Phelps Announces 'A' Rating For Gauchos

Fresno State College Wins Only Other Honor Status Similar to Gaucho Rating Given by Convention

By maintaining its progressive educational program, Santa Barbara State college was given a class "A" rating as an accredited teachers college by the American Association of Teachers colleges which has just completed its annual meeting held at St. Louis this year.

Announcement of the award was received by President Clarence L. Phelps yesterday afternoon. Fresno State college was the only other institution to be similarly rated by the convention.

Rating Based on Points

Standards for the award were on an eleven point basis adopted by the association in 1932. These standards for teachers and normal schools include a definition of teachers college, requirements for admission, standards for graduation; preparation of faculty, teaching load of the faculty, training school and student teaching; organization of curriculum; student health and living conditions; library, laboratory, and shop equipment; building and grounds, and financial support.

Standards were administered by the committee on accrediting and classification which was instructed to consider as especially important factors the character of curriculum, the efficiency of the instruction, the standard for granting degrees, and the general tone of the teachers college.

Phelps Speaks by Proxy

As a delegate to the convention, President Phelps was represented by a proxy speaker who presented his topic of "Recent Changes and Adjustments in Certain Teacher Training Institutions: A Study of Effects of the Depression Period."

In making the award public, President Phelps stated that this college has received the rating often before, and thus is indicative of a steady progress, when compared to the remarkable advance of teacher training schools in recent years.

'Flu' Prevalence Subsides Greatly on College Campus

The general prevalence of severe colds, gripe and influenza is subsiding, having reached seventy five per cent of the students in either a mild or fairly severe form, according to a recent report from the health cottage. Dr. Markthaler is pleased with the cooperation of the students in reporting their illnesses promptly and thus receiving the proper advice.

His advice for people who have had infection is to live as regular and normal a life as possible with plenty of rest, good food, and fresh air.

There is an increase in the number of cases of poison oak due to the recent February rains which resulted in a good growth of the plant. Persons affected with poison oak should treat it carefully as it may become severe.

Alpha Theta Chi's Choose Patroness

Mrs. Lloyd Hitchcock was chosen as new patroness for the Alpha Theta Chi social sorority last Monday night at the regular meeting held at the home of Ruth Carter and Louise Funk.

Plans for a tea honoring Mrs. Hitchcock to be held Sunday, March 22, at the home of Margaret Wood, 2224 State street, were formulated at the meeting. Alumnae and regular members will attend the tea.

State Co-Eds Win Contest

Winners Will Compete for State Then National Screen Tests

Two Santa Barbara State college students and one former student, Ann Gibson, Eleanor Lakin, and Evelyn Cregan, who won the finals of the Metro-Goldwyn-Maver tryouts on the stage of the Granada theater last Wednesday night, will have their screen tests made tonight.

From 200 Santa Barbara girls, 23 were chosen for the quarter finals last Wednesday night. Films taken tonight at the theater will be shown back here next week with the regular feature. The winners will compete in a State-wide contest as prospectives for a person to represent California in national competition. The winner of the national contest will be awarded a contract with the M. G. M. studios. A possibility exists that the runner up in any State selection, may also have a chance at filmdom.

Ann and Eleanor are both Freshmen, and the latter is a pledge to Phi Kappa Gamma, social sorority.

ACTION STARTS ON RENOVATION OF MEN'S CLUB

Complete renovation of the Men's club room is slated to begin on Saturday, March 21, according to President Denny McArthur. About seventy-five dollars will be spent on the project for new furniture and the setting up of a magazine rack, desk, and plaques of fraternities and athletic emblems. Dick Jackson and Lyman Goldsmith will be in charge of the work, all of which will be done by industrial education men and others who are interested and wish to volunteer their services.

No dance will be given by the men's club this semester, states McArthur, as the funds of the organization won't permit any extra expenditures.

A talk on conservation was given at the men's assembly last Tuesday morning.

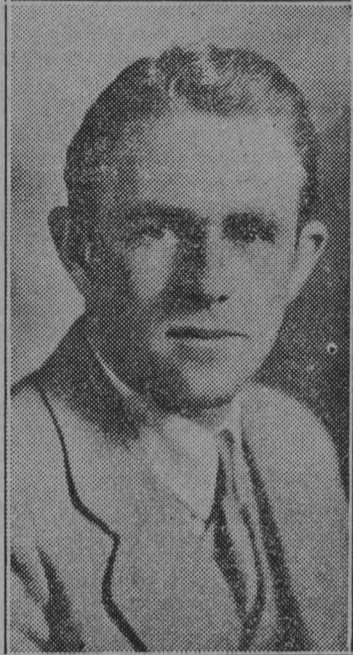

Plans for the annual hobo day to be held in April are under consideration by the club officers at present, and a large program is anticipated for the event.

