

INTER-FRATERNITY COUNCIL ELECTS DICK BOWEN SPRING PRESIDENT

Richard S. Bowen, a senior economics major from Los Angeles and a member of Sigma Alpha Epsilon fraternity, was elected to serve as president of the Inter-Fraternity Council for the Spring and Fall Semesters of 1951.

Arnold Funai, Delta Sigma Phi, was elected to the vice-president post; Desmond Kincaid, Sigma Pi, was elected secretary; Fred Crist, Sigma Tau Gamma, is the new treasurer, and Earl Cantlay, Sigma Alpha Epsilon, will be in charge of public relations.

High Hopes

The new prexy has high hopes that the new fraternity bidding system inaugurated this semester will remove many of the injustices of the old system and will aid the rushees in their selection of a fraternity.

"The system starts out with open house to give each rushee a chance to see all the fraternities," stated Dick. "The rushees will be invited to individual fraternity rush parties, the invitations being distributed through the student mail boxes."

New System

Dick said that the new bidding mechanism, which is at the end of rushing, is an attempt to secure mutual aid for both the rushee and the fraternity. By the new system the fraternities turn in bid lists to the Dean's office by noon on Monday, February 19.

On the following Tuesday and Wednesday from 9 to 4 the rushee will state his preferences and will be informed as to whether he received a bid. A list of those who have received bids will be posted outside the Dean of Men's office on Tuesday, February 20.

E. JENSEN GIVES SENIOR RECITAL

The Music Department will present Else Jensen, soprano, in her senior recital Thursday, February 15, at 8:15 pm in the Music Hall on the Riviera Campus.

Else has had all her vocal training under Mrs. Helen M. Barnett of the Music Department faculty and has appeared in a number of formal recitals and operatic productions on campus.

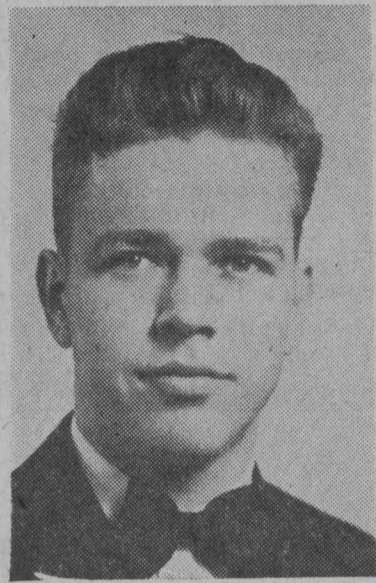

A varied program of vocal literature will be presented by Else, including songs written by contemporary South American composers. She will sing in six different languages.

The recital is complimentary to all college students and their friends, according to Miss Barnett.

Desmond Kincaid and Miriam Hanlon will complete the program with a group of numbers for two pianos.

The program follows:

An die Musik (to Music)	Schubert
Morgen (Morning)	Strauss
Verborgenheit (Secrecy)	Wolf
Widmung (Dedication)	Schumann
Miss Jensen	
Aebleblomst (Apple Blossom)	Nielson
En Svane (A Swan)	Grieg
Synnoves Sang	Kjerulf
Svanerne (The Swans)	Magnussen
Miss Jensen	
Aria—Ballatella from Pagliacci	Leoncavallo
Miss Jensen	
Sonata	Clemente
allegro di molto	
allegretto, tempo di minueto	
Scaramouche	Milhaud
Miss Hanlon and Mr. Kincaid	
La Picaronera (The Vendor)	
Mercedes-Morales	
Cancion de Cuna (Lullaby)	
Correa Luna	
Gato (Gay Fellow)	Ginastera
Cancion del Carretero (Song of the Carter)	Buchardo
Bachianas Brasileiras No. 5. Villa-Lobos	
Miss Jensen	
Adoration	Boyd
Clouds	Charles
Bird of the Wilderness	Horsman
Miss Jensen	

Dick Bowen

'ALL MY SONS' TO BE GIVEN HERE

"All My Sons," the recent Broadway success by Arthur Miller, will be the first Associated Students production of the Spring semester, according to R. L. Clark, director.

Production dates will be March 29 to 31, and April 5 to 7. A new type of staging will be tried on this play, with the audience sitting on the stage around the acting area.

Tryouts for the production will be held February 14 and 16 at 3 pm, in the Riviera Auditorium. Everyone is welcome to the tryouts; it is not purely a speech department activity.

Scripts are in the Reserve Bookroom so that anyone can be familiar with the play.

COUNCIL MEETING TO CONSIDER NEW PRESIDENTS' GROUP

The Legislative Council meeting is to be held at 4 pm today in the new conference rooms of the student body office.

