## Occidental Tigers Bow Down 17-14

### GAUCHOS DEFEAT OXY BY THREE POINTS

By Geo. F. Outland

The Santa Barbara College Gauchos tamed the Occidental Tigers last Saturday night, but the Tigers were in no mood to stay tamed.

The Gauchos made their breaks to step into a 10 to 0 lead midway through the opening quarter, but Oxy drove back hard to lead 14 to 10 at half-time. Recovering an Oxy fumble on their own 44 in the early moments of the second half, the Golden Gauchos drove 56 yards in 10 plays for the final score of the game. It was then a great defensive crew of Gauchos who managed to hold the rampaging Tigers the remainder of the game. As the Eagle Rock boys had scored four touchdowns their previous game, that was no easy task.

Occidental won the opening toss, and elected to kick from the East goal, against the wind. The wind later changed directions and reeked general havoc throughout the city, as well as on the field. Max Diamond took the ball on his own 13 and tore up 25 yards to the 38 before he was finally nailed. The gallopin' Gauchos then drove for a first down in three plays, Sam Cathcart diving over the middle stripe on the last play. However, three more running plays netted but eight yards, and Jack Miller dropped back to

(Continued on page 2, col. 1)

### IE CLUB PLANS PICNIC DINNER

The Industrial Education club of Santa Barbara college will hold a picnic-dinner on Thursday, October 16, 4 p.m. at Oak Park. Games in the afternoon will be followed by a supper of roast chicken, according to Ralph Fletcher, social chairman. In the evening there will be dancing.

All members of the Industrial Education department are invited. There will be a nominal charge for guests and non-holders of IE club cards. Reservations are made by signing up at bulletin board on Mesa Campus.

### INTERFRAT COUNCIL HAS ELECTION OF OFFICERS

First organized in 1925, the Interfraternity Council of the University of California, Santa Barbara college, has been in continued existence, except for three years during the war. During this time is has held regular meetings for the purpose of guiding the Greek letter men's organizations on the campus.

At the first meeting of the year, the council held election of officers, discussed its new constitution and considered applications of new organizations for membership.

#### NEW FRATS

The first new organizations to seek membership in the council were two in number; the local fraternities Beta Sigma Chi and Sigma Alpha Kappa. Now the council numbers nineteen members and consists of the president, house manager, a member-at-large from each fraternity, and the interfraternity adviser. The executive

### Joan Of Lorraine Practice Moving Along; Date Set

Rehearsals for the Santa Barbara college Speech Department production of "Joan of Lorraine," are progressing smoothly according to Mr. Virgil Bergman, director. Dates for the performance have been set for 8:30 p.m. November 6 and 8, in the college auditorium.

Chosen by Ingrid Bergman as a vehicle for her return to Broadway, this new play has enjoyed an extended run in New York, and has been presented but a few times on the West coast.

#### EFFECTIVE SETTINGS

Effective stage settings, being constructed by members of Mr. T. Hatlen's class in Theatre Participation, will be completed shortly. Walter Arndt and Don Wilson, who have been working as assistant directors, have been assigned roles, and several other changes in the cast have been made.

The Pasadena Playhouse has scheduled a presentation of "Joan of Lorraine" within the next two weeks, and the cast of the campus production has tentatively planned a trip to see this version of the play, prior to presenting their own.

#### Upset 'em!

### Wanted. Sports News

Anyone interested in sports reporting is requested to turn his name in to the Gaucho Office. No previous experience is necessary, but experienced sports writers will be welcomed.

**CATHCART GOES OVER**—Capitalizing on a break which gave them the ball with first down and a yard to go for a touchdown early in the game, the Gauchos' slashing halfback, Sammy Cathcart (No. 14) is snapped here just as he knifes through right tackle for six points.

### Stag Smoker Set For October 21

A stag "smoker" open to all Gaucho men will be given next Tuesday, October 21, at 8:00 p.m. at the Naval Reserve Armory, under the sponsorship of the University of California, Santa Barbara college Associated Men Students. It will be the first college event in the Naval Armory, a former minesweeper school, located on the beach opposite La Playa stadium.

Movies on sports, piano renditions by Eddie Beamer, and boxing matches with Bob Garcia and Bill Cormier, Gaucho pugilists, heading the list are on the program planned by Ron Thomson, AMS social chairman. The degree of BU—bachelor of ugliness—will be awarded by popular vote to the unloueliest male contestant among the candidates for the degree put up by various campus organizations.

