## Chairs Vacated

# Spring Elections For AS Posts Slated, Qualifying Test Feb.

by Mary-Selden McKee  
Resignations of four Associated Students officers necessitate a student body election to fill the offices.

Karen Walker, women's representative-at-large, and Dave Grubbs, fraternity representative, resigned due to their respective marriages.

Former sorority representative Cris Gill quit because of a conflict in classes. Duffy Redlick could no longer serve as women's RHA representative because of grades.

Students interested in the offices should attend the election committee meeting on Thursday, Feb. 7, from 3 to 4 p.m. in the Quiet Lounge of the S.U.

Those wishing to sign up to run in the elections may do so

any time this week in the AS office. The deadline is Friday at 5 p.m.

Prospective candidates are required to take a Constitution test Wednesday, Feb. 13. The exam, which will judge the student's knowledge of the UCSB Constitution, will be given in the S.U. Conference Room.

Elections are scheduled for Feb. 18 and 19 in Storke Plaza from 9 a.m. to 4 p.m.

AS officers serve as voting members on the Legislative Council. The Council also includes approximately 35 non-voting members who are the heads of various committees and boards on campus.

The AS officers are the president, vice-president, sorority representative, fraternity

representative, two women's RHA representatives, two men's RHA representatives, women's representatives - at-large men's representatives-at-large, and one men's and one women's non-affiliated representatives.

To be eligible to hold an elective office in any activity on the UCSB campus a student must be a registered undergraduate in the university for the term of the office. He must have carried a minimum load of 12 units with a C or better grade average the semester preceding his taking office. If the person is a student teacher the minimum unit requirement is eight.

The officer must maintain a C or higher average while holding the office.

## Tiffany Dances This Friday

A premiere performance of new dances by Mary Tiffany, assistant professor of physical education for women, will be presented free to the public Friday at 8:30 p.m. in Campbell Hall.

Dances on the program were choreographed by Miss Tiffany on her recent six-months sabbatical leave.

## Used Book Sale

Spurs are selling used books for students every day this week from 9 a.m. to 4 p.m. in the SU Conference Room.

Books will be sold at the students' prices plus a service charge of 25 cents for every book over a \$1.00 and 10 cents for books under \$1.00.

According to Candy Harrington, chairman of the book sale, there is a wide selection of over 1500 books including paperbacks and flash cards.

Money for sold books may be picked up Friday afternoon in the conference room on display of receipt.

## Spanish Poet To Speak Today

Spanish scholar Dr. Joaquin Gonzales-Muela will speak on Spanish contemporary poets at the annual Hispanic Civilization lecture at 4 p.m. in the South Hall lecture room.

Entitled "Men of Our Time: Spanish Contemporary Poets," will be given in English. Admission is free to the public.

Dr. Gonzales-Muela has worked in linguistics, philology, medieval literature and contem-

porary Spanish poetry and has published three books and numerous articles and reviews.

Born and educated in Spain, Muela received his graduate degrees at the University of Madrid. He is presently a professor of Spanish literature at Western Reserve University, Ohio.

Dr. Gonzales-Muela has held teaching posts at American and European Universities. He lectured for seven years at the Universities of Durham and Man-

## Cellost Starker Featured Tomorrow At Granada

Cellist Janos Starker will be featured tomorrow in a performance of the Dvorak Cello Concerto at 8:30 p.m. in the Granada Theatre, Santa Barbara.

Tickets for students are \$1.25, a savings on the regular single ticket price range of \$2 to \$3.50. The box office number is 2-1416.

JANOS STARKER

Included in the orchestral portion of the program will be "Symphony No. 2" by Franz Schubert and "A Children's Symphony" by Los Angeles composer Eugene Zador.

Both Starker and the local symphony orchestra's director, UCSB's Dr. Erno Daniel, are natives of Budapest and graduates of the Royal Academy of Music. When Starker graduated Dr. Daniel was a member of the piano faculty.

