan Schmidt.

#### VENDER JOBS

All men who desire work as refreshment vendors at Saturday's game, should report to Les Barnwell at the refreshment stand Saturday at 12 m., according to Cliff Romer, manager of concessions.

Due to a lack of men willing to work, Romer states, he has, in the past been forced to hire other than State college men.

### San Diegan's Record is Impressive

Santa Barbara Squad Seeks Second Win; Visitors Have Won 9 of 11 Encounters

"Lower the Boom on the Aztecs" is the battle cry of the Gauchos as they prepare for their big game with San Diego tomorrow on La Playa field before what is expected to be a capacity crowd. The border city eleven comes to Santa Barbara with an impressive record and a grim determination to make it three in a row over the Green and White. They have won five, lost two and tied one this year.

With the realization that they can still make a success of their season by dumping the Aztecs, the Gauchos have been holding secret practice under the watchful eyes of Spud Harder and Willie Wilton. Four secret sessions have been held away from the prying eyes of possible San Diego scouts.

#### Great Improvement

After last week's fine showing against Cal Aggies, the Gaucho followers have mounted the band wagon and are predicting great things of this team that started slow but seems destined to turn on the heat and come roaring down the home stretch, sweeping all opposition aside. It took seven games for the Gauchos to get clicking, but once started, they will be hard to stop.

Freddie Monson, hard hitting State quarterback, is still on the shelf and it is doubtful whether he will see much action. Injured in the Arizona game, Howard Joham, sturdy Gaucho wingman, is definitely out for the season. This is a blow to the Green and White hopes of a victory although big Al Sprague, who

(Continued on Page 4, Column 2)

### Artists Perform On Programs

Tom Kelly, director of the Artist bureau will sing "The Stranger of Galilee" at the Young Peoples' meeting of the Presbyterian church, Sunday evening.

Three different programs have been presented by members of the Bureau during the past week.

The three dancing teams, Dorothy Emerson, Don Estey, Maxine Sudbury, Frank Jones, Genevieve Nordli, and Redman Beatley, gave an exhibition of swing steps at the Masonic temple, Tuesday evening, at 8:45 p.m. Frank Greenough furnished the music.

Wednesday night Jimmie Stanley gave piano entertainment for the Native Daughters of the Golden West at the Veterans' Memorial hall. His numbers included "I Can't Get Started," "Finesse," and "A Little Kiss at Twilight."

Those artists who performed for the A.W.S. assembly Tuesday, were representatives of the agency. They included Janine Ruperts, Dorothy Emerson, Vernon Duncan, Cecile Katz, Josephine McBride and Mildred Fabing.

"The Bureau has been functioning very successfully and some big programs are in view for the near future," stated Kelly today.

### Calendar

8 p.m.—Bonfire-rally, La Playa field.  
9 p.m.—Tri-department semi-formal, Rockwood.  
Tomorrow—  
2:15 p.m.—San Diego vs. Gauchos, La Playa field.  
9 p.m.—After-game dance, Rockwood.  
Sunday—  
4 p.m.—Organ recital, auditorium.  
Monday—  
3:30 p.m.—A.W.S. Tea-dance, Quad.  
7:30 p.m.—Fraternity meetings.  
Tuesday—  
2nd hour—Radium assembly, auditorium.  
Wednesday—  
12:20—School adjourns for Thanksgiving holidays.

### The News in Brief

WASHINGTON, Nov. 17—Greatest commercial agreement in recent history was achieved today when the United States and Great Britain signed a trade agreement establishing new economic ties. America, whose total trade is \$1,500,000,000 a year, signed a treaty with Canada at the same time.

In a brief address at the ceremony, Secretary of State Cordell Hull, said the agreements "furnish concrete and powerful support for a future trend of world developments along the lines of increasing understanding and cooperation among nations."

PITTSBURGH, Nov. 17—With a unanimous vote, the Committee for Industrial Organization today decided to boycott the products of Henry

Ford, motor manufacturer, unless he consents to bargain collectively with the C.I.O.-affiliated United Automobile Workers Union.

