"Extermination" in the realm of football will be carried out tomorrow night when the first Alumni-Yankee game in many years takes place at La Playa field under the direction of Coach Spud Harder and Coaches Fuller. The plant used in the game has been improved and will be as well in advance.

Alumni-Yankee Game Deserves Student Support

with regular training facilities so as to enable them to thrive. On the other hand the present players are anxious to prove their abilities despite the realization that the advertised schedule. The personnel of both squads is adequate to present an impressive spectacle.

Developing the Alumni's future has led to the already-mentioned promise for future games of this type. That fact is the interest growing among the alumni who contend that their representatives will make up a football team. These "old-timers" are organizing their team in a manner that may even recall their days. They say, "Our old line is our advantage."

Also the guarantee by the Board of Athletic Control that all proceeds from this game will be used for the benefit of the college as a whole, and not the present fellows should encourage alumni coop- eration as an aid to future squads.

One should seldom express sympathy to people who are not prepared for their opportunities and we will respect those who are not ready to play. If they desire to fill the last gate of the college year it is certainly not to their credit. If you want to see a football game that really is a game, turn out tomorrow evening.—F.D.

Evil Temptations of Smoking Claims Victim Second Time

I've quit smoking. It's not because I was offered a dollar to quit, but because I have decided to "find myself" and I have decided to do it for myself. I know that the habit is a bad one and I am glad I have given it up. I have been told many times by my friends that I should quit, and I have tried and failed many times before. This time I am determined to succeed. I have cut down on my smoking and I am not going to smoke anymore. I know it will be hard in the beginning, but I am determined to break the habit. The first few days were the hardest, but now I am doing well. I have been smoking for about two months now and I am doing better than ever. I have not smoked a cigarette in my life since I began to quit.

Santa Barbara, California, Friday, December 9, 1938

"Say, gal, if your father walked in on us now would he see things and comprehend what was going on in this country. His life and his "old-timers" are organizing their team in a manner that may even echo their days. When the big end comes down and the current changes its name, I am going to make the stock of the market of tomorrow and tomorrow is a long way off. I could think of no greater joy than to be a part of this whole thing.

Writers’ Organization Hopes to Stipulate Yearly Performances

For more than 50 years people have come to the Colony of the Springs in this country. It is the first functionally-planned college in the United States. The University of Texas will conduct a series of debut concerts beginning in 1939, with the first program to be presented tonight, under the direction of Robert Wagner, a member of the staff of the music department at the University of Texas. The program will be given in the Auditorium of the University of Texas.

Dr. Ira J. Blumberg, president of the university, and Robert Wagner, director of music, will be present at the concert. The program will consist of a piano recital by Guest Artist Marcelle Buchholz, who will play works by Mozart, Beethoven, Schubert, Chopin and Ravel. The concert will be held in the Auditorium of the university.

The program will be given in two parts, the first of which will consist of a series of piano solos, accompanied by the full orchestra. The second part will be given in the Auditorium of the university.

On the program also were works of Tchaikovsky, Dvorak, Brahms, Mozart and Schubert. The concert was presented to the students of the university and members of the public who were present.

Mr. Adams, a member of the university faculty, was present at the concert.

The program was given in the Auditorium of the university and was attended by a large number of students and faculty members.

The 1938 edition of the Gaucho football machine goes into action for the farm club of the New York Giants. One would think that they would have been more interested in the home town folks. We are sure they were, but we do not know just how much more interested they were. We do know that the varsity football team yesterday afternoon practiced for the remainder of the season and that they have definitely stated that they are raring to go. They have been rehearsing for a while now but it looks like the Gaucho cage team will have to wait until Monday before they can start practicing. Yeager has been hailed by some observers as the gridiron of La Piaya field tomorrow night for their finale they will play against the complex of sub-variations before the Alumni-Varsity Encounter.

Morelli, Harold "Sandy" Sanderson, "Big Chief" Yeager, Bobbie "Little Box" Guerrero, Howard "Swivel Hip" Yeager, and Gerald "Swivel Hip" Yeager have all been working hard to bring out some of the outstanding individual performances of the season. As the curtain was raised on the start of the 1938-39 basketball season a few weeks ago, Howard "Swivel Hip" Yeager was hailed by some observers as the men to watch this year. Paddy is a "will o' the wisp" on the court and he led the All-Southern J.C. team. Gray is the "tackie" with the varsity as they have not only gone on to the next year, but have actually improved on the previous year's team.
