

## Inaugural Program Nears For KCSB

Call letters have been allocated to the soon to be in operation campus radio station, The Intercollegiate Broadcasting system, Washington D. C., announced recently that the UCSB Associated Students' station's call letters will be KCSB.

KCSB is expected to begin operation between Thanksgiving and the first week in December, depending upon lines released by the telephone company.

The station will broadcast over carrier current, Anacapa residence hall will be serviced

### Montoya Here November 29

Carlos Montoya, classical and flamenco guitarist, will appear in concert in Campbell Hall at 8:30 p.m. Thursday, Nov. 29, in a program sponsored jointly by the University's Arts and Lectures Committee and the Associated Students' Assembly Committee.

Montoya's records and coast-to-coast appearances have made the guitarist a national celebrity and are largely responsible for the increasing interest in Flamenco throughout the country.

## Bio Club Sponsoring Boat Trip To Islands

The Biological Sciences Club is sponsoring a trip to the islands. Participants will meet at the loading dock of the Biological Sciences Building at 5 a.m. on Dec. 8 for the boat trip to Anacapa Island. It will cost \$6 per person plus \$1 extra for divers.

The deadline for signing up is Wed., Nov. 14, at 4 p.m. Only 40 people can go and members will have preference.

Other coming events include a lecture and slides presented by Gale Spohn, conchologist with the Santa Barbara Natural History Museum. The topic will be the flora and fauna of Mexico with emphasis on marine life. The meeting will take place in P.S. 1100 on Nov. 14 at 7 p.m. All interested students are invited.

The Biological Sciences Club will show the movie "Baboon Behavior" in P.S. 1100 on Nov. 15 at noon during a bring-your-lunch type meeting.

A field trip to the Beaudette Research Foundation in Santa Ynez will take place on Sat. Nov. 17. Meet at the loading dock of the Biological Sciences Building at 8:15 a.m. You must sign up by Nov. 14 at 4 p.m.

Dr. Barnard will give a brief introduction concerning the research being carried on by the Beaudette staff. The Foundation conducts research in the behavior and physiology of marine organisms, ecology, algology, etc. Dr. Barnard will also conduct a tour of the research facilities. They will stop near Solvang for a picnic lunch.

## Moir Will Lecture Today On Baroque's Classicism

"Classicism in Baroque Art" will be the topic when Dr. Alfred Moir, art historian and visiting associate professor of art at UCSB, speaks at 4 p.m. today in Campbell Hall.

Using slides to illustrate his subject, Dr. Moir will discuss sculpture and architecture of the Baroque period, as well as painting.

Dr. Moir, associate professor of art history at Tulane University, is on a leave of absence. He was formerly a Fulbright Scholar and E. R. Bacon Art Scholar in Italy. Dr. Moir has also lectured for the Council for American Studies in Rome.

first, and then Santa Cruz and Santa Rosa.

Faculty advisor to the station is Dr. Sanders, but the station will be completely student operated. The organization of the station includes a board of directors and a constitution.

Programming will include popular, classical, and jazz music, local sports activities, and all special events that are obtainable.

The station, besides keeping UCSB students informed about events in the surrounding areas, the nation, and the world, is expected to provide a means of unifying the campus.

### ROTC Grads Score High

The office of Chancellor Vernon L. Cheadle has received notification from the United States Army that 48.1 per cent of 1961 UCSB ROTC graduates who attended Army Service schools graduated in the upper one-third of their class. None of the ROTC graduates failed to complete the course.

Other western state schools average 45 per cent in the upper one-third.

### Good News

#### Chariot's Comin'

Shades of Ben Hur. A chariot, pulled by Delta Sigma Phi fraternity at Cal Poly, San Luis Obispo, and captained by a Cal Poly coed is slated to provide half time entertainment for the Cal Poly-Gaucho game next Friday evening. IT WILL BE PULLED ALL THE WAY FROM SAN LUIS.

At 3 a.m. the chariot will begin wending its way down Highway 101 in order to reach Goleta late Friday afternoon. Approximately 80 students will relieve each other for the journey down the coast. Two trucks will be used to pick up runners and station fresh teams along the highway.

