SENIOR EVENTS BEGIN JUNE 3rd BOB HARTZELL WINS ASB PRESIDENTIAL RUNOFF

Clark Gives Pertinent Facts in Summer Session Registration

Registration for the Summer Session is scheduled for Saturday, June 18, 8:00 to 1:00 o'clock. A number of pertinent facts were pointed out by Dr. Jerry H. Clark the Registrar.

Non-veteran students will report to the Men's Gymnasium and veterans must report to Oak Hall 102 before completing registration at the Women's Gymnasium. Students now enrolled in the Santa Barbara College should clear all accounts before reporting to the registration lines. It is important that students who have not attended Santa Barbara College previously who desire to enter as regular students in the Fall Semester 1949, apply for the Fall Semester admission to the Summer Session is not equivalent to admission to the Fall Semester. Moreover, all students must present evidence of successful immunization against smallpox before register

Card Tax Exemption Sought by Russell

Application for exemption from payment of the federal tax on the associated student body cards has been filed by Bill Russell, Graduate Manager, with the local office of the Collector of Internal Revenue. For the past several years student body cards have been taxed thirty cents per semester, because the card was used as admission to campus events. With the increase in student body fees from \$7.80 to \$10.00, it was estimated the tax would be raised to fifty cents per card per semester.

Mr. Russell contends that under present internal revenue regulations, associated students should now be exempt from payment of federal admission tax on student body cards. A saving of two thousand dollars a year would result if the Los Angeles office approves the request. Earlier this year the Graduate Manager also secured exemption from payment of federal transportation tax for the Associated Students with a saving of approximately a thousand dollars a year.

TING-A-LING

Starting Thursday, May 26, a system of bells signaling the beginning and end of class periods will be put into operation on the Riviera Campus.

The bells, located in convenient spots so as to be heard in all areas, will ring at 10 minutes before and on each hour. They are electrically operated and centrally controlled by a clock attachment.

The plan was approved by Acting Provost J. Harold Williams after discussion with various faculty and administrative staff members.

New Head Tells Plans For City, College Integration

"I'm awfully grateful to the student body for giving me the opportunity to prove my worth as their president. People often see such an office as a worthless waste of time and effort, but my view of it is just the opposite. There is a wealth of experience in holding the post for a man who is willing to really work for the benefit of the student body as a whole. I intend to do just that," stated Bob Hartzell, the newly elected president of the Associated Students of the University of California.

The truth of his words was borne out by the fact that immediately after this interview he was to attend a conference with several important city officials to plan a drive to raise athletic funds for the Gaucho teams.

Plans Integration

"This plan is really one of my dreams coming true," said Bob, "for it will lead to the necessary integration of students, university, and community. The retail merchants of this city estimate that the school contributes about four and a half million dollars annually to the community by direct expenditure. It is certainly of great importance that the institution which is such an important factor in the economic life of Santa Barbara be brought into direct participation in and integration with civic life."

If experience is commensurate with success, Hartzell is sure to be able to carry out this ambitious undertaking. He has served many times in an administrative capacity, with the Air Service Command, the United States Counselor Service, and the County Veterans Service office, which he helped to organize.

"I am a resident of Santa Barbara and plan to stay here most of the summer. In this way I will not lose touch with university or local affairs and indeed may be able to promote the interests of the school during that period," said Mr. Hartzell.

Campus Activities

The new president is a political science major and served this semester as president of Pi Sigma, the national honorary political science fraternity chapter on campus. He was also social chairman of the local chapter of Delta Tau Delta social fraternity.

"Once more I'd like to express my appreciation to those who helped in my campaign and in my election as president. I hope to be able to bring to bear my past experience and training to render a year of successful service and of progress to the student body," concluded Bob Hartzell.

Other students elected in the May polling are:

Vice-president ASB, Shirley Lerner.

Secretary ASB, Janie Anderson. Representatives at Large, Ken Trevey, Frank Goodall, Beverly Purdum.

Senior class president, Lyle Purdum.

Senior vice-president, Nancy Davis.

Senior secretary-treasurer, Audrey Scott.

Junior class president, Richard Bowdey.

Junior class vice-president, Jack Todd.

Junior secretary-treasurer, Peggy Ward.

(Continued on page 4)

Banquet and Dance First Of Many Senior Events; Baccalaureat Set for Sunday

Gathering together for the last time under the University's auspices in the name of students of Santa Barbara College, the graduating seniors plan their banquet for Friday night, June 3rd. This banquet, to be "all-time best" according to Don Melone, president of the senior class, will be held at the Cabrillo Pavilion at 7 p. m. Don Melone also stated that they expected a large attendance from the interested students. The committee in charge of the affair has secured Dr. Herbert Kramer, professor of English, as guest speaker for the evening. Dr. Kramer, who recently came to this campus, is very popular with all students. Master of ceremonies for the occasion will be Walter Beaver, recently successful in "Green Grow the Lilacs." Beaver has been an outstanding student and speaker in dramatic and journalistic activities. He has been known as one of the most exceptional extemporaneous speakers in Santa Barbara. The dinner has been planned especially for seniors and their guests; charges for the dinner will be \$2.50. Reservations for the banquet must be made by May 27. All who wish to make reservations or purchase tickets should apply at the book store.

Five College Soloists With Symphonic Choir

Solo performances were given by five students when the College Symphonic Choir presented its only local concert of the spring semester last Sunday, May 22, at the Presbyterian church.

Edward Ormsby and Shirley Newlin were soloists for the "Chorus of Seraphim."

Grace Gott, lyric soprano, sang "Je Dis" from Bizet's "Carmen," and the spiritual, "Jesus Walked This Lonesome Valley," arranged by Dawson.

"God, My Father," from Dubois' "The Seven Last Words of Christ," was sung by David Swain, baritone.

June Lord, lyric soprano, sang two numbers: "Il Faut Partir" from "La Fille du Regiment," by Donizetti, and the spiritual "Hard Trials," arranged by Burleigh.

The following was the program presented by the full Symphonic Choir of 52 voices, under the direction of Dr. Van A. Christy, chairman of the Music Department:

Praise to the Lord, F. Melius Christiansen.

Chorus of Seraphim (from "Paradise Lost"), Dubois-Christy.

Alleluia, Randall Thompson.

See the Chariot at Hand (Wedding Chorus from "In Windsor Forest"), R. Vaughan Williams.

The New Dawn, Cecil Forsyth.

Low Lands (Chantey), Arr. by Scott.

High Barbary (Chantey), Arr. Christy.

City Called Heaven (Spiritual), Arr. Christy.

The Orchestra Song (Tradition Austrian), Arr. Schumann.

Battle Hymn of the Republic, Arr. Wilhousky.

