NORTHERNERS MEET GAUCHOS IN WEEKEND BATTLE

High School Symphony Will Present Concert at Lobero Theater

For the ninth consecutive year, young musicians from scores of schools throughout the state gather in Santa Barbara for the California High School Symphony Orchestra Festival Concert Monday evening, Feb. 28; at the Lobero Theatre.

The conductor this year will be Meremblum of Los Angeles, making his fourth appearance in Santa Barbara, it was announced by the Symphony Committee, headed by Maurice Faulkner, Associate Professor of Music at Santa Barbara last summer.

This event, sponsored by Associated Students at the local branch of the University of California, consists of three days of rehearsal, climaxed in the presentation of a public concert.

Last year plans called for an expansion to take in the young musicians from all over the state and of just Southern California. This year another step is being taken by increasing the number of students to be accepted for the orchestra to a record high of 50. This is the maximum number able to get on the Lobero.

The young visitors have traditionally been housed in Santa Barbara homes over the week-end of the concert. Already plans are going forward for the house this year, under the direction of Miss Velma Morrell, Housing Supervisor at the college, and A. R. Ramon.

Hundreds of applications have been received for the orchestra, of which a fortunate 150 of the most promising musicians will be selected. Several of the youths will be from Santa Barbara and other Tri-County high schools. Tickets for the February 28 concert are on sale at the Graduate Registrar's office. Reservations may be had by phoning 3116.

CALL FOR HELP

Script writers, sing writers, specialty acts, general talent, stage hands are all urgently needed for the coming Roadrunner Revue, according to Phil Jacks, director.

Anyone feeling qualified in any of these departments requested to contact Jacks at his earliest convenience through the student mailboxes.

Auditions are to be held next week and rehearsals will begin in the near future, so it is suggested that those wishing to help in the production of this show contact Phil as soon as possible.

Captain Eicher

Auditions Set for RRR Show

Auditions for the forthcoming Roadrunner Revue are slated to be held on Wednesday and Thursday, Feb. 23 and 24, in the Riviera Auditorium starting at 7:00 pm each evening. Phil Jacks, director of the show, stressed the importance of anyone wishing to try out for the show to contact him immediately.

In the event that anyone should find it impossible to attend either of the auditions because of transportation both to and from the try outs persons needing rides should contact him well in advance.

Students in charge of various phases of the show are Phil Jacks, director, Jim Schilt, business manager, Bob Hogan, publicity, George Beatty, music director, Gerry Gray, make-up, Ray Botts, sound director.

"There are still many openings for anyone desiring to help out with the show," Jacks stated, "especially with regard to staging, lighting, and other technical angles. We also need script writers and additional talent. We hope to make this the best Revue in this school's history, so I can't stress too much the importance of everyone helping out."

All applications and inquiries concerning the show should be sent to Phil Jacks, Director, through the student mail boxes.

Recruiting Team At ROTC Office

Are you a male citizen between 20 and 26½ years of age? If so, and you are also physically, mentally, and morally fit, you have an opportunity to be a member of a new generation of Air Force pilots.

Captain Eicher of the Aviation Cadet Procurement Team will be on campus February 28th and March 1st and 2nd to inform those interested in aviation as a career of the opportunities in that branch of the service. Fourth Air Force Captain Eicher will be in the R.O.T.C. office from 8:30 to 4:30 on those dates.

Aviation today is expanding rapidly. Men who share in this expansion enjoy an enviable position in the field of aviation. They are in close contact with the latest developments in aircraft design and flying techniques. They are receiving the finest and most advanced pilot training that our Government can provide. In addition, they are developing qualities of leadership which will fit them well for positions of responsibility in military or commercial aviation.

From this carefully selected and carefully trained group will come the squadron leaders, the airline executives, the aviation industrialists and administrators of tomorrow. The tremendous opportunities of the future rest on their wings.

Come in and see Captain Eicher and get the low down on jets, pay, training, and commissions. Your future is at stake! You can't afford to miss learning about such a big opportunity! Remember those dates: February 28th and March 1st and 2nd.

Dr. Herman A. Spindt, University Admissions Director, has become a member of the Santa Barbara College Committee on Admissions and will act as adviser to the committee on admissions matters.

Dr. Herman A. Spindt Added to Committee on Admissions, Aids Inter-Campus Transfers

Another link in the close working relationship between Santa Barbara College and the rest of the University of California was revealed today with announcement that Dr. Herman A. Spindt, University Admissions Director, will become a member of the Santa Barbara College Committee on Admissions and act as adviser to the committee on admissions matters.