In outlining its program at the organization's national convention, the C.I.O. indicated it would take action on proposals endorsing the New Deal and calling for a third term for President Franklin Roosevelt.

BERLIN, Nov. 17—Further carrying out the wave of recent anti-Semitic violence, the German government, through Der Angriff, official organ of propaganda minister Dr. Joseph Goebbels officially announced that all Jews would be driven from their homes in Germany. Provisions of the decree were expected to be issued shortly.

### Are you ready, Gauchos?

Tomorrow is your big game. The Aztecs or Red Devils of San Diego State are coming north strong with every intention of giving you the trimming of your life.

### Rooters Must Prepare to Match Aztec Cheering

Following the Aztecs will be a special train of supporters and caravan of cars that will give a total of at least one thousand rooters.

The only suggestion we have to make is that the rooters start "following" the Gauchos. The two ways they can do that is to join in the organized yelling and to sing the Alma Mater.

### Recall of Wilson Emphasizes Need For U. S. Action

Other grave problems have contributed to this action. Germany has already impaired American trade considerably in Central Europe; even more dangerous is the fact that Germany has definite ambitions in Latin America.

The sequence of events in Europe leading up to Wilson's departure—the fact that he was recalled—the ominous future of American-German relations should make unmistakably clear America's position in the world.

## Clip Snips

- Poor Lamb: Mary had a little lamb...
Summer Vacation: Bill: Gee, Sis. I thought I asked you not to tell mother what time I got in.
Give Him Time: His first day on the job, the colored hallboy dashed excitedly up to the register desk.
Too True: A bachelor is a guy who didn't have a car when he was young.

## SNAP THAT WHIP GAUCHOS!!

## FLUX de BOUCHE

The correct pronunciation of the title of this column is "flew duh boosh." Literally translated, it means "flow of the mouth" or something like that.

What hurdles from the "ash can" of the south has been constantly seen in the shadow of one of our most popular coeds? ... Dorothy Emerson, queen of nugget gulch ...

### 'With Malice Toward Some' Gives Poor Picture of Britain

'WITH MALICE TOWARD SOME' By MARGARET HALSEY ... of six months that he is speaking with a broader "A" than an Oxford graduate and talking about "lifts" and "braces" rather than elevators and suspenders.

Margaret Halsey, who writes under her maiden name, went to a small university town in England with her husband who was an exchange professor. Her book, which is the published diary of her first six months abroad, contains little besides criticism of the English people, the English climate, and the English customs.

### Popular Art Of 'Gripping' Important

"Gripping" as a literary form is becoming more and more important in the realm of scholastic literature. ... t'll be no editorial against Let not this beginning get you down such practices ... we're all for it.

Opinionated Medium It has lately become a medium through which students' opinions are expressed to other students. Something takes place ... people don't like it ... people say so, and some journalist or embryonic journalist beats out a few inches of copy filled with biting sarcasm directed at the cause of the gripe with more or less of his own degree of subtlety.

No Limit Seems like a good place to stop, but as you no doubt realize, everything connected with college has a few gripes. Of course, like all good things, this can go too far.

### Bonfire Men Have Trouble

"Got any old rags, boxes, crates? Nope, not the picturesque old junk man; just our own State freshmen trying to collect things for their annual bonfire. And they're not particular, they'll take anything that will burn.

A small group of sophomores are always present at each year's construction. Always superior, always condescending, but never of actual help, they talk a lot and don't say much ... "Now last year when we made the bonfire, we were at least twice as far along at this time as you are. You're not doing that right. Last year we did it this way ..."

Case School of Applied Science has a new 160,000-volt radiographic machine for the detection of flaws in metals. ... First U.S. college course in quality statistics has been instituted by Massachusetts Institute of Technology. ... Yale university's "community chest" has raised more than \$350,000 in 16 years.

