SANTA BARBARA, CALIFORNIA, FRIDAY, NOVEMBER 14, 1924

No. 9

## LA CUMBRE STAFF ANNOUNCED BY EDITOR

MANY PICTURES WILL  
APPEAR IN ANNUAL

Cartoon Section and Beauty  
Contest Will Be New  
Features

The partially completed staff for the 1925 La Cumbre has been announced by the editor, Ted Ellsworth.

Work is going forward rapidly for La Cumbre, and if present plans mature, the 1925 edition of the annual should be the best ever. The cartoon section and the beauty contest, already announced, are two new features that should add greatly to the popularity of the book. In accordance with the scheme begun in last year's book, there will be a great number of pictures and a lesser amount of printed matter. Thus the slogan "The 1925 Pictorial La Cumbre" has been evolved.

The staff which has been selected is as follows:

Managing Editor.....Ted Ellsworth  
Assistant Editor.....Margaret Burke  
Assistant Editor.....Barbara Dewlaney  
Literary Editor.....Helen Culp  
Photography Manager.....Everett Hartwell  
Ass't Photography Manager.....Oran Booth  
Typist and Secretary.....Madeline Klinke  
Artists.....Margaret Kincher, Barton, Hopkins, William Everett, Clara Parrett.  
Social Editors.....Jean Christy and Ester Janssens.  
Josh Editor.....Etta Burnett  
Humor Section.....Eleanor Warren  
Student Body.....Jessica Lemmon  
A. W. S. Editor.....Clara Ziegeler  
Men's Club Editor.....Lewis Peters  
Musical Activities Editors.....Jessica Lemmon, Lewis Peters  
Forum.....Margaret Cronise  
Social Science Club.....Bernice Gange  
Outing Club.....Clara Ziegeler  
Men's Athletic Editors.....Sidney Doner, Edmund O'Reilly  
Women's Athletic Editor.....Barbara Dewlaney  
Alumni Editor.....Dorothy Pratt  
Calendar.....Betty Eddy  
Class Editor.....Edwina Kenney  
Titles Editors.....Margaret Burke, Margaret Cronise  
Annals.....Betty Eddy  
Rallies.....Harriet Coleman  
Oratory and Debating.....Margaret Burke  
Dramatics.....Anne Hartwell

The are also several positions that have not been filled as yet, and any people interested are asked to see the editor at their earliest convenience.

### FACULTY INVITED TO MEETING AT HIGH SCHOOL

The Santa Barbara Congress of Mothers and Parent-Teacher Associations extended an invitation to the faculty to attend a reception and musical program at the High School auditorium this evening at eight o'clock.

### A. W. S. CONFERENCE HELD AT FRESNO THIS WEEK-END

The Sixth Annual Intercollegiate Associated Women Students Conference is being held today and tomorrow at Fresno. The Santa Barbara delegates, who are Clara Ziegeler, Eleanor Warren, Ruth Garner, Etta Burnett and Dean Pyle, left this morning at five o'clock in Etta Burnett's car, and hope to arrive in time for the Women's Athletic Association circus Friday night. Two business sessions will be held on Saturday and the delegates will be guests at a luncheon given by the Women's Athletic Association Saturday noon. In the evening a dinner will be given at the Hotel California.

Our delegates decided to wear sport costume, white sweaters and skirts and rooters caps, to carry canes and pennants. The stunt will be the singing of an original song which was written for the occasion. The song may afterwards be adopted as the official A. W. S. song.

### STUDENT BODY MEETS THURSDAY MORNING

A great deal of enthusiasm was worked up for tomorrow's game at the regular Student Body meeting Thursday. President Hawley's plea for the attendance of the entire Student Body at the game met with hearty applause. Since President Phelps guaranteed the presence of the faculty at the game, Mr. Hawley urged that every student attend the game. A display of pep and enthusiasm accompanied several yells, which were led by Dice.

### BOOSTERS' PARADE HELD TODAY

A boosters' parade will take place this afternoon in anticipation of tomorrow's game.

A truck, loaded with a group of students who will sing and play various instruments, will be driven up and down State street in an attempt to arouse the interest of the townspeople in our last game here this year. The truck will be attractively decorated with the College colors.

