

1997 UCSB DISCOVERY DAYS CALENDAR OF EVENTS

Welcome to UC Santa Barbara! Discovery Days 1997, Sunday, September 21-Sunday, September 28, offers a chance for all new students to explore the campus and the community surrounding UCSB. Many departments and student groups hold special events during this week to ease your transition to college, introduce you to valuable campus services, help you meet other students with similar interests and concerns, and entertain you. Check out the inside of this *Discovery Days Calendar* for a schedule of events. We encourage you to take advantage of the many opportunities available to you throughout the week. **Be sure to bring this calendar with you in the fall!**

Once you've arrived, don't forget to pick up your free copy of the 1997-98 *Kiosk*, UCSB's official student handbook. Copies are available throughout Discovery Days in all of the residence hall lobbies and at the Big Tan Info Van. The *Kiosk* is your complete guide to campus and community services, resources, and activities.

Once again, welcome and good luck exploring during your first week at UCSB!

HEY RES HALL RESIDENTS

In addition to the Discovery Days events listed in this calendar, your residence hall has planned special welcome events, too. On-campus residents, keep your eyes peeled for the Week of Welcome (WOW) Calendar; Fontainebleu, FT and Trop residents, look for fliers and posters around your hall.
