Emil Ludwig Presents First Lecture Tuesday

Speaker Elects Europe Strife For Subject

Talk Necessitates Change in Original Assembly Schedule

First in a series of lectures to be presented by Emil Ludwig, world-renowned historian and biographer, will be delivered Tuesday during assembly hour in the State college auditorium, according to President Clarence L. Phelps.

Because of the overflow attendance expected, arrangements have been made to install a public address system in the library so that students unable to be seated in the auditorium will be enabled to hear the speaker although they will be unable to see him in person.

REVOLUTION TOPIC

Ludwig will speak on the "Revolution in Europe," a subject upon which he is especially well-informed due to his recent residence in Europe.

Before coming to the United States Ludwig lived at Moscia, Italy, near the Swiss border.

Jack Richards, associated students president, stresses the fact that doors of the auditorium will be closed early and no one will be admitted after that time. Those students unable to gain admittance to the auditorium are asked to listen from the library.

SCHEDULE CHANGED

Because of the appearance of the visiting historian, the department meetings originally scheduled for the same time have been moved to Tuesday, October 8. This move necessitates the cancelling of the proposed lecture by Father Villa, which was to have been delivered October 8.

Father Villa, however, will appear before the general student body later in the semester, according to Don Stey, manager of assemblies.

According to President Phelps, Ludwig is expected to lecture on campus weekly.

Members of the committee responsible for these lectures are Dr. William H. Ellison, Dean William Ashworth, Dean Charles L. Jacobs and President Phelps, chairman.

DZD Sorority Opens House

Delta Zeta Delta sorority will hold open house Sunday, October 6, from 3 to 6 p. m. to all Greek letter organizations at their new sorority house, 2130 State street, it was decided Monday night at the regular meeting of the social group.

Plans for the annual Founders Day celebration were discussed. There will be a luncheon, sponsored by the alumni association, and a dinner dance sponsored by the active members on the week-end of October 11.

Announcement that Delta Data, annual magazine published by the sorority, will not be continued this year was made. The funds for that project will be used instead to pay head tax for British refugee children.

Present at the meeting beside sorority members were Mrs. Jane Miller Abraham, sponsor, and Mrs. Patrick Maher, patroness.

Traffic

Police Handle Third Offenders

Student traffic violators having not reported after the third offense notice will be dealt with more seriously it was announced yesterday by Howard Joham, activities control board chairman.

As it was officially noted last week, each violator of State college parking and traffic laws receives a fine slip accountable to Dean of Men Russell Buchanan for a 25-cent fee.

The overlooking of three such citations will make the offender then due for report to the city police officials who will take the license number of such individuals. These car owners will then necessarily be banned from parking privileges on campus. Such procedure goes into immediate effect, Joham emphasized.

'Strangler' Valos Headlines Evening's Program at Second Annual AMS Stag Wednesday

An exhibition wrestling bout between George "Strangler" Valos, star guard of last year's Gaucho football squad, and Red "Bonecrusher" Lyons, wrestler and manager of Mission Athletic club, will be the main event of the traditional smoker announced Tuesday in the first meeting of the Associated Men Students by Howard Eckles, A. M. S. prexy.

Host Club Opens Rolls

First meeting of the Host club for the fall semester will take place in Pine hall next Wednesday at 8 p. m.

Purpose of the group is to promote a feeling of friendliness and atmosphere among the new and old out-of-town students. In creating such a feeling the organization will sponsor two social affairs each month, Warren Dorn, president, revealed recently.

Dorn, in extending an invitation new students to attend Wednesday night's meeting, stated: "I sincerely hope that all of the out of town students will take advantage of this friendly movement and become members of this year's Host club."

Musicians Get Increase

Because of the inability of Dr. Noble Cain to join the State college faculty this year, Miss Alice Roberts, for several years music department head of the elementary schools in Santa Monica, is taking his place.

In addition to courses taught in the college music department, Miss Rogers will supervise elementary directed teaching.

