Enrollment of Midsemester Large *FAR SURPASSES PREVIOUS YEARS*

The enrollment of the College this semester has far surpassed any mid-semester enrollment of previous years, the present number of students registered for this semester numbering more than four hundred. More than three hundred students have registered for regular work here at the College while about one hundred townspeople have enrolled in one or more classes which are being conducted downtown by Dean Pyle, Dr. Ellison, and Dr. Stockton.

More students are registering daily, according to Mrs. Miller, Registrar, and the total enrollment may climb to the five hundred mark before the end of next week.

PLAY WILL BE SPONSORED BY LITERARY FORUM

"The Mantle of the Virgin," a play by Vida Sutton, which appeared in The Drama in December, 1920, will be presented in the college court during the Lenten season under the auspices of the Literary Forum.

The play which is a romance of the medieval ages is particularly adaptable to the Easter season and its artistic setting and costuming will make it an effective evening production.

A committee to handle the first details of the play has been appointed. Roscoe McGuire is acting as chairman with Mary Virginia Platt and Alta Faulkner. The play will be directed by Dean Ashworth and managed by Margaret Burke.

Tryouts will be held sometime this month and will be open to any who are interested. Definite announcements concerning tryouts will be made next week.

IMPORTANT NOTICE!

Semester program cards are due Tuesday, February 10, according to an announcement made from the office Thursday. A box to receive these white semester program cards will be on the desk of the secretary, Mrs. Steele, and if such cards are not turned in on or before Tuesday a \$1.00 fine must be paid.

Three daily program cards must be turned in on or before Friday, February 13. If program cards are not in on Friday a fine of \$1.00 will be charged students failing to turn them into the office.

Noted Dramatic Soprano Will Present Lincoln Day Program On Thursday Morning

Miss Nona Calhoun, dramatic soprano will give a Lincoln Day program in the gymnasium Thursday morning at 11 o'clock, February 12. Miss Calhoun graduated from the Manual Training Department of the Santa Barbara College in 1912 and has been teaching in the music department of the Salinas Junior College. During the past year Miss Calhoun has been on a concert tour.

Miss Nona Calhoun, Former Graduate, Who Will Give Lincoln Program

Miss Calhoun will be accompanied on the piano by Alberta Shafsky.

A small admission will be charged for the concert here.

The following program consisting of ten numbers will be presented by Miss Calhoun Thursday morning.

Students Urged To Enter Song Contest

TWO MONEY PRIZES OFFERED

Two prizes of five dollars and two dollars will be awarded for the best school songs submitted in a contest which is being sponsored by the Literary Forum. The contest which is open to students and faculty members starts today and will close in three weeks on February 27th.

The songs which are submitted will be judged on their content. The songs may be written to familiar tunes or set to original music. Poems suitable for an Alma Mater may be submitted and if worthy of use will be set to music by Mrs. Barnett.

Contributions must be typed or neatly written. The name of the contributor should not appear on the copy of the song but must be attached to it on a separate sheet of paper. The names and songs will be numbered before they are turned over to the judging committee and the identity of the authors will not be revealed until after the songs have been judged.

Details of the contest are in the hands of a committee from the Literary Forum. Contributions should be handed to Edwina Kenney, chairman of the committee, or left in her name in the mail box.

The judging committee will consist of Mrs. Helen M. Barnett, Dean William Ashworth and Madeline Connell.

The contest is being held in response to a general demand for more school songs. It is hoped that the songs may be printed or mimeographed after the contest in sufficient numbers for every student to have a copy. The assembly committee is planning to allow time during the assemblies for some singing.

The committee which is managing the contest consists of Edwina Kenney, chairman, and Marget McTavish and Jane Ames.

STOP—LOOK—READ!

Subjects dropped after the first month for any cause except illness will be marked as failures hereafter according to a faculty ruling made about two months ago. Although this rule has been announced in a previous issue of The Eagle, the credentials committee wishes to warn students again in order to avoid mistakes.

DEAN OF WOMEN OFFERS EXTENSION COURSE

Deann Pyle is offering an extension course on the subject of "Immigration." This course will meet the requirements for a Degree Course, for a General Professional Course, for Special Americanization Certificate, and will be accepted as an Educational Elective for any of the College Degree Courses.

The time of the meetings will be 4:00 p. m. on Tuesday in the Audience Room and on Thursday in the Trustee's Room at the Public Library.

The first meeting of the class was held on Thursday, February 5, for the purpose of organization.

PRESIDENT PHELPS GOES SOUTH NEXT WEDNESDAY

President Phelps will leave for Los Angeles Wednesday morning to attend a meeting of the California Curriculum Committee at the Alexander Hotel. Dr. W. C. Bagley of Columbia University has been secured through aid of the Common Wealth Fund of New York City to report to the committee.