Girls Sweaters Slip-overs and Cardigans \$1.95 up Colors—Teal, Navy, Rust, Green, Brown, Wine WESTLUND'S Sporting Goods Company 1121 STATE

the Syd Lower the Boom The One Acts Flaming Youth—1938

Coach Spud Harder's young gridiron stalwarts will have completed a successful season tomorrow afternoon if they knock over the highly touted Aztecs from San Diego.

Many of the seniors we know have been hoping for years, only to be disappointed when the touchdown payoff came around. One fellow, whose home town is San Diego, has been hanging around the local institution for four years without daring to go home in the face of the jibes and jeers of his fellow townsmen.

Just before one of the earlier games this season we talked things over with George "The Greek" Valos, the little Green dynamo who is a mass of bruises from one week to the next.

That night, the Greek tore and smashed his way, making impossible tackles, getting up from the bottom of every pile-up, fighting his heart out for a losing team.

After a period of scrambling about in the selection of plays, directors and casts, it seems as though the one act play program scheduled by the Speech Arts department is finally under way with rehearsals taking place steadily.

Appealing to us is the polished fashion with which the local showshop's presentations are put over. And with the able direction the productions receive, it is easily understood why they are so polished.

To our mind, no such experience can be received by participating in a play under faculty supervision. One of the plays scheduled for presentation on the campus, "Blood on My Hands," was written by a student, Bob Hatcher.

Mother Earth gets a gigantic hot-foot tonight when El Gaucho marches to La Playa field to rally round the bonfire, to sing, to yell and to cry for an Aztec scalp.

### 'The Cowboy and the Lady' Features Acting, Dialogue

Clever dialogue, excellent acting, and a "close to the heart" story merit a good deal of praise for Samuel Goldwyn, producer of "The Cowboy and the Lady." This play, written by S. N. Behrman and Frank R. Adams for the screen, is "made" for Gary Cooper—there is no doubt about it.

A Sure Bet --- After the game or dance a Kerry's Varsityburger will hit the spot KERRY'S VARSITY FOODS 1122 STATE

# Le Voici

By JERRY FERRIS

**GOSSIP**  
Seems to be the thing of the hour and since I never was one to resist temptation, I'll bow to the great god back fence and sneak a few gabs in too.

**FUSS-FUSS**  
About this Orson Welles broadcast that attracted attention all over the land . . . The Syd listened in and then came and told me he just heard a pretty good broadcast, the source. Anyway, Life saw fit to picture the life of Welles from the sweetest, pudgy little three year old straight on up during his career as the "Shadow" of radio, an ugly Svengali, a distorted Richard III, a ghastly Tsar Paul, a glassy eyed Faustus, a wrinkled, dishevelled Captain Shotover and the murderous Saint Just in his current play in New York.

**FRANCIS**  
Johnson and Robert Perry of the cast of "Blood On My Hands" all ways rush our poor dear Mr. Fullerton at rehearsal time because they manage to dream up some sort of a heaven-rendezvous down on East Pedregosa street following each rehearsal night. Not mentioning any names of the chased-after, but the acquaintance all came about at a nice little house party following the "Kind Lady" last night.

**SONGS**  
That really pack something were the cause of the depletion of my purse hier. "Who Blew Out The Flame" by Mitchell Parish and Sammy Fain was originally featured by Ran Wilde and his orchestra; "At Long Last Love" by Cole Porter and Robert Katscher from his production of "You Never Know"; and last but not first, "My Reverie" a steal from Claude Debussy's "Reverie" by Larry Clinton. These songs exemplify America and Americans. They freshen up our own idea of us, at least they do to me. The first and last ones, anyway are destined to live as and maybe even the "long last" mel-top favorites for a long long time they will float along for a while.

**SNEAK**  
Preview at the newest production in the one-acted play series. I took the other night. I couldn't resist checking up on the ambiguity that nine women were working in harmony and agreeing well enough to produce a play. But there it was and the only reason the rehearsal was going so well was the fact that there is so much of an outlet for pent up feminine feeling described in the script of "A Woman of Character," that the poor dears don't have time to quibble among themselves. This is a riotous comedy and should prove one of the funniest ever played on our stage. Here's why: it is a meeting of a group of wives in their literary club with one of the juiciest bits of scandal to monger that has happened in Podunk for some time.