According to President Clarence L. Phelps and Van A. Christy, music department head, Miss Rogers who received most of her education in private music schools is outstanding in public school music instruction.

Councilmen Fill Rally, Finance Chairmanships

Legislators Buy Scoreboard for La Playa Field

Election of two committee chairmen and purchase of a scoreboard for La Playa field highlighted the first session of State College's Associated Students council held in Pine hall last night.

Gilbert McKeon was elected to the post of chairman of finance over Jim Widman while Warren Dorn, running unopposed, will sit on the council as rally chairman. McKeon, whose financial experience was gained in the comptroller's office, will fill the vacancy created when Tom Wharton, who was appointed last year, did not register this semester.

DORN APPOINTED
Dorn has been acting head of the rally committee this season. A. S. President Jack Richards' previous appointment, that of Douglas Mattson, was nullified by the scholarship committee.

In reading the minutes of the Board of Athletic Control for approval by the student legislators, Graduate Manager Don Follett explained the recommendation of the Board in regard to purchase of the scoreboard. \$200 of the purchase price was contributed by the classes of '40 and '41. Additional equipment will be ordered so that the apparatus may be used to time and keep score at basketball games, Follett explained.

INSTALLED ON 19TH
Installation of the clock has been set for October 19. The council also approved a football game between the California Ramblers and the Gauchos on October 19 under the sponsorship of the Gridiron club, with the provision that student body members be admitted to the game on presentation of A. S. cards.

A committee composed of Richards, Howard Eckles, A. M. S. president; Bob Payne, forensics representative; and Howard Joham, Activities Control Board Chairman was selected to work out a system of campus parking and fines.

Occidental Tigers Stage Fifth Annual 'Invasion'

Campus Newcomers Win Leads in First Play Scheduled Next Month

With Larry Fickle of Pasadena junior college and Doris Dal Pozzo of Belmont junior college playing the leads, Frederic W. Hile cast the parts in "Icebound", first major production of the dramatics division, yesterday.

The play's run will be October 31 and November 1 and 2.

Fickle won leading play honors at the Pasadena Playhouse tournament two years ago, while Miss Dal Pozzo was the dramatic star of Belmont campus last year, winning many honors in that field.

According to Hile, "Some 60 students tried out for the play, the largest number since I have been on the campus. We had a difficult time casting parts, since we had so many fine actors."

All the casting is tentative for two weeks, subject to the approval of the eligibility committee. Others to win parts include Bob Rivera as Jim Jay; Robert Smith as Henry Jordan; Russell Haney as Judge Bradford; William White as Dr. Curtis; Elizabeth Brown as Ella Jordan; Janine Rupertus as Sady Jordan; Betty Harding as Emma Jordan; Mollie Perkins as Nettie Jordan; and Mary Ellen Needles as Hannah.

Assistant Calls Workshop Play Tryouts

Ted Hanley, newly appointed graduate assistant to the department of speech, is supervising three workshop plays, the first of which is tentatively set for production on November 13.

Tryouts, slated for 3 p. m. Wednesday in the auditorium, will be non-inclusive of anyone previously cast in the lead of a major campus production. Rather, according to Frederic W. Hile, head of the department, "The Workshop will be the proving ground for persons who will some day be in major productions."

Choice of the drama is to be made by the speech control board and will include "The Happy Journey" by Thornton Wilder and two of the plays "Hyacinths", or "Clipped" by Tache Hanna Rew or Cedric Mount's "Twentieth Century Lullaby." Assisting Hanley as director will be a student from the department for one of the plays.

Author Wilder, who wrote the famous "Our Town", uses many of the same devices in "The Happy Journey" without the use of sets or costumes.

November 13 is also the date of the fall forensic finals, according to Hanley who has been a prominent member of State college dramatics during his student career. Hanley won the cup from the division of drama for spring, 1940.

The graduating cadets have just completed three months of intensive instruction under air corps supervision at the Ryan school which has included 65 hours of flying and 225 hours of technical aviation study.