COLLEGE ELEMENTARY SCHOOL STARTS LIBRARY

A library for the children has been started at the College Elementary School. Two students have already contributed a number of books for the use of the children and any others who would like to donate or loan books to increase the library are invited to do so.

Children's fiction, history and biography or any type of book suitable for children's reading will be welcome. Those who wish to loan books are requested to put their names in the books being loaned and to prepare two lists of the titles, one of which should be turned over to Miss Pond with the books.

The books will be given the best of care and a careful check will be kept of all those which are loaned.

TWO MEMBERS ADDED TO COLLEGE FACULTY

Two new instructors, Miss Martha Baxter and Mrs. Florence Lyans, both former instructors have been added to the faculty this semester. Mrs. Lyans has been substituting in place of Mr. Burns who was suddenly called East a few weeks ago and has now taken charge of several classes in the Art Department. Miss Martha Baxter is giving a course in landscape gardening.

LITERARY FORUM PLANS FOR DINNER MEETINGS

At the regular meeting of the Forum last Monday evening, plans were discussed for having a dinner meeting. It was decided that the society should have such a meeting sometime in the near future, with an outside speaker at it. A committee composed of Anna Lincoln chairman, Phil Davis, Jean Christy, and Betty Eddy has been appointed to make arrangements for it.

INSTRUCTORS VISIT OJAI VALLEY SCHOOL TUESDAY

Miss Weage and Mrs. Price spent Tuesday at the Ojai, where they visited Mr. Edward Yeoman's experimental school. Miss Weage is planning to put into use in her elementary physical education classes, the rhythm work that is used in Mr. Yeoman's school. Last month, Mr. Yeoman addressed the Social Science Club at the dinner meeting held at The Tavern.

VISITORS INTERESTED IN ART WORK OF COLLEGE

Mrs. Doolittle, a student in the art department, who is very much interested in the work put out by the art students, has been influential in bringing some visitors from Pomona, who are also interested in the work.

Among those who were expected to visit the college were the superintendent of schools, city director of art in the schools, and six principals.

LA CUMBRE CHATTER

First copy for La Cumbre is beginning to come in from the different editors and departments, and definite announcements for copy dates will follow later. The editor, Ted Ellsworth, announces a staff meeting for next Wednesday noon in room 43, and urgently requests that all staff members be present, as several matters of importance are to be brought up.

Photography work for the annual is going forward rapidly at Hoffman's Studio, many individual and group pictures being completed already. Frat and Sorority presidents have been requested by the Photographic Manager, Everett Hartwell, to turn in complete lists of their members and officers at the earliest possible date. June and August graduates should also make an effort to see Mr. Hartwell at their earliest convenience, for although he is endeavoring to make appointments for everyone, there are such a great number as to make the task very difficult.

Art work for the 1925 edition has received a considerable impetus with the return of Mr. Wolf, who has offered the services of his department in this connection. A very attractive motif has been suggested by the Art Instructor which is very symbolical of the architecture of the town and of the college, and should lend much to the artistic effects of the book. A special art border has already been completed and accepted by the committee, and others are in the course of preparation.

Campus joshes and cartoons should be handed in to the Josh and Humor Section editors, Eleanor Warren and Etta Burnett, at once. These two young ladies promise an original and clever "funny-bone" section, but will require the hearty co-operation of the entire campus. Remember, when anyone makes a break in class, write it down, and hand it to either of these co-eds.

RADIO COURSE WILL BE GIVEN THIS SEMESTER

A three unit course in Radio is being given by Mr. Peters. The course will take up the salient points of present day radio following in outline of the course as given by the University of California.

Anyone having had a year of Mathematics and a year of either Physics or Chemistry is eligible for the course. The course will consist of two lecture hours and one three hour laboratory period.

EXCHANGES

San Diego State Teachers College has had its budget, with the exception of one item, approved by the governor.

"Cal Poly" of San Luis Obispo recently edited a Razzberry edition of their Polygram.

The greatest achievement of the Youth Movement in Germany has been entirely outside of the realms of politics and social questions; it consists in the rediscovery of the great wealth of folk-lore, folk-dance, and folk-song.

Quoted from an article in a recent edition of the New Student "Quantitative and material expansion should be suspended at least temporarily in favor of qualitative improvement; in other words, Fineness must replace Bigness and Showiness as the ideal of the American College."

MR. JACOBS RECENTLY APPOINTED ON COMMITTEE

Mr. Jacobs is on a committee which is seeking to have the next convention of the National Federation of Vocational Education in Los Angeles. The federation will come to California if five hundred members can be secured in this state. It is a part of the plan to bring the convention to Santa Barbara during its meeting in Los Angeles.