According to Frank Goodall, the chief item on the agenda is the consideration of a student body president's council. This council would be composed of the student body presidents on the Los Angeles, Berkeley, San Francisco, Davis, and Santa Barbara campuses. It is not intended to take any powers from the individual campuses but merely act as a more effective means of carrying the students' side of things to the University and to the Regents.

The chief objections would be the financial cost entailed since there would be considerable traveling involved.

Examples of topics that would be considered are registration by mail on a University-wide basis, and also the financing of student unions.

DELTA SIG CHIMES

"Who's got our chimes?" says Delta Sigma Epsilon. A set of chimes used for "meal call" disappeared from the hall of the Delta Sigma Epsilon sorority house during finals last semester, and the sorority pleads for their return. It seems that the cook is getting strained vocal chords from calling the girls to meals. Anyone knowing of their whereabouts is urged to contact the sorority. No questions asked!

J. A. D. Muncy Charts Campus Disaster Plan At Sproul's Request

A general disaster plan for all campuses of Santa Barbara College of the University of California is being charted in accord with a request by President Robert Gordon Sproul.

J. A. D. Muncy, business manager, is chief officer of the organization, which will have the responsibility for the Riviera, Mesa, and Goleta campuses. When details for the local plan have been worked out, they are to be approved by Provost J. Harold Williams, President Sproul and then put into the program for the city.

Division Heads

A meeting of heads of various divisions in the disaster organization has been scheduled for 3 pm Wednesday, February 21, to work out details.

Special divisions include those of the university police, military department, buildings and grounds, communications, transportation, laboratory and radiological safety, emergency purchasing and security service.

Major Disaster

The completed plan will become effective in case of a major disaster, which is described as one which might result "from an earthquake, conflagration, large explosion or enemy action."

NEW CAL CLUBBERS

Three new members of the Santa Barbara Cal Club chapter were presented their keys by President Robert Gordon Sproul at the recent convention in UCLA, according to Mary Ann Zane, local chairman.

The new members are Eileen Berkman, Spurs president, and Dick Bowen, Sigma Alpha Epsilon president. Judy Cook, *El Gaucho* editor, was awarded ex-officio membership.

ROMANS GET ROLLING

All interested non-orgs and their friends are invited to attend a Roman meeting to be held February 12 in Ridge Hall 101 at 7:30 pm. According to Roman President Corky Strandburg, the purpose of the meeting is to promote unity among all college independents through social affairs.

ROUND-UP SPOTS STUDENT TALENT

Student entertainers will be spotlighted in the Gaucho Round-Up February 15 at 7:30 in the Riviera Auditorium, according to Pat Welsh, Assembly Committee chairman.

The admission-free Round-Up is the first stage show of the Spring semester and will consist of the following numbers:

Sigma Tau Gamma Dixieland Band; Freshman Class skit, Chuck Lightfoot, Buzz Walker (Hadacol) Cal Club skit, Mary Ann Zane, chairman; Sophomore Class skit, Ted Troy, Bob Rolph, chairmen.

Also, Junior Class skit, John Cook, chairman; Elaine Strobel, election announcements; Senior Class skit, Reed Patterson, chairman; Introduction of Bull-Slingers.

Rehearsals for the show were held in the auditorium last night and will be held again Wednesday at 7 pm.

Class meetings will follow the Gaucho Round-Up and will be held in the following places: Freshmen, auditorium; Sophomores, Pine Hall 100; Juniors, North Hall 100; and Seniors in Ridge Hall 100.

Graham Mehaffey, head of the social committee, announced that there will be a dance in the cafeteria following the class meetings.

The assembly committee planning the Round-Up is composed of Chairman Pat Welsh, Suzi Smith, Nita Mitchell, John Cooke, and Elaine Strobel.

March 9 Date Set For Spring Formal

Larger faculty attendance will be a main aim for the Spring Formal, according to Graham Mehaffey, social committee chairman. "There were far too few faculty at the Christmas Formal," stated Mehaffey.

Attendance at the Spring Formal, as it was at the Christmas Formal, will be limited to 500. Early ticket purchases have been urged by the committee.

The formal will be held March 9 at the Coral Casino. The committee has not chosen a theme as yet, but traditionally the affair has been the Parasol Prom.