The general plan of flying cadet training now calls for 10 weeks of primary training and civilian flying schools, 10 weeks of basic training, 10 weeks of advanced training and five weeks of specialized training in combat types.

Placement files have been moved to Chenoweth's new office adjacent to the health cottage and just west of the gymnasium.

He will be assisted by Miss Phebe Steer who will help with the filing of records and data pertaining to available teaching positions and candidates for the positions.

PATSY SAYS:

DEAR JO:

How does it feel to be doing your student teaching? I guess it must keep you pretty busy—having to take courses on campus and then dashing off to teach.

Kay and Virginia were down at the "Campus Corner" last Saturday looking for little sport dresses. I showed them the new selection of "Carole King" and "Sunland of California" dresses—and they loved them—said these were just the thing because now they wouldn't look too overdressed when they had to be on campus, and they have that right smartness for teaching.

Knowing that appearance counts so much with your supervisors, I thought these would go over big—and with everyone 'cause they make dandy date dresses for these "after game dances"—and of course emphasizing the fact that these dresses are all budget priced.

They're the "dress-of-the-campus" this week. Watch for mine today, and see if it doesn't meet with your unqualified okay.

See you at noon in the Gaucho.

Tiger Eleven Meets Battered Gauchos Tomorrow Night

'Gloomy Gus' Henderson Unveils Famous Spread Plays for Santa Barbara Fracas

Oxy Gridders Gun for Gaucho Pelt

EAGLE ROCK Sept. 26.—Operating under the belief that before you can "Hold That Tiger" you gotta catch him "Gloomy Gus" Henderson and his Occidental College football squad will roam the Gaucho gridiron tomorrow eve in its first 1940 football fracas.

Complete with a new and renowned coach, 15 returning letermen, including an entirely veteran line and a pocket full of optimism in the Henderson spread formation offenses, the Tiger retinue will be straining its stripes to rebaptise "Gloomy Gus" into the ranks of college football, as well as remove the displeasing taint of last season's 20-0 bulldogging by Senior Gaucho.

Merritt Podley, 190 pound senior quarterback and the only letterman in the secondary, will be the key man of the Oxy attack. Student prey Ed Richards because of an ailing shoulder, will be held in the wings until, if and when the going gets tough.

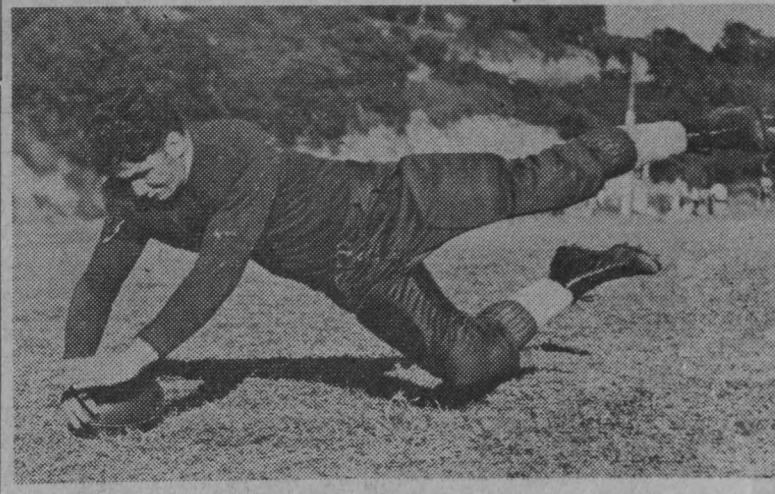

A trio of sophomores will fill out the backfield including Keith Beebe, 160 pounder at left half, and Will Davis and Fred Bartlett also 160 pounders, at right half and fullback. Davis and Bartlett shared scoring honors at Santa Monica Junior college and work in perfect unison.

Seven Tigers, letermen all, will form Occidental's beef trust forward wall. Averaging 185 the first call linemen aren't lacking for reserve strength in any position. Morgan Odell and Clark McLain are at the flanks, with Tom Shatzer and Burt Jones commanding the tackle posts.

