## COACH ROY ENGLE PREPARES for PRACTICE OPENING

The hardest worker and number one booster for the 1949 football team is Roy Engle, Santa Barbara football coach. Conscious of the importance of the outcome of the first game to the school and team's morale, Roy has been preparing to give Whittier College everything that the Gauchos have. Practice will start September 6.

The season will include the first appearance of the Gauchos in the Los Angeles Coliseum when they meet Cal Aggies in a preliminary game before the UC-UCLA game as part of a four-campus day for the state university.

The setting of an Armistice Day afternoon game with Cal Poly as a tradition will be furthered as they meet for the second year on that date. This year the Gauchos will travel to the Cal Poly gridiron for their first football appearance in San Luis Obispo.

The school is fortunate in being able to play four strong organizations outside the conference. These are Pomona College, operating out of a modified "T", fast and tricky in the backfield. Occidental College, undefeated last year, strong line and good backs, a tough game in all phases. Cal Aggies, beaten by the Gauchos this year, barring an upset should repeat. Whittier, unknown this year, always a good line, important as the first game.

A shift in the schedule replaces College of the Pacific with Pepperdine College, as the new member of the CCAA. This will be the first football meeting between Santa Barbara and Pepperdine.

## CATHCART CONTINUES EARNING YARDS for '49-ers

Associated Press reported that former Gaucho halfback Sam Cathcart galloped for two touchdowns in an intra-squad battle last Sunday. The scores were made with a 54-yard and a 60-yard run, bearing out predictions of the Gaucho coaching staff that Sam would do well in pro-ball.

The "Reds", for which Cathcart was playing, won 30 - 0.

The San Francisco club will meet the Dons in a benefit game tonight (Wednesday) in the Los Angeles Coliseum.

## PICKARTS GAINS NEW LAURELS

By scoring his first victory on his current Scandinavian AAU tour, Delfs Pickarts gained added laurels for Santa Barbara College with a javelin throw of 228 feet 6 inches at Goetborg, Sweden recently. This outstanding throw beat Pickarts best previous toss by 7 feet.

Monday, Pickarts gathered another first place ribbon with a throw of 219 feet 9 inches at Stockholm.

Delfs will bring home several items for his wife, as first place winners are awarded Swedish vases, instead of the usual wrist watches given in the United States. Several festive banquets have been given the touring American track team, with special dishes in each of the cities visited. Pickarts gets a fine chance to see the Scandinavian countries as the team is split up into small groups to permit some 14 meets in 16 days with track teams from the smaller cities visited. The group will reconvene at Oslo, Norway, on August 16 for the return trip home.

## AROUND AND ABOUT

Loads and loads of campus residents took part in the Fiesta, not only as onlookers but as workers. Among those seen late at night working feverishly to decorate those lovely flowered floats for the parades were Provost J. Harold Williams, Dr. Lynne Monroe, and Graduate Manager Bill Russell..... The State Regional Softball Tournament now being held at Oxnard lists several of its outstanding stars in Joe Blake, Frank Schimandle, Tommy White, Kenny Duddridge, and others famous in Gaucho sports annals..... What is it that causes big Frank Kirkland to give up football for that elusive golf ball?.... If Gene Snyder seems nervous these days, it's only because he has a date with the traffic judge for being as quick on the streets as on the basketball court..... August 27 must be THE DAY to get married, for Bob Lorden and Donna Douglas, as well as Chuck McNall and Jeane Erickson, tie the knot on that day.
