MATT Dobberten,
I believe I had a date
with you, 2 years ago
I think, on the day
of February 14th.
I met at your house and
was surprised to find out
there were flowers and wine
on the table. You filled
my heart with glee as
you filled my stomach with
fetticini (carbonara) and
oh, what a chef, indeed!!
If our paths cross today
I just want to say I
love you with a kiss.
Happy Anniversary. Elizabeth