### NEW STUDENT STARTS COLUMN OF WIT

"If you can lasso a swift and penetrating epigram as easily as you can a damsel for the next dance—if you can weave a rollicking bit of verse as easily as you can weave an excuse for your last week's cut—if you can string an idea till it glitters like a rope of pearls as deftly as you can string your landlady along for your back rent—then by all means send in your contributions to the editor of your college paper."

With this illuminating explanation the editors of the New Student announced the establishing of a national college column of original witty and satirical paragraphs either in prose or verse. Each week a different college will have a column of wit in The New Student. Editors of the different college papers who enter the contest will send in the best material of the kind that has been written in the school. This will be printed under the name of the school paper.

The Eagle has decided to participate in the plan, and any contributions will gladly be received by the editor. All material must be original and not previously printed. Again, in the words of The New Student, "Get busy now, you adorable, dangerous, fascinating wits."

## Roadrunners Promise Close Game With Bakersfield In Final Scrap of Season

Most of the townspeople who are interested in football have lost interest in the Roadrunners, due to the percentage of defeats which the team has suffered. Nevertheless, tomorrow's game with Bakersfield Junior College at Pershing Park promises to be one of the fastest and closest games of the season.

The Bakersfield team has a fine reputation for speed and fair play on the gridiron. Her latest victory was a 7-0 battle against California Christian College in which both teams showed remarkable ability. "Cal Cris" has risen

I want to call attention to the fact that the football game on Saturday with Bakersfield marks a very important point in our athletics for the year.

Up to date, the team has not made a satisfactory showing and has been the subject of some unfavorable criticism. The chance is here on Saturday to retrieve and to establish a satisfactory reputation at the close of the season.

I should like to have faculty and students, in so far as it is possible, make a point of being at the game on Saturday afternoon to give the team all the support they can. I hope that faculty, students and team will go on the field Saturday expecting that we are going to win. I believe under those circumstances that the team will get into the game and fight hard enough so that the large end of the score will be ours. At any rate, let us expect of them that every man in every place will do his best. Let us let them know that we are there expecting that and nothing less of them and that if they do that, we will be satisfied with the result, win or lose.

C. L. PHELPS, President.

### PROGRAM OF FOLK DANCES TO BE GIVEN

The second period gymnasium class of the Freshman Home Economics girls has organized to plan and to give a program presenting the folk dances of the different nations.

Ione Wilson was elected to head the group, and committees were named with the following chairmen: Program Committee.....Elsie Travis  
Costume Committee.....Edith Comstock  
Personel of Dances.....Kathryn Kueffer  
Arrangement of Dances.....Ruth Kueffer

Miss Weage has given the work in such a way that the girls have shown much interest in these various dances and are deriving a great deal of pleasure in working out this program.

### DEBATE PLANNED BY SOCIAL SCIENCE CLUB

Deciding to depart from the serious attitude maintained during all of its previous meetings, the Social Science Club will discuss the following more or less humorous yet vital question: "Resolved that women should pay half the expenses of courtship and friendship," at its next meeting which will be held in the Chamber of Commerce on December 3. The affirmative will be upheld by Ted Ellsworth, Maxwell Conklin and Dorothy Edmondson, while the negative will be supported by Carl Wirths, Anne Hartwell and Marjorie Brown. Following the debate, a general discussion will take place.

from her former class, and the sages say she would stand a good chance against the Roadrunners now. Those who saw last week's game will say that Bakersfield has a faster team than the score would seem to indicate.

The Bakersfield team has for a nucleus a number of letter men whom last year's Roadrunners will recognize. Among them is the heavy Bakersfield fullback who plowed the local line for many yards last year.

Last year the local outfit suffered a 13-18 defeat at the hands of the heavy line and fast backfield of the Bakersfield aggregation. That was when our backfield was not so versatile; and it takes a good man to penetrate the line now.

The two teams are pretty well matched. Casey has ample material to draw the winning team from; and if Bakersfield's triple-threat fullback does not prove too much for the local outfit, the Roadrunners have an excellent chance for a victory.

The team is in fine condition, the odds are for us; and the only thing wanting is the support of the entire Student Body at the game tomorrow afternoon at Pershing Park.

