NUMBER 51

Community Chest Drive for \$2,300 Opened Wednesday

With the advance drive already well under way, the main drive for Community Chest funds was launched yesterday with Mrs. Joseph H. Hendy acting as drive chairman. The drive will continue until March 1st. Following a meeting of the board of directors of the chest last Friday and selection of workers an organization meeting of the workers in the drive was held Tuesday afternoon in the Utility office and final plans made for the drive. The budget was set at \$2,300, the same amount raised last year and has been apportioned as follows:

Budget

I Relief	
Emergency, administered by Chest board	\$200.00
Milk Fund, administered by P.T.A.	350.00
Sunshine Cottage	100.00
Salvation Army	150.00
Total Relief	\$800.00
II Character Building Organizations	
Boy Scouts (and Wolf Cubs) — Lion's club	\$300.00
Boy Scouts Mission Council Ex. Office	200.00
Hi-Y—Tri County Y	150.00
Girl Scouts (and Brownies) —Woman's Club	250.00
Girl Scouts S. B. Board Council	100.00
Total Character Building Organizations	\$1000.00
III Miscellaneous	
Plany Ground, administered by P.T.A.	\$250.00
Holiday Fund, administered by American Legion	100.00
Expenses (administered by Chest Board	150.00
Miscellaneous Total	\$500.00
Total Budget	\$2300.00
Every local organization is represented by a member on the drive committee which is composed of the following members: Mrs. Harry James, Rev. Deane F. Babbitt, Wm. H. James, Mrs. John Snyder, Mrs. Theo. Reid, Mrs. John C. Furby, B. M. Boydson, Leslie R. Carter, Bernard P. Church, Mrs. L. K. Hebel, Mrs. Joseph H. Hendy, Richard Kistler, Leo J. Lambrick, Chas. E. Neuman, A. Earl Southworth, E. Victor Stubbs, Mrs. F. W. Thomas, Burchell W. Upson, John J. Woodson, Frank C. Wykoff.	

Last Article on Zoning Presented by C. of C.

This is the last of a series of articles issued at the request of the Carpinteria Chamber of Commerce as an aid in the plan for creating various use districts in Carpinteria Valley.

Other Provisions of the Ordinance

In addition to the use provisions outlined previously, it might be noted that a number of regulations are included in the ordinance to provide for "setbacks" of houses along streets and property lines. This prevents new building from cutting off light, air and view from neighboring properties.

Existing Uses

This ordinance will in no way interfere with any building, use of land or structure which is now in place. Provision is made for the continuance of any so-called "non-conforming use," although there are very few in the Carpinteria area.

C. OF C. OFFERS TRAVEL GUIDE FOR CARPINTERIANS

The Carpinteria Valley Chamber of Commerce has arranged to supply information concerning road conditions, maps and other information needed by Carpinteria residents who may be planning a trip to any part of the country. This information may be secured by calling at the Chamber of Commerce office a week or ten days before the date on which departure is planned.

The Chamber of Commerce also has a supply of pamphlets and maps explaining the proposed zoning plan for the Carpinteria district. All residents who have not yet familiarized themselves with this plan are urged to secure their copies and study this matter as a public meeting for the discussion of this plan will probably be held in the near future.

Merle Waterman, tri-county Hi-Y secretary, spoke at a high school assembly Wednesday.

Mr. and Mrs. J. V. VanMeter have rented the home of Mr. and Mrs. W. Guy Stockton on Valecito road and will move some time next month.

resented by a member on the drive committee which is composed of the following members: Mrs. Harry James, Rev. Deane F. Babbitt, Wm. H. James, Mrs. John Snyder, Mrs. Theo. Reid, Mrs. John C. Furby, B. M. Boydson, Leslie R. Carter, Bernard P. Church, Mrs. L. K. Hebel, Mrs. Joseph H. Hendy, Richard Kistler, Leo J. Lambrick, Chas. E. Neuman, A. Earl Southworth, E. Victor Stubbs, Mrs. F. W. Thomas, Burchell W. Upson, John J. Woodson, Frank C. Wykoff.

Notification

In the residential, commercial and industrial districts in the town of Carpinteria, but not in the agricultural districts, it will be necessary to give notice before a building is erected. No ordinance or regulation is of any value unless enforced, and it is not possible, nor desirable to put on a large force of inspectors for such enforcement. It is believed that the people of Carpinteria can protect their interest best by notification before building construction is started. In this way, there will be no mistakes made in the construction taking place. The notification will be made locally, and no trips to Santa Barbara or any other community will be necessary.

Changes

It is hoped that when the ordinance is finally adopted, any necessary changes will be made.

KAUFFMAN HOME DAMAGED BY FIRE MONDAY AFTERNOON

The Kauffman home on the Coast highway was slightly damaged by a fire caused by an overheated flue from a hotwater heater on Friday afternoon. The blaze was discovered before it had gained much headway and was brought under control by the fire department. The property is owned by J. A. White and was severely damaged several years ago by a fire originating from the same cause.

CARPINTERIA TO BE FEATURED ON THREE PROGRAMS

Carpinteria will be featured in three radio broadcasts originating in Santa Barbara stations next week, the first of which will be heard Monday noon over KTMS at 12:15 to 12:30 when Dr. G. H. Coshov and Wallace Penfield of the County Planning commission, will discuss the proposed zoning ordinance covering the Carpinteria area. All persons who have not yet familiarized themselves with this plan are urged to listen to this broadcast.

On the evening of Tuesday, February 1st, a program prepared at the request of the Chamber of Commerce by High school students under direction of Miss Platt, will be heard over KTMS at 7:30 and on Thursday evening, February 23, a program prepared by students under the direction of Miss Holmes will be broadcast over KDB at 7:15. Carpinteria residents are asked to tune in on these programs and to comment on these broadcasts to the Chamber of Commerce as to how they were received.

VANDALS DAMAGE BEACH EQUIPMENT SATURDAY NIGHT

Playground equipment at the county beach park was seriously damaged sometime Saturday night by unknown vandals who visited the park. The merry-go-round was completely wrecked, the damage apparently having been done by a crow-bar or sledge hammer. In addition the slide was uprooted from a cement foundation and overturned, the life-guard tower was overturned, the head of the fountain and shower taken, and lathing torn from the fence surrounding the park.

The damage was apparently done by older boys or men and it is believed that the same gang who recently entered several Sandyland homes and destroyed property may have been responsible.

Miss Rosemary Carton and Miss Mildred Young left Tuesday evening to attend the opening of the World's Fair at San Francisco.

Grammar School to Move Into New Building March 2

CLERK NAMES THE TRIAL JURORS FOR CARPINTERIA COURT

County Clerk J. E. Lewis has announced that the following persons have been named as trial jurors for the Justice Court in Carpinteria for the current year:

County of Santa Barbara

Trial Jurors for the Justice Court First Judicial Township

Alvin E. Anderson, Ben Bailard, Clifford W. Bradbury, August A. Batsch, Jesse B. Beckstead, Harold L. Cadwell, Mrs. Dorothy Coshov, Charles Curtis, Mrs. Phyllis D. Carter, Mrs. C. Candliss Clark, Howe S. Deaderick, Mrs. Stella Davis, Carey Demaree, Thomas J. Emerick, Mrs. Daisy W. Franklin, John C. Furby, Mrs. Clara A. Gorham, Mrs. Eleanor Greenough, Lloyd R. Hales, Edgar W. Hoffman, Charles C. Heltman, Harlan C. Henderson, Stanley L. Isle, Albert J. Jarvis, Mrs. Ellen T. James, Joshua B. Lape, Merton F. Lewis, Marc L. Latham, Benjamin Moore, Don D. Maxfield, Mrs. Pearl Mecham, Sylvester C. Maddox, George G. McLean, Mrs. Eva Nidever, Rolland J. Ogan, Mrs. Ida O'Banion, Oliver W. Parsons, John R. Peterson, Myron Robertson, Chester M. Richardson, Henry W. Sturmer, Nelson F. Smith, Mrs. Zoe E. Smith, Miss Charlotte Shepard, William E. Treloar, Mrs.

With last minute finishing touches rapidly being completed on the new grammar school building it has been definitely announced by the school board that the building will be completed ready for occupancy and will be turned over to the board on Monday, February 27, and that classes will move into the new building on Thursday, March 2nd.

As soon as the building is turned over to the school board the work of placing equipment will begin and will be completed in time for the classes to move in on March 2. Classes and materials will be moved one by one and there will be no school on Friday, March 3rd.

