Spend a
day at

State & A Bar and Grill

With the perfect people-watching patio
and potent potables, why leave?

Photos by David Gregory

What a dilemma!

Here's the sitch — your varied bunch of friends all want to do different things, and all of them on the *same* day. Your old high school friend whom you ran into while at the laundromat wants to meet you for lunch. Your favorite professor can finally meet you for a few drinks in the mid-afternoon. A couple of drinkin' buddies want to watch the game over some pitchers. The object of your desire agreed to meet you for a romantic dinner. And your social butterfly friends want you to drink and chat with them until the wee hours.

How will you pack all these dates in a day? It's simple, my friend, when at **State and A!**

That's right, **State and A Bar and Grill** is by far the most versatile eatery in Santa Barbara. Located at the most-traveled intersection on downtown State Street, **State and A's** location is a perfect meeting spot, and their outdoor patio is ideal for people-watching and being seen. Thanks to **State and A**, you'll be able to meet all of your acquaintances in the different settings that each requires, all without leaving the restaurant's threshold.

Since **State and A** opens for lunch at 11 o'clock sharp every morning, you will have plenty of time to catch up with your old high-school chum at one of the eatery's comfortable booths. Reminisce over that one pep rally when your homeroom teacher got arrested while you dine on one of **State and A's** many grilled sandwiches or gourmet burgers. Take your time while you dine — **State and A** is the type of restaurant that encourages lounging and long conversations.

But when the conversation with your former schoolmate is over, you can just bid him farewell and sidle out to the patio, where your academic mentor is waiting in the sunshine. This professor was especially influential because of his funny observations, and where better to observe the local scene than **State and A's** corner patio? The two of you can joke and philosophize for hours with the assistance of **State and A's** tasty potent potables.

State and A has a very full bar stocked with only the most

premium liquor, and your professor knows his drinks well. So when he's had enough for the afternoon and is ready to take a brief sabbatical, you can wish him well and head over to the bar, where your buzzed buddies are already on their third pitcher. Step on up and grab a cup!

The big game is playing on **State and A's** giant-screen TV, and a few smaller games are playing on their other four boob tubes. Somehow, you and your comrades in debauchery are able to keep up with all of them, cheering on every touchdown, goal, and score. This is impressive, considering how many ice-cold pitchers of quality brew the bunch of you down after only a few hours.

But before you know it, you distribute high-fives to your pals, pop a breath mint, and wash up. You're meeting a potential significant other in only a few minutes in the dining room, and you want to look your best. When the two of you sit down at the dimly lit table, the attraction you feel for each other will only be rivaled by the attraction you'll have for **State and A's** delicious entrees, including steak and seafood, gourmet pasta dishes, and salads. A romantic dinner must be complemented by the best cuisine, and **State and A** doesn't fail to please.

As blissful as the evening is, as the two of you sip ambrosia from **State and A's** extensive wine list, you realize you are soon supposed to meet with your swingin' friends on the patio for a moonlit gathering. To keep the mood alive, you invite your new close acquaintance to join your crew, and the idea is agreed to gleefully.

As you and all of your friends lounge on **State and A's** starlit patio, a talented performer plays the sentimental songs that remind you of cherished places that have meant something over the years. And as your beloved snuggles closely, you realize that someday, these same songs will remind you of another cherished place — **State and A**.

State and A Bar and Grill is located at 1201 State St. in downtown Santa Barbara. Call 966-1010 for more information.

A Santa Barbara Tradition

EAT AT JOE'S!

Photos by David Gregory

Modern restaurants are confusing. It seems that every new eatery has another absurd theme, with the decor and the culinary fare following suit like a miniature amusement park. Few and far between are restaurants that still focus on the culinary fare rather than the fanfare.

In Santa Barbara, this trend is especially true. Walking down State Street, you'll find a lot of cafes-of-the-week and other dives that specialize in a "contemporary" flashy atmosphere. There's only one local restaurant that has its ambience down pat after decades of service, and now focuses on a tradition of gourmet dining rather than glitzy wall fixtures.

As you've always heard, eat at Joe's.