### PRESIDENT PHELPS WILL ATTEND IMPORTANT CONFERENCE IN NORTH

President Phelps will leave for the North next week to attend the annual meeting of the State Conference on Teacher Training, which is to be held at Hotel Oakland on November 21. Various topics of potent concern in the field of teacher training will be considered during the conference. President Phelps has been asked to speak on the following subject: "Should life diploma standards be changed? If so, suggest specific changes in law."

During the conference, a meeting of the presidents of State Teachers Colleges will take place. The presidents expect to discuss the vital subjects of intercollegiate athletics and fraternities and sororities in their relation to campus life. The status of intercollegiate athletics is arousing a great amount of comment among all college administrators. In all probability, the State Teachers College presidents will pass some definite resolutions in regard not only to intercollegiate athletics but also pertaining to fraternities and sororities.

Mr. Harry Linscott, representative of Ginn & Co., was another visitor to the College on Wednesday. He spent some time interviewing President Phelps and looking over the campus.

## OUR LAST CHANCE

Tomorrow we play football on our home ground for the last time this year. Why not buck up students, and show what you're made of? Every member of the College is to blame for the rampant complaints of outsiders regarding the back-bone of the team. Do members of the team train? Do they forego pleasures in order to be in the best physical condition for all games? Some do and some don't.

But have we as students made obedience to training rules any easier for the fellows? Have we as students encouraged training? Hav we condemned disregard of training rules as disloyalty to S. B. S. C.? No, we have not. Some have secretly and even openly admired the breaker of training rules. What kind of loyalty is that?

The physical condition of the team is not the only thing which has received severe condemnation. The morale or lack of spirit has been a constant drawback. Here again, ask yourselves—who is to blame? The team is representative of the College and only too well exhibits dissension among the ranks. Although members of the team have worked together for eight weeks, they can not or will not pull together. If team members are not all working as one unit, neither a defeat nor a victory is a triumph. The team which loses with a spirit of "do or die" gains a bigger victory than any winning team with division in its ranks. If you'll put the honor of the College before your personal glory and fight FIGHT, FIGHT, for Santa Barbara no matter what the score, you'll make a name for S. B. S. C.

Again the lack of co-operation does not exist among team members only but is an example of the inability of our Student Body to put aside all petty personal aims and work for the best interests of the school. We have a College which needs our undivided support heart and soul. Let's forget our differences and learn to be loyal to our College.

Tomorrow is our last opportunity to redeem ourselves on our own field. Let's unite in a final effort to uphold the honor of S. B. S. C.

## FOUNDER OF COLLEGE TRAVELS IN EUROPE

Mrs. Ednah Rich Morse, founder of the College, is travelling in Europe, and, according to a card recently received by Mrs. Miller, is having a most enjoyable trip. The card was written from Geneva, but Mrs. Morse was planning to spend the following week in Berlin. Mrs. Morse has been in Vienna, Budapest, Bucharest and Prague, and plans to visit Amsterdam, Brussels, Paris and London.

Mr. Gibson, a retired capitalist, and Mayor Andera visited the College on Monday. Mr. Gibson has evinced considerable interest in the progress of education, especially in Santa Barbara College.

Jean Christy, Gordon Monfort, Betty Eddy and Clifford Leedy went on a hike Tuesday night along the Mountain Drive.

## LITERARY FORUM MEETS MONDAY AT LIBRARY

The Literary Forum will meet Monday night at the Public Library. Members of the organization will discuss the type of thing which they are planning to work on individually in accordance with the new plan that each member is to produce something original during the semester.

It is possible that the Forum will sponsor a Christmas play. Plans will be discussed at the meeting.

## STUDENTS ADDRESSED BY MISS HODGKIN

Students were addressed by Miss Anita Hodgkin of the School of Christian Service last Thursday at the regular assembly period following Student Body meeting. Miss Hodgkin spoke in general terms about religious education and the need of young people in the field of Christian work.

## TENNIS MEN TURNING OUT EVERY NIGHT

Men interested in tennis are turning out every night at the municipal and canyon courts in an effort to make themselves a place on the varsity squad. As yet no schedule has been arranged, but the manager, Phil Brotherton, hopes to effect arrangements within a short time for a tour of Southern California in the early spring. The proposed trip would include matches with the majority of Junior Colleges and State Colleges in the South, as well as the Frosh teams of some of the larger institutions.

