

FACULTY CONDEMNS REGENTS' ACTS

In a special meeting of the faculty, held September 29, several sharply worded resolutions were passed, directed to the Regents of the University in connection with the Special Loyalty Oath controversy.

One of the resolutions stated that "inasmuch as the majority of the Regents had grossly violated its own resolution of April 21 (providing hearings for non-signers) and has moreover arbitrarily dismissed members of the faculty despite the fact that not one of them is charged with being a Communist, and said majority has broken faith with the Senate and has furthermore revoked appointments made lawfully by the

Board, and has above all violated the principle of tenure, an absolutely essential condition in a free University: therefore, be it resolved that the Faculty of the University of California, Santa Barbara College, condemns said actions on the part of the bare majority of the board."

Taking positive action in the case, it was resolved that "the faculty of Santa Barbara College undertakes a program of financial aid to the University of California faculty members who have not received appointments because of their unwillingness to sign the special declaration in the acceptance of appointment."

It also directed that "the program follow the pattern for assistance adopted by the northern section of the senate, except that at Santa Barbara the faculty welfare committee be charged with the responsibility for administering the program."

Another resolution passed put the faculty on record stating that the group "supports and approves the actions and recommendations of the President with regard to non-signers of the form of contract. We wish to endorse the action of those Regents who held steadfastly to a course of action which the faculty regards as just and reasonable. We also wish to express our appreciation to loyal alumni and other friends of the University."

Childless Veterans Can Live at Hoff

Married veterans without children may now rent apartments at Hoff Heights, it was announced recently by Mrs. Velma Morrell of the campus Housing Office.

Formerly only veterans with children were permitted to live in the project. A waiting list will be established in the Housing Office at once, with priority being given to seniors, juniors, sophomores and freshmen, respectively.

Several one-bedroom apartments will be available in the near future, at \$31 a month, including utilities. The apartments are unfurnished, except for a stove and ice box, and are complete with bedroom, living room, kitchen and bath.

HOMECOMING INFO DISTRIBUTED IN NEW BROCHURES

Homecoming brochures containing information for the October 25-29 Homecoming Weekend are being distributed to all organizations and large living groups this week.

"Circus Daze Hit the Hilltoppers," a slogan which can easily be adapted to both revue and parade themes, also can be carried into the House Decorations competition, it was pointed out.

Organizations are urged to submit applications for events as soon as possible to avoid last-minute delays. Duplicate copies of the brochure may be obtained from the Associated Students Office between 11 am and 1 pm.

Co-chairmen of Homecoming are Bob Christofferson and Jim Mulick. They are being assisted by Earl Cantlay, Parade; Maggie Mueller, Queen Election; Eleanor Conte, All-College Sing, and Babs Benning, Alumni-Student Receptions.

Special assistants who have been appointed to help the Committee are Joyce Sader, Pete Kane, Mary Pollard, Peggy Utz, Alberta Myers and Lee Hutton.

Blood Plasma Needed to Save Life of Badly Burned Girl

By Bill Powell

Students of Santa Barbara College now have an opportunity to be of great help to their community, and especially to an 11-year-old girl who has 40 per cent of her body covered with third-degree burns.

Michelle Massonnaud was playing near her home a week ago when the accident happened. She was testing an opaque lamp stand that she was making and threw a lighted match into what she thought was water, although it was actually gasoline. It exploded and turned her clothes into a mass of flame.

Her mother, a local telephone operator, tore the clothes from her child and as a result she suffered severe burns up to her wrists. Because of this she will be out of work for some time.

The point of the story is this: Michele is in need of much blood plasma and will be for some time. This is all very expensive for Michele and her mother. Besides this, the Tri-Counties Blood Bank is exhausting its supply of plasma. This is where Gaucho students can be of great help.

Anyone who is over 21, or has written permission from his parents, can call the Blood Bank at 6116 and make an appointment

to donate a pint of plasma. Blanks for parents' permission can be obtained at the Blood Bank or from the Dean of Women.

One should not have a cold nor eat for four hours before donating blood. It should be made clear that the plasma is not just needed at the present time but will be needed in the future as well.