Alpha Phi Gammas Pledge 5 Members

Five students were pledged to Alpha Phi Gamma, national journalistic fraternity, at a meeting held Tuesday, March 10, at the home of Virginia Moon.

Plans were also discussed for the annual Journalistic Day to be held on the campus March 27.

Noted Director Discusses Composer's Work

Henry Eichheim, noted musician and composer, spoke today on "Tschaikowsky's Fourth Symphony," in a special assembly held fourth hour.

Mr. Eichheim also incorporated in his talk, discussions of various composers and why they write. The well-known conductor has been placed on the college faculty as a lecturer for student assemblies.

He will direct the Sixth Annual Southern-California All-College Symphony concert which will be held at the Lobero theater, Tuesday evening March 17. The assembly was sponsored by the music department under the direction of Mrs. Helen M. Barnett.

ASB Assembly Hears Warren

Trends in Education Topic of Superintendent in College Talk

Superintendent of city schools, Curtis E. Warren, will speak to the associated student body at the regular assembly next Tuesday morning at 8:50. Mr. Warren has recently returned from a trip to the East where he attended several educational conventions, and he will speak on significant facts and conclusions in the world of education, based on his observations at the eastern assemblies Mr. Warren attended. A convention of the superintendents' division of the National Educational Association in St. Louis from February 22-27 following a meeting of the National Curriculum Society in the same city on February 20-21. Immediately after the St. Louis conclaves, Mr. Warren went to Chicago to be present at the convention of the Progressive Education Association which extended from February 28 through March 1.

Following Superintendent Warren's address, student body president Garlyn Basham will discuss the calendar of events for the remainder of the school year.

STATE DEBATERS PLAN TEAMS FOR LOCAL SCHEDULE

State college debaters will meet at 7:30 Sunday evening, March 15, at the home of Bob Kindred, 1821 Gillespie street. Plans for the coming debate schedule will be discussed, and the teams will organize their material and arrange for a series of practice debates between the three State squads.

Mr. Raymond McKelvey, of the social science department, will act as advisor to the group on material and subject matter in collaboration with Mrs. Hal Davis, who is regular debating coach for the group. The topic for debate is, resolved "That the Congress of the United States shall have the power to override decisions of the Supreme Court which declare acts of Congress unconstitutional."

The three teams who will be present include Mary Frances McKinney and Elizabeth Denman, Bill Ogle and Bob Kindred, and Garlyn Basham and Bill Hunt.

Areta Gams Discuss Informal Initiation

Convening at the home of Lola Cooper, 707 East Victoria street, plans for the informal initiation were discussed at the Areta Gamma sorority meeting. The pledges announced their intention to give a party

Seventy-five student musicians will arrive tomorrow afternoon and Sunday morning to participate in the sixth annual college symphony. A group of student body officers with Garlyn Basham as chairman will act as the official welcoming committee.

Eight Judges Act

Registration for the guest players will take place between 11 a.m. and 1:00 p.m. on Sunday at the student body office in the administration building. Throughout the afternoon, sectional tryouts for the first chair positions will be held in the music hall. The judging committee for the tryouts will include A. J. Belprez of Compton J.C., Fred Walberg of Fullerton J.C., Alexander Stewart of U. S. C., and Antoni van der Voort, Harry Kaplan, Carl Schulze, A. McAllister and Roderick White of Santa Barbara.

Orchestra rehearsals are scheduled for Sunday evening, Monday morning and afternoon and Tuesday morning with the dress rehearsals at the Lobero theatre at two o'clock in the afternoon. State college students playing in the symphony are Katherine Crebs, Pearl Smead and Bradford Tozier, violins; Eleanor Mellinger, harp; Elmer Niebuhr and Allen Lambourne, trumpets; Edward Cole, percussion; Fred Lambourne, bass tuba; Bruce Tomlinson, cello; and Fred Kilmer, trombone.