After graduation Starker was engaged as solo cellist in the Budapest Philharmonic Orchestra.

Starker later performed with the Chicago Symphony Orchestra under Fritz Reiner. His performance of the "Prokofiev Cello Concerto" was described as "a performance of extraordinary beauty, of virtuosity, elegance and a moving reticence of style."

London's Gramophone Magazine, which recently reviewed his performance of the "Dvorak Cello Concerto," said "with the appearance of the fabulous Mr. Starker, Casal's recorded performances, historic as they are, are put in the shade."

## Service Resumes

The student bus service will resume its schedule between Isla Vista and campus tomorrow.

The bus will stop at Villa, Nebi's, and Westgate at 7:40 a.m. 8:40 a.m. and 12:40 p.m. Return trips will leave from the Student Union at noon and 10 p.m.

## Risuena Donates

Risuena Hall in Santa Cruz has contributed \$10.00 to the Associated Students fund for Camp Conestoga. Almost \$1700.00 still remains to be raised in order to reach the goal of \$2000.00 for this year.

Any group wishing to know more about possible projects and needs may contact Gail Grigsby, Charities Committee Chairman, at 79000 or 79001 or through the AS office.

## French Troupe To Visit Wed.

Tickets for the Le Treteau de Paris presentation of two one-act plays next Wednesday are now on sale at the Campbell Hall box office.

Price tags are \$1 for students, faculty and university staff members, and \$2 for the general public.

The two plays, to be presented in French at 8:30 p.m. in Campbell Hall, are "Orphee" and "L'Apollon de Bellac."

The performance is part of a coast-to-coast college and university tour under the auspices of French Ambassador and Mrs. Herve Alphan.

## Second Deadline Met By La Cumbre

La Cumbre, the UCSB annual, met its second major deadline this week, according to editor Diane Pavoni.

Turned over to the printer were living group pictures and copy and some additional activities which occurred since the last deadline in early December.

"There was some difficulty in completing all work the staff hoped to have ready for this deadline due to photographic

problems," said La Cumbre advisor Jim Gregg.

"However," he continued, "they are basically in very good shape as far as production goes. They will have no problem in meeting their final deadline the second week in March."

The book is due to come out the last week in May.

Two new sports editors are needed according to Diane Pavoni. Applicants should contact her through the La Cumbre office.

## Campus Police Handle 924 Cases In January

More than 900 incidents during January gave the campus police department's nine-man staff one of their busier months.

The police department's thick case log shows 924 reports for last month. Included were nine petty thefts, most of them from cars left unlocked in campus parking lots.

The bike recovery figure remained fairly constant with 59 found, one less than December's

number.

Capt. W. A. Lowe said those students whose bikes have been recovered have been notified. However, 70 bikes, without identification or decals, remain unclaimed in the old laundry building. Capt. Lowe commented that decals might have been removed from stolen bikes.

The police department office in Bldg. 427 is open daily from 8 a.m. to 5 p.m.

CHANGES IN REGULATIONS are the result of a conference on bicycles between Assistant Business Manager Robert L. Carr and Willis Lowe, chief of campus police.

Bikes will be allowed in the restricted areas from 3:00 p.m. and 7:30 a.m. At all other times bike riding will be restricted except for Saturdays, Sundays, and Holidays.

## Spring Retreat

Legislative Council members decided at the recent Spring Retreat that the major efforts of this semester's Council will be to foster more school spirit and campus unity. Assessment of the Standards Committee will also be undertaken.

Linda Moore, chairman of the Standards Committee, has planned to hold an open forum on whether double jeopardy is involved in the Committee's work.

The retreat was held to bring Council members into closer harmony and friendship.

## The President's Desk

... by Joe Sorrentino

## Semester Report Continued

In the first part of my report I described the innovations of Legislative Council last semester. I would like to now give recognition to those who continued the spectrum of traditions

which add to the social and cultural enrichment of UCSB students.