Shatzer was the sensation of the Tiger frosh last season, while 205 pound Burt Jones is champing at the bit after being bedded down by injuries last year. George Cleland and Dave Gates will guard the Oxy squad with Ted West shooting passes from the pivot post.

Last year Occidental wound up in third place in a very tough Southern California Collegiate conference. This year with a squad of 35 huskies the Tigers are out to float a winners gonfalon. Speed and an unconventional attack will characterize their offense, while dogged play and hard tackling will identify their defense. Missing from last year's squad will be all-conference Jimmy Moradian, but Gloomy Gus has groomed quarterback Podley with all-league drills.

Tonight Oxy has everything to win and nothing to lose. If it wins, it will sound a challenge of new power in S. C. Collegiate circles. If it loses, there is still time to rebuild before the all-important league schedule opens.

Diving at the ball is WAYNE "BUTCHER" ENGLE, stellar Gaucho guard, who is all set to smash up the famous Henderson spread formations tomorrow night at La Playa field. Engle turned in one of the outstanding performances on the line against the Pomona Sageshens.

Local Gridders Hard Hit By Injuries

Fresh from a fairly easy 19-0 win over the potent Pomona Sageshens, Santa Barbara State college runs smack into another Southern California conference eleven tomorrow night when Spud Harder's Galloping Gauchos tangle with "Gloomy Gus" Henderson's Occidental Tigers at La Playa field.

The Pomona win proved disastrous to the Gaucho cause, eight of the Hilltopper gridders being put on the injured list.

Definitely out of the game are Bill Pellock, 200 pound tackle, with a fractured knee as a result of an illegal block from the rear, and Larry Pickens, huge 210 end, who injured his knee besides receiving a split lip.

On the doubtful playing list are four guards, Larry Bemoll, bruised ribs, and Rowen Hall, Jack Sorenson and Bill Chrisman, all down with leg injuries, and Sam Henderson, halfback and Bob Tapia, center.

As a result of the many injuries that hit his squad, Harder was forced to do a bit of shifting. Frank Jones, reserve center, was put over to a guard position, and Pinky Mohr, right end, was moved to left end to take over Pickens' post.

Following is the probable starting lineup for tomorrow's fracas: Tom Magness and Howard Karjala, ends; Ed Larsen and Dave Hengstler, tackles; Wolf Heinberg and Wayne Engle, guards; and Blynn Wilson, center.

Lloyd Garrison, quarterback; Mose Neely and Walt Condlie, halfbacks; and Ernie Saenz compose the probable starting backfield.

Gaucho All-Stars Open Winter Baseball League Monday

California Collegiate Athletic association champions for the past two years, the Santa Barbara State college nine, playing under the title of "Gaucho All-Stars," open the Winter Baseball league this Sunday afternoon at Pershing Park against the strong Goleta Merchants. Game time is set for 2:30 p.m. Last year, playing against

some of the strongest semi-pro horsehide squads in Southern California, the Gaucho All-Stars managed to cop 10 out of 13 games. This year with exactly the same team back, prospects are bright for an even better season. The All-Stars will play for eleven consecutive Sundays.

Coached by Coleman Stewart and former Santa Barbara State college Captain, Don Ripsch, third baseman, the All-Stars will put an imposing squad on the field.

Catching will be the old standby, Bob "Shanty" Stansbury, catcher, who won the Gaucho batting crown last year with a .379 average. Pitching will be Cliff Wrightson, right handed curveball artist, who won eight games and lost but two in the 2C2A last year and was subsequently selected on the All-Conference nine.

Mickey Berman, 1b, Eddy Markham, 2b, Jack Fitzgerald, ss, and either Walt Lohman or Ripsch, 3b, complete the starting infield. With the exception of Lohman, all of the infield were regulars last year.

The All-Stars will also present a veteran outfield with Bill Adamson in left field, Joe Blake in center field and Dave Morgan in right field.

