Gauchos Slaughter Aggies 27-6; Bears Down Stubborn Bruins At Cal All-University Weekend

By Geo. F. Outland

The Associated Students of the University of California have announced that the Cal Poly basketball team will play at Berkeley on Friday night, and that the Cal Poly football team will play at La Playa Stadium on Saturday, November 13.

Eligibility Rules

More Lenient

What many Gauchos supporters have considered a substantial handicap in playing other 27-6 teams was removed today with the announcement that those years of varsity competition will be added to the above, effective the first year of varsity competition.

Engman Again

The Gaucho center was racked up by Earl Engman, who gave his six points a second time, although he was hurt in the first period and his condition is not known. Ross Bertell, in a six-point basketball-jogging session, scored the other Gaucho six-pointer.

Tackling in the score column, Royal Cathcart, Tommy White, and Alajbel Wajhala broke home for some nice gains. Cathcart, Wajhala, and Weymouth, good for consistent short gains through the Gaucho aerial against the Aggie attack, was almost nil, but Glenn Miller's long punt pinched out a few yards for the Gauchos. Bob Baker, fully recovered from his injuries, got off several long booming punts.

Defense Strong

The style of play of the Gaucho did not win a thing to beauty, as Al Wahdat and Jack Nelson in the backfield and Joe Ross, Ross Hernden, George Crilley, Cy Williams and Brocowski working on the line and in the air, made it possible to get several yards. In the second half, business enterprises have built a new building and plant equipment at a great rate, and their initial programs of postwar expansion in plant will be coming to an end in 1948. A third factor is that Marshall Plan aid will reach its maximum effect on our economy by the end of this year, Jacoby said.

"One consequence of the reformation in foreign countries will be a material drop in farm and food prices, already past their peak and definitely on the way down. This will prevent not a million from rising as rapidly as it has been rising, and should lead to fewer demands for food increases. As a consequence of all these factors, it is reasonable to expect a reduction in prices, physical volume, price protection, and employment some time during 1949," he concluded. Some 500 foremen attended the conference sponsored by the Institute of Industrial Relations through University Extension.

Student Directory

A C B Calendar

There are still some dates open on the Activities Control Board calendar. The Calendar is located in the Student Body Office. Orgs may book what dates are still open and fill out a money-consuming activity form, in duplicate. They will receive a notice through the mail, if approved.

PROVOST WILLIAMS DELIVERS ADDRESS AT KIWANIS ANNIVERSARY CELEBRATION

The parallel roles of education and Kiwanians in human service were emphasized in an address by Dr. J. Harold Williams, acting provost of the college, University of California, Thursday, October 25 at the 25th anniversary celebration of the Kiwanis Club in Santa Barbara. The following is a summary of the address:

The Kiwanis Club of Santa Barbara, a voluntary organization, is conceived in similar hopes and ambitions. Dr. Williams told the group which included many Kiwanians of Santa Barbara: "I believe they supplement each other in their influence and effective manner in pursuit of their mutual objective, which is to make this community a better place for all to live.”

Dr. Williams then pointed to the obligations of the path of progress, and to man’s tendency to revert to primitive practices.

In spite of our boasted civilization, in which we think of man as having emerged from darkness and ignorance, it is evident that the emergence is not complete," he declared.

The United Nations represents the outstanding effort of nations to set his house in order. Dr. Williams pointed to the agency which operates the United Nations as the United Nations, a body in which civilization finds its proper form. He further explained that the provision is approved by the United Nations and the Kiwanians of Santa Barbara is a member of the California Kiwanian Associations through the national association.

The Kiwanian activities will chase after the men of the world, and the dress will be "fittin’ moun­ tain costumes.”

Youthful Fans To See Game

Approximately 150 youthful Gauchos fans will witness the Cal Poly-Santa Barbara College 22-11 football game. "The End Zone Gang" will be a group of “youngster fans” from Santa Barbara who will be unable to attend the Gauchos football games. As couples enter, they will be met by Marryin’ Sam who will perform the proper ceremony. "Youthful Fans" will be $1.20 per couple and the dress will be “fittin’ moun­ tain costumes.”

Sadie Hawkins Dance Friday

Take cover, men, the horrible day of the dance is upon you. In the next few days the hallowed, ivo­ lent ball of old SBC will no longer be a refuge for Gauchos men because, leave us face it, Sadie Hawkins is upon us.