Special Events Co-Chairmen Henry Genthe and Mary Leinster, with a big assist from Jack Holgate and Diane Sheer, did a tremendous job in organizing Homecoming. Terry Philips, Special Events Director of GGR, made fine use of student talent in putting on an outstanding show. The Student Union Committee with the drive of Chairman Mike Makieve branched into new areas of activity. The October art exhibit in the Huddle was an innovation of Mike's committee.

Chairman Don Kolman and his Assembly Committee presented an impressive series of concerts, the most popular being the Carlos Montoya performance. Mainly through the efforts of chairman Jan Osborn we have another fine student directory this year. Linda Moore, chairman of Standards Committee, and Laurel Zemetra, chairman of ACB, ably handled their important responsibilities. Chairman Jay Miller gave new "vigor" to his Social Committee, which put on a number of good functions.

Andy Garb, chairman of Speech Control Board, helped to plan the outstanding forensics program of the Speech Department and Tim Chapman, chairman of Rec. Control Board, contributed in the planning of the Men's Intramural Program. Rally Committee chairman, Rod Sagganach, demonstrated tireless effort in trying to spark school spirit. Another tireless worker was Gail Grisby, chairman of Charities Committee. Tom Ivers, Finance Committee

chairman and Jim McDonald, at the helm of Personnel Board, both discharged AS business with efficiency and responsibility.

Elizabeth Cleeves, Chairman of Awards Committee, gave imaginative effort to her committee, creating 32 new awards for scholarship. Jan Farneman, chairman of Music Control Board, worked closely with the Music Department to develop an excellent program for the Glee Clubs and Brass Choir. Curt Cheney, chairman of Constitution and By-Laws Committee, after a belated start got his committee to make some needed revisions.

Connie Poynter, chairman of the Library Committee, remedied a number of student grievances.

On behalf of the student body I would like to thank these chairmen for their hard efforts and a job well done. I would also like to thank the many students who served on committees, who were willing to make a sacrifice of their time for their school. Too often what is traditional is taken for granted.

## Aquade To Form

An organizational meeting for the 1963 Aquacade will be held tomorrow at 4 p.m. in Robertson Gym, room 1410.

Students who are interested in either swimming or helping backstage in the annual water show should attend.

The show is presented by the Women's Physical Education Department in conjunction with the Associated Students.

## Campus Student Interviews

This month's on campus interviews for seniors and graduate students interested in positions with government and industry begin Tuesday. Appointments are necessary. Students should contact Mrs. Betty Koral, Bldg. 406.

Feb. 12 - Army Special Services - Overseas positions are available for men and women as Recreation Specialists with the Army Civilian Division in Germany, Italy and France. Applicants must be 21 years or over.

Feb. 13 - Federal Career Day - The second annual UCSB "Federal Career Day" program will be held on the lawn area between the library and the placement office from 9:00 a.m. through 4:00 p.m. for all men and women interested in knowing about various career opportunities with the government. They will cover the following areas: Management and Administration; Law Enforcement; Budget, Finance and Economics; Social Sciences; Biological Sciences; Physical Sciences and Engineering; Careers for Women; Overseas Careers; and General Career Information.

The primary means of entry into government service for non technical graduates is the Federal Service Entrance Examination. Applications and brochures are available in the Placement Office. US citizenship is required. Dates for the FSEE are as follows:

File by....	Exam date....
Feb. 28 .....	March 16
April 4 .....	April 29
April 25 .....	May 11

Feb. 13, The Internal Revenue Service will interview men and women for positions as Tax Technician or Revenue Officer. Interested in liberal arts majors with BA or MA, particularly those with 24 or more semester hours in business related subjects such as accounting, business economics, business administration, finance and law.

# 40 Slots Now Available For Fall 1963 Foreign Study Aspirants

New openings for students from UCSB in the University Abroad Program at Bordeaux, France; Goettingen, Germany; and Padua, Italy, were announced recently by the Education Abroad Office.