#### Panhellenic Presents Charity Fashion Show

Panhellenic will present a fashion show in Campbell Hall, Sunday November 18 at 2 p.m. The show will be sponsored by Joseph Magnins of Ventura. proceeds will go to Camp Cone-stoga.

Tickets are 25¢ and may be purchased from any sorority girl.

CHANCELLOR VERNON CHEADLE presents (from l-r) Susan Stayer, Joanne Buchanan and Mervin Lane with plaques honoring them for their academic leadership last year.

## Five Achieve Academic Honors

By David Dawdy

Top academic honors for the past year were recently presented to five undergraduates by Chancellor Cheadle.

Joanne R. Buchanan and Mervin L. Lane tied for highest grades in the junior class. Miss Buchanan is a history major and attained straight A grades during her sophomore year. She has been on the Dean's List during all of her semesters. She has been an officer of her residence hall and has been elected to membership in Spurs,

Chimes, and Crown and Scepter, class honoraries. Lane, also a straight A student during his junior year, is an English major and an EPIC scholar. He formerly attended the University of Lieden in Holland, is married, and lives in Santa Barbara.

The sophomore leading her class academically last year was Susan Stayer, a mathematics major who narrowly missed straight A's. Miss Stayer is an EPIC scholar (Experimental Program, Instructors for Colleges) has made the Dean's List every semester, and holds state and university scholarships. She has served as a member of the elections committee, as well as the University Center Policy committee.

Tying for freshman honors were Paula J. Durbin and Gary E. Geisler. Both maintained 3.8 grade point averages for the year. They made the Dean's list both semesters and received 4.0's last spring.

Paganini String Quartet will hold an open rehearsal at noon, tomorrow in Campbell Hall. The rehearsal is free to students and faculty.

The Quartet will play the Brahms Quintet accompanied by Dr. Wendell Nelson at the piano.

This is the Quartet's third season as Residence at UCSB and all the members of the Quartet are serving as faculty members of the Music Department.

### Students Study Under Grant

Four UCSB students will be studying the nature and mechanisms of polymerization reactions under the auspice of a \$48,280 grant awarded to Doctor's Glen H. Miller and Glyn O. Pritchard, both of the UCSB chemistry department, by the Petroleum Research Fund of the American Chemical Society.

major, involved in the project are under-graduates, Robert R. Ellason, Michael Perona, Barbara West, and graduate Ernest Chock.

Ron Sacconaghi, Rally Committee chairman, emphasizes the fact that a yell leader is desperately needed for basketball season.

### SPA Offers Homecoming Photos Now

Color pictures of the Homecoming Parade and black and white pictures of the Parade and GGR are now available through the Student Photography Agency.

Pictures can be ordered from Steve Mieth or Jim Mattinson at the SPA office behind El Gaucho.

Chimes, and Crown and Scepter, class honoraries.

## Socialized Medicine Will Be Discussed

Socialized medicine is the topic of a lecture to be delivered in Campbell Hall tomorrow night at 8:00 p.m. Dr. D. Stark Murray, a Fellow of the British Royal Society of Medicine, will discuss "Medical Service: Government Programs and Private Enterprise."

Dr. Murray is President of the Socialist Medical Association and has been editor for 21 Years of "Medicine Today and Tomorrow," a journal concerned solely with medico-political and social problems.

The Fabian society member is a Scot, educated at Glasgow High School and Glasgow University. He has worked in London for 30 years and has been in close touch with developments in the health service during that period.

Dr. Murray is also an author of many books including "Health for All" and "The Future of Medicine." He was a Labour party candidate in the 1945 general election. He is currently President of the Surrey Branch of the British Medical Association.

## Apt. Hunters Should Check Housing Office

Students interested in living off-campus next spring may pick up a new list of apartments and duplexes in the Housing Office, building 402, weekdays 8 to 5.

Furnished one and two bedroom units are available for women students, men students, and married couples. If under 21 years old, sophomore, junior, and senior women may live in apartments with parents permission.

Arrangements should be made NOW with managers. Many apartments are already rented for spring. There are several Isla Vista units under construction which will be ready for occupancy in spring.