IN ACTION against Pepperdine, Lloyd Haevin (64) is shown here driving past Wave Russ Reynolds (9) to score with a lay-in while Dick Alvord (11) watches haplessly from the background. Haevin will also see much action against the Westmont Warriors tonight. Chuck Perez Photo

SIGN-UP TOTAL HITS 1642

Registration Figures Indicate Definite Enrollment Decrease

by Marcia Chandler

A definite decrease in the total enrollment has been shown by the registration figures recently released by the Registrar's Office. The registration for the 1951 Spring semester has totaled 1642 students. Of that total there are 115 new and 1497 old undergraduates, reaching a total of 1612 undergraduates. The post-grads total only 30 with 4 new and 26 old. Despite the near close of the G. I. Bill of Rights, 458 veterans have registered for the Spring semester.

GAB TALENTS TO BE TESTED IN CONTEST FOR BULL SLINGERS

Do you know someone who can talk? I mean really talk—the kind of character that drives people bats with his chats.

If there is someone in your life who can wind up and talk for an indefinite length of time pausing for breath only long enough to build up your hopes, then plunge into oratory for another hour or so—if you know someone like this, turn his name in to Frank Goodall immediately. He might win the tremendous trophy awarded in the World Student Service Fund "Bull Slinging Contest." This trophy is on exhibit at the Student Body office, and can be seen when candidates' names are turned in.

Each candidate must be assured of 100 votes to enter.

The votes cost a penny each and one person may vote as many times as he wishes. (Think of all the ducky railroading you can do) The voting booth is open from 11 to 2:00 February 12-24.

Introduction of contestants will take place at the Gaucho Round-Up, February 15 at 7:30 pm in the Riviera Auditorium.

As this unique contest is already under way, be sure to get your candidate's name in as fast as possible. B.K.

Applications Taken For Coordinator

Today is the last day to apply for the position of Coordinator of Student Affairs, which is open to any girl who is experienced in typing and who has been a member of campus organizations, it was announced by Associated Students President Frank Goodall. The appointment will be made this afternoon.

The salary for the job is approximately \$34 a month. The work consists of supervising general office routine in the student body office, supervising the mimeographing department, taking care of job placements, and handling the scheduling of events.

Any girl interested in applying for the job should see either Frank Goodall or Elaine Stroebel in the student body office in Building D.

Mlle. Magazine Holds Fiction Story Contest

College undergraduate writers of the feminine sex who author stories of the Faith Baldwin-Kathleen Norris-Fannie Hurst species may compete for two \$500 fiction prizes being offered by Mademoiselle magazine.

Stories of 3,000 to 5,000 words may be submitted to the editors of Mademoiselle not later than midnight April 15, 1951. Two will be awarded the big prizes and others may be purchased for publication in the magazine.

Complete rules are available in the *El Gaucho* office.

There has been much discussion among the students about the present registration program. Some faculty members as well as students feel that the major part of registration week is unnecessary.

Registration by Mail

Frank Goodall has stated that pressure has been put on to change the present procedure to registration by mail. If it can be made possible on this campus there will be pressure to make it uniform on all the Cal campuses. It has proved very successful on the UCLA campus. All the students are concerned with is the planning of their schedule for the new semester. The schedule is sent to the college where they are registered and the instructors enroll them in their classes.

Permanent Schedule

Finally the permanent schedule is sent back to the student. This would avoid pushing and scrambling of the registration line and would give the students and faculty members one more week of vacation during each semester.

"The registration procedure at present is ridiculous and time-wasting. I am completely in favor of registration by mail; it would save a lot of time and trouble," gripes Bill Anderson.

"Why not have registration during the last week of instruction of the old semester or during finals week?" asks Dr. Beachboard of the French Department. What a lot of valuable time would be saved.

Many Openings On Staff of El Gaucho

There are several openings on the staff of *El Gaucho* for students who are interested, it was announced today by Judy Cook, editor.

Especially in demand are students with previous journalism experience who are interested in doing feature writing and general reporting. Also, typists and rewriters are needed. Several openings are available on the sports staff for sports-minded men students, and there are many opportunities for advancement.

The editorial staff for *El Gaucho* during the Spring semester is Judy Cook, editor; Bob Tomlinson, managing editor; Bill Powell, news editor; Mary Sharer, copy editor; Jo Ferguson, sports editor; and Owen Wayman, sports advisor and photographer.

All students interested in working on *El Gaucho* should apply at the office in Elm Hall as soon as possible.

GAUCHO STAFF MEETING

All prospective and regular members of *El Gaucho* staff are requested to attend an important meeting in *El Gaucho* office, Elm Hall 104, today at 1 pm.

Gacho Rooting Spirit to be Tested Tonight

Tonight our school spirit will undergo a severe test. Yes, tonight at the basketball game with Westmont College we will be competing with a much smaller school to see which one can muster a greater student turn-out and to hear which one can yell louder. No doubt Westmont will come in a body tinct and bring along a pep band and a cheerleader who can really capitalize on the crowd's enthusiasm.