The Blood Bank is located at 1601 Anacapa Street. The hours are 9:30 am to 4:30 pm on Monday and Wednesday, 10 am to 6:30 pm on Friday, and from 9 to 12 on Saturday. It takes approximately half an hour to make your donation.

If anyone is lacking transportation, sign up with Jean Tahajian at the Associated Students office, or at the Office of the Dean of Women.

When making an appointment be sure to state that you are from the College. This is a chance for all Gauchos to perform a great and badly needed service not only for the community but also for 11-year-old Michele.

MISSING INDEX CARDS

The Office of the Registrar is missing one set of index cards and the program cards for the summer session. This set of cards is placed at the Registrar's window for the use of all students. The return of the index cards will be deeply appreciated. Charges will not be preferred, no grade points deducted, no names mentioned—we merely want the cards.

Frosh Hold First Meeting; Nominate '54 Class Officers

Following the Gaucho Round-up in the auditorium Wednesday night, the freshmen, under the guidance of Elaine Strobel, conducted their first class meeting.

The first and foremost reason for the meeting was to nominate class officers for the coming year and to elect a representative to the AWS.

Nominated for the office of president were Yaro Brozik, Dick Buele, Pete Burgher, Dan Clark, Pete Kane, Steve Newland and Don Sherwin. The freshman class president represents his class in the Legislative Council, which meets each Tuesday night.

Seven Veeps
The seven students nominated for the office of vice-president were Nancy Anthony, Betty Jo Haven, Melinda Horn, Barbara Lettie, Don Noble, Sue Small and Diane West.

The following were nominated for secretary-treasurer: Connie Aposttes, Georgia Baci, Barbara Brown, Solvig Dierkorn, Pat Kaiser, Roxanne Marble, Pat McDorn, Pat Shaw and Gwenn Smallwood.

SPURS TO TAP FOUR NEW MEMBERS SOON

Four new members of Spurs, national sophomore women's service honorary, will be tapped in the near future, it was announced at a recent meeting by Eileen Berkman, Spurs president.

One of the most important activities of the organization is helping with freshman indoctrination. Plans were made at the meeting for the initiation of frosh women at the Mud Brawl, and the members were reminded of their responsibility in enforcing Green Month regulations.

Also discussed at the meeting were Spurs' duties of carrying the Dean's mail, cleaning out campus mailboxes and keeping the bulletin boards neat. With a motto of "At your service!" Spurs is available to assist campus officials and organizations.

It was announced that at the end of the year the most outstanding Spur, who will be chosen by the officers, will receive an award at the annual Spurs-Squires Banquet.

An assistant Spurs sponsor is being sought by the group to attend the Wednesday afternoon meeting, as Dean Ellen Bowers, sponsor, is unable to attend.

Spurs uniforms are worn by the members every Wednesday, although some of the sweaters have not arrived as yet. The uniforms are white sweaters and skirts with blue-and-gold Spurs emblems.

much MORE ado.. by another noble

Here is the humble truth . . . let's face it like true Gauchos. There is another Noble (junior edition) on campus this semester. Be calm everyone . . . relax . . . and please don't rush to the registrar and withdraw from school. This year's column will be absolutely painless (heh, heh) . . .

(Italicized remarks appearing in this column are not necessarily the opinion of Mr. Noble, the Third Man, or this newspaper.)

THE QUESTION OF THE WEEK?

Were there a lot of early-morning rush parties on the first day of official pledging? I noticed a lot of pledge pins sprouting out at five minutes of eight.

(Legacies, or little brothers, perhaps?)

Are the Thetas using their bathtub for publicity. The pledges of the aforementioned sorority are looking forward to living in the house, perhaps because of the six-foot bathtub.

(Thinking of applying for a life guard job, Noble?)

The "21" Club seems to be gaining quite a few new members from among the Gauchos. It looks like a good deal, fellows. Those pitchers mount up.

A few thoughts that need mulling over until next time are: Will the fifty-cent pitcher of beer come back? Will the local coeds once again wear their hair long? Will the seventy-five-cent haircut once again become a reality or will we continue to be clipped? Will the freshmen continue to see green? Will Levis return as the sine qua non of campus manhood?

(Does Mrs. Noble have any more at home?)

Are there as many old faces missing as a few of the students think? Or . . . are there just too many new ones on campus for the old ones to be seen?