## Annual Tea on Tap For Social Sorority

The Delta Sigma Epsilon sorority will give their annual tea for all campus sororities, at the Delta Sig sorority house, from 3 to 5 p.m. Sunday, November 20. Dean Lois Bennink and Miss Florence Clark will also be guests.  
Flower selections and other decorations will carry out the autumn theme. Jean Anglemyer is responsible for the decorative arrangements. The heads of other committees are as follows: Helen Williams, invitations; Jean Clausen, foods; Alice Graham, properties; Alice Goff, clean up; Sally Entz, tea table. Virginia Rogers, Delta Sigma Epsilon president, Joan Schmitz and Gwynne Sydney will be in the receiving line.

# 3 Departments Unite For Semi-Formal at Rockwood Tonight

Industrial Education, Home Economics, Elementary Groups Plan Unique Affair; Greenough's Orchestra Furnishes Music

Tonight at nine o'clock the combined Home Economics, Industrial Education and Elementary departments will hold a semi-formal dance at Rockwood.

Plans for the dance were made by a committee consisting of Richard Moore, president of the Elementary department, Mabel For-

## Directs Dance . . .

**First Function**  
The three organizations combined for this event in order to make their first function of the year a gala affair. The dance will also offer an opportunity for the new members of each department to become better acquainted with the students in the other departments.

Dancing will begin at nine o'clock with music supplied by Frank Greenough and his orchestra. For all those who do not care to dance there will be a supply of games and other entertainment. Refreshments will be served later in the evening.

**Free of Charge**  
All members of the three departments and their guests will be admitted to the dance free of charge. Faculty sponsors for the evening will be Miss Jean Krueger, head of the Home Economics department, Mr. E. E. Ericson, head of the Industrial Education department, and Mrs. Laura S. Price, head of the Elementary department.

According to Woodhead, it will be the first time that the combined departments have united for a dance of this kind. If the affair is successful, the sponsors plan to make it an annual dance.

Woodhead states that bonfire-rally at La Playa field will not conflict with the time of the Rockwood gathering as the former will end at about 8:30.

## AWS Affiliates Take Part in Xmas Work

A varied group of activities being undertaken by a number of women's organizations on the campus was reported to the A.W.S. executive board at the last meeting. Kappa Omicron Phi, W.A.A., the Home Economics department and several sororities are aiding Neighborhood house in the preparation of Christmas gifts.

The A.W.S. and A.M.S. will sell Christmas tags this year. The sale will start a week before Christmas vacation and proceeds will go to the needy.

## RUG DISAPPEARS

Winifred M. Frye wants the person who removed the brown wool rug from the store room on the first floor of the Home Economics building to return it at once.

## Vacation

Thanksgiving vacation will begin for Santa Barbara State college students Wednesday, November 23 at noon, and will continue until Monday, November 28. School will close right after 5th period in order to enable the out-of-town students to get home in time for Thanksgiving.

Because of the shortened schedule to be in effect there will be no publications of El Gaucho next week.

## Hile Selects 'Craig's Wife' Cast Today

11 Parts Open to College Students; Instructor Also Chooses Technicians

Casting for "Craig's Wife," second presentation of the Little theater season will take place this afternoon from 2 to 5 o'clock in the Administration auditorium with Frederic W. Hile, speech arts instructor, supervising the casting. Technical positions on the production staff will also be opened at this time and selection of both cast and staff will be announced on Monday.

Parts will be opened to eleven players with six of the parts going to women Thespians. Lead roles are Mrs. Craig, a self-centered woman who is in love with her home and doesn't bother with anything or anyone else—even her husband, Mr. Craig, who is an easy going type of fellow who likes to relax in his easy chair after his day's work is over.