How do we know that this will happen, you may ask. We know that Westmont fans will really cheer for their team because of the spirit they showed when they met Pasadena Nazarene in a game preliminary to the Gacho-Occidental game during vacation. If they showed that much spirit at a preliminary, they can be expected to go all out tonight when they have main billing with the Gauchos.

What are we going to do about this? Are we going to go to that basketball game tonight and really show them how loud we can yell, or are we going to let them steal the spotlight from us with their magnificent rah-rah? Let's get galloping, Gauchos, and stand up to the school-spirit test against Westmont tonight.

The OuiziCAL Reporter . . .

What is your opinion of the registration procedure, and can you suggest any improvements?

Diane deLory: On the whole I think that the registration procedure is satisfactory, but I believe that registering by mail would be much easier on the students and all concerned. Also, they might have better and more hours to choose from for sections and labs.

Bobbie Toal: I think it's pretty good. It's about the most effective way it can be done.

Earl Cantlay: There could be much improvement if there were a pre-registration procedure by mail. I believe this would expedite registration and leave more time for planning schedules and arrangement of classes.

Bobbie Slate: The registration here is confusing and tiresome. Why not have registration by mail as done at UCLA?

George Perry: The registration procedure, under its present setup, has reached its maximum of efficiency. For the senior there isn't much trouble, but the juniors and lower-classmen certainly have a lot of unnecessary standing around. I have two ideas for improvement, but I believe that the administration could devise some type of system to eliminate standing in line.

Sally Carter: Registering and signing up for classes by mail would be my idea of a much more efficient system.

ECONOMICS TEACHER PUBLISHES ARTICLE

Dr. William F. Kennedy, assistant professor of economics, UC-SBC, has contributed an article, "Territorial Aspects of Electric Rate-Making by the Public Utilities Commission of California," to a recent issue of the Journal of Land and Public Utility Economics.

The article surveys the history of rate-making in this state, with emphasis on the zone system which the PUC has established.

Jack Garrett: No registration fees!

Pat Joyner: I suppose it's the most efficient way to do it, but I'd like it better if we could register by mail as UCLA does.

Bob Weithorn: Sign up for all classes in one room (the Auditorium for instance). Either have all students sign up with any one person there for all classes and have all closed classes posted on a board, or have one man from each department accepting registration for all classes in that department.

Janet Stahlberg: I think we should have a system similar to that at UCLA. It would be much simpler for everyone if we did it by mail.

ROADRUNNER REVUE PLANS FORMULATED

March 15, 16 and 17 have been set aside for the production of the annual Roadrunner Revue. This year the show will be under the directorship of Ken Trevey and Pat Welsh.

The script, written by Ken Trevey, is almost completed and casting for the various parts will be held later this month.

Secretary of the undertaking will be Suzi Smith, and publicity will be handled by Marilu Anderson. Bev Purdum and Barbara Curtis are in charge of ticket sales. Music will be under the direction of Desmond Kincaid and Claire Maher, and Nancy Chmilowski and the Dance Club will handle choreography for the show.

Daulton Hatch and June Murphy will be in charge of make-up, and Betty Braden will do the sets. Faculty sponsors will be Mr. Lee Goodman-Malamuth and Mr. Vic Town.

"Now that we're engaged, darling, you're going to give me a ring, aren't you?"

"Sure, honey, what's your phone number?"

Four Join WPE Dept. Ranks This Semester

Four new women's physical education majors have joined the ranks on campus this semester. They are Claudine Casey from Mount San Antonio, Mary Louise Herrmann and Hester Deardorff from Los Angeles City College, and Margaret Elliot, who changed her major from sociology.

Spurs' Founders' Day To Be Celebrated At Tea Tomorrow

Spurs Founders Day, February 14, will be celebrated by local members of the organization with a tea for all alums on campus.

Dressy dress will be worn to the 4 o'clock tea in the AWS room and the theme will be Valentine's Day. Kathleen Saxe is chairman of arrangements.

In charge of invitations are Dale Duffy, Eileen Berkman, and Judy Cook.

All members of the organization wore their uniforms to school Monday. In honor of Founders' Day, emblems, pictures, and scrapbooks are displayed in the quad showcase this week.

Intramurals to Include Many Favorite Sports Of Orgs, Individuals

Planning a vigorous intramural schedule to follow the initiatory track meets, Dick Kaywood, intramural director has set a policy of quality for all proposed activities during the semester to include the favorite sports of both organizations and individuals.