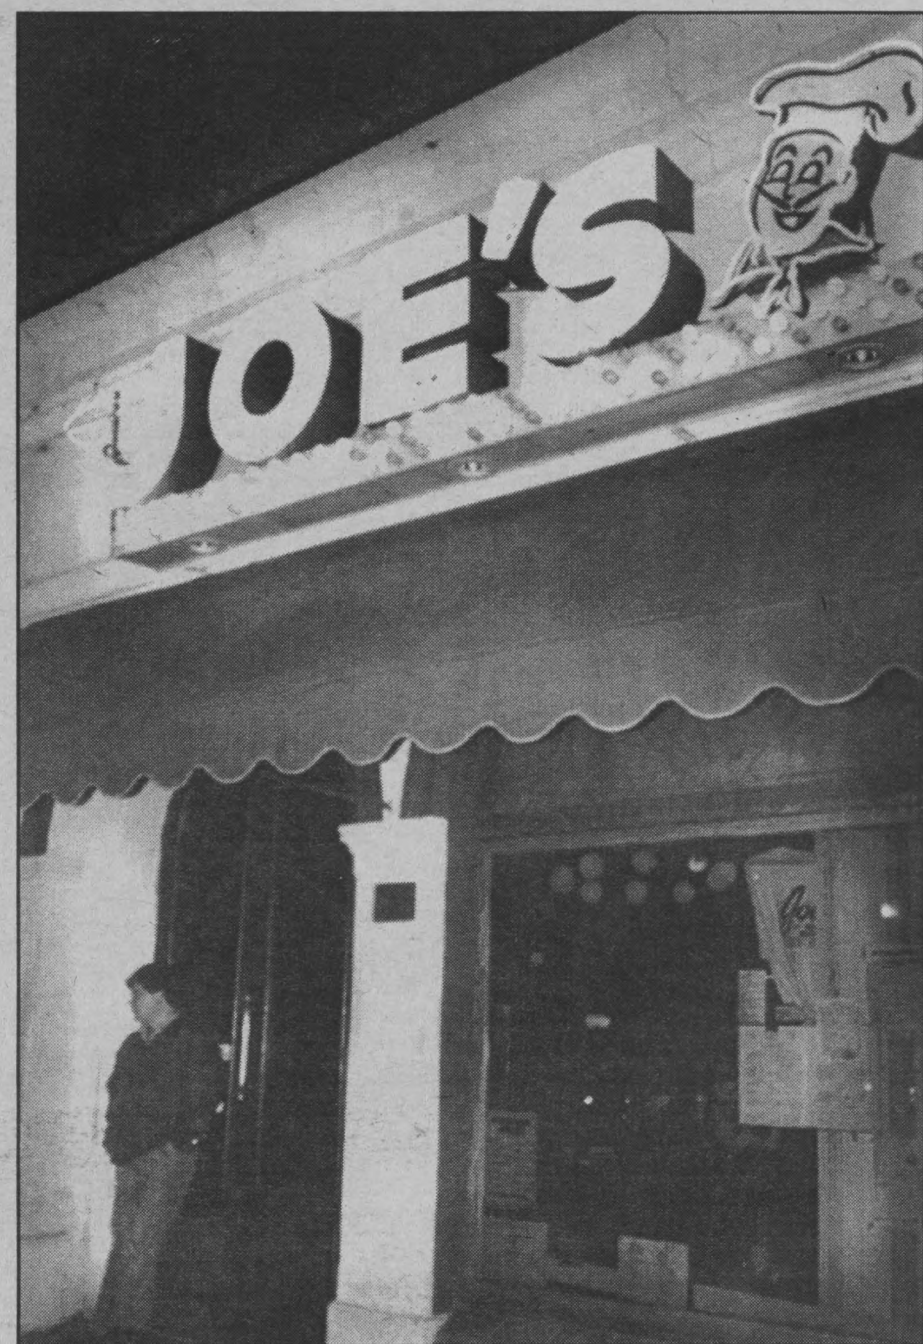

Joe's of Santa Barbara is one of the oldest and most revered restaurants on the California central coast. Walking through the door, one cannot help but notice the unique character of the place — from the checkered tablecloths to the classy wooden bar, the tall-backed booths and the animal-head trophies on the walls, Joe's is a classic diner.

As a restaurant that's seen many eras pass, the people at Joe's know exactly how to make hungry humans happy. Unlike many Santa Barbara bistros, the servers treat their customers with friendship rather than with attitude. Your water glass will stay full throughout the

meal, and your belly will be even fuller after it, considering the gigantic portions Joe's is famous for.

Other eateries often make it hard to get a balanced meal, bringing out a paltry entree and perhaps a piece of parsley when the food arrives. But they're not Joe's. This is one restaurant that will always leave you satiated, serving soup or salad, vegetables, pasta, bread, and potatoes along with every dinner. When Joe's serves a meal, they're assuming you won't be eating anything else until well into the next day.