An AMS membership is the only ticket of admission, and cards will be sold at the door for \$1.00. They admit the holder to all AMS events for the semester.

### Junior Class Sets Plans For Future

Enlistment of new members was under way at Santa Barbara college as the Junior Class activities program was launched, this week, according to Dick O'Hannesson, class president. Membership cards will gain students admission to all Junior events.

Among the activities planned for the fall are a Senior-Junior dinner dance honoring February graduates, and a Junior variety show for which class officers are now recruiting talent.

Because the class received no appropriation from the Associated Students Fund, O'Hannesson regretfully announced that it will be necessary to assess each member 50 cents per semester for class dues.

### VOCATION GUIDANCE CENTER SET UP BY LOCAL VA OFFICE

All Santa Barbara college veterans are encouraged to take advantage of the facilities of the Veterans Administration Guidance Center, University of California Extension, established in the Balboa building to provide vocational counseling for veterans. The mission of the Center is to assist the veteran in choosing a suitable vocational objective, and in planning the program necessary to reach this objective.

Interest inventories, aptitude tests, and achievement tests are available—all of which are very helpful in the selection of courses of study; or of occupations to be followed. Trained counselors interpret the results of these tests, and help in planning a program of education and training.

#### COMPLETELY FREE

Here are some important things to remember concerning this service: all veterans of World War II are eligible; the service is provided without cost to the veteran, a complete vocational guidance program is offered, and an up-to-date library of employment and vocational information is provided.

Appointments may be made by telephoning 24957, by calling personally, or dropping a card to Room 519, Balboa building, 735 State street. The center is open from 8:00 a.m. to 5:00 p.m., Monday through Friday.

### Program Head Wanted For Noon Recreation

Application for the position of chairman of the noon recreational program of the College Recreation Association will be received this week by B. J. Winslow, CRA president.

Duties of the chairman will include planning programs, arranging for equipment, supervision of events, and a directorship on the CRA board. Students interested are requested to contact Winslow through Box "W" in the Quad.

### Gauche Men To Pick Homecoming Queen In October 27 Balloting

By Phillis Pittroff

Somewhere on the Gaucho campus is a lovely little co-ed who is scheduled to rule as queen during Homecoming Week-end at the end of the month.

The queen will be found and crowned through a contest sponsored by Associated Men students of the University of California Santa Barbara college, who are accepting nominations for candidates.

### Gauche Review Gets New Twists

One of the high spots on the fall semester's entertainment program is the "Galloping Gaucho Review," an all-student vaudeville show to be given on October 31, at 8 p.m. in the Santa Barbara college auditorium. A few new twists have been added this year which will make the show better than ever. Director George Stone and his assistant, Gerry Gray, have been giving their all to get it organized and they have done a fine job.

The Review will start with an introduction of the football squad. Then the cheer leaders will take over and the idea will be to bring the roof down. While you are still out of breath, the Homecoming Queen will be crowned. As if this isn't enough excitement, vaudeville acts will follow immediately. There will be two classes: Acts presented by organizations and acts of individuals. In each class the best act will be awarded a trophy.

All parties interested must submit ideas or outlines of possible acts to Mr. Theodore Hatlen by noon on Wednesday, October 15. This announcement officially opens all the spots on the show. Talent! Talent! Talent! Where are you?

### Misplaced Articles

Articles lost by Gaucho students eventually find their way over the Lost and Found counter of the college Police Department.

Individuals who have misplaced valuables, books, or other acuterments are advised to contact the department frequently.

### Deceased Dictionary Cremated By College

The venerable "Webster" that has been displaying its glorious wounds in the library of the Santa Barbara college for so many years, is on its way to retirement. This dictionary, veteran of many a Freshman class, has lost all the pages from "butter and egg" to "calcineide" (thus making it impossible for the scholar to find the word "cacumination") and is doomed.

As only a small nucleus of students ever-consulted the old relic, this article will be rather informative to the majority of SBC students. However, the few who knew the friendly antique will regret its demise. After all, what is the value of a few missing pages as compared with that of an old acquaintance?

The librarian has ordered two new dictionaries.

Any individual or organization on campus may enter a candidate, and should submit entries to the office of Dean of Men Paul Jones. An 8x10 portrait of the nominee should be given to Don Marquart, AMS publicity chairman, for posting. Nominations close on Monday, October 20.

A ballot will be prepared from the list of entries and an election open only to men students will be held on campus on Monday, October 27.