ATTENTION FROSH! Remember your class elections on October 20. Get the men and women in office that you really want to represent you for the coming year. Make this frosh class the best yet.

(Electioneering?)

With the end of registration, rushing and pledging, early semester parties and meetings, etc., students are once again falling into the old rut . . . the less serious business of college . . . some are even looking forward to cinch notices.

(If it gets dull, you always can borrow Jerry's collection of Maid-enform ads.)

As Shakespeare says . . . "Parting is such sweet sorrow." Noble says . . . "Ado."

(This is beginning to look like a nefarious attempt to squeeze in that paragraph that didn't get printed by last year's editor.)

Editor, El Gaucho:

It appears that the 1950 version of *El Gaucho*, which got off to to such a fine start, is slipping back into the path of its predecessors—that of not checking on a story before blowing off editorial steam.

I refer to the editorial in last Friday's sheet. Granted that watching your opponent send away his first and second teams five minutes before the end of the game is not conducive to happy thoughts. Kindly remember that those men were hot and the evening was cool and this makes for cramped muscles, etc.

I'm sure Coach Engle was much more interested in keeping his men in condition for the next game than he was in hurting the feelings of the men from Tech. After all, he could have left those first two teams in the game and run the score clear off the scoreboard!

Sincerely,
GEO. F. OUTLAND,
 Senior Football Manager

Yell King Likes Spirit

A BIG RAH!

"The school spirit has improved a lot since last year, due, I think, to younger kids in college," says Bill Cunningham, our head yell leader. He is very happy over the enthusiasm shown at the games.

"It would be simply horrendous," he adds, "if everyone would learn all the yells. And say, if you don't know the words to 'All Hail,' be sure to learn them and sing!" To Don Matthews and his bugle call goes the sincere appreciation of the yell leaders. They hope the bugle call and the "Charge" will come about every fourth time our players come out of their huddle.

We've got some really cute song leaders this year, Nancy Ashley, Ellie Denholm, Benny Droste and Pat Marston, and there has been a lot of cooperation from the students in clapping when the girls get up front, but let's have some singing, too.

BLUE KEY PLANS GIVEN AT MEETING

Other officers for this fall are: Ken Kellogg, vice-president; Jim Mulick, recording secretary-treasurer; Larry Wathey, corresponding secretary; Dick Church, social chairman, and Phil Jacks, publicity chairman.

'Mural Sports Board To Guide Activities Of 'For-Fun' Teams

An entirely new program in Intramural Sport has been set up for this year. In the past the program has been directed by a faculty member, but this year the scheduling and direction of events has been turned over to the students.

This was accomplished in a meeting of the Intramural Sports Board on Thursday, September 28. At that time the new constitution was ratified and officers were selected. Gordon Hardy and Tom Moss were elected Inter-fraternity Council Representatives. Joe Phillips was selected as the new Activities Director, Al McConnell was elected Independent Representative to the Council, while Jim Davee was elected as the Student Director.

It was decided that October 17 should be the day to hold the annual Swim Meet. For the first time in the history of the meet and Intramural Sports the competition will be coeducational.

SAGEHENS COOKED, 35-7, AS ENGLEMAN ROLL ON

Racking up their second decisive victory in as many weeks, the Galloping Gauchos trampled the Pomona Sagehens, 35-7, in a rugged and hard-fought contest. Showing a great deal of improvement over last week, the Gauchos proved themselves against a tough foe and exacted revenge for last year's 21-13 loss.

Showing a well-coordinated passing and running attack, Coach Roy Engle's Gauchos completely outplayed the Sagehens on the ground and held Pomona's vaunted passing attack to a minimum of effectiveness.

Reinke Bottled

Roger Reinke, Pomona's star end, was kept effectively bottled throughout the game and the Gaucho line rushed the Pomona passers unmercifully.

After getting off to a slow start in the first quarter, which saw neither team make any sustained drives due to fumbles and pass interceptions, the Gauchos got rolling early in the second period and, highlighted by a beautiful 46-yard run by fullback Dave Gorrie, put on a 90-yard drive which netted them their first score on an 11-yard pass from Dick Gorrie to Adran Adams.

Clyde Francisco made good the first of five extra-point tries to make the score 7-0.