No formal dedication will be held at the time the new school is occupied but the American Legion is planning ceremonies, including the placing of a bronze plaque, at a date to be announced in the near future.

MERLE WATERMAN TO SPEAK AT LION'S CLUB

Merle Waterman of Ventura and Tri-County Hi-Y Director will be the guest speaker at the regular weekly dinner meeting of the Lion's club in the Veterans' Memorial building this evening. He has chosen "Jazz or Symphony" as his subject.

Violet V. Tennyson, Warren C. Tobey, Alfred F. Thurmond, Henry O. Wood, Mrs. Minnie M. Waters.

World's Fair Premier Set For Saturday and Sunday

TREASURE ISLAND ON SAN FRANCISCO BAY — A life time of exciting events will be compressed into 48 gala hours on February 18 and 19, when the World's Fair Premiere formally opens the Golden Gate International Exposition. During the premiere, the glorious history of the West will live again in all of its dramatic charm as the entire State of California takes part in ushering in this event of events.

Throughout California a gigantic "one-week-to-go" celebration is being staged, including rallies, balls, torchlight parades and all of the other sparkling accessories of a giant festival.

San Francisco, host city for the World's Fair, started its celebration a week ahead of the premiere and was ready to "whoop it up" in true Western fashion for seven days. There was a monster pageant of the West, fireworks, a beauty contest, a 49'er ball and an illuminated night parade. Bedlam broke loose in various parts of the city as be-whiskered merchants and professional men in various districts of the city staged impromptu celebrations.

Impressive Ceremony

As the hands of the clock meet at the hour of twelve, the giant 44-bell carillon in the Tower of

the Sun will sound the hour, its inspiring tones echoing through the beautiful courts and gardens. Then a corps of trumpeters will play a muted call from a rampart in the Court of the Nations. This moving prelude will mark the start of impressive dedication ceremonies.

From a special grandstand in the Court of the Nations a large proportion of the Premiere visitors will be able to witness dedicatory events. Leaders of the four religions will offer an invocation of thanksgiving. Then a hymn of joy will be sung by a mixed chorus of 500 trained voices.

Following this, the officials of the Exposition, state and city, will speak briefly. At 12:30 President Roosevelt will deliver a nationwide address from Washington. This broadcast by the President will start the \$50,000,000 Exposition on its jubilant way through 288 eventful days. At the conclusion of the President's address, two world famed soloists will join with the chorus, the 100-piece band and the music of the carillon in a stirring anthem.

The Premiere has aptly been called "The opening of the thousand shows." In every field of entertainment the World's Fair will offer a host of gala presentations.

COMMUNITY CHEST

Yesterday workers took to the field to raise funds for the Carpinteria Community chest and every citizen is urged to make a contribution, even though in many cases it must be small, to this worthy cause.

The Community chest in years past has proven an ideal solution to raising funds for relief work, character building agencies and other community services and has eliminated the necessity of each of the organizations receiving funds from the Community chest to conduct drives for their individual needs and relieves individuals of frequent solicitations for funds.

The raising of funds for the various organizations once a year through the chest, particularly the character building agencies, enables these groups to intelligently plan their year's work with an assurance of funds to carry out programs that will benefit the greatest number.

So once again make your contribution to this worthwhile cause so that the good work of past years may be continued.

VANDALISM

Sometime Saturday night a group of morons, at least it is to be hoped that no persons with full mental faculties would be guilty of such an act, destroyed equipment at the county beach park. It is not known whether the guilty parties are residents of Carpinteria or from out of town, but if anyone has any information as to the identity of these parties they will be performing a community service if they will make a report of the matter to County Forester Frank E. Dunne.

The loss of this equipment will be keenly felt by youngsters of the community and of families who visit Carpinteria during the summer months. This equipment was originally purchased by the Lion's Club and it is doubtful whether it will be possible to replace this apparatus at the present time.

BAPTISMAL SERVICE

Sunday afternoon at 2:30, Rev. J. J. Woodson, pastor of the Methodist church will conduct a baptismal service at the First Christian church in Santa Barbara. Several of those who recently united with the church wish to be immersed and should there be others the pastor will appreciate your letting him know.

The young people of the Methodist church have organized an orchestra with Miss Margaret Russell director. The hour for practice is every Tuesday evening at 7:30 and the newly organized choir will practice every Wednesday at 8:15 immediately following the mid-

week prayer service.

If you are not attending elsewhere we invite you to come and enjoy this morning and evening addition to our services.

OIL WORKER INJURED

Harold Jorgenson, employed by the Moss Drilling Company on the test well on the Bryce property, was given emergency treatment by Dr. G. H. Coshaw and sent to the Santa Barbara hospital Wednesday afternoon as the result of injuries sustained when a 50 lb. block tumbled from the top of the derrick during the high wind and struck him on the shoulder. The extent of the injury will not be determined until X-rays have been taken.

The Churches

Carpinteria has a number of Churches, whose pastors and members will be glad to welcome you to their services.

THE CARPINTERIA COMMUNITY CHURCH

Rev. Deane F. Babbitt, Pastor.

There are men who have a sincere admiration for Jesus, taking a genuine delight in the study of his life, who lose out of the Christian Religion its joy and power. They have never grasped the truth that Christ is living, and that he reigns today in the hearts of men through the power of the Holy Spirit. Contributing to the Service of Worship, the Pastor will preach at eleven o'clock upon the theme: "From Water to Rock!" Only by the indwelling of the Holy Spirit can the Christian life become possible to any of us. Great ideas alone do not make us Christian. We are hopeless until the Holy Spirit comes! "His House shall be called a house of prayer for all the people." Worship your God and go forth renewed in strength and well-being.

We have laws to curb crime, but we have no laws to curb war! "Forces That Make For War," is the Youth Fellowship Study to be presented at 6:30 by Myron Sturmer. Help other Christian youth to bring the world to know the Prince of Peace.

He alone can overcome the imperialistic ambitions of present day leaders of the nations.

METHODIST CHURCH

Rev. John J. Woodson, Pastor

10:00 a. m. Church school. The true objective of which is not only to bring the pupil to Christ, but into the church and trained for Christian character and service.

11:00 a. m. Morning worship, subject: "The Gift That Produces the Greatest Returns. Ingratitude is the frost that kills. It displeases both God and man; it is the meanest of weapons. It blights, it dwarfs, it kills and it destroys. How then may we keep it from entering our lives? Look about you and try to count your blessings and then be thankful and show it by going to church Sunday morning.

6:30 p. m. Senior and Intermediate Epworth leagues. The spiritual life of our young people have been deepened and enriched and they know the joy of wholehearted commitment to Christ. We are looking forward to great accomplishment through them.

7:30 p. m. Evangelistic message. God has marvelously blessed our church and town through the messages delivered by "The Irish Evangelist" while in our midst. So we invite you to come and assist in keeping the revival fires burning.

7:30 Friday evening. Business meeting of the Senior league at the home of Miss Loretta Mayerhofen.

CHRISTIAN SCIENCE SOCIETY

Christian Science Society, Carpinteria, a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds service every Sunday at 11 o'clock a. m., Sunday School at 9:45 o'clock. Mid-week meetings every Wednesday evening at 8 o'clock.

A reading room is maintained in the church building, open Tuesday afternoons (except holidays) from 2:30 to 4:30 o'clock.

WOMEN IN THE NEWS

By LEONE BAXTER

Next to politics and religion, perhaps the most dangerous field of argument for people who wish to remain friends is that of child rearing. Many young mothers of today, steeped in the psychology research which learned men have charted, speak of behaviorism, complexes, introvert and extrovert types, when confronted with cravings of small sons to worry cats, draw pictures on the wall paper, or sleep with many dogs. Meanwhile grandma snorts derisively and asserts that she, single-handed and with a hairbrush her sole laboratory equipment, can build a boy's character faster and surer than all the scientists of the Rockefeller Foundation working in relays.

As toddlers grow into adoles-

compassion of one another, love as brethren, be pitiful, be courteous." These words from the first epistle of Peter constitute the Golden Text in the Lesson-Sermon on "Mind" on Sunday in all Churches of Christ, Scientist.