Students Hold Hop

The regular "Symphony Hop" has been set for Monday night at Rockwood from 8:30 p.m. until 11:30 p.m. A sellout of the Lobero theatre tickets is expected by Monday as reservations for seats are reported to be pouring in. Students are urged to hurry in order to obtain good seats. Housing chairmen have nearly completed their lists, but have requested that all students who have extra facilities sign up for reserve housing in case of any last-minute emergency.

All classes in Pine hall will be held elsewhere on Monday and Tuesday, as orchestra rehearsals will be held there.

Dr. Berkeley Blake Talks to Members of Relations Club

Dr. Berkeley Blake, pastor of the Unitarian church, spoke to the International Relations club last night on the subject of "Neutrality." The club met at the home of Elizabeth Denman, 2409 State street, and elected Elizabeth to succeed Allan Frick as president of the organization. Frick resigned his office this week to take a night job.

Following the lecture, the members held an open discussion of the cynical side of war, and the attitude of neutrals. Refreshments were served by the hostess and her mother, Mrs. C. V. Denman.

The election of secretary will take place at the next meeting of the organization which will take place in two weeks.

Watts and Wavers Adopt Constitution

Members of the new Watts and Wavers club met in room 20 of the industrial education building last Monday evening, March 9, and adopted a constitution for the organization. It was decided to extend membership eligibility to both men and women of the college and to alumni. Bob Paden, president of the club, gave an instructional talk on the subject of elementary radio theory.

Local Panther Women Have "Mickey Mouse" as Day's Theme

By BILL HUNT

Amazons of 15 Southern California high schools will congregate on the State college campus on Saturday morning, March 21, for a grand hair-pulling with the local panther-women as hostesses and referees. The "moteef" for the fracas will be (can you imagine?) Mickey Mouse! (Neither could we.)

An assembly at 10 a.m. o'clock in the morning will serve to get the gals on speaking terms and outline the order of the day. State's romper-clad femmes will have

complete charge of managing the affair, under the general chairmanship of Olive De Motte. Anne Forsyth heads the equipment committee, with Margaret Cooper, Mildred Carter, Clara Ross, Rena Sacconaghi and Rosie Pagliotti as assistants. Arguments will be settled by a committee headed by La Rue Steelsmith and Dorothy Riche. Eleanor Rees, Gretalie Fitzgerald and Ruth Hooker will keep the points.

Entertainment is under the direction of Lucille Garman, Jessie Griffin and Dorothy Weber. Luncheon for the Minnie Mice will be dispensed by a committee under Jean Goss, Edna Brown, and Frances Warring.

Adornment (decoration, to youse) is being handled by Helen Rogers, Elizabeth Vincent, and Cecile Ketz. Check room will be taken care of by Violet Barnett, Virginia Moellering, Mary Melano, and Eleanor Hourinan.

Sixth All-Conference Symphony

Music-lovers from Santa Barbara and surrounding vicinities annually flock to the Southern California All-College Symphony concert.

Six years ago under the leadership and organization of Clifford Leedy, Gaucho's popular band director, and Wesley Dickenson, student chairman of the activity, the Intercollegiate symphony made its first performance before an enthusiastic audience in the Santa Barbara High School auditorium.

Invitations were extended to all universities, colleges and junior colleges in the Southland, stipulating that these institutions select their best musicians to send to Santa Barbara to participate in a two day session preceding the concert. In this manner, the first college symphony started. Today, the all-college orchestra is recognized as one of the leading factors in furthering music appreciation, and is composed of the finest musicians from collegiate institutions in California.

Henry Eichheim, noted composer and conductor, will direct the group this year, which is composed of approximately 85 students. Much of the success of the concert is due to his untiring and inspiring leadership, during the past six years.

Off-campus ticket sales are being conducted by members of the Santa Barbara Women's club. Student distribution of tickets lies in the hands of the chairman of the school ticket sales committee, and the chairman of the special committee of the symphony. For several years the performance has "sold out." A worthwhile project such as this at State should receive the whole-hearted support of the associated students. Each year sees entire sororities, fraternities and other campus organizations occupying rows of seats or boxes, en masse. Townspeople follow earnestly the progress of the symphony, and come to the Lobero.

Organized for the purpose of creating interest in fine music and giving talented students an opportunity to come together, study and learn more of the masters' compositions under the direction of noted conductors, the all-college symphony has more than fulfilled the standards of success set for it.