In announcing approval of the arrangement by President Robert G. Sproul, Acting Provost J. Harold Williams stated that admissions requirements at the college are not identical with those in effect at Berkeley and Los Angeles, but a similar plan of selective admission is in effect here.

"The new arrangement will bring the campuses of the University into closer relationship in admissions matters," Dr. Williams said, "and it is believed that the transfer of students among the campuses can be effected with less difficulty."

A specific objective of the new plan is to make the rules for granting advanced standing at Santa Barbara College uniform with those now in force at Berkeley, Los Angeles, and Davis. Another objective is the maintenance of uniform statistics on scholarship on all campuses.

Dr. Spindt, who maintains headquarters in Berkeley, is expected to visit Santa Barbara from time to time as he does Los Angeles and Davis.

"We never refuse admission to anyone of good character because his record doesn't meet the requirements which have been set up by the academic senate," he said.

"We defer admission until the requirements are fulfilled and we try to show the student how he can best go about fulfilling them."

In applying this policy at Santa Barbara College, Registrar Jerry H. Clark explained, the admissions committee often refers students to University Extension or to the Santa Barbara Junior College which has frequently filled a need which would be difficult otherwise to meet.

Prospective Frosh Will Visit Campus

Introducing high school seniors interested in college to Santa Barbara College on a typical college day is the aim of the ASB and the university sponsored High School Tour Day to be held on both campuses according to Harry Brumbaugh, chairman. The tentative date is April 15, 1949.

This year is the first experiment with an orientation day for prospective students. A total of 150 seniors from Santa Barbara, Santa Paula, Fillmore, Carpinteria and Goleta will be invited. The honorary organizations on the campus will be requested to play host to the visiting students. College groups from various fields of study will be assigned as guides to the visitors according to their prospective college interests.

Members of the group planning the ASB and university sponsored affair include Harry Brumbaugh, chairman; Sheila O'Connor, assistant; Bob Christofferson, Eleanor Artuso and Bob Stentiford.

Belgian Gov't. Honors McKee

Col. Richard G. McKee, professor of military science and tactics, has been honored by the Belgian government with a medal, the Order of Leopold, for his wartime services in that country.

Col. McKee commanded the 8th Infantry Regiment of the Fourth Division during the invasion of France, Belgium and Germany. His regiment fought in the "Battle of the Bulge."

AFCW Convention Held At Dominican College

The California chapter of the Athletic Federation of College Women held its annual convention last weekend at the Dominican College in San Rafael.

Representing Santa Barbara at this convention were Elizabeth James, president of W. A. A.; Maris Fennel, vice-president; and Helen Loomis, secretary-treasurer. Subject to the convention's deliberation were policies of women's athletics and standards for controlling women's athletics.

Gauchos Seek Second Place In CCAA Against COP, San Jose

The Golden Gauchos, now holding third in the CCAA cage race, look toward the last two games this week-end as an opportunity to pull themselves up to second place. The Santa Barbara club will take a crack at College of the Pacific tonight and the league leading San Jose State tomorrow night. Both games will be at the Armory with the Freshmen playing at 6:45, followed by the varsity at 8:30.

Victories over Fresno State and San Diego State gave the Gauchos a 3 and 3 conference record following San Jose State with 5 and none and San Diego State with 5 and 4. The Gaucho season record is 8 wins and 8 losses.

This .500 record will be given a severe test this week at the hands of the Tigers and Spartans. COP already licked the Gauchos 55-41 on their own court earlier in the season. San Jose's unscathed record makes them high favorites.

Sigma Pi Presents 'Hoop Hop' Tonight

After the basketball game tonight, the "Hoop Hop" will be presented by Sigma Pi fraternity. A basketball theme will be used in the decoration of the Carrillo Auditorium, scene of the dance, according to Craig Swenson, Sigma social chairman.

The doors will open at 10 p.m. with music by the Stardusters Orchestra until 1 a.m. Since the "Hoop Hop" is the first all-college dance of the Spring semester, a large crowd is expected.

Tickets for the affair are sixty cents per person and are being sold by all fraternity members, under the direction of Walt Stone, president. A ticket booth in the cafeteria lobby is being manned by members of the Sigma Pi pledge class.

Publicity for the affair is in charge of Ted Knudsen, with Al Schab in charge of posters. Refreshments will be sold at the dance by a committee headed by Graham Meheffey. George Martin arranged for the band, and George Machado and John Asten will act as guards.

Decorations, which are rumored to include a giant gold basketball, are being made by Don Buckler, Dave Bentley and a committee. Saturday morning, the entire pledge class will have the honor of cleaning up the joint.