The Lesson-Sermon includes these verses from the book of Isaiah: "The LORD is exalted; for he dwelleth on high: he hath filled Zion with judgment and righteousness. And wisdom and knowledge shall be the stability of thy times, and strength of salvation: the fear of the LORD is his treasure." Paul's words to the Romans are also presented: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out! For who hath known the mind of the Lord? or who hath been his counsellor? . . . For of him, and through him, and to him are all things: to whom be glory for ever."

Among the selections from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, is the statement: "We can have but one Mind, if that one is infinite. We bury the sense of infinitude, when we admit that, although God is infinite, evil has a place in this infinity, for evil can have no place, where all space is filled with God."

cence and beyond, there seems no release from the dilemma. Differences of opinion over their guidance grow concurrently. Of two sisters brought up in identical surroundings, why does one become a flippant party girl keeping her family ajitter, while the other marries the town's most respectable young man, teaches Sunday school, and becomes a sort of moral haven for the community? The answer? Choose among hundreds—and resign yourself to the possibility that you choose wrong.

Uncertainty is about all there is left—after we admit the evidence of Mildred Walker, a doctor's wife who has leaped into literary fame through mounting sales of her new book, "Dr. Norton's Wife." Discussing her strivings toward authorship, Novelist Walker reveals that she first saw writing cash when she won a prize contest on the topic "How I Met the Problems of Adolescence in My Daughter"—adding that she wrote it shortly before the birth of her first baby!

Doubtless the contest judges were bearded savants who knew all about child psychology, to say nothing of fixations and conflicts, and who could iron out wrinkles of the subconscious mind as deftly as a smart woman manipulates the complexities of her handbag and comes out the first time with what she's seeking. Yet the experts capitulated to a young lady's imaginative essay on a fictitious daughter!

The complexity of child rearing, according to one of the most successful child psychologists known to this writer, is due to the simple circumstance that children, as well as grownups, are individuals. They can't be run with equal success through identical psychological hopper.

But grandma will maintain that one hairbrush may be applied to one and all. Which simply starts the confusion of debate all over again!

STARLET ADVANCES

Ellen Drew, who recently scored in a secondary role of Frank Lloyd's "If I Were King," is currently teamed with George Raft in Paramount's "The Lady's From Kentucky" and will follow that with a role in "The Gracie Allen Murder Case."

THERE'S GOLD IN THAT THAR' HAIR

"Golden California" is the theme of this year's great Citrus Fair to be held in San Bernardino and golden tressed Juanita holds one of the golden oranges boosting the event.

STATE UNIVERSITY MAINTAINS POSITION OF LOWEST COST

BERKELEY — The University of California has maintained its position of having one of the lowest unit costs of any state-supported college in California and has improved that position.

This is the statement made by J. C. Bennett of the research department of the California Taxpayers' Association, in a report following an investigation made at the request of the University by the taxpayers' organization. A similar report was made eight years ago, and the costs then and now are compared in the report.

The cost of undergraduate instruction per unit attempted in the University of California, all campuses, was \$4.77 in 1937, as compared to the average for state colleges, estimated for 1936, or \$5.72. The department costs for 1937 per unit earned in the University, were \$4.90, as compared to \$6.19 in 1929. In the eight year period the costs at Berkeley were reduced from \$6.65 to \$4.82, and at Los Angeles from \$5.40 to \$4.03.

Including the graduate division, the decreases averaged about 19 per cent, representing an annual saving of more than \$650,000, according to the report, which continues, "This saving in faculty salaries reflects the effect of a continued growth that has not been matched by a similar growth in revenue. That the administration of the University has achieved splendid success in coping with the problem is evident from the above tabulation."

Mr. and Mrs. C. J. Cadwell left Tuesday morning for Los Angeles to meet Harry Miller, an old friend, who now resides in New York, and is in the southland city on business at the present time.

U. C. STUDIES SMALL LOAN BROKERS FOR STATE LEGISLATURE

BERKELEY — The interest of members of the current California Legislature in placing further restrictions on the personal property brokers and unsecured money lenders in the small loan market has occasioned a study of the subject by the Bureau of Public Administration of the University of California.

Investigations made by Jack E. Thomas, research assistant in the Bureau, show that this type of broker loans from \$350,000,000 to \$500,000,000 in the United States annually, and that California and Nevada are the only two states which have placed no curb on the interest they may charge. The study specifies that all other types of small loan brokers and agencies in the state are covered by controlling legislation in this regard.

The study is limited to loans of \$300 or less, made in the main to people whose security is not acceptable to the other types of lenders. "In the absence of adequate regulation," the report states, "experience the country over indicates the small loan business attracts unscrupulous men who take full advantage of the necessities and ignorance of applicants."

The amount loaned by the persons or agencies who are the subjects of the study, is considerably in excess of that loaned by any other agency.

The report reviews the legislation covering itself mainly with the licensing of the personal property and unsecured money brokers. It gives an instance of one borrower obtaining \$20 for two years and paying over \$100 in return, with the original \$20 still standing against him, and of another who borrowed \$25, against which he had paid charges of \$66, or more than 250 per cent on the original loan.

The manner in which 34 states handle this type of broker is tabulated in the report, showing a wide variation in the interest rates allowed.

LIKE FATHER, LIKE SON

William Harrigan, who portrays one of the important roles in Paramount's "Back Door to Heaven," produced and directed by William K. Howard, is the son of the late Edward Harrigan, noted actor. Mature devotees of pictures will recall him as a member of the team of Harrigan and Hart.

BONELLI URGES CURB ON WINE

Believing the chief menace to proper control of the use and consumption of alcoholic beverages in California is the presence in this state of much cheap, immature and fortified wine, the State Board of Equalization, on motion of William G. Bonelli, fourth district member has urged the legislature to enact laws based on its recommendations relative to wine.

Such liquor, Bonelli's resolution points out, is marketed in small containers and at a tempting price, making it too easily procured by minors and drunkards. It is attractive to the latter to such an extent as to have coined the word "wino" to designate a person intoxicated on this type of beverage.

In an effort to remedy this social evil and also to provide more equitable taxation of the wine branch of the liquor industry, the

board's suggestion proposes:

(a) Imposing an excise tax on wine based on the proportionate alcoholic content as compared with other alcoholic beverages. (b) Permitting the sale of mature wine only. (c) regulating the size of wine containers, particularly by establishing a minimum size container for fortified wine.

Such legislation, it is explained, would also assist in assuring a permanent market for the state's wine grape growers which is jeopardized by the intemperate use of wine with its resultant adverse public opinion.

It is estimated that 65 per cent of California's wine is exported and the state collects no excise tax thereon, despite the protection and encouragement given the wine industry by the state and the fact that it bears an inconsiderable tax burden in comparison with other alcoholic beverages industries.

PERSONALS

William Crawford, who has been visiting his son, Aubrey Crawford and daughters, Mrs. Stanley Shepard and Daphne Crawford, will leave tomorrow for San Francisco where he will visit his daughter, Miss Wilma Crawford and attend the opening of the World's Fair. From San Francisco he will return to his home in Chicago, Ill.

Relatives of Mrs. Laura Townsend, who was a recent visitor in Carpinteria, have received word that she reached her home in Lusk, Wyoming, safely after a very chilly trip. Mrs. Townsend left by stage for her home a week ago last Sunday and stated in her letter that the stage traveled continuously in the snow after it left San Bernardino.

More than 2,000 members of the Society of Automotive Engineers will visit the California World's Fair on June 7.

SUNDAY SCHOOL MEMBERS ENJOY VALENTINE PARTY

A Valentine party at the home of Rev. and Mr. Deane F. Babbitt Monday evening for the Junior-Intermediate Department of the Sunday school of the Community church also served as an organization meeting for a Junior choir which will be trained by Mrs. Babbitt. The choir will meet each Monday afternoon at 4:00 p. m. at the church for practice and it is planned to provide red surplices for the members of the group. Assisting Rev. and Mrs. Babbitt in entertaining the young people was Mrs. R. E. Bradford.

Those attending the party were: Paul Armstrong, Peter Hales, Joyce Richardson, Patsy Curtis, Leslie Johnson, Eugene Vind, Bobby Hatton, Jean Peterson, Edward Musick, Teddy Taylor, Richard White, Kenneth Britton, Marshall Maddox, Patricia Mayfield, Polly Ennis, Darlyn Betts, Kazuo Mizukami, Nadine Barrick, Thelma Marple, Irene Solari, Wilma Truhitte, Evelyne Russell, Shirley MacDonald, Jimmy Amos, Denny Taylor, Jessie May Barrick, Chas. Curtis, Mariko Mizukami, Junior Stemper, Joan Hall, Grace Ennis, Jack Babcock, Robert Whitcomb, and Gloria Curtis.