I. E. Students Hold Banquet

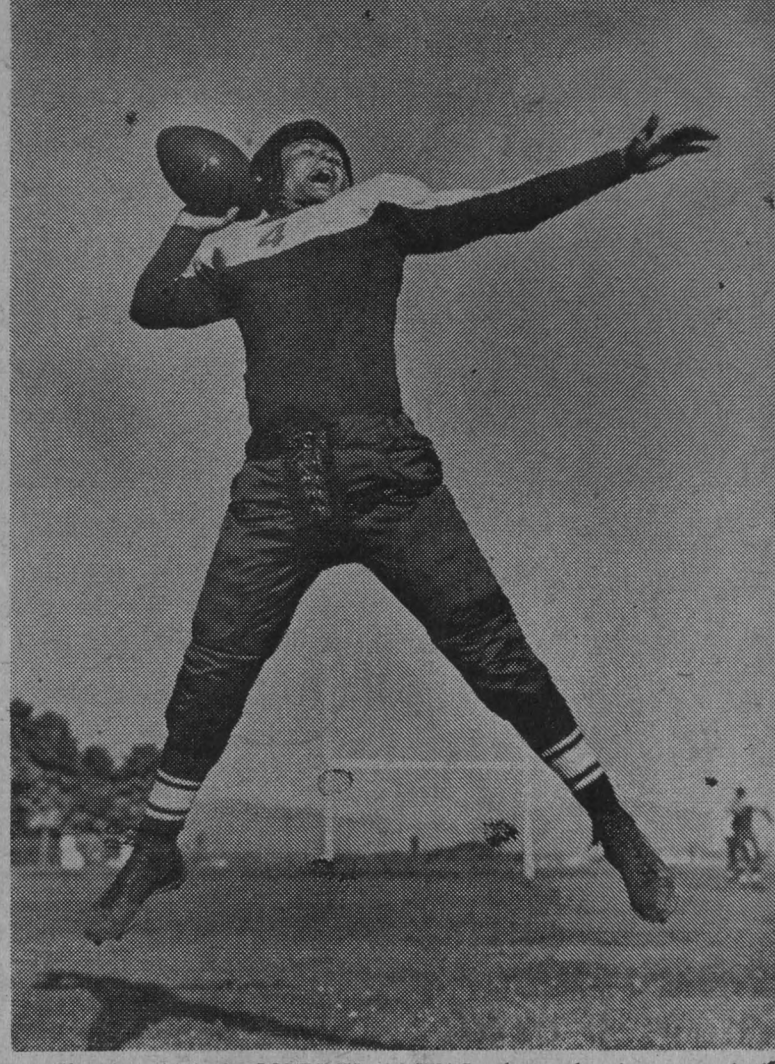

Endeavoring to acquaint new students with the old, and the new members of the faculty with the students, the Industrial Education department held a dinner Tuesday night in the college cafeteria with 216 students attending.

Harold Semans, vice-president of the department, acted as chairman for the evening since the president, Carl Cummings, was called to Annapolis for naval reserve training.

Every semester the Industrial education department holds such a dinner with older students acting as hosts to the new students. Each older student takes one new student as his guest and introduces him to the other members. Many of the instructors brought new faculty members from other departments in order to introduce them to the students.

While dining on tamale pie and shoestring potatoes, the students were entertained by Jack O'Rourke, baritone from the music department, who sang a few of his own selections. He was accompanied by Bill Watson who also played a few solo numbers.

DOWN
By GEORGE STEPANIAN

Shooting high is JOHNNY COSTAS, sharp shooting ace of the Gauchos' passing brigade. Costas will come in to do the pitching after "Mad Mose" Neely gets through pulverizing the Tiger line.

Tomorrow night should produce one of the wildest, most wide open grid games ever played at Santa Barbara. "Gloomy Gus" Henderson, one of the greatest coaches of our time, is an ardent advocate of the razzle-dazzle style of play, and with the light fast team that he has inherited at Occidental college, the melancholy mentor has no alternative but to shoot the works in spread formations and trick plays.