College Fashion Adviser Here To Lecture on Clothes, Textiles

Miss Olive C. Berry, College Fashion Adviser for the Simplicity Pattern Co., will be at Santa Barbara College on Wednesday, February 23rd. She will speak to various Home Economics classes about pattern designing and opportunities for Home Economists in clothing and textile fields.

At four o'clock there will be a spring and summer showing of Simplicity Pattern fashions including accessories styled for the college girl. The fashion show will be held in Ebbets Hall, 2nd floor. All women students are invited to attend.

Near Upset

Last week, too, the Gauchos almost upset their big brothers, the California Bears, grabbing a 44-43 lead with 50 seconds to go. A last second field goal by Bear Bob Walker won the game for the Berkeley boys 45-44, to end one of the most thrilling games of the season. This was Santa Barbara's first competition with UC.

Things will be tougher than ever before for the Gauchos with all-CCAA center Harvey Hubler gone. The tall center retired holding the season scoring lead of 170 points, passing up Bob McCutcheon by three points. His average for the season was 11.3 points per game. Frank Schimandle will step into Hubler's shoes as first string center.

The third man on the scoring "big three" is Gene Snyder who has 144 points and whose phenomenal free throw accuracy has brought his percentage up to .789 to lead all of his teammates. This helped to pull the squad free throw percentage up to an even .600.

Much Work

Coach Willie Wilton said he had plenty of work to do in spite of the good showing last week. He was a little disappointed in the passing and emphasized that phase of the offense in the drills this week.

Probable starting lineup with total points scored in brackets:

- G—Dudson Scott (32).
- G—Quentin Sims (116).
- C—Frank Schimandle (56).
- F—Bob McCutcheon (167).
- F—Gene Snyder (144).

LA CUMBRE

The deadline for La Cumbre 1949 is March 1!

All photographs, graduate and organization, must be taken by that time. Official photographer is Crotty Studios, 820 State Street, telephone 4538.

Contracts for pages in the annual must be signed by March 1. La Cumbre office hours are M W F 10 and 1, room 202 Ad Building. (Opposite Library steps.)

Spelling—The Gaucho Directory is being used as a basis for the spelling of all names. Please notify La Cumbre if spelling therein is incorrect. 202 Ad. Bldg.

ORG ACTIVITIES

Sigma Alpha Kappa, at their last meeting of the Fall semester, elected officers for the present semester. New officers are: President, Ken Spurgeon; vice-president, George Carlson; recording secretary, Irgil Bryan; corresponding secretary, Herm Williams; treasurer, Knute Clark, sergeant-at-arms, Bob Raffeto; social chairman, Bob Hartzell; pledge captain, Earl Day; historian and custodian, Marc Haines; I. F. C. representative, Don Iverson; publicity chairman, George Reves.

Tau Gamma Sigma

Tau Gamma Sigma Sorority closed its Fall pledging season last Sunday with the formal initiation of five new members.

Those signing the charter were Lucile Butler, Joe Gunderson, Margie Ritter, Glenna Titchel, and Pat Twining.

After the ceremony the new sorority members were given a spaghetti dinner and presented with charms embossed with the Tau Gamma crest.

Alpha Phi Omega

Members of Alpha Phi Omega, National Service Fraternity, held their first meeting of the new semester last Monday, February 14. Plans were made for many projects which will be of benefit to both the students and the college.

Monday night, February 21, Alpha Phi Omega will hold an open meeting in the AWS room at 7:30 p. m. The members invite all men who have been associated with the Boy Scouts of America and who are interested in being of service to the school to attend the meeting. A program has been planned and refreshments will be served.

Beta Sigma Tau

The Santa Barbara Chapter of the Beta Sigma Tau Fraternity has accepted for active membership the following men who have been pledges, or inactive, for the past semester: Dean Baird, Tony Baragona, Fulton Elder, Russ Granata, Jack Hulla, Nils Klingfall, Harding Lee, Gene Lewis, Jerry Marsh, Richard Norton, Dale Shaver, Frank Pinkerton, and John Salz.

SFS

SFS members met last Tuesday night to elect their new officers and plan their activities for the coming semester. Officers elected included: President, Vivian Schmitz; vice-president, Kay Blakwill; secretary, Margaret Mueller; treasurer, Yvonne Rihbany; historian, Mary Collins.

The organization plans a trip to the college cabin for the purpose of initiating their new members. The trip is tentatively planned for March 25 to the 27th.