The Gaucho's second score came on a 19-yard pass from George Law to Adams during the final minutes of the first half.

Bertell Scores

Midway in the third period the Gauchos got rolling again when the "Little Bull," Russ Bertell,

went over from the Pomona 2 following his own 15-yard run which set up the score.

Ron Ternquist scored the final two Gaucho TDs. The first came on a twisting run through most of the Pomona secondary for 25 yards and the score. The play was set up by a bad Pomona punt which went out of bounds on the Pomona 35-yard line.

Les Harris set up the final Gaucho score when he intercepted a pass on his own 25 and twisted down the sidelines to the Pomona eight. Two plays later Ternquist went over center from five yards out.

Pomona's only score of the game was made in the final period and culminated a 27-yard drive which started when Pomona recovered a Gaucho fumble on the 27. Larry Wedel went over from one yard out to climax the drive.

Engle Pleased

Coach Engle was pleased with the fine showing of the Gaucho reserves. He also expressed the opinion that if they continue to improve as much as they did last week, Occidental will be in for a rough evening next weekend.

Dave Gorrie and Russ Bertell led the Gaucho attack. Gorrie made 84 yards in 11 carries for an average of over seven and a half yards per carry. Bertell made 109 yards in 16 carries for an average of six and a half yards per try.

Mattias Stars

George Mattias, a reserve end, was the outstanding defensive player for the Gauchos. He was ably supported by LeRoy Cross, Warren Vinton and Corkey Johnson.

Dick Gorrie and Adran Adams were not as seriously injured as was feared and both are expected to be on hand next week when the Gauchos take to the road to tackle the Occidental Tigers in what is expected to be a real test of the Gaucho might.

Volleyball Practice Schedule Dates Set

Women's Athletic Association has decided to hold practice in Volleyball every Tuesday and Thursday at 4 pm due to the request of girls who are on teams entered in the Women's Intramural Volleyball Tournament.

THE SCORE . . . by Talley

(This special column takes the form of an open letter by a member of the Sports Staff to the Editor who criticized the head football coach in a recent editorial for sending a large group of players from the field a few minutes before the final gun.)

Dear Ken:

You are undoubtedly aware that your editorial of last Friday was not well received in some quarters. It seems pertinent, however, to employ this column to clear up a few points of which you obviously were not aware.

I speak of the practice of retiring starting players to the lockers when the final outcome of the game is no longer in doubt. As a close friend, Ken, I am unable to see how you could know so little and presume so much about this situation. One may as well try to convince an official to skip the kickoff as to tell a coach that he should keep a full team on the bench when he is six touchdowns ahead.

This writer has seen a first team sent to the shower at the end of the half. This is an extreme example of a practice which is not only frequent but expected on the football field. If you believe that anything impolite was intended by Coach Roy, try to learn more about football before you set yourself up as an adviser.

Your editorial implies that you realize that it sometimes becomes cold at La Playa. It is wondered, then, why a player should sweat and strain for an hour and a half and then be asked to sit in the cold just to be polite.

Of course there are ways to solve the problem. Steam heat could be provided. Better still, the players could get up and prance with Ellie and the other songleaders to keep their muscles from tying up. However, until these things are initiated let's allow the coaches to decide what is best for the team.

It is hard to see what you hope to accomplish by this attack, even if each of your comments were correct. Certainly a tirade against the coach of a fine ball club will not benefit the team. Obviously school spirit is not aided by picturing the team as a group of poor sports.

Finally, Kenny boy, when in Rome, etc.; and when on the football field stick to football custom. Leave coaching to Roy Engle and his very competent staff.

Sincerely,
FERRIN D. TALLEY

ROTC RIFLE TEAM NOW RECOGNIZED AS MINOR SPORT

The former ROTC Rifle Team has been recognized by the administration as a minor sport.

Under the direction of Capt. Trebilcock of the ROTC staff, the sport now is open to any male student. Those interested need not be in the ROTC program.

The aim of the sport is to promote interest among the Associated Students at UCSBC and to compete in the small-bore rifle matches, some of which are planned with other schools.

The first meeting will be held tomorrow night, Oct. 4th, at 7:30 in Building B 101, with Gene Lonon as acting president of the group.