STUDENT AD JOB

Students who may be interested in either full-time or part-time employment by the Graduate Manager's office to assist in selling all advertising in college publications and to direct the supervision of students employed in athletic events are urged to inquire at the Graduate Manager's office and ask for Bill Russell.

FINAL EXAMINATION SCHEDULE

Spring, 1949

8:00 - 11:00*

1:00 - 4:00*

June 6, Monday	MWF	11 A. M. Classes	TTh	9 A. M. Classes
June 7, Tuesday	MWF	12 A. M. Classes	TTh	10 A. M. Classes
June 8, Wednesday	MWF	1 P. M. Classes	TTh	11 A. M. Classes
June 9, Thursday	MWF	2 P. M. Classes	TTh	12 A. M. Classes
June 10, Friday	MWF	3 P. M. Classes	TTh	1 P. M. Classes
June 11, Saturday	MWF	8 A. M. Classes	TTh	2 P. M. Classes
June 13, Monday	MWF	9 A. M. Classes	TTh	3 P. M. Classes
June 14, Tuesday	MWF	10 A. M. Classes	TTh	8 A. M. Classes
June 15, Wednesday	MWF	4 P. M. Classes	TTh	4 P. M. Classes
June 16, Thursday		English 1A, English 1B, Subject A.		

* Classes having two units or less offered on MWF will have examinations from 8:00-10:00 A. M. TTh classes of two units or less will have examinations from 1:00-3:00 P. M.

Order La Cumbre Now; Limited Edition, Complete Coverage

Copies of La Cumbre 1949 are still available for those who wish to place orders for them, according to Bill Russell, Graduate Manager. Reservations for the book may be made in the Graduate Manager's office upon payment of the price of \$3.50.

The annual, which is published in limited edition, is now in the hands of the printers and from all indications it seems that this year's book will be an exceptionally fine one. It is expected that the yearbook will be on campus by June 6.

Editors Larry Sanchez and George F. Outland have emphasized the fact that this year's book has been planned for the benefit of the largest number of students possible. In addition to the usual coverage of graduates, organizations, and sports, there is a very large student life section in which all classes and phases of campus activity are included.

An exceptionally large number of pictures were taken throughout the past school year in order to provide a wide choice when the book was laid out. Photographers included Larry Sanchez, Ken Terry, Paul Kluth, and George Perry. In addition to the regular staff photographers, there were numerous students who turned in pictures of special interest.

The captions which appear under nearly every picture in the book include the names of all students who were identifiable. The names in the captions are also in-

EDITORIAL

Last Friday a contract was signed between Bob Hartzell and the Associated Student Body of this organization. This contract was signed by Bob Hartzell in that he agreed to perform certain services to the Associated Students in return for their support at the polls. This contract was signed by the Associated Students in that a majority of them cast their ballots for what he offered. This is not a one-sided contract. Bob Hartzell cannot fulfill it alone. You, the Student Body, must do your part. The outcome of the election gave evidence as to the course of action you desire. Now you must follow that course as dictated by you at the polls.

The election is over. Further discussion of the candidates is fruitless and intrinsically wrong. We, the Student Body, are unified in spirit. We must forget differences and be unified in action. For the success of the coming year depends upon the united efforts of the entire Student Body.

This past semester has seen the adoption of a new Student Body Constitution and an increase in the Student Body fee. The elections have provided us with talented and capable individuals well suited to function as a successful team. You, as part of that team, must do more than root. You must participate actively in the program planned for the coming year.

This Student Body organization is at the crossroads. How much effort you put behind your elected leaders will determine the outcome of their administration. Fulfill your part of the contract you signed at the polls.

LET'S BE BEAR-LIKE!

The members of Student Council, at the meeting held on May 11, decided to have a contest to find a name for SBC students, athletic teams, and publications more in keeping with the traditional appellations of branches of the University of California than the current title of "GAUCHOS," which has been used at Santa Barbara since the late thirties.

In connection with this contest, a box was placed at the entrance of the caf in order that students might submit their suggestions. It is hoped that by means of this contest a name can be found which will be both appropriate and unusual.

As most students realize, the name "GAUCHOS" not only has no relationship to the University, but is also out of place in Santa Barbara. If there ever was a real gauchos here, he

UP OFF THE CANVAS

I should keep my big mouth shut and my fingers off the keys of my typewriter. Outside of the classroom, professors should be seen and not heard. It really isn't any of my business; I just work here. But somebody rang the bell, and here we go again!

In 1946, just after the close of the war, this writer was one of the group behind a change in the name for our sport teams. In the columns of El Gauchos, we suggested the name CALIFORNIA CUBS as being most appropriate. To make the story short, the change was voted down. I was disappointed then, and chagrined, resolving to stay down and out. But it has been

Around the Cal Campuses

by Bill Anderson

It look like Santa Barbara is not the only college having elections during the last couple of weeks. However, those responsible for the elections in most of the other colleges around California, with the exception of USC, managed to keep the elections well under control.

CAL at Berkeley—Danny Coelho, by a margin of 674 votes, was elected student body president over Jim Duvaras. Two other candidates, Scot George and Dick Miller, lost out in the primary election.

Henry Wallace addressed 3,500 students just outside West Gate last week; the occasion was a "peace meet." Mr. Wallace expressed fear that if the anti-Communist campaign now being carried on in the United States is not halted, we will not be able to save our country from fascism (as if fascism were such a "big" threat!). He did not venture any suggestions as to how we might save the U. S. from communism. Among the other speakers were Mrs. Paul Robeson, who suggested that the students at Berkeley "liberate" themselves. One of the students in the audience was holding up a sign which read "We want to be liberated like Czechoslovakia" during her speech.

UCLA—After a hard fought election, head cheer leader Sherrill Luke won out in the final election for student body prexy. In the primary the four candidates—Luke, Don Hovey, Don Barrett, and Dean Warren—were all running quite close together; Sherrill Luke and Don Hovey emerged as the victors in the surprising upset, after which Luke defeated Hovey in the run-off election.

USC—When it comes to election troubles, SC has really been having more than its share, and how! Ed Vierheilg defeated Bob Padgett by 394 votes in the most hotly contested election in the school's history! But the losing political party has been crying "Fraud! Deceit! Ballot stuffing!" ever since the election. It claims that 403 ballots—enough to swing the election—are mysteriously missing. After much heated controversy, it has been decided to hold a new election.

annoy the Chicago National League baseball team, nor the Visalia Cubs either. As a matter of fact, Bucky Harris' San Diego club is called the Padres. Are Padres good fighters? Come to think of it, why name a baseball team "Dodgers?" The term "Grizzlies" would be good, but as a biologist I must tell you that grizzlies are now extinct in California. They are not extinct in Montana, and Montana already has this name. We are called "Hilltoppers" sometimes in the press, with good reason, as every puffing student knows at 8 o'clock in the morning! But we probably will not stay here. Anyway, the term "Cubs" will show that we are members of the great California family, the smallest in the group. We already have a "Cub Club" of business men downtown, who adopted the name in 1946 and have refused to change. Our newspaper people would all be Cub reporters! "California Cubs" is a natural. It will be a knockout. Let's get together on this.