Two men from last year's squad, Brotherton and Ellsworth, have turned out for the sport, and with the several new men that show promising form, Abbott, Asakura and Greenough promise to furnish plenty of opposition for their opponents. Further announcements about the proposed schedule will follow soon in these columns.

## HYGIENE CLASS PLANS FOUR EXHIBITS

The Women's Hygiene class, which meets on Friday 3rd period, is planning to give four exhibits on posture and exercise. The first exhibit will consist of a series of posters pertaining to good and bad posture, good and bad foods, good and bad exercise, and their effects.

A number of charts showing the advance of community and national health, advance of health under proper conditions, betterment of height and weight under proper conditions, these will constitute the second exhibit.

The third exhibit, to show correct sitting and standing positions will be worked out with dolls. These three exhibitions will be placed in the cases along the corridor, each one being on exhibition for a week.

The fourth exhibit given by members of the class will show different postures. The girls will also show the correct way in which to remedy faulty posture. This exhibit will be given before all women students caring to see it, in the gymnasium the third period on the first Friday in December.

## RUGS EXHIBITED IN ART DEPARTMENT

On last Monday afternoon under the direction of Miss Camp the Oriental Rug class in weaving held a very attractive exhibit of Oriental Rugs, a Persian rug, an East Indian rug, two Mosul rugs, and a cashmere shawl.

Mr. Kupelian, who has an Oriental Rug Shop here in the city, came to see how the weaving was progressing. Mr. Kupelian gave the class many interesting facts about the rugs, and showed them how to make Persian knots.

Mrs. Miller brought to the exhibit a rug which Mr. Kupelian considered a very interesting rug, as it is an "old rug" that is not treated with modern methods.

It was a very interesting exhibit and proved very helpful to the members of the weaving class who are making little Oriental rugs on hand looms.

Two movable telescopes have been purchased for the Science Department of the Long Beach Polytechnic High School. The instruments will be an added convenience to the astronomy classes.

## PROGRAM GIVEN IN ELEMENTARY SCHOOL

Children of the College Elementary School celebrated Armistice Day with a program Monday afternoon. Parents of students were invited to attend the entertainment, which was directed by Miss Pond and Miss Crumby. The following program was arranged and given entirely by the pupils themselves: "America" and Flag Salute. The School Original Play.....Katherine Ames, Dorothy Jensen, Virginia Lee Sawyer, Ellen Mae George.

Piano Solo.....	Ruth Urton
Armistice Day Essay.....	Jack Williams
"When the Flag Boes By".....	Ruth Urton
Piano Solo.....	Mildred Felton
Story of the Star Spangled Banner.....	
.....	George Hewett
Piano Solo.....	Helen Schott
"My Captain".....	Helen Longaway
Health Song.....	Fifth Grade
Piano Solo.....	Lucia Deardorf
Piano Solo.....	Helen Schott

## ALUMNI

Margaret Streets, '22, of the Home Economics Department, is teaching Home Economics in the Long Beach High School.

Glenn Raper, '21, of the General Professional Department, is attending the School of Religious Education at the University of Southern California.

Eleanor Pinio, '20, of the Home Economics Department, is in the library at the University of British Columbia.

Stella Smith, a graduate of the Home Economics Department in 1920, is doing special Americanization work in the night school at Petaluma.

Leroy Rundell, '24, of the Junior College department, who is attending the School of Religious Education at the University of Southern California, has been recently elected president of the Social Department.

According to a telegram received recently, E. B. Cubberly, head of the Education Department at Stanford, is to be the speaker at the Southern Section of the Alumni Association breakfast to be held December 19 at the Alexandria Hotel in Los Angeles.

## EXCHANGES

The Men's and Women's Glee Clubs of the Nebraska State Teachers College are presenting the popular comic opera "H. M. S. Pinafore," by Gilbert and Sullivan.

The debating team of the San Mateo Junior College has its first debate scheduled for December 5. The subject to be debated is: "Resolved that in all criminal cases in California three-quarters of the jury can convict." The negative team will debate Santa Rosa.

The Sacramento Junior College chemistry exhibit at the California State Fair took the blue ribbon. All the equipment was furnished by the Junior College chemistry laboratories.

The Santa Barbara High School issued its first six-column paper last week, as it now has a linotype machine and a cylinder press installed in the shop.