UCSB's quota for next year is a total of 40 students. Bordeaux will accept 20, and Goettingen ten. Those wishing to go to the University of Padua will be included in the group from UCLA.

Requirements for application are a "B" GPA and four semesters of the language of the country with a "B" average. Deadline to apply for the program is March 4. The Education Abroad Office is located in SH 2108.

The Regents' action to increase the enrollment came from reaction to reports by President Clark Kerr. He said that the Bordeaux program, inaugurated last fall with 80 students was "highly successful." There was satisfying evidence that the exposure of University students to French students had achieved The Regents' academic and cultural expectations.

The program will include 100 students at Bordeaux, 80 at Goettingen, and 40 students at Padua.

According to President Kerr, the Regents' action to strengthen interest expressed by Governor Brown in a student exchange program, and from the University's long tradition of interest and activity in the field of international education.

UCSB has been designated as the major agency of the University to develop, guide and coordinate the study-abroad program.

Kerr said The Regents recognized that the centers should strengthen a student's general education, his understanding of the modern world, and provide language training useful in teaching or later graduate work.

He reported that the University of Goettingen, which has enjoyed an international reputation among scholars for 225

years, has many of the features desirable in an overseas center. Location in a university town, dominated by its 9,000 students and faculty; genuine interest among the faculty in a joint program, student housing, language