"POP" WELLS.

Gauchos Gripes

To the Editor:

For a very long time I have felt someone should say something about our school paper, as have many others. Well, I waited, and no one said a thing, so I can't sweat it out any longer. Here are my gripes and suggestions:

1. There is a general tendency to de-emphasize athletics. Now, I realize there is much more in school besides sports, but just to cite a couple of examples—last semester the Gauchos basketball team was playing a major Pacific Coast Conference University one week-end—a very important thing not only to the ball players, but to the student

Dry Bones

by Gill Johnston

At the end of the war I entered college with several million other veterans in order to educate myself to live and to get a living. I dare say that most of us had rosy visions of college life and activities and were prepared to conform. We saw all college life from the bright side of the spectrum. Over a period of time many of us have moved to the other end of the spectrum. We have learned to conform with tongue in cheek or to be rebellious non-conformists—or to organize new cliques.

This being the last current issue of El Gauchos and, most likely, my last contribution to the paper, I would like to offer a sincere, earnest criticism of one phase of college life that has impressed and depressed me very much.

The Rah Rah spirit has always been an integral part of any college; for what it does, it is good. But when anything becomes an end in itself, it loses significance and atrophies.

Properly, Rah-Rahism is a physical and emotional release from study; it acts as a catharsis upon the book-dulled mind. All work and no play does make Jack and Jill dull. However, when social activity becomes an end in itself, when form takes precedence over spirit and significance, the essence, meaning, reality quietly slip away and one sees a group of rather empty people going through the motions of something—they really don't know what—nor do you and I. At this point, the socially sophisticated person removes himself or, unhappily, joins the little dance around the maypole. A girl I once highly esteemed remarked to me that she went to the popular places to be seen. Mary you, she didn't go because the cuisine or the beer was good or because she had a genuine liking for the habits of the place—no, she went to be seen. My disappointment at this declaration may simply signify social naivete; I think not.

One might excuse this attitude of the decadent Rah-Rah element

body at large. The same week-end a play was being presented (a Greek tragedy). The whole front page, headlines, etc., pictures, and many columns of type were devoted to this play, while on the third page there was a box about 2 by 4 inches stating the fact that there was a game week. Just from an economic standpoint, this is idiotic.

2. This spring, the Gauchos baseball squad beat the University of California in baseball, the first time UCSBC beat them in any major sport. Very little was mentioned in the paper.

3. Let's get a man on that sport page who knows what he's doing, and give the ballplayers a break. The time and effort your teams put in is just as much and surely a little more strenuous as doing a play, and should be recognized.

4. You have a stagnant pool in your jazz column. Too much time is devoted to who has developed a new record player, etc., while jazz history is being made. Young, versatile, brilliant musicians are putting out exciting and sparkling arrangements in progressive jazz and bop, while this cat devotes his column to Dixie and 2-beat. Let's face it, that stuff is gone, and especially a guy who sets himself up as a poor man's Ulavov should recognize the need for progress. Jazz and mouldy figs don't mix.

5. Also, something that I guess I shouldn't even waste my time writing about and your time reading, a word about that gossip column—a typical junior high school page. "Joe Pagooferic and Mary Pokoroty seen holding hands!!!" Shame on you, Joe, what about Nancy Sludgebucket?" Let's get off this perpetual sophomore kick.

I know it's no snap putting out a paper every week, but with a little more discretion in the distribution of space and a little more intelligence in the columns, maybe we could turn out a nearly average publication.

Thanks.

L. PURCELL.

by saying that it is a phase of growth, that meaningless adherence to a social group is a desire to occupy one's time and to acquire social acceptance. As a phase, this could be excused. As an early symptom of a universal disease, it cannot be treated too gravely.

The poets of all times have been concerned with this problem. T. S. Eliot, the erudite expatriate from Missouri, has written volume on modern man's spiritual and moral sterility. Some may recall *The Wasteland* and *The Hollow Men*. His ultimate solution, ironically perhaps, was a return to the forms and formalism of religion—which is a genuine and positive solution if it is done with absolute integrity of moral conscience.

It all boils down to this: forms and conventions assumed for their own sakes are invalid. While one may join an activity, tongue in cheek, one should remember the purpose and never attribute false reasons.

Many veterans thought that a new, more sincere era was ahead when they entered college. They had seen life stripped to its bare essentials and their closeness to death had made them more aware of life and its realities. They (and I have many a bull-session in back of me to warrant this statement) thought that their hard found maturity would act as a leavening to the younger generation in college. In this they were deceived to a great extent. Not only were they forced to fight for every consideration any adult should receive, but they were, in a large number of instances, forced, through administration policy, to become an adolescent again as far as privileges and conduct were concerned. Some left college in disgust, others lost their maturity in order to conform, and the rest remained on the periphery of college life to retain their independence and individuality; thus losing a potentially valuable part of the college experience.

By next June the majority of the veterans will have finished schooling, and colleges will return to the normal program. There are those of us who would wish something permanent was left by us: few believe it. The nation has not learned by war: why should universities? This is my own inchoate statement of what I feel to be true; some statement should be made. It is damned well time we left the juvenile level in American universities. As potential leaders or members of a democracy in desperate straits, we are stinking failures. The child is father of the man and the individual is a microcosm of the state. Where does America stand if her choicest blossoms are blighted by plagues of social, spiritual, and moral ignorance?

I can't say what the individual should do; I can only offer a yardstick for him to measure by. In the end, nothing is important to us unless it is a truth for us: a truth objectively examined to the best of our abilities. Then, realizing that this something's good may be good only as it relates to us, let us give ourselves to this good, this way of life with all our heart; anything less is spiritual death. In the end we pay for everything or we cheat life and ourselves. Every experience has its opposite which we must pay; life itself pays its toll to death. Both are good.

Impression

by Travelweary

I jumped on the first bus that came along. How was I to know that within an hour's ride I'd be stuck in Oxnard while the San Francisco passengers had lunch? All I wanted to do was to get back to Santa Barbara. I wasn't hungry and if I had been it wouldn't have lasted long. The Oxnard lunchroom is always full of stolid citizens who lean against the walls and stare. Besides, the food is awful. The only thing that saves the place is a very, very loud jukebox which constantly plays gay little ditties. I couldn't stand it. I bought a roll of mints and went back to the bus and sulked.