### Scholarship Committee Reception and Concert

The Committee on Undergraduate Honors and Scholarship is mailing invitation to 243 students of the University of California, Santa Barbara. The invitations are for a reception and concert being given November 28, honoring the recipients of Honors at Entrance and Scholarship Awards made by UCSB.

The reception will be held in the Art Gallery from 7 to 8 p.m., followed by the concert presented by the UCSB Symphony Orchestra in Campbell Hall at 8:30. Of those students receiving invitations, 92 are Honors at Entrance recipients; 166 students received scholarships awarded by the Committee on Undergraduate Honor and Scholarship; and 16 students received the Regents Scholarship.

Sponsored by IRC, Andron will define IWA organization and its purposes, briefly touching upon topics to be discussed when the group holds its 2-day convention here in Santa Barbara next weekend.

Members and interested students are urged to attend this lecture in the formation of a new and different organization.

### Proposed Bus Service

Because they are without any means of transportation many students must walk long distances each morning from the Isla Vista area to campus. After having walked back to Isla Vista in the afternoon many of these same students again make the long trek to campus in the evening to study at the library.

The recent night attacks made on girls returning unescorted from the library makes this problem more urgent.

For the past few weeks I have been trying to find a feasible remedy, and have satisfied myself that there is one.

What I am going to propose to the Legislative Council and Administration this week is that the Associated Students operate a bus service to and from the Isla Vista area and campus.

The University does have a bus available that we could use for this purpose. To pay for the salary of the driver (which

would be a part-time job for a student) and for gas and maintenance a nickel would be charged for a round trip ticket. If costs exceed the income from the fare, which I don't anticipate, the Associated Students could appropriate the difference for this needed service.

Hopefully, if there are no legal snags and the Administration makes the University bus available to us, in the next edition we will announce the times of departure and pick-up points of the new Associated Students Bus Service.

## Smith Lecture This Thursday

"The Miracle of Language" will be the subject of the readings given by Joseph F. Smith, lecturer and interpretive reader, this Thursday at 4 p.m. in Campbell Hall.

The distinguished phonetician has chosen a group of poems, essays and selections from the members of the administration, the faculty, and the non-academic staff whose contributions materially aided the successful effort to inform the electorate of the significance of Proposition 1A to higher education in California.

We wish to take the occasion to thank also the President and the members of Blue Key and the other students whose interest and concern led them to participate in the door-to-door informational campaign in Santa Barbara.

## LISTENING POST

### Thanks - Prop. 1A

Dear Editor: On behalf of the Citizens' Committee for Proposition 1A, we would like gratefully to acknowledge the generosity of the members of the administration, the faculty, and the non-academic staff whose contributions materially aided the successful effort to inform the electorate of the significance of Proposition 1A to higher education in California.

George Hand

### Smoke Signals

Dear Editor, The Legislative Council has let us down. They are the ones who gave the cigarette company permission to turn our S. U. courtyard into an advertising pavilion. The Council has strengthened and perhaps even extended an unfortunate tradition. Cigarette companies have for years exploited the college environment.

They see it as an excellent opportunity to promote their brands and even to encourage the unfortunate habit of smoking.

It is not on the grounds of the significant medical damage cigarettes cause that I object to the free distribution and the

publicity gimmicks promoted by the tobacco companies.

I object because the tobacco companies are disgracing the university by using it as a vehicle to so blatantly promote their product. It was Legislative Council that gave them permission to so misuse our

There are some who say the cigarette companies are actually ineffectual, that a college student can easily ignore them. If this is so, why have these companies persisted with these practices through the years? Their advertising experts seem to feel that these practices do work--why else persist with them?

Cigarette companies contribute heavily to our school paper through advertising, and give students prizes in the course of promotional contests. It is argued then that since some of the practices of these companies are advantageous to us we should reciprocate and allow the companies to have their way with our school's facilities. Is it worth it? Now that we have allowed these companies to move in on us further, we have no reason not to expect more and more flagrant misuse of the university in the future.

Now that Legislative Council has seen the result of its actions, I hope that it will revoke the privileges it has granted to these companies and never again allow them to engineer a similar promotion on this campus.