The elected queen and her ladies-in-waiting, runners-up in the contest, will preside over the Homecoming Parade and Homecoming dance on Saturday, November 1, as well as other festivities honoring returning Gaucho alumni. The dance, sponsored by the Social Committee, will be held at the Armory, where decorations will follow the theme "Rolling Home to Harvest Homecoming."

In addition to conducting the nomination, and election, AMS will officially crown the queen, will provide her and her ladies with flowers, and will furnish transportation for the royal retinue during the entire celebration.

According to Dale Scott, AMS president, float entries for the Homecoming Parade are now being accepted. Organizations wishing to enter floats are requested to contact parade marshal Virgil Bryan during the coming week. Announcement of prizes to be awarded for the best floats will be made in *El Gaucho* and elsewhere on the campus.

#### Upset 'em!

### Medals Due Vets Are Issued Here

Eligible veterans of the Second World War enrolled at Santa Barbara college may obtain the American Defense Medal and the Victory Medal of World War II by presenting original Honorary Discharge papers to Reserve Officer Training Corps personnel stationed at 104 Ebbets Hall.

To be eligible for the American Defense Service Medal, one must have served stateside at least 12 months between September 8, 1939 and September 7, 1941. In addition, the Foreign Service Clasp will be issued to any one who served outside the continental United States including Alaska and to crew members of ships and airplanes.

To receive the Second World War Victory Medal one must have been in service between December 7, 1941 and December 31, 1946.

#### Upset 'em!

# Oxy Tigers Bow Down 17-14

(Continued from page 1)

punt. He got off a beauty from the Oxy 48 which went all of 60 yards, going out behind the goal posts. Both sides were off sides on the play though, and it was called over. Miller this time dropped the pass from center, but managed to get off a quick 23 yard kick to the Oxy 20, where the Tigers took over.

Sam Cathcart was fast in covering a pass in the flat by Oxy, which cost them a yard. Another pass was almost intercepted. The Gaucho pass defense was definitely clicking! A line buck netted but 2 yards, and the Tigers went into punt formation. The pass from center got away momentarily from the kicker, and as he picked it up he was hit, and hit hard by a Gaucho lineman, and Roy Steele pounced on the ball, making it Gauchos' ball, first and goal to go on the Oxy 2. Sam Cathcart ducked through right tackle, and the hilltoppers had their first score. Miller's placement was straight and smooth, right between the uprights.

Oxy took Miller's kickoff on their own 11, and ran it back to the 36. On the second play, a Gaucho lineman hit the passing Tiger as he was flinging the pigskin, and center Frank Kirkland of the Gauchos snatched the stray ball out of the air on the Oxy 38. He was downed on the Oxy 24 and it was again the Gauchos ball deep in Tiger territory. Sam Cathcart carried the leather to the Oxy 9 on a beautiful off-tackle deception which completely fooled the linebackers on that side. The safety man hauled Sam down from behind. Cathcart could gain nothing, though, on the next three plays, and Kenny Duddridge came in to attempt a field goal. The ball rested about 18 yards in from the far sideline on the Oxy 11 yard line. However, even from this difficult position, Dudd put it up with all the grace and ease of a Wednesday afternoon practice. This proved to be the margin of victory for the Gauchos, although at this point they led 10 to nothing.

Tom White, with wind at his back, booted the ball on the kickoff for all of 68 yards. The Tigers consequently took over on their own 20, first and 10. Runs of 20, 18, 10, 7, 8, 2, 13, and 2 yards, 80 yards in 8 plays, netted the Tigers their first score as Ross made the final dash into the end zone. Steve Smith's kick was good, and the Gaucho lead now was but 10 to 7. The reports up from the south before this game stated that the Tigers were passing fiends, but they showed their ground power was at least as dangerous, if not more so.

The Gauchos then drove to the Oxy 45, at which point the center of Oxy, Armstrong, intercepted a Gaucho pass. The quarter had just changed one play before, and Armstrong pulled a "Roy Reigal" by taking the ball and dashing

toward his own goal line. At the 15 he reversed the field and got back to the 25 before he was downed. Evidently he had heard the howling crowd and his own man trailing behind him. This was not so tough a break as it looked, for 3 plays and a clipping penalty later Oxy found itself on the Gaucho 30 with a first and 10. Two fruitless running plays and an incomplete pass made it fourth and 9 on the Gaucho 29 as the Santa Barbarans tightened their defense. But on that fourth down Ross passed to an Oxy man on the Gaucho 4. The was too long, way over the head of the receiver, but the Oxy man had backed into the defending Gaucho, and interference was ruled on the play. With this break the Bengals took the leather over for another tally, and the Gauchos were on the short end of the score for the first time this season. Melees kick was good. Sanders made the score for Occidental.