THE CAMPUS CORNER

Ruthie Brehme

Style setter for the coming Fall Semester will be Claire Maher wearing Jack Rose fashions on campus every Monday and Wednesday and keeping the "Campus Corner" cozy in the store on Saturday. An early introduction gives the fashion-conscious coed ample opportunity to be "clued in" on the best buys in clothes for next fall. Introduce yourself to Claire and let her help you solve your wardrobe problems. She represents you at the Jack Rose store. Make suggestions, work with her to bring to Santa Barbara the styles in feminine attire most appropriate for campus and extra-curricular wear.

Jack Rose features this week eye appealing, comfortable assuring, and budget exciting T-SHIRTS. Plunging necklines, mandarin necklines, turtle necks, and rolled collars are some of the special attractions in the T-shirt sports parade this season. Plain colors or your favorite color combinations are yours in your own style selection for \$2.95 or \$3.95. Denim shorts complete the combination for only \$1.95. Be summe sensible and top off your beach tog wardrobe with this sensational buy of the year.

Bye for now all you "fashionatics."

RUTHIE BREHME

Men's Glee Club Returns From Tour

The Men's Glee Club returned today from a tour of Compton, San Diego, and Redlands. The club was enthusiastically received by well over two thousand students who packed the auditorium at Compton College. The only highlight in this program was a brief expression of school loyalty which was heard in the audience during the University of California, Santa Barbara College songs.

At San Diego, a small but enthusiastic audience heard the club present its full concert program. Unknown to the members of the singing group, San Diego's leading newspaper music critic was in the audience. He was most complimentary in his remarks about the organization. The singing in San Diego included a trip to its famous zoo.

The tour was concluded by an appearance at the Redlands Glee festival in which many of the island's leading choral organizations participated. The singing of the Occidental Glee Club and Santa Barbara Men's Glee and the Ensemble elicited particularly favorable comment.

MANAGERIAL POSITIONS OPEN

Applications for managerial positions for all sports for 1949-1950 are now being accepted. Any person interested in managing some athletic team next year please contact Chuck Metz, Senior Manager, through Student mailbox "M."

Mineral 'X' Keeps Woodhouse Thinking

On the desk of C. Douglas Woodhouse, lecturer in mineralogy, rests a dark lump of mineral a little bigger than a golf ball. It may prove to be a new species of heavy mineral. For the present, it is simply mineral "X."

Whether or not mineral X is the new species that Woodhouse believes it is will be determined soon when he takes the specimen back east for x-ray analysis either at Columbia University or Harvard University.

The specimen was found recently in the desert near Kingman, Arizona, when Mr. Woodhouse took his mineralogy class on a three-day field trip in that area.

Preliminary analysis has yielded sufficient evidence to indicate that it might be a phosphate of the rare earth "yttrium." If further analysis should confirm this, it will be the fourth discovery of a new mineral species credited to Mr. Woodhouse, who recently was elected a member of the Geological Society of America.

WOMEN

All women students who would like to assist the Associated Women Students' Counselor, Beverly Purdum, in the fall registration, should sign in the office of the Dean of Women immediately.

Also, those women wishing to assist in the registration line for the office of the Dean of Women should so indicate to Miss Tommye Dee Burdett in the office of the Dean of Women.

Students Offer Music Program

There will be a student music recital this afternoon at 4 p. m. This will be the last time that the rafters in Music Hall 100 will ring this semester.

Today's program is printed below:

Women's Glee Club:

- Silent StringsBantock
- Star DustCramichael
- Sonata for Clarinet and Piano, (first movement)Bernstein
- Merle Parker, clarinet
- Herb Fredlund, piano
- When I Have Sung My SongsCharles
- Helen Hatch, contralto
- MorningOley Speaks
- Norman Kettenring, tenor
- ArabesqueDebussy
- Susie Tamura
- Sonata for Clarinet and Piano (first movement)Hindesmith
- Dale Shaver, clarinet
- Jean Davies, piano
- Duet—In the Garden of Your HeartDorel
- Grace Gott, soprano
- Ed Ormsby, tenor
- God, My Father (from "Seven Last Words of Christ")Dubois
- David Swain, baritone
- Then Weep, Mine Eyes (Le Cid)Massenet
- Maurine Caldwell, soprano
- EtudeChopin
- Jean Davies, piano
- Sonata for Clarinet and Piano (first movement)Brahms
- Bill Perkins, clarinet
- Irving Eisley, piano
- My Heart Ever FaithfulBach
- Shirley Newlin, lyric soprano
- Tally Ho!Leoni
- Robert Bush, tenor

The Music Department also announces a coming event which should sound like good news to music lovers. A Formal Student Recital will be given on Thursday, June 2, in the auditorium at 8:15 p. m.

Santa Barbara 6th In Teaching Poll

Santa Barbara College of the University of California ranks 6th among the 31 accredited teacher-training institutions in the state in the number of candidates for teaching credentials expected to complete training in 1949.

This information is contained in an article, "Teacher Supply and Demand," in the April issue of "California Schools," published by the California State Department of Education.

Santa Barbara's total of 262 represents a 13 per cent increase over the number receiving credentials in 1948, according to the figures compiled by the Department of Education. Of the number expected to complete training this year at the local campus, 10 are listed in kindergarten-primary, 55 general elementary, 30 junior high school, 157 special secondary, and others, 10.

The University of Southern California heads the list with 1,371; the University of California (Berkeley) is next with 461; and the remaining three ahead of Santa Barbara are the University of California at Los Angeles, 444; San Francisco State College, 313; San Jose State College, 295.

Bernard Reviews Parking Rules

Another reminder on parking do's and don'ts was issued this week by Captain Floyd Bernard of the campus police department.

He said that there has been a number of violations of parking regulations in the student parking lot next to Ebbets Hall. Vehicles are not supposed to be parked next to the building at any time, and students leaving their automobiles in this marked zone will receive tickets.

Another place where violations of parking restrictions have caused some trouble is the road leading from the faculty parking area in front of the Administration building to the student parking area. No parking is allowed here and the regulation will be strictly enforced.

Contestants Speak In Finals Tonight

With the preliminaries of Friday and Monday behind them, contestants in the Speech 11 contest, sponsored by Tau Kappa Alpha, honorary forensic organization, will take part in the finals tonight in the auditorium at eight o'clock.

Two students from each Speech 11 section were chosen by their classmates to participate in the contest. The contest speeches are those based on the class assignment—a speech to convince. The preliminaries took place during the contestant's free hours on last Friday and Monday and were judged by advanced speech students.