PHOEBE BOWEN BECOMES BRIDE OF C. F. COOK IN CHURCH CEREMONY

Mr. and Mrs. Clinton Reardon Bowen have announced the marriage of their daughter, Phoebe Louise, to Carroll Francis Cook, son of Mr. and Mrs. George Cook of Santa Barbara, which was solemnized Tuesday evening in All Saints in Montecito, the Rev. John deForrest Pettus officiating. The couple will make their home in Westwood where both will attend U.C.L.A. where Mr. Cook has been a student.

Miss Bowen is a graduate of the Mabel Scott Rancho school in Azusa and has been attending Santa Barbara state college.

SHOWER GIVEN IN HONOR OF MARJORIE WHITE

Miss Marjorie White, whose engagement to Roy Fordyce Ventura was recently announced, was the guest of honor at a personal shower given by Mrs. Robert Ople at her home in Summerland last Thursday evening.

Among those invited were the

Misses Thelma and Selma Johnson, the Misses Martha and Ruth Holsten, Mrs. George Holsten, Mrs. LaVerne Rickman, Mrs. LaVerne McKinney, Mrs. Dale Schuyler of Long Beach, Mildred Young, Patricia McLean, Maybelle Harkey, Ada Mae Lambert, Mary Rodriguez, Ducky Wilson and Mrs. Jas. White.

HANDCRAFT DEPARTMENT ADDED TO WOMAN'S CLUB

A department of handcraft with Mrs. Henry B. Fish as chairman has been added to the Woman's club organization, being completed last Monday. The department will meet in the art room of the high school each Monday afternoon from one to four o'clock with Mrs. Lucille Morgan as instructor. Because the club is cooperating with the high school extension classes, the department will be open to those who are not members of the club.

Those who have enrolled in the class are Mrs. Fish, Mrs. E. C. Bronk, Mrs. B. E. Clark, Mrs. Harry Smith, Mrs. Henry C. Hugo, Mrs. Thomas Church, Mrs. James Kent, Mrs. Francis Castro, Mrs. Phil Dane, Mrs. Randall Curtis, Mrs. H. B. Franklin, Mrs. C. R. Sawyer, Mrs. Joseph H. Hendy, Mrs. W. H. James, Mrs. Mix Van deMark, Mrs. W. C. Catlin, Mrs. R. J. Ogan, Mrs. Jack Wullbrandt, Mrs. E. V. Stubbs and Mrs. Chester Miller.

This afternoon club members will meet at one o'clock for a no-host luncheon honoring Mrs. Jas. M. Reed, state chairman of Gardens, who will speak at the afternoon meeting. Mrs. E. V. Stubbs and the members of the Garden department will arrange floral displays for the program. Hostesses will be Mrs. Jack Wullbrandt, Mrs. W. H. James, Mrs. F. L. Burbridge, Mrs. Clarence Cadwell, Mrs. Laurence Doerr and Mrs. H. B. Fish. Yesterday afternoon the literature department heard a book review by Miss Jean Warren Bailard, at the clubhouse.

Miss Irene Fagin will demonstrate fancy rolls and breads next Thursday for the American Homes

department. Hostesses for luncheon will be Mr. Marc Latham, Mrs. Frank Wykoff, Mrs. Henshaw Ward, Mrs. E. C. Bronk and Mrs. Charles Curtis.

MISS BARBARA HUDSON BRIDE OF M. D. BASTIN

Miss Barbara Helen Hudson, daughter of John B. Hudson, became the bride of Max Delmar of Indianapolis yesterday afternoon in a pretty ceremony in the chapel of the Hollenbeck home in Pasadena where her grandmother, Mrs. Orissa Wales, resides. Dr. L. C. Kirkes of Laguna Beach performed the ceremony. The couple left for San Francisco where they will visit the exposition and will go on to Indianapolis where they will make their home for the present.

The bride graduated from the Carpinteria High school in the class of 1937 and attended Occidental college. Mr. Bastin is the son of Mr. and Mrs. John T. Bastin of Indianapolis. He recently completed his enlistment in the U. S. Navy with an officer's rating.

P.E.O. CHAPTER ENTER-TAINED BY MRS. W. GUY STOCKTON

Mrs. W. Guy Stockton entertained her P.E.O. chapter at dinner Monday evening preceding their meeting. Assistant hostesses were Mrs. Elva Johnson of Santa Barbara, Mrs. Lucie Treloar, Miss Leona Smith and Miss Elizabeth Platt.

BEVERLY HUMPHREYS CHOSEN AS D.A.R. REPRESENTATIVE

Beverly Humphreys, Carpinteria high school senior, has been chosen by the Santa Barbara chapter, Daughters of American Revolution, to compete for the honor of representing California in the annual pilgrimage to Washington, D. C., in April, and will be presented to the chapter Saturday at the Washington's birthday luncheon at the Montecito country club.

Dr. Genevieve Shorkley is regent of the chapter. Other members from the chapter are Mrs. G. A. Franklin, Mrs. Martin Slaughter, Mrs. J. Henry Shepard, Mrs. George R. Bliss, Mrs. Clinton R. Bowen, Mrs. J. W. Young, Mrs. J. W. Dorrance, Mrs. John Lalia Conway and Miss Verita Slaughter.

OVER THREE HUNDRED GUESTS ATTEND P.T.A. FASHION SHOW

The dessert-bridge and fashion show given Friday as a junior class benefit by the high school P. T. A. drew an attendance of more than 300 women, many coming in for the fashion show later in the afternoon. The spring costumes were from the Jack Rose shop and were displayed by Mrs. Joseph Schweizer, Mrs. Jack Wullbrandt, Mrs. James L. Kent, Mrs. LaVerne McKinney, The Misses Benita Baker, Ethel Babcock, Madelon Southworth, Josephine Stewart, Mary Alice Hebel and Beverly Humphreys. Other stores contributing to the show were the Rodenbeck shoe store and the Gagnacci flower shop in Santa Barbara and the Estelle Beauty shop.

Several card clubs came to play together and a number of parties had been made up. Mrs. Lloyd Tennyson entertained at five tables, her guests including Mrs. Joseph H. Hendy, Mrs. David Safwenberg, Mrs. Henry W. Sturmer, Mrs. David Safwenberg, Mrs. Robert Bailard, Mrs. Hugh Thurmond, Mrs. Ben Bailard, Mrs. Clarence Cadwell, Mrs. Aubrey Crawford, Mrs. Gordon Bailard, Mrs. Stanley Shepard, Mrs. Don Maxfield, Mrs. Lloyd Hales, Mrs. C. C. Benedict, Mrs. Donald Bailard, Mrs. E. D. Solari, Mrs. Myron W. Robertson, Mrs. George Humphreys, Mrs. J. C. Bailard, Mrs. C. E. Bailard.

Mrs. George Clark has arrived for an extended visit at the home of Mrs. J. W. Young.

Mr. and Mrs. W. C. Hohmann were business visitors in Los Angeles yesterday.

L. R. Carter spent Tuesday in Los Angeles where he took the examination for operator's license for radio-phone, 3rd class.

WILL HEADLEY PRESENTS RECITAL AT YOUNG HOME

The home of Mr. and Mrs. Arthur H. Young in Lillingston canyon was the setting for a piano recital by Will Headley Sunday afternoon with a large number of guests attending. The program included old and newer composers, as follows:

Beethoven: Sonata in C Major, Op. 53, Allegro con brio.

Chopin: Nocturne in C minor, Op. 48, No. 1; Preludes, Op. 28; No. 1 in C major; No. 3 in G Major; No. 23 in F. Major; Etude in A Minor, Op. 25 No. 11.

Brahms: Ballade in G Minor, Op. 118, No. 2; Intermezzo in C Major, Op. 119, No. 3; Rhapsodie in E flat Major, Op. 119, No. 4.

Debussy: Gardens in the Rain.

Griffes: The Night Winds

Lecuona: Malagiena

Elsa Lee Grell is confined to a Santa Barbara hospital where she is recovering from a throat infection.

Mr. and Mrs. E. D. Solari are attending the races at Santa Anita today.

TWO NEW HOMES

R. J. Ogan is building a new five room house in the Vallecito Oaks tract, and construction has been started on a new house on Dorrance Way for Robert Young.

Your Hollywood Correspondent Reports . . .