Volleyball will open the Spring semester's activities on February 26. The tournament will be held in the gym Monday through Thursday from 7 to 9 pm. Six-man teams will be used, with all organizations and clubs required to submit a roster of nine participants.

Intramural Track Meet February 27

Student tracksters are encouraged to start immediately for the annual Intramural Track and Field Meet scheduled for Tuesday, February 27 on the La Playa Stadium oval.

The event is open to all students including organizations and individuals who may run unattached. All events are scheduled that are run off in the regular college track meets, but participants need not be unsung track stars in order to compete successfully, and varsity men are not eligible to enter, according to Coach Carter, director of the meet.

Dick Kaywood, Coordinator of Intramural Activities, is working with Carter, as are students Bob Rapkin, frosh track manager; Joe Phillips, senior manager in charge

GOLF COACH IRVINE SEES GOOD SEASON

Looking forward to another good season, Golf Coach Bill Irvine will conduct an open qualifying round for all golf team aspirants within the week to determine team positions.

All potential team members should contact Irvine immediately for consideration and tryouts for the eight positions on the squad. Six men will constitute the team with two alternates. Members of the team are entitled to the use of the local greens of the Montecito Country Club at a reduced monthly membership rate.

Of the golf coach biographically: Bill Irvine was schooled at Ripon College, Wisconsin, where he earned a wardrobe of sweaters for his athletic achievements, which would mean a drawer full of letters to today. Concentrating on golf, Irvine has become an expert teacher, and since his start at UCSBC in 1945, his squads have averaged but one loss per season out of the normal seven or eight game schedule. This makes his teams among the most winningest of all *Gaucha* squads.

This year's probable team members are Ken Armor, Bert Laskin, Ron Harris, and new men Tom Mooney, Don Frederickson and Laird Stabler.

Prof: "I believe you missed my class yesterday."

Student: "Why, no, I didn't. Not in the least."

Gauchos Play Westmont In City-Wide Championship Game

Tonight the Maroon and White of the Westmont Warriors clash with the Blue and Gold of the Santa Barbara Gauchos for the collegiate city championship on the neutral hardwoods of the National Guard Armory at 8:30 pm.

GAUCHOS IN DOUBLE WIN; 2ND IN LEAGUE

History repeated itself over the weekend when the Santa Barbara Gauchos edged the Diablos of LA State 52-50 at the Armory, duplicating by the same score an earlier victory on the Diablos' own floor. The victory enabled the Santa Barbarans to move into undisputed second place in CCAA league play with four more tiffs to be tilted.

Starting out as cold as a September morn and just as bare in the scoring column, the locals diddled around for 12 minutes of the first period before heading the visitors 13-12. Then, belying their class, the Gauchos thundered through to a 25-16 half-time margin, threatening to make the sparse crowd head for the exits early.

Continuing after time out for cokes, the game waxed hot and curious with much audience participation. The referees fouled up the game, factually speaking, by liberally playing the whistle to the tune of 58 personals. Seven men left the game early, including Don Bradshaw, Jack Moore and, as usual, Otey Scruggs, via the five-foul limit.

At the five-minute-to-go mark, with the locals enjoying a 43-33 lead, only Lloyd Heavin and Tom Moss were left of the starting quintet. Bulwarked by reserves Ken Kesson, Lionel Purcell and Dick Prigge, however, the Wiltonmen staved off a one-man show displayed by diminutive State forward Hugh Corrigan to down the Debils 52-50.

Stater Dick Green led the evening's scorers with 15 digits, while the Moss-Moore-Haevin combo notched 13, 12 and 11 points respectively.

Continuing their one-game win streak, the Gauchos trimmed Hamilton Air Base 57-51, with the reserves seeing much action to ground the boys in blue in another wierd assortment of fouls and fiascos.

Patronize *Gaucha* advertisers.
No advertisers — no *Gaucha*.

A first class opponent, the Westmonters have stepped into fast company this year and sport a nine-win and four-loss record including three one-point losses. Their record includes several opponents common to the *Gaucha* schedule, such as La Verne and Pasadena Nazarene.

Met Earlier

Unknown to the rank and file of *Gaucha* rooters, the Gauchos met the Warriors earlier in the season in a practice encounter and barely eked out a one-point victory over the cross-town collegians.

The Westmonters are prideful of their long bench of capable reserves, while the Gauchos will be further hampered by the probable absence of Forward Allan Jacobs due to a lingering cold. Consequently, as in the previous game, the match will be evenly contested and will be attracting the interest of the entire city. A packed Armory is expected to be on hand to watch the proceedings and final outcome of the game.