The teams battled back and forth the remainder of the half, with neither doing anything spectacular, and the half ended with the southern boys leading, 14 to 10.

Coach Stan Williamson must have put a stick of dynamite in the pants of the boys in the clubhouse, for as the second half began there was a renewed spirit which had died in the first half. Max Diamond took the kickoff on his 15, and stepping high, driving hard, he slashed up to the Gaucho 36 before he was finally hauled down. Cathcart vaulted over the line for 3, Mullaney dug through the center to the 43, Diamond drove to the 45, making it fourth and inches. This time, though, the Tigers held. Oxy's ball, first and 10. Oxy knocked big holes in the Gaucho line, but the backs forgot the ball, and on the fumble the Gauchos took over, first and 10 on their 44. Billinger took the leather to the Oxy 47, then lost one. Sam Cathcart made it first and 10 on the Oxy 43. Miller smashed down the middle to the 35, Buck Billinger went down the alley to a first down on the Oxy 25. Cathcart rammed to the 17, Miller to the 14, and Smashin' Sam took it to the 7. Billinger moved to the 4, then Cathcart swept around right end with beautiful interference and was in the end zone before the Tiger defense could wake up. Miller again booted a perfect placement, and the Gauchos had their second victory this season, 17 to 14.

The remainder of the time was spent silently praying by the fans, and running out the clock by the team. Oxy drove and drove, time and again raising Gaucho hearts into their mouths, but the Boys in Blue and Gold would not be beaten. After a sustained drive to the Gaucho 26, they dug in and held the Bengals to 2 yards in 4 plays, four plays which had been going, and going strong against the hometowners. But that shadow of the Gaucho goal in the background inspired them to dig in. The Tiger end sweeps that had netted them their first two scores were of no avail, and their line plunge gained nothing.

The backs of the Gaucho team were a pounding, slashing, tearing group of men in that game. The line could have stood some improvement, but in general the backs were great. Patton had trouble getting loose, but out in the open he really went. Diamond, Billinger, and Dimas hit the line like sledge hammers, banging and pounding the Tigers into submission. Cathcart ran them ragged, pulling that extra yard time and again when it was needed. Royal didn't see much action, but he too went, especially out in the open where he could use his speed. On the line there wasn't too much action, for when Oxy did have the ball they made long gains. But when the Gauchos finally cinched up their belts and buckled down, Bowdey, Crilley, and Wooldridge made themselves

## Sports Roundup

### LET'S UPSET 'EM!

This coming weekend the Golden Gauchos travel to San Jose to meet the mighty Spartans of SJ State. San Jose thus far is undefeated, and they've got a good team. But we're undefeated too, and we've got a better team! We have got a gang of fellows who can make mincemeat out of any team in the country, given the breaks and the support necessary. Well, maybe not any team, but certainly those in our own conference, if they get some help. And that's where we come in.

Many organizations on campus, as well as many individuals, are getting together groups of Gauchos to journey north Friday to see the game. Why don't you? There is a rumor of a car caravan, but at this writing your reporter has heard nothing specific. But that needn't stop us from getting a gang together and going. It will be a great game, and we can win it. We've got a good team. A mighty good team.

And that team was mighty good last Saturday evening. There was room for improvement in the line play, and we saw it in the second half. Also there were some rusty spots here and there, but last Monday the boys held double workouts, and ironed out most of the bad spots.

One tough break was that injury to Bill Steele. Bill is a good passer, but he may not be back in the lineup this season. Early reports indicate a fractured wrist or arm. Brother Roy, who was carried from the field, is not seriously hurt. He got a bad kink in his left leg, but not much more. He'll be in there recovering fumbles like last week, and catching touchdown passes. And he'll have company. The whole team is in good spirits, and out to give that San Jose bunch a real fight.

So I'll see you up there, Spartan Stadium, San Jose, 8:00 p.m. And remember, UPSET 'EM!

known. Calling the signals, and doing an outstanding job, was Bill French during most of the game.

Ross, Sanders, and Carter, with Tassej helping out, made most of the trouble for the Gauchos. Ross did fine quarterbacking.

Both teams were in agreement that next year will be soon enough for a rematch of this battle.