SILK BLOUSE EXHIBIT HELD THIS WEEK

An interesting exhibit of silk blouses was shown in the Domestic Art laboratory on Monday and Tuesday. The garments were made by Seniors during the past six weeks. Many tunics of flat crepe and faille were shown in the straight and narrow lines. Students from all departments visited the exhibit.

**MOONLIGHT HIKE TO
LA CUMBRE SCHEDULED
FOR TOMORROW EVE**

The Outing Club hikes to La Cumbre tomorrow night, leaving the College at midnight. This hike is looked forward to as the best hike of the year, due to the phenomenal success of the Moonlight hike to this peak last February, when some thirty students and faculty made the trip. This hike will be chaperoned by Dean William Ashworth.

The group will assemble at the College, and the start will be made promptly at midnight, following the Tunnel Road and the Tunnel trail to the summit, thence along the Ridge trail to the peak. It is planned to reach La Cumbre in time for the sunrise. Then the hikers will continue to Flores Flats, where breakfast will be eaten, followed by sleep for those who want it. Return will be made via the Rattlesnake Canyon trail Sunday afternoon before six o'clock.

Those who intend to go should sign up on the student's bulletin board before four o'clock this afternoon, and take especial heed of the necessary equipment. The Club invites the entire school; let's all go.

ANNOUNCEMENT

Any student who has not paid his Student Body dues or before Monday, March 2, will be forbidden to partake in Student Body activities or to use Student Body equipment according to a ruling passed by the Student Body Council which met yesterday.

Another regulation made some months ago also provides that no refunds of Student Body dues will be made after three weeks of one semester have elapsed.

**CAMPUS TENNIS COURT
WILL BE CONSTRUCTED**

Plans for a tennis court on the field below the cafeteria are rapidly going forward. The land has already been surveyed by Mr. Peters and members of his surveying class, and the necessary cuts will be made as soon as possible. Dr. Ellison and President Phelps have been working on details of this proposed improvement for some time.

PERSONALS

Elsie Douglass went home to Lompoc over the week end.

Reid Hollingsworth after being a J. C. for two years has decided that he has been steering in the wrong direction and has become a G. P.

Frances O'Reilly has found C. M. is not in his taste for a vocation and that J. C. is more in his line.

Maxson Weide spent last week-end at his home in Porterville.

Word comes from Marvel Miller that she likes her new position.

Bud Garber has a new sport model Cheve 1930. He reports one tire ready for a blowout. He will soon paint it—the machine!

A class in modeling, not listed in the catalogue, is being given by Mr. Wolf. The class will meet on Friday, lasting all day. Free hand drawing is the prerequisite for this course.

A leather wallet was presented to Professor William R. Hayward, instructor in painting, by members of his class in painting as an indication of their appreciation for the instruction given by Mr. Hayward.

Mr. Arthur Vincent, City Superintendent of Schools in Ventura, visited College Wednesday in the interests of securing teachers for the primary grades of Ventura. Two mid-year graduates were recommended for positions open in Ventura.

Alma Dyche, former member of the Physical Education Department, visited the College on Tuesday. Miss Dyche has been doing Social Service work for the past three years in Los Angeles.

Mrs. Price, Miss Crumby and Miss Pond, supervisors of the College Elementary School, were guests of honor at a tea given at the home of Helen Erickson by the student teachers of the Elementary School. Madeline Connell and Irma Learned gave several vocal solos.

Mr. Stanley Edwards having completed instruction in his special course in Decorative Needlework will form a new course of the Arts and Crafts type of work which will include stenciling on silks and fine fabrics.

Al Baranov has left Santa Barbara College to attend the University of California, Southern Branch.

**MR. WOLF RELATES STORIES
OF TRAVEL TO STUDENT
ASSEMBLY**

At the Assembly held Tuesday the Elementary school gave a musical number especially arranged for the occasion. The selection was "The Owl and the Pussy Cat," which had been put to music by Katherine Ames. Kenneth Urton played the part of the owl, Ellen Mae George the part of the pussy cat and Mildred Felton played the part of the pig. Madeline Connell directed the number.

Following the selection students joined in learning to sing the first verse and chorus of "Our College Grand," led by Mrs. Barnett.

Mr. Wolf gave a very interesting talk on his first glimpses of native life and native food in the South Sea Islands. He told of his visit to a coconut plantation in Tahiti.

The natives are very fond of flowers and Mr. Wolf was often decorated with them by the young ladies.