Santa Barbara State College on Sunday will be host to many participants during informal try-outs and practices held in the afternoon. Meeting at dinner in the evening, the students hear a definite announcement of personnel for the program. Monday evening, the student body entertains the visitors with a "Symphony Hop" in their honor. Tuesday, all-day rehearsals and final preparations. In the evening at eight-fifteen, the audience is in its place. Behind the velvet curtains, the musicians take their places. Eichheim raises his baton—the house lights darken—and the Sixth Annual Southern California All-College Symphony is under way—M.F.M.

The newest organization among college men is the VFW, a military organization.

It means: Veterans of Future Wars, and the organizers maintain they ought to have their bonus through Congress by July at least.

Music - Art - Drama
C. BRUCE TOMLINSON

The Los Angeles Symphony ended its 1936 series of concerts Tuesday evening with a brilliant program which was enthusiastically received by the audience. Smetana's "Bartered Bride" is a colorful gay opera in which the ballet has a prominent place dancing many folk dances. The "Over-ture" which was played by the orchestra certainly radiates the gayety and spontaneity which characterizes the whole opera.

The feature of the evening was the playing of the Beethoven Violin Concerto by Bronislaw Huberman. This artist, although not so well-known in America, has an enviable reputation in his homeland Germany and on the Continent. Few who heard his forceful and finished playing Tuesday evening will soon forget it—nor the beauty of his tone or the brilliance of his technique. It is seldom that one hears such a difficult work played with so many of the qualities found only in less technical compositions.

The program ended with the Dvorak "New World" Symphony. Americans like this work, not because the program notes say it was written in this country from southern negro themes, but more because they innately respond to the music itself. It does have the spirit of America and the new world in it. And we easily lose ourselves in the pure enjoyment of music that is kindred to our own spirits. Few symphony movements are as lovely as this Andante of Dvorak's. Few have the directness and force of the first Allegro movement. A full house left the theater spiritually nourished and emotionally satisfied by this truly inspiring program.

UNIVERSITY OFFERS RADIO COURSE

More than 100 students at the University of Michigan are training for the profession of radio broadcasting. Besides preparing, directing, and presenting daily programs, they elect courses in languages, dramatics, advertising, business, political science, and the history and appreciation of music. The fact that the national chains will employ only university graduates as broadcasters has increased interest in the course. Experienced broadcasters from important stations lecture on all phases of the business from the sale of commercial programs to station financing.

The sinister maze is hourly tightening the grasp of its slimy, insidious tentacles more firmly. The forces of evil are brewing new trouble in dimly lighted dungeons; Petie "Winchell" McKinney is unable to explain satisfactorily the reference to the "blonde male menace." Uncle Henry has disappeared, ostensibly a victim of mysterious forces which have yet to be unearthed.

In the meantime, we offer, tentatively and pending action by the author, a poem which we swiped from "Citric Acid," publication of the Citrus Junior college:

DISLIKES
I don't mind the wind except when it blows.

I'm nuts about snowflakes except when it snows.

I don't mind a storm When I'm cozy and warm

Except when it rages

In more advanced stages.

But I can't stand the wind when it blows.

I don't mind old age when I am still young.

A hornet won't faze me, except when I'm stung.

I like a quartet Or a lovely duet

Except when they're singing And my head is ringing.

But I can't stand the wind when it blows.

I don't mind a teacher except when he's teaching.

A preacher's O.K. except when he's preaching.

A hanging or so

Is quite apropos

Except when I'm ketched

And my own neck is stretched.

But I can't stand the wind when it blows.

At the game last night several of the boys did themselves proud in the way of entertaining the mob. Stooze-King "Bup" Moore provided the fans with laughs during his sojourn both on and off the bench. First Bup imitated the umpire's whistle and then later he bounded out to grab the ball in the foul circle after one shot when the player had another coming. Bill Hoyt took a nice floating skid on his chest half way down the floor.

Rather nifty to have a southern conference school endeavoring to be the United States representative in the Olympics, Redlands university will play Southern California tonight in the Olympic auditorium. Some say the first hurdle is the hardest. Anyway—here's hoping.

After seeing the new white suits of the baseball team several people wondered what kind of uniforms the track team will sprout out in. The spikesters will be adorned in a distinctive one-quartered sleeve jersey white with green letters. This type of jersey is worn by the athletes in the European countries.

Have heard of many funny superstitions but "Spud" Harder has one that is okay. He has the baseball team shine their shoes before every game and also wear white shoe strings in their black shoes. "Spider" Murray has the tail of a black cat to fight off the Friday 13 jinx.