Dorothy Lamour couldn't get to her own home the other night when her driveway was washed away by heavy rains. After working in night scenes for "Man About Town," she and her mother, Mrs. Carmen Lamour, stayed in a Beverly Hills hotel. Incidentally Dorothy inherits Carole Lombard's former dressing room at Paramount. Gary Cooper is back in the one he occupied 10 years ago at the same studio. It was vacated by George Raft when he completed "The Lady's From Kentucky." Kent Taylor is using his winnings from the races for his house budget. He's just bought a new place in Coldwater Canyon and will move in after he finishes his role in "The Gracie Allen Murder Case." At Paramount they're calling "Beau Geste" "One Thousand Men and a Girl." There are that many men in the picture and, so far, only one girl, Susan Hayward is cast.

Joyce Mathews is back in town from a vacation in Florida with her father. She was met at the airport by her boy friend, Arnold Kynody. When Margo returned from her New York vacation she brought her husband, Francis Lederer, a coal black spaniel. He's appropriately calling him "Midnight." Time between scenes on the "Invitation to Happiness" set always finds Irene Dunne, Fred MacMurray and writer Claude Binyon getting individual programs on their portable radio sets.

Gary Cooper has a date with Reider Anderson, Norwegian ski champion at Sun Valley, after he completes his role in "Beau Geste." Jack Benny has taken his violin out of the case and will play "Love in Bloom" to Dorothy Lamour for scenes in "Man About Town." Lloyd Nolan is growing a mustache. He's supposed to look older than he really is for his forthcoming role in "The Magnificent Fraud."

Mary Boland took Charlie Ruggle's advice and has given up betting on the horses since she won on Supremador, the hundred to one shot, at Santa Anita. Andy Devine's son, Tad, is starting to talk in gravel throat fashion like his famous dad. Louise Campbell is in Chicago for a birthday celebration with her father while working in "The Gracie Allen Murder Case." Ellen Drew's father and stepmother, Mr. and Mrs. Joseph Ray, who have been visiting in Hollywood from Kansas City, like film town so well, they're going to establish permanent residence here.

FAMOUS PIANIST TO PRESENT CONCERT AT LOBERO MONDAY

Josef Hoffman's appearance at the New York Stadium concerts last summer marked two first times for the famous pianist who comes to Santa Barbara next Monday evening, Feb. 20, at Lobero theatre in one of the Artists' series of the Music Branch, Community Arts Association. One would think that there was no musical experience left unplumbed for the master artist whose career has extended over fifty years and over the wide world. But he never played in the open air until that concert, one of the several summer events which marked the con-

AERIAL THRILLS SCIOTS CIRCUS FEATURES

The Armory in Santa Barbara will be transformed into a circus arena for the presentation of the Sciots' Indoor Circus which starts a seven nights engagement Wednesday night, Feb. 22. The Polack Bros. Circus that is being presented by the Sciots has a very diversified program with a total of twenty-one displays, which includes some of the most famous American circus acts.

Pictured above is Miss Peggy Michel. This dainty little miss performs daring aerial routine high above the heads of the audience on the high Spanish web. This feat of daring is one of the most thrilling acts in the circus world of today. There will be trained jungle-bred lions, presented by Capt. Hamiter, Eugene Randow and Co., famous European clowns, Snyder's performing bears, the Polack Bros. performing elephant, Mona, and the great Billetti troupe of sensational high wire artists, performing forty feet above the heads of the audience without the aid of a safety net or safety device of any kind.

Arrangements are now being completed whereby the underprivileged children of Santa Barbara and vicinity will be taken to the circus as guests of the Sciots. The children will be taken to the matinees which will be staged four afternoons, namely Wednesday, Saturday, Sunday and Tuesday. Circus tickets are on sale by members of the Sciots Pyramid 34 and already the advance ticket sale indicates that there will be capacity crowds on hand each night to witness this great display of circus talent.

necting link between his recently celebrated Golden Jubilee and the continuation of the career of an artist at the height of his powers.

The other time caused no little amusement to the pianist himself and to those who know him well. Hundreds of times he has refused to speak in public or to say a few words over the radio. But at the last moment he was told that it was customary to announce his own encores. When he returned to the platform after a superb performance of the Chopin F Minor Concerto, he sat down on the piano bench, then bethought himself of the injunction, arose and wonder of wonders, spoke.

"I shall play Beethoven's 'Tur-

kish March,' arranged by Rubinstein," were the first Hoffman words to go through a microphone. "Anton", he added as an afterthought, wishing it clearly understood that it was his former master he was honoring. The vast throng of 19,000 did not realize that they were accorded a rare privilege, but they appreciated not only the encores incredibly played, but Hofmann's delicious wit when he announced that he would play a "piece nobody knows" and it turned out to be the famous Prelude in C Sharp Minor by Rachmaninoff. Thus was added another facet to a versatile career.

ELSA MAXWELL TO APPEAR AT LOBERO ON FEBRUARY 25TH

SANTA BARBARA—Elsa Maxwell, the world's champion party-giver, who is also the official hostess for the Golden Gate Exposition in San Francisco, will be in Santa Barbara on Saturday evening, February 25, to talk at Lobero on "Today Society is Different."

Original, high-spirited, at once charming and ruthless, Miss Maxwell has become arbiter de luxe of international society and, in her inimitable manner, will amuse her Santa Barbara audience.

This small town girl from California is distinguished for her friendships with both princes and paupers and with the most common and uncommon people; for her dominating role in the social life on both sides of the Atlantic; and for her authentic talent as a pianist and composer.

She has watched grand dukes, movie stars, and vaudeville hoofers scurry for first prize in a treasure hunt. She has captivated Bernard

Shaw with her brittle wit and has known and entertained a host of dignitaries—and made them forget their dignity and really enjoy themselves.

She is most famous for original parties where big business rubs shoulders with royalty and the members of America's oldest families cavort with stars in all fields. "Let's have fun!" is her only philosophy and she lives up to it at all times.

Miss Maxwell will discuss the radical changes in American society since the days of Ward McAllister and the part that she has played in the change.

Tickets for "Today Society Is Different" are on sale at the Lobero box office.

S. B. BASEBALLERS INAUGURATE SEASON SATURDAY AT 2:30

Coach Theo. "Spud" Harder and Santa Barbara State College baseball club will inaugurate the 1939 season Saturday with players representing the National School of Baseball as opponents. The game, which will get under way at 2:30 o'clock will be played at Pershing Park.

JESSE JAMES VS LOTT HEADLINES MAC CARD TONIGHT

Again we were practically nauseated by the foul methods used by "Tarzan" Orth, erstwhile light heavyweight champ, in his match with Jesse James at the MAC last Thursday night. James tried repeatedly to wrestle with Orth and give the fans a treat but Orth would not have it. It is honestly felt by all now that he really doesn't know how. At any rate, we were treated to some of the roughest so-called wrestling the Mission Athletic Club has had in some time. With a fall apiece, and after repeated warnings from the referee, James was given the last and deciding fall.

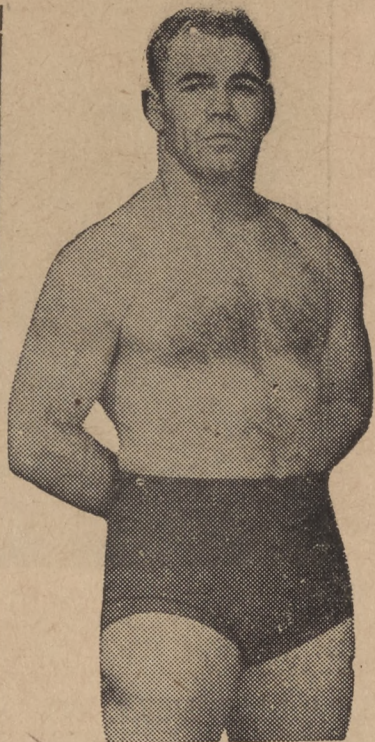

Tonight's bill has a match which will bring the fans down from the hills. Jesse James will trade holds with Jimmie Lott, the rugged little football star of Alabama. These two boys have, in the past, turned in some of the best wrestling in the game today. Their tussle should be a winner.

A newcomer to the M. A. C. program features the semi-windup in the person of Wild Red Berry, who will mix with Jackie Nichols in a two out of three falls, with a 45-minute time limit. Wild Red is expected to live up to his name according to word received from the south.