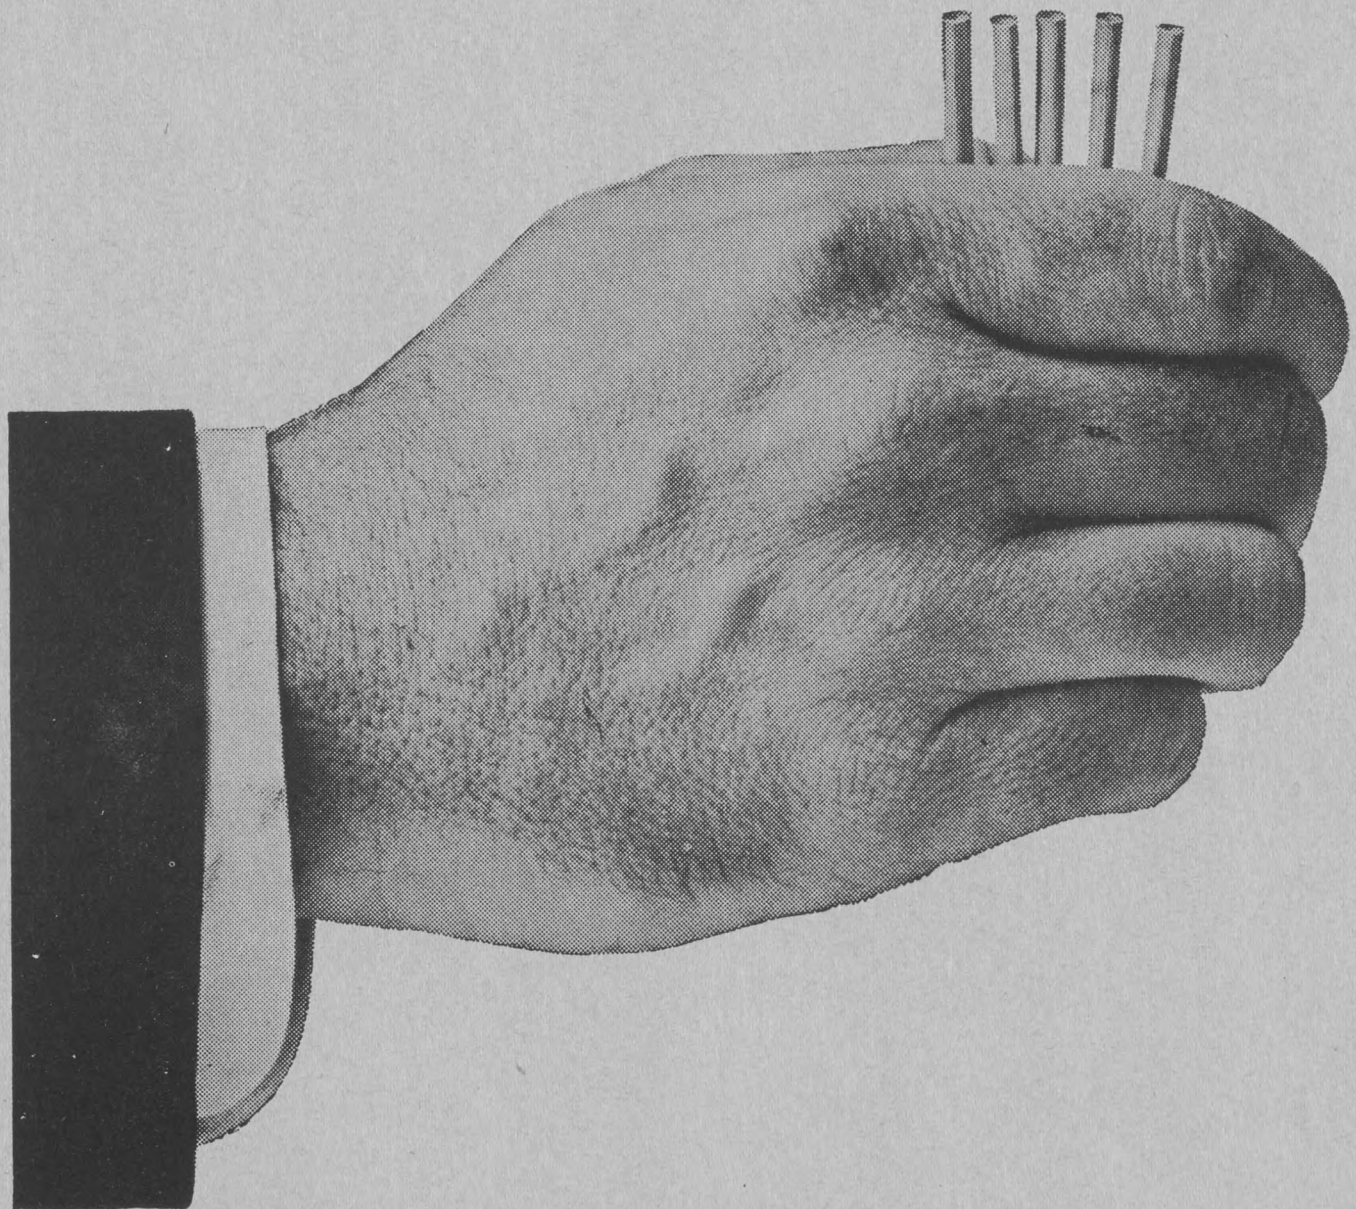

coupled with a tutorial program, and office space are chief attributes.

The University of Padua also provides favorable prospects, according to Kerr. The program there includes intensive language

training and a tutorial system. Padua is an old and distinguished University, dating from the 13th century. It is located in a community widely recognized as one of the cultural centers of Europe.

In the interest of not eliminating qualified students of limited financial means, the limits of a cost comparable to that of a student attending one of the campuses in California will be maintained.

## How not to come out on the short end

When it comes to picking a job, like drawing straws they may all appear equal. But on closer inspection some can fall short of the mark. Give yourself the best odds on opportunity by making your decision in depth—investigate and compare. Pacific Telephone offers excellent opportunities for technical, engineering, business, and liberal arts majors. Some important advantages are: immediate responsibility, rapid advancement, and an atmosphere you can grow in. Another thing about odds: they're just 1 in 7 you'll qualify for a top career with Pacific Telephone. We don't want to come out on the short end either. Register with your placement office now!

## Pool to Open; New Hours Set

New hours when the campus pool and Robertson Gym will be open to students, faculty and staff were announced today by C. M. Girtch, recreation supervisor.