The students who participated in the preliminaries were: Andy Bisaccia, Jerry Caldwell, Dorothy Carrell, Bobbie De Nault, Elinor Denholm, Dave Fayman, Kenny Gates, Nancy Hodgins, Don Keener, Josephine Maynard, Raymond Meyer, Anthony Noonan, Arthur Reynolds, Joy Ritter, Othell Talley, Walter Thompson, Louise Thorpe, Michael Trujillo, and Wini Wilson.

FALL RUSH SEASON REVEALED

At the last meeting of the Panhellenic Council on May 17, it was determined that there will be a fall rushing period lasting one week, from September 19 to 23.

Women students who will be scholastically eligible and interested should sign in the fall registration line. A student is scholastically eligible when she has carried fourteen units one semester at this college, has a total scholastic average of "C" or higher, and has an average the semester previous to rushing of at least a "C."

forced for safety reasons, Captain Bernard said.

Double parking on the shoulder along the Women's Gymnasium interferes seriously with the passage of trucks to the storeroom. Here also the regulation will be enforced, Captain Bernard said, with the issuance of immediate citations in the case of violations.

--WAX WORKS--

by Rudy Schafer

Although many of the major record firms have announced that they will continue to hold their prices up in the face of Columbia's new cut, there have been some downward price moves in the record industry. MGM is the latest to join the fold with a cut which brings them about in line with Columbia. Some of the cheaper record firms such as Varsity and Spotlite shaved their already slim prices a little also.

The big holdouts at the present time are Decca, Victor, and Capitol. These three, which represent a sizeable chunk of the industry, have stated that they will not drop prices in the near future. Victor stated that there would be no cut before September, if at all.

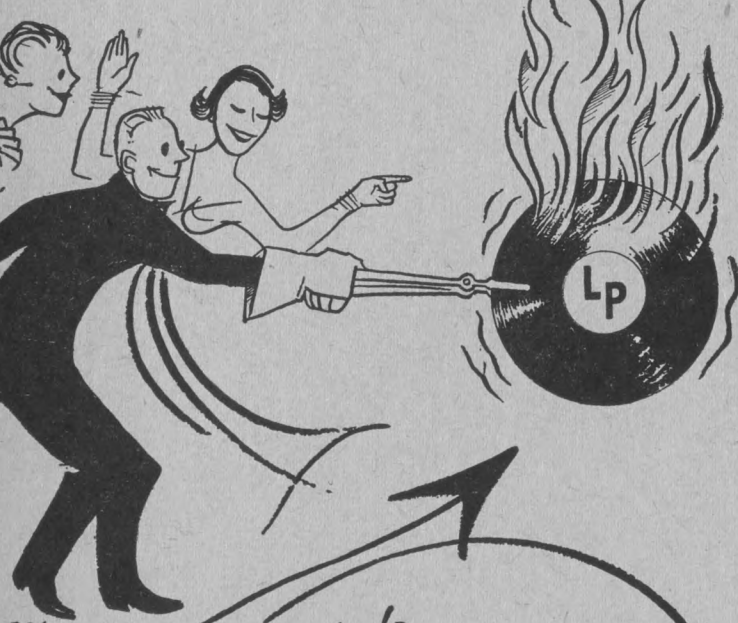

Don't know what to say for you boys. You might cut prices a little and concentrate on volume, but you know your business better than I do.

Smogville's station KFAC made a welcome announcement recently as far as music lovers were concerned. The station declared that it was changing its policy so as to exclude all pop music from its programs. The station now features a solid 24 hours of classical and semi-classical music with a few newscasts thrown in here and there. I only wish they would up their power output a little so the station wouldn't fade when you listen to it here.

Bop may come and go but you can be sure of one thing in popular music: Freddy Martin will always sound the same. His latest offering on Victor is "Portrait of Jennie" and "If You Could Care." These sides are typically Martin, smooth, danceable and easy to listen to. An interesting sidelight on this wax is that it is issued on conventional 78 RPM discs and on the new 45 discs. It seems to be a general policy with Victor to make dual releases on all of their new items.

Well, that about whips it for the year. Be seen' ya.

UCSB Students in Plays, Programs

by Sue Hamilton

During the past semester the activities of the Speech department have been a source of pleasure to all.

The first of this year brought *Electra* the classic Greek Drama by Sophocles to our student body. Produced and directed by Mr. William Morgan. This play received much deserved attention.

In accord with the plan to produce a series of four great plays a year *Hedda Gabler*, the first UCSB production directed by Robert Clark, was on of Ibsen's important modern plays which was enjoyed by a portion of the student body last week. Now in rehearsal as a significant American Folk play, *Green Grow the Lilacs*, directed by Mr. Theodore Hatlen.

The fourth in this series will be a summer production which is as yet undecided.

Besides the opportunities for participation of student talent of all departments provided for in the production of the four main plays many other avenues of speech and dramatic activity are open to all. Students of the oral reading classes have produced many worthwhile readings of such plays as *The Glass Menagerie*, by Tennessee Williams, Chekov's *Uncle Vanya* and William Somerset Maugham's *The Circle*. Gauchos interested in oral reading and those of the dance department will do an interpretation of the "Mountain Whippoorwill." Also in cooperation with other departments a musical is planned with the music department.

The radio class offers parts in the series of great plays to be aired over station KIST. All students may try out for these programs.

Little Black Sambo, a play for children to be toured to the local grade schools here will include a cast of students and will be played some time in April.

Material for stage production will continue to maintain a high level thus enabling our college to compare favorably with other college theaters.

Debate, discussion, extemporaneous and impromptu speaking and oratory is offered by the Forensics Squad supervised by Dr. Evelyn Kenesson. Trips to speech tournaments in Pomona, Bakersfield, Los Angeles City College, Pasadena City College, UCLA, and Seattle were taken by students. It is hoped that it will be possible to offer Speech 11 classes the chance for a contest during the later portion of the semester. These activities stimulate thinking on current problems and events. This year's debate and oratory question was Prepaid Medical Care or Socialized Medicine. The new question will be out in August.

The faculty and students of the department are looking forward to being the host of the Regional Committee of American Educational Theater Association during this year.

The accomplishments and plans of this department will be interesting and enjoyable and worthwhile to the participants. It offers students a chance to be active in production and needs their support in all its endeavors and promises to be a cultural contribution to the community.

TOUCHE!

by Beret Armer

"My candidate," cried the speaker, "represents the organization known as Alcoholics Anonymous, quite active in school affairs, although not yet fully recognized by the Activities Control Board. His record of activities positively staggers the imagination. He studied law at Schenectady U., and only failed to pass his bar examination because he spilled the cocktail he was mixing on the bar. You may know of him through his work as a detective on the famous case of the murder of H. J. Morganthau's grandfather, known as the "Old Grand-dad Case." As a reward, he was given a case of Old Grand-dad.