## Female Parts

Other female parts are a young college girl, an elderly woman who isn't afraid to say what she thinks, another elderly woman who despise her age is attractive to men, and two household servants, one slightly older than the other, who provide comic element in the play.

Male roles besides Craig are small but important. One is a young college professor, fiancee of the young girl; there are also two detectives from the police department, typical; and finally, a friend of Mr. Craig's who has a very good scene in the play.

## 3 Night Run

Work on the show will begin immediately and the three night run is scheduled for January 18, 19 and 20. The success of the play, according to Hile, should surpass the excellent reception accorded "Kind Lady." It is written by George Kelly, one of America's leading playwrights. Hile is adapting the staid, conventional setting that has been used in the past to a modernistic set.

All students of the college are eligible to try out for the parts in "Craig's Wife" but Hile says that

# Gable Talks On Radium Tuesday

Chicago Authority Tells History of Metal at Assembly

Dr. Luther S. H. Gable of Chicago will present "The Astonishing Story of Radium" in the College auditorium Tuesday morning during second hour as the fourth feature in the A.S. assembly calendar, according to an announcement made today by Jimmie Fullerton, director of assemblies. The assembly will be an unusual event with one of the world's outstanding authorities on radium telling the thrilling story of its history. His lecture includes the tragic experiences on his radium expedition when new deposits were found in the United States and abroad. A second expedition through 3000 miles of Arctic regions to explore the world's greatest radium deposits on the Arctic circle is another highlight of the talk.

## Gives Refining Process

Gable describes the refining of the precious metal, explaining how one gram is obtained from more than four hundred tons of its ore.

He will further demonstrate the instruments used to apply radium. Emphasizing the great commercial possibilities of harnessing atomic energy and to open an entirely new source of power through the magic key of radium, he states that this metal will revolutionize our systems of transportation, communication and lighting. The talk will give a vision of the new and greater civilization into which we are now entering.

## Passes Through Audience

Dr. Gable carries his own designed "alphascopes" which safely protect real quantities of the beautiful, scintillating, fiery radium which will be passed through the audience. Each student will be allowed to hold a radium box in his hand and observe a sight of perpetual motion and atomic energy never to be forgotten.

Last spring, Metro-Goldwyn-Mayer released throughout the nation Dr. Gable's motion picture of the story of radium.

preference in cases of close decisions will go to upper classmen and sophomores as the freshmen have semi-annual one-act play series in which to participate.

**Come to Look . . . Stay to Shop!**

We're exactly that kind of a store! Come in, look around, we're glad to have you and you don't have to buy a thing. At a glance you'll know our fashions are newest, smartest—but they don't "come high." See how very little it costs to be well dressed—and when you're out for "something different" in a frock — something NEW in accessories — something exciting in a hat — come to Trenwith's. We'll send you home thrilled with your savings — delighted with your purchases. Self-praise we know, but deservedly so. Our prices are LOW for fashionright clothes.

The Test of More Than SIXTY YEARS Shows It Pays to Sell QUALITY!

## Crowd Pleaser . . .

San Diego fans have been amazed at the rapid rise of Morris Siraton, Aztec halfback, during the past season. This little man has served as the spur of his team's attack all year, thus causing the demotion of Glenn Zinser, regular ball packer of last season, to the second string.

## Follett Expects 7,000 Fans at Gaucho-Aztec Battle Tomorrow

The prediction that approximately 7,000 grid fans will trek into the new La Playa field to witness the San Diego tilt tomorrow afternoon was made by Graduate Manager Don Follett yesterday who expects the greatest attendance of the current season.

Basing his statement on the fact that the Aztec conflict will be the most colorful of the year, Follett is sure the record of 5,000 fans at the Oxy game will be surpassed.

The Homecoming day classic with San Jose drew a crowd of approximately 4,000 bleacherites to closely approach the Oxy figure.

Follett blamed cold weather on the meager handful of football fans

who attended the Cal-Aggie game last week. Only 1300 people shivered through the struggle.