The pool will be open from noon to 4 p.m. and the gym from 1 p.m. to 5 p.m. Saturdays and Sundays. Life guards and gym supervisors will be on duty at this time.

Exceptions to these hours will be afternoons of basketball games and days when the pool is to be used for scheduled swim meets or activities.

Further information can be obtained from the recreation supervisor's office in Bldg. 402.

## No Fire, No Sleep

That fire alarm which woke you from a restful sleep late Sunday night was a false alarm.

The campus horn was triggered when a Santa Cruz Residence Hall girl accidentally bumped an alarm box.

# Gauchos Face 2 Crucial Games

Two long time rivals, Cal Poly of San Luis Obispo and Fresno State College, invade Robertson Gym this weekend in a crucial series for the title hopes of the Gauchos.

Presently the locals share the league lead with San Diego State, with both teams having compiled a 5-1 mark. Fresno is in the number three spot with a 4-2 record and is looking stronger at each outing.

Friday night Cal Poly's Mustangs will test the Gaucho's strength with the presence of All-CCAA guard Bob Horwath who is averaging 22 points per game in CCAA competition. UC-SB holds a previous win over the northerners in the first round of loop play on the strength of a come back 76-62 decision last Jan. 4.

Saturday's meeting with Fresno is a "must" game for both teams -- the Gauchos must

win if they hope to maintain the league lead, and the Bulldogs must win if they want to retain a chance for the conference title.

The Gauchos defeated the Fresnoans in their previous meeting, 53-48. However, that victory came when Fresno was without the services of 6-9 center

Ron Neff who was out with a hand injury.

Neff was averaging 10 points per game before being sidelined and his return to the Fresno lineup could make a big difference in the two team's second encounter. Fresno has also taken three consecutive conference decisions since Jan. 12.

SENIOR FORWARD Gary Davis, the Gaucho's leading scorer, adds two counters in the Gaucho's victory over Alaska. Looking on are Alaska's Bob Stanton (14), Jon Springer (13), and Leo Kourmetis (4). --Jim Mattinson photo

## Block Meeting

Block "C" will hold its first meeting of the new semester tonight at 7:30 p.m. in Room 1125, Robertson Gym. Meetings are held the first and third Wednesdays of each month. For further information contact Gary Erickson, 6-9917.

## Sports

## Calendar

Thursday, February 7  
Wrestling vs. Cal Poly (Pom) 3 p.m. (OG)  
Friday, February 8

Wrestling, vs. San Diego State, 3 p.m. (OG)  
Tennis (JV) vs. Cabrillo JC, 10 a.m.

## Frosh Takes Eleventh

Jon Crawford, Steve Janson, and John Holmes combined for a 24 point second half to post a come from behind 65-54 frosh victory over Westmont's Junior Varsity Saturday night.

Failing to score a field goal in the first ten minutes of play, the Frosh were down 29-20 at halftime. At one point the visitors held a 17 point bulge, 21-4.

But the second stanza was another story, with the Yearlings breaking loose for a 45 point scoring spree in which Crawford, Holmes, and Janson contributed over half the tallies. Crawford was high scorer for the locals with 13, followed by Janson and Holmes with 10 each.

Leading the visitors and high scorer for the night was Westmont's Marv French who had 17 counters, 11 of them in the first half.

Below are the freshman basketball statistics for eleven games. The Frosh club currently has an 11-2 record, one of the best for a Yearling five in the state.

Name	G	R	P	A
Peterson, John	13	117	208	16.0
Kolberg, Dick	13	146	180	13.8

## Wear White For Rooting Section

Rally Club has announced that only rooters wearing white will be allowed into the lower section of the stands for basketball games.

Starting with this weekend's games with Cal Poly and Fresno,

any fan who is not wearing white will have to sit in the upstairs section of the gym. Rally Club emphasized that no exceptions will be made, and advised that fans arrive early to get the better seats for these important games.