Zibby Zbyszko makes his Santa Barbara debut in the one-fall opener with the clever Japanese star, Sugi Hayamaka. The second preliminary returns Danny Savich of Salt Lake against the sturdy Texan, Paul Murdock.

YOSEMITE VISITORS

Motorists driving to Yosemite Valley are urged by the Touring Department of the National Automobile Club not to attempt the trip without tire chains. They may not be necessary on the trip into the Park, and again, if it is storming, they will be most essential. With more than two feet of snow

Jimmie Lott in the feature event with Jesse James on the wrestling card at the MAC tonight.

ULTRA MODERN WAY TO TREASURE ISLAND

Southern Californians who plan to drive to the Golden Gate International Exposition which opens this Saturday (Feb. 18) will reach the man-made Treasure Island over a highway system as modern as the Bay bridge, itself, reports the touring bureau of the Automobile Club of Southern California.

By means of a variation of the modern "clover leaf" design, motorists from either San Francisco or Oakland will be able to enter the Exposition grounds without making a left turn across intersecting traffic streams.

A parking lot for 12,000 cars and fully equipped service stations have been provided on Treasure Island. Warning signs, at each end of the bridge, will flash on when the parking lot is filled. A single toll permits the motorist to visit the Exposition and return to his starting point or continue to the other side of the bay without extra cost.

Three of the Exposition traffic lanes are of permanent construction for eventual airport utility. The remaining three lanes are of temporary construction. Nearly a hundred highway signs have

been erected on the new system to guide motorists. been erected on the new system to guide motorists. been erected on the new system to guide motorists.

NEXT WEDNESDAY TO BE BIG DAY FOR SANTA ANITA FANS

Santa Anita is setting the stage for the fifth running of its \$50,000-added Derby on Wednesday, February 22, with prospects of a large and brilliant field going to the post before a record attendance.

A large number of out-of-state visitors are already checking in to see the three-year-olds run, and to remain over to witness Seabiscuit and the stake stars go in the feature Santa Anita Handicap on March 4 when \$100,000 will be put up in added money.

All box and reserved seats for both events have been sold out for weeks past, and there has been an increased advance sale of clubhouse and general admission tickets. There will be no advance in price for Derby Day—\$1.10 for general admission and \$2.20 for clubhouse—but for Handicap Day the clubhouse has been set for \$5.50.

The starters from the Derby eligible, which number 107, loom up as the most outstanding ever to sport silks on the Coast. The mighty Porter's Mite and the heralded Xalapa Clown are the current top candidates but the fact that the Santa Anita Derby has been stretched out to a mile and a furlong this year, instead of the 1 1-16 miles, will likely have a bearing.

The filly Sweet Nancy and A. G. Vanderbilt's Impound and Hysterical are among those who have indicated a liking to go on from the sprints that have been carded for the three-year-olds and there may be others to come along.

The number to pass the entry box will depend on track conditions. Last year fifteen came out to tackle the sensational Stagehand. The year before Fairy Hill led a record twenty-one to the wire. Weights have been set at 120. If they catch a dry track, there is a good chance of the additional \$500 being put up for at least twenty to start.

Your printing orders will be well done and appreciated at The Chronicle office.

Hollywood Teams to Meet Local Marksmen Saturday

OXY TO HOLD FIRST TRACK MEET OF SEASON SATURDAY

First signs of spring will be evidenced out at Occidental College Saturday afternoon when the Bengals play host to University of Southern California's powerful track and field team in the annual handicap meet between the two institutions.

The handicapping will again be under the guidance of Fred Johnson, former Oxy athlete, and Roy Priebe, ex-Trojan. Both men are now coaching at Garfield High school.

U.S.C. won the meet last year by a score of 77½ to 52. The speedy students of Dean Cromwell are heavily favored to annex Saturday's meet by the same margin.

Coach Joe Pipal is frantically searching for more Oxy material. The veteran mentor has one good man in nearly every event, but he is woefully lacking on reserve power. Only in the shot put, where John Van Etten, Darrell Gaffers, and Jack Thatcher hold sway, do the Tigers have complete strength.

SHARPSHOOTER

After winning the pistol shooting championship in the United States Marine Corps, Bob Burns, now elevated to stardom in Paramount's "I'm From Missouri," was presented to the King of Spain and General John J. Pershing on successive days in 1918.

Leo Peterson and William Hummel captured first place in the two events of the Holiday Shoot held at the State Park range on Monday. Shooting with handicap, Hummel took the first event at 100 yards to win the Smith Memorial trophy. In the second event, shooting at 100 yards with iron sights with handicap, Leo Peterson led the field with a perfect score and won the second leg on the Gradle Gun stock.

The Carpinteria Gun club's new indoor range at Linden Avenue and 7th street which was recently completed is proving very popular with marksmen and weekly rifle matches are being held. On Friday evening the first of a series of pistol matches will be held with F. L. Smith Hardware Co. and S. C. Maddox, sponsoring the event and furnishing the trophies for the winners. Medals will be awarded by the club.

Two rifle teams from Hollywood bent on revenge will journey to Carpinteria Saturday night to shoot a rifle match with the crack shots of the local club. Carpinteria has defeated these teams several times in the past and the Hollywood men have been practicing up for this event.

TROUPED TOGETHER

Helen Twelvetrees, Buck Jones' leading lady in Paramount's "Night Spot Hostess," who once appeared with Ed Pawley, featured in the Broadway stage success, "Elmer Gantry," now works in pictures with him.

The word you like to see on the things you like to buy—

EASTSIDE ALE is a GENUINE Ale—which means it is made by the old time-tested method of top-fermentation in "hot" cellars. Very few ales are GENUINE ales. When you buy, look for the word GENUINE on the label. Only in GENUINE ale will you find that smooth yet virile mellowness and flavor you find in Eastside Ale.

Ned Sparks
Star Theatre's Comedy Find of the Year

part of home entertainment as singing around the parlor piano—and they govern themselves accordingly.

Speaking of the real folks touch, Barbara Luddy, diminutive leading lady of those popular First Nighter dramas, plays a host of sophisticated roles, has appeared on the stage from San Francisco to New Zealand and is a veteran of the silver screen—but her spare time is spent making hooked rugs at home.

Another believer in the simple life is glamorous Betty Winkler, star of Girl Alone, who actually spends her spare time crocheting since friend Gale Page brought the new fad back from Hollywood.

Jack Smart, portly comic on the Bob Hope program, was explaining to your interviewer the reason for his rotund figure. "I got that way," said Smart, "because of my daily doesn't."

You might not guess it from his sophisticated background, but Paul Whiteman's secret passion is cow-boy outfits and he'll go "western" on the slightest excuse.

Ray Noble
Musical Comedy

dance band men to become just as popular here. In turn, Ray likes us so well he decided to remain and become an American citizen. You hear him with Burns and Allen as both conductor and stooge.

LISTEN TO THIS

By TOM FIZDALE

Rightly enough, radio stars are probably the most real people in the entire entertainment world. Of course, when it comes right down to it, scratch almost any celebrity and you'll find "real folks" underneath, but radio stars seem to have kept their sense of balance exceedingly well. Most of them, because of the nature of their work, have stuck pretty much to the microphone and real homes. Stars like Lum 'n' Abner, Amos 'n' Andy, Fibber McGee, Bob Burns, Uncle Ezra, Al Pearce and Tommy Riggs have won their fame by their homey qualities and the other stars seem to realize that they are as much a

Betty Winkler
Demurely Glamorous

Albert Phillips, Dr. Gramby of the Big Sister airdramas, is drawing rave notices for his creation of the role of Stephen Douglas in the stage show, "Abe Lincoln in Illinois."

Shortest audition on record is that of Joan Tompkins, who won her role in Your Family and Mine after reading two lines.

Like Orson Welles, John Hench, juvenile lead of Those Happy Gilmans, was educated in Illinois but went to the British Isles to break into the theatre. His brashness won him a place with the famous Birmingham repertory company and his talent kept him there until he returned to this country and radio.

Which reminds us that Ray Noble, whose swell arrangements preceded him to this country when he was one of England's favorite bandmen, is one of the few foreign

Hollywood Beauty Secrets

By Max Factor, Jr.

Filmdom's Foremost Make-up Authority

Brushes Bring Beauty

Brushes and brushing are becoming more and more important as accessories to the modern art of accentuating feminine beauty.

Small complexion brushes work marvels in cleansing the sometimes roughened skin surfaces of the elbows, the knees, and the knuckles.