Gamma Sigma Pi

At a recent meeting held at the Fraternity house, the following members were elected to offices for the Spring Semester: President, Harris Seed; vice-president, Guida Dal Bello; treasurer, James McDermott; recording secretary, Alan Cobbe; corresponding secretary, Larry Wathey; historian, Domingo Loero; pledge captain, Robert Bothner; sergeant-at-arms, Robert Cheatham; social chairman, Glen Johnson and Jack Stone; house manager, Neil Goedhard; Inter-Fraternity Council representative, John Boettner; and publicity chairman, Robert Conlan.

Sigma Delta Pi

Pledge became active last Sunday night when the members of Sigma Delta Pi Sorority gave a formal dinner for the incoming actives at Eaton's Restaurant. This was followed by formal initiation with the following girls becoming members: Marie Cornthwaite, Marie Fennell, Dorothy Huffman, Scottie Kinloch, Jeanette Sir Kegan and Pat Sparrow.

DANCE WORKSHOP

Dance Workshops will be held every Tuesday and Thursday in the Women's Gym. There are two sections of the workshop, one from 3 o'clock to 4 o'clock, and the other from 4 o'clock to 5 o'clock. All students who are interested, both men and women, are invited to attend. Dances are now being planned and cast for the coming Dance Concert which will be held April 7th and 8th.

Clothes Horse Opera Success

The Clothes Horse Opera, the first of what we hope will prove to be a series of fashion shows, was a wonderful opportunity for a gaze into the crystal ball of things to come for the more fashion wise Gauchettes. This display of trend setting, yet money saving clothes was presented to the Female of the Species of UC SBC last night by Lou Rose.

Each ensemble was as different from the preceding one as can be imagined, but the over-all tendency was toward femininity. It should be remembered when choosing Spring wardrobes . . . men are partial to ruffles and frills, partly because they lend a sweet charm to the girl, and partly because he is forced to wear tailored clothes himself.

The show was cleverly planned so that the theme carried through from informal daytime to formal date-time. It was presented in two acts, the first of which featured comfortable casuals. Typical of these was BARBARA CROCKETT'S cool pink chambray golf dress with free action, button-up sleeves and loads of skirt. To top this off, she wore a matching bonnet with a band which is adjustable for loan-outs.

One of the newer ideas in cotton T-shirts comes to us in the form of shirt sets with matching slip-over and cardigan styles. This combination was sported by MARJORIE CUTHBERT. Marjorie wore it with a blue gaberdine sport skirt, but 'twould look mighty nice with shorts this summer.

In the play clothes line, a new Portuguese group is featured this year. This was created by Carolyn Schurnur after an extensive trip to Portugal to study the design of native clothes. She found the penogir (belted front, loose flowing back) fisherman jacket worked out beautifully as a playsuit with matching shorts beneath in a subtle green plaid, and a sundress with a three-foot scarf to be used in as many tricky ways as last Fall's stole.

Act II featured collegiate date clothes and frothy formals. A special treat was "MIKE" MELVIN in her turquoise and white silk print dress. Incidentally, silk prints are in with a bang this Spring, so everyone should take advantage of the tip by shopping now and gloating later. "Mike's" dress had a flowing skirt with fitted bodice and low V-neckline. It was outstanding with her dark hair.

Really lovely in her brown formal (marquessette with eyelet inserts) was PATTI WOOLDRIDGE. Patti is our ex-Miss Santa Barbara, and being tall and blonde, she looked actually majestic. Noticed one thing about the new formals . . . they're strapless and have millions of yards of material in the skirts.

A few fashion tips to the wise are these: gold chunky jewelry, not gaudy but bold; shoes of material . . . polka dots, linens, and usually accompanied by matching bags; hats of all shapes and sizes, but mostly of straw and loaded with flowers.

Mr. Rose was quite pleased with the outcome of the show and said, "From the enthusiastic reception, we are convinced that Santa Barbara coeds agree with us that the Sloppy Joe era is passe and the vogue for femininity will remain for a long time to come."

Credential Candidates

Proficiency tests will be given on Saturday morning, February 26, from 9:00 to 12:30 o'clock in the Auditorium. All upper half sophomores or transfers who are expecting to receive teaching credentials through this institution should take these tests. No make-up tests will be given at this time. See your adviser or department chairman for additional information.

Panhellenic Plans Tea

What with spring rushing just around the corner, rushees are now making final plans for the coke parties, open houses, and dinners which will take place during the next month.

Of course, not all Gaucho girls are eligible for sorority membership—to qualify, one must have been here for one semester and hold a "C" average over both the semester and her college period thus far.