Fast-Breaking

The fast-breaking, free-scoring Warriors previewed their wares recently when they were nipped 76-75 by Pasadena Nazarene for the championship of the Southern Independent Association. The *Gaucha* fans waiting for the Occidental game to be played as the second part of the basketball double-header were entertained by the showmanship of the Bible-school boys and were taught a lesson in school spirit by the Warrior rooters.

At best on offense, the Warriors will have to overcome a stout *Gaucha* defensive and ball-control squad which specializes in winning the close ones like their duplicate 52-50 win over conference foe LA State over the weekend.

SAEs Cop Semester Basketball Crown

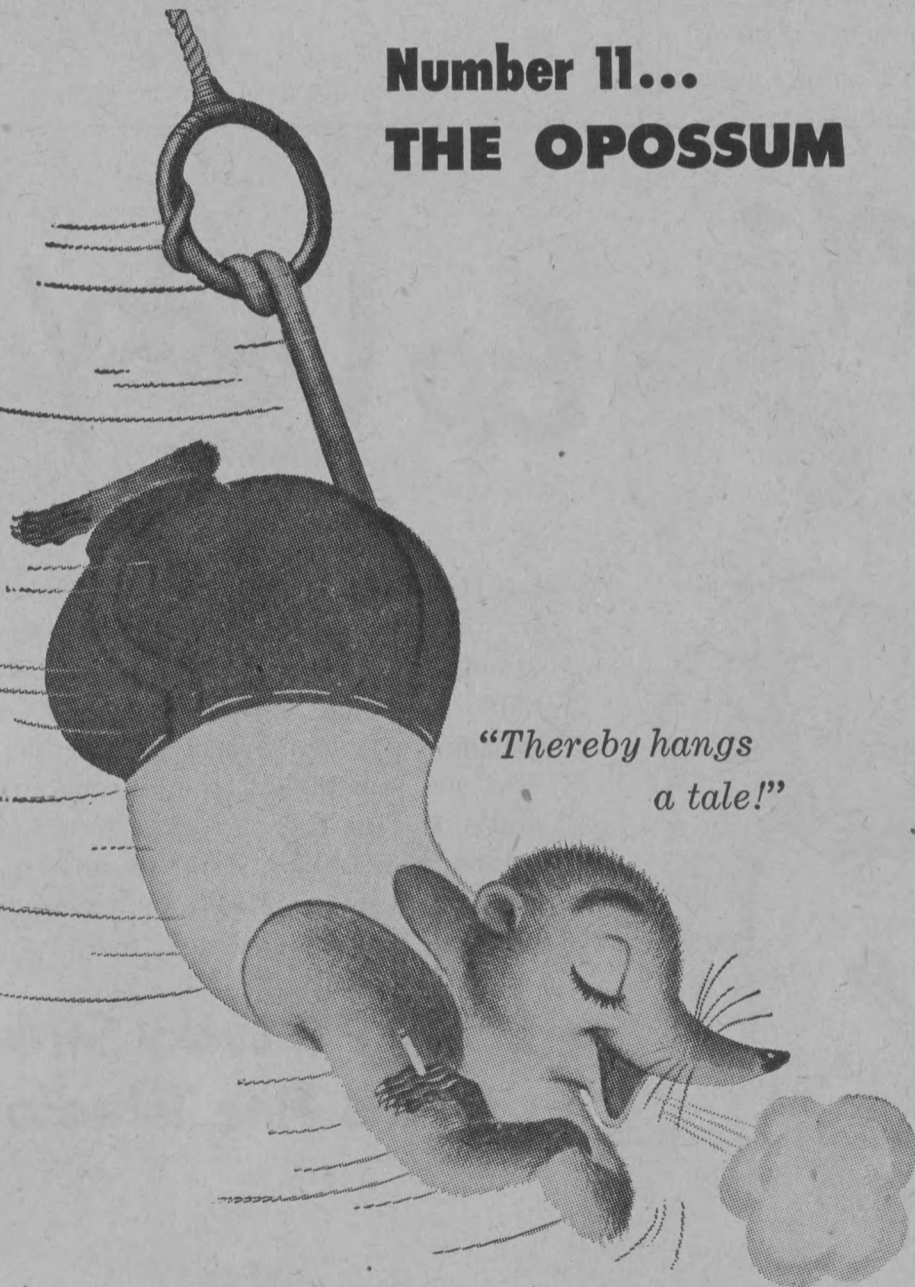

Under the heading of old business: last semester's intramural championship basketball tournament was concluded by a decisive 41-33 triumph over the Sigma Phi Epsilon fraternity by the Sigma Alpha Epsilon fraternity.