The eyelash brush, quite aside from its value in applying mascara, serves help stimulate the growth of the lashes and keep them in place.

Fingernails

Fingernail brushes are invaluable aids in removing the last fragments of dead and unattractive cuticle from the borders of the nails.

Long-handled bath brushes will serve to condition the skin surfaces of the back which can be reached by no other means.

And the powder brush, a comparatively new arrival in the brush ensemble, effectively acts to prevent face powder from caking, and enables it to be spread so smoothly that this make-up material will cling to the face much longer than it would ordinarily.

Hair

Of course, the hair brush, one of the most thoroughly time-tested of all feminine grooming aids, SHOULD be first and foremost in our brush considerations.

Regretably, however, ever since the time bobbed coiffures became the general feminine preference, the use of the hair brush has become a greatly neglected procedure—with this neglect often evidencing itself in a noticeable lack of hair lustre and pliability.

Bobbed hair should be brushed just as thoroughly as were the longer locks of yesteryear, even though this lengthy brushing procedure is no longer an every-morning necessity for snarl removing purposes.

Dorothy Lamour

The beneficial results of very thorough hairbrushings are repeatedly demonstrated by the lustrous tresses of the ladies I know here in Hollywood.

Dorothy Lamour, one of the very few long-haired screen stars, naturally MUST brush her luxuriant hair regularly and thoroughly to keep it from matting, with a result

the general average for the same commodities in the period, July, 1924 to June, 1929, the so-called prosperity years.

More sharply indicative of the rise was the fact that fourteen of the commodities, beef cattle, veal calves, sheep, lambs, milk, milk-fat, butter, wool, wheat, alfalfa hay, other hay, potatoes, oranges and lemons sold higher in December than in November, according to this one-day check. Five of the items showed no change in this comparison, while but four sold higher in November, these last being hogs, eggs, cotton and apples.

Three of the items on the list sold for more than in mid-December, 1937, these being eggs, wool and cotton. Nineteen sold for a lower farm price than the mid-December, 1937 figures, but in most cases this difference was not a significant one.

Judging from this abbreviated survey, farm prices are about where they were in the summer of 1938 and above what they were in the last four months of 1938, generally speaking.

SCENIC TRIP ALONG SAN SIMEON ROUTE

Scenic San Simeon Highway, or State Route 1, running from its junction with U. S. 101 at San Luis Obispo north by way of Morro Bay and San Simeon to the Monterey Peninsula, is open throughout, reports the touring bureau of the Automobile Club of Southern California. During stormy weather slides may come in on this road but they are speedily cleared by highway maintenance crews and the slide areas are all well signed. Motorists are cautioned, however, to be on the lookout for rocks on the road.

Want Ads in The Chronicle bring results.

ous to the scalp.

Powder Brushes

For those of my readers who are not yet acquainted with the use of the powder brush, let me suggest that the powder should be dusted over the face in a liberal quantity, and the brush should then be lightly drawn across the skin to remove any powder surplus, and to clear the minute lines around the eyes, mouth, and nose.

Regularly employed as a finishing touch everytime you apply your make-up, this most modern of brushing practices will result in the same type of satin-smooth complexion surface that is so glamorously apparent on the lovely faces of Hollywood's most alluring screen stars.

Paramounts beautiful Dorothy Lamour is one of the very few long-haired screen stars known to Hollywood, reports Make-up Creator Max Factor, Jr.

CIVIL SERVICE EXAMINATIONS ANNOUNCED

The United States Civil Service Commission has announced that it will accept applications not later than March 13 if received from States east of Colorado, and not later than March 16 if received from Colorado and States westward, for the positions named below.

Mineral economist, and senior, associate, and assistant mineral economists (any specialized branch), \$2,600 to \$4,600 a year, General Land Office, Interior Department. Applications for mineral economist and for the senior grade must not have passed their 53rd, for the associate grade they must not have passed their 45th, and for the assistant grade they must not have passed their 40th birthday.

Senior consultant in home economics, \$4,600 a year, Office of Education, Interior Department. Applicants must not have passed their 53rd birthday.

Fisheries marketing agent, \$2,300 a year, assistant fisheries marketing agent, \$1,800 a year, Bureau of Fisheries, Commerce Department. Applicants must not have passed their 40th birthday.

Physiotherapy aide, \$1,800 a year, physiotherapy pupil aide, \$1,440 a year U. S. Public Health Service and Veterans' Administration. Applicants must not have passed their 40th birthday.

For the following two examinations applications will be rated as received until December 31, 1939. (If sufficient eligibles are obtained the receipt of the applications may be closed before this date, in which case due notice will be given.)

Marine engineer, and associate and assistant marine engineers, \$2,600 to \$3,800 a year, U. S. Mar-

itime Commission and Navy Department. For marine engineer applicants must not have passed their 55th, for the associate grade they must not have passed their 50th and for the assistant grade they must not have passed their 45th birthday.

Naval architect, and associate and assistant architect, \$2,600 to \$3,800 a year. For naval architect applicants must not have passed their 55th for the associate grade they must not have passed their 45th birthday.

Full information may be obtained from G. E. Hatten, Secretary of the U. S. Civil Service Board of Examiners, at the post office in this city, or from the Secretary of the U. S. Civil Service Board of Examiners at any first- or second-class post office.

DECEMBER SEES SLIGHT INCREASE IN FARM PRICES

BERKELEY—December seems to have experienced a slight upward trend in farm prices according to a tabulation of the Gianini Foundation of the University of California of mid-month prices obtained by the Bureau of Agricultural Economics of the United States Department of Agriculture. The figures on 24 products, which might be termed as more or less of a cross-section of the agricultural field, averaged 86 per cent of the average prices on the same commodities in the period of July, 1910 to June, 1915, as against an average of 79 per cent for mid-November.

Likewise the average for the 24 commodities in mid-December rose five points over the average for mid-November when compared to

 sary changes will be made in accordance with the wishes of the people of Caripnteria. However, if it is shown clearly that a definite hardship exists, provisions of the ordinance may be changed by the Board of Supervisors upon proper proceedings in accordance with the law.

Benefits

It may be fairly stated that this ordinance will tend to prevent the indiscriminate mixing of dwellings, stores, junk yards, which cause loss in property values and injury to attractiveness and general welfare of a community. It will lessen fire risk due to crowding of dwellings. It will reduce the menace of heath due to congestion and inadequate sewers. It will tend to encourage adequate setback for dwellings and stores along highways for safety to those parking and the through traffic. It will guide and control the platting and sale of land. It will give every home owner reasonable protection against his neighbor creating a nuisance, and will stop the spread of commercial blight and ugliness along rural highways. Also, it will provide public agencies and utility companies with knowledge of the probable character of development and demand for services in the future.

It should be stated that this plan will not remove eyesores, obnoxious signs, or require buildings to be painted or any landscaping, planting, etc. There is nothing in the ordinance that will improve EXISTING conditions. It will simply guide FUTURE development. If any improvement is to be made in the existing buildings of Carpinteria, it must be done by cooperative effort by the property owners there.

FORMS FOR USE IN COMBINING FARMS UNDER AAA READY

Farmers who operate more than one "worksheet farm" and who desire to have such "worksheet farms" combined for purpose of the 1939 Agricultural Conservation Program should call at the county association office located at Post Office Building within the next few weeks, Mr. L. C. Donati, Chairman of the Santa Barbara County Agricultural Conservation Committee announced today.

Where a farmer operates two or more tracts owned by separate persons and he desires to combine such tracts for purposes of the 1939 Agricultural Conservation Program he must file an application for approval of such combination. The application must be signed by the operator and by any crosshare landlords and must be approved by the county committee before the combination is applicable. Forms to be used for this purpose are available in the county office.

HUGE STAGE

Hollywood's largest water stage, a 50-foot high structure covering 150 square feet, has been started at Paramount studio and will be completed in time for use by "Union Pacific," new Cecil B. DeMille epic.

CLASSIFIED

WORK WANTED—Home Laundry or housework by day or hour. Phone Carpinteria 4001.

BOY SCOUT DINNER ATTRACTS MANY FATHERS AND SONS

Carpinteria Boy Scouts and their fathers were guests of the Lions club Thursday evening as an annual feature of Boy Scout week and heard Ed "Strangler" Lewis describe his famous headlock and tell of his experiences wrestling in all parts of the world. The program followed dinner which was served in the Memorial building.