Anticipating some of the questions foremost in the minds of rushees, Pan Hellenic has planned a pre-rush meeting for all who are interested in Greek life. During this meeting, which begins at three pm Saturday in the Auditorium, queries such as "How does one dress?" "What should I say?", "What to do?" and others which bother newcomers, will be answered by prominent sorority members. Pan Hellenic policies on this campus will also be discussed.

Pamphlets on rushing procedure and policy will be given to all eligible girls at the tea. Girls who wish to join sororities should drop their names into the box which will be provided for that purpose. It will be placed in the AWS room Saturday afternoon.

Directly following the meeting, the Greek organizations will hold a pre-rush tea, to which all Gaucho girls are invited. It will be given on the sundeck, if the weather is good. Otherwise, refreshments will be served in the AWS room.

In charge of the affair is Pan Hellenic President, Connie Peugh. Assisting her will be Alpha Theta Chi members, in charge of name tags; Chi Delta Chi actives, who will direct the tea; Delta Sigma Epsilon and Gamma Delta Chi members, providing the food; Delta Zeta Delta members, who plan to furnish equipment for the occasion; and Phi Kappa Gamma and Sigma Delta Phi, who will clean up after the party.

Spurs Celebrate Founders' Day

Spurs, Sophomore Women's Honorary Service Organization, celebrated National Spurs Founder's Day February 14, with a special meeting followed by refreshments in the AWS room. Spurs commemorated this day also by a cookie sale in the Quad.

Valentine's Day, 1922, was the day National Spurs was founded on the Montana State campus. It was only last year that the Santa Barbara Las Espuelas was initiated into National Spurs at Redlands.

Various and many are the duties of the Spurs which aim to promote school spirit and to support school activities. They are always ready to lend a helping hand to both faculty and students. "At Your Service" is the motto of these hardworking girls, and at your service they are by helping in registration lines, ushering for plays, cleaning mailboxes and bulletin boards, delivering mail and generally keeping the campus clean.

If anyone has any problems about the school, Spurs are always ready to help. They can be recognized by the white sweaters and skirts they wear every Friday.

HELP! ACAPPELLA CALLS FOR BASSES

Do you sing profundo? You have an unusual opportunity to get into the A Cappella Choir this spring if you carry a tune, like to sing and make a noise like a bullfrog!

You may take the activity for one credit per semester, or audit it for no credit. All music activity credits may be used to satisfy applied arts requirements for graduation.

The choir is working on a very interesting and varied repertoire, and are planning a two day tour of the Los Angeles area later this spring. The A Cappella Choir has exceptionally fine voices in all other sections, but through graduation and conflict in change of schedule, many second basses need to be replaced.

The choir meets Monday, Wednesday and Friday at the noon period in Room 100 Music Hall. It is highly desirable that the personnel of the choir be determined in the first two weeks of the semester. If you are interested in singing, contact Dr. Christy immediately, or come out at your first opportunity to a rehearsal and find out how much you would like the type of work they are doing before signing up.

Frat Activities Stress Hell Week

Hell week, first round rush parties and preparations for formal initiations have made this a busy week for the eleven campus social fraternities.

Of the 239 men pledged by the fraternities in the Fall, only 142 men made their grades to complete pledging and become eligible for initiation into the fraternities, according to Dr. Will Hayes, Dean of Men.

The fact that only 59 percent of the pledges made their grade requirements was explained by Dean Hayes who said that 80 percent of those not making their grades were first semester freshmen who were not able to make the adjustments necessary for a good scholastic average while taking on the added duties of pledging.

Dean Hayes released the statistics of the fraternities and the percentages of pledges who became eligible for initiation. Beta Sigma Tau had the highest average, 79 percent or 15 out of 26 pledges made their grades. They were followed by Kappa Alpha Psi with 77 percent or 10 out of 13.

Lambda Chi Alpha has 12 pledges out of 17; Kappa Sigma has 11 out of 16; Tau Epsilon Phi has 2 out of 3; Sigma Tau Gamma has 11 out of 17. Gamma Sigma Pi can initiate 15 out of 26 men. Sigma Pi with 10, Sigma Alpha Kappa with 9 and Sigma Phi Epsilon with 20 all had half of their pledges make their grades, while Delta Sigma Phi has 12 out of 28 pledges.

CALENDAR

TODAY, FEBRUARY 18:

- 3:00—Wrestling Meet featuring El Toro Marines. Admission Free, Men's Gym.
- 4:00—Deadline for turning in Registration Book without penalty, Administration Building.
- 8:15—Basketball Game with Gauchos vs. C. O. P. National Guard Armory.
- 9:00—"Hoop Hop" Dance sponsored by Sigma Pi, Carrillo Auditorium, 1.20 per couple.