The Gauchos will be attempting to chalk up their second win over the Red Devils from the south. Since the series between the two schools began in 1923 San Diego has won nine of the eleven games, Santa Barbara one, and one game was a tie.

State's one win came in 1932. The score was 6-2. One of the principle reasons the Gauchos will be seeking a victory is to avenge the 9-8 defeat handed them in 1936.

BECKE BETS

By FRANCIS BECCHIO

BECKE BETS

Lower the Boom on the Aztecs! Santa Barbara State's 1938 battle cry for its big game of the year with San Diego State. And we are certain that one and all on the campus hope that our war chant will culminate in victory for the Gauchos grid warriors.

Have we a chance to lower the boom on the favored Aztec eleven? We assuredly have and from the vim and vigor exhibited in workouts this past week we are confident that the players will take care of their end of the task satisfactorily, but will we, the student body, do our share?

It's going to take 100% support from the student body to upset Coach Leo Calland's lads and this is no idle prediction, for the Gauchos are going to need every bit of inspirational encouragement a LOYAL student body can inject. You need not take the word of yours truly for the above statement of fact, but query any of the players or Coaches Spud Harder and Willie Wilton.

All this smacks of repetition of a plea for support of the grid team made by this columnist at the start of the '38 campaign. It may be so, but repetition prompted by the discouraging turnout of students at last Saturday's Cal Aggie game—a turnout, which if not improved upon tomorrow would positively eliminate all chances for a Gaucho victory. Yes, that's correct. A live, active inspiring, loyal student body is as vitally essential to a team's success as any other one factor which goes to make up a well-balanced aggregation.

Let's turn out in record numbers for tomorrow's game and do our share in chalking up the Gauchos' second football victory over the Aztecs. They'll need plenty of help in "LOWERING THAT BOOM."

OUT ON LIMB

And now that that's off our chest, yours truly is going out on the proverbial limb and tab the Gauchos for a 13-7 victory over the Aztecs to salvage a disastrous season and become the first Santa Barbara State eleven to "lower the boom" on the Border City gridsters in six years.

Each and everyone of the team members would treasure a triumph over the Aztecs more highly than victory over any other opponent on the schedule. The Gauchos realize that victory will be sweeter than ever at this particular time and would prove soothing balm to the wounds of many defeats—and they are determined to be soothed. We may be "nerz" but our hunch still is 13-7 with the Gauchos on top after one of the most bruising battles waged on La Playa field.

Pomona Seeks Title In Game With Oxy

Needing a victory to clinch the 1938 Southern California conference crown, Pomona college's high flying footballers clash with Occidental Saturday on the Bengal field. Kickoff is at 2:15 p.m.

The annual Tiger-Sagehen battle is one of the most traditional on the Pacific Coast and is always a tooth-and-nail affair. Although Pomona is heavily favored to nab a win, past records have shown that the dose sheet can be thrown into the ashcan when Oxy and Pomona mix it up.

The Tigers were underdogs in 1936 and last year, but both times they came through to spring an upset. And they'll be out to do exactly that on Saturday.

Gauchos Set For Annual Aztec Battle

Red Devils Show Fine Record; New Lineup for Locals

(Continued from Page One) took over Joham's spot, has been improving daily and looks to be in perfect shape for sixty minutes of rough and tumble football.

Jessup Improving Bill Jessup, Sprague's running mate at the other terminal spot, is living up to early season publicity and has been turning in adequate performances each game. Lynn Graham and Tex Magnus are being held in reserve so San Diego cannot expect much yardage around the flanks.

Two other elements in the Gaucho line which loom as a sure thing are the dynamic guards, potential Little All-American George Valos and DeWitt Trewhitt. Both these boys have proved beyond a shadow of doubt in past games their ability to handle their positions satisfactorily. Trewhitt seems to have taken a new lease on life and is playing the polished ball of a veteran performer. He and Cliff Romer have been waging a battle for starting honors, and it is doubtful who will get the nod.