Men Swimming with Banner of Biltmore Club Each Afternoon

The fellows out for swimming from "State" are at present representing the Biltmore Club and not this institution. The first meet in which they will participate will be held on April 3 with the Santa Maria Junior college at Santa Maria. The Gaucha men with an Okay on their scholastic standing at the time of the All-Conference Swimming meet will be entered as individuals representing State college.

If this sport is carried through, it will mark a new era in Gaucha athletic history. Now the athletic program is in a slump, due to the fact that it is the only "State" college in California without a competitive minor sports program.

Gaucha Cinder Men Hold Meet on Home Field

Teams Take on Chapman and Loyola; State Favored for Victory

State students will have their first chance to see Nick Carter's tracksters tomorrow afternoon when the team engages in a triangular meet against Loyola and Chapman at two o'clock on Phelps field.

Santa Barbara's Gauchos are a favorite to garner the most points and come through with a 100 per cent score in their meet competition. However, Chapman is apt to outscore the Staters in the field events, and Loyola is apt to win out in the field events.

Yeager Enters Race

Chapman has a sprinter who has done 9.9 in the hundred, and Yeager will have to step if he is to have a first in the event. Chapman also has a couple of 220 and 440 men who will make it hot for Nightingale and Shean. Also with Chapman is a high-jumper who has done six feet three inches.

Loyola, whose strength is in the field events, has a man who won the class B shot at Long Beach last Saturday with a toss of 45 feet and who should register a win unless Campbell surprises.

Thirty Men Compete

State has the best balanced squad of its history with a team composed of some thirty men, all rounding into good condition.

Following is a list of Gaucha entries: 100, Nightingale, Yeager, Belprez; 220, Nightingale, Belprez; 440, Bowlius, Shean; 880, Ian Crow, MacDonald, Roland; Mile, Hooper, L. Dorn; 2 Mile, Hooper, MacDonald, Rygh; 220 hurdles, Yeager, Rumbaugh, Gray; 110 hurdles, Bill Crow, Rumbaugh, Gray; Shot, Campbell, Ewing, Hayman, Lindley; Discus, Campbell, Fisher, Gardner; Javelin, Ewing, Oldershaw, Lindley; High jump, Westbury, Bruce, Lindley; Pole vault, Beat, Langlo; Broad jump, David, Bill Crow, Erickson, Killmer.

Freshmen Tracksters Battle Carpinteria

Frosh tracksters will journey to Carpinteria this afternoon to engage in a triangular practice meet with Carpinteria and Oxnard high schools at 2 o'clock.

This meet will give Nick Carter an added chance to get a line on his material and give the boys some more experience.

Redlands Quintet Enters Play-Offs

University of Redlands and University of Southern California will meet in the Olympic auditorium at Los Angeles tonight for the right to represent the Southern California area in the Olympic try-outs in basketball.

Redlands holds the Southern California Conference championship, while Southern Cal is the runner up for the Pacific Coast Conference southern division title.

Against U.S.C. Redlands will use a group of boys who have played together for the past two years. This quintet includes four seniors and one junior.

JUNIOR VARSITY WHIPS SPARTANS TO LEAD LEAGUE

In a wild and woolly battle last night the Junior Varsity team defeated the Spartan club by a 37-36 score, to remain on the top in the standings in the Men's Open League.

The brother act was in effect again last night with both Bill and Jim Benton in the starring roles. Jim Benton emerged high scorer with 11 markers to his credit. Jack Ward of the Jayvees followed him with 10 points. Bill Benton played a bang up game to score 8 digits. The game was a rough one, marked by 19 personal fouls. Three players were removed from the game via the foul route, Ward and Jim Benton of the Junior Varsity and Howe of the Spartans.

The league is to continue until the 15th of April and the teams play twice a week. The Jayvees have a comparatively easy schedule remaining with only two tough games. Their next game will be with the second placed Mono C.C.C. and as they are very good it will be an interesting game.

Summary of last night's game:

Gaucha Frosh Barely Lose to Varsity in Mid-Week Game, Score 2-0

Making their initial appearance of the present season, the Gaucha Freshmen will meet the Santa Maria J. C. baseball team tomorrow afternoon at 2:30 p.m. on the Cabrillo field diamond. Admission is free.