In the complex double elimination tournament, the SAEs were beaten by the Sig Eps in their first encounter, but because of a previous win over the Mission Canyon boys, another game had to be played to determine the final outcome. Both fraternity teams had beaten independent teams to gain admittance to the championship bracket. The SAEs took the nod over the Rockets 44-39 while the Sig Eps smothered the Filthy Five 35-21 in the semi-finals. The Rockets went on to defeat the Filthy Five for the Club Championship.

Final College Championship standings were: Sigma Alpha Epsilon Fraternity, champion; Sigma Phi Epsilon Fraternity, second place; Rockets, third place, and the Filthy Five, fourth place.

Campus Interviews on Cigarette Tests

Number 11...
THE OPOSSUM

The class clown went out on a limb and tried to prove cigarette mildness by the quick-trick method! He tried the fast inhale, fast exhale test—a whiff, a sniff—and they still left him up in the air!

But then he got his feet on the ground. He learned that there is a reliable way to discover how mild a cigarette can be!

And that test is...

The sensible test... the 30-Day Camel Mildness Test which simply asks you to try Camels as a steady smoke—on a pack after pack, day after day basis. No snap judgments needed. After you've enjoyed Camels—and only Camels—for 30 days in your "T-Zone" (T for Throat, T for Taste), we believe you'll know why...

More People Smoke Camels
than any other cigarette!

OVER WHERE

"Greetings from Uncle Sam" have arrived for many of the UC-SBC populace, as evidenced by the decrease in males around the campus.

Friends of former Gauchos have asked if *El Gaucho* can't find out what's with those poor unfortunates who couldn't find deferment angles in time. To this request *El Gaucho* willingly responds with a promise to do its best. However, in its attempt to keep posted, *El Gaucho* asks the help of any women with little black books containing such info. Any information left in the *Gauche* office will be welcomed with open arms.

Camp Cooke

2nd Lt. Arthur H. Spring and Cpl. Allan R. Coates, Jr., are two former scholars at UCSBC who will in the near future call Camp Cooke "home."

Art reported to the Naval Damage Control Training Center at Treasure Island for three weeks of specialized training in radiological defense and chemical warfare. Upon completion of the course, he will return to the 40th Infantry Division at Camp Cooke where he is assigned to the 981st Field Artillery Battalion.

Previous to his induction Art was employed as a surveyor for the Bureau of Reclamation. He entered the service September 1.

Allan, who was called to active duty with the 40th Division on September 1, reported to Fort Riley, Kansas, January 11 for nine weeks of specialized training. He will take a course in photo interpretation at the Army General School.

At UCSBC Allan was a member of the ROTC unit, freshman football and track teams, and a pledge to Sigma Pi.

Bronze Star

Sgt. First Class Aurelio L. Alves, a former Military Science Instructor here, has been awarded the Bronze Star Medal in Korea. The award was made for meritorious achievement in military operations against the enemy from July 18 to November 2. Sgt. Alves is a member of the 5th Cav.

AS Office Will Move To Better Location

Offices of the Associated Students have recently been moved from West Hall to more commodious quarters in Building D, located between Pine Hall and the Quad, according to Doris Spotts, campus coordinator of student affairs.

The office at the main entrance of the building is occupied by the Secretariat, who will handle job applications and answer the telephone, as before.

The Associated Students president, vice president and secretary will have headquarters in one of the other offices, while the representatives-at-large will operate out of the other office.

The largest room will be used for student body, academic, and faculty conferences.

It was stated by Frank Goodall that an attempt will be made to keep the new offices fairly neat and presentable looking, so the student body will have offices of which to be proud.

English Department Announces Program

Dr. Joseph Stull will lecture on the subject of "The Conflict Between Naturalism and Supernaturalism in 19th Century England" on Tuesday, February 20, at 4:30 pm in the AWS Room. This will be the first in the series of English Department lectures and poetry readings for the Spring semester, according to Dr. Joseph Foadare, department chairman.

All interested students and faculty members are invited to attend the readings and lectures.

The list for following Tuesdays is as follows:

February 27, Reading: Dr. Willson, from the poetry of Cummings.

March 6, Reading: Dr. Kenner, from the poetry of Williams.

March 13, Reading: Dr. Hand, from the poetry of Jeffers.

March 20, Lecture by Dr. Mudrick.

March 27, Reading by Mr. Schutt.

April 10, Reading by Dr. Matthews.

April 17, Lecture by Dr. Foadare.

May 8, Reading by Dr. Mudrick.

May 15, Lecture by Dr. Matthews.

ally Regiment of the First Division. Mrs. Alves is an assistant professor of home economics here.