TOMORROW, FEBRUARY 19:

- 3:00—Wrestling Meet featuring San Diego Jr. College, Admission Free, Men's Gym.
- 3:00-5:00—Afternoon Tea for all women students and rushees sponsored by Panhellenic Council, Sun Deck.
- 8:15—Basketball Game with Gauchos vs. San Jose State College, National Guard Armory.

SUNDAY, FEBRUARY 20:

- 3:00-5:00—Afternoon Tea for all women students in honor of the new students sponsored by Nu Chapter of Phrateres, AWS Club Room.

TUESDAY, FEBRUARY 22:

- College Holiday due to George Washington's Birthday.

HILLTOP HAPPENINGS

by Gloria Dealey

Before settling down to an earnest life of studies and Sp rushing, Hilltoppers are getting back into the swim by spending hours in the caf, quad and sundeck. Not much is accomplished, it's fun hashing over those mid-semester activities.

Kappa Sig started its celebrating the night finals were over. By ten p. m. Mom's was theirs lock, stock and barrel. SAM and ROYAL CATHART were there leading JACK KINZY, TOM PURTELL, GLEN MULANY, and JACK MILLER in our less publicized school songs. PATTY BROCK came in with MEL PATTON, who wanted everyone to know he'd passed. JEAN MALICORD, BOB LORDEN, JERRY ROSE, and FRED ORR harmonized till NORMA and DOUG ANDERSON, DONNA DOUGLAS and PHIL HEATHMAN were driven a-way, away.

The same night we saw DON CAMERON dancing at the Pink Cricket, but not with PATSY HEWLETT.

Seems like they've been engaged forever, but most Hilltoppers have not seen the pretty piece of ice which CAL REYNOLDS gave JUNIE DAVIDSON.

Nothing else is certain, but you can always find BEVERLY PURDUM-FRANK GOODALL, MARY ANN LOVE-KENNY KELOGG, PATTI HENNAN-BOB MOUNT at the basketball games.

DAVID BENTLY lost fiance BEV RUSSEL to a LA Business College this Spring, and we hear those last dates were tear-jerkers.

The entertainment that GEORGE CRILLEY and DON GILL furnished at the Chi Delt big-little sister dinner really went over with newcomers, JOAN LORD, JOYCE McQUEEN, JEAN NONGUARD, and MARY WARREN.

Hostesses, SHIRLEY HARRIS, VIRGINIA NASH, NANCY CHILMILOWSKI, and DOTTIE LANGSTAFF have spent most of their spare moments lately building the

gals up to the local males and vice versa.

Sig Alph celebrated its League basketball victory with stag smoker at Mom's. Every was there, but only BILL KILL LOU MUNSON, AL HOUVERN WRIGHTSON, HAL BOTT, TOM DAILY, JOHN B SLER, and CY WILLIAMS la till evening's end.

JUNE WEST passed the sw after her formal Alpha Thetation, Sunday. She "said with two heart-shaped cakes p with an arrow. The fe STUART NOLTON, who has l working on the project for m a moon.

Latest houseless Hilltoppers HARVEY HUBLER and JA MORELL . . . the boys are really desperate, but we hear have begun checking the price surplus pup-tents.

MONTY ROBERTS had a p to announce her engagement BOB GILGUST. Some of guests were: CHAROLETTE C ATE-GENE COSTANTINO, R BIE EVANS-BILL NORTON, ELE TATUM-CHRIS STONE, PEGGY CROOKS-JACK Me MARA.

Cal Clubbers, RUTHE GR NINK, BEV MILLER, JU DAVIDSON, MAY NAKANIS BETTIE MOORE, and JO CALDWELL, BOB LORD JERRY ROSE, DON MARQUA had three full days of hayri tours, meetings and dances u Davis, but all they can talk a are those t-h-i-c-k two-inch ste

That is thirty except for a minder that we're always glae get a new hilltopic. Anyone dirt can turn it in to El Gau or our mail box and we'll tr give it a "special."

NEW FROSH QUIZZED

Some of the frosh entering Santa Barbara College this Spring were quizzed as to why they had chosen the Hilltop school as their alma mater for the next four years. At first, they were so excited at the thought of having their names "in print" during the first weeks of school, that they couldn't think of any reasons at all, but being the "giddy" freshmen that they are, we overlooked that, and supplied helpful suggestions till they thought of reasons in self defense.

Fresh frosh, Jan Hellman, came here from Los Angeles because likes the informality and friendness which she has always fo up here.