"My candidate's platform is as follows: TGIF club 5 days a week; drive-in classrooms to solve the parking problem; expansion of the quad pool to allow for swimming instruction; a free-lunch counter to take the place of the cafeteria; and free beer . . ."

A rousing cheer rendered further speech impossible for at least two minutes. The speaker smilingly waved us to silence. "I give you," he shouted hoarsely, "my candidate for UCSB ASB president, Murgatroid B. Higgins."

The speaker shuffled the curtains for an agonized moment, found the opening, and waved Murgatroid B. Higgins on. Murgatroid entered, belched enthusiastically, and retired. The audience went mad; the rafter rocked, and a nearby seismograph registered a shock of a number three intensity.

I commented to my companion as we left the auditorium, "That Higgins gets my vote. Such a clever campaign . . . imagine filling the quad pool with jello and writing his name in whipped cream."

"To say nothing of the confetti with his name printed on it, which dropped from that plane . . ."

. . . This was all last week. Murgatroid, we agreed, had it in the bag. Opinion polls showed an overwhelming majority in favor of him and his platform. Then it happened . . .

My companion choked passionately as he told me. "Led all the way by a comfortable margin, this Hartzell guy did," he gulped. "Pulled a Truman on us, he did. Never knew what they missed," he sniffed, "by not electing Higgins. Free beer . . ."

We nodded sadly in unison and went off to find solace in a darkened corner of the cafeteria.

only came on a sight-seeing trip and then went home to Argentina. Since this is the case, there is no better time than the present to correct a long-standing error by choosing a new name more in keeping with the location of the college and with its position as a branch of the University in which the general rule of names is BEAR-LIKE.

Cudgel your brains and when you come up with a bright idea, put it in the box at the caf entrance. Do your part in helping to rename our student body. LET'S BE BEAR-LIKE!

Mural Softball Finds Three Teams in Photo

Intramural softball draws to a close this week with three teams still undefeated but each having to face stiff competition. Surely one team at least has already suffered its first setback in games played Tuesday, too late for publication.

Kappa Sigma and Sigma Phi Epsilon tangled in the crucial contest of the year at Dwight Murphy Field. Both squads had sailed through their schedules unbeaten mainly on the strength of pitchers Frank Schimandle and Tommy White.

In the club division, the Mighty Midgets were also unbeaten at last report but faced the ough Bunglers in their last game. Lambda Chi, DTD, and SAE were all tied for third, but the latter two nines met to decide the problem in the fraternity division.

Lambda Chi Alpha
A fine beach party, held at the beach last Saturday, surpassed all pre-party preparations. It was pledge sponsored, offering plenty of food and effective refreshments.

Parents' Day was celebrated at the L.X. house Sunday and was successful and enjoyable. A luncheon and tours of the Mission and the Botanical gardens, were the highlights of the annual affair. Numerous commitments were made concerning the "game" room, all of which were very complimentary.

Delta Phi Delta
Delta Phi Delta, honorary art organization, will hold pledging ceremonies in the AWS room at 4 p.m. today. Those people who become pledges are Elaine Germaine, Geraldine Bates, Virginia Burke, Robert McMillan, Ruth de la Torre, Thelma Tirrill, and Frank Warren.

Also on the program is the initiation of new officers for the coming semester. Roger DeCloutier will be installed as president, Gyroser Urner as vice-president, Joanne McGarry as secretary, Walter Hill as treasurer, and Shirlee Parker as historian.

Tomorrow the group has planned

for a Chinese dinner at Shanghai Low's. The members will meet with the alumnae group in commemoration of Founder's Day. The new pledges will be guests at the affair.

Kappa Omicron Phi

On Tuesday, May 31, Kappa Omicron Phi, national home economics honorary organization, will hold installation ceremonies at Manning Park. The new officers will be: Jean Davis, president; May Cormack, first vice-president; Hele Weis, second vice-president; Mary Lou Wilson, corresponding secretary; Mary Ann Zane, recording secretary; Jean Tahijon, keeper of the archives; Joanne Cassell, treasurer; Ramona Helmick, distaff reports; and Winnie Wilson, social chairman.

New members of the organization, who were initiated last May 10, are Jean Davis, Ramona Helmick, Mary McKisson, and Helen Weis.

Home Ec Club

Reviving a tradition that has not been observed for about four years, the Home Economics Club and the Industrial Arts Department held a joint picnic last Thursday, May 19. The site of the picnic, the cafeteria, was determined by the unusual weather.

About seventy picnickers enjoyed a potluck supper and games from five to seven-thirty. The group then adjourned to the

Square Dance which was held that night in the Women's Gym.

It is hoped that the event can be repeated next year.

Square Dance

All college students and faculty are invited to attend the Square Dance to be held Thursday, May 26, at 7:45 o'clock in the Women's Gym. This is to be the last session of the spring semester's program. During summer session, however, a weekly series of square dances will be conducted.

Delta Sigma Phi

Delta Sigs and their dates dined and danced at the Biltmore Hotel Saturday night as the fraternity presented its semi-annual closed formal. I. Newton Perry and his "Men in Blue" furnished the music.

The fraternity was honored by the presence of Carl Von Buelow at the affair. Mr. Von Buelow is a traveling secretary for the national fraternity. Other honored guests included: Mr. W. E. Schutt, the group's faculty advisor, and Mrs. Schutt; Mr. William Walch, an alumni, and Mrs. Walch; and Mr. Gene Forsell of radio KIST.

Sigma Phi Epsilon

After a hotly contested election Wayne Morrison was chosen last week to serve in the capacity of fraternity historian. He will follow in the footsteps of able Roscoe Butcher, who, through much hard work and effort accomplished a great deal during his career as historian.

At present the Sig Eps are getting their tuxedos out of moth balls in lieu of their coming spring formal. June 4 is the date and the place is the plush Coral Casino.

Delta Sigma Epsilon

Sigma Phi Epsilon fraternity members and Delta Sigma Epsilon sorority members had a tremendous time at the exchange dinner given on Wednesday night. Ten Sig Eps came to a roast beef dinner at the sorority house and ten

Delta Sigs were guests of the fraternity.

Spurs

Spurs will initiate new members of the sophomore women's honorary organization tomorrow in the AWS room from 7:30 until 9.

Gamma Delta Chi

Actives and alumnae of Gamma Delta Chi were guests of Alpha Delta Pi alumnae on May 15 at a Founders' Day tea. The occasion was the 98th anniversary of the founding of Alpha Delta Pi, oldest secret society for college women, at Wesleyan College, Macon, Ga., the world's first chartered college for women.