Proof of Henderson's ability as a coach is the Los Angeles Bulldog professional squad. With a green team to work with, Henderson soon lifted the Los Angeles club from obscurity to the top ranks of professional football, and had it ranked on equal terms with such outfits as the Green Bay Packers and New York Giants.

HENDERSON UNLEASHES SPREAD FORMATIONS

Although Henderson has no player even approaching the most lowly sub on his Bulldog eleven, he still has the famous spread formations that wreaked havoc among the professional aggregations.

And if Henderson's formations succeed in fooling the boys who play for money, we don't see how the Gauchos are going to solve them.

We don't mean to imply by the above statement that the Tigers are going to knock over Spud Harder's eleven. However, we do say that if the Gauchos don't settle down and put up a better defense against pass plays, that Henderson's charges will score at least twice.

GAUCHO LINE OUTWEIGHS TIGERS

The big Green and White forward line should have little trouble with the Tiger line. The Hilltoppers outweigh the Southerners about 13 pounds per man and should be able to handle the line smashes with ease.

However, "Gloomy Gus" has watched the Gaucho eleven in action, has noted its weaknesses and strength and knows better than to instruct his charges to tangle with the locals' forward wall.

So you grid fans can rest assured that the Tiger gridders will begin throwing the ball from the opening whistle and keep on throwing until the final gun. And, if in the interim, the Hilltoppers haven't succeeded in partially stopping the passing barrage, the fans will witness one of the season's initial football upsets.

With that note of pessimism out of the way we can now settle down to our weekly grid prediction and select Harder's squad to come out on top with a two touchdown margin.

San Jose Trims Montana State, 34-0

SAN JOSE, Sept. 26.—Rebounding from its 9-0 defeat at the hands of Texas A & I, the powerful San Jose Spartans annihilated the weak Montana State aggregation, 34-0, Monday night at the Montana stadium.

With big Truck Tornell leading the way, the Spartans tallied twice in the first quarter and continued their rampage in the second half with reserves carrying the burden.

Gauchito Eleven Clashes With Bakersfield Team Tonight

With the bitter taste of a 33-0 shellacking at the hands of Ventura Junior College still lingering, Coach Howie Yeager's Freshman eleven will be out for revenge tonight when they take on the Bakersfield Junior college eleven at Bakersfield. Key men on the Gauchito's forward wall are a pair of watch-charm guards, Fred

Acres, 145 pounds, and Francis Iacovino. Both Acres and Iacovino played brilliant bal against the Pirates and received praise on all sides.

Although definite underdogs against the strong Bakersfield aggregation, Yeager was by no means disheartened.

"The defeat by Ventura is not a true indication of the Frosh strength" he declared, "as the Pirates had a strong team, probably headed for the Junior college championship. This on top of the fact that we had only 21 men and four days of practice was our undoing. With more recruits and more practice, look for a much improved showing this week."

Yeager's hopes for a better showing tonight received a boost with the addition of several new freshmen to the roster. Among the new gridders reporting this week were Cepny Wallace, 185 pound center, Carl Duren, 190 pound tackle, Andy McFarland and Art Cram, both halfbacks, Dick Clive, quarterback, and Tom Laranjo, 160 pound guard from Santa Ynez.

The starting lineup will probably find Don Chiniquy, and Carroll Woodworth at the ends, Jack Vogt and Harlan Bechtold at the tackle slots, Iacovino and Acres, guards, and Bill Kinzey, center.

Dermide Jousseau, quarterback; Walt Lohman and Read Shoemaker, halfbacks; and Laurie Boyd, fullback, compose the starting backfield.

'Mural Play Begins Monday

Opening the lid off the 1940 intramural season, the Club de Squince and Senior class tangle in the initial fracas of the season at Phelps field Monday afternoon, October 7, in the first round of the six man football league. The start was postponed one week due to inability to get the field in shape.