**VOLLEY BALL SEASON
NOW IN FULL SWING**

Volley ball was started this week in earnest. Due to the new semester many of the girls have been lax about coming out. Those interested in volley ball are asked to turn out 9th periods on Tuesday, Wednesday, and Thursday afternoons.

CALENDAR OF EVENTS

Feb. 10—Tuesday—A. W. S.—Men's Club—Faculty Meeting at 4:15.

Feb. 12—Thursday—Lincoln Day Program.

Feb. 13—Friday—Junior College Dance.

Feb. 14—Saturday—High Tea at Dean Pyle's for faculty and faculty wives, by A. W. S., 3:30-7:00 p. m.

Dean Pyle went to Ventura Thursday to give a talk to the high school girls of that district. Her talk was on "objectives."

President and Mrs. Phelps will entertain the faculty Sunday afternoon at their home.

According to H. Frank Gillette, a former La Verne man who enrolled in the College this fall, La Verne College itself will be here on the hill if more La Verne men continue to enroll as did Roland Stuzman and Harris Moore, who came here from the southern institution on Wednesday.

Frances Drew has returned this semester following an absence due to the illness of her mother during the last semester.

SAN JOSE WINS FAST GAME AGAINST ROADRUNNERS

The Roadrunners met their second defeat of the season last Tuesday evening at the hands of the San Jose quintet by a score of 39 to 31 in the snappiest and most spectacular basketball game the local gym has ever seen. At no point in the game was the outcome anything but doubtful.

The local five played a good game showing training and teamwork which almost overcame the odds against them occasioned by the wider experience and weight of the northern squad.

Rigley, San Jose's phenomenal right forward and his partner, Sawyer, proved themselves unsurpassable by running up twenty-nine points in the course of the evening. Anderson was high point man for the Roadrunners, piling up fourteen points, several of which left the floor from the wrong end of the court. Williams and Morehead consistently penetrated the San Jose guard for scores and succeeded in adding sixteen points to the local tally.

Williams and Morehead started the game in the right direction by shooting three baskets in the first quarter to lead San Jose by two points. Before the half was ended, however, San Jose showed some excellent organization in scoring twenty-three points and holding the local five to eighteen.

San Jose started the second half by scoring five field goals in the third quarter, while Anderson was able to shoot two for the Roadrunners. The local team rallied in the final lap, however, and heaved nine points, six of them by Williams; but San Jose maintained her lead by shooting three baskets.

ROADRUNNERS DOWN CAL POLY 43-16

The State Roadrunners ran all over the Orange and Green Parrot from the north, in the local's gym last Saturday night, and when the dust settled, the score was 43-16, with Poly still wanting a cracker. Coach Gilliland used eleven men in the fracas, who all performed up to expectations, although the second string had great difficulty in finding the basket.

The first five minutes of play went by scoreless, when each team scored. With the score at 2-2, the Roadrunner stretched his feathers and rapidly left the less swift parrot far behind. At half time the score stood 23-8, leaving little doubt as to the final outcome of the game. Poly drew first blood in the second half, when Lumley bagged a pretty shot from the side of the gym. From then on it was all the local's game. Williams was high point man, closely followed by Anderson and Morehead, while White starred for the visitors.

COLLEGE WILL PLAY LAST GAME TONIGHT

The college basketball team will close the season this year by a combat with the Santa Maria J. C. quintet at the northern city tonight.

According to all reports the game will be a rather one-sided affair. Cal Poly played the Santa Maria squad twice in January and carried home the bacon both times. The first game ended 33-14 and the second one, played at Santa Maria, tallied 22-9 at the final whistle. Evidently the J. C. squad can guard better in its own court. One week later Cal Poly met the Roadrunners and the game ended 44-10 against the polytechnic institution.

Last Tuesday the fast San Jose five left the local gym with the heavier end of a 39-31 score and dropped in at Santa Maria Wednesday to swamp the J. C. 62-7.

But Coach Bob Bartholomew of the Santa Maria J. C. has been putting his squad through a rigid work-out in the past week, and with the addition to the team of several players recently graduated from the high school, he hopes to present a better showing tonight. The J. C. team is tired of being dragged through the mud and is expected to put up the hardest

MEN'S TENNIS TO BE OFFERED THIS SPRING

Dr. Ellison will take charge of the tennis class for men the coming semester, assuming the work previously in charge of Phil Brotherton and Ted Ellsworth. A men's tennis team will be organized soon to encounter several other colleges in matches which have been scheduled for the spring semester.

fight of the season tonight against its old adversary.

The Roadrunners have played every game so far in their own gym to which they were accustomed. There was one practice game that was played in a strange gymnasium (at the high school) and the team seemed unable to find the basket. This may affect tonight's score.