Attending the formal affair were Mrs. H. E. Handerson, Gamma Delta Chi patroness, and the following members and alumnae of the local sorority: Gerry Johnstone, president; Mrs. Maren Finley of Hollywood, Bobby Dodson, Marion Randall, Doris Kent, Virginia De Hospodar, Joyce Marie Johnson, Nancy Lee Hoyt, Jackie Hewes, Barbara Taylor, Lucille Warfield, Phyllis Norsworthy, Lola Scott, Shirley Butler, Dorothy Colby, Constance Terry, Doris Herman, Betty L. Smith, Lois Buchanan, Lois Smith, Ruth Thompson, Mary Frances Noel, and Phyllis Martin.

Gerry Johnstone was guest of the Los Angeles alumnae and the USC and UCLA chapters of Alpha Delta Pi at their Diamond Ball held at the Beverly Hills Club on May 7th.

Dance Class

The folk, modern, and child rhythm dance classes will combine to give an informal presentation of classwork tomorrow from four until five in the Women's Gym. Each class will demonstrate different dance problems and will present class dance projects. All those interested are invited to attend.

Blue Key

The history of the Blue Key, men's honorary senior fraternity, and its ideals and accomplishments were presented to its newly initiated at a banquet held on Sunday, May 15, at Elmer's Restaurant. Initiated were: Stan Baker, Robert Greenwell, Albert Hardy, Arnold Hargis, Alvin Katich, Edward Morris, Frank Mathew, Louis Munson, Richard Norton, Jerry Rose, and Henry Use.

Faculty Blue Key members present included Dean Hayes, Dr. Russell Buchanan, and Coach Willie Wilton. Dean Hayes discussed the

relationships of the Blue Key to the College Administration from the point of view that Blue Key is an organization recognizing school leadership. Dr. Buchanan gave a short description of the history and accomplishments of the local chapter. Encouragement of greater participation over the past years was advocated by Mr. Wilton. Praise of accomplishments and expectations were given the organization by members of the faculty.

Delta Phi Delta

Delta Phi Delta, honorary art fraternity, held its annual election of officers and the following members will head the club for the coming year: President, Roger Cloutier; vice-president, Peggy Rose Urner; secretary, Joanne McGarry; treasurer, Walter Hill; and historian, Shirlee Parker.

A series of slides was presented by Mr. Jacob Hanse of the art faculty showing examples of craft work of the Scandinavian countries, particularly Denmark.

Delta Phi Delta is assisting the Hillside House fund-raising campaign by contributing posters to be used in downtown stores.

SAE

A joint party with the Occidental College chapter of SAE was held last Friday at LeVeys and it turned out to be a great success with dinner, dancing, and singing the order of the evening. The group later adjourned en masse to the Beachcombers Ball.

Saturday night the annual Spring Formal was held at the Montecito Country Club and included a pre-dinner get-together in the club's new lounge, a delicious dinner, and an evening of dancing to the music of the Stardusters.

SAE members were glad to hail the arrival of Gamma Sig alum Thornton Marker from his operative studies in the east. He plans to become a member of SAE as soon as possible.

SCLA

The Student California Leader's Association will hold their final get-together affair of the term with a Sunday afternoon picnic at 12:30 p.m., at reserved tables in Oak Park. Honored guests will be the graduating student teachers and their supervisors from the city schools and college faculty.

All members and their families are invited to attend and enjoy an afternoon of games, songs, and refreshments. A special feature of the affair will be a series of humorous last-minute speeches to those about to enter the teaching profession.

Alpha Theta Chi

Janet Leask was recently elected the 1949-1950 president of Alpha Theta Chi sorority. Janet is from Los Angeles and is at the present time teaching at Roosevelt Grammar school. Other officers elected for next year are Gerry Wheldon, vice-president; Pat Henon, rush chairman; Jody Hogan, recording secretary; Pat Gebhardt, corresponding secretary; Jean Kistler, treasurer; Audrey Scott, pledge

captain; Joan Wilson, house manager.

Formal installation of the new officers will be held Monday, May 30, at the sorority house on Prospect street.

Last Monday night, May 23, the Alpha Thetas journeyed to the Lambda Chi fraternity house for a joint meeting. Ping pong, billiards, cards, dancing, and refreshments furnished the entertainment for an enjoyable evening.

Wednesday, May 25, the Delta Zetes were guests of the Alpha Thetas at a picnic supper given at the home of Mrs. Paul Jones, a patroness of the hostesses.

Square Dance Club

Square Dance Club meets for the last time this semester on Thursday evening, May 26, at 7:30 in the Women's Gym. Faculty and students are urged to attend. Instructions will be given beginners. The last meeting of the group welcomed many Home Ec and I A majors who journeyed over from their joint picnic. Jean Bellinger, instructor in Women's Physical Education, called the sets for the square dance fans.

I A Club

Thursday, May 19, the Home Economics Club gave a party for members of the Industrial Arts Club. The party was held in the college cafeteria where party games followed a cafeteria style supper prepared by the Home Ec students. George Cole, prexy of the I A Club, stated that the fellows had a swell time. Joanne Cassell, president of the Home Ec Club, was in charge.

Tau Gamma Sigma

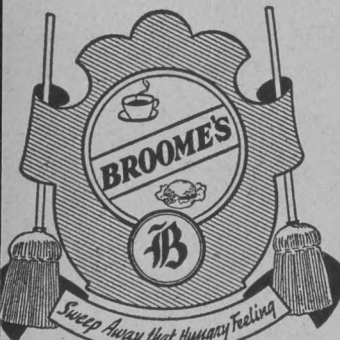

Tau Gamma Sigma sorority has many social events planned in the near future. Wednesday there will be an exchange dinner with Sig Ep fraternity. Friday night, May 27, the patronesses of the sorority have planned a Spanish dinner in honor of the active members and pledges. Saturday, May 28, the Tau Gamma will hold their annual formal Sweetheart Dance at the Biltmore. A party at the sorority house will precede the dance, and a breakfast at Elmer's Restaurant will terminate the evening.

Sigma Tau Gamma

The Sig Taus polished off their schedule of Spring social activities with a formal dinner dance at the Elks Club Saturday, May 21st. With the baarlroom decorations carrying the theme of the "White Rose Formal," beautiful music by the Stardusters, and gold compact favors for the ladies, everyone agreed that it was a fitting climax to the Spring semester.

The last business meeting of the semester will be held Tuesday evening, June 1st, at which officers for the Fall term will be elected. These officers will take office after a formal installation and initiation ceremony in the Fall.

Nick Sends Three to Big Meets; All-College Decathlon Begins

Coach Nick Carter announced yesterday that he planned to send Mel Patton, Del Pickart, and Willie Dancer to the Compton Invitational track meet on June 3 and to the NCA meet in Los Angeles on June 17-18. In the same breath the track coach made public the fact that the second all-college decathlon will begin today at 2 p. m.