And why would you want to spoil the succulent natural high that comes from dining on one of Joe's entrees? Joe's has a lot of everything, and it's all top-notch — steaks,

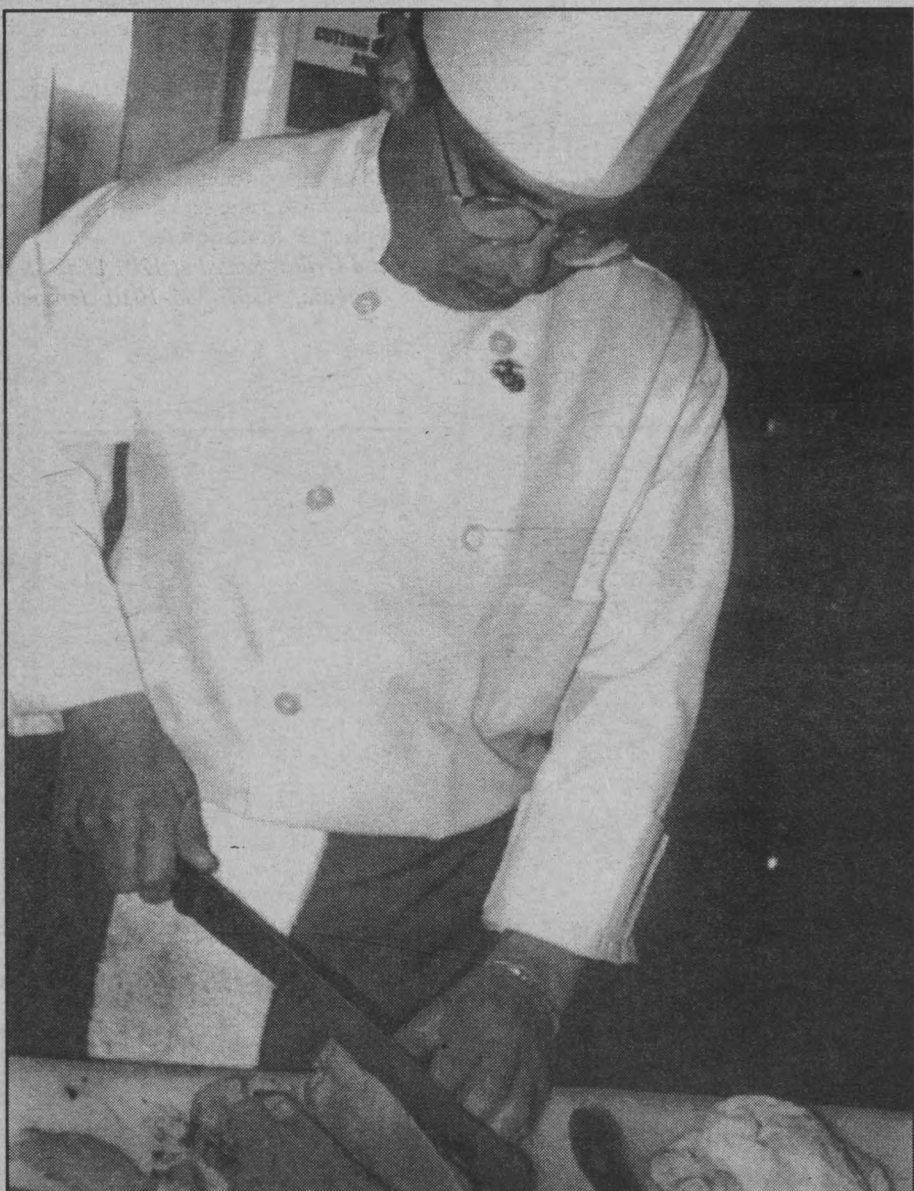

lobster, pasta, lamb, chicken, swordfish, burritos, sandwiches, pot roast, red snapper, calamari, prime rib, burgers, massive salads and plenty of specials. You may need more than a few minutes just to peruse the menu!

But that time could be well spent by sipping a con-

coction from Joe's bar. There's a reason why Joe's is known for the strongest drinks in Santa Barbara, and one sip of any drink from the friendly bartenders will assure you that they intend to uphold their reputation. Stop in for lunch, dinner, or just a few drinks when reveling downtown!

There are lots of places to go if you're looking for food and drinks, but if you seek a meal and beverages, Joe's is the only one. Come be a part of Santa Barbara history: Eat at Joe's!

Joe's is located at 536 State St. in downtown Santa Barbara. Call 966-4638 for more information.