Tackles Ready "So goes the tackles, so goes the team." A statement that can be applied to the Gauchos. Marv Palmer and Ed Larsen, Santa Barbara tackles, have had to take a terrific beating game after game without ample replacements, but both are in excellent shape at present and are ready to throw the boom on the San Diego backs. Blynn Wilson, dependable Gaucho center, will take care of the pivot position along with Terry Denley.

The Gaucho backfield will consist of Forrest Gardenhire at quarter, Mickey MacArthur at right half, Bill McArthur at left half and Peirino Merlo at full. This quartet is a well balanced unit combining speed, passing, blocking and kicking. A potential touchdown combination via the airplanes is Merlo to Bill McArthur.

In last week's game Mickey MacArthur had the best ball carrying average but was overshadowed by the spectacular work of Bill McArthur and Gardenhire. Mickey averaged seven yards per crack on running plays.

Poor Showing In eleven games between the two institutions, San Diego has emerged the victor nine times, Santa Barbara has won once and one game was a tie. San Diego's highest score was 42-6 in 1924. The Aztecs have rolled up 166 points in the eleven games against 59 for Santa Barbara. One of the coast's outstanding upsets was recorded by the Red and Black in 1936 when they downed the highly touted Gaucho team 9-8 in a holy contested encounter.

Captain Walt Harvey, star fullback, and Glenn Zinser, fast moving quarterback, are the chief Aztec ground gainers and are expected to lead the border city gridsters to victory. Al Vanoni and George Bailey, watch charm guards, are the standouts in the San Diego forward wall along with Ben Hammerschmidt, huge tackle.

ALUMNI MEET GAUCHOS

Plans are now well formulated for the Gaucho-Alumni football classic to be played next month as a benefit game.

Gauchos All Set to 'Lower the Boom on the Aztecs'...

Runners Meet Los Angeles

Santa Barbara's cross-country team will face its toughest competition of the season when they run against Los Angeles City college tomorrow morning at 11 a.m. The race which will stretch over two and one-half miles starts at Phelps field, extends to Alamar and back to the field by way of the Museum.

Berry and Cesaris, of Los Angeles led their team to victory over U.C.L. A last week and are expected to place first in the meet tomorrow. The Santa Barbara squad is hoping for victory by a point margin that will give a perfect record for the season.

Ericson and Beckman are both ready to run as are Leo MacDonald, Claus Pfizner and G. Morton Reiter. There is some doubt about Bill Woody who has a pulled tendon and George Soule who has an infected foot.

Final meet of the season will be against Long Beach junior college, Wednesday, on the Long Beach three-mile course. The entire team with Fugimoto as manager will travel to Long Beach for this meet.

1938 Gaucho, Aztec Records

The 1938 records of the Gauchos and Aztecs reveal that the Border city lads have won 4 games, lost 2 and tied one, while the Hilltoppers have won only 2 and lost 6.

The detailed records follow: San Diego 29 U. S. S. New Mexico 20, 8 Occidental 0, 6 Whittier 6, 0 Pomona 9, 14 Redlands 7, 0 San Jose 14, 9 Marines 0.

Santa Barbara 0 Occidental 6, 13 Greeley 0, 0 U.S.F. 14, 3 Willamette 6, 0 Whittier 3, 0 Tempe 10, 0 San Jose 20, 18 Cal Aggies 6.

Notre Dame Leads Nation's Grid Teams

In the recent poll of sports writers throughout the United States, Notre Dame and Texas Christian university were out in front for national honors, with the Irish getting the edge.

Notre Dame has two tough hurdles to overcome become claiming the title, Northwestern tomorrow and U.S.C. December 3.

Fresno Final Foe for State

Santa Barbara State's Gauchos wind up their regularly scheduled games for this season Thanksgiving day in Fresno where they will meet the powerful Fresno State Bulldogs.

The Fresno contest will mark the 1938 Homecoming tilt for the valleyites and a crowd of over 10,000 is expected to witness the battle.