Sincerely,  
Thomas Fuchs

ED. NOTE--Followers of Mr. Fuchs should note carefully the Viceroy ad at the bottom of this column.

### Humorous?

Dear Sir: The editor of El Gaucho writes, "we are not a bulletin board." This may or may not be, but it is reasonably clear what else El Gaucho is.

In the October 16 issue, one-half of the total space consists of advertisements. Fifteen per cent of the entire issue is used to advertise a habit-forming commodity known to induce lung cancer. I can't decide whether putting the University motto, "Let There be Light," on the masthead indicates a sense of humor or of cynicism.

## Campus Groups Need Members

Two campus committees are accepting new members due to the growing affairs of the respective groups. Both the Affiliates Committee and the Student Union Policy Committee are expanding.

Students interested in the Affiliates Committee should sign up in the AS office this week. If there are any questions, call Mary McCoy, 7-0148, 7-0149. Deadline is November 24. Those interested in SU Policy should contact Mike McKeeves through his box in the AS office.

The Associated Students office is located next to the El Gaucha office across from the SU.

## After-Game Dance Friday, November 16

The Sophomore Class will have a dance at the Naval Reserve Building across from La Playa Field, Friday, November 16, after the game with Cal Poly. Students with sophomore class cards will be admitted free. Tickets for 50¢ for other students can be bought at the door. There will be refreshments and "live music."

'63 Mercury V-8 Convertible, Automatic, Best offer. 72745 eves, 71167 days. 4345 Modoc Road.

## Dan Moore Awarded First AS Scholarship

Dan Moore

Dan Moore, a senior mathematics major recently received the first annual Legislative Council Scholarship Award at UCSB.

This honor was accorded to Moore by Chancellor Vernon I. Cheadle. Moore, a resident assistant, was chosen on the basis of being the Legislative Council member with the highest grade point average during the past academic year.

Moore maintained between a B-plus and A-minus average as a junior while serving as a member of the Intercollegiate Athletic Commission, Moore, from Leonia, New Jersey, has been on the Dean's honor list at UCSB for six straight semesters. Additionally Moore has served as president of his residence hall.

## Film Classic Screens Sat.

"Hans Christian Anderson" will be presented at two showings Saturday November 17, at 10:30 and 2:30.

Sponsored by the UCSB Faculty Women's Club, the motion picture is a partial biography of the famous story teller and includes three of his most popular tales: Thumbelina, Ugly Duckling, and the Emperor's New Clothes.

Tickets may be purchased at Roos-Atkins, or at the Campbell Hall box-office. Prices are \$1.00 for adults and \$.50 for children and students.

## James Malone To Speak Wed.

The next scheduled talk in a series of Career Day lectures will be held Wednesday, November 14, 1962, at 4 p.m. in North Hall, room 1131.

The Speaker will be Dr. James Malone, Assistant Dean of UCLA Law School. His topic is the legal profession, and all interested students, especially political science and history majors are invited to attend.

Following the lecture, Apache Hall of Anacapa is taking Dr. Malone to dinner.

## French Club To Meet Wed. In Coffee Shop

The French Club will hold its first meeting Wednesday, November 14 at 9 p.m. in the coffee shop.

Interested French students will discuss future activities and a summer tour.

## SB Symphony To Present First Concert Of Season

The UCSB Symphony Orchestra, under the direction of Dr. Erno Daniel, will open its 1962-63 season Wednesday, November 28 with an 8:30 concert in Campbell Hall. Admission is free.

The season opening performance of the orchestra will be dedicated to honors-at-entrance students--outstanding freshmen who were admitted to the university this fall.

The concert will highlight a program of works by Beethoven, Villa-Lobos, Mendelssohn, and Dr. Peter S. Odgaard of the UCSB Music Department.

According to Daniel, the "UCSB Symphony is not just a course--it is an opportunity to serve. The students in the orchestra render a service to the community." In addition to the November 28 concert the Symphony Orchestra will perform in February.