The Dugout civic betterment league, assisted by the Delta Sig­ ma Pi, “Kiwanis of Santa Barbara” fraternity, has decided that the old boy child just isn’t getting the proper re­ spects with the all the unmen­ men wandering around girl, so they have decided to give the girls a chance to do the treading. From now on, gals will be on open season on gals, any means, fair or foul, but have them at the Carillo Auditorium Friday night so that Marryin’ Sam will get to per­ form the proper ceremony.

The day’s activities will get underway in the fund rais­ ing in their choice in the hopes of drag­ ging them up before Marryin’ Sam. The entire proceedings will be wire recorded by radio KIST and radio KXAT.

The celebration will continue at the Carillo Auditorium where there will be a contest of the “Who stairs” Horticultural Institute. As couples enter, they will be met by Marryin’ Sam who will per­ form the proper ceremony. "Youthful Fans” will be $1.20 per couple and the dress will be “fittin’ moun­ tain costumes.”

ACOBY SEES END OF OOM IN SIGHT

Los Angeles, Oct. 27.—The end of the post-war “boom” in automobile production is in the offing, Dr. F. H. Jacoby, head of the Bureau of Business Administration, on the Los Angeles campus of the University of Cali­ fornia, said yesterday in an address delivered at the annual conference of the National Association of Commerce held recently at the University of California.

Publication Due

On Schutt Text

A book written by Warren F. Schutt, lecturer in English at Santa Barbara College, University of California, will be published in January, it was revealed today. Entitled "Effective Written English," the book will come in two editions, one for university and the other for high schools. The publisher is T. V. Van Cooy, New York.

DZD

Delta Zeta welcomed a terrific time in Berkeley this week-end at their Fall Color Party.

The party was held in the sorority house on Saturday night. The guests stayed with them until they left early Sunday morning.

Next week-end the sisters of DZD will have an open house for all the women of the university. This will be held in the sorority house on Saturday night.

Editorial

President Truman, to the amazement of many, has retained the American Presidency. How this came to pass one could never have foreseen. He was not nominated as a candidate for the Presidency, perhaps some were so certain of a Republican landslide that they wanted Mr. Truman to garner a few votes anyway.

However, Truman is again our first citizen and retained that honor by no means a margin for a candidate who was to be overwhelming. Yet after his victory the regime should be infinitely superior to the last, Truman, for he is a man who can have the support and confidence. Add to this the fact that the Eighty-Fourth Congress is now only an unnecessary and that the Demo-

People's Will

It is granted that the two parties and all the politicians are up against the ropes of the election but they are being shed for themselves rather than for the Na-

Kappa Sigs Favored in Fraternity Division; Other Tourneys Set

Sigma Phi Epilson battled to a 6-6 tie with Sigma Alpha Kappa, and thereby passed up a golden opportunity to clinch into a possible tie for the lead in the Fraternity Division. As it now stands, Kappa Sigma, with four games still to play, are the stand-out favorites to win. They have a total of four wins and no losses. Sig Ep now has three wins and two ties, with three games to go. Sig Alpha has four wins, one tie and one lose, and two games still to play, and has little opportunity to go out in front. The deciding game may very well be that between Kappa Sigma and Sigma Phi Epilson.

The Sig Ep-Sig Alpha game turned out to be a hard fought, knockdown battle, with neither team able to hold a lead. Sig Alpha scored first on a 20-yard pass from Aldridge to Hackett. Sig Ep came right back to tie the score on a pass from Stevenson to Way.) During the last half each team had several scoring opportunities, with the ball close to the goal in each case, but neither team could capitalize on the situation.

The Muirites, battling for the lead in the Club Division, dropped a tough game to Dogger House, 13-6 when Bud Gmur of the winners intercepted a Muirite pass and went 20 yards for a touchdown. Royce scored first for the Dogger House on a beautifully executed running play off tackle behind the effective blocking of Kellogg, Ware and Evans. For the losers, Hanson led the way with a 50-yard run for a touchdown after intercepting a pass. Delta Sigma Phi kept the fire of victory alive by downing a fighting Beta Sigma Tau team by a 10-6 score. The combination of Ferris to Tully which clicked in the last game for the winners was the deciding factor.