Scouts attending included Scoutmasters J. L. Kent and Vern Jordan, Ralph Walsh of Ventura, Robert Whitcomb, Junior Stemper, Jack and Charles Babcock, Warren Sturmer, Rudy Arellano, Alvin and Richard Anderson, Donovan Capes, Kenneth and Lescher Dowling, Ernest Wullbrandt, Raymond and Eugene Vind, Charles Curtis, Teddy Storr, Bobby Hatton, Billy Hohmann, Sei Duo, Kenneth Brittain, Billy Boren, Monte Ramey, Bobby Latham, James Amos, Clair Cummins, Carl Bauhaus, Gerald and Reginald Velasquez, Denny Taylor, Franklin Horton, Charles Pearce, Leslie and Ernest Johnson, Kazuo Mizukami, Roy Wiser, Eddie Arellao, John Hales, Albert Southworth, Richard White, Jerry and Marshall Maddox.

Fathers and Lions present were Harold Heltman, E. P. Stemper, Henry Sturmer, Cecil Thomas, Fred Greenough, William Babcock, E. D. Solari, Leslie Carter, J. E. Jones, J. Lowe, C. B. Hamilton, Frank Wykoff, Alvin Anderson, Dr. J. B. Lape, Percy Houts, Walter Dowling, Lloyd Capes, H. C. Vind, Clyde Wullbrandt, Edwin Storr, Jack Wullbrandt, Bill Udall, Gerald Hatton, W. C. Hohmann, T. Dyo, J. C. Furby, W. L. Gann, George Holsten, Judge C. P. Moore, Marc Latham, A. W. Horton, W. W. Humphrey, Deane Johnson, Bernard Church, David Cummins, Frank Bauhaus, Donald Butler, David Safwenberg, S. C. Maddox, C. C. Benedict, A. E. Southworth, Merle Staub, Lloyd Hales, Dick Kistler, Henry Milne, Boss Wiser, Meyer Benjamin, Rev. Deane F. Babbitt, C. C. Whitcomb, B. W. Upton, Dr. G. H. Coshaw, A. C. O'Banion, E. J. Humphrey, E. V. Stubbs and H. C. McChesney.

COUNTY TO RECEIVE \$43,646.22 OF MOTOR VEHICLE FEES

SACRAMENTO — Gov. Culbert L. Olson announced that the Department of Motor Vehicles, today, was sending to the counties of the State their apportionment of the vehicle registration fees collected during 1938. This year's amount to be distributed to the various counties totals, \$3,626,435.47. A like amount is transferred to the Department of Public Works, Highway Division.

The apportionment is based upon

CALIFORNIA USE TAX ACT UPHELD BY SUPREME COURT

Constitutionality of California's use tax act has recently been upheld by the Supreme Court of the United States, thereby bringing to an end numerous attacks on the act since its passage by the 1933 legislature, according to William G. Bonelli, fourth district member of the State Board of Equalization, which administers the tax.

The act calls for a tax of three per cent, the same as the sales tax on merchandise purchased outside California and brought into this state for use, storage or other consumption. Necessity for the act followed the discovery that many Californians were purchasing outside the state to evade payment of sales tax. The use tax is designed to halt this decidedly unfair competition to California merchants and the loss of revenue to the state.

"Action of the court in upholding the use tax, is not only gratifying to the board," Bonelli said, "but should be welcomed also by businessmen whom it protects."

Sales Tax Revenue Drops
 California sales tax revenue for the third quarter of 1938, totaled \$20,997,269.41, a decrease of 9.17 per cent from the total for the same quarter in 1937, also a decrease of 0.34 per cent from the second quarter of 1938, according to statistics released by William G. Bonelli, member of the State Board of Equalization from the fourth district.

"It is interesting to note," Bonelli said, "that \$11,298,798.85 or 53.82 per cent of total revenue came from the fourth district, the balance of \$9,698,290.56, or 46.18 per cent being contributed by the other three equalization districts."

"In other words, the eight counties of Los Angeles, San Bernardino, Riverside, Orange Imperial, San Diego and Ventura and Santa Barbara provided 53.82 per cent of sales tax revenue while the remaining 50 counties in the state furnished 46.18 per cent."

CHRISTIAN SCIENCE LECTURE RADIOCAST

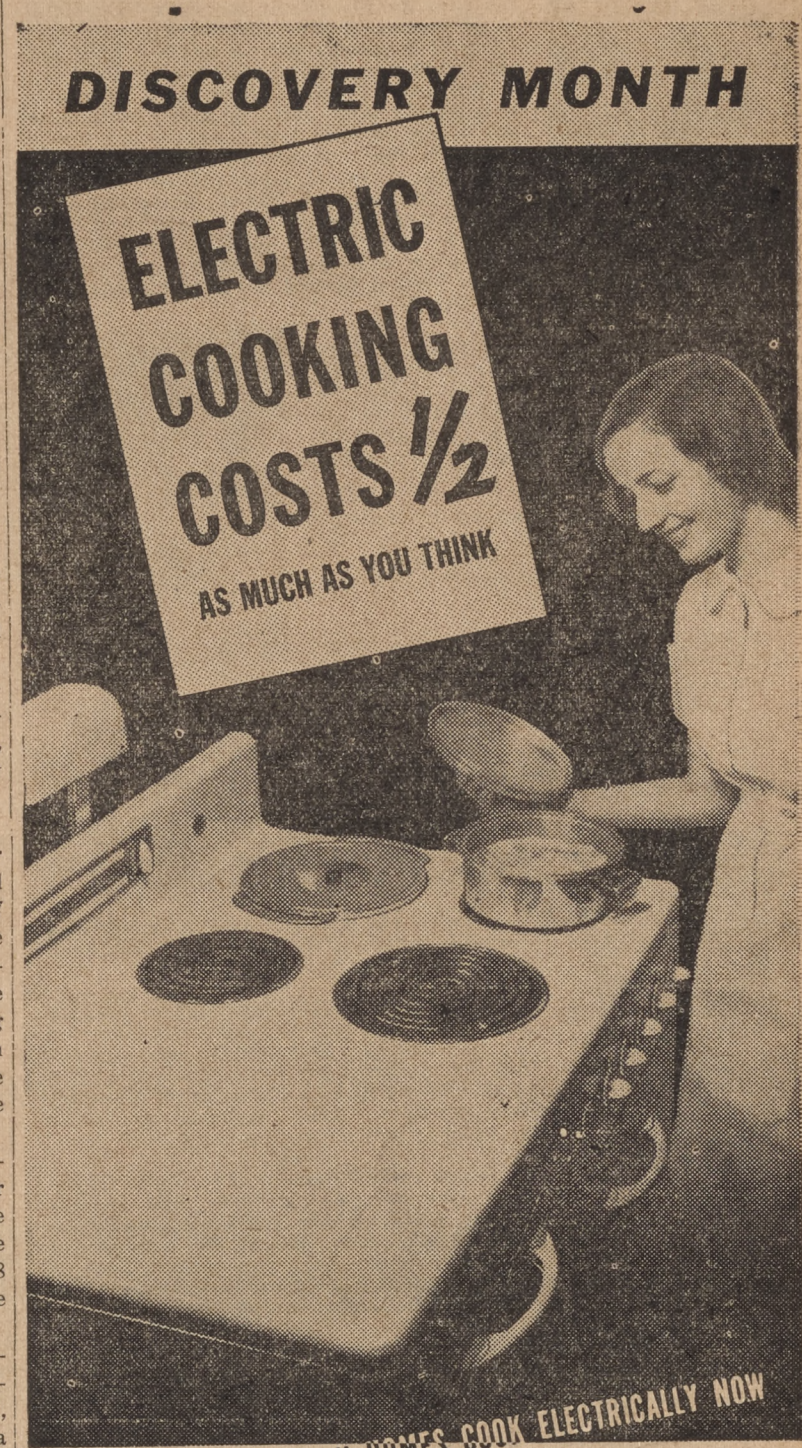

Local radio listeners may hear an authorized Christian Science lecture on Sunday afternoon, February 19, at 3 p. m., when Miss Florence Middaugh, C. S., of Los Angeles, a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., lectures over KFOX (1250kc) for First Church of Christ, Scientist, Long Beach.

the number of motor vehicles registered in the respective counties. Los Angeles county leads with 1,086,143 registrations, and receives the largest fee return of \$1,487,687.05. Santa Barbara County with 32,133 registrations receives \$43,746.22 for its share of the returns.