## Pall Mall Presents - GIRL WATCHER'S GUIDE

HIGH-FLYING GYM-DANDY

## CAMPUS TYPE IV

Few sights in all the world of girl watching are as breathtaking as the unexpected observation of a Gym-Dandy in midair maneuver. Plato might well have had the Gym-Dandy in mind when he wrote, "When a beautiful soul harmonizes with a beautiful form, and the two are cast in one mould, that will be the fairest of sights to him who has the eye to contemplate the vision."

Although the Gym-Dandy is a joy to behold even while tightening the laces of her sneakers, she must be seen in action to be fully appreciated. The same thing is true of a Pall Mall. It's a long, firm cigarette in a handsome package, but it must be *tasted* to be fully appreciated. Try Pall Mall and see.

Pall Mall's natural mildness is so good to your taste!

So smooth, so satisfying, so downright smokeable!

# GBAC Captures Second Crown In Downing Yucca By 34-0

By Fred Dawson  
A football dynasty retires at UCSB. Undeclared in 16 games over two seasons of play, the Oleta Beach Athletic Club has bowed out of football competition.

It was a team formed on a nucleus of interest and hard work which met all comers and only allowed five scores in two years, while averaging four tallies per game themselves.

There has been a winning football team at UCSB, though not in inter-collegiate competition, and after talking to BAC opponents it seems maybe they should have been.

In last Friday's championship game against Yucca Hall, the GBAC crew displayed the aggressive and disciplined game which has characterized them for two years. The result was a 34-0 romp over a good Yucca squad.

Led by Bill Lewis at tailback, the Goleta men scored five times through the air. Lewis connected to Dick Aster, Dan Deeter, Bill O'Neill, and Mike Mackle for scores.

Yucca's losing cause was led by tailback Frank Murphy, halves Lee Nelson and Dave Kruger, and ends Dick Watson and Steve Lawrence. The Yuccas never gave up and played aggressive ball to the last whistle, but just couldn't move the ball nor stall the Goleta attack. But then, the Yuccas are not alone in having faced the GBAC and meeting this dilemma. It has been so for two seasons.

In the consolation game for third place, Sigma Phi Epsilon came from behind an 18-6 halftime deficit to soundly thump Yucca Hall 32-18.

Dundas snagged three long passes to give the Sig Ep men the lead, and they were not headed from then on. Dick Lotts also contributed two tallies for the winners, one on a 70 yard interception return.

Yucca found themselves in the same shoes as the Sig Ep's had a week earlier against the GBAC. It was a case of trying hard but being unable to overcome the speed and variety of the Sig Eps

Yucca found themselves in the same shoes as the Sig Ep's had a week earlier against the GBAC. It was a case of trying hard but being unable to overcome the speed and variety of the Sig Eps

Stan Williamson Will Be Honored At USC Luncheon

UCSB Director of Athletics Stanley L. Williamson will be honored as a former University of Southern California football All-American Friday, Nov. 23 at the 12th annual Football luncheon, a traditional event each year on the day before the USC-UCLA game sponsored by Los Angeles Rotary Club No. 5

Williamson will be joined at the head table by USC Director of Athletics Jess Hill, UCLA Director of Athletics Wilbur Johns, opposing coaches John McKay (USC) and Bill Barnes (UCLA), and three other All-Americans from the two universities.

Williamson, who coached Gaucha football teams from 1941-56, and was appointed Athletic Director in February, 1962, was center and captain of the late Howard Jones' undefeated national champions Trojans of 1931, the same year that he won All-American acclaim. He won the Trojan Diamond Medal Award in 1931 and was selected to the USC Football Hall of Fame in 1957.

# BETWEEN THE LINES

with GEOFF SMITH

El Gaucho finally rode the La Playan Pampas Saturday, and although dropping another close one, Coach Bill Hammer and his men provided a good ball game, one that could have gone to Santa Barbara as easily as it went to Redlands.

Especially impressive was big Bill Peters, a 6-2, 200 pound defensive terror from Fresno. A week ago, Peters was in the Davis Backfield so much that they gave him an open letter to become an Aggie halfback.

He hits just as hard as any in the conference and if I were to vote a Gaucho to the all-CCAA team, it would be Peters.

Also deserving of plaudits, halfback Jimmy Fisher stood high on the list for the Gauchos. Fisher turned in the top single rushing performance of the season while gaining 97 yards, highman on the field.