## ELEMENTARY STUDENTS EXPRESS APPRECIATION

The following note of appreciation was received by the editor from a representative of the College Elementary School:

"The children of the College Elementary School wish to thank the students and faculty of the College for their co-operation during the ice cream sale.

"We cleared \$6.35, which we plan to use toward buying curtains and other things that we need.

"We feel that special thanks are due Miss Gaylord for the use of the cafeteria and lending us equipment.

"Also we thank President Phelps, Miss Camp, Mrs. Sawyer, Miss Ebbets, and Mrs. Price for donations."

## HOME ECONOMICS PARTY PROVES SUCCESSFUL

The party given by the Home Economics girls proved to be a very successful affair. The evening was spent in playing games, cards and Mah Jong. Miss Ebbets entertained the girls with a very interesting and amusing pianologue. Delicious refreshments were served, and everyone went home feeling that the party had been a real get-together one.

## BASKEBALL CONTESTS BETWEEN CLASSES MONDAY

Interclass basketball season will open abruptly Monday night, November 17, in the gymnasium when the Seniors will battle the Freshmen, and the Juniors will match skill against the Sophomores. The interclass schedule which will be completed next week is as follows:

Monday, November 17—Seniors vs. Freshmen at 7 o'clock; Juniors vs. Sophomores at 8 o'clock.

Wednesday, November 19—Juniors vs. Freshmen at 7 o'clock; Seniors vs. Sophomores at 8 o'clock.

Friday, November 21—Seniors vs. Juniors at 7 o'clock; Freshmen vs. Sophomores at 8 o'clock.

The finals will be run off some evening of the following week. The interclass games will be played early in the season to arouse candidates for basketball, to afford snappy practice for the later interscholastic games, and primarily to arouse enthusiasm for basketball in the Student Body.

The games will be played in eight minute quarters to allow two games to be played each evening before nine o'clock. This arrangement should provide ample entertainment for the Student Body next week.

The teams will contest for the interclass basketball cup now on display in the office. This cup was presented to the school by the students and Coach Gilliland in 1922. According to precedent, the losing class will pay for the engraving of the winners' name on the trophy.

The temporary managers of the various teams appointed by Coach Gilliland yesterday are as follows: Brimhall, Senior; Jimmy Anderson, Junior; Perry Linder, Sophomore, and Harold Furman, Freshman. A vote taken among the managers whether to adjudge the winning team by the number of points it makes or by the percentage of games it wins resulted in a unanimous decision in favor of the latter system.

Football season officially closes this week with the Bakersfield game, the Cal. Poly game next Saturday being a post-season game. Due to the possibility of a conflict between football and basketball practice for those who are out for both sports, there will be football practice only on Tuesday and Thursday of next week and basketball practice on the remaining afternoons. Basketball practice will begin Monday afternoon in the gymnasium; and after the Cal. Poly game, the practice will be regular. There are two basketball courts providing four baskets for the respective classes to practice with. Although practice will start immediately, training rules will be in force only after the regular season opens on December 1.

Most of the classes will meet today to elect a captain and to organize methods of practice.

### NOTICE

There are a few students who have not paid their Student Body dues. From now on these people will be denied the privileges of students in good standing.

See the Treasurer at once and straighten this out.

C. A. GORMAN, Treasurer.

## COLLEGE STUDENTS IN AUTO ACCIDENT

Three prominent College students, Beth Teall, Helen Culp and Phil Brotherton, met with an automobile accident while driving up Anacapa street on their way to College Thursday morning, when Brotherton's machine was struck by another machine. Although the three students escaped with slight injuries, Helen Culp received a minor cut on her forehead. Phil's machine was rather badly wrecked.

Mrs. Price, who has been absent from school with a slight attack of gripe, returned to College Tuesday.

## FRESHMEN WILL PRESENT UNIQUE ENTERTAINMENT

The Freshman class is working hard on the program which it will present before the students at the first Student Body meeting in December. The committee in charge of the program, Francis Peteler, chairman; Hazel Kramer and Viola de Leon, promise a unique and novel entertainment. Francis Peteler describes the program as a combination of all the wit and cleverness in school in a new and bizarre way. New and startling, different and novel, clever and humorous—these give but a hint of the marvelous program fresh from the verdant brains of the Frosh.

### PERSONALS

Bertha Fuller spent last week-end at her home in Pasadena.