Last week against the strong University of San Francisco Dons, the Bulldogs surprised their backers by holding Coach George Malley's eleven to a 14-6 score.

Coached by James "Rabbit" Bradshaw, the Bulldogs have won five games and dropped two this season. Besides losing to U.S.F., the Fresno gridsters were on the short end of an 18-13 score in the College of Pacific fray.

The Bulldogs defeated the U. S. Marines 34-14, Cal Ramblers 27-7, Arkansas State 34-0, Cal Aggies 34-7.

This Saturday the Bulldogs meet the University of Hawaii at Fresno.

Jaysee Vikings Oppose Coach Danny Mulock's Gauchito Pigskinners

Greenies Intend to Keep Recent Victory String Intact; Cleo Goyette Main Cog In Freshman Team's Offensive Attack

Intending to keep their recent victory string intact, the Santa Barbara State college freshman football squad will leave here at one o'clock for their final game of the current season with the Long Beach junior college eleven on the Viking field tonight.

Leading the Gauchito attack will be spindly legged, triple threat halfback Cleo Goyette. Cleo's greatest asset is his expert pigskin tossing. Last week in the game against the U.S.S. West Virginia crew Cleo passed complete 21 times out of 28 passes he threw. Twenty-seven of the 28 passes were directly into the hands of the receivers. Cleo's punting in last week's encounter was nothing short of spectacular. In one instance when the Gauchitos were in a bad hole, Goyette stepped behind his own goal and got away an 87 yard boot that put the Navy team in a hole.

Grid Pickers Gather For Selections

Men Prognosticators Tab Gauchos, Women Like Aztecs to Win

The Students' Football Selection committee met for its final public session this week, with only one more meeting slated before final results are announced.

There will be no issue of El Gaucho next week, necessitating a secret meeting of the grid prognosticators. However when classes are resumed after the Thanksgiving holidays, the official Students' Football Selection committee will be known and published in the Wednesday, Nov. 30, issue of El Gaucho.

Selections this week were made on the following games: Stanford vs. California, Washington vs. Oregon, Hardin-Simmons vs. Loyola, U.S.F. vs. Gonzaga, Minnesota vs. Wisconsin, Notre Dame vs. Northwestern, T.C.U. vs. Rice, Harvard vs. Yale, S.M.U. vs. Baylor, San Diego vs. Gauchos.

Barbara Parker, frosh: Bears 14-6, Huskies 14-0, Hardin-Simmons 6-0, U.S.F. 12-0, Gophers 6-0, Irish 12-0, T.C.U. 18-0, Harvard 14-7, S.M.U. 12-0, Gauchos 9-0.

Mary Tone, senior: Bears 18-7, Huskies 14-0, Hardin-Simmons 7-0, U.S.F. 26-6, Gophers 13-7, T.C.U. 20-6, Irish 14-6, Harvard 7-6, Baylor 20-13, San Diego 13-7.

John Perrou, frosh: Bears 13-6, Huskies 14-0, Hardin-Simmons 21-0, U.S.F. 13-0, Wisconsin 7-6, Irish 13-0, T.C.U. 20-0, Yale 19-7, Baylor 7-0, Gauchos 6-3.

Robert Reynolds, senior: Bears 7-6, Huskies 20-6, Hardin-Simmons 14-6, U.S.F. 0 Gonzaga 0, Gophers 14-7, Irish 13-7, T.C.U. 21-0, Harvard 9-6, S.M.U. 20-13, Gauchos 13-7.

Elmer-Schwarzberg, just Elmer: Bears 13-0, Huskies 14-6, Loyola 9-6, U.S.F. 14-7, Wisconsin 7-6, Irish 14-0, T.C.U. 14-6, Yale 13-12, Baylor 14-7, Gauchos 12-10.

Francis Becchio, sports editor: Bears 19-7, Huskies 13-6, Loyola 13-7, U.S.F. 13-0, Wisconsin 13-7, Irish 14-0, T.C.U. 19-6, Harvard 13-10, Baylor 19-13, Gauchos 13-7.