Last year's decathlon was won by Sam Cathcart. Carter hopes to make it an annual affair and urged that anyone interested in participating should contact him or be down at La Playa Field by 2 p. m. The events will run for today and tomorrow. Half of the decathlon will be run off each afternoon. The meet is open to everyone.

Compton Invites

Compton College invited Pickarts, Dancer, and Patton to compete in their relays to be held in the southern city on June 3. All have had successful seasons of competition behind them and should make a fine showing for Santa Barbara. The same three men will also travel to Los Angeles for the NCA meet to be held June 17 and 18. This will be only the second year that the Gauchos have had representation at this annual event. Last summer, Sarl Engman placed fourth in the chop, skip and jump in a very creditable showing.

The AAU meet this year will be held at Fresno on June 24 and 25. Dancer and Pickarts will attend this meet but will be representing the Los Angeles Athletic Club. The Los Angeles Invitational is scheduled for some time early in the summer but as yet no plans have been made concerning this meet, according to Carter.

Dancer was far from his best form at the Coliseum Relays in Los Angeles last week-end. He finished in second spot behind George Stanich of UCLA, who won with a jump of six feet, four inches. Dancer has gone as high as 6 feet 6 inches but could not get over 6 feet 2 inches at this meet. If the lanky jumper shows a top effort at any of the forthcoming events, he should walk off with the first place ribbon.

Patton Leads

Mel Patton was elected captain of this year's track squad and finished out the year by leading all competitors with 55½ points, made up on a basis on placings throughout the year in all college events. Pickarts was in second place with 48, and Dancer right

Ball Club Meets Fresno in Finale

Coach Joe Lantagne's weary horsehiders wind up a wretched season this week-end when they meet the second place Fresno State Bulldogs in three games at Cabrillo Field. The first contest will get under way Friday afternoon at 3, and a double-header will finish out the series on Saturday, first game starting at 1 p. m.

At the moment, the Gauchos are tied for the cellar with San Diego State College, each team having won four and lost eight. San Jose cinched the conference crown last week-end when they blasted the Bulldogs, two out of three, in the crucial series of the year. The Spartans won the opener, 21-8, lost the second game, 11-10, and then staged a thrilling comeback to outlast Fresno in the finale, 13-8.

Hal Abbott is a virtual cinch to win the Gaucha batting championship for all season's games, but the week-end series will probably have to decide the outcome of the Gaucha conference game crown. Abbott has pounded the pellet for a .431 mark for all games and a .371 for the twelve league games. No one else is hitting over .300 for the season but Buddy Gmur at .357, Danny Kutch at .361, and Neil Goedhard at .316 for conference games all have a fine chance to overhaul the scrappy Abbott.

FOUND

At Najoqui Falls, a man's watch bearing the UCSB seal on the leather band. Owner may have same by identifying the lost article. Contact Fin Hollinger, Radio KIST.

Golfers Tee Off Against Loyola

Seeking to avenge an earlier loss, Santa Barbara's eight-man golf squad will tangle with the Loyola linksmen tomorrow afternoon at the Montecito Country Club in a match slated to begin at 1 p. m.

Ernie Reid and San Randolph will play off this week to decide who is to represent the Gauchos at the number one spot. Don Nergord will play number three, Pete Reid, four, and Jess Dawson, Bill Gingham, Bill Sturges, and Bill Emmons will round out the club. The latter four men also will play off to determine the way they line up against the Lions.

Loyola handed the Gauchos their only defeat of the year, whipping them 39-19 in a match played in Los Angeles. Since that time, the locals have triumphed over four other opponents, although they finished up in fourth spot in the 2C2A finals.

This Friday, the Gauchos wind up their season by traveling to Cal Tech where they play a return engagement with the Engineers at the Pasadena Golf Course. Six men will make the trip. Santa Barbara romped to an easy 19½-1½ victory over Cal Tech earlier in the year.

College Announces '49 Football Sked

Santa Barbara College officials announced recently that the 1949 football schedule for the Gauchos would consist of four non-conference games besides the regular meeting with each of the other five 2C2A elevents. A home game with Whittier College on September 23 will start off the fall gridiron season.

The season will feature the first appearance of the Gauchos in the L. A. Coliseum when they meet Cal Aggies in a preliminary game before the UCIUCLA tussel as a part of the University of California's second annual all-campus day festivities.

The traditional Armistice Day battle with Cal Poly will be held in San Luis Obispo for the first time in Gaucha history. The two ancient rivals have always clashed on the La Playa turf.

The complete schedule for 1949 is as follows:

Sept. 23—Whittier, here.
Sept. 30—Pomona, there.
Oct. 7—Occidental, here.
Oct. 14—Fresno, here.
Oct. 22—Son Jose, there.
Oct. 29—Cal Aggies, L. A.
Nov. 4—COP, here.
Nov. 11—Cal Poly, there.
Nov. 24—San Diego, there.

Gridmen End Spring Practice Tomorrow With Inter-Squad Tilt

Climaxing a short but arduous spring football practice session that saw as many as 25 or 30 candidates trying out, Coach Roy Engman's perspiring prospects ring down the curtain tomorrow afternoon at Playa Field when they tangle with a squad of old timers headed by last year's senior letter winners. The contest will be the sixty minutes in length and is slated to begin around 2:30 p. m.

Dick Gorrie will lead the varsity from his quarterback position. Russ Bertell will start at fullback and Doug Gorrie and Royal Cathcart will be at the halves. Casida at right end, Francisco at left end, Wooldridge and McPike at the tackles, Noonan and Dominguez at the guards and Vinton at center will round out the varsity team that will form the nucleus of next fall's eleven.

Glenn Mullaney is expected to get the call at quarterback on the opposing squad that is composed mostly of lettermen who have played their last season in Gaucha colors. At right halfback is Max Diamond, with Sam Cathcart starting off at left half. Jack Miller is expected to begin the game at his old familiar fullback spot. Bernie Paulson and Al Katich will hold down the end spots, Jim Goslin and Max Pickarts will start at the

tackles, Cy Williams and G. Crilley will perform at guard and Conradi will start at center.

Other members of the prospective squad who have been tried out this spring and who will undoubtedly see much service in clash tomorrow include Hal McAdams, Fredrickson, McVanderline, Peters, Smith, Ischer, Bowdey, LaCava, Reyn Vengel, Zblongi, and Criss.

Plenty of familiar faces will be seen at the game, but there be several that are new to Santa Barbara football. Clyde Francis is a transfer from Chaffey and expected to start at left end. Jack McPike is a transfer from Salinas. Doug Gorrie, brother to Dick, followed his kin to Santa Barbara from the Pasadena campus, Jerry Vengel is a newcomer from Redondo Beach.