Mail Call

The address of a very fresh (meaning new) inductee is Tedd Peterson, A. F. 19396476, Flight 839, 3708 Training Squadron, Lackland Air Force Base, San Antonio, Texas.

Tedd left Santa Barbara in the past week for Lackland where he will receive an eight-weeks' basic.

Attending UCSBC last semester, Tedd was active in music activities and was a Sigma Pi pledge.

WAC TO COMMISSION WOMEN GRADUATES

To increase the opportunity for women college seniors and graduates to qualify for Regular Army Commissions, applications for WAC enlistment will be accepted through March 15, 1951. Qualifications include the necessity of being a college graduate or senior anticipating graduation in June, 1951, and being between 21 and 27 years of age. The applicant must not be married and must have no dependents under 18.

From the applications, the army will select a limited number of women to receive second lieutenant commissions in the Organized Reserve Corps. They will be sent to the Women's Army Corps Training Center, Fort Lee, Virginia, on active duty this summer for basic officers' training. Those successful graduates will receive second lieutenant commissions in the Regular Army.

Senior girls wishing application forms and detailed information may obtain them from Lt. Col. Richard W. Mabee, Professor of Military Science and Tactics.

Student Tracksters Will Meet on 27th

Continued from page three of all activities; and Jim Beacom and Jack Palsgaard, meet managers.

Students and organizations who wish to participate should contact either Carter or Kaywood for further information. The inter-class meet will be held the week following.

Last year's intramural track meet results were:

Running Events
Mile Run—Lahey (Delta Tau Delta) 5:06.7.

440-yd. Run — Fredrickson (Sigma Pi), Cokeley (unattached), 55.4.

Javelin—Les Reed (Sigma Tau Gamma), 149½".

High Jump — Trino Padilla (unattached), Estes (Sigma Phi Epsilon), 5'8".

Pole Vault—Jack Dean (Sigma Pi), 11'.

GIRLS ATTEND COOKE DANCES

Girls interested in being junior hostesses for service men made out applications in the registration line last week. According to Jean Tahajian, president of AWS which is sponsoring the hostesses, many girls signed up, and a meeting will be held for them soon.

Dances will be held every Friday at Camp Cooke in one of the service clubs. "The girls' first duty at the dances should be to see that the boys have a good time," urged Jean, though she added that girls who have already attended dances enjoyed themselves also.

Port Hueneme has requested 50 girls come down Friday evening for dinner and dancing. Greyhound busses will be sent up. Only those girls who have attended Camp Cooke dances will be allowed to go to this first dance.

The local Women's Club, Assistance League, and AWVS have requested girls for Saturday afternoons at the information center to dance and play ping-pong and cards, and on Saturday and Sunday evenings at the Recreation Center.

According to Jean, letters are now being mimeographed for girls under 21 to send to their parents for signature.

He: Will you marry me?
She: No, but I'll always admire your good taste.

EL GAUCHO
Published every Tuesday and Friday during the school year except during vacations and examination periods by the Associated Students of the University of California, Santa Barbara College, Santa Barbara, Calif. Opinions expressed herein are those of the staff unless otherwise indicated.
Entered as second-class matter May 23, 1947, at the post office at Santa Barbara, Calif., under the Act of March 3, 1879. Mailing charge is \$2.00 per year, payable in advance.

TENNIS CLUB CALLS FIRST SPRING MEET

Those interested in joining the Tennis Club are invited to attend the first meeting of the semester in the Gaucho Office, Thursday, February 15, at 11 am.

The club announced that it is going to sponsor a girls' tennis team.

Girl tennis "pros" are urged to attend a meeting at the men's gym Thursday, February 15, at 4 pm. Games to be played in the future will be a team from the Montecito Country Club, the Biltmore, and the Ventura Junior College.

There once was a girl named Harris,
Whom nothing could ever embarrass,
'Til the bath salts one day,
In the tub where she lay,
Turned out to be plaster of Paris.

Byers' Article Published In Education Journal

Dr. Loretta M. Byers, associate professor of education, is the author of an article in the recent issue of the Journal of Teacher Education, a publication of the National Commission on Teacher Education and Professional Standards.

In the article, she recommends 20 standards for a good college program for recruitment of potential teachers to meet the need for qualified instructors.

Schnell Gets State Job

Mrs. Dorothy M. Schnell has resigned as assistant professor of home economics to accept a position with the State Department of Education. Having served on the faculty since 1942, Mrs. Schnell will become chief of the Bureau of Homemaking Education, with headquarters in Sacramento.

George: "We certainly had a wonderful time last night for ten cents."

Jean: "Yeah, I wonder how little brother spent it."