Tommy Guerrero, Caudillo, and Walter Wood will handle the officiating duties throughout the tournament. All managers of teams are requested to meet Monday during lunch hour in the Physical education office to settle ground rules, equipment specifications, regulations, etc.

The schedule for each week will be posted on the bulletin boards.

Harry had everything, except a sense of discrimination. Perhaps he leaned too heavily on his natural gifts. Anyway he never added to them in college, but laughed things off—like the times his old-fashioned pen ran dry in classes and exams. Our bright alumnus is out in the world today—a man who could have given orders, he is taking them.

Sure, it seems far-fetched, but you'll be surprised what a great big difference it makes in your grades to carry a sure-fire pen like the Parker Sacsless Vacumatic.

just for fun

With Jack Newman

Watching a co-ed we know quite well giving her face a complete overhaul in class the other day brings to mind an incident which occurred in an eastern university just a short time ago. It was to us an act of genius and bears repeating.

Burned by female students who made a habit of finishing their morning makeup in his class room, Professor Wilbur C. Bachelor of Ohio State, calmly sauntered into his lecture hall as per usual one bright morning, laid his text and notes on the desk, reached into his pocket, took out an electric razor and calmly shaved himself while students gaped with mixed awe and consternation at the unprecedented and extremely unusual sight. Their jaws sagged like a jitterbug's socks.

The professor evidently knew his psychology, for the offending girls got the drift, came on times thereafter, and visages were decorated in the sanctity of the boudoir.

All of which brings us to another something we'd like to get off our chest . . .

Where is a gal
Who doesn't stuff
Her compact, comb,
And powderpuff,
Into my pockets
And makes me dance
With my sport coat padded
Like football pants?

GAUCHOS UNDER THE SKIN

We said Carol Warren had returned to USC. She didn't and a retraction is in order. Carol is teaching in Burbank, California, USA, and liking it.

Forgot to mention that Jackie Baillard, Carpenteria's gift to Pomona college and State summer school, should have been around for the massacre last Friday night but we didn't see her. Apparently she and the rest of the Sagehens had a premonition of the disaster for Jack Dwan, Pomona Student body president, notified our Jack Richards by telegram that we should not expect a large contingent from the southern college.

Wayne Zimmerman, around last year, was back for a visit a couple of weeks ago with a new Packard and Eleanor Everett, former UCLA Homecoming queen, to show for a summer's work. Johnny Broughton, affable Oxy football player, told us he had met Jerry Knight, who is now at the Tiger school, and that our lad is making great headway both academically and socially. Plug here for the Beta Sig Mardi Gras. Can't think of the date but Don Estey tried to sell me a ticket.

Saw these duos at the dance last Saturday night. Johnny Costas and Florence Daskalu, Ruthe Suggs and Syd Cohen, Lew Bedell and Janie Wood, Dorothy Ann Myers and Dick Smith, Jack Rivers and Patsy Dalrymple, Tom Bosley and Esther De Leon, while stags Bob Tapia, Tex Magness, Bob Payne, George Stepanian, Cliff Wrightson, Bill Walker and at least 500 other people helped fill Rockwood. It was so crowded that when they played "Two o'clock Jump" fourteen freshmen wore out their beanies bumping heads together.

Your appeasement policy began years ago. You allowed your frail and swooning companion to lift her skirt four inches off the ground and your eyes focused on an ankle—your doom was sealed, for she was quick to see your weakness.

Within a very few hours . . .

students on this campus will become conscious of a need which has been with us for some time but about which nothing has been done as yet.

We're referring to the need for several boulevard stop signs along the route travelled by most Gauchos on their daily trips to and from State college. We've been aware since last semester of the fact that precautionary measures should be taken, specifically, where Laguna street and Grand avenue intersect Valerio and at the intersection of Laguna and Mission streets.

Several times, while riding in a "Good Samaritan's" car, we've covered beneath the dashboard as the "G.S." sped through these crossings. And we've promised that if we should live to attend classes that day, we'd never again complain about having to struggle up the hill or slide down.