The Frosh have been working out daily at the beach diamond without the services of a Coach. They have a good looking outfit, and inasmuch as they lost a close game this past Monday to the "Varsity," who were lucky to win as they did, by a 2-0 score indicates the possibilities they have.

Headed by "Gordy" Gardenhire, a fair-to-middling pitcher, he has as his catcher "Farmer" Mickey, Busby, Bine, Fayne, Lee and Erbes make up the possible infield. The outfield garden will be taken care of by Monson, "Cantaloupe" Hersey, Ashurst and Lou Strong. The other available candidates as pitchers are Miles Heber and "Spots" Ziegler.

Men Bowl for First Time Free of Cost; Teams To Be Formed

Twenty-one fellows have taken advantage of the offer for free bowling at the Figueroa Bowling Co., and have been slinging the apple down the alley regularly since last Tuesday.

Hal Davis said of the situation, "We shall form either one or two teams, and next winter this sport will be added to the regular intramural program." Any students desiring passes may secure them from Hal.

All girls who are interested in the game may secure passes from Mrs. Hodgins or Miss Van Fossen. These passes are good for three free games between the hours of four and seven p.m.

Of the twenty-one fellows out none have had any previous experience so any others desiring to start this sport will not be handicapped.

Golfers Get Driving Range, Equipment

The golfing class, under direction of Yale Lorden, has acquired much new equipment for the use of its duffers, golfers, and would be stars.

A driving range on the lower end of Phelps field is being used daily by the class. The high banks on each side make an ideal place for driving. Some hundred practice balls have been purchased and several hundred more are to be bought in the near future.

Hardermen Defend Unbeaten Title; Tartars Are Past Champs

This afternoon at 2:30 p.m. the Santa Barbara State Gauchos will defend their undefeated record against the Ventura J. C. Pirates in Pershing Park, while tomorrow at the same time and place the Tartars from Compton J. C. will attempt to register a win over the Teachers.

Ventura will put on the diamond a veteran infield and outfield, intent on avenging the defeats handed them at the hands of the Gauchos last year. Graduation has taken its toll in the pitching department of the Pirates, but Coach Joe Buckmaster can be relied on to produce a hurler able to go the distance.

Compton Offers Competition

Saturday's game will find the Gauchos running up against the stiffest competition they have yet run into in the form of Compton J. C. The Tartars were California Junior college baseball champions in 1935, and this year they are making a strong effort to retain the title. The Southerners will have a flashy lineup of their last year's stars and several men up from high schools, in and around Los Angeles. They have been playing for about a month and have chalked up wins over such teams as the National School of Baseball and Loyola University.

The Gauchos will, however, be able to take care of themselves, as they demonstrated in their series with the Santa Maria J. C. last week. The Teachers will not be able to take it easy in the early part of the game, as they did last week, but will have to hustle during the whole game, especially in Saturday's game with Compton. The Gauchos are out for the conference title and a shot at the Olympic games, and are determined that no defeat shall mar their record.

Harder Changes Lineup

Harder has been working his boys hard and will change his lineup slightly from that of last week's. Rezzonico will be behind the plate with Bortolazzo twirling Friday, and Miller on the mound Saturday. Moving Miller to the pitcher's box will bring Erhard from third to first base, and will bring Evans in from the outfield to cavort at the hot corner. Murray will be out in center field, and veteran Jimmy Lebeck will hold down second base.

Players Club Holds Tryouts in Auditorium for New Play

Lillian Cook Announces Vane Drama 'Outward Bound' as Committee Selection

Tryouts for "Outward Bound," Sutton Vane's drama of the life after death, to be produced by the Players club, will be held in the college auditorium next Wednesday evening, March 18, at 7:30. Selection of the play was announced by Lillian Cook, chairman of the play selection committee, at the club meeting last Tuesday evening, March 10.

"Outward Bound" was produced successfully in New York in 1923 and in 1924 and received wide acclaim by critics. Leslie Howard appeared in a film version of the play a few years ago. The cast of the show is well balanced and the characters are very clearly drawn.

New officers for the Players elected at the Tuesday meeting include Bill Ogle, president; Mary Lee Townsend, secretary; Ted Hanley, treasurer; and Aileen Elder, social chairman.

Dean William Ashworth and Mrs. Marie Davis will act as judges at the tryouts and will select the cast.