Doug Gorrie, ex-football le man from Pasadena City Col heard about our PE departm and made the trek up to see i as good as it sounds.

Cute Diane Dealey chose S Barbara College for several sons. No doubt, the biggest was her sister Gloria's descrip of campus fun, but she also l the work of our art departm

Ray Andrews came up from Angeles to escape the cold weat Maybe he came to the wrong p for that, but we're glad to h him anyway.

Ex-AWS prexy from Pasad JC Mary Warren doesn't k why she came up here. She re tered in an idle moment and n ly fell over when the school cepted her.

Gaucha Reporter: "To what you attribute your long life?" Old Timer: "I don't know. still dickering with two break food companies."

WOMEN'S P. E. MEETING TO BE HELD IN GYM

Scene of the first Women's Physical Education Department meeting for its faculty and students will be the Women's Gym. The meeting will be held there on Wednesday, February 23, at 7:30 p.m.

The main event of the evening will be a speech given by Dr. Valerie Hunt of U.C.L.A. on "The

Frat Guide Help To New Students

This semester the Inter-Fraternity Council has written a handbook for all new men students and other men who are interested in joining a fraternity. This booklet,

Body in Movement or Body Mechanics." All those interested are invited to attend.

"Your Fraternity Guide," contains useful information about the twelve social fraternities which are active on campus and has been designed to make joining them easier. The Council deserves recognition for their valuable handbook. These books may be obtained at the Dean of Men's Office.

Character is made by what you stand for, reputation by what you fall for.—Rig and Reel.

All men interested in Freshman Track should report to Coach Max Diamond at La Playa Stadium any afternoon. There are plenty of openings, and experience is not necessary for a try-out. An attractive schedule of about eight meets is being planned, with the first coming up in the near future.

Epilogue to the clothes horse opera:

\$12⁹⁵

Kontest Korner

All contest enthusiasts with alert please take note. From time to time as many and varied contests reach the Gauchito office they will appear in this column in our Friday edition.

Poetry Contest

Ina Coolbrith Memorial Poetry Contest.

PRIZE: \$30 for the best original, unpublished poem on any subject.

RULES: *Eligibility:* Undergraduate students at the University of California—Berkeley, Los Angeles, and Santa Barbara—or at the College of the Pacific, Mills College, St. Mary's College, Stanford University, the University of San Francisco, or the University of Santa Clara.

Format: Manuscripts should be typewritten and should bear some distinguishing mark other than the author's name. Each manuscript should have attached to it a sealed envelope bearing on the outside the author's distinguishing mark and containing within his name, address, and class.

The Registrar's office will attach appropriate identification blanks to the papers and the accompanying envelopes so as to maintain the anonymity of the contestants until the judge's decision has been made.

DEADLINE: Entries must be in by April 1, 1949.

SUBMIT TO: Santa Barbara students entering the contest should submit their manuscripts to Room 104 of the Administration Building, according to Dean Helen E. Sweet, who is secretary for the Committee on Honors and Scholarships.

Voice Contest

Atwater Kent Foundation. \$15,000 in prizes.

PRIZES: Awards totalling \$15,000 will be distributed to ten men and women as follows: two first prizes of \$2,000 each; two second prizes of \$1,750; two third prizes of \$1,500; two fourth prizes of \$1,250; and two fifth prizes of \$1,000. There are no restrictions in the way the prize money may be used.

RULES: *Eligibility:* Non-professional singers in West Coast colleges and universities. Contestants must be between the ages of 18 and 29.

Selection: Contestants may choose selections ranging from musical comedy, concert repertoire, or grand opera.

Manner of Entry: Entry forms may be obtained by writing to Atwater Kent Foundation, Box 1511, Hollywood 28, before March 1, 1949. There is no entry fee.

HEARINGS: Individual hearings for all contestants are scheduled to begin early in March. Preliminaries will be held in Los Angeles, Hollywood, Santa Barbara, and San Francisco. Finalists will be heard in Los Angeles over two nation-wide broadcasts.

Story Contest

Mademoiselle's College Fiction Contest.

\$1,000 in prizes.

PRIZES: \$500 each for best two stories, for all rights and publication in August 1949 MADMOISELLE. We reserve the right to buy other acceptable stories at our regular rates.

RULES: *Eligibility:* Women undergraduates only. Stories which have appeared in undergraduate college publications also acceptable but only if they have not been published elsewhere.

Length: 3,000 to 5,000 words.

Format: Typewritten, double-spaced, one side of paper only, accompanied by contestant's clearly marked name, home address, college address, college year.

MLE assumes no responsibility for manuscripts, will return only those accompanied by stamped, self-addressed envelopes.