"Scottie" McGee went to Los Angeles last week-end.

Florence Foy, a prominent member of the Junior class sailed from Wilmington on Monday for Panama. She plans to be gone from three to nine months.

Several College students took part in the Armistice Day parade Tuesday. On the Float of the Nations, Marie Girard represented France, while Lois Pearson represented China. On another float, Evelyn Brooks impersonated the Statue of Liberty.

A large number of students attended "Carmen" last Friday night. Geraldine Farrar was playing the title role.

Mable Ellis has been kept very busy during her spare minutes getting hold of a Spanish costume to wear at the Kiwanis tea given today at the Samarkand. She has the job of passing out flower boutonnieres.

Our students missed a regular fire Wednesday. The boiler in the Washington School blew up. It caused great mental havoc, but no lives were lost.

Mac Watson has made many visits to L. A. lately, but this week-end she intends to favor her home.

Some of the faculty members and students were guests at a tea given by Miss Martha Baxter in her studio last Saturday afternoon for Mr. and Mrs. Whittemore. Miss Baxter is one of our former art instructors.

A new language Club, "Harelip" by name! Many of our College men have joined. The only entrance requirement is a little hair on the upper lip. How do you learn the language? Just talk with some of the charter members and you will soon find out. Bill Aiken and Ted Ellsworth are most prominent.

Armistice Day a holiday! "Not much," report some of the students who spent the day deep in study. We are glad to hear our College was not forgotten during the varied programs of the day.

That rain was a drencher but it did not look as if our enthusiasm was drenched. Everybody came to College looking as if the cobwebs had been washed out of his eyes.

### What Did He Mean?

"Oh, Harry! I saw a big fish, that long, under the ice."  
"Nonsense, my dear! I'm sure it was your reflection."

The Student Body of the Kern County Junior College is presenting the amusing comedy "The Boomerang" by Winchell Smith and Victory Mapes. The Santa Barbara Community Arts Association produced this play with much success.

## PRESIDENT PHELPS WILL SPEAK IN CINCINNATI

President Phelps has been invited to deliver a thirty-minute address before The American Association of Teachers Colleges, which will hold its annual meeting at Cincinnati, Ohio, on February 21. His topic will be "New Factors in the California Teacher Preparation Program." He has been asked to give a birds-eye view of some of the larger details of this preparation program, especially wherein it differentiates from the more or less typical teacher training program elsewhere.

Here's to the Freshmen,  
The best of their time,  
They don't take defeat  
For defeat doesn't rhyme.  
They have the pep  
As well as the step,  
And you can't be a Freshman  
Without a good "Rep."  
So we say that the Freshmen  
Are minding the rule,  
And they keep their work going  
As well as the school. —Ex.

## ROADRUNNERS LOSE TO SAN DIEGO 42-6

The Santa Barbara Roadrunners went down to defeat before the San Diego Hilltoppers last Saturday to the tune of 42-6. The game was exciting throughout, despite the one-sided score. The Roadrunners tried a barrage of passes, 32 in all, completing 11 of these. The Southerners broke up 15 passes and intercepted 6.

From the kick-off, the Hilltoppers took the ball and drove thru the line for a touchdown in six plays. When the Roadrunners got possession of the ball, it became evident that the aerial route would be the only road to a touchdown; so an open game was begun. It seemed as if the local lads could not hang onto the ball when they received it, for they dropped the ball often enough to score several touchdowns. The half ended with the score 21-0.

During the second half the local men put up a desperate fight for a score, but again intercepted passes put the dimmer on the hopes of the Roadrunners. The Southerners put over three more touchdowns, completing two long passes for touchdowns. Then came the locals' chance. Four passes put the ball on the four-yard line, and bucks by Anderson and Hollingsworth put the ball over. Foss failed to convert. A feature of the game was the punting of Foss, who attained the remark-

## CHRISTMAS CARDS MADE BY ART CLASS

Students in the Public School Art and Methods class are making designs for Christmas cards under the supervision of Mrs. Crowell. Cards will be for sale as soon as plates for them have been completed and the cards printed. Several students have already received orders for cards.