Hail to California, Alma Mater dear,
Sing the joyful chorus, sound it far and near.
Rallying 'round her banner we will never fail;

Hail to California, Queen in whom we're blest,
Spreading light and goodness over all the West.
Fighting 'neath her standard we shall sure prevail;

37. DO YOU FEEL BLUE WHEN CUTTING PAPER DOLLS?

K. KNOWLTON

the INSIDE

by The Third Man

Ho, hum, here it is Tuesday again and time to report on who's been doing what to whom and why. . . . One thing that's puzzling many is who stole the Little Black Frosh Box? The latest rumor has it that social sophomores Spud Morrow and Jim Subject are the slimy ones, but whoever did it, the act is drawing frosh cheers around campus. . . .

Further cementing the relationship of La Cumbre co-editors last week was Charlie Missman. On the third finger, left hand, of Pi Phi Jo Porter went a large emerald. The Third Man will wait until after publication to congratulate the couple. . . .

What is this new adjective "Mike Happy" Cunningham is featuring at the rallies? All that we know is that it rhymes with "tremendous" and isn't listed in Webster's Collegiate. Try Subject A, it's the greatest for vocabulary improvement. . . .

The Cal Tech game so long ago saw many naughty SAEs taking off before the Alma Mammy. . . . Tech, tch, tch to Joel Williams, Guido dal Bello, and Ken Ainge with the lovely Ginger. . . . Same goes for Phil Weston, Bill Hart and others who were heading someplace in a great hurry. . . .

"Terrific success" describes the Gaucha Round-Up of last week. Cal Club really uncorked a beaut with its Irish or was it Scotch skit. . . . Harry wasn't the only one they had to carry. Cover gal Claire can get a job with Spike Jones any day and Jim Mulick could get a seat on the bus with that padding job. . . .

Those "Sunkist Misses," the Hairy Octet revealed a lot of form with their precision can-can too. . . . What a line!

Some slightly wilted orchids to Bill Norton and his Sig Ep crew who are making a pile on selling programs at the games. Gordon Hardey and Gene Lonon have a system—if he's little, threaten to make him buy, and if he's bigger, embarrass him in front of his date. . . . It usually works, too.

That over-exuberant youngster, Ted Troy, was getting quite a

kick out of distributing itty-bitty beanies to all his playmates the other afternoon. . . . Speaking of toys, that's some tootle-flute that frosh Yaro Brozik "charges" with at the games. . . .

Now that Phil Jacks is back for his umpteenth semester, the question arises, how many pairs of dark glasses have you gone through ogling innocent young freshwomen? Got an answer?

Everybody's sweetheart Bev Purdum seems to be narrowing the field down to George Machado this week. . . . But enough of this!

If you want your best friend stabbed in the back, just drop us a little note in the Gaucha Office. Any shreds of information on anybody's business will be gladly accepted and widely published.

In Style

Overnight, many proud guys and gals brightened up the campus with their shiny new pledge pins. They seem to be days in the jewelry line these days.

Al Southworth startled everyone in one of the joints by featuring an eye-catching blue and green plaid jacket. And by the way, Dr. Browning could have been mistaken for Joe College with the one he wore the other day.

Reno's Rally Committee is slowly going crazy. From now on the rooting section will be only for rooters' hats and pom-poms. We're going to feel mighty ridiculous with only a handful of people in the rooting section, so get on the ball and make that purchase.

The SAEs are really showing class with that garnet red leather coke (?) bar in their basement. Some of the frat fellows have already tried out the new burgundy couches adorning the redecorated Alpha Phi living room.

Question of the week: Is Sig Ep Jack Green planning to join up in the Naval Air Force or are those flight glasses a disguise?

So nice to have a student body president who knows how to dress. Gauchos will really be proud of Frank, so get behind this boy—he deserves all the support he can get.

When DG pledge Pat Snyder wandered into the house the other day and asked if anyone cut hair, she hardly expected to be whisked to the basement to have her wish granted immediately.

Does Dr. Noble's twin brother at Cal Poly wear colorful ties like he does in biology lecture? What would the Mustang fellas think?

The Thetas have added a clas-

sical touch to their staircase—one nude statue with a light bulb clutched in her hand. She is affectionately named Evolu. A real conversation stopper!