## SKI CLUB SCHEDULES WEEKEND SNOW TRIP

The Santa Barbara College Ski Club announced plans for a comprehensive program of fall and spring semester events following the first meeting of the organization Wednesday, October 8. Approximately 100 members attended.

The schedule includes movies, dry Ski training and several weekend trips, as well as a trip between semesters and another possible one during Christmas vacation.

Officers elected were: E. V. "Dink" Sheehan, President; Cal Thacker, Vice-President; Rosemary Sheehan, Secretary; and Francis Guess, Treasurer. An executive Committee will be chosen with two representatives to be lected by the new members at the next meeting.

The next meeting will be held on Wednesday October 22 at 7:15 in PH 100.

Last week's results:  
Fresno State 14, Col. Poly 6.  
COP 13, San Diego State 0.

**RESULTS: PIGSKIN PROGNOSTICATIONS**

Last Friday El Gaucho published a list of predictions by members of its staff and picked guest experts. The scoring was three points for correctly predicting a tie, and two points for a win. Here is what happened:

Geo. F. Outland	33	points
Phil Jacks	22	points
Phyllis Pittroff	21	points
Ugo Pezzi	18	points

This includes but 19 of the 20 predictions, as results of the Texas A & M-Louisiana State game had not come in at the time of publication. Pittroff and Pezzi took Texas Aggies, Jacks and Outland LSU.

A naval officer was leaving for the south Pacific with his family. One of his orderlies asked if the weather wouldn't disagree with his wife, to which the officer replied, "It wouldn't dare!"

## 'True Spirit Seen' Says Rally Head

"True Gaucho spirit was seen in the special rooting section at the Occidental football game last Saturday, when students wearing rooters caps and carrying pom-poms combined their efforts in supporting the team," Ed Morris, Rally Committee chairman, stated today.

It is hoped that by the all-important and festive Homecoming game with Cal Poly on November 1st, even more Gauchos will turn out and sit in the special rooting section and show their school colors.

The special section is roped off and is within the all-college section. It is located right on the fifty yard line marker, goes over two sections, and runs up the full 25 rows in front of the reserved section.

The first meeting of the Gaucho Yacht Club will be held on Thursday, October 16, at 7:30 p.m. in PH 100.

## First Basketball Practice Today

This is it! Today is the first day of official practice for the Santa Barbara college basketball team—prematurely rumored to be the greatest in Gaucho history.

Many of last years' stalwarts, including champion scorers Hubler, Shimandle, Morrison, Jones, Neal, De la Torre, Sims, Braly and Dailey, will be on hand at the Men's Gym this afternoon to meet with coach Willie Wilton, and begin preliminary workouts.

It is possible that these men will journey down to the National Guard Armory for a little light drill. Any one interested in the varsity basketball positions is asked to come to the Men's Gym at 4 p.m. today.

There have been inquiries concerning the forthcoming Junior Varsity basketball team. There will definitely be a JV, but practice will not start until later.

### Gaucho Key Scroll Installs Members

At the traditional candle-light ceremony, 14 new members were recently initiated into Key and Scroll, Gaucho national honorary society for Junior women.

Presiding at the function, Gertrude Gally, president of the organization for the past semester, conducted the ceremony which installed the following girls as members: Ardis Adler, Helen Ambroff, Lorraine Artuso, Jeanne Baird, June Davidson, Donna Hill, Rosemary Sheehan, Betty Maher, June Lord, May Nakanishi, Connie Peugh, Donna Thomas, Peggy Wells, and Kathryn Yarwood.

Following the installation of new members, election of officers was held. Officers for the present semester are as follows: Connie Peugh, president; Lorraine Artuso, Kathryn Yarwood, secretary; Ardis Adler, treasurer; and Donna Hill, publicity chairman and historian.

## CASING THE CAMPUS

By Junie and Betty

And a good Wednesday to you all... Everybody gettin' all excited about the San Jose game day after tomorrow? Quite a crowd of Gauchos going up north to root for our fair team, we understand. Maybe Friday will see practically a deserted campus!

Ferris wheel, merry-go-round, dart throwing booths, etc., all came to town last week in a carnival down on the circus grounds. JACK LUTE and MARGIE STORM were seen high a top the loop-o-plane—at least we think it was they—couldn't exactly tell, since they were sort of upside-down!

JUNIOR PREXY'S JUNIOR Proud DICK O'HANNESON, president of the junior class, handed out cigars to all his friends last week. Wife NANCY presented him with a brand new son, FRANK. Best wishes on the new addition, O'Hannesons.