George Dyer and Brent Carder were bludgeoning the Redlands' line last night, being in on innumerable tackles and bolstering the defensive framework.

The Gauchos were two different teams Saturday—the first half, and the second half. I didn't recognize the change and the locals moved with vigor throughout the second canto, where they had not been able to squeak in the initial stanza.

You say that the Gaucho lost again. Well, you're right but you probably weren't even there to watch—only twelve hundred were.

Yet the crux of the matter, the offensive thrust which had been lacking in previous encounters, seemingly was rediscovered in the second half.

The Gauchos meet Cal Poly next week in their final game in town, but the "second half" Gauchos could be tougher.

I'm going out on a limb and am predicting a UCSB victory this week. Dawson and Company can do it, and the student body can do it too—be at La Playa and give the Gauchos some support in their final CCAA contest.

# Gauchos Lose Again, 14-8

By R. A. Walter  
The UCSB footballers fell to their seventh defeat of the 1962 season before a contingent of Redlands' Bulldogs by a score of 14-8 Saturday as only a small band of faithful Gaucho rooters were on hand as the invaders controlled the ball almost the entire game.

The Bill Hammer-led Gauchos came on strong in the second half only to have their hopes dashed by what appeared to be faulty time keeping. During one time out and one out of bounds play the running clock cut off any hopes of a last minute Santa Barbara drive to win the game.

As it was, however, the Gauchos could only manage one touchdown the entire night and the Bulldogs are trying to figure it out. Behind 8-0 at the beginning of the second half, UCSB took the kickoff.

As soon as the referee marked the ball ready for play, center George Dyer picked up the ball and he promptly ran for 25 yards. The whole Gaucho team had been on the right side of center Dyer and Redlands was in their huddle when the play started.

Carried by this momentum, Dawson threw a 25 yard pass to end Bill Peters for the score. Still continuing to confuse Redlands, the locals lined up in a kicking formation for the extra point. Dawson, however, passed the ball to Doug Fell to tie the game 8-8.

The Gauchos started to roll again, but on their next series of plays Fisher fumbled the ball and Redlands recovered to start them on the way for the winning touchdown. The Santa Barbarans were unable to contain quarterback Joe Cortez, tailback Don Robben, and fullback Bill Bryant as they collected 92, 72, and 90 yards respectively on the ground.

UCSB's Jim Fisher collected top rushing honors for the evening, however, as he gained 97 yards, the most that one person has gained for the Gauchos in one game this year.

Chris Dawson's passing also looked sharp after his long period of inactivity due to a broken leg. He hit for 58 yards including a touchdown and a conversion and may be able to break loose next week when Santa Barbara entertains the Mustangs of Cal Poly for the last game of the year and the last game for UCSB in the California Collegiate Athletic Association.

# Mermen Drown Cal Poly For Second

By Steve Swatt  
UCSB's water polo team sewed up second place in the CCAA this year with a hard fought 8-5 victory over Cal Poly in last Saturday's "Big Game."

It was evident to the standing-room-only crowd that this would be the hardest fought game of the season, as the defense on both sides sparkled. In the end, no less than three starting Gauchos--Schiesel, John Crow, and Will Wynn--were removed from the game on fouls. In addition, an underwater skirmish between two opposing players saw each team have one man ejected from the game.

But this didn't stop the ram-paging locals. Replacements Brian White and Dave Linden contributed greatly on defense; and Gaucho goalie John Bankhard turned in an excellent effort, playing the entire game.

The highly partisan crowd annoyed opponent players throughout the entire game. Bob Murr, the Mustang's highly touted goalie, received the brunt of the attack when his verbal protest on a call by the referee was met with "Poly goalie—keep your mouth shut." This was the largest crowd to witness a UCSB water polo game this year, and it was only fitting that the home folks saw their team roll into second place behind Long Beach State.

When the final gun sounded, the Gauchos emerged with an 8-2 season mark and a 5-1 league record the best in the history of UCSB. But the fun wasn't over. After the game, Mike Schiesel and Captain Blair presented Coach Frank Rohrer with a gift from the team, and the traditional dunking followed.