Library Exhibits Dionne's History

An exhibit of newspaper photos and stories about the famed Dionne quintuplets is being shown this week in the college library in connection with the local showing of the film in which the quint appears. Mrs. Lorena Burke, who is the mother of Mrs. Margaret Bennett of the English department, started the collection shortly after the birth of the babies and has a complete pictorial and printed history of them.

Fraternity Honors C. S. F. Seal Bearers

Kappa Delta Pi, national honorary educational fraternity, will entertain eleven seal bearers of the California Scholarship federation tonight at the home of Mr. and Mrs. William Stow. Rea McPeak and Lyman Goldsmith, members of the Alpha Rho chapter of the fraternity are acting as program chairmen of the affair.

The seal bearers now on this campus for their freshmen year include De Vee Bartell, Josephine Denman, Aileen Elder, Mary Margaret Freeland, Helen Holt, Christina MacKellar, Gail Smyth, Mary Tucker, Mary Yount, Barbara Bennett and Mary Monden.

Rogers Deering, farm machinery fortune heir, has bequeathed \$7,000,000 to Northwestern university.

Lobby Investigation Committee

Chief Justice Alfred A. Wheat of the District of Columbia Supreme Court has issued a temporary injunction to prevent the Senate Lobby Investigation committee from making a wholesale seizure of private telegrams. As a result the Western Union Telegram company has been temporarily restrained from acting in accordance with a Senate subpoena for all messages sent by a firm of an attorney in New York.

Revolt in Spain

Bitter political disturbances in Spain between the Rightists and Leftists has led to bitter turmoil and rioting throughout the country. An attempt was made yesterday to assassinate Professor Luis Jimenez Asua, one of the leading Socialists. Catholic priests and nuns have been forced to flee from southern Spain because of threatened violence. Churches and convents have been burned and attacked. The Leftist government of President Manuel Azana has called out the infantry and artillery in an effort to halt the rioting.

Stock Market Drops

The war tension in Europe led to net losses of \$1 to about \$5 per share in the stock market. All stocks were affected by the bearish feeling which came as a result of Hitler's unrelenting speech. Steel went down \$2 to \$3 a share and some railroad shares from \$2 to \$4.

F. D. R. in Georgia Win

In a second test of strength with Governor Eugene Talmadge in a country preference primary, President Roosevelt piled up an overwhelming majority. Unofficial returns gave President Roosevelt 1,387 to 35 for Mr. Talmadge.

Gamma Delta Chi's Pledges Entertain at Neophytes Home

Gamma Delta Chi pledges entertained the active members last night at the home of pledge-captain Nancey Clapp, 814 East Pedregosa street. The party was planned at the formal initiation Monday night, March 9, at Miss Clapp's home. Three pledges, Blanche Baker, Jean Goss and Helen Anderson were given the initiatory rites. Dorothea Prescott, Louise Dalton, Edna Brown, Helen Rogers, Frances Warring and Edna Forbes were the actives present at the meeting.

STATEMENTS by the "POWERS THAT BE"

Admission to the student body dance Monday night will be only by student body book or invitation obtained from the office of the dean of women by 3:30 p.m. Monday. — Ruth Carter, student body social chairman.

Two hundred and eighty-five students have not yet paid their laboratory fees. Unless these obligations are met immediately, delinquents will be barred from classes.—Wilma Lowsley, financial secretary.

High School Parent Teachers Plan New State Scholarship

Taking the lead in the promotion of better feeling between the local high school and the Santa Barbara State College, the P.T.A. of Santa Barbara high school is offering a fifty dollar scholarship to some student of that institution.

The award is to be made early this spring, and not only scholastic activity, but fellowship and citizenship will be stressed in awarding it.

Mrs. Fredric Kilmer, president of the P.T.A., stated that, "This award will be made along all lines of development."

OF RICH, RIPE-BODIED TOBACCO — "IT'S TOASTED"

Luckies are less acid

PROPER AGING

Tobacco in its natural state is harsh and strong. Though "cured" by the grower before sale, it is unsuited for use without further aging. During this aging period (which ranges in the case of Lucky Strike from 1½ to 3 years) important changes occur. These "Nature" changes result in the partial "smoothing out" of the original harsh qualities of the leaf. Our process of manufacture carries these improvements many steps further—as every Lucky Strike Cigarette exemplifies: A Light Smoke of rich, ripe-bodied tobacco.

LUCKIES ARE LESS ACID!
Recent chemical tests show* that other popular brands have an excess of acidity over Lucky Strike of from 53% to 100%.