If you see Sigma Delt BETTY PERKINS wearing a happy smile nowadays, could be because she has announced her engagement to DON DYE, and she's wearing a ring on that all important third-finger-left hand. And a lucky man in Ohio, one DICK CRABTREE by name, now calls Phi Beta prexy JUNE LORD his fiancée. They'll be married when JUNE finishes school. Many good wishes to the preceding foursome.

Could be because all the English teachers assigned the show "Henry V," but there were certainly lots of Gauchos seen at ye locale theater raving over the magnificent production. OLGA and brother GEORGE SPANNE, PHIL DOBBS, DANA ANDREWS, JEAN BAIRD, PAUL KLISS, and DAMITA DeBLANC wehe some of the gang seen hither and yon in the theater.

### AMS HOSTS

DALE SCOTT and the AMS Board were hosts Friday night for a dance at the new Cabrillo Pavilion, which overlooks East Beach. DOLORES DAHL and PAUL STEWART, EMMET SKIRVEN and JEN SENARY, BOB ELLIOTT and PAT BENSON, and that steady two-some, PEG WELLS with WALLIE KENNEDY were among the gang attending. MARY JANE PHELPS and STEW McPHERESON kept raving about the beautiful view from the windows and ART WELLS and NAN DERRER quite agreed with them. Kept busy serving cokes all evening were RON THOMPSON and GINNY GOBLES. And two hep-cats seen on the floor were GENE COSTANTINO with LORNA THORNLEY.

Surprise of the dance was the appearance of PHYLLIS BELL with DON MELONE—and what do you know, PHYLLIS was wearing a brand new sparkling ring! They'll be married February 9, or thereabouts, says DON. Many congrats.

Bye for now, see you all in San Jose.

A man pinned underneath his car after an auto accident was being questioned by a policeman.

"Married?"

"No," he said, "this is the worst fix I've ever been in."

**EDITORIAL**

Coke, coke, coke . . . now isn't that a joke . . . so runs one of the verses to "On the Leland Stanford Farm" song. Well, the Graduate Manager's Office has been seeing and hearing of a tremendous amount of this bottled drink during the past week.

An average of more than 23 cases (with 24 bottles per case) have been used per day during the recent warm weather, and this entails a lot of work filling the machines every few hours, according to Bill Russell.

However the thing which makes "now isn't that a joke" sound so ironical is the fact that every day bottles enough to fill FIVE CASES are picked up in the Quad ALONE, since careless students have been too lazy to replace their bottles. Picking these up means extra effort for the already over-worked custodians, a messy looking campus; and the Associated Students, who gain two cents per bottle, lose money.

Is the moral hard to see? Pick up your coke bottles—have empty bottle containers sitting around expressively for that purpose. PICK UP THOSE BOTTLES, JACKSON!

... Junemarie Davidson

Golfer (to players ahead): "Would you mind if I played through? I've just been notified that my wife is seriously ill."

**PRIZE OFFERED FOR ROOF GARDEN NAME**

El Techo? La Esquina del Sol? Ye Wee Sunnee Roofee?

Some such inspired nomenclature will be selected as the official name for the new roof garden in Ebbetts Hall two weeks from today. The name contest, beginning right now and open to all Gauchos will offer to the winner a \$5 meal ticket for the campus cafeteria.

Suggestions should be written on the contest blank printed below, along with name and address, or on a reasonable facsimile, and dropped in the ballot box labeled "Roof Garden Name Contest" in the foyer of the Graduate Manager's office. Students may submit as many entries as they wish.

Contest judges are Graduate Manager Bill Russell, Business Manager J. A. D. Muncy and Associated Students prexy George Graves. Their decision will be announced in the issue of *El Gaucho* immediately following the close of the contest on Wednesday, October 29.

**IE Club Planning Homecoming Float**

First of Santa Barbara College's multi-organized campus groups to file notice of intention to enter a "Homecoming Parade" float, the Industrial Education Club is busily engaged in formulating plans for a prize-winning bid, Bob Davidson, president, announced this week.

New IEC officers include, in addition to Davidson, Will Turney, vice-president; Bob Sayette, secretary-treasurer; and Ralph Fletcher, social committee chairman. DeWeese Stevens will be the new editor of "Eye Ease," the Mesa campus publication of the club. Louie Taylor and Kermit Seefeld are faculty advisors.