## STATE ENGINEERS VISIT CAMPUS WEDNESDAY

Mr. F. M. Stewart and Mr. Poage, State Engineers, visited the College Wednesday inspecting the buildings and campus. According to reports, the engineers were here in the interests of the proposed athletic fields, and both expressed favorable comment on prospects for athletic field improvements.

able average of 41 yards on 12 kicks. Anderson and Foss also gave a splendid exhibition of passing, and only the "butter fingers" of the locals on the receiving end prevented several more scores. San Diego made 20 first downs, while the Roadrunners made a total of nine.

The line-up was as follows:  
Santa Barbara— San Diego—  
Keim ..... rel ..... Dotson  
Foss ..... r t l ..... Scheving  
Brooks ..... r g l ..... Stahlfield  
Ellsworth ..... c ..... McCreery

Anderson ..... l h r ..... Hancock  
Hollingsworth ..... r h l ..... Russo  
Vince ..... f b ..... Dilley  
Subs for S. B. C.: Garber, Morehead, F. O'Reilly, Hawkins, Brownsberger, Baranov and Fritz.

## HIKE TO INSPIRATION POINT VOTED SUCCESS

Seventeen hikers made their way to Inspiration Point last Friday, leaving the College at 5 P. M., on the first trip made by the Outing Club this year. Those who took the trip report that the hike was short and easy and an excellent fore-runner in preparation for the longer, more strenuous hikes to be taken by the Outing Club members later in the year.

Hiking over the Riviera road to Mountain Drive, the hikers followed the Drive to the Inspiration Point trail and then climbed a short distance to Inspiration Point. Members of the hiking party claiming that they were ravenous decided to eat their lunches before reaching Inspiration Point. Accordingly, a fire was built and the lunches devoured amidst much jollity and raillery.

Although only Outing Club members will be allowed to participate in the coming trips of the year, all College students were invited to go on the first hike. Due to the fact that several Outing Club members are on the football squad which journeyed to San Diego, the men of the College had only four representatives on the hike. Those who enjoyed the fun are, Lewis Peters, Maxwell Conklin, Oran Booth, Merle Weidman, Ella Wegener, Marian McCandless, Lucile Fratis, Louise Tompkins, Grace Miksch, Evelyn Marshburn, Sue Swearingen, Helen Clarke, Katherine McClean, Marjorie Granger, Josephine Bolton and Barbara Dewlaney.

## OUTING CLUB WILL SPEND WEEK-END AT CABIN

During the Thanksgiving holidays the Outing Club will go on the first auto trip of the year, a three-day stay at the Cabin on the Santa Ynez River. Members of the club who are remaining in the city during the holidays will welcome the opportunity to spend a few days in the open, and at the same time put in many valuable hours of practical science.

The three days will be spent in hiking around the territory near the cabin, a hike being planned to the Osos Canyon, and for the more sturdy hikers to Little Pine. Quail hunting at the Santa Ynez is unexcelled at this time of year and should afford diversion for many of the club members.

It is planned to leave College at 7 o'clock Friday morning after Thanksgiving and journey over the San Marcos by machine and then up the Santa Ynez to the cabin. Return will be made Sunday afternoon by 6 o'clock. For the convenience of several of the members, some of the machines will return Saturday night.

## PRESIDENT PHELPS SPEAKS BEFORE WOMAN'S CLUB

President Phelps was invited to speak before the Woman's Club which met at the Lobero Theatre Wednesday afternoon. The club requested President Phelps to tell them about the College, its functions, importance and prospects. The Woman's Club has evinced considerable interest in the progress of the College.

## SECOND ORDER OF ROOTERS CAPS ARRIVES THIS WEEK

The second order of rooters' caps arrived in the co-operative store this week. Students who ordered them are urged to get them as soon as possible.

## UNIVERSAL CLUB INFORMED OF SCANDINAVIAN CUSTOMS

Members of the Universal Club and Mr. Peter's Geography class enjoyed an interesting talk by Miss Poulsen last Friday. Miss Poulsen told of her travels in the Scandinavian countries this summer.

The Scandinavian people are decidedly opposed to co-educational education. Miss Poulsen told of a school that she visited which is composed of boys and girls from eight years through Junior College, but the building was divided into separate schools with high walls and locked doors separating them. In these countries the metric system is in common use. Theatres in these countries are very different from those in America. During the show, which lasts from 7:30 to 11:30, refreshments are continually being served. Not once during the whole show, Miss Poulsen said, was the main curtain let down.