Judges: MLE editors, whose decision will be final.

DEADLINE: Entries must be postmarked no later than midnight, April 15, 1949.

SUBMIT TO: College Fiction Contest, MADMOISELLE, 122 East 42 Street, New York 17, New York.

Playwriting Contest

Valparaiso University Players. PRIZES: Prizes include awards

of \$200, \$100, and \$50 for the three best one-act plays and a special sum of \$300 as first place award for a fulllength play, if one of sufficient merit is entered.

RULES: No restrictions have been made by the sponsors as to theme or form.

Eligibility: Any and all young authors on campus.

Format: Standard manuscript form.

One-act plays are especially acceptable in this first of an annual series of playwriting contests.

Judges: Three prominent leaders in the university theatre movement: Lee Norvelle, Chairman of the Department of Speech and Director of the University Theatre at Indiana University; Robert Masters, Chairman of the Department of Speech and Director of Dramatics at Indiana State Teachers' College; and Earl Harlan, Director of the University Theatre at Purdue University.

DEADLINE: The contest closes at midnight, June 30, 1949, and winners will be announced on September 30.

SUBMIT TO: Valparaiso University, Valparaiso, Indiana.

PURPOSE: To discover talent in the field of playwriting and "to stimulate original thinking in play-

INTRAMURAL BASKETBALL STARTS

According to an announcement from Richard Kaywood, supervisor of the intramural sports program, a second intramural basketball tournament will get under way on or about the 1st of March. This tournament is just the beginning of many activities to be offered by the school in the spring semester. Other activities to follow will include a softball and volleyball tournament, swimming carnival, track meet, basketball field day, and several individual tournaments such as golf, tennis, badminton, wrestling and fencing.

The Intramural Sports program at Santa Barbara is put on by the Mens Dept. of Phys. and Health Education and is under the direction of Richard Kaywood. Up to the past year not much progress had been made along the lines of intramural work in this school. Since the need was so great for

writing and to encourage experimentation in dramatic forms."

The Valparaiso University Players will ask the authors of the prize winning plays for the right to produce them for the first time, after which all production and publication rights will be returned to the respective authors.

such a program the Dept. of Phys. and Health Education saw fit to assign one of its staff to the program. Although the program is under the direction of a member of the faculty it is set up and run by various students. Prominent among these have been Lou Munson, Meredith McGee and Stan Moore.

In the past semester some 651 students took place in the activities offered under this program. Most of the tournaments are set up in two divisions, one for the fraternities and the other for clubs. This past football season saw the Kappa Sigma and the Dogger House capture their respective divisions. In the basketball tournament, which was a double elimination, the Sigma Alpha led by Vern Wrightson, Hal Abbott, and Bill Kelso captured their own division and then went on to defeat the Mighty Midgets for the school championship. The latter team proved to be the dark horse of the tournament since they represented no club but were a pick-up team. They were led by such players as Harold and Gerald Swift, Ed Wade, and Marvin Heisohn.

The coming basketball tournament is open to all clubs and fra-

ternities on campus. All those interested in entering a team should contact Mr. Kaywood in West Hall 110 immediately so that plans can be made to get under way by the 1st of March. The teams are limited to twelve players and no one with varsity experience this year will be allowed to play. The play this semester will be the same as last with a double elimination form of tournament being in effect. The games will be played at the Men's Gym on Monday through Thursday nights at 7, 8, and 9 o'clock. Any team that is unable to play on one of these nights should so designate on their roster.

The next activity following basketball will be a tennis tournament on the 13th and 20th of March followed by a softball tournament commencing about the 10th of April.

A managerial system similar to the one already in effect in the major sports is under consideration at the present time. Any person who is interested in assisting in the Intramural Sports program is also requested to turn in his name to Mr. Kaywood. At the present, several men are needed for the coming basketball tournament.

Thinclads Face Whittier March 5; Depth Needed To Round Out Squad

With the first track meet of the season against Whittier College just two weeks distant, Track manager Nick Carter is anxiously scanning the horizons in hopes of finding some distance runners and weight men.

"Although we are quite strong in some individual events," Carter stated, "we are greatly in need of depth in most events. I especially need some distance runners, and hope that in the next few days so some will turn out for the team."

If Carter can get these men at the necessary depth to pick up those second and third place positions Santa Barbara College should have one of the finest track teams in many years. The schedule for the season is a good one, and is a tough one, and so success or failure will depend on the filling of the positions that are now vacant.

I was so cold last night that I just layed there and shivered.

Did your teeth chatter?

I don't know. We don't sleep together.