We've discussed the matter briefly . . .

with Presley Lancaster, Jr., secretary of Santa Barbara's chamber of commerce, whose suggestion that the matter be brought to the attention of the chief of police points the way to realization of another step in a program for public safety.

So, we hope sincerely that most of the 1700 plus students on this campus will approve the move and look with more than the usual, typical lack of interest upon this idea that might delay the greying of our respective heads a few years.

Tomorrow afternoon we expect . . .

to compete with several hundred other students for the privilege of being among the first to extend the traditional Gaucho welcome to some 500 travel-weary Occidental supporters as they conclude their fifth annual caravan to the Channel city.

What with pom-poms, rooters' caps, frosh beanies and green hair ribbons adorning the persons of the local supporters we look for a colorful reception for the visitors.

We can picture the clash between the green and white of Santa Barbara's rooters and the orange and black of the Tiger followers. Ooh!!

But we hope that the occidental fans enjoy themselves thoroughly. That is, until game time tomorrow night. After that, we're afraid we'll have to be just a little selfish and hope for a completely enjoyable Gaucho victory.

Say by about two touchdowns?

However, we're a little afraid that the local forces will be rather hard put to maintain their unscored upon record against "Gloomy Gus" Henderson's razzle dazzle.

Editorially Speaking . . .

Objection Raised to Universal Singing of 'God Bless America'

Obviously inspired by its natty new uniforms, the band marched briskly up the field, executed precision formations, stopped in front of the grandstands and struck up "God Bless America." And very well played it was, too, considering that the musical group had had but three days of practice.

All the patriotic people in the grandstands rose and started to sing "God Bless America." But some of the people didn't know the words to "God Bless America," had no desire to learn the words to "God Bless America" and many could see no purpose in rising to pay tribute to a popular song of the day that is neither the national anthem or the College Alma Mater.

Understand, we don't object to people's rising to sing "God Bless America." We think it is a very nice gesture to the composer and to the singer who made it famous and nothing more. But for those who do not wish to rise, who do not care to sing, we wish to clarify a few points.

First, one's ability to bellow forth chauvinistic babble is hardly an indication of one's feelings towards the United States. The man who sits quietly by can hardly be accused of treason. Rather it is the wind-bag, the so-called patriot, the spouter of cliches who is to be suspected of dangerous activity.—S. C.

Vandal Steals Carlos Bee's 'Give A Fellow Gaucho a Lift' Sign

Once, in years gone by, Gauchos in general, and one Carlos Bee in particular, wore themselves to a frazzle walking laboriously up hills to the campus. They were worn out before the day began, and were miserable failures in classes.

For many long and hard years Carlos haunted the student body to give him enough money to finance a sign bearing this inscription. Last year his dreams became a reality, the money was allotted and the sign was erected.

But now his dreams have been shattered for, alas, some one has stolen the sign. Now, when Carlos discovers the theft, an agonized moan will be his very last gift to posterity, and therefore we feel that before notifying him of the horrifying disaster, the thief should be given a chance to return it.

So, to you who borrowed the sign, we ask, not for our sake, but for the sake of State's famous idealist, please return it.

And we hope that in the meantime, those members of the student body possessing cars will not forget to GIVE A FELLOW GAUCHO A LIFT!

State College Student Answers Southerner's Letter On Crisis

"What do we in California think of the War? And of Conscription? . . . You could not have asked a harder question. Like you, we do not know what to think or what to believe. We know that we are in the midst of political campaign and the leaders of both parties are so anxious to throw mud into each others eyes that they have failed to give us any help in analyzing the situation. So we can only use our wits and hope for the best.

Of the war, we only think that it is terrible. Like you, most of us are openly, or unconsciously, sitting on the Great Britain side of the stadium. We find it hard to reconcile ourselves to a German victory, for we have long been taught that dictatorships are mere transitory objects and that only democratic truth could long be tolerated by men.

Ours is a representative form of government. It demands confidence and respect of the people from those that are placed in office, whoever is elected."
